Dear Sirs,

Sub.: Clarification to rumour.

Ref.: NSE and BSE email dated 11th June 2019.

This is with reference to recent news item which appeared in "www.energy.economictimes.indiatimes.com" on 11th June 2019 captioned "Suzlon may default on Rs 1.2k-cr FCCBs due July".

At the outset, we wish to submit that as a Company, we do not comment on rumours.

Nevertheless, please note that the Company continues to work on significant debt reduction, as committed. Also, as a wholesome approach towards liability management, the Company has been exploring various funding options like raising fresh equity, disposal of subsidiaries, etc. The Company has been engaging with various experts, consultants and advisors in this regard, including FCCB holders.

The Company has always taken its obligations under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations") seriously and will continue to do so. And thus, as and when matters arise that require disclosure, the Company will comply fully with its obligations under the Listing Regulations and make appropriate disclosures.

Thanking you,

Yours faithfully,
For Suzlon Energy Limited

H.A. Kanuga
Hemal A. Kanuga,
Company Secretary.
