Sir

Sub: Clarification on Price Movement – Scrip Code 531503.

Reference to the above, please be informed that the price movement in our stock is purely market driven and confirm that there is no reasons from our side, except the announcement made at the meeting of the Board of Directors held on 30.05.2019 - proposing a dividend of 10% for the year 2018-19.

The management and their concerned officials have least interest in the stock price movements. The same is clearly evident if you observe the daily trading volumes.

Thanking you.

Yours faithfully
For **MARIS SPINNERS LIMITED**
