6.3 In terms of the Buyback Regulations, under tender offer route, the Promoters and Promoter Group of the Company have the option to participate in the Buyback. In this regard, the Promoters and Promoter Group of the Company have expressed, vide their letters dated December 17, 2019 that they do not intend to participate in the Buyback.

6.4 The Buyback Price of Rs. 20/- (Rupees Twenty only) per Equity Share represents a premium of 6.25% over the closing market price of the Equity Shares on the BSE, as on December 10, 2019, being the date on which the Company intimated the Stock Exchange of the date of the meeting of the Board wherein proposal of the Buyback was to be considered.

6.5 The aggregate paid-up Equity Share capital and free reserves (including securities premium account) as on September 30, 2019 (the audited financial statements available as on the date of the Board Meeting recommending the proposal of the Buyback) is Rs.

2929.99 Lakhs. Under the provisions of the Act, the funds deployed for the Buyback cannot exceed 25% of the aggregate paid-up equity share capital and free reserves (including securities premium account) of the Company i.e. Rs. 732.50 Lakhs. The amount proposed to be utilized for the Buyback is Rs. 6,70,00,000.00 (Rupees Six Crores Seventy Lakhs Only) and is therefore within the limit of 25% of the Company's aggregate paid-up Equity Share capital and free reserves (including securities premium account) as per the latest audited financial statement of the Company for the half year ended September 30, 2019. Further, under the Act, the number of Equity Shares that can be bought back in any financial year cannot exceed 25% of the total paid-up equity capital of the Company in that financial year. Accordingly, the maximum number of Equity Shares that can be bought back in the current financial year is 35,27,625. Since the Company proposes to buyback up to 33,50,000 Equity Shares, the same is within the aforesaid 25% limit.

6.6 The Promoter and Promoter Group of the Company have expressed, vide their letters dated December 17, 2019 that they do not intend to participate in the Buyback. The Promoters and Promoter Group of the Company are already in control over the Company and therefore such further increase, if any, in voting rights of the Promoters and Promoter Group will not result in any change in control over the Company. For details regarding the shareholding of the Promoters and Promoter Group pre-Buyback and post-Buyback, please refer to paragraph 13.8 of this Letter of Offer.

6.7 After the completion of the Buyback, the public shareholding of the Company shall not fall below the minimum level required as per Regulation 38 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

7. AUTHORITY FOR THE BUYBACK

The Buyback is being undertaken by the Company in accordance with clause 171 of the Articles of Association, the provisions of Sections 68, 69, 70 and other applicable provisions, if any, of the Companies Act, the Rules thereunder and the Buyback Regulations as amended. The Buyback is subject to such other approvals and permissions, as may be required from statutory, regulatory or governmental authorities under applicable laws.

The Board at its meeting held on December 17, 2019 and Shareholders through postal ballot held on January 29, 2020 approved the Buyback of Equity Shares of the Company.

8. NECESSITY FOR THE BUYBACK

The Board at the Board Meeting considered the accumulated free reserves as well as the cash liquidity reflected in the latest audited financial statement of the Company for the half year ended September 30, 2019 and considering these, the Board decided to allocate a maximum sum of Rs. 6,70,00,000/- (Rupees Six Crores Seventy Lakhs Only) excluding transaction costs viz. brokerage, applicable taxes such as securities transaction tax, goods and services tax, stamp duty, etc., for the Buyback. After considering several factors and benefits to the Shareholders of the Company, the Board and Shareholders approved Buyback of up to 33,50,000 (Thirty Three Lakhs Fifty Thousand) its fully paid up Equity Shares (representing 23.74% of the total paid up equity share capital of the Company) at a price of Rs. 20/- (Rupees Twenty Only) per Equity Share for a maximum aggregate amount of Rs. 6,70,00,000 (Rupees Six Crores Seventy Lakhs Only) excluding transaction costs viz. brokerage, applicable taxes such as securities transaction tax, goods and services tax, stamp duty, etc. In this regard, the Promoters and Promoter Group of the Company have expressed, vide their letters dated December 17, 2019 that they do not intend to participate in the Buyback.

The Company's management strives to increase the Equity Shareholders' value and the Buyback would result in the following benefits, amongst other things:

- i. The Buyback will improve the Earnings Per Share (EPS), Return on Capital Employed (ROCE) and Return on Equity (ROE);
- ii. The Buyback will help in achieving an optimal capital structure;
- iii. The Buyback, which is being implemented through the tender offer route as prescribed under the SEBI Buyback Regulations, would involve allocation of number of shares as per the entitlement of the shareholders or 15% of the number of Equity Shares to be bought back whichever is higher, reserved for the small shareholders. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as "small shareholder" as per Regulation 2 (i)(n) of the SEBI Buyback Regulations;
- iv. The Buyback gives an option to the equity shareholders to either (i) choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback or (ii) choose to not participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment.

9. MANAGEMENT DISCUSSION AND ANALYSIS OF THE LIKELY IMPACT OF THE BUYBACK

9.1 We believe that the Buyback is not likely to cause any impact on the profitability or earnings of the Company, except to the extent of reduction in the amount available for investment, which the Company could have otherwise deployed towards generating investment income. In the event that there is 100% acceptance of the Equity Shares tendered in the Buyback from Eligible Shareholders on a proportionate basis, the funds deployed by the Company towards the Buyback would be Rs. 6,70,00,000/- (Rupees Six Crores Seventy Lakhs only). This shall impact the investment income earned by the Company, on account of reduced amount of funds available for investments.

THE TENDER FORM AND OTHER RELEVANT DOCUMENTS SHOULD NOT BE SENT TO THE COMPANY OR TO THE MANAGER TO THE BUYBACK.

19. PROCESS AND METHODOLOGY FOR THE BUYBACK

i) The Company proposes to Buyback up to 33,50,000 Equity Shares from the existing eligible Shareholders / beneficial owners of Equity Shares of the Company, on a proportionate basis, through the Tender Offer route at a price of Rs. 20/- (Rupees Twenty only) per Equity Share, payable in cash for a maximum aggregate consideration not exceeding Rs. 6,70,00,000 (Rupees Six Crores Seventy Lakhs only), being not more than 25% of the total paid-up Equity Share capital and free reserves (including securities premium account) of the Company as per the latest audited financial statement for the half year ended September 30, 2019. The maximum number of Equity Shares proposed to be bought back represents approximately 23.74% of the total paid-up Equity Share capital of the Company as on September 30, 2019. The Buyback is in accordance with clause 171 of the Articles of Association of the Company and subject to the provisions of Section 68 and all other applicable provisions, if any, of the Companies Act and in compliance with Buyback Regulations and subject to such other approvals, permissions and sanctions as may be necessary, from time to time from statutory authorities including but not limited to SEBI, Stock Exchanges, RBI etc.

ii) The aggregate shareholding of the Promoters and Promoter Group is 80,15,500 Equity Shares, which represents 56.80% of the existing Equity Share capital of the Company. In terms of the Buyback Regulations, under the Tender Offer route, the Promoters and Promoter Group of the Company have the option to participate in the Buyback. In this regard, the Promoters and Promoter Group have expressed, vide their letters dated December 17, 2019 that they do not intend to participate in the Buyback.

iii) Assuming response to the Buyback Offer is to the extent of 100% from all the Shareholders up to their entitlement (full acceptance), post Buyback the aggregate shareholding of the Promoters and Promoter Group will be 80,15,500 Equity Shares, representing 74.49% of the post Buyback Equity Share capital of the company i.e. an increase of 17.69% (rounded-off) from their present holding of 56.80% of the pre-Buyback Equity Share capital of the Company.

a. Record Date, ratio of Buyback and entitlement of each Shareholder

The Board has fixed February 12, 2020 as the Record Date for the purpose of determining the entitlement and the names of the Shareholders, who are eligible to participate in the Buyback Offer.

- b. The Equity Shares proposed to be bought back by the Company shall be divided in two categories:
1. Reserved category for Small Shareholders (“**Reserved Category**”);and
 2. General category for all Shareholders other than Small Shareholders (“**GeneralCategory**”)
- c. As defined under Regulation 2(i)(n) of the Buyback Regulations, a “Small Shareholder” is a Shareholder who holds Equity Shares having market value, on the basis of closing price on February 12, 2020 i.e. as on Record Date is not more than Rs. 2,00,000/- (Rupees Two Lakhs only). As on the Record Date, the closing price on BSE was Rs. 26.75 per Equity Share, accordingly all Shareholders holding not more than 7476 Equity Shares as on the Record Date are classified as ‘Small Shareholders’ for the purpose of the Buyback Offer.
- d. Based on the above definition, there are 29 Small Shareholders with aggregate shareholding of 86,000 Shares, as on the Record Date, which constitutes 0.61% of the outstanding paid up Equity Share capital of the Company and 2.57% of the number of Equity Shares which are proposed to be bought back as part of this Buyback Offer.
- e. In compliance with Regulation 6 of the Buyback Regulations, the reservation for the Small Shareholders, will be 5,02,500 Equity Shares which is higher of:
1. Fifteen percent of the number of Equity Shares which the Company proposes to Buyback i.e. 15% of 33,50,000 Equity Shares which works out to 5,02,500 Equity Shares (rounded off);or
 2. The number of Equity Shares to which the Small Shareholders are entitled, as per their shareholding as on Record Date i.e. [(86,000/6095000) X 33,50,000] which works out to 47269 Equity Shares.

All the outstanding Equity Shares have been used for computing the entitlement of Small Shareholders.

However it may be noted that the aggregate number of shares held by the small shareholders amounts to 86000 shares, which is lesser than the minimum reservation as per Regulation 6 of the Buyback Regulations. In order to have the reservation to small shareholders meaningful, the reservation to small shareholders is fixed at 86000 shares and the excess will be reserved for the General category.

f. Based on the above analysis and in accordance with Regulation 6 of the Buyback Regulations, 86000 Equity Shares have been reserved for the Small Shareholders (“**Reserved Category**”) and accordingly, the General Category for all other Eligible Sellers shall consist of 32,64,000 Equity Shares (“**General Category**”).

g. In order to ensure that the same Eligible Seller with multiple demat accounts/ folios do not receive a higher entitlement under the Small Shareholder category, the Equity Shares held by such Eligible Seller with a common Permanent Account Number (“**PAN**”) shall be clubbed together for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Sellers holding physical shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/ foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/ sub-accounts and have a different demat account nomenclature based on information prepared by the Registrar as per the shareholder records received from the depositories. Further, the Equity Shares held under the category of “clearing members” or “corporate body margin account” or “corporate body – broker” as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients

h. Based on the above, the entitlement ratio of Buyback for both categories is decided as below:

Category Entitlement Ratio of Buyback

Category	Entitlement Ratio of Buyback*
Reserved Category	1Equity Shares out of every 1fully paid-up Equity Shares held on the Record Date
General Category	1088 Equity Shares out of every 2003 fully paid-up Equity Shares held on the Record Date

*The above Ratio of Buyback is approximate and providing indicative Buyback Entitlement. Any computation of entitled Equity Shares using the above Ratio of Buyback may provide a slightly different number due to rounding-off. The actual Buyback Entitlement for Reserved category for Small Shareholders is 0.5496395349 % and Generalcategory for all other Eligible Shareholders is 0.543185222%.

iv) Fractional Entitlements

If the entitlement under Buyback, after applying the above mentioned ratios to the Equity Shares held on Record Date, is not a round number (i.e. not in the multiple of 1 Equity Share) then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buyback Offer, for both categories of Shareholders.

On account of ignoring the fractional entitlement, those Small Shareholders who hold less than 2000 Equity Shares as on Record Date, will be dispatched a Tender Form with zero entitlement. Such Small Shareholders are entitled to tender additional Equity Shares as part of the Buyback Offer and will be given preference in the acceptance of one Equity Share, if such Small Shareholders have tendered for additional Equity Shares.

With regard to General Category, the acceptance of shares would be in multiple of 2000, as the trading lot size of the shares for the company is 2000. When a shareholder from General category tenders shares in buyback, the proportionate number of shares as per applicable ratio would be calculated, which would be rounded off to nearest 2000, subject to being less than the total shares tendered and the same would be accepted in the buyback by the company.

v) **Basis of Acceptance of Equity Shares validly tendered in the Reserved Category**

Subject to the provisions contained in this Letter of Offer, the Company will accept the Shares tendered in the Buyback Offer by the Small Shareholders in the Reserved Category in the following order of priority:

- a. Full acceptance of Shares from Small Shareholders in the Reserved Category who have validly tendered their Shares, to the extent of their Buyback Entitlement, or the number of Shares tendered by them, whichever is less.
- b. Post the acceptance as described in paragraph 19(v)(a), in case, there are any Shares left to be bought back in the Reserved Category, the Small Shareholders who were entitled to tender zero Shares (on account of ignoring the fractional entitlement), and have tendered additional Shares, shall be given preference and one Equity Share each from the additional Shares tendered by these Small Shareholders shall be bought back in the Reserved Category.
- c. Post the acceptance as described in paragraph 19(v)(a) and (b), in case, there are any validly tendered unaccepted Shares in the Reserved Category (“**Reserved Category Additional Shares**”) and Shares left to be bought back in Reserved Category, the Reserved Category Additional Shares shall be accepted in a proportionate manner and the acceptances shall be made in accordance with the Buyback Regulations, i.e. valid acceptances per Shareholder shall be equal to the Reserved Category Additional Shares tendered by the Shareholder divided by the total Reserved Category Additional Shares and multiplied by the total number of Shares remaining to be bought back in Reserved Category. For the purpose of this calculation, the Reserved Category Additional Shares taken into account for such Small Shareholders, from whom one Equity Share has been accepted in accordance with paragraph 19(v)(b), shall be reduced by one.
- d. Adjustment for fractional results in case of proportionate acceptance, as described in paragraph 19(v)(c), will be made as follows:
 - For any Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - For any Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is less than 0.50, then the fraction shall be ignored.

vi) **Basis of Acceptance of Equity Shares validly tendered in the General Category**

Subject to the provisions contained in this Letter of Offer, the Company will accept the Shares tendered in the Buyback Offer by Shareholders (other than Small Shareholders) in the General Category in the following order of priority:

- a. Full acceptance of Shares from Shareholders in the General Category who have validly tendered their Shares, to the extent of their Buyback Entitlement, or the number of Shares tendered by them, whichever is less.
- b. Post the acceptance as described in paragraph 19(vi)(a), in case, there are any validly tendered unaccepted Shares in the General Category (“**General Category Additional Shares**”) and Shares left to be bought back in General Category, the General Category Additional Shares shall be accepted in a proportionate manner and the acceptances shall be made in accordance with the Buyback Regulations, i.e. valid acceptances per Shareholder shall be equal to the General Category Additional Shares by the Shareholder divided by the total General Category Additional Shares and multiplied by the total number of Shares remaining to be bought back in General Category.
- c. Adjustment for fractional results in case of proportionate acceptance, as described in paragraph 19(vi)(b), will be made as follows:
 - For any Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - For any Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is less than 0.50, then the fraction shall be ignored.

vii) **Basis of Acceptance of Equity Shares between the two categories**

- a. After acceptances of tenders, as mentioned in paragraph 19(v) and 19(vi), in case, there are any Shares left to be bought back in one category (“**Partially Filled Category**”) and there are additional unaccepted validly tendered Shares (“**Further Additional Shares**”) in the second category (“**Over Tendered Category**”), then the Further Additional Shares in the Over Tendered Category shall be accepted in a proportionate manner i.e. valid acceptances per Shareholder shall be equal to Further Additional Shares validly tendered by the Shareholder in the Over Tendered Category divided by the total Further Additional Shares in the Over Tendered Category and multiplied by the total Shares left to be bought back in the Partially Filled Category.
- b. If the Partially Filled Category is the General Category and the Over Tendered Category is the Reserved Category, then any Small Shareholder who has received a Tender Form with zero Buyback Entitlement and who has tendered Additional Shares shall be eligible for priority acceptance of one Equity Share before acceptance in paragraph 19(vii)(a) out of the Shares left to be bought back in the Partially Filled Category provided no acceptance could take place from such Shareholder in accordance with paragraph 19(v).
- c. Adjustment for fraction results in case of proportionate acceptance, as defined in paragraph 19(vii)(a):
 - For any Shareholder, if the number of Further Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.

- For any Shareholder, if the number of Further Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is less than 0.50, then the fraction shall be ignored.

In case of any practical issues, resulting out of rounding-off of Shares or otherwise, the Buyback Committee or any person(s) authorized by the Buyback Committee will have the authority to decide such final allocation with respect to such rounding-off or any excess of Equity Shares or any shortage of Equity Shares after allocation of Equity Shares as set out in the process described in paragraph 19.

viii) **For avoidance of doubt, it is clarified that, in accordance with the clauses above:**

- Shares accepted under the Buyback from each Eligible Shareholder, shall be lower of the following:
 - the number of Shares tendered by the respective Shareholder; or
 - the number of Shares held by the respective Shareholder, as on the Record Date.
- Shares tendered by any Shareholder over and above the number of Shares held by such Shareholder as on the Record Date shall not be considered for the purpose of acceptance.

The Company shall accept all the Equity Shares validly tendered in the Buyback by the Eligible Shareholders, on the basis of the Buyback entitlement as on the Record Date.

1. GENERAL

The Indian tax year runs from 1st April to 31st March. The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. A person who is a tax resident of India is liable to taxation in India on his worldwide income, subject to certain prescribed tax exemptions, which are provided under the Income Tax Act, 1961 (the 'Income Tax Act' or 'ITA').

A person who is treated as a non-resident for Indian tax purposes is generally liable to tax in India only on his/her Indian sourced income or income received by such person in India. In case of shares of a company, the source of income from shares would depend on the 'situs' of such shares. As per judicial precedents, generally the "situs" of the shares is where company is "incorporated" and where its shares can be transferred. Accordingly, since the Company is incorporated in India, the shares of the Company would be "situated" in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the ITA subject to any specific exemption in this regard. Further, the non-resident can avail the beneficial tax treatment prescribed under the relevant Double Taxation Avoidance Agreement ("DTAA") subject to satisfaction of the relevant conditions and documentary compliance requirements prescribed under the ITA.

The ITA also provides for different tax regimes/ rates applicable to the gains arising on buy-back of shares, based on the period of holding, residential status and category of the shareholder, nature of the income earned, etc. The summary tax implications on buy-back of equity shares listed on the stock exchanges in India is set out below.

All references to equity shares in this note refer to equity shares listed on the stock exchanges in India unless stated otherwise

2. CLASSIFICATION OF SHAREHOLDERS

Shareholders can be classified under the following categories:

A. Resident Shareholders being:

- Individuals, Hindu Undivided Family (HUF), Association of Persons (AOP) and Body of Individuals (BOI)
- Indian Company
- Others

B. Non-Resident Shareholders being:

- Non-Resident Indians (NRIs)
- Foreign Institutional Investors (FIIs) / Foreign Portfolio Investors (FPIs)
- Foreign Company
- Other than Company

3. CLASSIFICATION OF INCOME

Shares can be classified under the following two categories:

A. Shares held as investment (Income from transfer taxable under the head "Capital Gains")

B. Shares held as stock-in-trade (Income from transfer, taxable under the head "Profits and Gains of Business or Profession", hereinafter referred to as "Business Income")

Gains arising from the transfer of shares may be treated either as "capital gains" or as "business income" for tax purposes, depending upon whether such shares were held as a capital asset or trading asset (i.e. stock-in-trade). Traditionally, the issue of characterization of income arising from sale of shares has been a subject matter of litigation with the tax authorities. There have been various judicial pronouncements on whether gains from transactions in securities should be taxed as "business profits" or as "capital gains". However, these pronouncements, while laying down certain guiding principles have largely been driven by the facts and circumstances of each case. The apex body of Income -tax administrations, i.e., Central Board of Direct Taxes ("CBDT") has issued Circular no. 6 of 2016, as per which, if the taxpayer opts to consider the shares as stock -in-trade, the income arising from the transfer of such shares would be treated as its business income. Also, if such shares are held for a period of more than 12 months, if the taxpayer desires to treat the income arising from the transfer thereof as "capital gains", the same shall not be put in dispute by the Tax Officer. However, the choice on characterization, once taken by the taxpayer in a particular tax year, should be consistent and shall remain applicable in the subsequent tax years as well and the taxpayer shall not be allowed to opt into a different or contrary stand in this regard.

Further, investments by FII /FPI in any securities in accordance with the regulations made under the Securities and Exchange Board of India Act, 1992 would be treated as capital asset and the transfer of such shares would be treated as "capital gains" under the

provisions of the Income Tax Act.

A. SHARES HELD AS INVESTMENT

- i. As per the provisions of the Income Tax Act, where the shares are held as investments, income arising from the transfer of such shares is taxable under the head “Capital Gains”. Capital Gains on Buy-back of shares of a company listed on stock exchanges in India are governed by the provisions of Section 46A of the Income Tax Act and would attract capital gains in the hands of shareholders as per provisions of computation of Capital Gain contained in Section 48 of the Income Tax Act. The provisions of buy back tax under section 115QA in Chapter XII -DA of the Income Tax Act do not apply for shares listed on the stock exchange till 5th July, 2019. For non-residents, capital gains would be subject to taxability under the Income Tax Act or provisions of the relevant DTAA, whichever is more beneficial. However, in order to avail the benefits of DTAA, the non-resident shareholder shall furnish a tax residency certificate (as stipulated under section 90 of the Income Tax Act).

The consequential income will be exempted in the hands of the shareholder irrespective of the class/residential status of the shareholder and purpose for which shares are held (i.e. as “Investments” or “Stock in Trade”) under sub-clause (34A) of Section 10 of Income Tax Act and hence the tax implications if any will be borne by the Company as per the applicable Rules, Laws, Acts, etc.

ii. Period of holding

Depending on the period for which the shares are held, the gains would be taxable as ‘short term capital gain’ or ‘long term capital gain’ as stated below:

- In respect of equity shares held for a period less than or equal to 12 months prior to the date of transfer, the same shall be treated as a ‘short-term capital asset’, and the gains arising therefrom shall be taxable as ‘short term capital gains’ (“STCG”).
- Similarly, where equity shares are held for a period more than 12 months prior to the date of transfer, the same shall be treated as a ‘long-term capital asset’, and the gains arising therefrom shall be taxable as ‘long-term capital gains’ (“LTCG”).

iii. Buy-back of shares through a recognized stock exchange

Where transaction for transfer of such equity shares (i.e. buy-back) is executed through a recognized stock exchange in India, they are liable to Securities Transaction Tax (“STT”). STT is a tax payable in India on the value of securities on every purchase or sale of securities that are listed on the recognized stock exchanges in India. Currently, the STT rate applicable on the purchase or sale of shares on the stock exchange is 0.1% of the value of security.

The taxability of buyback proceeds in the hands of the eligible shareholder should be as under:

- With effect from April 1, 2018, buyback of equity shares (which is subject to STT) will be taxable as LTCG in accordance with the provisions of section 112A of the Income Tax Act.
- LTCG will be the difference between the consideration paid by the Company on buyback of equity shares and the ‘specified cost of acquisition’ of such shares.
- The ‘specified cost of acquisition’ of the equity shares which are acquired prior to February 1, 2018 will be the higher of:

i. the cost of acquisition of equity shares;

or

ii. Lower of-

(a) the fair market value of equity shares; and

(b) the full value of consideration received or accruing as a result of the transfer of the equity shares.

- Fair market value is defined to mean the value as on January 31, 2018 which is the highest price of the equity shares quoted on the stock exchange.
- LTCG exceeding Rs. 100,000 will be subject to tax at 10% (plus applicable surcharge and cess) without any indexation benefit.
- However, in this regard, section 112A will not apply if equity shares are acquired on or after October 1, 2004 and STT was not paid except in situations provided in Notification No. 60/2018/F. No. 370142/9/2017-TPL dated October 1, 2018, namely.

- a. where acquisition of existing listed equity share in a company whose equity shares are not frequently traded in a recognized stock exchange of India is made through a preferential issue.

 - iv. through preferential issue to which the provisions of chapter VII of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 does not apply

- Where Section 112A is not applicable, LTCG will be chargeable to tax for resident Individuals at 20% with indexation or at 10% without indexation, along with the rebate as is applicable.
 - STCG on buyback of equity shares will be subject to tax at 15% under section 111A of the Income Tax Act. Rebate for resident Individuals under section 87A of the Income Tax Act is available on tax payable under section 11 A of the Act.

11. RECORD DATE AND SHAREHOLDER'S ENTITLEMENT

11.1 As required under the Buyback Regulations, the Company has announced the record date (the "Record Date") of February 12, 2020 for the purpose of determining the entitlement and the names of the shareholders, who are eligible to participate in the Buyback Offer.

11.2 The Equity Shares to be bought back as a part of this Buyback Offer is divided into two categories:

- Reserved category for Small Shareholders; and
- General category for all Eligible Shareholders other than Small Shareholders.

11.3 As defined in the Regulation 2(i)(n) of the Buyback Regulations, a “Small Shareholder” is a shareholder who holds Equity Shares having market value, on the basis of the closing price of the Equity Shares on the Stock Exchanges having the highest trading volume as on the Record Date, of not more than Rs. 2,00,000 (Rupees Two Lakhs only). For the purposes of classification of a shareholder, as a “small shareholder”, multiple demat accounts having the same permanent account number (“PAN”), in case of securities held in the demat form are to be clubbed together.

11.4. In accordance with Regulation 6 of the Buyback Regulations, the reservation for the Small Shareholders will be the higher of (a) 15% (fifteen percent) of the number of Equity Shares which the Company proposes to buy back, or (b) number of Equity Shares to which the Small Shareholders are entitled, as per the shareholding of Small Shareholders as on the Record Date.

11.5. Based on the holding of Equity Shares as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder, including Small Shareholders, to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares that the Company shall purchase from each Eligible Shareholders will be based on the total number of Equity Shares tendered by such Eligible Shareholder. Accordingly, the Company may not purchase all of the Equity Shares tendered by an Eligible Shareholder.

11.6. In order to ensure that the same Eligible Shareholder with multiple demat accounts/folios does not receive a higher entitlement under the Small Shareholder category, the Company will club together the Equity Shares held by such Eligible Shareholders with a common PAN for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of Eligible Shareholders holding Equity Shares in physical form, where the sequence of PANs is identical or where the PANs of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical.

11.7. The shareholding of institutional investors like mutual funds, pension funds/trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the registrar to the Buyback (“Registrar”) as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of ‘clearing members’ or ‘corporate body margin account’ or ‘corporate body-broker’ as per the beneficial position data as on the Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

11.8. After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.

11.9. Eligible Shareholders’ participation in the Buyback will be voluntary. Eligible Shareholders can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose not to participate. Eligible Shareholders may also choose to participate in part of their entitlement. Eligible Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Eligible Shareholders, if any. If the Buyback entitlement for any shareholder is not a round number, then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in Buyback.

11.10 The maximum number of Equity Shares that can be tendered under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date. If the Buyback entitlement for any Eligible Shareholder is not a round number (i.e. not a multiple of 1 Equity Share), then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buyback. The Small Shareholders whose entitlement would be less than 1 Equity Share may tender additional Equity Shares as part of the Buyback and will be given preference in the acceptance of one Equity Share, if such Small Shareholders have tendered for additional Equity Shares.

11.11 The Equity Shares tendered as per the entitlement by Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in the Buyback Regulations. Each Eligible Shareholder will receive the letter of offer along with a tender/offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback.

11.12 Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer which will be sent in due course to the Eligible Shareholders as on the Record Date.

12. PROCESS AND METHOD TO BE ADOPTED FOR THE BUYBACK

as per the records made available to the Company by the Depositories/registrar as on the Record Date. An Eligible Shareholder who wishes to tender their shares in the Buyback must have an active demat account, trading account and bank account.
