Further to retaining the operation & maintenance (O&M), your Company has been entrusted for supply of specialized man power during implementation of complete up gradation of control & protection system installed at Damanganga Small Hydro Power Projects in Gujarat.

This ultramodern control system will be sourced from Europe and is designed as an integrated control system for small sized Damanganga Hydro Projects including Digital Turbine Governor (DTC) system and is based on the Programmable Logic Controller (PLC) with specific communication and input / output modules for processing signals. The functions of turbine control system will be implemented to provide start of the Units (both SHP I & II) and can be controlled manually or automatically and also operable remotely via SCADA system.

You company is also engaged to supply highly skilled man power involving electrical as well as civil engineers for installation of additional 6.3 MVA Transformer at 3.3 / 66 kV Substation at Damanganga Small Hydro Projects and its related works i.e civil foundations, erection of gantry, laying of cables and execution of additional bay at terminating Substation (66 KV Motapanda) Govt of Gujarat.

FUTURE PROSPECTS

Your Company strives to bid for the prospective projects in the Hydro / Transmission & Distribution (T&D) projects and revival of the small hydro project in Karnataka which awaits statutory clearances from the competent authorities at different levels.

Your Company is also contemplating to revive the other contracts in hand which were temporarily put on hold due to lockdown uncertainty.

Your Company intends to spread its wings by foraying into the Aviation sector which is perhaps one of the most as prospective and promising sector and the world's third largest civil aviation market. Initially your company proposes to set up Flying Training Organization (FTO) so as to impart training to young and aspiring pilots and gradually entering into main stream air transport service by registering itself under non scheduled operations (NSOP), to begin with. Your company is also poised to set up aircraft maintenance repair and overhaul (MROs) unit by yearly 2024.

Your directors inform that they are in advance stage of negotiations with dealers for procurement of suitable aircraft to India and that the registration process for grant of requisite clearances and licenses has already applied with Directorate General Civil Aviation (DGCA) of India, in this regard.

The requisite resolutions proposing addition to the Memorandum of Association (MOA) is placed before the members for their approval.

DIVIDEND

During the Financial year 2022-23, the Company has made profits and it was decided that the profits be retained to improve the operations for future.

SUBSIDIARY COMPANIES

The Company has (02)two subsidiaries Tarini Sugars and Distilleries Limited and Venture Infrastructure Limited There are (02) two associate companies within the meaning of Section 2(6) of the Companies Act, 2013 (Act)i.e., Tarini Infrastructure Limited, and Tarini Life sciences Limited. There has been no material change in the nature of the business of the subsidiaries and there is no company which have become or ceased to become subsidiary, joint-venture or Associate Company during the year.

Pursuant to Section 129(3) of the Companies Act, 2013 and Accounting Standard- 21 issued by the Institute of Chartered Accountants of India, Consolidated Financial Statements presented by the Company include the Financial Statements of its Subsidiaries.

AUDITORS

M/s M. Modi & Associates, Chartered Accountants continues to be the Statutory Auditors of the Company on the remuneration to be decided by the Board of Directors. M/s M. Modi & Associates, Chartered Accountants have submitted a certificate, confirming that their appointment is within the limits prescribed in the Section 139 read with Section 141 of the Act.

The Statutory Auditors have given certain observations in their Audit report as under:

We draw attention to note 28 to Financial Statement regarding the investment amounting Rs.121.59 Lakhs in the subsidiaries, which has suffered recurring losses and has a net capital deficiency. The financial statements of that subsidiary have been prepared assuming that the Company will continue as a going concern. These conditions raise substantial doubt about its ability to continue as a going concern. The standalone financial statements do not include any adjustments relating to the recoverability and classification of asset carrying amounts that might result that the subsidiary be unable to continue as a going concern. Had the provision been made in the books of account, the profit before tax for the year would have been converted into loss amounting to Rs. 107.81 Lakhs.

Though there is an accumulated loss in the subsidiary companies, the said companies have not bagged new projects or work orders due to recession scenario. However, lot of bids are still open for participation and the said company will bag some orders in the near future and hence your directors are of the opinion that no adjustment is required at this stage and the same will be done at the appropriate time.

The other observations of the Auditor are self explanatory and need no reply from the Board of Directors.

SECRETARIAL AUDITOR

Pursuant to the provisions of Section 204 of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Board had appointed Mr. Manoj Sharma, Partner, RSMV & Co. The Report contains the following observations:-

- 1. The Enforcement Directorate under the Prevention of Money Laundering Act, 2002 has provisionally attached the farm house of the Company and the company has obtained the stay from the High Court of Delhi against the said attached order.*
- 2. The Securities Appellate Tribunal has dismissed the appeal of the Company against the order dated March 29, 2019 passed under section 11 and 11B of The Securities and Exchange Board of India Act, 1992 by the Whole Time Member (WTM) of the SEBI and the order dated February 10, 2020 passed under section 15-1 of The Securities and Exchange Board of India Act, 1992 by the Adjudicating officer. The Company has filed a statutory appeal against said order before the Hon'ble Supreme Court of India. The Hon'ble Supreme Court of India has ordered recovery of half of the penalty imposed by SEBI, and stayed the recovery of the balance amount. The matter is still under consideration of the Hon'ble Supreme Court.*

N. S. S. Am.

3. *The Nomination and Remuneration Committee consists of one Executive Director (Promoter) in the place of Non-Executive Director. To this extent, there is non-compliance of provision of section 178 (1) of the Companies Act 2013.*
4. *An Investigation process was initiated by Regional Director (North) Ministry of Corporate Affairs, consequent to SEBI communication received by MCA, under Section 210(1)(c) of the Companies Act, 2013. The Company has filed a petition against the said investigation process with the Hon'ble High Court of Delhi. The matter is under the consideration of the Hon'ble High Court.*
5. *The Registrar of Companies, NCT of Delhi & Haryana had initiated the prosecution process against the KMP's in the Court of ASJ-03 and Special Judge (Companies Act), Dwarka Court's (SW)/New Delhi. The Complaint was dismissed by the said court consequent upon non appearance of the ROC, Despite the Dismissal of the Complaint said Court issued a Summon to the KMP's vide dated 27th April 2022. The Company has filed a writ petition with the Hon'ble High Court of Delhi and the said summon had been stayed by the Hon'ble High Court vide order dated 15th July 2022 because the Court of ASJ-03 and Special Judge (Companies Act), Dwarka Court's (SW)/New Delhi has become functus officio.*
6. *During the year under review there was delay in depositing of Income Tax and GST.*

Your directors would like to clarify as under to the said observations:

1. The Company has obtained the stay from the High Court of Delhi against the said attached order and the stay continues.
2. The observation is a factual statement and your Directors are of the opinion that this observation does not need any reply.
3. Your Directors are looking for a suitable person for appointment which will be done as earliest as possible.
4. The final outcome of the Writ is still awaited. In view of this, your Directors don't foresee any immediate action in this matter.

MANAGEMENT DISCUSSION AND ANALYSIS

This report discusses and analyses the performance for the year ended 31st March 2023.

FY 2022-23 started with intermittent lockdowns following the second wave of Covid-19 and also witnessed the war between Russia and Ukraine towards its closure, which led to a highly uncertain economic environment. Amidst the challenging business and economic conditions, your Company's overall performance for the FY 2022- 23 was resilient, consistent and good and the income of the Company stood as Rs 1.79 Crores.

Overall review of operations

The Company is in the business of engineering, consultancy, turnkey contracts in power sector industry. The Company has recorded an Operational income of Rs.1.79 Crores.

Industry Structure and Development

Consultancy is a practice of giving expert advice within a particular field by professionals or experts who advice in a particular area and has knowledge, well experienced, problem solving skill and is expertise of the subject matter.

The Power sector in India is slowly moving from a regulated return framework to a market driven pricing mechanism. This has provided a major boost for private entrepreneurs to enter the Power Sector.

Opportunities and Threats

The Indian engineering and consultancy services industry is poised to grow in leaps and bounds. There are more opportunities for this industry in the years to come keeping in view the modernization policy envisaged by the Government of India. Our Company being an integrated player providing turn-key services under one umbrella from designing, construction, generation, transmission and distribution has lot of scope for further work in the coming years.

It is pertinent to mention that there are lots of leading players in the market who are providing more integrated services to the industry. The changes in the Government policy, fluctuations in foreign currency and increase in cost of skilled manpower also poses threat to the consultancy industry as a whole.

Future Outlook

The Power sector in India is slowly moving from a regulated return frame work to a market driven pricing mechanism. This will encourage a number of private entrepreneurs to set up power projects. Our Company being one of the organizations providing turn-key based services relating to transmission and distribution services has tremendous scope of getting a number of contracts. Therefore the future outlook of the Company looks bright in the years to come.

Your Company is also contemplating to revive the other contracts in hand which were temporarily put on hold due to lockdown uncertainty.

N. S. J. Arun .

Your Company intends to spread its wings by foraying into the Aviation sector which is perhaps one of the most as prospective and promising sector and the world's third largest civil aviation market. Initially your company proposes to set up Flying Training Organization (FTO) so as to impart training to young and aspiring pilots and gradually entering into main stream air transport service by registering itself under non scheduled operations (NSOP), to begin with. Your company is also poised to set up aircraft maintenance repair and overhaul (MROs) unit by yearly 2024.

Your directors inform that they are in advance stage of negotiations with dealers for procurement of suitable aircraft to India and that the registration process for grant of requisite clearances and licenses has already applied with Directorate General Civil Aviation (DGCA) of India, In this regard.

The requisite resolutions proposing addition to the Memorandum of Association (MOA) is placed before the members for their approval.

Risk & Concerns

The Company on regular basis reviews its Risk Management Policy and takes proactive steps to safeguard and minimize any adversity related to the Market, Technology, People, Environment/Regulatory, Financial and Opportunity Risks. Wherever necessary, the Company takes adequate insurance coverage of its assets for safeguarding from unforeseen risks.

Internal Control Systems and their Adequacy

The Company has adequate internal control system and well laid-down policies and procedures for all its operations and financial functions. The procedures are aligned to provide assurance for maintaining proper accounting controls, monitoring efficient and proper usage of all its assets and reliability of financial and operational reports. The internal control system is ably supported by the Internal Audit Department which carries out extensive audit of various functions throughout the Company. The Company's Board has an Audit Committee which comprises of three members, all of whom are Independent Directors. The Audit Committee reviews significant findings of the internal audit.

Human Resources/Industrial Relations

The Company takes pride in the commitment, competence and dedication shown by its employees in all areas of business. Various Human Resource initiatives are taken to align the HR Policies to the growing requirements of the business.

The Company has a structured induction process and management development programmes to upgrade skills of managers. Technical and safety training programmes are given periodically to workers deputed at various project sites.

Industrial relations in the organization continued to be cordial during the year.

Cautionary Statement

Statements made in this report describing the Company's objectives, projections, estimates, expectations may be "forward looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand/supply and price conditions in the domestic and overseas markets in which the Company operates, changes in the Government regulations, tax laws and other statutes and incidental factors.

INDEPENDENT AUDITORS' REPORT

To the Members of **TARINI INTERNATIONAL LIMITED**

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying standalone financial statements of **TARINI INTERNATIONAL LIMITED ("the Company")**, which comprise the Balance sheet as at March 31, 2023, the Statement of profit and loss, cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effect of matter described in basis for qualified opinion paragraph, the standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at March 31, 2023 and the Profit / Loss, and its cash flow for the year ended on that date.

Basis for qualified opinion

We draw attention to note 28 to Standalone Financial Statement regarding the investment amounting Rs.121.59 Lakhs in the subsidiaries, which has suffered recurring losses and has a net capital deficiency. The financial statements of that subsidiary have been prepared assuming that the Company will continue as a going concern. These conditions raise substantial doubt about its ability to continue as a going concern. The standalone financial statements do not include any adjustments relating to the recoverability and classification of asset carrying amounts that might result that the subsidiary be unable to continue as a going concern. Had the provision been made in the books of account, the profit before tax for the year would have been converted into loss amounting to Rs. 107.82 Lakhs.

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Emphasis of Matters

1. We draw attention to the note 32 of the standalone financial statements, in respect of trade receivables and trade payables external confirmations of the balances were not obtained by the Company. Due to non-availability of confirmation of balances, we are unable to quantify the impact upon the profit for the year, if any, arising from the confirmation of balances.
2. We draw attention to the note 26 of the standalone financial statements regarding the provisional attachment of the farm house of the company by The Enforcement Directorate under The Prevention of Money Laundering Act, 2002 against which the company has obtained the stay from the High Court of Delhi.
3. We draw attention to the note 27 of the standalone financial statements regarding the advance made of Rs. 59.16 Lakhs (equivalent Euro – 80,000/-) as share application money during the year 2015-16, towards acquisition of 51% shares of HPWE GmbH. Against such payment, share has not been allotted as the company could not make full payment.
4. We draw attention to note 29 of the standalone financial statements wherein The Securities Appellate Tribunal (SAT) has dismissed the appeal of the Company against the order date March 29, 2019 passed under section 11 and 11B of the Securities and Exchange Board of India Act, 1992 by the Whole Time Member (WTM) of the SEBI and the order dated February 10, 2020 passed under section 15-I of the Securities and Exchange Board of India Act, 1992 by the Adjudicating Officer imposing penalty of Rs. 505 Lakhs. However, the Company has filed, a statutory appeal against such order before the Hon'ble Supreme Court of India. The outcome of such appeal is pending.

Our Opinion is not qualified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no significant matters except for the matters described in the basis for qualified opinion section and the Emphasis of matter section, that are required to be disclosed here.

Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Director's Report including its Annexures, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent

with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with relevant Rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those

risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF TARINI INTERNATIONAL LIMITED

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Tarini International Limited** ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these standalone financial statements and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for audit opinion on the internal financial controls over financial reporting with reference to these standalone financial statements.

Meaning of Internal Financial Controls Over Financial Reporting with Reference to these Standalone Financial Statements

A company's internal financial control over financial reporting with reference to these standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting with Reference to these Standalone Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these standalone financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis for Qualified Opinion

In our opinion and according to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2023:

The Company did not have appropriate internal financial controls over (a) Assessment of impairment in value of long term equity investment and assessment of impairment in value of loans and advances to various parties, (b) Control over reconciliation of Creditors balances or other advances, (c) Control over the statutory compliances, (d) Assessment of expected cash requirement for the timely payment of statutory dues such as Income tax, Service tax, GST, and PF etc.

The inadequate supervisory and review control over Company's process in respect of aforesaid assessment in accordance with the accounting principles generally accepted in India could

potentially result in a material misstatement in preparation and presentation of standalone financial statement including the profit/loss after tax.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting with reference to these standalone financial statements, such that there is a reasonable possibility that a material misstatement of the company's annual or interim standalone financial statements will not be prevented or detected on a timely basis.

Qualified opinion

In our opinion, except for the possible effects of material weaknesses described in "basis of qualified opinion" paragraph above, the Company has, in all material respects, an adequate internal financial controls system over financial reporting with reference to these standalone financial statements and such internal financial controls over financial reporting with reference to these standalone financial statements were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the standalone financial statements of the Company for the year ended on March 31, 2023, and these material weaknesses have affected our opinion on the standalone financial statements of the Company and we have issued a qualified opinion on the standalone financial statements

Notes forming part of Financial Statements for the year ended March 31, 2023

Note 1 - Significant Accounting Policies and Notes forming part of the standalone financial statements

I. Company Background

Tarini International Limited hereinafter referred to as ("the Company") is engaged in the business of Turnkey Contractors & Consultancy in Power Generation, Transmission & Distribution and other EPC contracts.

II. Significant accounting policies

A Basis of accounting and preparation of standalone financial statements

The standalone financial statements have been prepared under the historical cost convention on an accrual basis in accordance with Generally Accepted Accounting Principles (Indian GAAP) and accounting standards specified under section 133 read with Rule 7 of Company Account Rule, 2014 and other pronouncements of the Institute of Chartered Accountant of India (ICAI). The accounting policies have been consistently applied by the company and are consistent with those used in the previous year unless otherwise stated.

B Use of estimates

The preparation of the standalone financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the balances of assets and liabilities and disclosures relating to contingent liabilities as at the reporting date of the standalone financial statements and amounts of income and expenses during the period of account. Examples of such estimates include provision for doubtful debts, income taxes and future obligations under employee retirement benefit plans. Management periodically assesses whether there is an indication that an asset may be impaired and makes provision in the accounts for any impairment losses estimated. Contingencies are recorded when it is probable that a liability will be incurred, and the amount can be reasonably estimated. Actual results could differ from those estimates.

C Property, plant and equipment

Tangible assets are stated at cost less accumulated depreciation and impairment losses, if any. The cost of property, plant and equipments comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of property, plant and equipment during construction period included to the extent they relate to the period till such assets are ready to be put to use. Subsequent expenditure related to an item of tangible assets are added to the book value only if they increase the future benefits from the existing assets beyond its previously assessed standard of performance.

Intangible assets are stated at acquisition cost net of accumulated impairment loss, if any.

D Depreciation / Amortisation

Depreciation on property, plant and equipment is provided to the extent of depreciable amount on Straight Line method (SLM) at the rates and in the manner prescribed in Schedule II to the Companies Act, 2013 over their useful life. In respect of the additions made or assets sold / discarded during the year, prorata depreciation has been provided.

E Impairment of assets

The carrying value of assets at each balance sheet date are reviewed for impairment. If any indication of the impairment exist, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exist their recoverable amount. the recoverable amount is the greater of net selling price and their value in use. Value in use is arrived at by discounting the future cash flow to their present value based on the appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting period no longer exists or may have decreased, such reversal of impairment loss is recognised in the statement of profit and loss.

F Investments

Investments that are readily realisable and intended to be held for not more than a year are classified as "Current investments". All other investments are classified as "Long-term investments". Current investments are carried at lower of cost and fair value. Long-term investments are carried at cost less provision for diminution other than temporary in value of such investments. Dividend Income is accounted when the right to receive dividend is established.

G Borrowing Costs

Borrowing costs that are attributable to the acquisition and construction of qualifying assets are capitalised as part of cost of such assets till such time the asset is ready for its intended use. A qualifying asset is one that requires substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss as period costs.

H Contingent Liability & Provisions

A provision is recognized when there is a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liability is disclosed for

- a) Possible obligation which will be confirmed only by future events not wholly within the control of the Company or
- b) Present obligations arising from the past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.
- c) Contingent Assets are not recognized in the standalone financial statements since this may result in the recognition of income that may never be realized.

I Foreign currency transactions

Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting of such monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

J Retirement and other employee benefits

Employee benefits include Provident fund, Gratuity fund and compensated absences.

i) **Defined contribution plans** - The contribution to the Provident fund is considered as defined contribution and is charged as an expense based on the amount of contribution required to be made.

ii) **Defined benefit plans** - For defined benefit plans in the form of gratuity fund, the cost of providing benefits is determined on the basis of arithmetic calculations at each balance sheet date.

iii) **Short-term employee benefits** - The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the period when employee render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service. The cost of short term compensated absences is accounted, in case of non accumulating compensated absences, when the absence occur.

K Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be measured reliably.

L Leases

a) Finance Lease

Leases which effectively transfer to the Company all risks and benefits incidental to ownership of the leased item are classified as Finance Lease. Lease rentals are capitalized at the lower of the fair value and present value of the minimum lease payments at the inception of the lease term and disclosed as leased assets. Lease payments are apportioned between the finance charges and reduction of the lease liability based on the implicit rate of return.

b) Operating Lease

Lease where the lesser effectively retains substantially all risks and benefits of the asset are classified as Operating lease. Operating lease payments are recognized as an expense in the statement of Profit and Loss on a Straight Line Basis over the Lease term.

M Earnings per share

In arriving at the EPS, the Company's net profit/ loss after tax, computed in terms of the Indian GAAP, is divided by the weighted average number of equity shares outstanding on the last day of the reporting period. The EPS, thus arrived at is known as 'Basic EPS'. To arrive at the diluted EPS, the net profit / loss after tax, referred above and the weighted average number of equity shares, as computed above and the weighted average number of equity shares that would have been issued on conversion of shares having potential dilutive effect subject to the terms of issue of those potential shares. The dates of issue of such potential shares determine the amount of the weighted average number of potential equity shares.

In the event of issue of bonus shares, or share split the number of equity shares outstanding is increased without an increase in the resources. The number of Equity shares outstanding before the event is adjusted for the proportionate change in the number of equity shares outstanding as if the event had occurred at the beginning of the earliest period reported.

N Income taxes

Current tax is determined as the amount of tax payable in respect of taxable income for the year. A provision is made for income tax annually based on the tax liability computed, after taking into consideration of tax allowances and exemptions. Provisions are recorded when it is estimated that a liability due to disallowances or other matters are probable.

As per Accounting Standard (AS) 22 issued by Institute of Chartered Accountant of India, deferred tax liability / assets is recognized subject to prudence, on timing differences, being reversal in one or more subsequent periods. Deferred tax asset are recognized only to the extent there is reasonable certainty that the assets can be realized in future. However, where there is unabsorbed depreciation or carried forward of losses, deferred tax assets are recognized only if there is a virtual certainty of realization of such asset.

INDEPENDENT AUDITORS' REPORT

To the Members of **TARINI INTERNATIONAL LIMITED**

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the accompanying consolidated financial statements of **TARINI INTERNATIONAL LIMITED** (Herein after referred to as the "Holding Company"), and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), which comprise the consolidated Balance sheet as at March 31, 2023, the consolidated Statement of profit and loss, the consolidated cash flow statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effect of matter described in Basis for qualified opinion paragraph, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs of the company as at March 31, 2023 and of the consolidated profit / loss, and its consolidated cash flow for the year then ended.

Basis for qualified opinion

We draw attention to note 33 to consolidated financial statement regarding the investment made amounting to Rs.121.59 Lakhs in a subsidiary, who has suffered recurring losses and has a net capital deficiency. The financial statements of that subsidiary have been prepared assuming that the Company will continue as a going concern. These conditions raise substantial doubt about its ability to continue as a going concern. The financial statements of holding company do not include any adjustments relating to the recoverability and classification of asset carrying amounts that might result that the subsidiary be unable to continue as a going concern.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the audit of the consolidated financial statements section of our report. We are independent of the Group in accordance with the Code of

Ethics issued by the Institute of Chartered Accountants of India ("ICAI"), and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matters

1. We draw attention to the note 38 of the consolidated financial statements, in respect of trade receivables and trade payables external confirmations of the balances were not obtained by the Company. Due to non-availability of confirmation of balances, we are unable to quantify the impact upon the profit for the year, if any, arising from the confirmation of balances.
2. We draw attention to note 30 of the consolidated financial statements wherein the share in profit of an Associate company is included in the value of investment and correspondingly in the Reserves and surplus based on the unaudited financial statement of the Associate company.
3. We draw attention to the note 32 of the consolidated financial statements regarding the advance made of Rs. 59.16 Lakhs (equivalent Euro – 80,000/-) as share application money during the year 2015-16, towards acquisition of 51% shares of HPWE GmbH. Against such payment, share has not been allotted as the company could not make full payment.
4. We draw attention to the note 34 of the consolidated financial statements regarding the provisional attachment of the farm house of the company by The Enforcement Directorate under The Prevention of Money Laundering Act, 2002 against which the company has obtained the stay from the High Court of Delhi.
5. We draw attention to note 35 of the consolidated financial statements wherein The Securities Appellate Tribunal (SAT) has dismissed the appeal of the Parent Company against the order date March 29, 2019 passed under section 11 and 11B of the Securities and Exchange Board of India Act, 1992 by the Whole Time Member (WTM) of the SEBI and the order dated February 10, 2020 passed under section 15-I of the Securities and Exchange Board of India Act, 1992 by the Adjudicating Officer imposing penalty of Rs. 505 Lakhs. However, the Company has filed, a statutory appeal against such order before the Hon'ble Supreme Court of India. The outcome of such appeal is pending.

Our Opinion is not qualified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no significant matters except for the matters described in the basis of qualified opinion section and the Emphasis of matter section, that are required to be disclosed here.

Information Other than the Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Director's Report including its Annexures, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the

consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements / financial information of 2 subsidiaries, whose financial statements / financial information reflect total assets of Rs. 40.80 lakhs as at 31st March, 2023, total revenues of Rs. 5.63 Lakhs and net cash inflows of Rs. 0.80 Lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.

The consolidated financial statements also includes the unaudited financial statements / financial information of 2 associates, whose financial statements / financial information reflect Holding company's share of profits of Rs. 173.61 lakhs for the year ended on March 31, 2023.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of the subsidiary companies, incorporated in India, as noted in the 'Other Matter' paragraph we give in the "Annexure 1" a statement on the matters specified in clause 3(xxi) of the Order.

**ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE
ON THE CONSOLIDATED FINANCIAL STATEMENTS OF TARINI
INTERNATIONAL LIMITED**

**Report on the Internal Financial Controls over Financial Reporting under Clause (i) of
Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **Tarini International Limited** ("the Holding Company") and its subsidiary companies, as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting with reference to these consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting with reference to these consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis for Qualified Opinion

In our opinion and according to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2023:

The Holding Company did not have appropriate internal financial controls over (a) Assessment of impairment in value of long term equity investment and assessment of impairment in value of loans and advances to various parties, (b) Control over reconciliation of Creditors balances or other advances, (c) Control over the statutory compliances, (d) Assessment of expected cash requirement for the timely payment of statutory dues such as Income tax, Service tax, GST, and PF etc.

The inadequate supervisory and review control over Company's process in respect of aforesaid assessment in accordance with the accounting principles generally accepted in India could potentially result in a material misstatement in preparation and presentation of financial statement including the profit/loss after tax.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting with reference to these consolidated financial statements, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

Qualified opinion

In our opinion, except for the possible effects of material weaknesses described in "basis of qualified opinion" paragraph above, the Holding Company and its subsidiary companies have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting with reference to these consolidated financial statements criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the Consolidated financial statements of the Company for the year ended on March 31, 2023, and these material weaknesses have affected our opinion on the Consolidated financial statements of the Company and we have issued a qualified opinion on the Consolidated financial statements

Notes forming part of Financial Statements for the year ended March 31, 2023

Note 1 -Significant Accounting Policies and Notes forming part of the Consolidated Financial Statements

I. Principles of Consolidation

1 The Consolidated Financial Statements (CFS) relates to Tarini International Limited (the company)and its majority owned and wholly owned subsidiary companies. The Consolidated Financial statements have been prepared on the following basis:-

i) The Financial Statements of the Company and its subsidiary companies have been combined on line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balance and intra-group transaction resulting in unrealised profits or losses as per Accounting Standard (AS) 21 - "Consolidated Financial Statements".

ii) The excess of the cost of the company of its investment in the subsidiary, over its share of equity at the dates on which the investment in the subsidiary is made, is recognized as 'Goodwill' being an asset in consolidated Financial Statements. The excess of company's share of equity in the subsidiary as at the date of its investments is treated as Capital Reserve.

iii) Minority interest in the net assets of consolidated subsidiaries consists of the amount of equity attributable to minority shareholders at the date on which investments are made by the Company in the subsidiary companies and further movement in their share in the equity, subsequent to the dates of investments as stated above. Losses applicable to the minority, are adjusted against the majority interest because minority has no binding obligation to make good the losses. However, if the subsidiary subsequently reports profits, all such profits are allocated to the majority interest until the minority's share of losses previously absorbed by the majority has been recovered.

iv) In case of Associate where the company directly or indirectly through subsidiary holds 20% or more of the equity, it is presumed that the investor has significant influence, unless it can be clearly demonstrated that this is not the case. Investments in associates are accounted for using equity method in accordance with Accounting Standard (AS) 23 - "Accounting of Investments in Associates in Consolidated Financial Statement" issued by the Institute of Chartered Accountants of India.

v) The Company accounts for its share in the change in the net assets of the associates, post acquisition, after elimination unrealized profit and losses resulting from transaction between the company and its associates to extent of its share, through its profit and loss account to extent such change is attributable to associates' profit and loss account and through its reserve for the balance, based on the available information.

vi) As far as possible, the Consolidated Financial Statements are prepared using uniform accounting policies for like transactions and other events in same manner as the Company's separate financial statements.

vii) Investments other than in subsidiaries and associates have been accounted for as per Accounting Standard (AS) 13 - "Accounting for Investments" issued by the Institute of Chartered Accountants of India.

2 Significant Accounting Policies and Notes to these consolidated financial statements are intended to serve as a means of informative disclosure and guide to better understanding of the consolidated position of the Company. Recognizing this purpose, only such policies and notes from the individual financial statements, which fairly present the needed disclosures have been disclosed, lack of homogeneity and other similar considerations made it desirable to exclude some of them, which in the opinion of the management, could be better viewed, when referred from the individual financial statements.

II. Significant accounting policies

A Basis of accounting and preparation of Consolidated Financial Statements

The consolidated financial statements have been prepared under the historical cost convention on an accrual basis in accordance with Generally Accepted Accounting Principles (Indian GAAP) and accounting standards specified under section 133 read with Rule 7 of Company Account Rule, 2014 and other pronouncements of the Institute of Chartered Accountant of India (ICAI). The accounting policies have been consistently applied by the company and are consistent with those used in the previous year unless otherwise stated.

B Use of estimates

The preparation of the Consolidated Financial Statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the balances of assets and liabilities and disclosures relating to contingent liabilities as at the reporting date of the Consolidated Financial Statements and amounts of income and expenses during the period of account. Examples of such estimates include provision for doubtful debts, income taxes and future obligations under employee retirement benefit plans. Management periodically assesses whether there is an indication that an asset may be impaired and makes provision in the accounts for any impairment losses estimated. Contingencies are recorded when it is probable that a liability will be incurred, and the amount can be reasonably estimated. Actual results could differ from those estimates.

Handwritten signature/initials

Handwritten signature/initials

C Property, plant and equipment

Tangible assets are stated at cost less accumulated depreciation and impairment losses, if any. The cost of property, plant and equipments comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of property, plant and equipment during construction period included to the extent they relate to the period till such assets are ready to be put to use. Subsequent expenditure related to an item of tangible assets are added to the book value only if they increase the future benefits from the existing assets beyond its previously assessed standard of performance.

Intangible assets are stated at acquisition cost net of accumulated impairment loss, if any.

D Depreciation / Amortisation

Depreciation on Property, plant and equipment is provided to the extent of depreciable amount on Straight Line method (SLM) at the rates and in the manner prescribed in Schedule II to the Companies Act, 2013 over their useful life. In respect of the additions made or assets sold / discarded during the year, pro-rata depreciation has been provided.

E Impairment of assets

The carrying value of assets at each balance sheet date are reviewed for impairment. If any indication of the impairment exist, the recoverable amount of such assets is estimated and impairment is recognized, if the carrying amount of these assets exist their recoverable amount, the recoverable amount is the greater of net selling price and their value in use. Value in use is arrived at by discounting the future cash flow to their present value based on the appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting period no longer exists or may have decreased, such reversal of impairment loss is recognised in the statement of profit and loss account.

F Investments

Investments that are readily realisable and intended to be held for not more than a year are classified as "Current investments". All other investments are classified as "Long-term investments". Current investments are carried at lower of cost and fair value. Long-term investments are carried at cost less provision for diminution other than temporary in value of such investments. Dividend Income is accounted when the right to receive dividend is established.

G Borrowing Costs

Borrowing costs that are attributable to the acquisition and construction of qualifying assets are capitalised as part of cost of such assets till such time the asset is ready for its intended use. A qualifying asset is one that requires substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Statement of Profit and Loss as period costs.

H Contingent Liability & Provisions

A provision is recognized when there is a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liability is disclosed for

- a) Possible obligation which will be confirmed only by future events not wholly within the control of the Company or
- b) Present obligations arising from the past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.
- c) Contingent Assets are not recognized in the Consolidated Financial Statements since this may result in the recognition of income that may never be realized.

I Foreign Currency transactions

Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

All loans and deferred credits repayable in foreign currency and outstanding at the close of the year are expressed in Indian currency at the date prevailing at the balance sheet date.

Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting of such monetary items at rates different from those at which they were initially recorded during the year, or reported in previous Consolidated Financial Statements, are recognized as income or as expenses in the year in which they arise.

J Retirement and other employee benefits

Employee benefit include Provident fund, Gratuity fund and compensated absences

- i) **Defined contribution plans** - The contribution to the Provident fund is considered as defined contribution and is charged as an expense based on the amount of contribution required to be made.
- ii) **Defined benefit Plans** - For defined benefit plans in the form of gratuity fund, the cost of providing benefits is determined on the basis of arithmetic calculations at each balance sheet date.

[Handwritten signature]

iii) **Short term employee benefits** - The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the period when employee render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service. The cost of short term compensated absences is accounted, in case of non accumulating compensated absences, when the absence occur.

K Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be measured reliably.

L Leases

a) Finance Lease

Leases which effectively transfer to the Company all risks and benefits incidental to ownership of the leased item are classified as Finance Lease. Lease rentals are capitalized at the lower of the fair value and present value of the minimum lease payments at the inception of the lease term and disclosed as leased assets. Lease payments are apportioned between the finance charges and reduction of the lease liability based on the implicit rate of return.

b) Operating Lease

Lease where the lesser effectively retains substantially all risks and benefits of the asset are classified as operating lease. Operating lease payments are recognized as an expense in the statement of profit and loss account on a straight line basis over the lease term.

M Earnings per share

In arriving at the EPS, the Company's net profit/ loss after tax, computed in terms of the Indian GAAP, is divided by the weighted average number of equity shares outstanding on the last day of the reporting period. The EPS thus arrived at is known as 'Basic EPS'. To arrive at the diluted EPS, the net profit / loss after tax, referred above and the weighted average number of equity shares, as computed above and the weighted average number of equity shares that would have been issued on conversion of shares having potential dilutive effect subject to the terms of issue of those potential shares. The dates' of issue of such potential shares determine the amount of the weighted average number of potential equity shares.

In the event of issue of bonus shares, or share split the number of equity shares outstanding is increased without an increase in the resources. The number of equity shares outstanding before the event is adjusted for the proportionate change in the number of equity shares outstanding as if the event had occurred at the beginning of the earliest period reported.

N Income taxes

Current tax is determined as the amount of tax payable in respect of taxable income for the year. A provision is made for income tax annually based on the tax liability computed, after taking into consideration of tax allowances and exemptions. Provisions are recorded when it is estimated that a liability due to disallowances or other matters are probable.

As per Accounting Standard (AS) 22 issued by Institute of Chartered Accountant of India, deferred tax liability / assets is recognized subject to prudence, on timing differences, being reversal in one or more subsequent periods. Deferred tax asset is recognized only to the extent there is reasonable certainty that the assets can be realized in future. However, where there is unabsorbed depreciation or carried forward of losses, deferred tax assets are recognized only if there is a virtual certainty of realization of such asset.
