State of Company's Affairs

In line with the Company's philosophy and business model of conceiving pioneering infrastructure projects of national importance and executing the same through Special Purpose Vehicles (SPVs) including its subsidiaries / associates / joint ventures / affiliates, the Company is focused reducing its debt/liabilities, reviving its development activities and protecting the interest of its stakeholders for which it is actively pursuing monetization of its assets and investments as well as recovery of its claims from various debtors.

Future Outlook

In last two and half years, the world has witnessed intense upheavals in form of rampaging COVID global pandemic and geopolitical tensions resulting into severe business disruptions, economic crisis and unemployment on a large scale. Notwithstanding the same, great resilience and adoption of various revival strategies have helped countries all over the world to embark on recovery path and the economies are back on normalcy, albeit gradually.

India's long-term growth scenario looks positive for a variety of factors such as almost 65% of its population being below the age of 35 and corresponding low dependency ratio/its consumption behavior and expenditure pattern; increasing globalization in India and India's integration into the global economy. In addition to that, substantial capital expenditure by government, increasing FDI, structural economic reforms, ease of doing business etc. are also encouraging signs for India's sustainable and long term growth oriented economy.

The Company is making all out efforts in pursuing divestment/monetization and recovery of the same. Two years of COVID pandemic followed by global economic downturn slowed down the Company's efforts to achieve its objective. Post this scenario, the Company has re-energized its efforts in this direction and is confident that upon achieving its goal with regard to the said divestment/monetization and recovery of claims, the Company will not only be able to liquidate its legitimate liabilities and thereby revive its development activities but also, as a result, will be able to continue to protect the interest of all its stakeholders.

Dividend

In view of losses incurred by the Company, your Directors do not recommend dividend for the financial year ended March 31, 2022.

Details of Subsidiaries, Associates & Joint Ventures

As on March 31, 2022, the Company has five Subsidiary Companies including one foreign Subsidiary which are Gujarat-DwarkaPortwest Limited, Chiplun FTWZ Private Limited, ,SKIL Shipyard Holdings Private Limited, SKIL Advanced Systems Private Limited ('SASPL') and SKIL (Singapore) Pte. Ltd. There are two Associate Companies as on March 31, 2022, Rosoboronservice (India) Limited and Urban Infrastructure Holdings Private Limited.

Out of the aforesaid Subsidiary Companies Chiplun FTWZ Private Limited obtained the status of Dormant Company under the Companies Act, 2013 ('Act').

As required under SEBI (Listing Obligations and Disclosures Requirement) Regulations, 2015, ('SEBI Regulations') and the applicable Accounting Standards, the Consolidated Financial Statements of the Company and its Subsidiary Companies, Joint Venture, Associate Companies form part of this Annual Report. Un-Audited Financial Statements of SKIL (Singapore) Pte Ltd., subsidiary of the Company, has been considered for the purpose of consolidation. However, the financial statements of Associate Companies were not available for consolidation.

The performance and financial position of each of the Subsidiaries, Joint Venture Company and AssociateCompanies is provided in accordance with the provisions of Section 129 read with Rule 5 of the Companies (Accounts) Rules, 2014 as a separate statement annexed to Financial Statements in prescribed Form AOC – I and hence not repeated here for the sake of brevity.

The Company has formulated a Policy for determining material subsidiaries, which is uploaded on the website of the Company at www.skilgroup.co.in and can be accessed at http://www.skilgroup.co.in/investor_pdf/Policy-on-Material-Subsidiaries.pdf.

Other Information

As informed earlier, the Company as per Purchase Agreement ('PA') signed with Reliance Defence Systems Private Limited ('RDSPL') and Reliance Infrastructure Limited ('R-Infra') ('Reliance Infra Group') in March, 2015, Reliance Infra Group is under an obligation to ensure release of all the securities, i.e; Corporate Guarantees, Undertakings, Pledge of shares, Personal Guarantees furnished by the Company and its Promoters to the lenders of Reliance Naval and Engineering Limited, erstwhile Reliance Defence and Engineering Limited / Pipavav Defence and Offshore Engineering Company Limited ('RNEL'). Reliance Infra Group, however, failed to comply with their obligation to get the said securities released / discharged by RNEL lenders. Accordingly, on March 03, 2018, the Company issued legal notice to Reliance Infra Group for breach of the PA and claimed losses, subsequently; Reliance Infra Group issued an Arbitration notice to the Company for breach of warranties under the said PA, which has been strongly contested by the Company, as false and baseless. Further, as intimated earlier on account of default by RNEL and Reliance Infra Group as Promoters of RNEL towards its obligations to pay to RNEL lenders, the security trustee on behalf of the lenders of RNEL invoked the Corporate Guarantee of the Company and RNEL shares pledged by the Company and SKIL Shipyard Holdings Private Limited ('SSHPL'), despite the Company and SSHPL, not being the Promoters of RNEL since January, 2016. The Company had filed a suit in Ahmedabad Court challenging the unjustified, wrong and illegal invocation of corporate guarantee and securities by RNEL lenders. The matter is sub-judice. The Company has also filed a Civil Appeal in the Supreme Court challenging the National Company Law Appellate Tribunal (NCLAT) order rejecting the Company's claim on RNEL as a Financial Creditor.

Pursuant to invocation of the Corporate Guarantee and the Personal Guarantees by RNEL lenders, they have also filed recovery proceedings against the Company.

Significant & Material Orders Passed by the Regulators or Courts or Tribunal

In the matter of recovery proceedings initiated by IL & FS Financial Services Limited (IFIN) against SKIL Infrastructure Limited (Company) and its erstwhile subsidiary namely SKIL Himachal Infrastructure & Tourism Ltd (now known as Blissview Tourism & Infrastructure Limited) and the subsidiary namely Gujarat Dwarka Port West Ltd (GDPWL) in Hon'ble High Court, Mumbai for recovery of their alleged outstanding dues, Hon'ble High Court, Mumbai granted conditional leave to the Company and its Subsidiaries i.e. SHITL & GDPWL to defend its case against IFIN subject to deposit of Rs. 616.75 Crs with Hon'ble High Court, Mumbai. The Company had filed Appeals against the said orders with the Division bench of Hon'ble High Court, Mumbai which have been dismissed by the Hon'ble High Court, Mumbai. However, the Company is contemplating to challenge the said dismissal of its appeals in the Hon'ble Supreme Court.

Stamp Duty pursuant to Scheme of Amalgamation and Arrangement

In the matter of Stamp Duty of Rs. 25 Crores on account of Scheme of Amalgamation & Arrangement, the Revenue Authority had initiated recovery proceedings against the Company. However, the Company has disputed the amount of Stamp Duty and the legal recourse available to it being adopted to challenge the said levy of stamp duty.

Current status of litigations by/against the Company

The Company is appropriately defending itself in various litigations which are in different stages of hearing.

Invocation of Securities

During the year under review company has received intimation on August 10, 2021 from Grevek Investments & Fiance Pvt Ltd. for Invocation of 5,00,00,000 Equity Shares of SHITL, 2,00,000 Equity Shares of MTPPL, 50,00,000 Equity Shares of Shri Ram New Horizon Ltd and on December 4, 2021 800 units of Class "A" Urban Infrastructure Opportunities Fund with immediate effect against Company's default against loan outstanding of approx. Rs. 1000 crs. Hence on account of said invocation, SHITL and MTPPL ceased to be the Subsidiary Company of our Company. Yes Bank Limited invoked 32,00,000 shares of the Company held by Promoter Group entities.

Extract of Annual Return

In view of the amendments to Section 92 and Section 134 of the Act, an extract of Annual Return in the prescribed Form MGT-9 is not required to be published, if the Annual Return of the Company is placed on its website. The Company has placed Annual Return of the Company on its websitewww.skilgroup.co.in and accordingly, the extract is not being published in Annual Report.

I have discussed these matters with the management who has explained to me the reasons of said delays/non-filing.

I further report that I have relied on statutory auditor's reports in relation to the financial statements and accuracy of financial figures for Sales Tax, Wealth Tax, Value Added Tax, Related Party Transactions, Provident Fund, ESIC etc. as disclosed under financial statements, Accounting Standard 18 & note on foreign currency transactions during my audit period, and I have not verified the correctness and appropriateness of the books of accounts of the Company.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were generally sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting by the directors.

During the period under review, decisions were carried out with unanimous approval of the Board and no dissenting views were observed, while reviewing the minutes.

I further report that based on the review of the Compliance mechanism established by the Company and on the basis of Compliance Certificates issued by the Chairman and taken in record by the Board of Directors at their meetings, I am of the opinion that there are generally adequate systems & processes in the company commensurate with its size & operation to monitor and ensure compliance with applicable laws, rules, regulations, circulars, notifications, directions and guidelines.

I further report that during the audit period, the Company has undertaken event / action having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. referred to above viz.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INTRODUCTION:

Your Company is one of the leading infrastructure development Companies in India, having pioneered the development of various first-of-its-kind-in-India projects such as Seaport, Logistics, Railway, Defence Shipyard, Offshore Asset Construction Yard and Special Economic Zone in the private sector.

INDUSTRY STRUCTURE & DEVELOPMENTS:

The scale and quality of infrastructure in a country is the determining factor of its economy as it has the power to transform the social and economic landscape of the country. Quality infrastructure not only gives cost competitiveness but also enables a country to leverage its resources effectively and to derive comparative advantages therefrom. However, developing such world-class infrastructure needs huge funding, experienced execution agencies with skilled labor force and latest equipment, supportive regulatory framework and that too all these in tandem with robust information technology platform to achieve all round synergy.

On funding requirement, the government is cutting no corner in allocating budgetary resources. Yet still, government funding alone will not be sufficient. Since Public Private Partnership (PPP) in infrastructure has been an important source of investment in the sector, the government is encouraging more and more Public Private Partnership. Moreover, in form of supportive policy initiatives and regulatory framework, 100% FDI through automatic route in infrastructure sector is also contributing to the funding requirement. This basket mix of PPP as well as FDI is bound to attract global players in this sector, who can bring along with them the much needed experience, expertise, latest technology, state-of-the-art machinery & equipment etc. Since this sector is labor intensive, such large scale infrastructure augmentation will create huge employment, directly and indirectly; which in turn will lead to wider income base resulting into incremental consumer demand thereby contributing to the growth of manufacturing and services sectors.

OPPURTUNITIES & THREATS:

The government is also laying great emphasis on implementation of various grass-root level initiatives and reforms across the sectors to unlock the country's investment potential to revive, bolster and improve the Indian economy. Improved business environment, liberal FDI policies, quick solutions to corporate disputes, a simplified tax structure, and a boost to the public and private expenditure will make it one of the strongest economies in the world.

Riding on its robust demand, India is expected to become the world's 3rd largest construction market by 2022 and will require investment worth Rs. 50 trillion (US\$ 777.73 billion) across infrastructure by 2022 for a sustainable development in India. (Source: India Brand Equity Foundation, IBEF, May 2022). This demand opens up the floodgates for domestic as well as international infrastructure industry players and for investors interested in making FDI in India as well. The collaboration of world-class construction majors (with their rich/huge experience and expertise) participating in Indian infrastructure development with domestic players will also help domestic players upgrading and enhancing their capabilities.

However, conversion of potential opportunities as mentioned above into actual execution requires meticulous planning backed by expeditious decision making process in a time bound manner. On the other hand, execution agencies, be it private or public enterprises, need to have a proper balance of leveraging their core competencies with sustainable and viable business opportunities. Having the right mix of all these factors is indeed a very challenging scenario which ought to be overcome to tap the huge potential fruitfully.

SEGMENT-WISE or PRODUCT-WISE PERFORMANCE:

The Company, with its track record of successfully developing several greenfield iconic infrastructure projects, continues to explore various infrastructure development activities through its various subsidiaries / affiliates / associates etc. and to raise the necessary finance for the same.

OUTLOOK:

Global

The global economic outlook has been cautious but promising in the aftermath of COVID effect. It has been recovering gradually with removal of all the COVID related restrictions on movement of goods and services. Investors are looking forward to suitable business opportunities after a long hiatus since COVID outbreak. The nations all over the world are also implementing appropriate policy mechanisms to revive their economies. All these are good signs for a prospective global business atmosphere.

India

With the infrastructure development at the forefront, India is on the cusp of a major economic recovery and strong economic foundation is being laid with the reforms carried out by the government over the last seven years. India is primarily a domestic-demand-driven economy with consumption and investments contributing to more than two third of the economic activity.

As per Union Budget 2022-23, (Source: India Brand Equity Foundation, May 2022)

- effective capital expenditure is expected to increase by 27% at Rs. 10.68 lakh crore to boost the economy. This will be 4.1% of the total Gross Domestic Production (GDP).
- National Bank for Financing Infrastructure & Development (NaBFID) is a bank that will provide non-recourse infrastructure financing and is expected to support projects from the first quarter of FY2022-23; it is expected to raise Rs. 4 lakh crore in the next three years.

In addition to above, increase in the tax collection along with the government's budget support to states has also strengthened the overall growth of the Indian economy. Moreover, apart from being a critical driver of economic growth, Foreign Direct Investment (FDI) has been a major non-debt financial resource for the economic development of India. The Indian Government's favorable policy regime and robust business environment has ensured that foreign capital keeps flowing into the country.

In view of above, optimism about Indian economic revival remains intact.

Your Company

It is necessary and prudent to keep it in mind that notwithstanding the optimistic/prospective global and domestic economic scenario, there are every chance that any adverse domestic or international upheaval will have a consequential effect on your Company's efforts to monetize/divest its assets and investments.

RISKS & CONCERNS:

Uncertainties surrounding the global business ecosystem will certainly have a direct impact on Indian economy which is trying to get back to normalcy after being impacted by the effects of COVID pandemic and recent Russia-Ukraine conflict. Notwithstanding the same, various factors such as India's huge domestic demand, government's aggressive push on capital expenditure as well as India being cost-effective investment destination for the international business community will help India tide over any headwinds that it may have to face in near future.

DISCUSSION ON RESULTS OF OPERATIONS:

There is no operating revenue during this year. The amount of Rs. 6,585.77 lacs (PY Rs. 4,047.08 lakhs) reflected as credit to profit and loss account mainly consist of amounts written back and other such accounting entries. The loss before exceptional items and tax is Rs. 16,234.24 lacs for the FY 2021-22 as against loss of Rs. 55,355.27 lacs for the previous financial year. The net loss during the year was mainly due to finance cost.

DETAILS OF SIGNIFICANT CHANGES IN KEY FINANCIAL RATIOS OF THE COMPANY:

There is significant change in Interest Coverage Turnover (calculated by dividing earnings before interest, taxes & depreciation by the interest expense and principal repayment of long term debt) which was 0.23 in FY 2020-21 in comparison to 0.02 in FY 2021-22. This was due to increase in Income (Other) and reduction in expenses.

The Current Ratio (proportion of the Company's current assets to its current liabilities) remained unchanged at 0.01% in FY 2021-22.

There is significant change in Debt Equity Ratio (calculated by dividing the company's total Debt by its shareholder equity) which was 3.37 in FY 2020-21 as compared to 5.25 in FY 2021-22. This was mainly on account of accumulated interest.

As far as Debtors Turnover Ratio, Inventory Turnover Ratio, Operating Profit Margin and Net Profit Margin are concerned, the Company did not have the same either in FY 2021-22 or in FY 2020-21.

With regards to Return on Net Worth (calculated by dividing the Company's net income by shareholders' equity; net income used is for past 12 months), the Company did not have Net Income either in 2021-22 or in 2020-21 and therefore there is no Return on Net Worth.

INTERNAL CONTROL SYSTEMS & THEIR ADEQUACY:

Our internal financial control framework is based on the policies and procedures laid down by the management and are in line with requirements of the regulations and adequate enough for business operations. Our internal control systems are periodically tested by the Management, the StatutoryAuditors and the Internal Auditors.

- Audit Committee of the Board
- 2. Nominations and Remuneration Committee
- 3. Stake Holder's Relationship Committee
- Independent Director's Committee
- 5. Finance Committee
- 6. Corporate Social Responsibility Committee
- 7. Security Allotment and Transfer Committee

MATERIAL DEVELOPMENTS IN HUMAN RESOURECES/INDUSTRIAL RELATIONS:

The Company is making continuous efforts in inculcating in its employees the professional work culture with values of accountability and growth. The Company's focus continues on achieving its goal with special impetus on its employees' performance driven output and all-round growth.

CAUTIONARY STATEMENT:

Statements in this Management Discussion and Analysis of financial condition and results of operations of the Company describing the Company's objectives, expectations or predictions may be forward looking within the meaning of applicable securities laws and regulations. Forward-looking statements are based on certain assumptions and expectations of future events. The Company cannot guarantee that these assumptions and expectations are accurate or will be realised. The Company assumes no responsibility to publicly amend, modify or revise forward-looking statements on the basis of any subsequent developments, information or events. Actual results may differ materially from those expressed in the statement. Important factors that could influence the Company's operations include determination of tariff and such other charges and levies by the regulatory authority, changes in Government regulations, tax laws, economic developments within the country and such other factors globally. The Company disclaims any obligation to update these forward-looking statements, except as may be required by law.

SUBSIDIARY COMPANIES AND THEIR ROLE AND INPUTS:

The Company's subsidiaries for various projects are facing issues of financial closure as well as obtaining various statutory consents amongst other issues. The Company is exploring the option of finding suitable strategic investor(s) in order to monetize its investments in said subsidiaries, subject to statutory clearances.

STANDALONE AUDITOR'S REPORT

To the Members of SKIL Infrastructure Limited

Report on Standalone Ind AS Financial Statements

Qualified Opinion

We have audited the standalone Ind AS financial statements of SKIL Infrastructure Limited ("the Company"), which comprise the standalone balance sheet as at March 31, 2022, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the **Basis for Qualified Opinion** section of our report, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under the Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

- a. Attention is drawn towards the Note No. 17.2.(vii) of the standalone financial statements in case of Reliance Commercial Finance Ltd., which company has disputed and based on that, the Company, during the year ended 31st March, 2021 has not accounted interest (excluding penal interest) of Rs. 1665.45 lakhs on the loan taken from Reliance Commercial Finance Ltd. Had this been accounted, the Loss and the Liabilities would have increased to the extent of the amount specified above.
- b. Attention is drawn towards the Note No. 17.2.(iv) & 17.2.(ix) of the standalone financial statements in case of disputed borrowings with certain lenders including IL&FS, and based on that, the Company, during the year ended March 31, 2022 has not accounted interest (excluding penal interest) of Rs. 5298.50 lakhs respectively. Had this been accounted, the Loss and the Liabilities would have increased to the extent of the amount specified above.
- c. The impact of the penal interest on the borrowings mentioned in point (a) & (b) above is not ascertainable by the company due to lack of confirmation from lenders and cannot be commented upon.
- d. The outstanding balances of borrowing of the following lenders are subject to confirmation:

(Amt. in lakhs)

Sr. No.	Name of Lender	Principal	Interest
1	IDBI Bank	3,337.00	3,857.35
2	Union Bank	564.14	432.56
3	Yes bank	37,058.95	8,998.76

e. The impact relating to point (a) to (d) mentioned above with respect to compliance of tax laws which may arise out of such accounting adjustments, if any, is not ascertainable and cannot be commented upon.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143 (10) of the Act. Our responsibilities under those SAs are further described in the Auditors' Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

- a. We draw attention to the Note No.37 of the standalone financial statements with respect to continuous losses, reduced net worth and default on its repayment of borrowings and preparation of the financial statements on going concern assumption, based on the reasons and assumptions stated in the aforesaid note. The company's ability to continue as a going concern is dependent on generation of expected cash flows to be able to meet its obligations as and when they arise.
- b. We draw attention towards Note No.17.2 (vii) of the standalone financial statements with respect to short payment of the agreed dues as per the settlement agreement.

Our opinion is not modified in respect of the same.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

i. Evaluation of Contingent Liabilities

(Refer note 27 – "Contingent Liabilities") There are a number of material regulatory and tax cases against the Company. Significant judgement is required in estimating / reassessing the level of provisioning and/or disclosures. The management's assessment is supported by advice from independent legal/ tax consultants obtained by them. We considered this as a Key Audit Matter as the eventual outcome of litigations is uncertain and the positions taken by the Management are based on the application of significant judgement and estimation. Any unexpected adverse outcomes could significantly impact the Company's results and financial position.

Auditors Response

Our procedures included, Discussing with the management and tax and regulatory department heads to understand significant matters under litigation; Reading external legal opinions obtained by management, where available; Assessing management's conclusions:

For Direct and Indirect tax litigations, involving internal tax experts to understand the current status of tax cases and monitoring changes in the disputes by reading details received by the Company; Performing detailed procedures on the underlying calculations supporting the provisions recorded and ensuring adequacy of disclosures made.

Based on the above procedures performed, we have not identified any significant exceptions relating to disclosure of contingent liabilities and accounting for provisions for litigations.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated, if based on the work we performed, we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those charged with Governance for the Standalone Financial Statements

The company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including Other Comprehensive Income), Changes In Equity and Cash Flows of the company in accordance with the accounting principles generally accepted in India including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the
 circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company
 has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such
 controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit
 evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the
 Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw
 attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are
 inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's
 report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2020 ('the Order'), issued by the Central Government of India in terms
 of Section 143 (11) of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the
 Order, to the extent applicable

Annexure - B to the Independent Auditors' Report of even date on the Standalone financial statements Skil Infrastructure Limited.

Referred to in Paragraph 2 (f) of 'Report on Other Legal and Regulatory Requirements' section of our Report of even date.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Skil Infrastructure Limited** ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

Note - 1

General Information

SKIL Infrastructure Limited is a company limited by shares, incorporated and domiciled in India. The registered office of the company is located at SKIL House, 209, Bank Street Cross Lane, Fort, Mumbai 400023. The Company is listed on the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE). The Company is in the business of development of pioneering infrastructure projects through various Special Purpose Vehicles (SPVs).

These Financial statements of the Company for the year ended March 31, 2022 were authorised for issue by board of directors on May 30, 2022. Pursuant to the provisions of the section 130 of the Act, the Central Government, Income Tax Authorities, Securities and Exchange Board of India, other statutory regulatory body and under section 131 of the Act, the board of directors of the Company have power to amend/re-open the Financial statements approved by the board/adopted by the members of the Company.

Significant Accounting Policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a Basis of Preparation of Financial Statements:

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] on accrual basis and other relevant provisions of the Act. Financial Statements have been prepared in accordance with the requirements of the information and disclosures mandated by Schedule III, applicable Ind AS, other applicable pronouncements and regulations.

b Basis of Measurement

The financial statements have been prepared on a historical cost basis, except for the following:

- i Certain financial assets and liabilities that are measured at fair value;
- ii Defined benefit plans plan assets measured at fair value; and
- iii Assets held for sale measured at fair value less cost to sell;

c Functional and Presentation Currency:

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian Rupee (INR), which is the functional currency for the Company.

d Use of Estimates:

The preparation of Financial Statements in accordance with Ind - AS requires use of estimates and assumptions for some items, which might have an effect on their recognition and measurement in the Balance Sheet and Statement of Profit and Loss. The actual amounts realised may differ from these estimates. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of changes in circumstances surrounding the estimates. Differences between the actual results and estimates are recognised in the period in which the results are known / materialised and if material, their effects are disclosed in the notes to the Financial Statements.

Estimates and assumptions are required in particular for:

i. Determination of the estimated useful life of tangible assets and the assessment as to which components of the cost may be capitalized. Useful life of tangible assets is based on the life prescribed in Schedule II of the Companies Act, 2013. In cases, where the useful life is different from that prescribed in Schedule II, it is based on technical advice, taking into account the nature of the asset, estimated usage and operating conditions of the asset, past history of replacement and maintenance support. Assumptions also need to be made, when the Company assesses, whether an asset may be capitalised and which components of the cost of the asset may be capitalised.

ii. Recognition and measurement of defined benefit obligations

The obligation arising from the defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation and vested future benefits and life expectancy. The discount rate is determined with reference to market yields at the end of the reporting period on the government bonds. The period to maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligations.

iii. Recognition of deferred tax assets

Deferred tax asset is recognised for all the deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilised. The management assumes that taxable profits will be available while recognising deferred tax assets.

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

iv. Recognition and measurement of other provisions

The recognition and measurement of other provisions are based on the assessment of the probability of an outflow of resources, and on past experience and circumstances known at the balance sheet date. The actual outflow of resources at a future date may, therefore, vary from the figure included in other provisions.

v. Discounting of long-term financial liabilities

All financial liabilities are required to be measured at fair value on initial recognition. In case of financial liabilities, which are required to be subsequently measured at amortised cost, interest is accrued using the effective interest method.

vi. Determining whether an arrangement contains a lease

At the inception of an arrangement, the Company determines whether the arrangement is or contains a lease. At the inception or on reassessment of an arrangement that contains a lease, the Company separates payments and other consideration required by the arrangement into those for the lease and those for the other elements on the basis of their relative fair values. If the Company concludes for a finance lease that it is impracticable to separate the payments reliably, then an asset and a liability are recognised at an amount equal to the fair value of the underlying asset; subsequently, the liability is reduced as payments are made and an imputed finance cost on the liability is recognised using the Company's incremental borrowing rate. In case of operating lease, the Company treats all payments under the arrangement as lease payments.

vii. Fair value of financial instruments

Derivatives are carried at fair value. Derivatives include Foreign Currency Forward Contracts and Interest Rate Swaps. Fair value of Foreign Currency Forward Contracts is determined using the rates published by Reserve Bank of India (RBI). Fair value of Interest Rate Swaps is determined with respect to current market rate of interest.

e Current Versus Non Current Classification:

i. The assets and liabilities in the Balance Sheet are based on current/ non - current classification. An asset is current when it is:

- 1 Expected to be realised or intended to be sold or consumed in normal operating cycle
- 2 Held primarily for the purpose of trading
- 3 Expected to be realised within twelve months after the reporting period, or
- 4 Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

ii A liability is current when it is:

- 1 Expected to be settled in normal operating cycle
- 2 Held primarily for the purpose of trading
- 3 Due to be settled within twelve months after the reporting period, or
- 4 There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period All other liabilities are treated as non current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

f Other Significant Accounting Policies:

I Property, Plant and Equipments:

- i. The Company has measured all of its Property, Plant and Equipments historical cost at the date of transition to Ind AS. The Company has elected these value as deemed cost at the transition date.
- ii. Property, Plant and Equipments are stated at cost net of cenvat / value added tax less accumulated depreciation and impairment loss, if any. All costs, including finance costs incurred up to the date the asset is ready for its intended use are capitalised as part of total cost of assets.
- iii. Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre operative expenses and disclosed under Capital Work in Progress.

II Depreciation:

 Depreciation is provided, under the Straight Line Method, pro rata to the period of use, based on useful life specified in Schedule II to the Companies Act, 2013.

- ii. In respect of additions/extensions forming an integral part of existing assets, depreciation has been provided over residual life of the respective assets. Significant additions which are required to be replaced/performed at regular interval are depreciated over the useful life of their specific life.
- iii. Depreciation methods, useful life and residual values are reviewed at each reporting date and adjusted if appropriate.

III Borrowing Costs:

Borrowing costs that are directly attributable to acquisition, construction or production of a qualifying asset (net of income earned on temporary deployment of funds) are capitalised as a part of the cost of such assets. Borrowing cost consists of interest, other cost incurred in connection with borrowings of fund and exchange differences to the extent regarded as an adjustment to the borrowing cost. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to the Statement of Profit and Loss.

IV Intangible Assets:

Intangible Assets having finite life are stated at cost of acquisition less accumulated amortization and accumulated impairment, if any. Amortization is done over their estimated useful life on straight line basis from the date that they are available for intended use, subjected to impairment test. Software, which is not an integral part of the related hardware is classified as an intangible asset and is amortized over the useful life of 5 years.

V Fair Value Measurement:

Fair value is the price that would be received to sell an assets or settle a liability in an ordinary transaction between market participants at the measurement date. The fair value of an assets or liability is measured using the assumptions that market participants would use when pricing the assets or liability, acting in their best economic interest. The fair value of plant and equipments as at transition date to Ind- AS have been taken based on valuation performed by an independent technical expert. The Company used valuation techniques which were appropriate in circumstances and for which sufficient data were available considering the expected loss/profit in case of financial assets or liabilities.

VI Revenue Recognition:

- i Revenue from operation include income from sale of goods, services and service tax/Goods and Service Tax and is net of value added tax and sales tax recovered.
- iii. Interest income is recognised on a time proportion basis. Dividend is considered when the right to receive is established. Insurance and other claims are recognised as revenue on certainty of receipt on prudent basis.

VII Foreign Currency Transactions:

- Revenue Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing on the date of the transaction.
- ii. Monetary items denominated in foreign currencies at the year end are re measured at the exchange rate prevailing on the balance sheet date.
- iii. Non monetary foreign currency items are carried at cost.
- iv. Any income or expense on account of exchange difference either on settlement or on restatement is recognised in the Statement of Profit and Loss.

VIII Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

i Classification

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

ii Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

iii Financial Assets measured at amortised cost:

Financial assets are measured at amortised cost when asset is held within a business model, whose objective is to hold assets for collecting contractual cash flows and contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest. Such financial assets are subsequently measured at amortised cost

using the effective interest rate (EIR) method. The losses arising from impairment are recognised in the Statement of Profit or Loss. This category generally applies to trade and other receivables.

iv Financial Assets measured at fair value through other comprehensive income (FVTOCI):

Financial assets under this category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income.

v Financial Assets measured at fair value through profit or loss (FVTPL):

Financial assets under this category are measured initially as well as at each reporting date at fair value with all changes recognised in profit or loss.

vi Investment in Subsidiary and Associates:

The Company has measured all of its Investment in equity instruments of Subsidiaries, Associates and Joint Ventures at fair value at the date of transition to Ind - AS. The Company has elected these value as deemed cost at the transition date. Subsequently, these Investment in equity instruments of Subsidiaries, Associates and Joint Ventures are measured at deemed cost. Provision for Impairment loss on such investment is made only when there is a diminution in value of the investment which is other than temporary.

vii Investment in Equity Instruments:

Equity instruments which are held for trading are classified as at FVTPL. All other equity instruments are classified as FVTOCI. Fair value changes on the instrument, excluding dividends, are recognized in the Other Comprehensive Income. There is no recycling of the amounts from other comprehensive income to profit or loss

viii Investment in Debt Instruments:

A debt instrument is measured at amortised cost or at FVTPL. Any debt instrument, which does not meet the criteria for categorization as at amortised cost or as FVOCI, is classified as at FVTPL. Debt instruments included with in the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit and Loss.

ix Derecognition of Financial Assets

A financial asset is primarily derecognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

x Impairment of Financial Assets

In accordance with Ind-AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the financial assets which are not valued through Profit and Loss.

Financial Liabilities

i Classification

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

ii Initial recognition and measurement

All financial liabilities are recognised initially at fair value, in the case of loans, borrowings and payables, net of directly attributable transaction costs. Financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

iii Subsequent measurement

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

iv Loans and Borrowings

Interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

v Derecognition of Financial Liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

vi Derivative Financial Instrument and Hedge Accounting

The Company uses derivative financial instruments, such as forward currency contracts and interest rate swaps, to hedge its foreign currency risks and interest rate risks respectively. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently remeasured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

IX Leases:

i Lease payments

Payments made under operating leases are recognised in Statement of Profit and Loss. Lease incentives received are recognised as an integral part of the total lease expense, over the term of the lease. Minimum lease payments made under finance leases are apportioned between the finance expense and the reduction of the outstanding liability. The finance expense is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.

ii Lease assets

Assets held by the Company under leases that transfer to the Company substantially all of the risks and rewards of ownership are classified as finance leases. The leased assets are measured initially at an amount equal to the lower of their fair value and the present value of the minimum lease payments. Subsequent to initial recognition, the assets are accounted for in accordance with the accounting policy applicable to that asset.

Assets held under other leases are classified as operating leases and are not recognised in the Company's statement of financial position.

X Employee Benefits:

i Short term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

ii. Defined benefit plans

The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligations is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan. To calculate the present value of economic benefits, consideration is given to any applicable minimum funding requirements.

Remeasurement of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in OCI. Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset), to the net defined liability (asset) at the start of the financial year after taking into account any changes as a result of contribution and benefit payments during the year. Net interest expense and other expenses related to defined benefit plans are recognised in Statement of Profit and Loss.

iii. Other long-term employee benefits

The Company's net obligation in respect of long-term employee benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods. That benefit is discounted to determine its present value. Remeasurement is recognised in Statement of Profit and Loss in the period in which they arise.

XI Provision for Current and Deferred Tax:

Income tax expense comprises current and deferred tax. It is recognised in statement of profit and loss except to the extent that it relates to a business combination, or items recognised directly in equity or in other comprehensive income.

i. Current tax

Current tax comprises of the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of the previous years. It is measured using tax rates enacted or substantively enacted at the reporting date.

Current tax assets and liabilities are offset only if, the Company:

- 1 has legally enforceable right to set off the recognised amounts and;
- 2 intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously

ii. Deferred Tax

Deferred tax is recognized for the future tax consequences of deductable temporary differences between the carrying values of assets and liabilities and their respective tax bases at the reporting date, using the tax rate and laws that are enacted or substantively enacted as on reporting date. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses and credits can be utilised. Deferred tax relating to items recognised in other comprehensive income and directly in equity is recognised in correlation to the underlying transaction.

Deferred tax assets and liabilities are offset only if:

- 1 entity has legally enforceable right to set off current tax assets against current tax liabilities; and
- 2 deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

XII Impairment of Assets:

At each balance sheet date, the Company assesses whether there is any indication that any property, plant and equipment and intangible assets with finite lives may be impaired. If any such impairment exists the recoverable amount of an asset is estimated to determine the extent of impairment, if any. Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

XIII Provision, Contingent Liabilities and Contingent Assets:

A provision is recognized if as a result of a past event the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Contingent Liabilities are not recognised but are disclosed in the notes. Contingent Assets are not recognised but disclosed in the Financial Statements when economic inflow is probable.

XIV Earnings per share

- i Basic earnings per share: Basic earnings per share is calculated by dividing:
 - 1 the profit attributable to owners of the Company
 - 2 by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.
- ii Diluted earnings per share: Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:
 - 1 the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
 - 2 the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

XV Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notified new standard or amendments to the existing standards under Companies (Indian Accounting Standard) Rules as issued from time to time. On March 23, 2022, MCA notified the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1, 2022 to the Company as below:

- i) Ind As 103 Business Combination
- ii) Ind As 109 Financial Instrument
- iii) Ind As 16 Property, Plant & Equipment
- iv) Ind As 37 Provisions, Contingent Liabilities and Contingent Assets

The Company does not expect these amendments to have any significant impact on the Company's financial statements.

Fair Value Measurements

The fair value of the financial assets and liabilities are included at the amount that would be received on sale of asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide and indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribe under the accounting standard. An explanation of each level follows underneath the table.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments that have quoted price and financial instruments like Mutual Funds for which NAV is published by the Mutual Fund Operator. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period and Mutual Fund are valued using the Closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value and instruments are observable, the instrument is included in level 2. Instruments in the level 2 category for the company include forward exchange contract derivatives.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in this level. Instruments in level 3 category for the Company include unquoted equity shares and FCCDs, unquoted units of mutual funds and unquoted units of venture capital funds.

(Rs. in Lakhs)

The carrying amount of Financial Assets carried at amortised cost is reasonably approximate to its fair value.

Financial Liabilities

The Liability in case of Redeemable Non Convertible Bonds and Long Term Inter Corporate Deposit from related parties are initially recognised on fair value and the difference between fair value and transaction price is considered as Other Income. Subsequently the liability is measured at amortised cost using the effective interest rate. The impact on this account has been recognised as other income on the transaction date and subsequent impact are recognised as finance cost in the Statement of Profit and Loss.

The carrying amount of all other Financial Liabilities is reasonably approximate to its fair value. The fair values disclosed above are based on discounted cash flows using current borrowing rate. These are classified at level 2 fair values in the fair value hierarchy due to the use of observable inputs.

During the years mentioned above, there have been no transfers amongst the levels of the hierarchy.

b) Valuation process

The Company evaluates the fair value of the financial assets and financial liabilities on periodic basis using the best and most relevant data available. Also the Company internally evaluates the valuation process periodically

Note 29

Financial Risk Management Objective and Policies

The Company's principal financial liabilities comprise loans & borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and projects under implementation. The Company's principal financial assets include Investment, loans and advances, trade and other receivables and cash and bank balances that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. All derivative activities for risk management purposes are carried out by specialist teams that have the appropriate skills, experience and supervision. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors, reviews and agrees policies for managing each of these risks, which are summarised below.

Market risk

Market risk is the risk that the fair value of future cash flows of a financial assets will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Financial Assets affected by market risk include loans and borrowings, deposits and derivative financial instruments.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

I Interest rate exposure profile appended in the table below

Borrowings	March 31, 2022	March 31, 2021
Floating Rate Loans	40,960.09	40,960.09
Fixed Rate Loans	1,40,732.24	1,32,665.27
	1,81,692.33	1,73,625.36

II Interest Risk Sensitivity

With all other variable held constant the following table reflects the impact of borrowing cost on floating rate portion of total Debt

Risk Exposure	As at Marc	h 31, 2022	As at Marc	h 31, 2021
Effect on profit/ (loss) before tax due to following	20 basis Points	20 basis Points	20 basis Points	20 basis Points
change in interest rates	Increase	Decrease	Increase	Decrease
On Floating Rate Loans	81.92	81.92	81.92	81.92

Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure in Foreign Currency is not material

Credit risk

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables and advances to suppliers) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

Trade receivables

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored. An impairment analysis is performed at each reporting date on an individual basis for major clients.

Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved authorities. Credit limits of all authorities are reviewed by the Management on regular basis.

(Rs. in Lakhs)

Liquidity risk

The Company monitors its risk of a shortage of funds using a liquidity planning tool.

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of Bank Overdrafts, Letter of Credit and Working Capital Limits.

The below table summarizes the maturity profile of the company's financial liability based on contractual undiscounted cash flows:

Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, securities premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to safeguard continuity, maintain a strong credit rating and healthy capital ratios in order to support its business and provide adequate return to shareholders through continuing growth.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The funding requirement is met through a mixture of equity, internal accruals, long term borrowings and short term borrowings.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements.

CONSOLIDATED AUDITOR'S REPORT

To the Members of SKIL Infrastructure Limited

Report on Consolidated Ind AS Financial Statements

Qualified Opinion

We have audited the consolidated Ind AS financial statements of SKIL Infrastructure Limited ("the Company") and its subsidiaries (the company and subsidiaries together referred to as "the Group") which comprise the consolidated balance sheet as at 31 March 2022, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the **Basis for Qualified Opinion** section of our report, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under the Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Group as at March 31, 2022, the consolidated loss and consolidated comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Qualified Opinion

- a. Attention is drawn towards the Note No. 19.2.iv of the consolidated financial statements in case of Reliance Commercial Finance Ltd. & Reliance Infrastructure Ltd., which the Company has disputed and based on that the Group, during the year ended 31st March, 2022 has not accounted interest (excluding penal interest) of Rs. 5877.05 Lakhs. Had this been accounted, the Consolidated Loss for the year and the Liabilities would have increased to the extent of the amount specified above.
- b. Attention is drawn towards the Note No. 19.2.vii & 19.2.xii of the consolidated financial statements in case of of disputed borrowings with certain lenders including IL&FS Financial Services Ltd., and based on that the Group, during the year ended 31st March, 2022 has not accounted interest (excluding penal interest) of Rs. 12,881.94 Lakhs. Had this been accounted, the Loss for the year and the Liabilities would have increased to the extent of the amount specified above.
- c. The impact of the penal interest on the borrowings mentioned in point (a) & (b) above is not ascertainable by the Group due to lack of confirmation from lenders and cannot be commented upon.
- d. The outstanding balances in the books of Holding Company of borrowing of the following lenders are subject to confirmation:

Rs. In Lakhs

Sr. No.	Name of Lender	Principal	Interest
1	IDBI Bank	3,337.00	3,857.35
2	Union Bank	564.14	432.56
3	Yes bank	37,058.95	8,998.76

- e. Attention is drawn towards the Note No. 19.2.x of the consolidated financial statements, wherein the Company has entered into a one-time settlement agreement with E Cap Equities Limited and as per the settlement terms, the write-back of Rs. 1058.61 lakhs has not been accounted till date.
- f. The impact relating to point (a) to (e) mentioned above with respect to compliance of tax laws which may arise out of such accounting adjustments, if any, is not ascertainable and cannot be commented upon.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143 (10) of the Act. Our responsibilities under those SAs are further described in the Auditors' Responsibilities for the Audit of the consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

- a. We draw attention to the Note No. 40 of the consolidated financial statements with respect to continuous losses, reduced net worth and default on its repayment of borrowings and preparation of the financial statements on going concern assumption, based on the reasons and assumptions stated in the aforesaid note. The Group's ability to continue as a going concern is dependent on generation of expected cash flows to be able to meet its obligations as and when they arise.
- b. Attention is drawn towards the Note No. 19.2.viii of the consolidated financial statements with respect to short payment of the agreed dues as per the settlement agreement by the Holding Company.

Our opinion is not modified in respect of the same.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

i. Evaluation of Contingent Liabilities

(Refer note 30 – "Contingent Liabilities") There are a number of material regulatory and tax cases against the Company. Significant judgement is required in estimating / reassessing the level of provisioning and/or disclosures. The management's assessment is supported by advice from independent legal/ tax consultants obtained by them. We considered this as a Key Audit Matter as the eventual outcome of litigations is uncertain and the positions taken by the Management are based on the application of significant judgement and estimation. Any unexpected adverse outcomes could significantly impact the Company's results and financial position.

Auditors Response

Our procedures included, discussing with the management and tax and regulatory department heads to understand significant matters under litigation; Reading external legal opinions obtained by management, where available; Assessing management's conclusions;

For Direct and Indirect tax litigations, involving internal tax experts to understand the current status of tax cases and monitoring changes in the disputes by reading details received by the Company; Performing detailed procedures on the underlying calculations supporting the provisions recorded and ensuring adequacy of disclosures made.

Based on the above procedures performed, we have not identified any significant exceptions relating to disclosure of contingent liabilities and accounting for provisions for litigations.

Other Matters

We did not audit the financial statement / financial information of one subsidiary whose financial statements / financial information reflect total assets (net) of Rs. 0.04 Lakhs as at 31st March, 2022, total revenues of NIL and net cash outflows amounting to Rs. 0.49 Lakhs for the year ended on that date, as considered in the consolidated financial statements. This financial statement / financial information is unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statement, in so far as it related to the amount and disclosures included in respect of this subsidiary and our report in terms of sub section (3) and (11) of section 143 of the act in so far it relates to the aforesaid subsidiary is based solely on such unaudited financial statement/ Financial information. In our opinion and according to the information and explanations given to us by the management this financial statement/financial information are non material to the Group.

Due to unavailability of financials statements of two associate companies viz. Rosoboronservice India Ltd. and Urban Infrastructure Holdings Private Limited, share of profit/ (loss) is not included in this consolidated financial statement.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the financial statements / financial information certified by the Management.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the consolidated financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated, if based on the work we performed, we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those charged with Governance for the Consolidated Financial Statements

The company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including Other Comprehensive Income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Companyand its subsidiaries companies incorporated in India has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and
 whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair
 presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraph 3(xxi) of the Order.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Skil Infrastructure Limited** ("the Company") and its subsidiaries companies, which are companies incorporated in India, as of March 31, 2022 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company and its subsidiary companies are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit an opinion on the internal financial controls over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and explanation provided to us, the Company and its subsidiary companies, which are companies incorporated in India, has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022 based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

General Information

SKIL Infrastructure Limited is a company limited by shares, incorporated and domiciled in India. The registered office of the company is located at SKIL House, 209, Bank Street Cross Lane, Fort, Mumbai 400023. The Company is listed on the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE). The Company is in the business of development of pioneering infrastructure projects through various Special Purpose Vehicles (SPVs).

These Consolidated Financial statements of the Company for the year ended March 31, 2022 were authorised for issue by board of directors on May 30, 2022. Persuant to the provisions of the section 130 of the Act, the Central Government, Income Tax Authorities, Securities and Exchange Board of India, other statutory regulatory body and under section 131 of the Act, the board of directors of the Company have power to amend/re-open the Financial statements approved by the board/adopted by the members of the Company.

Significant Accounting Policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a Basis of Preparation of Consolidated Financial Statements:

The Consolidated Financial Statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] on accrual basis and other relevant provisions of the Act. Financial Statements have been prepared in accordance with the requirements of the information and disclosures mandated by Schedule III, applicable Ind AS, other applicable pronouncements and regulations. These Financial Statements are the Company's first Ind AS Financial Statements and as covered by Ind AS 101, 'First-time adoption of Indian Accounting Standard'. For all periods up to and including the year ended March 31, 2015, the Company has prepared its Financial Statements in accordance with Indian GAAP, including accounting standards (AS) notified under the Companies (Accounting Standards) Rules, 2006 (as amended), which is considered as "Previous GAAP". An explanation of how the transition to Ind-AS has affected the Company's equity and its net profits/losses is provided in note no 40.

b Basis of Measurement

The financial statements have been prepared on a historical cost basis, except for the following:

- i Certain financial assets and liabilities that are measured at fair value;
- ii Defined benefit plans plan assets measured at fair value; and
- iii Assets held for sale measured at fair value less cost to sell;

c Principles of Consolidation:

The consolidated financial statements relate to the SKIL Infrastructure Limited ('the Company') and its subsidiary companies & associate company. The consolidated financial statements have been prepared on the following basis:

- i. The consolidated financial statements of the Company and its subsidiaries are combined on a line-by-line basis by adding together the book values of the like items of assets, liabilities, income and expenses, after fully eliminating intra group balances and intra group transactions in accordance with Ind AS 110 "Consolidated Financial Statements".
- ii. Subsidiaries are the entities controlled by the Company. The Company controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. The financial statements of subsidiaries are included in the Consolidated Financial Statements from the date on which control commences until the date on which control ceases.
- iii. In case of a foreign subsidiary, being non integral operations, revenue items are consolidated at the average rate prevailing during the year. All the assets and liabilities are converted at the rates prevailing at the end of the year. The resultant translation exchange differences have been transferred to foreign currency translation reserves through other comprehensive income.

iv. Non-controlling interests (NCI):

NCI are measured at their proportionate share of the acquiree's identifiable net assets at the date of acquisition.

v. Transactions eliminated on consolidation:

Intra - group balances and transactions and any unrealised income and expenses arising from intra-group transactions, net of deferred taxes, are eliminated.

- vi. As far as possible, the Consolidated Financial Statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company's separate financial statements.
- vii. The difference between the cost of investment in the subsidiaries, over the net assets at the time of acquisition of shares in the subsidiaries are recognized in the Consolidated Financial Statements as Goodwill, which is not being amortised but tested for impairment periodically.
- viii. Investments in Associate Company have been accounted under the equity method as per Ind AS 28 "Investments in Associates and Joint Ventures".
- ix. The differences between the cost of investment in the associate and the share of net assets at the time of acquisition of shares in associate are identified in the Consolidated Financial Statements as Goodwill or Capital Reserve as the case may be.

d Functional and Presentation Currency:

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian Rupee (INR), which is the functional currency for the Company.

e Use of Estimates:

The preparation of Financial Statements in accordance with Ind - AS requires use of estimates and assumptions for some items, which might have an effect on their recognition and measurement in the Balance Sheet and Statement of Profit and Loss. The actual amounts realised may differ from these estimates. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of changes in circumstances surrounding the estimates. Differences between the actual results and estimates are recognised in the period in which the results are known / materialised and if material, their effects are disclosed in the notes to the Financial Statements.

Estimates and assumptions are required in particular for:

i. Determination of the estimated useful life of tangible assets and the assessment as to which components of the cost may be capitalized. Useful life of tangible assets is based on the life prescribed in Schedule II of the Companies Act, 2013. In cases, where the useful life is different from that prescribed in Schedule II, it is based on technical advice, taking into account the nature of the asset, estimated usage and operating conditions of the asset, past history of replacement and maintenance support. Assumptions also need to be made, when the Company assesses, whether an asset may be capitalised and which components of the cost of the asset may be capitalised.

ii. Recognition and measurement of defined benefit obligations

The obligation arising from the defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation and vested future benefits and life expectancy. The discount rate is determined with reference to market yields at the end of the reporting period on the government bonds. The period to maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligations.

iii. Recognition of deferred tax assets

Deferred tax asset is recognised for all the deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilised. The management assumes that taxable profits will be available while recognising deferred tax assets.

iv. Recognition and measurement of other provisions

The recognition and measurement of other provisions are based on the assessment of the probability of an outflow of resources, and on past experience and circumstances known at the balance sheet date. The actual outflow of resources at a future date may, therefore, vary from the figure included in other provisions.

v. Discounting of long-term financial liabilities

All financial liabilities are required to be measured at fair value on initial recognition. In case of financial liabilities, which are required to be subsequently measured at amortised cost, interest is accrued using the effective interest method.

vi. Determining whether an arrangement contains a lease

At the inception of an arrangement, the Company determines whether the arrangement is or contains a lease. At the inception or on reassessment of an arrangement that contains a lease, the Company separates payments and other

consideration required by the arrangement into those for the lease and those for the other elements on the basis of their relative fair values. If the Company concludes for a finance lease that it is impracticable to separate the payments reliably, then an asset and a liability are recognised at an amount equal to the fair value of the underlying asset; subsequently, the liability is reduced as payments are made and an imputed finance cost on the liability is recognised using the Company's incremental borrowing rate. In case of operating lease, the Company treats all payments under the arrangement as lease payments.

vii. Fair value of financial instruments

Derivatives are carried at fair value. Derivatives include Foreign Currency Forward Contracts and Interest Rate Swaps. Fair value of Foreign Currency Forward Contracts is determined using the rates published by Reserve Bank of India (RBI). Fair value of Interest Rate Swaps is determined with respect to current market rate of interest.

f Standards Issued But Not Yet Effective:

On March 28, 2018, the Ministry of Corporate Affairs (MCA) has notified Ind AS 115 - Revenue from Contract with Customers and certain amendment to existing Ind AS. These amendments shall be applicable to the Company from April 01, 2018.

i Issue of Ind AS 115 - Revenue from Contracts with customers

Ind AS 115 will supersede the current revenue recognition guidance including Ind AS 18 Revenue, Ind AS 11 Construction Contracts and the related interpretations. The core principles of Ind AS 115 is that an entity should recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

ii Amendment to Existing issued Ind AS

The MCA has also notified certain amendments to the following Accounting Standards:

- 1 Ind AS 21 The Effects of Changes in Foreign Exchange Rates
- 2 Ind AS 12 Income Taxes

Applications of the above standards are not expected to have any significant impact on the Company's financial statements."

g Current Versus Non Current Classification:

i. The assets and liabilities in the Balance Sheet are based on current/ non - current classification. An asset is current when it is:

- 1 Expected to be realised or intended to be sold or consumed in normal operating cycle
- 2 Held primarily for the purpose of trading
- 3 Expected to be realised within twelve months after the reporting period, or
- 4 Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

ii A liability is current when it is:

- 1 Expected to be settled in normal operating cycle
- 2 Held primarily for the purpose of trading
- 3 Due to be settled within twelve months after the reporting period, or
- 4 There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are treated as non - current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

h Other Significant Accounting Policies:

I Property, Plant and Equipments:

i. The Company has measured all of its Property, Plant and Equipments historical cost at the date of transition to Ind - AS. The Company has elected these value as deemed cost at the transition date.

- ii. Property, Plant and Equipments are stated at cost net of cenvat / value added tax less accumulated depreciation and impairment loss, if any. All costs, including finance costs incurred up to the date the asset is ready for its intended use are capitalised as part of total cost of assets.
- iii. Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre operative expenses and disclosed under Capital Work in Progress.

II Depreciation:

- i. Depreciation is provided, under the Straight Line Method, pro rata to the period of use, based on useful life specified in Schedule II to the Companies Act, 2013.
- ii. In respect of additions/extensions forming an integral part of existing assets, depreciation has been provided over residual life of the respective assets. Significant additions which are required to be replaced/performed at regular interval are depreciated over the useful life of their specific life.
- iii. Depreciation methods, useful life and residual values are reviewed at each reporting date and adjusted if appropriate.

III Borrowing Costs:

Borrowing costs that are directly attributable to acquisition, construction or production of a qualifying asset (net of income earned on temporary deployment of funds) are capitalised as a part of the cost of such assets. Borrowing cost consists of interest, other cost incurred in connection with borrowings of fund and exchange differences to the extent regarded as an adjustment to the borrowing cost. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to the Statement of Profit and Loss.

IV Intangible Assets:

Intangible Assets having finite life are stated at cost of acquisition less accumulated amortization and accumulated impairment, if any. Amortization is done over their estimated useful life on straight line basis from the date that they are available for intended use, subjected to impairment test. Software, which is not an integral part of the related hardware is classified as an intangible asset and is amortized over the useful life of 5 years.

V Fair Value Measurement:

Fair value is the price that would be received to sell an assets or settle a liability in an ordinary transaction between market participants at the measurement date. The fair value of an assets or liability is measured using the assumptions that market participants would use when pricing the assets or liability, acting in their best economic interest. The fair value of plant and equipments as at transition date to Ind- AS have been taken based on valuation performed by an independent technical expert. The Company used valuation techniques which were appropriate in circumstances and for which sufficient data were available considering the expected loss/profit in case of financial assets or liabilities.

VI Revenue Recognition:

- i Revenue from operation include income from sale of goods, services and service tax/Goods and Service Tax and is net of value added tax and sales tax recovered.
- iii. Interest income is recognised on a time proportion basis. Dividend is considered when the right to receive is established. Insurance and other claims are recognised as revenue on certainty of receipt on prudent basis.

VII Foreign Currency Transactions:

- Revenue Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing on the date of the transaction.
- ii. Monetary items denominated in foreign currencies at the year end are re measured at the exchange rate prevailing on the balance sheet date.
- iii. Non monetary foreign currency items are carried at cost.
- iv. Any income or expense on account of exchange difference either on settlement or on restatement is recognised in the Statement of Profit and Loss.

VIII Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

i Classification

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

ii Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

iii Financial Assets measured at amortised cost:

Financial assets are measured at amortised cost when asset is held within a business model, whose objective is to hold assets for collecting contractual cash flows and contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest. Such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. The losses arising from impairment are recognised in the Statement of Profit or Loss. This category generally applies to trade and other receivables.

iv Financial Assets measured at fair value through other comprehensive income (FVTOCI):

Financial assets under this category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income.

v Financial Assets measured at fair value through profit or loss (FVTPL):

Financial assets under this category are measured initially as well as at each reporting date at fair value with all changes recognised in profit or loss.

vi Investment in Subsidiary and Associates:

The Company has measured all of its Investment in equity instruments of Subsidiaries, Associates and Joint Ventures at fair value at the date of transition to Ind - AS. The Company has elected these value as deemed cost at the transition date. Subsequently, these Investment in equity instruments of Subsidiaries, Associates and Joint Ventures are measured at deemed cost. Provision for Impairment loss on such investment is made only when there is a diminution in value of the investment which is other than temporary.

vii Investment in Equity Instruments:

Equity instruments which are held for trading are classified as at FVTPL. All other equity instruments are classified as FVTOCI. Fair value changes on the instrument, excluding dividends, are recognized in the Other Comprehensive Income. There is no recycling of the amounts from other comprehensive income to profit or loss

viii Investment in Debt Instruments:

A debt instrument is measured at amortised cost or at FVTPL. Any debt instrument, which does not meet the criteria for categorization as at amortised cost or as FVOCI, is classified as at FVTPL. Debt instruments included with in the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit and Loss.

ix Derecognition of Financial Assets

A financial asset is primarily derecognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

x Impairment of Financial Assets

In accordance with Ind-AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the financial assets which are not valued through Profit and Loss.

Financial Liabilities

i Classification

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

ii Initial recognition and measurement

All financial liabilities are recognised initially at fair value, in the case of loans, borrowings and payables, net of directly attributable transaction costs. Financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

iii Subsequent measurement

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

iv Loans and Borrowings

Interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

v Derecognition of Financial Liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

vi Derivative Financial Instrument and Hedge Accounting

The Company uses derivative financial instruments, such as forward currency contracts and interest rate swaps, to hedge its foreign currency risks and interest rate risks respectively. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

IX Leases:

i Lease payments

Payments made under operating leases are recognised in Statement of Profit and Loss. Lease incentives received are recognised as an integral part of the total lease expense, over the term of the lease. Minimum lease payments made under finance leases are apportioned between the finance expense and the reduction of the outstanding liability. The finance expense is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.

ii Lease assets

Assets held by the Company under leases that transfer to the Company substantially all of the risks and rewards of ownership are classified as finance leases. The leased assets are measured initially at an amount equal to the lower of their fair value and the present value of the minimum lease payments. Subsequent to initial recognition, the assets are accounted for in accordance with the accounting policy applicable to that asset.

Assets held under other leases are classified as operating leases and are not recognised in the Company's statement of financial position.

X Employee Benefits:

i Short term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

ii. Defined benefit plans

The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligations is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan. To calculate the present value of economic benefits, consideration is given to any applicable minimum funding requirements.

Remeasurement of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in OCI. Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset), to the net defined liability (asset) at the start of the financial year after taking into account any changes as a result of contribution and benefit payments during the year. Net interest expense and other expenses related to defined benefit plans are recognised in Statement of Profit and Loss.

iii. Other long-term employee benefits

The Company's net obligation in respect of long-term employee benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods. That benefit is discounted to determine its present value. Remeasurement is recognised in Statement of Profit and Loss in the period in which they arise.

XI Provision for Current and Deferred Tax:

Income tax expense comprises current and deferred tax. It is recognised in statement of profit and loss except to the extent that it relates to a business combination, or items recognised directly in equity or in other comprehensive income.

i. Current tax

Current tax comprises of the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of the previous years. It is measured using tax rates enacted or substantively enacted at the reporting date.

Current tax assets and liabilities are offset only if, the Company:

- 1 has a legally enforceable right to set off the recognised amounts; and
- 2 intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

ii. Deferred Tax

Deferred tax is recognized for the future tax consequences of deductable temporary differences between the carrying values of assets and liabilities and their respective tax bases at the reporting date, using the tax rate and laws that are enacted or substantively enacted as on reporting date. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses and credits can be utilised. Deferred tax relating to items recognised in other comprehensive income and directly in equity is recognised in correlation to the underlying transaction.

Deferred tax assets and liabilities are offset only if:

- 1 entity has a legally enforceable right to set off current tax assets against current tax liabilities; and
- 2 deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

XII Impairment of Assets:

At each balance sheet date, the Company assesses whether there is any indication that any property, plant and equipment and intangible assets with finite lives may be impaired. If any such impairment exists the recoverable amount of an asset is estimated to determine the extent of impairment, if any. Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

(Rs. in Lakhs)

XIII Provision, Contigent Liabilites and Contigent Assets:

A provision is recognized if as a result of a past event the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Contingent Liabilities are not recognised but are disclosed in the notes. Contingent Assets are not recognised but disclosed in the Financial Statements when economic inflow is probable.

XIV Earnings per share

- i Basic earnings per share: Basic earnings per share is calculated by dividing:
 - 1 the profit attributable to owners of the Company
 - 2 by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.
- ii Diluted earnings per share: Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:
 - 1 the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
 - 2 the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

XV Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notified new standard or amendments to the existing standards under Companies (Indian Accounting Standard) Rules as issued from time to time. On March 23, 2022, MCA notified the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1, 2022 to the Company as below:

- i) Ind As 103 Business Combination
- ii) Ind As 109 Financial Instrument
- iii) Ind As 16 Property, Plant & Equipment
- iv) Ind As 37 Provisions, Contingent Liabilities and Contingent Assets
 - i The Company does not expect these amendments to have any significant impact on the Company's financial statements.

26.1 Employee Benefits

a Defined Benefit Plan- Gratuity

The Company has a defined benefit for gratuity. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service. The Company provides for the liability in its books of accounts based on the actuarial valuation. The following tables summarize the components of net benefit expense recognized in the statement of profit and loss and the funded status and amounts recognized in the balance sheet for the respective plans. The present value of the obligation is determined based on actuarial valuation using Projected Units Credit Method, which recognizes each period of service as giving rise to additional units of employees benefit entitlement and measures each unit separately to buildup the final obligation.

i) Reconciliation of opening and closing balances of the present value of the defined gratuity benefit obligation.

Particulars	2021-22	2020-21
Defined Benefit Obligation at beginning of the year	90.41	86.52
Current Service Cost	1.83	1.80
Past Service Cost	-	-
Current Interest Cost	4.11	4.08
Actuarial (Gain) / Loss	4.09	(1.99)
Benefits paid	-	-
Defined Benefit Obligation at end of the year	100.43	90.41

ii) Reconciliation of Present Value of Obligation and Fair Value of Plan Assets

Particulars	2021-22	2020-21
Fair Value of Plan Assets at the end of the year		-
Present Value of Defined Benefit Obligation at end of the year	100.43	90.41
Liabilities / (Assets) recognised in the Balance Sheet- Current	74.56	50.41
Liabilities / (Assets) recognised in the Balance Sheet- Non Current	25.87	40.00

iii) Expenses recognised during the year

Particulars	2021-22	2020-21
Current Service Cost	1.83	1.80
Past Service Cost	-	-
Interest Cost	4.11	4.08
Expected Return on Plan Assets	-	-
Net Cost Recognised in profit or loss	5.93	5.88
Actuarial (Gain) / Loss recognised in other comprehensive income	4.09	(1.99)

iv) Assumptions used to determine the defined benefit obligations

Particulars	2021-22	2020-21
Mortality Table (LIC)	Indian Assured lives	Indian Assured lives
	Mortality (2006-08)	Mortality (2006-08)
Discount Rate (p.a.)	6.95%	6.30%
Retirement age	60 Years	60 Years
Expected Rate of increase in Salary (p.a.)	7.00%	7.00%

The estimates of rate of increase in salary are considered in actuarial valuation, taking into account, inflation, seniority, promotion, attrition and other relevant factors including supply and demand in the employment market. The above information is certified by Actuary.

v) Sensitivity Analysis:

Particulars	Changes in assumptions		Effect on Gratuity Ob (Decrea	•
	2021-22	2020-21	2021-22	2020-21
Discount Rate	0.50%	0.50%	7.22	7.18
Salary Growth Rate	0.50%	0.50%	7.17	6.46

Rs. in Lakhs)

The above sensitivity analysis is based on an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. In presenting the above sensitivity analysis, the present value of defined obligation has been calculated using the projected unit credit method at the end of reporting period, which is the same as that applied in calculating the defined obligation liability recognized in the Balance Sheet.

vi) Risk Exposure:

- 1 Investment Risk: The Present value of the defined benefit plan laibility is calculated using a discount rate which is determined by refrence to market yeilds at the end of reporting period on government bonds.
- 2 Interest Risk: A decrease in the bond interest rate will increase the plan liability: however, this will be partially offset by an increase in th return on the plan debt investment.
- 3 Liquidity Risk: The present value of the defined plan liability is calculated by refrence to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability
- 4 Salary Risk: The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an incraese in the salary of the plan participants will increase the plan's liability.
- vii) Details of Asset-Liability Matching Strategy: Gratuity benefits liabilities of the company are ununded. There are no minimum funding requirements for a Gratuity benefits plan in India and there is no compulsion on the part of the Company to fully or partially pre-fund the liabilities under the Plan.

viii) The expected payments towards to the gratuity in future years :

Particulars	2021-22	2020-21
with in one year	74.56	50.41
1-5 years	12.85	32.72
More than 5 years	13.02	7.28

The average duration of the defined benefit plan obligation as at March 31, 2022 is 8.05 years (March 31, 2021: 8.66 years)

Fair Value Measurements

The fair value of the financial assets and liabilities are included at the amount that would be received on sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide and indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescrible under the accounting standard. An explanation of each level follows underneath the table.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments that have quoted price and financial instruments like Mutual Funds for which NAV is published by the Mutual Fund Operator. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period and Mutual Fund are valued using the Closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value and instruments are observable, the instrument is included in level 2. Instruments in the level 2 category for the company include forward exchange contract derivatives

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in this level. Instruments in level 3 category for the Company include unquoted equity shares and FCCDs, unquoted units of mutual funds and unquoted units of venture capital funds.

a) Financial Instrument by Category

Financial Assets

	137.05	477.93	3,30,439.03	276.24	705.16	3,32,408.77

The carrying amount of Financial Assets carried at amortised cost is resonably approximate to its fair value.

Financial Liabilities

The Liability in case of Redeemable Non Convertible Bonds and Long Term Inter Corporate Deposit from related parties are initially recognised on fair value and the difference between fair value and transaction price is considered as Other Income. Subsequently the liability is measured at amortised cost using the effective interest rate. The impact on this account has been recognised as other income on the transaction date and subsequent impact are recognised as finance cost in the Statement of Profit and Loss.

The carrying amount of all other Financial Liabilities is resonably approximate to its fair value. The fair values disclosed above are based on discounted cash flows using current borrowing rate. These are classified at level 2 fair values in the fair value hierarchy due to the use of observable inputs.

During the years mentioned above, there have been no transfers amongst the levels of the hierarchy.

b) Valuation process

The Company evaluates the fair value of the financial assets and financial liabilities on periodic basis using the best and most relevant data available. Also the Company internally evaluates the valuation process periodically

Financial Risk Management Obejective and Policies

The Company's principal financial liabilities comprise loans & borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and projects under implementation. The Company's principal financial assets include Investment, loans and advances, trade and other receivables and cash and bank balances that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. All derivative activities for risk management purposes are carried out by specialist teams that have the appropriate skills, experience and supervision. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors, reviews and agrees policies for managing each of these risks, which are summarised below.

Market risk

Market risk is the risk that the fair value of future cash flows of a financial assets will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Financial Assets affected by market risk include loans and borrowings, deposits and derivative financial instruments.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

I Interest rate exposure profile appended in the table below

Borrowings		MARCH 31, 2022	MARCH 31, 2021
Floating Rate Loans		40,960.09	40,960.09
Fixed Rate Loans		2,06,200.50	2,02,433.54

change in interest rates	Increase	Decrease	Increase	Decrease	
On Floating Rate Loans	81.92	81.92	81.92	81.92	

Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure in Foreign Currency is not material

Credit risk

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables and advances to suppliers) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

Trade receivables

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored. An impairment analysis is performed at each reporting date on an individual basis for major clients.

Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved authorities. Credit limits of all authorities are reviewed by the Management on regular basis.

Liquidity risk

The Company monitors its risk of a shortage of funds using a liquidity planning tool.

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of Bank Overdrafts, Letter of Credit and Working Capital Limits.

The below table summarizes the maturity profile of the company's financial liability based on contractual undiscounted cash flows:
