On February 13, 2014, the Exchange launched its new programme - LEIPS XVI. The programme focuses on Options contract on S&P BSE-100 Index.

The programme incentivizes both Market Makers (MMs) and General Market Participants (GMPs) by payment of cash for their participation as per prescribed terms and conditions.

Under the programme, the MMs have a continuous quoting obligation with specified size and spread in options contracts on S&P BSE-100 Index . The programme offers 4 types of incentives to market participants –

4. Lower transaction fees for all active trading members.

The Exchange monitors performance of the programme including presence of MMs and their compliance with the quote obligations through a mix of online and offline monitoring tools. The Exchange also publishes information on the programme from time to time as applicable vide SEBI Circular CIR/DNPD/5/2011 dated June 2, 2011.

LEIPS-XVI programme shall remain in force till August 12, 2014 subject to below mentioned conditions regarding discontinuation of scheme.
