Reporting period and scope

This report covers financial and nonfinancial information and activities of United Drilling Tool Limited ('the Company' or 'UDTL') during the period April 1, 2022, to March 31, 2023. The report's financial figures have been audited by M/s R S Dani & Co., Chartered Accountants.

Materiality

We cover key material aspects that have been identified through our ongoing stakeholder engagement and are addressed by various programmes or action points set by the key management personnel.

Responsiveness

Our reporting addresses a gamut of stakeholders, each having their own needs and interests. This report is one element of our interaction and communication. It reflects how we manage our operations by accounting and responding to stakeholder concerns.

Forward looking statement

Some information in this report may contain forward-looking statements. We have based these forward-looking statements on our current beliefs, expectations and intentions as to facts, actions and events that will or may occur in the future. Such statements are identified by forward-looking words such as "believe," "plan," "anticipate," "continue," "estimate," "expect," "may," "will" or other similar words. A forward-looking statement may include a statement of the assumptions or basis underlying the forward-looking statement. We have chosen these assumptions or basis in good faith, and we believe that they are reasonable in all material respects. However, we caution you that forward-looking statements and assumed facts or bases almost always vary from actual results, and the differences between the results implied by the forward-looking statements and assumed facts or bases and actual results can be material, depending on the circumstances.

In the realm of progress and growth, the path forward is not always a steady and predictable one.

Just as a ship must brave storms and rough seas to reach its intended destination, organizations come across challenges that scrutinize their resilience and adaptability.

During FY23, we encountered a series of challenges. A substantial surplus of inventory at our customer's end led to a decrease in order placements, exacerbated by a significant surge in steel prices. Additionally, the implementation of reverse auctions contributed to heightened competitive pressures. Cumulatively, these factors exerted adverse effects on both our revenue and overall profitability.

But this didn't deter us from our long-term goal. Instead, we saw these challenges as opportunities for growth and innovation.

We continued to reflect on the obstacles and uncertainties we faced, and focused on developing strategic initiatives that would help us on overcoming the hurdles.

We worked closely with our customers to better understand their needs and develop strategies to satisfy their needs more effectively and efficiently.

We closely monitored the volatile steel market and implemented effective hedging strategies to mitigate the impact of rising prices.

We analysed our pricing structure and continued on streamlining our operations to offer more competitive bids without compromising on quality or service. Through continuous improvement initiatives, we optimized our production processes and reduced costs, enabling us to remain competitive in this changing landscape.

As we delve into the strategies adopted and initiatives undertaken, one thing becomes clear: turbulence may be inevitable, but our ability to steer our course remains stronger than ever.

'WE CAN'

Seeing our current year's performance, many sceptics outlined a number of reasons why we could be derailed from our growth track considering the challenges we faced in FY23.

THEY SAID...

We didn't have enough orders to sustain growth.

We didn't have enough professional talent to navigate through the turbulence.

We didn't have enough experience to charter a well strategized growth path.

We didn't have a broad-based portfolio to cater a wider audience.

However, what eluded their understanding is that we possess something more precious than all these challenges combined.

Our self-belief. Captured in two simple words.

'WE CAN'

Our self-belief is a powerful force that helped propel us forward, even in the face of seemingly insurmountable challenges. While others may focus on the external obstacles that stand in their way, we understand that true strength lies within.

With this self-belief, we are not deterred by failures or setbacks. Instead, we see them as opportunities for growth and learning. We know that every stumble is just a stepping stone towards success.

With decades of extensive experience and an innate understanding of every intricate aspect of the business, we are empowered to make well-informed decisions.

The conviction that there must be a better way, even though it may not be immediately evident. The belief that team-working is the eventual balm that counters the pain of multi-site challenges.

This unwavering faith in ourselves allows us to persevere when others might give up.

Our self-belief fuels our resilience and gives us the courage to take risks and step outside of our comfort zones.

Our unwavering confidence in our abilities, our people, and our potential serves as the driving force propelling us forward and gives us the courage to stay in the fight, even when the odds appear loaded against you.

CHAIRMAN-CUM-MANAGING DIRECTOR'S MESSAGE

“FY23 WAS A DIFFICULT YEAR FOR US, BUT THAT DIDN'T DETER US FROM PERSEVERING AND FINDING NEW OPPORTUNITIES FOR GROWTH AND SUCCESS. DESPITE THE CHALLENGES WE FACED, WE REMAINED RESILIENT AND FOCUSED ON OUR GOALS. WE RECOGNISED THAT IN TIMES OF ADVERSITY, IT IS CRUCIAL TO ADAPT AND INNOVATE.”

Dear Shareholder's,

A warm welcome to all of you to the 41st Annual General Meeting (AGM) of United Drilling Tools Limited. I hope you and your families are all doing well.

One either succumbs in the face of crisis or emerges stronger. Crises and challenges etch the true colours of a character. It is with this thought I announce with pride that our company has shown extraordinary resilience while navigating the turbulences the past year posed in front of the world.

The year FY23 was marked by a plethora of obstacles. Starting with the tepid demand for oil, the global oil and gas sector was further challenged by an inventory surplus. Crude oil prices exacerbated the problem as consumers became reluctant to buy raw materials at escalated prices.

A renewed demand from the end-users sectors revived hope temporarily, but the arrival of a reverse auction policy, initiated by oil companies, intensified the competition resulting in price rivalry and a growing price war.

In the face of these formidable challenges, our unwavering dedication persisted in forging pathways for fresh growth prospects, steering us back onto the trajectory of progress. I seize the opportunity to extend my utmost admiration to the indomitable spirit of those who stood at the vanguard, orchestrating our triumph over these adversities.

Our performance

Despite the many challenges, I am happy to state that we showcased good resistance and navigated the situation appreciably.

We are pleased to announce that the Company has taken a positive step by declaring a dividend, even in the face of lower profitability and turnover compared to the previous year. This decision reflects our commitment to providing value to our shareholders and maintaining their confidence, even during challenging times.

The oil equipment manufacturing industry has faced considerable marketing competition, impacting our profitability and turnover. We continue to navigate the complexities of the industry and actively implementing strategies to improve our financial performance and operational efficiency with penetration in new market with new strategies. The declaration of the dividend reflects our long-term perspective and the confidence we have in our ability to overcome challenges and emerge stronger.

We are adapting to the changing dynamics of the global oil & gas industry. Throughout the course of 2023, we focused on realigning our Company with the global demand, optimising costs, and enhancing returns for the shareholders.

We achieved a few important milestones in FY23 Chief among them is our formalized partnership through a Agreement with a global producer of Steel Pipe. Additionally, our dedicated Research and Development team is diligently engage in creation of pioneering and innovative products. These new developments have stirred the pot within the industry and are expected to be instrumental in propelling our business with speed in the near future.

Responding with effective strategies

To navigate through the turbulent times, the Company has prioritised a few strategic focus areas: continued capacity expansion, regular technological up-gradation, product innovation and value-addition and focused financial planning. These measures are likely to help UDTL route back on its growth trajectory with a focus on emerging as a technology-driven global enterprise.

Harnessing our strengths

We are adapting to the changing dynamics of the global oil & gas industry. Throughout the course of 2023, we focused on realigning our Company with the global demand, optimising costs, and enhancing returns for the shareholders. Despite challenging macroeconomic conditions, we continued to pursue our long-term strategic goals, harnessing our internal strengths, and delivering value to our customers and shareholders.

Investing in Innovation and R&D

Throughout FY23, our unwavering dedication was directed towards bolstering our research and development endeavours to elevate our product development capabilities through a synergy of innovation and cutting-edge technological platforms. These strategic endeavours have been meticulously designed to amplify our capacities, enhance the capability of our portfolio, and substantially augment our patent portfolio. Speaking of patents, a total of 14 design patents have been successfully registered. Among these, 9 have attained registration within the borders of India, while the remaining 5 have been secured in the United Kingdom. Our patent applications span both domestic and international jurisdictions, resulting in the acquisition of 2 patents within the Indian domain This helps us in protecting our proprietary design and products.

Embedding sustainability in all that we do

We deeply acknowledge the paramount importance of sustainability across all our diverse functions. Over the course of the year, remarkable steps have been undertaken to establish a resilient governance system and embrace an all-encompassing policy framework that will steer our relentless efforts towards sustainability.

Our primary focus is on reducing our carbon emissions,

We plan to expand our business into new international markets and diversify our portfolio. Our aim is to use our expertise and resources to create an innovative and expanding portfolio that meets the needs of both consumers and investors.

conserving resources, and promoting responsible business practices. As we move forward, we are dedicated to delivering sustainable benefits to our stakeholders and making a positive impact on the environment for a cleaner and healthier planet.

Putting our people first

We believe it is our duty to have a workforce that includes people from all the different communities we serve. In order to attract and retain the most talented individuals, it is crucial to establish a workplace that fully supports diversity. We are happy to announce that over the past year we have made great progress in creating an organization that is truly inclusive.

Geared to seize the potential that lies ahead

FY23 was a difficult year for us, but that didn't deter us from persevering and finding new opportunities for growth and success. Despite the challenges we faced, we remained resilient and focused on our goals. We recognised that in times of adversity, it is crucial to adapt and innovate.

We plan to expand our business into new international markets and diversify our portfolio. Our aim is to use our expertise and resources to create an innovative and expanding portfolio that meets the needs of both consumers and investors. We want to become a drilling tool and equipment manufacturer that focuses on providing solutions and aligns with sustainability principles. Our goal is to offer value to our valued clients. In the coming years, we are excited to explore opportunities in

countries like Vietnam, Russia, Brazil, and Egypt, among others, and maximize our growth potential.

Given the positive macroeconomic conditions slowly returning in India as well as in the global oil market, we believe that UDTL is well-positioned to take advantage of opportunities. Additionally, I am optimistic that the ongoing increase in the country's oil and gas exploration spending is not a temporary measure, but rather the beginning of a long-term commitment to increasing oil ownership. This commitment has the potential to establish a solid foundation for sustained economic growth in the country.

This affords us with an excellent chance to generate value, particularly in our attempts to navigate our way back onto the growth track. On behalf of every member of the UDTL family, we thank our shareholders for the trust they have reposed in us. We are truly grateful for your sustained cooperation throughout our journey. Together, we will achieve a better and more sustainable future.

Our exceptional talent pool reflects individuals from diverse backgrounds, cultures, and geographies, aligning with our commitment as an equal-opportunity employer.

Employee well-being

We highly prioritize our employees' well-being and have taken proactive steps to promote work-life balance, support mental health, and foster a positive workplace culture. Our commitment to their overall wellness is evident through flexible work options, wellness programs, health check-ups, and other comprehensive benefits, all aimed at creating a healthy and supportive environment for our team.

COMMUNITY CARE

Promoting inclusive development

At the heart of UDTL's ethos lies a fervent commitment to community development, rooted in our profound understanding of the intricate interdependence that binds our progress with the holistic welfare of the communities within which we function. These communities, in their capacity as valued stakeholders, bestow upon us the vital social endorsement that legitimizes our operational presence.

Our endeavors pivot around nurturing enduring, comprehensive advancement for the marginalized and less privileged segments of society. We enthusiastically embrace initiatives spanning the domains of education, healthcare, communal progress, and ecological equilibrium, all in a concerted bid to catalyze the enduring prosperity of these very communities.

Our engagement with local communities stands as a testament to our abiding dedication and, in turn, safeguards the integrity of our reputation. This symbiotic connection assumes pivotal importance as we steer the course of our expansion and steadfastly endeavor to maintain our leadership role. While the bedrock of our business is inherently linked with the extractive processes of oil & gas drilling, it's unequivocal that this undertakes some measure of impact upon the surrounding communities and the natural world. Thus, our mission stands as a beacon guiding us toward the adaption of sustainable methodologies, thereby facilitating the realization of our sustainability aspirations and contributing to the forging of a community that thrives harmoniously over time.

Key Projects undertaken in FY

Explanatory Statement

(Pursuant to section 102 of the Companies Act, 2013)

The following Explanatory Statement, as required under Section 102 of the Companies Act, 2013 ('the Act'), set out all the material facts relating to the business proposed to be transacted under Item No. 04 & 05 of the accompanying Notice dated August 14, 2023.

ITEM NO. 04

Appointment of M/s Sarupria Somani & Associates, Chartered Accountants, (ICAI Firm Registration No. 010674C) as Statutory Auditors of the Company.

Members of the Company at 37th Annual General Meeting ('AGM') held on September 20, 2019 had approved the appointment of M/s R S Dani & Co., Chartered Accountants (ICAI Firm Registration No. 000243C), as Statutory Auditors of the Company for a period of five years from the conclusion of that AGM till the conclusion of 42nd AGM to be held in the calendar year 2024. However, M/s R S Dani & Co., Chartered Accountants (ICAI Firm Registration No. 000243C), had tendered their resignation vide letter dated August 14, 2023 from the position of Statutory Auditors of the Company with immediate effect.

The said resignation letter was placed before the meeting of the Audit Committee and Board of Directors held on August 14, 2023. The Board had noted & accepted the resignation of existing statutory auditors M/s R S Dani & Co., Chartered Accountants (ICAI Firm Registration No. 000243C) cited the reason as mentioned in the aforesaid resignation letter.

Pursuant to Section 139 and other applicable provisions, if any, of the Companies Act, 2013, pursuant to the recommendation of the Audit Committee of the Company, the Board of Directors has approved the appointment of M/s Sarupria Somani & Associates, Chartered Accountants (ICAI Firm Registration No. 010674C) as the Statutory Auditors of the Company at the meeting held on August 14, 2023 to fill the casual vacancy caused by the resignation of M/s R S Dani & Co. Chartered Accountants.

Further, pursuant to the recommendation of Audit Committee of the Company, the Board had also recommended to the members for its approval at ensuing AGM, the appointment of M/s Sarupria Somani & Associates, Chartered Accountants (ICAI Firm Registration No. 010674C) as Statutory Auditors of the

Company for a period of two consecutive years to hold office from the conclusion of 41st AGM till the conclusion of 43rd Annual General Meeting. The said appointment is pursuant to applicable provisions of the Companies Act, 2013 and the SEBI Listing Regulations, 2015.

On the recommendation of the Audit Committee, the Board also recommended for the approval of Members, the remuneration payable to M/s Sarupria Somani & Associates, Chartered Accountants (ICAI Firm Registration No. 010674C) as mutually agreed between the Company and the said statutory auditors.

The Committee considered various parameters like audit experience, market standing of the firm, clientele served, technical knowledge etc., and found M/s Sarupria Somani & Associates, Chartered Accountants (ICAI Firm Registration No. 010674C) to be best suited to handle the audit of the financial statements of the Company.

M/s Sarupria Somani & Associates, a distinguished Chartered Accountancy firm with an illustrious history spanning 35 years. M/s Sarupria Somani & Associates has established a strong presence in the field of audit, deep understanding of auditing practices, Audit financial reporting standards and has offices in 19 cities, including a fully equipped office in Karol Bagh, Delhi. The Firm having a dedicated team of 17 partners and 30 qualified and unqualified assistants, each of whom contributes their expertise to deliver exceptional services to their valued clients.

The firm has rich experience in the field of Bank Audits, Accounting, Auditing, Taxation, Company Law, Finance and Management Consultancy.

2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM/EGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the EGM/AGM will be provided by CDSL.
3. The Members can join the EGM/AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the EGM/AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the EGM/AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM/EGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM/EGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM/EGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM/EGM has been uploaded on the website of the Company at www.udtltd.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM/EGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM/EGM) i.e. www.evotingindia.com.
7. The AGM/EGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The **voting period** begins on **Saturday, September 23, 2023 and ends on Monday, September 25, 2023**. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the **cut-off date Saturday, September 16, 2023** of Saturday, September 16, 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations

and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only

facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

1.2 General Information & State of Company's Affairs

Backed by robust manufacturing and R&D infrastructure, technologically advanced equipment, stringent quality control and a highly experienced team, UDTL presently manufactures different drilling tools across the four key product lines, such as Wire line and well service equipment, Gas Lift Equipment's, Downhole tools and large OD casing Connectors.

Four (04) state-of-the-art Manufacturing facilities of the Company have proven track record of manufacturing high-quality products of field-proven test designs in conformity with international standards as per ISO 9001 & American Petroleum Institute (API License No. 5CT-0565, 5L-0424, 7-1-0393, 19G1-0008, 19G2-0010). A new state-of-the-art and tech-focussed Greenfield

manufacturing unit is soon coming up near Mundra port in the State of Gujarat.

UDTL's continuing integration of new technologies and industry leading product lines enhances the technological advantages offered to the oil and gas industry; an experienced engineering and support personnel coupled with extensive product lines makes it a single source provider for wireline and slickline solutions.

Incorporating products with newer technology and with over 4 decades of combined experience, the UDTL product group is one of the leading Companies in design and manufacturing of wireline products for slickline and electric line applications.

UDTL has always been an innovation-led company with team of design engineers conducting challenging Research and Development (R&D) Projects, as well as, client specific design programmes. Aided by the most up-to-date engineering and analysis software, their designs are robust, long lasting and comply with relevant region-specific regulations. Featuring the dependable field-proven UDTL closed loop hydraulic system used in UDTL winches on all oil fields worldwide, the current wireline units are the industry's most compact all-weather solution for today's dynamic world of well servicing.

During the FY23, the company successfully developed two new patents, which have been recognized as valuable assets and capitalized in the Company's Financial Statements.

UDTL's products are hi-tech parts and equipment for oil drilling industry, used for a variety of purposes. Also, there are entry barriers to these types of products because the technology is highly sophisticated and is available only in advanced countries such as US and Europe. Further, the technology developed by the company is protected, Patented in Europe.

UDTL Group is working closely with some of the renowned Government and associated entities in India such as ONGC, Oil India, Cairn Energy, and Welspun, among others. In the international markets, we work with some of the renowned brands, such as Halliburton, Schlumberger, and Geo Empo among others. Our revenues are distributed between government organisations, private sector companies and exports in the oil and gas sectors.

FORM NO. MR-3**Secretarial Audit Report****For the Financial Year ended 31st March, 2023**

[Pursuant to Section 204(1) of the Companies Act, 2013 and

Rule 9 of Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,

United Drilling Tools Limited

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good Corporate Practices by UNITED DRILLING TOOLS LIMITED, a company registered under the Companies Act, 1956, having its Registered Office at 139A, First Floor, Antriksh Bhawan, 22, Kasturba Gandhi Marg, New Delhi -110001 (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my examination and verification of the Company's secretarial books, papers, minute books, forms and returns filed and other registers and records as maintained by the Company under Companies Act, 2013 and Securities Laws as applicable to the Company and also the information(s) and explanation(s) provided to me by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31st, 2023 has generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place except occasional delays under the Acts, Rules and Regulations as applicable to the Company.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by Company for the financial year ended on March 31st, 2023 according to the provisions of:

- (i) The Companies Act, 2013 ('the Act') and the rules made thereunder;
- (ii) Secretarial Standards including revised one as effective from 1st October, 2017, with respect to Meetings of the Board of Directors (SS-1) and General Meetings (SS-2) as issued by the Institute of Company Secretaries of India (ICSI);
- (iii) Securities Contract (Regulation) Act, 1956('SCRA') and the rules made thereunder;

- (iv) Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India (SEBI) Act, 1992 ('SEBI ACT');
 - a) The SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015
 - c) SEBI (Prohibition of Insider Trading) Regulations, 2015
 - d) The SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009 (Not applicable during the financial year under review)
 - e) The SEBI (Issue and listing of Debt Securities) Regulations, 2008 (Not applicable as the Company has not issued and listed any debt securities during the financial year under review);
 - f) Securities and Exchange Board of India (Issue and Listing of Non-Convertible and Redeemable Preference Shares Regulations, 2013; (Not applicable during the financial year ended 31st March, 2023)
 - g) The SEBI (Buyback of Securities) Regulations, 1998 (Not applicable as the Company has not bought back/proposed to buyback any of its securities during the period under review)
 - h) Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; (Not applicable during the financial year ended 31st March, 2023)
- (vi) The Compliances/processes/systems were verified on test check basis under following applicable Labour Laws from the documents/returns/information(s) as produced before me such as:
 - Employees' Provident Fund and Miscellaneous Provisions Act, 1952;

- Employees' State Insurance Act, 1948;
 - Minimum Wages Act, 1948 read with rules made thereunder;
 - Payment of Wages Act, 1936 and rules made thereunder;
 - Equal Remuneration Act, 1976;
 - Payment of Gratuity Act, 1972, and rules made thereunder;
 - Payment of Bonus Act, 1965 read with Payment of Bonus Rules, 1975;
 - The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013;
 - National Holiday Act and National Holiday Rules, 1965;
 - Employment Exchanges (Compulsory Notification of Vacancies) Act, 1959;
 - Workmen's Compensation Act, 1923 read with Employees Compensation Rules, 1924;
 - Factories Act, 1948;
 - The Maternity Benefits Act, 1961 and the Rules made thereunder;
 - Industrial Disputes Act, 1947;
 - The Industrial Employment (Standing Orders) Act, 1946;
 - Motor Vehicles Act, 1988
 - The Public Liability Insurance Act, 1991
 - The Contract Labour (Regulation And Abolition) Act, 1970
- (vii) Environmental Laws such as:
- The Water (Prevention and Control of Pollution) Act, 1974, read with the Water (Prevention and Control of Pollution) Rules, 1975;
 - Air (Prevention and Control of Pollution) Act, 1981 read with U.P. Rules;
 - Environment Protection Act, 1986 read with Environment Protection Rules;
 - Noise Pollution (Control and Regulation) Rules, 1999
 - The Uttar Pradesh Fire Prevention And Fire Safety Act, 2005
- (viii) Other Sector Specific Laws specifically applicable to the Company such as:
- Special Economic Zones Act, 2005 and the Rules made thereunder;
- As per the information(s) furnished and explanation(s) as provided by the Company, its officers, agents and authorized representatives, there were no other sector specific laws applicable to the Company or on its type of Industry except as mentioned above for the financial year ended March 31, 2023.
- I report that, I have checked the Compliance Management System of the Company on the basis of Compliance Certificates issued by the Board of Directors of the Company and Senior Management of the Company so as to obtain reasonable assurance about the adequacy of systems in place to ensure compliance of applicable Laws, Rules, Regulations and Guidelines and its verification was done on test check basis. However, I have not made a detailed examination of the said records. I believe that the audit evidence which have been obtained is sufficient and appropriate to provide a reasonable basis for my audit. In my opinion and to the best of my information and according to explanations given to me, I believe that there are adequate systems and processes in the Company commensurate with the size and operations of the Company and the nature of its business to monitor and ensure compliance of laws specifically applicable to the Company, including other applicable general laws like labour laws and environmental laws applicable to the Company, although it requires further strengthening, regularity and probity.
- During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, standards etc. mentioned above. I further report that:
- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors and Non-Executive Directors and Independent Directors during the period under review except that e-Form AOC-4 (XBRL) for filing of Financial Statements, , e-Form IEPF-2 for appointment of Nodal Officer, e-Form MGT-14 for fixation of record date for declaring Interim Dividend, e-Form-DIR-12 for appointment of CFO of the Company, e-Form CRA-2 for appointment of Cost Auditor of the Company were filed beyond the statutory time period due to technical glitches on the Ministry of Corporate Affairs Portal after payment of Additional Fees.

According to the information(s) and explanation(s) given to me and records examined by me, the Company has generally been regular in maintaining statutory records and registers along with depositing statutory dues and filing returns with the appropriate authorities in respect of PF, ESI and other labour laws and generally regular in payment of statutory dues and filing of statutory returns in respect of Employees' Provident Fund and Miscellaneous Provisions Act, 1952 and Employees' State Insurance Act, 1948;

There are adequate systems and processes to ensure compliance with applicable Laws, Rules, Regulations and Guidelines particularly for labour laws and environmental laws except for certain occasional inadequate compliances / omissions in the Public Liability Insurance Act, 1991 and other labour laws as prima facie the records have been made and maintained by the Company. However I have not made a detailed examination of the same with the view to determine whether they are accurate or complete.

I further report that the compliance by the Company of applicable financial laws like Direct and Indirect Tax Laws has not been reviewed; since the same have been reviewed by Statutory Auditors and other designated professionals and I have relied upon the same.

Adequate notices were given to all the Independent Directors to schedule the Board Meetings and its Committees Meetings. Notice along with Agenda and detailed notes on agenda were sent at least seven days in advance and as system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. The Board decisions were carried out with unanimous consent and therefore, no dissenting views were required to be captured and recorded as part of the minutes.

MANAGEMENT DISCUSSION AND ANALYSIS

Global economy overview

The year 2022 marked a significant milestone in the global economic recovery from the devastating impact of the Covid-19 pandemic. While the world witnessed substantial growth and stabilization, it also faced ongoing challenges stemming from the pandemic and geopolitical developments.

In 2022, the global economy experienced an estimated growth rate of approximately 3.4%. This growth was supported by a combination of effective monetary and fiscal policies, increasing vaccination rates, and the gradual easing of restrictions, which allowed for the resumption of economic activities. However, the pace of global recovery was hindered by various factors, including the Russian invasion of Ukraine, unprecedented inflation, a pandemic-induced slowdown in China, higher interest rates, a global liquidity squeeze, and quantitative tightening by the US Federal Reserve.

Consequently, global growth is projected to decline to 2.8% in 2023, as central banks raise interest rates to combat inflation and geopolitical issues continue to exert pressure on economic activity. Despite these challenges, the global economy continues to demonstrate resilience and modest improvement. However, it is important to note that these estimates fall below the long-term global growth average of 3.0%.

Global economic growth (real GDP growth in %)

(Source: <https://www.imf.org/-/media/Images/IMF/Publications/WEO/2023/April/English/growth-projections.ashx?h=2160&w=3841&la=en>)

In 2022, the global economy experienced a significant rise in inflation due to various factors such as moderate spending, disrupted trade, and higher energy expenses. However, the situation began to change in the last quarter of 2022 when central banks responded by increasing interest rates, and fuel and energy commodity prices started to decrease. As a result, global headline inflation started to decline. Although the decline is happening at a slower pace than initially predicted, it is expected that global inflation will decrease from 8.7% in 2022 to 7.0% this year and further drop to 4.9% in 2024.

The year 2022 witnessed significant progress in the global economic recovery, but it was not without its share of obstacles. While the world experienced notable growth and stabilization, it also grappled with ongoing risks arising from the pandemic and geopolitical developments. Looking ahead, the global economy is expected to face further challenges in 2023, leading to a slight decline in growth. Nonetheless, the global economy remains resilient, and although the estimates fall below the long-term average, there is still room for cautious optimism.

Outlook

While the balance of risks remains skewed towards the downside, there has been a moderation in these risks. There is a possibility of a stronger boost from pent-up demand in various economies or a faster decline in inflation. However, it is important to note that certain factors could exacerbate debt distress and lead to sudden repricing in financial markets. These factors include the rise in central bank rates to combat inflation, ongoing geopolitical conflicts, and the potential tightening of global financing costs. Therefore, it is crucial for most economies to prioritize achieving sustained disinflation. This necessitates the implementation of macro-prudential tools and the reinforcement of debt restructuring frameworks to maintain financial and debt stability.

In conclusion, the global economy is gradually recovering from the repercussions of the pandemic, and there are positive projections for inflation and growth in the upcoming years. Nevertheless, the persistent geopolitical and economic challenges continue to pose risks to the economy. To mitigate these risks effectively, it is imperative to adopt measures that are targeted and provide better fiscal support. Additionally, strengthening multilateral cooperation is essential to safeguard the gains from the rules-based multilateral system and attain sustainable economic growth.

Indian economy overview

India has once again demonstrated its unwavering determination and ability to achieve robust economic growth, even in the face of global uncertainties, persistent inflation, and ongoing geopolitical challenges.

According to the latest report from the Ministry of Statistics and Programme Implementation, India's GDP is projected to grow by 7% in FY23, compared to 9.1% in FY22. This slight decrease in the year-on-year growth rate can be attributed in part to the fading of pandemic-induced base effects, which had contributed to higher growth figures in the previous fiscal year.

The government's substantial capital expenditure disbursements, along with the recovery in auto sales and improved capacity utilization at a macro level, have played a crucial role in driving India's economic progress. The Centre for Monitoring Indian Economy (CMIE) reported that new projects worth ₹6 trillion were announced in the December quarter, marking a significant 44% increase compared to the previous year. Additionally, India's exports surged by 14% to reach a record US\$770 billion in FY23, primarily driven by the services sector. However, imports reached a new peak of US\$892 billion due to subdued demand for goods amid global challenges.

Looking ahead, the World Bank expects India's GDP growth to moderate to 6.3% in FY24, mainly due to a sluggish recovery in private capital expenditure and a projected decrease in urban consumption. Furthermore, the recent increase in interest rates by the central bank (with the benchmark repo rate raised by 250 basis points between May 2022 and February 2023) is anticipated to impact private sector performance and capital expenditure. The International Monetary Fund (IMF) has also revised its GDP growth estimate for India in FY24 to 5.9%, down from its initial projection of 6.1%.

As India forges ahead, it is essential to acknowledge the challenges that persist, such as inflationary pressures and geopolitical fractures. These factors necessitate a proactive approach from policymakers and stakeholders to ensure sustainable and inclusive growth. By addressing these challenges head-on, India can further strengthen its economic foundations and create an environment conducive to long-term prosperity.

Additionally, India's exports surged by 14% to reach a record US\$770 billion in FY23, primarily driven by the services sector. However, imports reached a new peak of US\$892 billion due to subdued demand for goods amid global challenges.

India's economic growth

(Source: <https://www2.deloitte.com/us/en/insights/economy/asia-pacific/india-economic-outlook.html>)

Despite high inflation, the Indian economy achieved a remarkable GDP growth rate of ~7% in FY23. This impressive performance can be attributed to the sustained growth in GST collections, electronic toll collections, and the volume of e-waybills generated, all of which indicate a promising momentum. Furthermore, key indicators of manufacturing activity, such as the PMI-manufacturing, the Index of Industrial Production, and the Index of Core Industries (ICI), demonstrate a steady growth in this sector. Similarly, indicators of the services sector, including UPI transactions and high credit demand, also point towards sustained expansion.

In order to foster a virtuous cycle of infrastructure investment and job creation, the Union Government has significantly increased the capital expenditure outlay to ₹10 lakh crore, representing a remarkable 33% increase compared to the previous year. This substantial boost in infrastructure spending, particularly in tier II and tier III cities, is expected to have a profound impact on the Indian economy, generating new employment opportunities and stimulating overall growth. Overall, the demand conditions in India remain favorable for supporting economic activity. As we approach the coming financial year, India stands with confidence, underpinned by a foundation of macroeconomic stability. However, it is important to remain vigilant against potential political and geo-economic risks that may arise.

Outlook

According to projections from the World Bank, India's GDP is expected to grow by 6.3% in FY24, driven by domestic demand and increased public investment. Additionally, there is a possibility of a decline in India's retail inflation rate from 6.6% to 5.2% in FY24. This growth is likely to be supported by various factors such as broad-based credit expansion, improved capacity utilization, and a reduction in trade deficits.

The government’s implementation of production-linked incentive schemes is expected to provide further momentum to the economy, particularly benefiting downstream sectors. Despite an increase in interest rates, the outlook for private business investment remains positive. Moreover, India’s economy has minimal exposure to Chinese economic weakness, which helps protect its long-term growth prospects.

With broad-based credit growth, improved capacity utilization, and the government’s focus on capital spending and infrastructure development, investment activity is expected to receive a significant boost. As a result, firms operating in the manufacturing, services, and infrastructure sectors are optimistic about their business outlook. However, there are some downside risks to consider, including prolonged geopolitical tensions, tightening global financial conditions, and a slowdown in external demand.

Global oil and gas industry overview

Over the past few years, the global oil & gas industry has undergone a profound transformation, weathering the storms of the Covid-19 pandemic and Russia’s invasion of Ukraine. Despite the challenges, the industry emerged resilient and revitalized, and even in 2023, it continued its impressive recovery, fueled by various factors.

Consumer sentiment rebounded, economic activities surged, and trade flows increased, all contributing to a surge in demand for oil & gas products. As travel restrictions eased and economies reopened, the industry experienced a robust revival, with global refinery operating rates reaching new heights in response to the escalating demand.

Moreover, the power sector played a crucial role in driving this steady growth, as it embraced gas to oil switching following the energy crisis and elevated natural gas prices. This strategic move provided additional support to the industry’s upward trajectory, reaffirming its potential for sustainable progress.

In terms of demand, the global oil demand increased by 2.3 mb/d to reach 101.6 mb/d in 2022 and is projected to climb by 2.2 mb/d in 2023 to reach 102.1 mb/d, a new record. Buoyed by surging petrochemical use, China will account for 70% of global gains, while OECD consumption remains anaemic.

However, growth in world oil demand is set to lose momentum over the decade as the energy transition gathers pace, with an overall peak looming on the horizon. Led by continued increases in petrochemical feedstocks, total oil consumption is expected to grow at a much lower rate. For 2023, global production is forecast to increase by 1.6 mb/d to 101.5 mb/d, as non-OPEC+ expands by 1.9 mb/d. In 2024, global supply is set to rise by 1.2 mb/d to a new record of 102.8 mb/d, with non-OPEC+ accounting for all of the increase.

Amidst favorable conditions, the global oil and gas market showcased remarkable growth, surging from \$6,989.65 billion in 2022 to a formidable \$7,330.80 billion in 2023, achieving an impressive CAGR of 4.9%. However, the progress faced an unexpected impediment in the form of the Russia-Ukraine conflict, temporarily disrupting the market dynamics. The war led to economic sanctions affecting multiple nations, a surge in commodity prices, and significant supply chain disruptions, thereby triggering inflation in the prices of goods and services and exerting its impact on various markets worldwide.

Yet, with the gradual abating of the war’s influence, the oil and gas market is anticipated to recover its momentum, poised to reach an astounding \$8,670.91 billion in 2027, demonstrating a steady CAGR of 4.3%. The resilience and adaptability of the industry are likely to pave the way for renewed growth and stability in the coming years.

Key trends observed in the global oil and gas industry

Tight supply

There is a reason most investment banks and energy consultancies keep forecasting higher prices of oil going forward despite considerable worry among traders about the state of the global economy. The reason is called supply and the explanation for the bullish price forecasts is that supply of crude oil is tightening on a global level. OPEC+'s recent decision to reduce production by another 1.16 million barrels daily amid a price slump driven by factors outside of the industry is one example of where supply is headed but it's not the only one.

The U.S. shale industry that went through a veritable boom during the last decade has transformed into a much more frugal, much more efficiency-oriented industry. The shale boom was proclaimed over last year, repeatedly, and there is little reason to believe these particular reports are exaggerated. U.S. shale oil output will continue rising, as long as the price is right, but it won't be rising at what the industry previously saw as its usual fast pace.

Need for higher investments

While supply tightens both organically and artificially, demand for oil is being forecast at higher levels this year than last. The International Energy Agency expects oil demand to hit a record this year and exceed supply in late 2023. And the industry is preparing to respond. According to the report that global upstream investments will continue their rebound that began last year, hitting some \$470 billion this year. However, about half of that increase would be the result of higher costs rather than greater ambitions in production growth.

OPEC's growing influence

A few years ago analysts argued that because of the advent of U.S. shale, OPEC is losing relevance, fast. Then came OPEC+, Saudi Arabia teamed up with Russia, and the larger organization came to account for an even higher portion of global oil supply than OPEC on its own used to.

As the latest move by the extended cartel shows, that organization is perfectly ready and willing to pull the market's strings to its advantage. It has no obstacles to doing that because OPEC+ is made up of state-owned companies. There is no investor activist pressure on these companies. Notably, there is no government pressure because all the OPEC+ governments are too aware of the benefits of oil revenues to just drop them in the name of a higher goal in the form of the energy transition.

Fuelling a greener future

There is an increasing transformation of energy systems away from fossil fuels to renewable and clean energy. The world is likely to continue its transition towards cleaner and more sustainable energy sources. Governments and industries may focus on reducing carbon emissions and investing in renewable

The reason is called supply and the explanation for the bullish price forecasts is that supply of crude oil is tightening on a global level. OPEC+'s recent decision to reduce production by another 1.16 million barrels daily amid a price slump driven by factors outside of the industry is one example of where supply is headed but it's not the only one.

energy technologies. This transition could impact the demand for traditional oil and gas products.

Outlook

Amidst the turbulence of demand-supply imbalances, the oil and gas sector has borne the brunt of the war crisis and ensuing energy politics, leading to sharp price distortions that caught markets off guard. Looking ahead, oil and gas prices are anticipated to experience upward pressure due to Europe's impending stricter energy import restrictions from Russia and the expected resurgence in demand as the pandemic recedes.

While the oil and gas industry has dealt with supply disruptions and price fluctuations before, the current situation presents a unique challenge. An intricate interplay of economic, geopolitical, trade, policy, and financial factors has exacerbated underinvestment issues and triggered a profound readjustment in the broader energy market. This has led to a "trilemma" of concerns encompassing energy security, supply diversification, and low-carbon transition.

Given these concerns, the industry foresees oil demand to grow in the next decade, but at a much slower pace compared to the previous one. Moreover, uncertainties loom large due to the evolving energy transition and supply tactics of OPEC+ and other major producers. All of these factors are set to maintain oil and gas markets on a volatile trajectory while simultaneously shaping a new world order concerning market dominance in the long run.

Overview of the India oil and gas industry

The Indian oil and gas industry, as one of the eight core sectors, wields significant influence over the decision-making processes of other vital segments of the economy. Presently, India stands as the world's third-largest consumer of energy and oil, trailing only China and the United States. Additionally, it ranks as the fourth-largest importer of liquefied natural gas (LNG). The growth

of India's economy is intrinsically linked to its energy demands, thus creating a favorable environment for investment within the sector. Notably, India has successfully maintained its position as the third-largest global oil consumer throughout 2022.

In the FY23, the Indian oil and gas industry displayed a nuanced performance. A gleaming achievement emerged as crude oil production soared by 2.5%, surging to an impressive 36.7 million tonnes. This remarkable growth was fuelled by the successful expansion of production, particularly from novel oil fields like the Mangala field in Rajasthan.

Conversely, there were challenges to navigate. Refining throughput experienced a slight decline of 0.6%, settling at 230.4 million tonnes. This dip was primarily influenced by a confluence of factors, most notably the lingering repercussions of the COVID-19 pandemic and the ongoing Russo-Ukrainian war. Nevertheless, the industry's resilience in the face of these adversities showcases its unwavering determination to thrive amid tumultuous circumstances.

In the financial year 2022-23, India's appetite for petroleum products soared to unprecedented heights, underscoring a robust demand for transportation fuels and other refined commodities. The consumption of major fuels, including diesel, petrol, and liquefied petroleum gas (LPG), surpassed all previous records, signifying a remarkable growth in the demand for crude oil. Additionally, this consumption pattern acts as a reliable indicator to track the nation's industrial activity and domestic consumption trends.

With a total consumption of 222.30 million tonnes of petroleum products in 2022-23, India witnessed a staggering 10.2% year-on-year increase, setting a new milestone compared to the previous record of 214.13 million tonnes in 2019-20. The pandemic-induced slump in demand during 2020-21 was followed by a modest recovery in 2021-22. However, in the fiscal year 2022-23, demand surged past pre-COVID levels, as the various sectors of the economy made a triumphant comeback from the pandemic's impact.

In the FY23, the Indian oil and gas industry displayed a nuanced performance. A gleaming achievement emerged as crude oil production soared by 2.5%, surging to an impressive 36.7 million tonnes.

Moreover, as of March 2023, the Indian oil & gas industry encompasses 26 sedimentary basins, covering a vast area of 3.4 million square kilometres. This extensive region spans from the land to shallow waters up to 400-meter depth and even further to the Exclusive Economic Zone (EEZ) in deepwater. Regarding refining capacity, India boasts an impressive refining capacity of approximately 251 million metric tonnes per annum (MMTPA) as of October 2022, boasting 23 state-of-the-art refineries.

India's natural gas infrastructure

- A total of 22,335 km of the natural gas pipeline is operational and about 12,995 km of the gas pipeline is under construction as of December 2022.
- Target to increase the pipeline coverage by ~54% to 34,500 km by 2024-25 and to connect all the states with the trunk natural gas pipeline network by 2027.
- As on 31.01.2023, 10.5 million domestic PNG connections and 5,118 CNG stations have been established.
- As per the Minimum Work Programme, the authorized CGD entities authorized have to provide 123.3 million PNG connections and establish 17,700 CNG stations by 2030.
- Liquefied Natural Gas (LNG) supply is forging ahead on both coasts with 06 operational LNG terminals. The total capacity of LNG terminals stands at 42.7 MMTPA.

Growth drivers for the Indian oil & gas industry

India's growing energy demand

Expected to grow at about 3% per annum by 2040, compared to the global rate of 1%. Further, 25% of the global energy growth between 2020 and 2040 is envisaged to come from India due to the fast-growing economy and demographic dividend.

Unified tariff for natural gas pipelines and review of domestic gas pricing

Unified tariff aims to benefit the consumers located in the areas where currently the additive tariff is applicable, facilitating the development of gas markets. Domestic Natural Gas Price shall be 10% of the Indian Crude Basket Price. Further, for the gas produced from nomination fields, the price shall be subject to a floor (\$4/MMBTU) and a ceiling (\$6.5/MMBTU).

Favorable policies

National Data Repository (NDR), Discovered Small Field Policy (DSF), Marketing and Pricing freedom for natural gas, National Seismic Programme (NSP) of unapprised areas Planned 2D Seismic Survey for 48K LKM.

Government incentives

Early production royalty concession of 10%, 20% and 30% for Category I, II and III basins respectively

Setting up LNG stations

Any entity can set up LNG stations in any Geographical Area in India even if they do not have a City Gas Distribution license

Outlook

India's remarkable journey in the development of its energy sector stands as a testament to its progress in achieving high economic growth and elevating living standards. The oil and gas

industry, playing a pivotal role in meeting the escalating demands of transportation and industrialization, has undergone a series of transformative reforms. These reforms have not only bolstered the sector's position and heightened its efficiency but have also fostered competitiveness, reduced emissions, and expanded fuel accessibility nationwide.

As India's income rises and its infrastructure continues to expand, the energy sector is poised to experience significant growth, becoming a key player in driving the nation's prosperity and progress. In summary, India's ever-increasing consumption of petroleum products highlights the nation's dynamic economic growth, while the projections for the future signal a promising outlook for the country's energy sector. The vast expanse and advanced capabilities of the Indian oil & gas industry underscore its strategic importance on both regional and global levels.

Company overview

UDTL, a distinguished manufacturer of top-notch drilling tools and products, stands as the unrivalled leader in India's oil and gas exploration sector, offering a comprehensive range of oil drilling, production, and exploration solutions. Commencing its journey in 1985, United Drilling Tools Ltd. (hereafter referred to as UDTL) now commands the lion's share in the Indian market for drilling tools and products. The company's eminence is founded upon its robust manufacturing and research infrastructure, cutting-edge equipment, rigorous quality control, and a highly skilled team.

Presently, UDTL boasts a diverse portfolio of drilling tools across four pivotal product lines, such as wireline and well service equipment, gas lift equipment, downhole tools, and large OD casing connectors. These innovative offerings have been thoroughly tested and proven in the field, adhering to international standards such as ISO 9001 and American Petroleum Institute (API) certifications (License No. 5CT-0565, 5L-0424, 7-1-0393, 19G1-0008, 19G2-0010).

Along with catering to the needs of India's oil and gas industry, UDTL has also made commendable strides in international markets. The Company established long-term partnerships with esteemed government and private entities in India, such as Oil and Natural Gas Corporation Limited and Oil India Limited, among others. Moreover, the company collaborates with renowned global brands, forging strong relationships to expand its presence on the international stage.

The success of UDTL's endeavours is reflected in its diversified revenue streams, generated through collaborations with government organizations, private sector companies, and exports within the oil and gas sectors. UDTL's commitment to excellence and unwavering dedication positions it as a true pioneer in the Indian oil and gas drilling industry, consistently driving the exploration and production domains to new heights.

Our core strengths

Research: With a focus on research & development, we plan to regularly introduce new high-quality and precision-engineered products used in the upstream oil & gas industry.

Market leadership: The Company is a market leader in the Indian oil drilling tools and equipments manufacturing. We intend to sustain this leadership and grow our presence in the international markets.

Product portfolio: The product portfolio comprises niche products assuring integration and synergy in operating facilities.

Strong collaborations: The Company has well-founded technical partnerships with renowned global players.

Synergies: The Company lays great emphasis on synergies, which has augmented its quest for global leadership and helps to keep its competitive advantage.

Our operational excellence

We have an integrated operations with processes ranging from research to designing to manufacturing of high-precision and niche drilling tools and equipment. This allows us the flexibility to focus on manufacturing products that enjoy encouraging demand and offer better price. We leveraged this advantage to run our manufacturing units at optimum capacity utilisation to cater to the rising demand.

We undertake initiatives like improving process efficiencies and dedicated research and development on an ongoing basis to drive operational excellence. Our ability to regularly introduce new products within the existing manufacturing facilities validates the operational excellence achieved by UDTL. Further, we are focused on enhanced usage of data and analytics to take real-time and focused decisions.

SWOT Analysis:

S- Strengths

- a) Analysis suggests that over the next few years, the company can expect better growth than the industry as a whole.
- b) In India, since the labour and overhead costs are 1/5th of what are in USA and Europe, where most of these equipment's are Manufactured at present, the Indian companies manufacturing such equipment's have a great advantage over them.
- c) Relative to others in the Industry, the Company's products have a very high proprietary content which greatly strengthens the Company's competitive position.
- d) At the present time, the Company's products are believed to be of excellent quality, and are highly differentiated in the market.

- e) The market itself is strong and is growing rapidly and price competition is negligible.
- f) For new Competitors, entry into this type of business would be considered very difficult and expensive, which secures the Company's competitive position and increases its value.
- g) Customers buy from the Company because its products are import substitute, high-quality and reasonably priced.
- h) Since, Technology is well tested and approved in the Domestic and International Market, there is no risk of products failure.
- i) Long-standing client relationship.
- j) The company being a registered MSME, has got price preference by the Indian public sector companies in buying the equipment's over other large and international producers.

W- Weakness

- a) Our Company is among the smaller firms in its market, the company's competitive position is slightly weakened.
- b) The Company is relatively small in the SME segment and has not had enough funds and time to grow.
- c) The company's sales are presently concentrated among small number of NOC's, Customers.
- d) Limited exposure in the international market.
- e) Moderate scale of operations and tender-based nature of business

O- Opportunities

- a) There will be a continuous increase in demand for Oil and Natural Gas and the need for Drilling more Wells will also be increasing on a continuous basis.
- b) The price of Oil in the international market has increased. This has also increased the Demand for the equipment.
- c) There is no major business risk in the market for these products because the demand is growing regularly and the competition is limited to 3-4 players, in the World, who are significant players.
- d) Since the customers are more and more becoming cost-conscious and the image of Indian products is increasing in the World as quality products, acceptance of Indian products in this field is increasing.
- e) Besides the international market, there is substantial domestic market also which will always be there for the next 50 years, till the Demand for Oil is there.

- f) The quest for Oil is increasing 10% annually due to rise in demand for cars, power plants, infrastructure, etc. Therefore, the demand for Oil will also keep on increasing and the requirement for these products will also be increasing by 15-20% per year.

T-Threats

- a) In India, only 20% of the Domestic Oil Consumption is produced locally. The balance oil is imported by our Country by spending 40% of the total foreign exchange earned every year.
- b) Rising focus on green and clean energy
- c) Rising popularity of EV
- d) Economic downturn leading to a proportionate and direct impact on the business

Financial review

SECTION C: PRINCIPLE WISE PERFORMANCE DISCLOSURE

This section is aimed at helping entities demonstrate their performance in integrating the Principles and Core Elements with key processes and decisions. The information sought is categorized as “Essential” and “Leadership”. While the essential indicators are expected to be disclosed by every entity that is mandated to file this report, the leadership indicators may be voluntarily disclosed by entities which aspire to progress to a higher level in their quest to be socially, environmentally and ethically responsible.

PRINCIPLE 1

Businesses should conduct and govern themselves with integrity, and in a manner that is Ethical, Transparent and Accountable.

Essential Indicators

1. Percentage coverage by training and awareness programmes on any of the principles during the financial year:

UNITED DRILLING TOOLS LIMITED is unwavering in its commitment to conduct business in a manner that upholds the highest echelons of morality and professionalism. The organization has formulated a comprehensive “Code of Conduct” (CoC) that encompasses the entire spectrum of our operations. Rooted in the fundamental tenets of ethics, accountability, and transparency, this code serves as our guiding compass.

The CoC delves into an array of crucial subjects, ranging from bribery and corruption to unwavering adherence to our company’s bedrock principles of corporate behaviour. It stands as a safeguard to ensure that our actions align with regulatory obligations, fostering an environment of ethical excellence.

Across the global landscape, it is incumbent upon all members of our workforce to fully embrace and adhere to the code of conduct (CoC). This initiation occurs as an integral part of the induction process, ensuring a holistic understanding of our ethical framework. Our organization leaves no stone unturned to guarantee that every employee undergoes regular training sessions covering various facets, including safety protocols, codes of conduct, and matters related to human rights, such as Prevention of Sexual Harassment (POSH).

These comprehensive training sessions extend to every facet of our workforce, from the board of directors to key managerial personnel, and cascade down to every employee and worker. The focus is on Codes of Conduct, as well as aspects linked to human rights (such as POSH) and safety, thereby fostering a culture of continuous learning and responsible corporate behaviour.

PRINCIPLE 2:

Businesses should provide goods and services in a manner that is sustainable and safe

Essential Indicators

1. Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively.

The relentless pursuit of technological progress and the spark of innovation are the cornerstones upon which our enduring success is built. Our Research and Development (R&D) division stands as the propelling force driving the Company's mission to set new industry standards. Simultaneously, we hold steadfast in our commitment to embrace a diverse array of technological breakthroughs. The heart of our R&D initiatives beats to the rhythm of creating pioneering products and transformative modifications that amplify customer contentment, elevate the bar of quality, ensure unwavering safety, and fortify dependability. This virtuous cycle results in a decreased overall cost of ownership, all while strictly adhering to the rigors of stringent emissions regulations.

A fraction of our overall R&D and capital expenditure (capex) investments are diligently channelled into specific technologies with the aim of enhancing both environmental and societal impacts tied to our products and processes. This targeted allocation stands in proportion to the entirety of our R&D and capex endeavours, each bearing testament to our commitment.

Within the annual report, the allocation of both capital and revenue expenditures for Research and Development undertakings has been meticulously categorized under the respective headings. However, due to the intricate interplay of these expenditures, the task of segregating them into discreet categories remains a practical challenge.

	FY 2022-23	FY 2021-22
R&D	100%	100%
Capex	2.96	2.18

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

3. We conducted our audit of the standalone Financial Statements in accordance with the Standards on Auditing (SAs) as specified under section 143(10) of the Act.

Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the standalone Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Financial Statements.

EMPHASIS OF MATTER

4. We draw attention to Note no. 32 D (18) of the accompanying the standalone Financial Statements, which describes the management's evaluation of impact of uncertainties related to COVID-19 and its consequential effects on the operations of the Company. Our opinion is not modified in respect of this matter.

KEY AUDIT MATTERS

5. Key audit matters (KAM) are those matters that, in our professional judgment, were of most significance in our audit of the standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matters	How our audit addressed the key audit matter
Capitalization of self-generated technology and patents - Refer Note 32D(27) of the standalone Financial Statements	
<ul style="list-style-type: none"> • The company is a manufacturer of high tech products and therefore carry out Research & Development activities of various products, this include continuous improvements of existing and new products, which further get registered as patents in favour of the company. Such development takes years to develop and get registered as a patent for design and technology. • These patents carry a lot of future values, but company capitalised the expenses incurred on development of the products, which remains in R&D expenses under development, till completion and transferred the cost to intangible assets, once product is final and patent is filed for technology and design. • The company has analyzed this and concluded on the principles for deciding the time of capitalisation, value to be capitalised and Amortisation of such intangible assets. 	<p>Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows:</p> <ol style="list-style-type: none"> a. Evaluated the design of internal controls relating to research and development expenses capitalised and transferred to capital assets as intangibles from R&D under development. b. Selected a sample of patent filed and tested the operating effectiveness of the internal control. c. Carried out a combination of procedures involving enquiry and observation, performance and inspection of evidence in respect of operation of these controls. d. Read, analyzed and identified the process of patents filed. e. Considered the details of patents filed and cost incurred with life of such patents. f. Analytical procedures for reasonableness of expenses disclosed of R&D with type of product and cost involved.

OTHER INFORMATION

6. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the standalone Financial Statements and our auditor's report thereon.

AUDITOR'S REPORT

7. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
8. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE STANDALONE FINANCIAL STATEMENTS

9. The Company's Board of Director is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive

income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

10. In preparing the standalone Financial Statements, management and board of directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
11. The Board of Directors are responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

12. Our objectives are to obtain reasonable assurance about whether the standalone Financial Statements as a whole are free from material misstatement, whether due to fraud

or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards of Auditing (SA's) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Financial Statements.

13. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit

evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone Financial Statements, including the disclosures, and whether the standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Materiality is the magnitude of misstatements in the standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone Financial Statements.
14. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 16. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Financial Statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

17. With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act, as amended:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act.

18. As required by the Companies (Auditor's Report) Order, 2020 ("CARO 2020"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.

19. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

20. As required by Section 143(3) of the Act, based on our audit we report that:

- a We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c The standalone Balance Sheet, the Statement of standalone Profit and Loss including Other Comprehensive Income, standalone Statement of Changes in Equity and the standalone Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- d In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- e On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.

- f With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i The Company has disclosed the impact of pending litigations on its financial position in its standalone Financial Statements :

Refer Note No. 32(D)2(v) of Standalone Financial Statements;

- ii The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.

- iii There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

- iv (a) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested either from borrowed funds or share premium or any other sources or kind of funds by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), except loans to wholly owned subsidiary company with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (Refer Note 32 (D) 10 to the standalone Financial Statements);

- (b) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been received by the Company from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (Refer Note 32(D)28 to the standalone financial statements); and
- (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
21. The dividend declared and paid during the year by the Company is in compliance with Section 123 of the Act.
22. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 (as amended), which provides for books of account to have the feature of audit trail, edit log and related matters in the accounting software used by the Company, is applicable to the Company only with effect from financial year beginning April 1, 2023, the reporting under clause (g) of Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), is currently not applicable.
23. The Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

Annexure A to Independent Auditor's Report

Referred to in paragraph 18 of the Independent Auditors' Report of even date to the members of United Drilling Tools Limited on the standalone financial statements as of and for the year ended March 31, 2023

- (i) (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.
- (B) The Company is maintaining proper records showing full particulars of Intangible Assets.
- (b) The Property, Plant and Equipment are physically verified by the Management according to a phased program designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, a portion of the Property, Plant and Equipment has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.
- (c) The title deeds of all the immovable properties, as disclosed in Note 1 to the standalone Financial Statements, are held in the name of the Company.
- (d) The Company has not revalued its Property, Plant and Equipment or intangible assets or both during the year. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Registered Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment or intangible assets does not arise.

- (e) Based on the information and explanations furnished to us, no proceedings have been initiated on (or) are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder.
- (ii) (a) The physical verification of inventory has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedure of such verification by Management is appropriate. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory.
- (b) During the year, the Company has been sanctioned working capital limits in excess of ₹ 5 crores, in aggregate, from banks on the basis of security of current assets. The Company has filed quarterly returns or statements with such banks, which are in agreement with the audited books of account. (Also refer Note 32(D)31(iii) to the standalone Financial Statements).
- (iii) (a) The Company has made investments in one company (100% subsidiary) during the previous year, granted unsecured loans and advances in nature of loans to this company and (salary advances) to 3 other parties. The aggregate amount during the year, and balance outstanding at the balance sheet date with respect to such loans or advances and guarantees or security to subsidiary, joint ventures and associates and to parties other than subsidiaries, joint ventures and associates are as per the table given below:

₹ in Lacs

	Guarantees Security Loans Advances in nature of loans Aggregate amount granted/ provided during the year	Balance outstanding at a balance sheet date in respect of the above case
Subsidiaries	1,250.00	1,150.00
Joint Ventures	-	-
Associates	-	-
Others	2.62	1.24

(Also refer Note No. 3 to the standalone Financial Statements)

- (b) In respect of the aforesaid investments/loans/advances in nature of the loan, the terms and conditions under which such loans were granted/investments were made are not prejudicial to the Company's interest.
- (c) In respect of the aforesaid loans/advances in nature of loans, the schedule of repayment of principal and payment of interest has been stipulated, and the parties are repaying the principal amounts, as stipulated, and are also regular in payment of interest as applicable.
- (d) In respect of the aforesaid loans/advances in nature of loans, there is no amount which is overdue for more than ninety days.
- (e) There were no loans/advances in nature of loans which fell due during the year and were renewed/extended. Further, no fresh loans were granted to same parties to settle the existing overdue loans/advances in nature of loan.
- (f) The loans/advances in nature of loans (in the nature of salary advances) granted during the year, including to related parties had stipulated the scheduled repayment of principal and where applicable payment of interest.
- iv. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of the loans and investments made. The Company has not provided any guarantees and security to the parties covered under Sections 185 and 186 of the Companies Act, 2013.
- v. During the year, the Company has not accepted any deposits or amounts which are deemed to be deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of Sections 73, 74, 75 and 76 or any

- other relevant provisions of the Act and the Rules framed thereunder to the extent notified, with regard to the deposits accepted from the public in earlier years and transferred to Investor Education and Protection Fund during the year. According to the information and explanations given to us, no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal on the Company in respect of the aforesaid deposits, the question of our commenting on whether the same has been complied with or not does not arise.
- vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products. We have broadly reviewed the same and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues, including goods and services tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess, entry tax and other material statutory dues, as applicable, with the appropriate authorities.
- (b) According to the information and explanations given to us and the records of the Company examined by us, there are no statutory dues of goods and services tax, provident fund, employees' state insurance, income tax, cess, which have not been deposited on account of any dispute.
- viii. According to the information and explanations given to us and the records of the Company examined by us, there are no transactions in the books of account that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961, that has not been previously recorded in the books of account.
- ix. (a) According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the year.
- (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared Willful Defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion, and according to the information and explanations given to us, the term loans have been applied for the purposes for which they were obtained. (Also refer Note 32(D)38 to the standalone Financial Statements)
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the standalone Financial Statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) According to the information and explanations given to us and on an overall examination of the standalone Financial Statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries.
- x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment of equity shares during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.

- (b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under clause 3(xi)(b) of the Order is not applicable to the Company.
- (c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, the reporting under clause 3(xi)(c) of the Order is not applicable to the Company.
- xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under clause 3(xii) of the Order is not applicable to the Company.
- xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the standalone Financial Statements as required under Indian Accounting Standard 24 "Related Party Disclosures specified under Section 133 of the Act.

Annexure B to Independent Auditor's Report

Referred to in paragraph 19 of the Independent Auditors' Report of even date to the members of United Drilling Tools Limited on the standalone financial statements as of and for the year ended March 31, 2023. Report on the Internal Financial Controls with reference to the standalone Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls with reference to the standalone Financial Statements of United Drilling Tools Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and

errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITOR'S RESPONSIBILITY

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to the standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the standalone Financial Statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to the standalone Financial Statements included obtaining an understanding of internal financial controls with reference to the standalone Financial Statements, assessing the risk that a

material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone Financial Statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to the standalone Financial Statements.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE STANDALONE FINANCIAL STATEMENTS

6. A company's internal financial controls with reference to the standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of the standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to the standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of the standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone Financial Statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE STANDALONE FINANCIAL STATEMENTS

7. Because of the inherent limitations of internal financial controls with reference to the standalone Financial Statements, including the possibility of collusion or

improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the standalone Financial Statements to future periods are subject to the risk that the internal financial controls with reference to the standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to the standalone Financial Statements and such internal financial controls with reference to the standalone Financial Statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

SIGNIFICANT ACCOUNTING POLICIES AND OTHER DISCLOSURES ON FINANCIAL STATEMENTS

These are hereunder given summary of significant accounting policies and other disclosures on the consolidated financial statements.

A. CORPORATE INFORMATION

United Drilling Tools Ltd. ("UDTL" or "the company") is a listed entity incorporated in India. The company is a leading manufacturer of Oil Drilling related Equipment's in the country. The company has obtained Global quality standards for its major products. The address of its registered Office and principal place of businesses are disclosed in the introduction to the annual report.

B. SIGNIFICANT ACCOUNTING POLICIES

This note provides a list of the significant accounting policies adopted in the preparation of these standalone financial statements.

B.1 Basis of preparation and presentation

- (i) These standalone financial statements have been prepared under the historical cost convention and on an accrual basis except in case of assets for which provision for impairment is made and revaluation is carried out. The accounting policies have been consistently applied. The financial statements are presented in Indian rupees rounded off to the nearest rupees.

(ii) Compliance with Ind AS

The standalone financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of

Notes to the Standalone Financial Statements

For the year ended March 31, 2023

the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

Recent accounting pronouncements New and amended standards adopted by the Company

The Ministry of Corporate Affairs had vide notification dated 23 March 2022 notified Companies (Indian Accounting Standards) Amendment Rules, 2022 which amended certain accounting standards, and are effective 1 April 2022. These amendments did not have any impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

New and amended standards issued but not effective

The Ministry of Corporate Affairs has vide notification dated 31 March 2023 notified Companies (Indian Accounting Standards) Amendment Rules, 2023 (the 'Rules') which amends certain accounting standards, and are effective 1 April 2023. The Rules predominantly amend Ind AS 12, Income taxes, and Ind AS 1, Presentation of financial statements. The other amendments to Ind AS notified by these rules are primarily in the nature of clarifications. These amendments are not expected to have a material impact on the company in the current or future reporting periods and on foreseeable future transactions. Specifically, no changes would be necessary as a consequence of amendments made to Ind AS 12 as the company's accounting policy already complies with the now mandatory treatment.

B.2 Basis of Measurement

The standalone financial statements have been prepared on accrual basis and under the historical cost convention except following which have been measured at fair value: • certain financial assets and liabilities, • defined benefit plans – plan assets measured at fair value.

The standalone financial statements are presented in Indian Rupees (₹), which is the Company's functional and presentation currency and all amounts are

rounded to the nearest lakhs (₹ 00,000) and two decimals thereof, except as stated otherwise

B.3 Use of Estimates

The preparation of the financial statements requires management to make estimates and assumptions. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision and future periods if the revision affects both current and future years. (refer Note 32 C on critical accounting estimates, assumptions and judgements)

B.4 Summary of Significant Accounting Policies:

(a) Property, Plant and Equipment

Property, Plant and Equipment are stated at cost or as revalued, less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of fixed assets, if material, are also included in cost to the extent they relate to the period till such assets are ready to be put to use.

Depreciation on Property, Plant and Equipment is provided on useful life of the assets on Written down Value method as specified in Schedule II to the Companies Act, 2013.

Impairment of Assets

A Property, Plant and Equipment is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the profit & loss account in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount. After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

Notes to the Standalone Financial Statements

For the year ended March 31, 2023

(b) Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization/depletion and impairment loss, if any. The cost comprises purchase/acquisition price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use and net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

Technology Asset acquired on amalgamation is amortized over useful life of the underlying Asset.

Computer Software is amortized over a period of life as specified in schedule II of the companies act and on Written down Value method as specified in Schedule II to the Companies Act, 2013.

(c) Revenue Recognition

Current investments are carried at lower of cost and fair value. Long -term investments are stated at cost. Provision for diminution in the value of investments is made, if it is other than temporary.

Notes to the Standalone Financial Statements

For the year ended March 31, 2023

(k) Finance Cost

Borrowing costs that are attributable to the acquisition or construction of a qualifying asset are capitalized as part of the cost of such asset. A qualifying asset is one that necessarily takes a substantial period of time to get ready for intended use. All other borrowing costs are recognized as an expense in the period in which they are incurred.

(l) Tax Expenses

The Tax expense for the period comprise Current and Deferred Tax. Tax is recognized in Statement of Profit and Loss except to the extent that it related to the items recognized in the comprehensive income or in equity. In which case, the tax is also recognized in other comprehensive income or equity.

(i) Current Tax

Provision for Current Tax is made after considering benefits, exemptions and deductions available under the Income Tax Act, 1961.

(ii) Deferred tax

Deferred Tax is recognized subject to consideration of prudence, on timing differences, representing the difference between the taxable income/(loss) and accounting income/(loss) that originated in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date.

The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

(m) Leases

Leases are classified as finance leases whenever the terms of the lease, transfers substantially all

the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Leased assets: Assets held under finance leases are initially recognized as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalized. Contingent rentals are recognised as expenses in the periods in which they are incurred.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where another systematic basis is more representative of time pattern in which economic benefits from the leased assets are consumed.

(n) Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. These estimates are reviewed at each reporting date.

Notes to the Standalone Financial Statements

For the year ended March 31, 2023

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are not recognized but are disclosed in notes.

Contingent assets are neither recognised nor disclosed in the financial statements.

(o) Segment Reporting

The accounting policies adopted by the company for segment reporting are in line with the Ind AS 108 .

Business Segment: The Company's operating business is engineering goods only and accordingly there is only one business segment.

Currency Segment: The analysis of currency segment is based on the basis of currency. The currency segments considered for disclosure are as follows:

(a) Sales in Indian Currency

(b) Sales in foreign currency

Segment Assets denotes for assets in Local Currency and in foreign currency.

(p) Earning Per Share

Basic earning per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted Earning per Share, the net profit or loss for the period attributable to Equity Shareholders and the weighted average number of Shares outstanding during the period are adjusted for the effects of all dilutive potential Equity Shares.

(q) Financial Instruments

(i) Financial Assets

A. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

B. Subsequent measurement

(i) Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Notes to the Standalone Financial Statements

For the year ended March 31, 2023

- (iii) **Financial assets at fair value through profit or loss (FVTPL)**
- A financial asset which is not classified in any of the above categories are measured at FVTPL.
- C. Investment in subsidiaries, Associates and Joint Ventures**
- The Company has accounted for its investments in subsidiaries, associates and joint venture at cost, if any
- D. Other Equity Investments**
- All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.
- E. Impairment of financial assets**
- In accordance with Ind AS 109, the Company evaluate impairment of financial assets at fair value through profit and loss (FVTPL).
- (ii) **Financial liabilities**
- A. Initial recognition and measurement**
- All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.
- B. Subsequent measurement**
- Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payable maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.
- (iii) **Derivative and Financial Instrument and Hedge Accounting**
- The Company uses derivative financial instruments such as currency swaps and forwards contracts to mitigate the risk of changes in exchange rates. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are also subsequently measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.
- Any gains or losses arising from changes in the fair value of derivatives are taken directly to Statement of Profit and Loss, except for the effective portion of cash flow hedges which is recognised in Other Comprehensive Income and later to Statement of Profit and Loss when the hedged item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial assets or non-financial liability.
- Hedges that meet the criteria for hedge accounting are accounted for as follows:**
- a) Cash flow hedge**
- The Company designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of movement in foreign exchange rates for foreign exchange exposure on highly probable future cash flows attributable to a recognised asset or liability or forecast cash transactions. When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in the fair value of the derivative is recognized in the cash flow hedging reserve being part of other comprehensive income. Any ineffective

Notes to the Standalone Financial Statements

For the year ended March 31, 2023

portion of changes in the fair value of the derivative is recognized immediately in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, then hedge accounting is discontinued prospectively. If the hedging instrument expires or is sold, terminated or exercised, the cumulative gain or loss on the hedging instrument recognized in cash flow hedging reserve till the period the hedge was effective remains in cash flow hedging reserve until the underlying transaction occurs. The cumulative gain or loss previously recognized in the cash flow hedging reserve is transferred to the Statement of Profit and Loss upon the occurrence of the underlying transaction. If the forecasted transaction is no longer expected to occur, then the amount accumulated in cash flow hedging reserve is reclassified in the Statement of Profit and Loss.

b) Fair Value Hedge

The Company designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of change in fair value of hedged item due to movement in foreign exchange rates.

Changes in the fair value of hedging instruments and hedged items that are designated and qualify as fair value hedges are recorded in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, the adjustment to the carrying amount of a hedged item for which the effective interest method is used and is amortised to Statement of Profit and Loss over the period of maturity.

(r) Government Grants:

Government grants with a condition to purchase, construct or otherwise acquire long-term assets are initially measured based on grant receivable under the scheme. Such grants are

recognised in the Statement of Profit and Loss on a systematic basis over the useful life of the asset. Amount of benefits receivable in excess of grant income accrued based on usage of the assets is accounted as Government grant received in advance. Changes in estimates are recognised prospectively over the remaining life of the assets. The company has option to present the government grant related to fixed assets by deducting the grant from the carrying value of the asset and to present the non-monetary grant at a nominal amount. The company has not availed this option in current financial year. Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the company will comply with all attached condition.

(s) Current versus non-current classification

The Company presents assets and liabilities in balance sheet based on current/non-current classification.

The Company has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by MCA.

(i) An asset is classified

as current when it is:

- a) Expected to be realised or intended to be sold or consumed in normal operating cycle,
- b) Held primarily for the purpose of trading,
- c) Expected to be realised within twelve months after the reporting period, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

Notes to the Standalone Financial Statements

For the year ended March 31, 2023

(ii) **A liability is classified**

as current when it is:

- a) Expected to be settled in normal operating cycle.
- b) Held primarily for the purpose of trading,
- c) Due to be settled within twelve months after the reporting period, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current. The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents

C. CRITICAL ACCOUNTING ESTIMATES , ASSUMPTIONS , JUDGEMENT AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of company's financial statements in conformity with Ind AS require management to make judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Uncertainty about these assumptions and estimates could result in outcomes that require material adjustments to the carrying value of the assets or liabilities affected in future period. Difference between the actual results and estimates are recognized in the period in which the results are known/materialized. The management believes that the estimates used in the preparation of the financial statements are prudent and reasonable.

1. Depreciation / Amortisation and useful lives of Property, Plant and Equipment / Intangible Assets

Tangible Assets

Depreciation on Property, Plant and Equipment is provided on useful life of the assets which is taken as specified in Schedule II to the Companies Act, 2013

and depreciation is charged on Written Down Value method after taking into residual value of the assets in order to determine the amount of depreciation / amortization to be recorded during reporting period.

Intangible Assets

The intangible asset is amortized over a period of estimated useful life of asset, taking into account of anticipated technological changes. The depreciation / amortization for the future period is revised if there are significant changes from previous estimates.

2. Recoverability of trade receivable and advances

Judgements are required in assessing the recoverability of overdue trade receivables and advances and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

3. Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

4. Income taxes

Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The Company reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the standalone financial statements.

Notes to the Standalone Financial Statements

For the year ended March 31, 2023

5. Contingencies

Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/ claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

(iii) Balances of Debtors, Creditors and Loan and Advances are subject to confirmation.

(v) The company has pending litigation of Income tax, but as the demand raised by the authorities (even after finalization of appeals) is to be adjusted against MAT already paid, the company don't foresee the cash flow of the company being negatively affected.

D. OTHER NOTES ON FINANCIAL STATEMENTS

1. Contingent and disputed Liabilities not provided for :

- (i) Bank guarantees against our counter guarantees issued by banks ₹ 298.32 Lacs (Pr. Yr. ₹ 322.85 Lacs) .

The discount rate is based on prevailing market yields of Indian Government Bonds, as at the balance sheet date, consistent with the currency and estimated term of the post-employment benefit obligations.

Significant estimates and sensitivity Analysis

The sensitivity of the defined benefit obligation to changes in key assumptions is :

Particulars	Key assumptions		(Increase)/Decrease in Defined benefit obligation by					
			Increase in assumption by			Decrease in assumption by		
	31-Mar-23	31-Mar-22	Rate	31-Mar-23	31-Mar-22	Rate	31-Mar-23	31-Mar-22

Attrition rate	-	-	-	-	-	-	-	-

The above sensitivity analysis is based on a change in each assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions, the same method (present value of the defined benefit obligation calculated

Significant estimates and sensitivity Analysis

The sensitivity of the defined benefit obligation to changes in key assumptions is

₹ in lacs

Particulars	Key assumptions		(Increase)/Decrease in Defined benefit obligation by					
			Increase in assumption by			Decrease in assumption by		
	31-Mar-23	31-Mar-22	Rate	31-Mar-23	31-Mar-22	Rate	31-Mar-23	31-Mar-22

The above sensitivity analysis is based on a change in each assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions, the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

6. Foreign exchange risk and exposure

The Company transacts business primarily in USD, Euro and other currencies. The Company has foreign currency trade payables, receivables and advances, is therefore, exposed to foreign exchange risk. Certain transactions of the Company act as a natural hedge as a portion of both assets and liabilities are denominated in similar foreign currencies.

The Company doesn't use Forward Exchange Contracts to hedge its exposure in foreign currency. The foreign currency exposures are very less as compared to total working, therefore sensitivity analysis is not given. 14. Financial Risk Management

(i) Financial risk management objectives and policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Board.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments.

Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payable and loans and borrowings.

The Company manages market risk through top management executives, which evaluates and exercises control over the entire process of market risk management. The decisions which are approved by Senior Management. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures like foreign exchange forward contracts, borrowing strategies and ensuring compliance with market risk limits and policies.

(ii) Market Risk- Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk. The company uses normally Fixed

Deposit route to park the surplus funds. For borrowing which reduces to Nil some time, company uses Bank borrowings at the prevailing rate of the Bank, after bargain by the senior management.

(iii) Market Risk- Foreign currency risk.

The Company operates internationally and portion of the business is transacted in several currencies and consequently the Company is exposed to foreign exchange risk through its sales and services in overseas and purchases from overseas suppliers in various foreign currencies. Foreign currency exchange rate exposure is partly balanced by purchasing of goods, commodities and services in the respective currencies.

15. Capital risk management

(i) Risk Management

The Company aim to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimize returns to our shareholders. The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

16. Credit risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set and periodically reviewed on the basis of such information.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business.
- ii) Actual or expected significant changes in the operating results of the counter-party,
- iii) Financial or economic conditions that are expected to cause a significant change to the counter-party's ability to meet its obligations,
- iv) Significant increase in credit risk on other financial instruments of the same counter-party,
- v) Significant changes in the value of the collateral supporting the obligation or in the quality of the third-party guarantees or credit enhancements.

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as an income in the statement of profit and loss.

The Company measures the expected credit loss of trade receivables from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.

17. Trade Receivables and provision for expected credit losses (ECL)

The Company extends credit to customers as per the contractual obligation and internal credit policy. Any deviation are approved by appropriate authorities, after due consideration of the customers credentials and financial capacity, trade practices and prevailing business and economic conditions. The Company's historical experience of collecting receivables and the level of default indicate that credit risk is low and generally uniform across markets; consequently, trade receivables and contract assets are considered to be a single class of financial assets. All overdue customer balances are evaluated taking into account the age of the dues, specific credit circumstances, the track record of the customers etc. Loss allowances and impairment is recognised as per the Company policy. The ageing of trade receivables are as follows:

18. Estimation of uncertainties relating to the global health pandemic from COVID-19

The COVID-19 pandemic is an evolving human tragedy declared a global pandemic by the World Health Organization with adverse impact on economy and business. The spread of Covid 19 has affected the business marginally during the previous financial year 2021-22, however during the current Financial Year there is no direct impact on the company, but company feels the effect indirectly, in form of decreased demand of products.

The Company has taken various measures in consonance with Central and State Government advisories to contain the pandemic, which includes closing of manufacturing facilities and adopting work from home policy for employees, wherever possible, across locations.

Given the uncertainty of quick turnaround to normalcy, post lifting of the lock down, the Company has carried out a comprehensive assessment of possible impact on its business operations, financial assets, contractual obligations and its overall liquidity position, based on the internal and external sources of information and application of reasonable estimates, the Company does not foresee any significant incremental risk to the recover ability of its assets or in meeting its financial obligations over the foreseeable future, given early and required steps taken to contain, protect and mitigate the exposure.

Pursuant to the relaxed guidelines, the Company is carrying its manufacturing operations as allowed in strict compliance. Supply chain and product sale activities have resumed, most of the staff is coming and working in office according to local government instructions and also working from home as and when required.

Since the situation is continuously evolving, the impact assessed may be different from the estimates made as at the date of approval of these financial statements and Company will continue to monitor any material changes arising due to the impact of this pandemic on financial and operational performance of the Company and take necessary measures to address the situation.

19. Risk Management

(a) Credit risk arises from cash and cash equivalents:

Contractual cash flows of debt investments carried at amortised cost, deposited with banks, credit exposures from customers including outstanding receivables and other financial instruments. Trade receivables and contract assets. The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets. The Company has obtained advances and security deposits from its customers & distributors, which mitigate the credit risk to an extent.

(b) Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount

23. Fair value of financial assets and liabilities

Fair valuation techniques: The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant available data.

The fair values of the financial assets and liabilities represents the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

- 1) Fair value of cash, bank and deposits, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
- 2) Long-term fixed-rate and variable-rate loans/borrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors, credit risk and other risk characteristics. Fair

value of variable interest rate borrowings approximates their carrying values. For fixed interest rate borrowings, fair value is determined by using the discounted cash flow (DCF) method using discount rate that reflects the Company's borrowings rate. Risk of nonperformance for the company is considered to be insignificant in valuation.

- 3) The fair values of derivatives, if any, are estimated by using pricing models, where the inputs to those models are based on readily observable market parameters basis contractual terms, period to maturity, and market parameters such as interest rates, foreign exchange rates, and volatility. These models do not contain a high level of subjectivity as the valuation techniques used do not require significant judgement, and inputs thereto are readily observable from actively quoted market prices. Management evaluates the credit and non-performance risks associated with its derivative counterparties and believe them to be insignificant and not warranting a credit adjustment.

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

To
The Members of
United Drilling Tools Limited

REPORT ON THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

OPINION

1. We have audited the accompanying consolidated financial statements of United Drilling Tools Limited (hereinafter referred to as the "Holding Company") and its subsidiary P Mittal Manufacturing Private Limited (Holding Company and its subsidiary together referred to as "the Group"), which comprise the consolidated balance sheet as at March 31, 2023, and the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at March 31, 2023, of consolidated total comprehensive income (comprising of profit and other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year then ended.

BASIS FOR OPINION

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the

audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph 16 and 17 of the Other Matters section below is sufficient and appropriate to provide a basis for our opinion.

4. EMPHASIS OF MATTER

We draw attention to Note no. 32 D (18) of the accompanying the consolidated Financial Statements, which describes the management's evaluation of impact of uncertainties related to COVID-19 and its consequential effects on the operations of the Company. Our opinion is not modified in respect of this matter.

5. KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have reported key audit matters in our report of even date on the audit of standalone financial statements of the Holding Company with respect to capitalisation of Intangibles technology and patents and their useful life. We have determined that there are no other key audit matters to communicate in our report on the consolidated financial statements.

OTHER INFORMATION

6. The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed and the reports of the other auditor as furnished to us (Refer paragraph 16 below), we

conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE CONSOLIDATED FINANCIAL STATEMENTS

7. The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows, and changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.
8. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
9. The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

10. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
11. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude

that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of the Holding Company included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditor, such other auditor remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
12. We communicate with those charged with governance of the Holding Company included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's

report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

OTHER MATTERS

15. We did not audit the financial statements of subsidiary whose financial statements reflect total assets of ₹ 1459.25 Lacs as at March 31, 2023, total revenue of ₹ 464.06 lakhs, total comprehensive Income (comprising of Income and other comprehensive Income) of ₹ 9.82 lakhs and net cash flows amounting to ₹ 0.25 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditor whose reports have been furnished to us by the Management, and our opinion on the consolidated financial statements insofar as it relates to the amounts and disclosures included in respect of these subsidiary and our report in terms of sub-section (3) of Section 143 of the Act including report on other information in so far as it relates to the aforesaid subsidiary is based solely on the reports of the other auditor.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditor.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

16. As required by paragraph 3(xxi) of the Companies (Auditor's Report) Order, 2020 ("CARO 2020"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we report that there are no qualifications or adverse remarks included by the respective auditors in their CARO 2020 reports issued in respect of the standalone financial statements of the companies which are included in these Consolidated Financial Statements.
17. With respect to the adequacy of internal financial controls with reference to consolidated financial statements of the Group and the operating effectiveness of such controls, refer to our separate report in Annexure A.

18. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
- a We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditor.
 - c The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account and records maintained for the purpose of preparation of the consolidated financial statements.
 - d In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - e On the basis of the written representations received from the directors of the Holding Company as on March 31, 2023 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditor of its subsidiary Company incorporated in India, none of the directors of the Group companies, incorporated in India is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
 - f With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact, if any, of pending litigations on the consolidated financial position of the Group.
 - ii. The Group did not have any long-term contracts including derivative contracts as at March 31, 2023 for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiary Company, incorporated in India during the year.
- iv. (a) The respective Managements of the Holding Company and its subsidiary which is company incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditor of such subsidiary respectively that, to the best of their knowledge and belief, no funds which are material either individually or in the aggregate have been advanced or loaned or invested either from borrowed funds or share premium or any other sources or kind of funds by the Holding Company or any of such subsidiary to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or such subsidiary ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) The respective Managements of the Company and its subsidiary which is a company incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiary respectively that, to the best of their knowledge and belief, no funds which are material either individually or in the aggregate have been received by the Company or any of such subsidiary from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company or any of such subsidiary shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (c) Based on the audit procedures, that has been considered reasonable and appropriate in the circumstances, performed by us and those performed by the auditor of the subsidiary which is a Company incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditor's notice that has caused us or the other auditor to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material misstatement.
19. The dividend declared and paid during the year by the Holding Company is in compliance with Section 123 of the Act. No dividend has been declared/paid by the subsidiary during the year.
20. The Group has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
21. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 (as amended), which provides for books of account to have the feature of audit trail, edit log and related matters in the accounting software used by the Group, associate company and joint venture, is applicable to the Group, associate company and joint venture only with effect from financial year beginning April 1, 2023, the reporting under clause (g) of Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), is currently not applicable.

Date - 29th May, 2023

Annexure A to Independent Auditor's Report

Referred to in paragraph 17 of the Independent Auditor's Report of even date to the members of United Drilling Tools Limited on the consolidated financial statements for the year ended March 31, 2023

Report on the Internal Financial Controls with reference to Consolidated Financial Statements under clause (i) of sub-section 3 of Section 143 of the Act

- In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2023, we have audited the internal financial controls with reference to financial statements of United Drilling Tools Limited (hereinafter referred to as "the Holding Company") and its subsidiary Company which is a Company incorporated in India, as of that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

- The respective Board of Directors of the Holding Company and its subsidiary Company which is a Company incorporated in India, are responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the

Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITOR'S RESPONSIBILITY

- Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both

issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls system with reference to consolidated financial statements.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

6. A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

8. In our opinion, the Holding Company and its subsidiary Company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

OTHER MATTERS

9. Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements insofar as it relates to the subsidiary Company which is company incorporated in India, is based on the corresponding report of the auditor of such company incorporated in India. Our opinion is not modified in respect of this matter.

SIGNIFICANT ACCOUNTING POLICIES AND OTHER DISCLOSURES ON CONSOLIDATED FINANCIAL STATEMENTS

These are hereunder given summary of significant accounting policies and other disclosures on the consolidated financial statements.

A. CORPORATE INFORMATION

United Drilling Tools Ltd. ("UDTL" or "the parent" or "the company") is a listed entity incorporated in India. The Company has one wholly owned subsidiary namely P Mittal manufacturing Private Limited. The company and its subsidiary are manufacturer of Oil Drilling related Equipment's in the country. The company has obtained Global quality standards for its major products. The address of it's registered Office and principal place of business are disclosed in the introduction to the annual report.

Under Companies Act, 2013, Group is defined as parent, subsidiaries, joint ventures and associates. For the purpose of these financial statements, the aforesaid definition under Companies Act, 2013 has been considered.

Group is a leading manufacturer and supplier of Oil Drilling related equipment with manufacturing facilities in India. Its products have application in oil and gas exploration.

B. SIGNIFICANT ACCOUNTING POLICIES

This note provides a list of the significant accounting policies adopted in the preparation of these consolidated financial statements. The consolidated financial statements are for the group consisting of United Drilling Tools Limited (the "company") and its subsidiary P Mittal manufacturing Private Limited

Notes to the Consolidated Financial Statements

For the year ended March 31, 2023

B.1 Basis of preparation and presentation

(i) These consolidated financial statements have been prepared under the historical cost convention and on an accrual basis except in case of assets for which provision for impairment is made and revaluation is carried out. The accounting policies have been consistently applied by the Group. The financial statements are presented in Indian rupees rounded off to the nearest rupees.

(ii) Compliance with Ind AS

The consolidated financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

Recent accounting pronouncements New and amended standards adopted by the Group

The Ministry of Corporate Affairs had vide notification dated 23 March 2022 notified Companies (Indian Accounting Standards) Amendment Rules, 2022 which amended certain accounting standards, and are effective 1 April 2022. These amendments did not have any impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

New and amended standards issued but not effective

The Ministry of Corporate Affairs has vide notification dated 31 March 2023 notified Companies (Indian Accounting Standards) Amendment Rules, 2023 (the 'Rules') which amends certain accounting standards, and are effective 1 April 2023. The Rules predominantly amend Ind AS 12, Income taxes, and Ind AS 1, Presentation of financial statements. The other amendments to Ind AS notified by these rules are primarily in the nature of clarifications. These amendments are not expected to have a material impact on the group in the current or future reporting periods and on foreseeable future transactions. Specifically, no changes would be necessary as a consequence of amendments made to Ind AS 12 as the group's accounting policy already complies with the now mandatory treatment.

B.2 Basis of Measurement

The consolidated financial statements have been prepared on accrual basis and under the historical cost convention except following which have been measured at fair value: • certain financial assets and liabilities, • defined benefit plans – plan assets measured at fair value.

The consolidated financial statements are presented in Indian Rupees (₹), which is the Group's functional and presentation currency and all amounts are rounded to the nearest lakhs (₹ 00,000) and two decimals thereof, except as stated otherwise

B.3 Use of Estimates

The preparation of the financial statements requires management to make estimates and assumptions. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision and future periods if the revision affects both current and future years. (refer Note 32. C on critical accounting estimates, assumptions and judgements)

B.4 Principles of consolidation

Subsidiary is the entities over which the group has control. The group controls an entity when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date the control ceases. The group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the group.

Notes to the Consolidated Financial Statements

For the year ended March 31, 2023

B.5 Summary of Significant Accounting Policies :

(a) Property, Plant and Equipment

Property, Plant and Equipment are stated at cost or as revalued, less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of fixed assets, if material, are also included in cost to the extent they relate to the period till such assets are ready to be put to use.

Depreciation on Property, Plant and Equipment is provided on useful life of the assets on Written down Value method as specified in Schedule II to the Companies Act, 2013.

Impairment of Assets

A Property, Plant and Equipment is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the profit & loss account in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount. After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

(b) Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization/depletion and impairment loss, if any. The cost comprises purchase/acquisition price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use and net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

Technology Asset acquired on amalgamation is amortized over useful life of the underlying Asset.

(i) Sale of Goods

Revenue from sale of goods is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer and is stated net of trade discount, returns and Sales Tax / VAT/GST or other taxes collected on behalf of the government. Given the nature of business of the group, the group require to issue Tax Invoice when finished goods are ready for dispatch, but after issue of Tax Invoice to buyer, buyer need to submit Essential Certificate, (EC) to the group from DGH, which takes normally two weeks time before dispatch, till such time FG can't be dispatched, but the same is accounted for in sales as per Tax Invoice issued.

(ii) Sale of Services

Revenue from rendering services is recognized when the performance of agreed contractual task has been completed.

(iii) Other Operating Revenue

Interest from foreign exchange fluctuation, which is mostly related to sale and is recognised as other operating income, being related to direct operational income.

Incentives on exports and other Government Grants related to operations are recognised in books after due consideration of certainty of utilization/receipt of such incentives.

(iv) Interest - Revenue is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

(v) Export Benefits / Incentives - Export entitlement under Duty Entitlement Pass Book ('DEPB') Scheme are recognised in

Notes to the Consolidated Financial Statements

For the year ended March 31, 2023

the Profit & Loss Account when the right to receive credit as per terms of the scheme is established in respect of export made and where there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

(d) Expenditures

Rebate, claims & settlement on goods sold are accounted for as and when these are ascertained with reasonable accuracy.

(e) Inventories

- (i) Inventories of Finished Goods, Work in progress, Raw materials, Packing materials and Stores & Spares are stated at lower of cost and net realizable value.
- (ii) Cost of Raw Materials, Packing Materials, Stores and Spares, Trading and other products are determined on weighted average basis and are net of GST/Cenvat credit.
- (iii) Cost of Work in progress and Finished Goods is determined considering direct material cost and appropriate portion of manufacturing overheads based on normal operating capacity.
- (iv) Obsolete, slow moving and defective inventories are identified at the time of physical verification of inventories and where necessary, either written off or provision is made for such inventories.
- (v) Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition.

(f) Employee Benefit

(i) Short Term Employee Benefit :

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the

employees render the services this excludes leave encashment entitlement annually, which is accounted for on the basis of actuarial basis.

(ii) Post Employment Benefits :

Defined Contribution Plan :

Employees benefits in the form of the Group's contribution to Provident Fund, Pension scheme, Superannuation Fund and Employees State Insurance is a defined contribution scheme and contributions are charged to the Profit & Loss Account of the year when the contribution to the respective fund is due.

Defined Benefit Plan :

Retirement benefits in the form of gratuity are considered as defined benefit obligations and are provided for on the basis of actuarial valuation as at the date of Balance Sheet which is not funded.

(g) Foreign Currency Transactions

(i) Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of the transaction.

(ii) Foreign currency monetary items are reported using the closing rate.

(iii) Any gain or loss on account of exchange difference arising either on the settlement or on reinstatement of foreign currency monetary items is recognised in the Profit & Loss account.

(h) Research and Development

Equipment's purchased for research and development is capitalized when commissioned and included in the gross block of Property, Plant and Equipment. Revenue expenditure on research and development related to development of intangible asset is charged to intangible assets under development and taken to intangible assets, till research is complete and the same is recognized as intangible assets ready for use. The other expenditure on R&D is charged

Notes to the Consolidated Financial Statements

For the year ended March 31, 2023

to profit & loss account in the period in which it is incurred.

(i) Prior period adjustments

Earlier year items, adjustment/Claims, arisen / settled / noted during the year are, if material in nature, are debited / credited to the prior period Expenses/Income or respective heads of account if not material in the nature, if material charged to other equity and carried to Balance Sheet.

(j) Investments

Investments that are readily realizable and intended to be held for not more than a year classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value. Long -term investments are stated at cost. Provision for diminution in the value of investments is made, if it is other than temporary.

(k) Finance Cost

Borrowing costs that are attributable to the acquisition or construction of a qualifying asset are capitalized as part of the cost of such asset. A qualifying asset is one that necessarily takes a substantial period of time to get ready for intended use. All other borrowing costs are recognized as an expense in the period in which they are incurred.

(l) Tax Expenses

The Tax expense for the period comprise Current and Deferred Tax. Tax is recognized in Statement of Profit and Loss except to the extent that it related to the items recognized in the comprehensive income or in equity. In which case, the tax is also recognized in other comprehensive income or equity.

(i) Current Tax

Provision for Current Tax is made after considering benefits, exemptions and deductions available under the Income Tax Act, 1961.

(ii) Deferred tax

Deferred Tax is recognized subject to consideration of prudence, on timing differences, representing the difference between the taxable income/(loss) and accounting income/(loss) that originated in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date.

The Group reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Group does not have convincing evidence that it will pay normal tax during the specified period.

(m) Leases

Leases are classified as finance leases whenever the terms of the lease, transfers substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Leased assets: Assets held under finance leases are initially recognized as assets of the Group at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalized. Contingent rentals are recognised as expenses in the periods in which they are incurred.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Group will obtain ownership by the end of the lease term, the asset is depreciated

Notes to the Consolidated Financial Statements

For the year ended March 31, 2023

over the shorter of the estimated useful life of the asset and the lease term.

Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where another systematic basis is more representative of time pattern in which economic benefits from the leased assets are consumed.

(n) Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. These estimates are reviewed at each reporting date.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are not recognized but are disclosed in notes.

Contingent assets are neither recognised nor disclosed in the financial statements.

(o) Segment Reporting

The accounting policies adopted by the group for segment reporting are in line with the Ind AS 108.

Business Segment: The Group's operating business is engineering goods only and accordingly there is only one business segment.

Currency Segment: The analysis of currency segment is based on the basis of currency. The currency segments considered for disclosure are as follows:

- (a) Sales in Indian Currency
- (b) Sales in foreign currency

Segment Assets denotes for assets in Local Currency and in foreign currency.

(p) Earning Per Share

Basic earning per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted Earning per Share, the net profit or loss for the period attributable to Equity Shareholders and the weighted average number of Shares outstanding during the period are adjusted for the effects of all dilutive potential Equity Shares.

(q) Financial Instruments

(i) Financial Assets

A. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

B. Subsequent measurement

(i) Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved

Notes to the Consolidated Financial Statements

For the year ended March 31, 2023

by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

C. Investment in subsidiaries, Associates and Joint Ventures

The Group has accounted for its investments in subsidiaries, associates and joint venture at cost, if any.

D. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss.

E. Impairment of financial assets

In accordance with Ind AS 109, the Group evaluate impairment of financial assets at fair value through profit and loss (FVTPL).

(ii) Financial liabilities

A. Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payable maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(iii) Derivative and Financial Instrument and Hedge Accounting

The Group uses derivative financial instruments such as currency swaps and forwards contracts to mitigate the risk of changes in exchange rates. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are also subsequently measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to Statement of Profit and Loss, except for the effective portion of cash flow hedges which is recognised in Other Comprehensive Income and later to Statement of Profit and Loss when the hedged item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial assets or non-financial liability.

Hedges that meet the criteria for hedge accounting are accounted for as follows:

a) Cash flow hedge

The Group designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of movement in foreign exchange rates for foreign exchange exposure on highly probable future cash flows attributable to a recognised asset or liability or forecast cash transactions. When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in the fair value of the derivative is recognized in the cash flow hedging reserve being part of other comprehensive income. Any ineffective portion of changes in the fair value of the derivative is recognized immediately in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, then hedge accounting is discontinued prospectively. If the hedging instrument expires or is sold, terminated or exercised, the cumulative gain or loss on the hedging instrument recognized in

Notes to the Consolidated Financial Statements

For the year ended March 31, 2023

cash flow hedging reserve till the period the hedge was effective remains in cash flow hedging reserve until the underlying transaction occurs. The cumulative gain or loss previously recognized in the cash flow hedging reserve is transferred to the Statement of Profit and Loss upon the occurrence of the underlying transaction. If the forecasted transaction is no longer expected to occur, then the amount accumulated in cash flow hedging reserve is reclassified in the Statement of Profit and Loss.

b) Fair Value Hedge

The Group designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of change in fair value of hedged item due to movement in foreign exchange rates.

Changes in the fair value of hedging instruments and hedged items that are designated and qualify as fair value hedges are recorded in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, the adjustment to the carrying amount of a hedged item for which the effective interest method is used and is amortised to Statement of Profit and Loss over the period of maturity.

(r) Government Grants:

Government grants with a condition to purchase, construct or otherwise acquire long-term assets are initially measured based on grant receivable under the scheme. Such grants are recognised in the Statement of Profit and Loss on a systematic basis over the useful life of the asset. Amount of benefits receivable in excess of grant income accrued based on usage of the assets is accounted as Government grant received in advance. Changes in estimates are recognised prospectively over the remaining life of the assets. The group has option to present the government grant related to fixed assets by deducting the grant from the carrying value of the asset and to present the non-monetary grant

at a nominal amount. The group has not availed this option in current financial year. Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the group will comply with all attached condition.

(s) Current versus non-current classification

The Group presents assets and liabilities in balance sheet based on current/non-current classification.

The Group has presented non-current assets and current assets before equity, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by MCA.

(i) An asset is classified

as current when it is:

- a) Expected to be realised or intended to be sold or consumed in normal operating cycle,
- b) Held primarily for the purpose of trading,
- c) Expected to be realised within twelve months after the reporting period, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

(ii) A liability is classified

as current when it is:

- a) Expected to be settled in normal operating cycle.
- b) Held primarily for the purpose of trading,
- c) Due to be settled within twelve months after the reporting period, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

Notes to the Consolidated Financial Statements

For the year ended March 31, 2023

All other liabilities are classified as non-current. The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents

C. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of group's financial statements in conformity with Ind AS require management to make judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Uncertainty about these assumptions and estimates could result in outcomes that require material adjustments to the carrying value of the assets or liabilities affected in future period. Difference between the actual results and estimates are recognized in the period in which the results are known/materialized. The management believes that the estimates used in the preparation of the financial statements are prudent and reasonable.

1. Depreciation / Amortisation and useful lives of Property, Plant and Equipment / Intangible Assets

Tangible Assets

Depreciation on Property, Plant and Equipment is provided on useful life of the assets which is taken as specified in Schedule II to the Companies Act, 2013 and depreciation is charged on Written Down Value method after taking into residual value of the assets in order to determine the amount of depreciation / amortization to be recorded during reporting period.

Intangible Assets

The intangible asset is amortized over a period of estimated useful life of asset, taking into account of anticipated technological changes. The depreciation / amortization for the future period is revised if there are significant changes from previous estimates.

2. Recoverability of trade receivable and advances

Judgements are required in assessing the recoverability of overdue trade receivables and advances and determining whether a provision against those

receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

3. Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

4. Income taxes

Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The Group reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the consolidated financial statements.

5. Contingencies

Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/ claim/litigations against the Group as it is not possible to predict the outcome of pending matters with accuracy.

i) Discounting Rate	7.34	7.16
ii) Future salary Increase	5.50	5.50

The estimates of future salary increase; considered in actuarial valuation, take account of inflation, seniority, promotions and other relevant factors such as supply and demand in the employment market.

The discount rate is based on prevailing market yields of Indian Government Bonds, as at the balance sheet date, consistent with the currency and estimated term of the post-employment benefit obligations.

Significant estimates and sensitivity Analysis

The sensitivity of the defined benefit obligation to changes in key assumptions is :

Particulars	Key assumptions		(Increase)/Decrease in Defined benefit obligation by					
			Increase in assumption by			Decrease in assumption by		
	31-Mar-23	31-Mar-22	Rate	31-Mar-23	31-Mar-22	Rate	31-Mar-23	31-Mar-22

Attrition rate	-	-	-	-	-	-	-	-

The above sensitivity analysis is based on a change in each assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions, the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

(iii) Other Long Term Employee Benefits

14. Financial Risk Management

(i) Financial risk management objectives and policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Group's financial risk management policy is set by the Board.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments.

Notes to the Consolidated Financial Statements

For the year ended March 31, 2023

Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

The Group manages market risk through top management executives, which evaluates and exercises control over the entire process of market risk management. The decisions which are approved by Senior Management. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures like foreign exchange forward contracts, borrowing strategies and ensuring compliance with market risk limits and policies.

(ii) Market Risk- Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. In order to optimize the Group's position with regards to interest income and interest expenses and to manage the interest rate risk. The group uses normally Fixed Deposit route to park the surplus funds. For borrowing which reduces to Nil some time, group uses Bank borrowings at the prevailing rate of the Bank, after bargain by the senior management.

(iii) Market Risk- Foreign currency risk.

The Group operates internationally and portion of the business is transacted in several currencies

and consequently the Group is exposed to foreign exchange risk through its sales and services in overseas and purchases from overseas suppliers in various foreign currencies. Foreign currency exchange rate exposure is partly balanced by purchasing of goods, commodities and services in the respective currencies.

15. Capital risk management

(i) Risk Management

The Group aim to manage its capital efficiently so as to safeguard its ability to continue as a going concern and to optimize returns to our shareholders. The capital structure of the Group is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Group may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

The Group's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The group will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

(ii) Dividend on Equity shares

16. Credit risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Group periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set and periodically reviewed on the basis of such information.

The Group considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Group compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business.
- ii) Actual or expected significant changes in the operating results of the counter-party,
- iii) Financial or economic conditions that are expected to cause a significant change to the counter-party's ability to meet its obligations,
- iv) Significant increase in credit risk on other financial instruments of the same counter-party,
- v) Significant changes in the value of the collateral supporting the obligation or in the quality of the third-party guarantees or credit enhancements.

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Group. Where loans or receivables have been written off, the Group continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as an income in the statement of profit and loss.

The Group measures the expected credit loss of trade receivables from individual customers based on

historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.

17. Trade Receivables and provision for expected credit losses (ECL)

The Company extends credit to customers as per the contractual obligation and internal credit policy. Any deviation are approved by appropriate authorities, after due consideration of the customers credentials and financial capacity, trade practices and prevailing business and economic conditions. The Company's historical experience of collecting receivables and the level of default indicate that credit risk is low and generally uniform across markets; consequently, trade receivables and contract assets are considered to be a single class of financial assets. All overdue customer balances are evaluated taking into account the age of the dues, specific credit circumstances, the track record of the customers etc. Loss allowances and impairment is recognised as per the Company policy. The ageing of trade receivables are as follows:

18. Estimation of uncertainties relating to the global health pandemic from COVID-19 :

The COVID-19 pandemic is an evolving human tragedy declared a global pandemic by the World Health Organization with adverse impact on economy and business. The spread of Covid 19 has affected the business marginally during the previous financial year 2021-22, however during the current Financial Year there is no direct impact on the company, but company feels the effect indirectly, in form of decreased demand of products.

The Company has taken various measures in consonance with Central and State Government advisories to contain the pandemic, which includes closing of manufacturing facilities and adopting work from home policy for employees, wherever possible, across locations.

Given the uncertainty of quick turnaround to normalcy, post lifting of the lock down, the Company has carried out a comprehensive assessment of possible impact on its business operations, financial assets, contractual obligations and its overall liquidity position, based on the internal and external sources of information and application of reasonable estimates, the Company does not foresee any significant incremental risk to the recover ability of its assets or in meeting its financial obligations over the foreseeable future, given early and required steps taken to contain, protect and mitigate the exposure.

Pursuant to the relaxed guidelines, the Company is carrying its manufacturing operations as allowed in strict compliance. Supply chain and product sale activities have resumed, most of the staff is coming and working in office according to local government instructions and also working from home as and when required.

Since the situation is continuously evolving, the impact assessed may be different from the estimates made as at the

date of approval of these financial statements and Company will continue to monitor any material changes arising due to the impact of this pandemic on financial and operational performance of the Company and take necessary measures to address the situation.

19. Risk Management

Credit risk Credit risk arises from cash and cash equivalents:

Contractual cash flows of debt investments carried at amortised cost, deposited with banks, credit exposures from customers including outstanding receivables and other financial instruments. Trade receivables and contract assets. The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets. The Company has obtained advances and security deposits from its customers & distributors, which mitigate the credit risk to an extent.

Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, Company maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows.

20. Fair value of financial assets and liabilities

Fair valuation techniques: The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant available data.

The fair values of the financial assets and liabilities represents the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

- 1) Fair value of cash, bank and deposits, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

- 2) Long-term fixed-rate and variable-rate loans/borrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors, credit risk and other risk characteristics. Fair value of variable interest rate borrowings approximates their carrying values. For fixed interest rate borrowings, fair value is determined by using the discounted cash flow (DCF) method using discount rate that reflects the Company's borrowings rate. Risk of nonperformance for the company is considered to be insignificant in valuation.

- 3) The fair values of derivatives, if any, are estimated by using pricing models, where the inputs to those models are based on readily observable market parameters basis contractual terms, period to maturity, and market parameters such as interest rates, foreign exchange rates, and volatility. These models do not contain a

high level of subjectivity as the valuation techniques used do not require significant judgement, and inputs thereto are readily observable from actively quoted market prices. Management evaluates the credit and

non-performance risks associated with its derivative counterparties and believe them to be insignificant and not warranting a credit adjustment.
