11. The Board has recommended a dividend of Rs. 2/- per equity share of Rs. 10/- each, which, if declared by the members / shareholders at this Annual General Meeting (AGM), will be paid on or before the 30th day from the date of declaration, to those shareholders or their mandates to those shareholders whose names shall appear in the Company's Register of Shareholders/Members as on **Friday, the 22nd September, 2023** and in respect of shares held in the electronic form, to those 'Deemed Members' whose names appear in the Statement of Beneficial Ownership furnished by the National Securities Depository Limited (NSDL) and the Central Depository Services Limited (CDSL) at the closure of business hours on **Friday, the 22nd September, 2023**.
12. Shareholders may note that the Income Tax Act, 1961, as amended by the Finance Act, 2020, mandates that dividends paid or distributed by a Company after April 1, 2020 shall be taxable in the hands of the Shareholders. The Company shall therefore be required to deduct Tax at Source (TDS) at the time of making the final dividend, if declared by the Shareholders. In order to enable the Company to determine

the appropriate TDS rate as applicable, Shareholders/Members are requested to submit the documents in accordance with, the provisions of the Income Tax Act, 1961.

- a) For Resident Shareholders, TDS shall be deducted under Section 194 of the Income Tax Act, 1961, at rate in force on the amount of Dividend declared and paid by the Company during Financial Year 2023-24, provided Permanent Account Number (PAN) is registered by the Shareholder. If PAN is not registered or if they are specified person (non-filers) as per Section 206AB of the Income Tax Act, 1961, TDS would be deducted at a higher rate as per the provisions of the Income Tax Act, 1961 and/or the Rules framed thereunder. However, no tax shall be deducted on the Dividend payable to a resident individual if the total dividend to be received by such resident individual during the Financial Year 2023-24 does not exceed Rs. 5,000/-. Please note that this includes future dividends, if any, which may be declared by the Company during the Financial Year 2023-24.

Separately, in cases where a Shareholder provides Form 15G (applicable to any resident person other than a company or a firm) / Form 15H (applicable to a resident individual above the age of 60 years), provided that the eligibility conditions are being met, no TDS shall be deducted.

- b) For Mutual Fund Shareholders, TDS is exempt under Section 10(23D), provided Mutual Funds provide SEBI Registration / Central Board of Direct Taxes (CBDT) notification and declaration that their income is exempt under Section 10 (23D) of the Income Tax Act, 1961.
- c) For Foreign Institutional Investors (FII) / Foreign Portfolio Investors (FPI), tax will be deducted under Section 196D of the Income Tax Act, 1961, at applicable rate, including surcharge and cess.
- d) For Other Non-resident Shareholders, taxes are required to be withheld in accordance with, the provisions of Section 195 of the Income Tax Act, 1961 at the rates in force. However, as per Section 90 of the Income Tax Act, 1961, the Non-Resident Shareholder has the option to be governed by the provisions of the Double Tax Avoidance Agreement (DTAA) between India and the country of tax residence of the Shareholder, if they are more beneficial to them. For this purpose, i.e., to avail the Tax Treaty benefits, the Non Resident Shareholder will have to provide the following:
- Self-attested copy of Tax Residency Certificate (TRC) obtained from the tax authorities of the country of which the shareholder is resident.
 - Self-declaration in Form 10F if all the details required in this form are not mentioned in the TRC.
 - Self-attested copy of the Permanent Account Number (PAN Card) allotted by the Indian Income Tax authorities.
 - Self-declaration, certifying the following points:
 - i. Shareholder/Member is and will continue to remain a tax resident of the country of its residence during the financial year 2023-24;
 - ii. Shareholder/Member is eligible to claim the beneficial DTAA rate for the purposes of tax withholding on dividend declared by the Company;
 - iii. Shareholder/Member has no reason to believe that its claim for the benefits of the DTAA is impaired in any manner;
 - iv. Shareholder/Member is the ultimate beneficial owner of its shareholding in the Company and Dividend receivable from the Company; and
 - v. Shareholder/Member does not have a taxable presence or a permanent establishment in India during the Financial Year 2023-24.

Please note that the Company is not obligated to apply the beneficial DTAA rates at the time of tax deduction / withholding on dividend amounts. Application of beneficial DTAA rate shall depend upon the completeness and satisfactory review by the Company, of the documents submitted by Non-Resident Shareholder.

Kindly note that the aforementioned documents are required to be submitted by 11:59 p.m. (IST) on **Friday, the 22nd September, 2023** to the Company at denischem401@gmail.com and to Link Intime India Private Limited at ahmedabad@linkintime.co.in / rnt.helpdesk@linkintime.co.in, in order to enable the Company to determine and deduct appropriate TDS / withholding tax rate. No communication on the tax determination / deduction received post **Friday, the 22nd September, 2023**, will be considered for payment of Final Dividend. No claim shall lie against the Company for such taxes deducted. In case of any queries / difficulties, Shareholders may write to Link Intime India Private Limited at ahmedabad@linkintime.co.in / rnt.helpdesk@linkintime.co.in. Shareholders are also requested to note that in case their PAN is not registered, the tax will be deducted at a higher rate.

It may be further noted that in case the tax on said dividend is deducted at a higher rate in absence of receipt of the aforementioned details / documents from a Shareholder, there would still be an option available with such Shareholder to file the return of income and claim an appropriate refund, if eligible.

Shareholders will be able to see the credit of TDS in Form 26AS, which can be downloaded from their e-filing account at <https://incometaxindiaefiling.gov.in>.

13. Members holding shares in the dematerialized mode are requested to intimate all changes with respect to their bank details, ECS mandate, nomination, power of attorney, change of address, change in name, etc, to their Depository Participant (DP). These changes will be automatically reflected in the Company's records, which will help the Company to provide efficient and better service to the Members. Members holding shares in physical form are requested to intimate the changes to the Registrar & Share Transfer Agents of the Company (RTA). Members are also advised to not leave their demat account(s) dormant for long. Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in Demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in Demat mode.

- (i) The voting period begins on begins on at **9.00 a.m. on 26th September, 2023 and ends at 5:00 p.m. on 28th September, 2023**. During this period shareholders’ of the Company, holding shares either in physical form or in dematerialized form, as on the **cut-off date i.e. 22nd September, 2023** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders’ resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

12. MANAGEMENT DISCUSSION AND ANALYSIS:

a. Industry Structure and Developments:

The Indian Pharmaceutical Industry is 3rd Largest in volume and 13th Largest in terms of value in the world. The industry recorded decent growth in FY 23. The foundation of the industry continues to remain strong and will be aided by growth in healthcare budgets across the board. Hospital penetration is also observed to be increasing.

b. Opportunities and Threats:

Our Competitive Strengths:-Diverse Product Portfolio -Wide sales, marketing and distribution network -Wide range of fill volumes -Experienced management team and well qualified senior executives -Adoption of superior technology for manufacturing sterile injectable -Our contract manufacturing and institutional sales business stabilizes our revenue streams -Targeting new domestic and export markets -Wide range of Sterile Injectable Products. The recent growth of Pan India hospital chains presents a significant opportunity for us to cater to their infusion requirements via our 'Aqua pulse' brand. Since our distribution network and our brands are well established, we can also leverage the same by increasing the basket of products that are offered.

The prices of our pharmaceutical products are or may be restricted by the price controls imposed by government and healthcare providers in several countries including India. In India, prices of certain pharmaceutical products are determined by the Drug Prices Control Order ("DPCO"), promulgated by the Indian government and administered by the National Pharmaceutical Pricing Authority ("NPPA"). If the price of one or more products are administered or determined by the DPCO/NPPA, it may have a material adverse impact on our profitability in case we are not able to control costs.

Enhanced regulations relating to Pollution Control, Drug Manufacturing etc. may place additional cost burden on the company.

c. Segment wise Performance:

The Company is operating in single segment. Hence, there is no need of reporting segment wise performance.

d. Recent Trend and Future Outlook:

India is now among the top 5 pharmaceutical emerging markets. There will be new drug launches, new drug filings and Phase II clinic trials throughout the year. On back of increasing sales of generic medicines, continued growth in chronic therapies and a greater penetration in rural markets, the domestic pharmaceutical market grew at 9-11% in FY 2023

e. Risks and Concerns:

We operate in a competitive sector. Our institutional customer base includes government, semi-government, hospitals & nursing homes, aided agencies and the defense sector which forms a part of our Company's income. Our Company procures orders from these institutions by tender process. We may face competition during this tender process. Enhanced regulations also may add to the compliance cost of the company.

f. Internal Control Systems and their Adequacy:

The Company has adequate systems of Internal Controls commensurate with its size and operations to ensure orderly and efficient conduct of business. These controls ensure safeguarding of assets, reduction and detection of fraud and error, adequacy and completeness of the accounting records and timely preparation of reliable financial information.

g. Financial Performance with respect to Operational Performance:

The financial performance of the Company for the year 2022-23 will be described in the Directors' Report.

h. Material Developments in Human Resources and Industrial Relations Front:

Your Company has undertaken certain employees' development initiatives, which have very positive impact on the morale and team spirit of the employees. The Company has continued to give special attention to Human Resources/Industrial Relations development. Availability of skilled labour is an important metric for the smooth operations of the company and the company is taking special measures to attract and retain skilled labourers. Industrial relations remained cordial throughout the year. We are also concentrating on building up of our Human Resource Capital especially in our Sales Team by under taking various T & D activities. We are also creating adequate support systems at our HO which will provide requisite knowledge and data to our sales team. These activities will lead to a more informed and motivated sales team.

INDEPENDENT AUDITORS' REPORT

To,
The Members of
DENIS CHEM LAB LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **DENIS CHEM LAB LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2023, the Statement of Profit & Loss, Statement of Changes in Equity and Statement of Cash Flows for the year then ended and notes to the financial statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements read together with significant accounting policies and accompanying notes thereon give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March, 2023, the net profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the Code of Ethics issued by ICAI together with the ethical requirement that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the rules thereunder and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with Governance for the Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy

and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

ANNUAL REPORT 2022-23

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by 'the Companies (Auditors' Report) Order, 2020 ("the Order")', issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that :
 - a. We have sought & obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - c. The Balance sheet, statement of Profit & Loss (including other comprehensive income), the statement of Changes in equity and Cash Flow Statement dealt with by this report are in agreement with the books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Indian accounting standards specified in section 133 of the Act, read with Rule 7 of the Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e. On the basis of the written representation received from the directors as on 31st March, 2023 taken on record by Board of Directors, none of the director is disqualified as on 31st March, 2023 from being appointed as a director in terms of section 164(2) of the Companies Act, 2013.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g. With respect to the other matters to be included in the Auditor's report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion, and to the best of our information and according to the information and explanations given to us, the managerial remuneration for the year ended March 31, 2023 has been paid/ provided by the Company to its directors in accordance with the provisions of Section 197 read with Schedule V to the Act;
 - h. With respect to other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed impact of pending litigations on its financial position in its financial statements;

- ii) The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses;
- iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv) (a) the Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) the Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v) The final dividend paid by the Company during the year in respect of financial year 2021-2022 is in accordance with Section 123 of the Act to the extent it applies to payment of Dividend. As stated in Note No.42 of the Financial Statements, the Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend proposed is in accordance with section 123 of the Act to the extent it applies to declaration of dividend

“Annexure A” to the Independent Auditors’ Report of even date on the Financial Statements of DENIS CHEM LAB LIMITED.

Referred to in paragraph 1 under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the financial statements of the Company for the year ended March 31, 2023:

- i. In respect of Company’s property, plant and equipment and intangible assets:
 - a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
(B) The Company has maintained proper records showing full particulars of intangible assets.
 - b) The Property, Plant and Equipment have been physically verified by the management during the year and no material discrepancies were noticed on such physical verification.
 - c) Based on our audit procedures and according to the information and explanations given to us, we report that, the title deeds of immovable properties included in Property, Plant and Equipment are held in the name of the Company.
 - d) During the year under review, the Company has not revalued its Property, Plant and Equipment or intangible assets or both.
 - e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- ii. (a) Physical verification of inventory has been conducted by the management at reasonable intervals. In our opinion, the frequency of verification by the management is reasonable and the coverage and procedure of such verification is appropriate. No discrepancies of 10% or more in aggregate for each class of inventory were noticed on such physical verification.
(b) The Company has working capital limits sanctioned from banks exceeding Rs.5.00 crores, on the basis of security of current assets. The quarterly returns/statements filed by the Company are broadly in agreement with the books of accounts and no material unreconciled discrepancies have been observed.
- iii. According to the information and explanations given to us, during the year the Company has not made any investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Accordingly reporting under clause 3(iii) (a) to 3(iii) (f) of the Order are not applicable to the Company.
- iv. There are no loans, investments, guarantees and security in respect of which provisions of Sections 185 and 186 of the Act are applicable and accordingly requirement of report on clause 3(iv) of the Order is not applicable to the Company.
- v. According to the information and explanations given to us, the Company has not accepted any deposits, in terms of the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015.
- vi. In respect of business activities of the Company, maintenance of cost records has been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013. We have broadly reviewed the cost records maintained by the Company and are of the opinion that prima facie, the prescribed accounts and cost records have been maintained. We have, however, not made detailed examinations of the records with a view to determining whether they are accurate or complete.
- vii. In respect of statutory dues:
 - a) As per information and explanations given to us, the Company is regular in depositing undisputed statutory dues including Goods and Services tax, Provident Fund, Employees’ State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax and other

material statutory dues applicable to it with the appropriate authorities. There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax and other material statutory dues in arrears as at March 31, 2023 for a period of more than six months from the date they became payable.

- b) According to information and explanations given to us, there are no dues of sales tax, income tax, custom duty, wealth tax, Goods & service tax and cess which have not been deposited as on March 31, 2023 on account of disputes.
- viii. According to the information and explanations given to us, the Company did not have any transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- ix. (a) According to the information and explanations given to us, as also on the basis of books and records examined by us, the Company has not defaulted in repayment of dues to financial institution, banks or any lenders. The Company has not taken any loans from the Government and has not issued any debenture during the year.
(b) According to the information and explanations given to us and on the basis of our audit procedures, the Company is not declared willful defaulter by any bank or financial institution or other lender.
(c) According to the information and explanations given to us and on the basis of the books and records examined by us, the term loans taken during the year have been applied for the purposes for which those were obtained.
(d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
(e) The Company is having no subsidiary or associate companies and therefore clause 3(ix)(e) and (f) of the order are not applicable to the Company.
- x. (a) According to the information and explanations given to us and on the basis of books and records verified by us, the Company has not raised any money by way of initial public offer or further public offer including debt instruments during the year. Accordingly reporting under clause 3(x)(a) of the Order is not applicable.
(b) According to the information and explanations given to us and on the basis of books and records verified by us, during the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi. (a) On the basis of books and records of the Company examined by us and according to the information and explanation given to us, we report that there has been neither any fraud by the Company nor any fraud on the Company has been noticed or reported during the year.
(b) According to the information and explanation given to us, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
(c) As represented to us by the management, the Company has not received any whistle blower complaint during the year and upto date of this report.
- xii. The Company is not a Nidhi Company. Therefore, the provision of clause 3(xii) of the Order is not applicable to the Company.
- xiii. According to the information and explanation given to us and on the basis of records of the Company examined by us, transaction with related parties are in compliance with section 177 and section 188 of the Companies Act, 2013, where applicable and the details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.

ANNUAL REPORT 2022-23

- xiv. (a) According to the information and explanation given to us, in our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. Based upon the audit procedures performed and the information and explanations given by the management, the Company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3(xv) of the Order are not applicable to the Company.
- xvi. (a) According to the information and explanation given to us and on the basis of books and records examined by us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), 3(xvi)(b) and 3(xvi)(c) of the Order is not applicable to the Company.

- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a fund specified in Schedule VII to the Companies Act, 2013 in compliance with second proviso to sub-section (5) of Section 135 of the said Act. According to the information and explanation given to us, there is no ongoing project with respect to Corporate Social Responsibility (CSR). Accordingly, reporting under clause 3(xx)(a) and (b) of the Order is not applicable for the year.
- xxi. The reporting under Clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements. Accordingly, no comment in respect of the said clause has been included in this report.

“Annexure B” to the Independent Auditors’ Report of even date on the Financial Statements of DENIS CHEM LAB LIMITED.

Referred to in paragraph 2(f) under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the financial statements of the Company for the year ended March 31, 2023.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).

We have audited the internal financial controls over financial reporting of **DENIS CHEM LAB LIMITED**, (“the Company”) as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls:

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditors’ judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary

ANNUAL REPORT 2022-23

to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

Notes Forming Part of the Financial Statements

Note 1 : Corporate Information

The standalone financial statements comprise of financial statements of Denis Chem Lab Limited (the "Company") for the year ended March 31, 2023. The Company is a public company domiciled in India and is incorporated under the provisions of the Companies Act, 1956. The Company's shares are listed on BSE, a recognised stock exchange, in India. The registered office of the company is located at Block No. 457, Village: Chhatral, Tal: Kalol (N.G.), Dist: Gandhinagar - 382 729. The company is engaged in the business of manufacturing of Pharmaceuticals Transfusion Solution in Bottles.

The standalone financial statements were authorised for issue in accordance with a resolution of the board of directors on 30th May, 2023.

Note 2 : Basis of preparation

The standalone financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

Accordingly, the Company has prepared these Standalone Financial Statements which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss for the year ended March 31, 2023, the Statement of Cash Flows for the year ended March 31, 2023 and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information (together hereinafter referred to as 'Standalone Financial Statements' or 'Separate Financial Statements' or 'financial statements').

The standalone financial statements have been prepared on a historical cost basis, on the accrual basis of accounting except for certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments).

The standalone financial statements are presented in Indian Rupees and all values are rounded to the nearest Rupees, except where otherwise indicated. Any discrepancies in any table between totals and sums of the amounts listed are due to rounding off.

Note 3 : Significant accounting policies and key accounting estimates

(A) Significant accounting policies

1 Current / non-current classification

The Company presents assets and liabilities in the balance sheet based on current and non-current classification. An asset is treated as current when it is:

- a) expected to be realised or intended to be sold or consumed in normal operating cycle;
- b) held primarily for the purpose of trading;
- c) expected to be realised within twelve months after the reporting period; or
- d) cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when it is:

- a) expected to be settled in normal operating cycle;
- b) held primarily for the purpose of trading;
- c) due to be settled within twelve months after the reporting period; or
- d) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets/materials for processing and their realisation in cash and cash equivalents. As the Company's normal operating cycle is not clearly identifiable, it is assumed to be twelve months.

2 Foreign currencies

The Company's standalone financial statements are prepared in Indian Rupee which is also the Company's functional currency.

Transactions and balances

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing at the time of the transaction, i.e. spot rate.

Monetary assets and liabilities denominated in foreign currencies are translated using the exchange rate at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in the statement of profit and loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

3 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a) In the principal market for the asset or liability, or
- b) In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- a) Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- b) Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable; and
- c) Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

External valuers are involved, wherever required, for valuation of significant assets, such as properties, unquoted financial assets and significant liabilities. Involvement of external valuers is decided upon by the Company after discussion with and approval by the Company's management. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. The

Company, after discussions with its external valuers, determines which valuation techniques and inputs to use for each case.

At each reporting date, the Company analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the Company verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents. The Company also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value measurement. Other fair value related disclosures are given in the relevant notes.

4 Property, plant and equipment

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. The cost of Property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities).

Pre-operative expenditure comprising of revenue expenses incurred in connection with project implementation during the period upto commencement of commercial production are treated as part of the project costs and are capitalized. Such expenses are capitalized only if the project to which they relate, involve substantial expansion of capacity or upgradation.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from its use. Difference between the sales proceeds and the carrying amount of the asset is recognized in statement of profit and loss.

Freehold land is carried at historical cost and not depreciated.

Depreciation on all fixed assets is provided on Written down Value Method as per the useful life prescribed in Schedule II to the Companies Act, 2013. Depreciation on Property, plant and equipment purchased/acquired during the year is provided on pro-rata basis according to the period each asset was put to use during the year. Similarly, depreciation on assets sold/discarded/demolished during the year is provided on pro-rata basis.

The Company assesses at each reporting date using external and internal sources, whether there is an indication that an asset may be impaired. An impairment occurs where the carrying value exceeds the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the asset's net sales price or present value as determined above.

The Company had elected to consider the carrying value of all its property, plant and equipment appearing in the financial statements prepared in accordance with Accounting Standard notified under the section 133 of the Companies Act, 2013, read together with Rule 7 of the Companies (Accounts) Rules, 2014.

Cost of Assets not ready for intended use, as on the balance sheet date, is shown as capital work in progress. Advance given towards acquisition of fixed assets outstanding at each balance sheet date are disclosed as "Other Non-Current Assets".

5 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

6 Intangible assets

Intangible assets acquired separately are measured, on initial recognition, at cost. Following the initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

The useful economic life of intangible assets is three years.

The amortisation expense on intangible assets is recognised in the statement of profit and loss.

Intangible assets are derecognised either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit and loss in the period of derecognition.

The company has elected to measure all its intangible assets and investment property at the previous GAAP carrying amount as its deemed cost on the date of transition to Ind AS.

7 Inventories

Inventories are valued at lower of cost and net realisable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on a First in First out (FIFO). Cost includes cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Obsolete, slow moving and defective inventories are identified and provided for.

Net Realizable value is the estimated selling price in the ordinary course of business, less estimated cost of completion and estimated costs necessary to make sale.

8 Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is any indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal or its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators. The Company bases its impairment calculation on detailed budgets and forecast calculations.

Impairment losses are recognised in the statement of profit and loss.

An assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses on assets no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit and loss.

9 Revenue recognition

Revenue from contracts is recognised on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the Company is expected to be entitled to in exchange for those goods or Services. Revenue from sale of products is recognised when the control on the goods have been transferred to the customer. The performance obligation in case of sale of product is satisfied at a point in time i.e. when the material is shipped to the customer or on delivery to the customer, as may be specified in the contract.

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at

the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The Company has concluded that it is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks.

The Company has applied Ind AS 115 which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognized. Ind AS 115 replaces Ind AS 18 Revenue and Ind AS 11 Construction Contracts.

Export Incentives

Export benefits are accounted for in the year of the exports based on the eligibility and when there is no uncertainty in receiving the same.

Interest income

For all financial assets measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

Dividends

Revenue is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

10 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets, except investment in subsidiaries and associate, are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit and loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are primarily classified in three categories:

- a) Debt instruments at amortised cost;
 - b) Debt instruments at fair value through other comprehensive income (FVTOCI); and
 - c) Other financial instruments measured at fair value through profit and loss (FVTPL).
- a) Debt instruments at amortised cost
- A 'debt instrument' is measured at the amortised cost if both the following conditions are met:
- i) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
 - ii) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss. This category generally applies to trade and other receivables.

b) Debt instruments at fair value through other comprehensive income (FVTOCI)

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- i) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets; and
- ii) The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Company recognises interest income, impairment losses & reversals and foreign exchange gain or loss in the statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to statement of Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

c) Other financial instruments measured at fair value through profit and loss (FVTPL).

Any financial asset that does not qualify for amortised cost measurement or measurement at FVTOCI must be measured subsequent to initial recognition at FVTPL.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised when the rights to receive cash flows from the asset have expired.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance;
- b) Financial assets that are debt instruments and are measured as at FVTOCI;
- c) Lease receivables under Ind AS 17; and
- d) Financial guarantee contracts which are not measured as at FVTPL.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit and loss or as those measured at amortised cost.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and financial guarantee contracts.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

a) Financial liabilities at fair value through profit and loss

Financial liabilities at fair value through profit and loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit and loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

Gains or losses on liabilities held for trading are recognised in the profit and loss.

Financial liabilities designated upon initial recognition at fair value through profit and loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to the statement of profit & loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit and loss. The Company has not designated any financial liability as at fair value through profit and loss.

b) Financial liabilities at amortised cost

Financial liabilities at amortised cost include loans and borrowings and payables.

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit and loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

11 Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

12 Taxes on Income

Tax on Income comprises current and deferred tax. It is recognised in statement of profit and loss except to the extent that it relates to a business combination, or items recognised directly in equity or in other comprehensive income.

Current tax

Tax on income for the current period is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is recognized for the future tax consequences of deductible temporary differences between the carrying values of assets and liabilities and their respective tax bases at the reporting date, using the tax rates and laws that are enacted or substantively enacted as on reporting date. Deferred tax liability are generally recorded for all temporary timing differences. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences can be utilised. Deferred tax relating to items recognized outside the statement of profit and loss is recognized outside the statement of profit and loss, either in other comprehensive income or directly in equity. The carrying amount of deferred tax assets is reviewed at each reporting date.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The Company recognizes tax credits in the nature of MAT credit as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which tax credit is allowed to be carried forward. In the year in which the Company recognizes tax credits as an asset, the said asset is created by way of tax credit to the Statement of profit and loss. The Company reviews such tax credit asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period. Deferred tax includes MAT tax credit.

13 Employee benefits**Short Term Employee Benefits**

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

Post- Employment Benefits**Defined Contribution Plans**

The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related services. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Retirement benefits-gratuity

The Company pays gratuity to the employees who have completed five years of service with the company at the time of resignation/superannuation. The gratuity is paid @ 15 days salary for every completed year of service as per the payment of Gratuity Act 1972.

The gratuity liability amount is contributed to the approved gratuity fund formed exclusively for gratuity payment to the employees. The gratuity fund has been approved by respective Income Tax authorities.

The liability in respect of gratuity and other post-employment benefits is calculated using the projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

AS per IND AS 19, when a company pays insurance premiums to fund a post-employment benefit plan, the company shall treat such a plan as a defined contribution plan unless the company will have (either directly, or indirectly through the plan) a legal or constructive obligation either: (a) to pay the employee benefits directly when they fall due; or (b) to pay further amounts if the insurer does not pay all future employee benefits relating to employee service in the current and prior periods. If the company retains such a legal or constructive obligation, the company shall treat the plan as a defined benefit plan.

Other Long Term Employment Benefits - leave encashment

Provision in respect of accumulated leave encashment/compensated absences is made as per actuarial valuation report.

14 Earnings Per Share

The basic earnings per share is computed by dividing the net profit attributable to equity shareholders for the period by the weighted average number of equity shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share, and also the weighted average number of equity shares which could be issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. In computing dilutive earnings per share, only potential equity shares that are dilutive and that would, if issued, either reduce future earnings per share or increase loss per share, are included.

15 Dividend distribution

The Company recognises a liability to make cash distributions to equity holders, when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

16 Provisions & contingent liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liability arises when the Company has:

- a) a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity; or
- b) a present obligation that arises from past events but is not recognised because:
 - (i) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - (ii) the amount of the obligation cannot be measured with sufficient reliability.

Contingent liabilities are not recorded in the financial statement but, rather, are disclosed in the note to the financial statements.

17 Exceptional items

When items of income and expense within statement of profit and loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such material items are disclosed separately as exceptional items.

- 18 The Ministry of Corporate Affairs (MCA) notified new Accounting Standards or amendments to the existing standards. There is no such notification which would have been applicable from April 01, 2020.

(B) Key accounting estimates

1 Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value are measured using valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions relating to these factors could affect the reported fair value of financial instruments. See Note 30 for further disclosures.

2 Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a discounted cashflow (DCF) model. The cash flows are derived from the budget and do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes.

3 Taxes

Deferred tax assets are recognised for unused tax credits to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

The Company has Rs. 1,33,24,619 as at March 31, 2021 (Rs.1,88,21,147 as at March 31, 2020) of tax credits carried forward. These credits can be utilised over the period of 15 years. The Company has taxable temporary difference and tax planning opportunities available that could support the recognition of these credits as deferred tax assets. On this basis, the Company has determined that it can recognise deferred tax assets on the tax credits carried forward. Refer to Note 19 for further details.

4 Defined benefit plan

The cost of the defined benefit plans and other post-employment benefits and the present value of the obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and future pension increases. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter that is subject to change the most is the discount rate. In determining the appropriate discount rate, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation and extrapolated as needed along the yield curve to correspond with the expected term of the defined benefit obligation.

The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at intervals in response to demographic changes. Future salary increases are after considering the expected future inflation rates for the country.

Refer note 31 for further details.

5 Property, Plant and Equipment

Refer to Note 3 (A) - 4 for the estimated useful life of Property, Plant and Equipment. The carrying values of Property, plant and equipment have been disclosed in Note 4.

6 Intangible assets

Refer to Note 3 (A) - 6 for the estimated useful life of Intangible assets. The carrying values of Intangible assets have been disclosed in Note 5.

7 Allowance for doubtful trade receivables

Trade receivables do not carry any interest and are stated at their nominal value as reduced by appropriate allowances for estimated irrecoverable amounts.

Estimated irrecoverable amounts are derived based on a provision matrix which takes into account various factors such as customer specific risks, geographical region, product type, currency fluctuation risk, repatriation policy of the country, country specific economic risks, customer rating, and type of customer, etc. Individual trade receivables are written off when the management deems them not to be collectable.

Note 34 : Financial risk management

The Company's principal financial liabilities comprise of loans and borrowings, trade payables and other financial liabilities. The loans and borrowings are primarily taken to finance and support the Company's operations. The Company's principal financial assets include cash and cash equivalents, trade receivables and other financial assets.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management ensures that financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. It is the Company's policy that no trading in financial instruments for speculative purposes may be undertaken.

1. **Market Risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk or Net asset value("NAV") risk in case of investment in mutual funds. Financial instruments affected by market risk include investments, trade receivables, trade payables, loans and borrowings and deposits.

The sensitivity analysis in the following sections relate to the position as at March 31, 2023 and as at March 31, 2022.

The sensitivity of the relevant profit and loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2023 and as at March 31, 2022.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on loans and borrowings. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

(Amount Rs.in Lakhs)

Particulars	Increase/(decrease) in basis points	Increase/(decrease) in profit before tax
March 31, 2023		
Rupee borrowings	+50	0.74
	-50	(0.74)
March 31, 2022		
Rupee borrowings	+50	(1.24)
	-50	1.24

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment, showing a significantly higher volatility than in prior years.

Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities, i.e. when revenue or expense is denominated in a foreign currency.

Given below is the foreign currency exposure arising from the non derivative financial instruments:

(Amount Rs.in Lakhs)

Particulars	Foreign Currency Amount (USD)		Reporting Currency Amount (₹)	
	As at March 31, 2023	As at March 31, 2022	As at March 31, 2023	As at March 31, 2022
Accounts Receivable				
USD	8,609.09	14,074.00	7.04	10.68
Euro	1,959.62	-	1.75	-
Accounts Payable				
USD	-	-	-	-
Advance from Customers				
USD	5,481.91	5,301.00	4.48	4.02

Foreign currency sensitivity

The following tables demonstrate the sensitivity to a reasonably possible change in USD and EURO exchange rates, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities.

(Amount Rs.in Lakhs)

Particulars	Change in USD	Effect on profit before tax
March 31, 2023	+5%	0.66
	-5%	(0.66)
March 31, 2022	+5%	0.74
	-5%	(0.74)

**2 Credit Risk**

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions and foreign exchange transactions.

Trade receivables

Customer credit risk is managed by the Company's internal policies, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an credit rating scorecard and credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored and any shipments to major customers are generally covered by letters of credit.

The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

Trade receivables are non-interest bearing and are generally on 0 days to 60 days credit term. Credit limits are established for all customers based on internal rating criteria. The Company has no concentration of credit risk as the customer base is widely distributed both economically and geographically.

Cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties who meet the minimum threshold requirements under the counterparty risk assessment process. The Company monitors the ratings, credit spreads and financial strength of its counterparties. Based on its on-going assessment of counterparty risk, the group adjusts its exposure to various counterparties. The Company's maximum exposure to credit risk for the components of the Balance sheet as of March 31, 2023 and as at March 31, 2022 is the carrying amount as disclosed in Note 8 and 11 except for financial guarantees. The Company's maximum exposure for financial guarantee is given in Note 36.

3 Liquidity Risk

The Company monitors its risk of shortage of funds through using a liquidity planning process that encompasses an analysis of projected cash inflow and outflow.

The Company's objective is to maintain a balance between continuity of funding and flexibility largely through cashflow generation from its operating activities and the use of bank loans. The Company assessed the concentration of risk with respect to refinancing its debt and concluded it to be low. The Company has access to a sufficient variety of sources of funding.

The table below summarises the maturity profile of the Company's financial liabilities (including future interest payable) based on contractual undiscounted payments.

DENIS CHEM LAB LIMITED

Note 35 : Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to ensure that it maintains a strong credit rating and healthy capital ratios in order to support its business and maximise shareholder's value.

The Company manages its capital structure and makes adjustments to it in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes, within net debt, interest bearing loans and borrowings, trade and other payables, less cash and short-term deposits.

Particulars	(Amount Rs.in Lakhs)	
	As at March 31, 2023	As at March 31, 2022
Interest-bearing loans and borrowings (Note 17, 19 & 21)	148.19	248.11
Less: cash and cash equivalent and other bank balances (Note 11 & 12)	1,693.00	882.71
Net debt	(1,544.81)	(634.60)
Equity share capital (Note 15)	1,387.67	1,387.67
Other equity (Note 16)	5,838.64	5,257.46
Total capital	7,226.31	6,645.13
Capital and net debt	5,681.50	6,010.53
Gearing ratio (%)	-27.19%	-10.56%

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the years ended as at March 31, 2023 and March 31, 2022.

ANNUAL REPORT 2022-23

NOTE 39 : SEGMENT REPORTING

In the opinion of the management, there is only one reportable segment ("Manufacturing, and Sales of Transfusion Solution in Bottles) as envisaged by Indian Accounting Standard 108 "Segment Reporting". Further, from a geographical segment perspective, export sales constitute less than 10% of enterprise revenues. Accordingly, no separate disclosure for segment reporting is required to be made in the financial statements of the Company.
