MESSAGE FROM MANAGING DIRECTOR

Greetings Dear Shareholders.

Its my pleasure to communicate with you once again. The FY 2022-2023 has witnessed many a low in the Entertainment sector. Theatrical, TV, OTT content did get a beating. But this was mainly due to the after-effects of the Pandemic as no new content was created, delayed or stalled projects were revived to monetize the stagnated investments. There was low liquidity, big companies had cash flow issues to start new projects or complete existing ones. Despite this, Your Company has performed well. We strategized our business plans as we had foreseen such eventuality. We did take a prudent decision to be extra

cautious to swim over the tide, play small with reduced costs and test waters rather than be aggressive and repent later.

Building New Associations in FY 2022 -2023

Besides our regular clients over the years, we entered into a long-term association with Warner Media Group for localization in multiple languages. Cartoon Network, Pogo, Warner Bros etc are a part of Warner Media Group.

VROTT<> Amazon Prime integration was a big boost to our OTT platform. It helped VROTT get noticed and established with 30 million subscriber base of Amazon Prime.

VROTT <> Tata Play Binge integration was another milestone, introducing VROTT to 5 million subscriber base of Tata Play Binge.

VROTT<> BOOK MY SHOW / STREAMS, a transactional VOD platform which is at a nascent stage but a potential revenue earner.

These associations, though towards the end of the financial year helped attain a premium position in the market space providing financial stability and growth for Your Company. Our Strategy to curb spends on Marketing and integrating with above big players will help Your Company in generating revenues and attain a respectable market size.

This helped us turnaround the reported 6% loss in 1st half of FY 2022 to a sizeable profit of 7% for the FY 2022 -2023.

Future Prospects: Outlook for Year 2023 - 2024

2023 – 2024 is the year for integrations and associations. Associations towards end of 2022 - 2023 will start showing results in 2023 - 2024 and beyond.

Dubbing / Localization, our strategy to lower costs with our existing partners and addition of Warner Media we are expecting to increase our revenues gradually by approx. 50 – 60 % or more.

V R FILMS & STUDIOS LIMITED

Artificial Intelligence (AI) is being experimented. Trials are in process for localization based on AI. Watch out for this path breaking update.

VROTT is being integrated with JIO Network (tech checks are in process), Airtel telecom and STB network.

Besides the above VROTT is integrating as a bundle service with many aggregators like OTT Play, Playbox, MX1, Fastway etc.

We are in talks with wifi and cable operators to reach 10 million households as well via a new vertical VRTv an IPTV based brand. You will hear more on this in coming years.

With this huge expansion in Distribution network, VROTT should be able to generate revenues multi fold. With no expense on Marketing, in a short span of time VROTT has achieved 880K+ Downloads, 30M+ User Engagement and 600K+ Registered Users. This is a tremendous achievement as the OTT space is crowded with tough competition. This is our direct B2C engagement, besides the user engagement from Amazon, Tata Play Binge etc

Your Company is in talks with established OTT players and aggregators in Bangladesh, Sri Lanka as well.

Your Company is negotiating a JV with a Dubai based entity to expand the VROTT footprint to Middle East and North Africa region as well. This is around 22 countries in the MENA region.

Our Vision for next 3 years is to grow 100 X year on year.

With this Futuristic Outlook Your Company and the Management decided to declare 7:1 bonus share to generate maximum shareholder wealth. With our growth plans and bonus shares enormous wealth would be created for the shareholders.

As we speak, applications have been made and the process is on to migrate Your Company from SME BSE Platform to the BSE Main Board by September / October 2023.

Your Company continues to stay ahead of the curve and ride its upward trajectory. The positive outlook can be gauged by the fact that maximum of the shareholders have remained committed to the company and have refrained from exiting their faith in the Company and the Management itself. Your Company and the Management highly appreciates our investors strong belief in us and is thankful for recognizing our hard work and belief.

We will continue in our efforts in transforming the company to a vibrant energetic company with focus on building strong fundamentals and high growth targeted at creating shareholder wealth. With the Dubbing vertical well established on a growth model, Your Company will be aggressive in the Digital segment in times to come and VROTT – Global ka Local will soon be a Global player in the OTT space.

Would like to end this speech with Best Wishes to all.

Take Care and Be Safe.

MESSAGE FROM WHOLE-TIME DIRECTOR

Dear Shareholders,

Greetings.

Trust you and your loved ones are in the best of health.

FY2022-23 was challenging..very challenging indeed, but VR Films overcame the hurdles with a lot of grit and determination through sheer hard work, creativity, quality, perseverance and service.

It had many highlights too as we got into associations and integrations...with Warner Media Group for Localization, VROTT's integration with Amazon Prime and TATA Play BINGE and our association with Book My Show to showcase our exclusive, exotic content from all over the world. Such associations of VROTT were strategic keeping in mind the instant exposure to millions of potential subscribers which would lead to our

growth. FY 2023-24 will surely reflect the results of these associations.

We closed FY2022-23 at a profit of 7%.

FY2023-24 will be eventful too.

This July 2023 we declared 7:1 Bonus Shares for our esteemed Shareholders and also announced our migration from SME BSE Platform to the BSE Main Board by September/October 2023, with an intent to create a lot of wealth for our shareholders.

This fiscal will have our focus on more associations with leading VOD Players, Telecom companies, Aggregators who offer Bundle Services and Cable networks to reach a much wider base across the various layers of the Pyramid. VR Films is also exploring penetrations into new regions like Middle East, Bangladesh, Sri Lanka (with OTT players) and North Africa via similar associations to bring a Global Presence for our brands.

“AI” is the new buzz and we are exploring this to our advantage rather than viewing it as a threat. Afterall moving forward with new inventions, appreciating their potential and adapting their best practices which turn fruitful has always been in our DNA at VR Films.

We have acquired a lot of new innovative content from many internationally renowned companies in different languages of this world and this exercise continues to ensure two exclusive premieres every fortnight on VROTT. This content is rich in creativity, lavishly mounted where production value is concerned and very entertaining. We always look out for opportunities where we can acquire good content at a very good, negotiated price keeping the ROI in mind. The licensors have reposed strong faith in VR Films as your company has been the pioneer to introduce such foreign language content (apart from English) in India in a major way and localizing the same in Hindi, Tamil, Telugu keeping alive our USP – ‘GLOBAL ka LOCAL’. We also offer this content in it's original language with english subs for a certain section of our subscribers who prefer it this way.

V R FILMS & STUDIOS LIMITED

TV platforms continue to be a bit subdued, mostly because of stiff competition from OTT and this has impacted our film exploitation on this medium, but we believe it's a passing phase and are hopeful for its revival soon. Theatrical platform off late has been magical for some local and foreign releases but still needs to get exciting for independent players like us, hence here too we are hopeful that things will work out for us in times ahead.

I end this note with lots of hope for a fruitful FY2023-24 and extend my heartiest greetings to you all for the upcoming festive season.

Wishing you and your family the very best in life.

Warm Regards,

Krishi Dutt

By 2025, ~600-650 million Indians, will consume short-form videos, with active users spending up to 55 to 60 minutes per day.

According to the FICCI-EY media and entertainment industry survey, those who watch online videos through bundled packages (online video services bundled with mobile and broadband connections) will account for half of all online video viewers (399 million) by 2023, up from 284 million in 2020.

As of 2020, India registered ~803 million online video viewers, including streaming services and videos on free platforms such as YouTube. Mobile video viewers stood at 356 million in 2020, driven by rising number of users preferring video content over the last few years.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

5. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

6. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including and cash flows of the Company in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

7. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is

- higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
