RISK FACTORS

Relating to the transaction:

1. Not applicable, as the Underlying Transaction (as defined below) was completed on 28 July 2020.

Relating to the Open Offer:

1. To the best of the knowledge of the Acquirer and the PACs, as on the date of this Letter of Offer, there are no statutory approval(s) pending to complete the Open Offer. The statutory approvals from (a) The Competition Commission of India (“CCI”) has been received on July 15, 2020; (b) the U.S. Securities and Exchange Commission (“SEC”) has been granted to the Acquirer on July 16, 2020; (c) In principle approval from the Stock Exchanges to the issuance of the Investor Subscription Securities (*as defined below*) was obtained from the BSE on June 12, 2020 and NSE on June 4, 2020. In the event that either: (a) any further regulatory or statutory approvals, as required, are not received in time; or (b) there is any order of a governmental authority or in a litigation leading to a stay/injunction on the Open Offer or that restricts / restrains the Acquirer along with the PACs from performing its obligations hereunder; or (c) SEBI instructs the Acquirer and the PACs not to proceed with the Open Offer, then the Open Offer process may be delayed beyond the schedule of activities indicated in this Letter of Offer. In case the delay is due to non-receipt of statutory approval(s), then in accordance with Regulation 18(11) of the SEBI (SAST) Regulations, SEBI may, if satisfied that non-receipt of approvals was not due to any wilful default or negligence on the part of the Acquirer, grant an extension for the purpose of completion of the Open Offer subject to the Acquirer and the PACs agreeing to pay interest to the validly tendering shareholders at such rate as may be specified by SEBI. Where the statutory approvals extend to some but not all the shareholders, the Acquirer along with the PACs will have the option to make payment of the consideration to such shareholders in respect of whom no statutory approvals are required in order to complete this Open Offer.
2. The acquisition of Equity Shares tendered by NRIs and OCBs is subject to approval from the RBI. NRI and OCB holders of the Equity Shares, if any, must obtain all requisite approvals required to tender the Equity Shares held by them in this Offer (including without limitation, the approval from the RBI or the relevant government authority) and submit copies of such approvals, along with the other documents required in terms of this Letter of Offer. Further, if holders of the Equity Shares who are not persons resident in India (including NRIs, OCBs, and FPIs) had required any approvals (including from the RBI or the FIPB) in respect of the Equity Shares held by them, they will be required to submit copies of such previous approvals, to tender the Equity Shares held by them pursuant to this Offer, along with the other documents required to be tendered to accept this Offer. If such approvals are not submitted, the Acquirer and the PACs reserve the right to reject such Equity Shares tendered in this Offer. If the Equity Shares are held under general permission of the RBI, the non-resident Public Shareholder should state that the Equity Shares are held under general permission and clarify whether the Equity Shares are held on a repatriable basis or a non-repatriable basis.
3. The Acquirer and the PACs may withdraw the Offer in accordance with the terms and conditions specified in Part C of Section V (*Terms and Conditions of the Offer*) of this Letter of Offer. In the event of a withdrawal of the Offer, the Acquirer and the PAC (through the Manager) shall, within 2 (two) Working Days of such withdrawal, make a public announcement, in the same newspapers in which the Detailed Public Statement was published, stating the grounds for withdrawal in accordance with Regulation 23(2) of the SEBI (SAST) Regulations.
4. In the event that the number of Equity Shares validly tendered by the Public Shareholders under this Offer is more than the number of Offer Shares, the Acquirer shall accept those Equity Shares validly tendered by the Public Shareholders on a proportionate basis as detailed in Section VI (*Procedure for Acceptance and Settlement of the Offer*) below. Therefore, there is no certainty that all the Equity Shares tendered in the Offer will be accepted. The unaccepted Equity Shares will be returned to the respective Public Shareholders in accordance with the schedule of activities for the Offer.
5. The tendered Equity Shares will be held in trust by the Registrar to the Offer until the completion of the Open Offer formalities. During such period, there may be fluctuations in the market price of the Equity Shares and the shareholders will not be able to trade in such Equity Shares held in trust by the Registrar to the Offer that may adversely impact the Public Shareholders who have tendered their Equity Shares in this Open Offer. The Acquirer / PACs make no assurance with respect to the market price of the Equity Shares both during the Tendering Period and upon the completion of the Offer, and disclaim any responsibility with respect to any

decision by any Public Shareholder on whether or not to participate in the Offer. It is understood that the Public Shareholders will be solely responsible for their decisions regarding their participation in this Offer.

6. Public Shareholders who tender the Equity Shares in acceptance of the Open Offer shall not be entitled to withdraw such acceptances during the Tendering Period, even if the acceptance of the Equity Shares in this Open Offer and/or dispatch of consideration is delayed.
7. The Acquirer, the PACs and the Manager to the Offer accept no responsibility for statements made otherwise than in the Letter of Offer (LoF) / Draft Letter of Offer (DLoF) / Detailed Public Statement (DPS) / Public Announcement (PA); anyone placing reliance on any other sources of information (not released by the Acquirer and the PACs) would be doing so at his / her / its own risk.
8. Public Shareholders are advised to consult their respective stockbroker, legal, financial, tax, investment or other advisors and consultants of their choosing, if any, for assessing further risks with respect to their participation in the Open Offer, and related transfer of Equity Shares of the Target Company to the Acquirer. The Acquirer, the PACs and the Manager to the Offer do not accept any responsibility for the accuracy or otherwise of the tax provisions set forth in this Letter of Offer, and all shareholders should independently consult their respective tax advisors.
9. This Letter of Offer has not been filed, registered or approved in any jurisdiction outside India. Recipients of this Letter of Offer resident in jurisdictions outside India should inform themselves of and observe any applicable legal requirements. This Offer is not directed towards any person or entity in any jurisdiction or country where the same would be contrary to the applicable laws or regulations or would subject the Acquirer, the PACs or the Manager to the Offer to any new or additional registration requirements.
10. This Offer is subject to completion risks as would be applicable to similar transactions.

Relating to the Acquirer and PACs:

1. The Acquirer and PACs make no assurances with respect to the continuation of the past trend in the financial performance or the future performance of the Target Company.
2. The Acquirer and PACs make no assurance with respect to its investment / divestment decisions relating to its proposed shareholding in the Target Company.
3. The Acquirer and PACs make no assurance with respect to the market price of the Equity Shares of the Target Company before, during or after the Open Offer and expressly disclaim any responsibility or obligation of any kind (except as required by applicable law) with respect to any decision by any shareholder on whether to participate or not to participate in the Open Offer.
4. Upon completion of the Open Offer (assuming full acceptances in the Open Offer) and the Underlying Transaction pursuant to the Investment Agreement, the public shareholding of the Target Company may fall below the minimum level of public shareholding as required to be maintained as per Regulation 38 of the SEBI (LODR) Regulations (*as defined below*) read with Rule 19A of the SCRR (*as defined below*). While the Acquirer and the PACs are required to take necessary steps to facilitate the compliance by the Target Company with the relevant provisions prescribed under the SCRR as per the requirements of Regulation 7(4) of the SEBI (SAST) Regulations and the SEBI (LODR) Regulations, within the time period stated therein through permitted routes and any other such routes as may be approved by SEBI from time to time, any failure to comply with the conditions of aforesaid regulations could have an adverse effect on the price and tradability of the Equity Shares of the Target Company.
5. The information pertaining to the Target Company contained in the PA or DPS or DLoF or LoF or any other advertisement / publications made in connection with the Open Offer has been compiled from information published or provided by the Target Company, as the case may be, or publicly available sources. The Acquirer and the PACs do not accept any responsibility with respect to any misstatement by the Target Company in relation to such information.

The risk factors set forth above are indicative only and are not intended to provide a complete analysis of all risks as perceived in relation to the Offer or associating with the Acquirer and the PACs. The risk factors set forth above do not relate to the present or future business or operations of the Target Company and any other related matters, and are neither exhaustive nor intended to constitute a complete or comprehensive analysis of the risks involved in or associated with the participation or otherwise by any Public Shareholder in the Offer. Public Shareholders are advised to consult their respective stockbroker,

1. General

- i The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31.
- ii A person who is an Indian tax resident is liable to income-tax in India on his worldwide income, subject to certain tax exemptions, which are provided under the Income Tax Act as amended from time to time. A person who is treated as a non-resident for Indian income-tax purposes is generally subject to tax in India only on such person's India-sourced income (i.e. income which is received or deemed to be received in India or accrues or arises or deemed to accrue or arise in India). In case of shares of a company, the source of income from shares would depend on the "situs" of such shares. As per judicial precedents, generally the "situs" of the shares is where a company is "incorporated" and where its shares can be transferred. Accordingly, since the Target Company is incorporated in India, the Target Company's shares should be deemed to be "situated" in India and any gains arising to a non-resident on transfer of shares of Target Company should be taxable in India under the Income Tax Act.
- iii Further, the non-resident Shareholder can avail benefits of the Double Taxation Avoidance Agreement ("DTAA") between India and the respective country of which the said Shareholder is tax resident subject to satisfying relevant conditions including (i) those set out in limitation of benefits provisions present in the said DTAA (if any); (ii) non-applicability of General Anti-Avoidance Rule ("GAAR"); (iii) conditions under Multilateral Instruments ("MLI") as ratified by India with the respective country of which the said Shareholder is tax resident and (iv) providing and maintaining necessary information and documents as prescribed under the Income Tax Act.
- iv The Income Tax Act also provides for different income-tax regimes / rates applicable to the gains arising from the tendering of shares under the Open Offer, based on the period of holding, residential status, classification of the Shareholder and nature of the income earned, etc.
- v Based on the provisions of the Income Tax Act, the shareholders would be required to file an annual income-tax return, as may be applicable to different category of persons, with the Indian income tax authorities, reporting their income for the relevant year.
- vi The summary of income-tax implications on tendering of Equity Shares is set out below. All references to Equity Shares herein refer to listed equity shares unless stated otherwise.

2. Classification of Shareholders:

Shareholders can be classified under the following categories:

a) Resident Shareholders being:

- i Individuals, Hindu Undivided Family ("HUF"), Association of Persons ("AOP") and Body of Individuals ("BOI")

3. **Classification of Income:**

Gains arising from the transfer of shares may be treated either as “capital gains” or as “business income” for income-tax purposes, depending upon whether such shares were held as a capital asset or as stock-in-trade. Shareholders are also required to refer to Circular No.6/2016 dated February 29, 2016 issued by the Central Board of Direct Taxes (“**CBDT**”). Shares can be classified under the following two categories:

- i Shares held as ‘investment’ (Income from transfer taxable under the head “**Capital Gains**”);

Securities held by FIIs / FPIs are treated as ‘capital assets’ under Section 2(14) of the Income Tax Act (whether or not such asset is being held as a capital asset). Therefore, gains arising out of securities held by FPIs will be taxable in India as capital gains. Capital Gains in the hands of shareholders is computed as per provisions of Section 48 of the Income Tax Act.

Period of holding: Depending on the period for which the shares are held, the gain is taxable as “short-term capital gain” or “long-term capital gain”:

- a) **Short term capital assets:** Listed equity shares held for a period less than or equal to 12 (twelve) months prior to the date of transfer. Gains arising therefrom should be taxable as “short term capital gains” (“**STCG**”).
- b) **Long term capital assets** - Listed equity shares are held for a period more than 12 (twelve) months prior to the date of transfer. Gains arising therefrom should be taxable as “long-term capital gains” (“**LTCG**”).

In this regard, the Central Government has issued a notification no. 60/2018/F. No. 370142/9/2017-TPL dated 1st October, 2018, providing certain situations wherein section 112A of the Income Tax Act will continue to be applicable even if **STT** is not paid at the time of acquisition of equity shares. - c) Further, as per Section 112A, the cost of shares acquired before 1 February 2018 for the purpose of computing LTCG shall be the higher of the following:
- (A) Actual cost of acquisition; or

- e) Section 111A of the Income Tax Act provides for taxation of STCG arising on sale of listed shares at the rate of 15% provided STT is paid on the transaction.
- f) The tax rates mentioned above should be increased by the applicable surcharge and cess as per the provisions of the Income Tax Act.
- g) Minimum Alternate Tax (“MAT”) implications may get triggered for certain companies’ resident in India and should be assessed by each of such Shareholder. Foreign companies will not be subject to MAT if the country of residence of such foreign company has entered into a DTAA with India and such foreign company does not have a permanent establishment in India in terms of the DTAA. Likewise, for non-company Shareholders, applicability of the provisions of MAT will also have to be analysed depending upon the facts of each case.
- h) Taxability of capital gains arising to a non-resident in India from the transfer of equity shares shall be determined on the basis of the provisions of the Income Tax Act or the DTAA entered between India and the country of which the non-resident seller is resident, whichever is more beneficial, subject to (i) fulfilment of relevant conditions for availing treaty benefits, provisions of the law of the country of residence of the Seller, (ii) non-applicability of GAAR (demonstrated through commercial substance and strong rationale behind the transaction); (iii) conditions under Multilateral Instruments (“MLI”) as ratified by India with the respective country of which the said Shareholder is tax resident and (iv) maintaining and providing necessary documents prescribed under the Income Tax Act.
