#### THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING:

**Step 1:** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

**Step 2:** Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non individual shareholders in demat mode.

**(I) The voting period begins on 18<sup>th</sup> September, 2023 at 09:00 AM and ends on 20<sup>th</sup> September, 2023 at 05:00 PM During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 14<sup>th</sup> September, 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.**

(ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

(iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242** dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

**Step 1:** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

(iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

## **ANNEXURE TO DIRECTOR'S REPORT MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

### **OVERVIEW**

Rapidly changing global economic & business conditions and technological innovation are creating an increasingly competitive environment that is driving companies to transform their operations globally. While the expectations of the customers have increased manifold; your Company is committed to satisfy the clients with improved quality and accelerated delivery schedules with a focus on developing long term relationships and strengthening strategic partnerships.

There has been no occurrence of any event or circumstance since the date of the last financial statements that may materially and adversely affect or is likely to affect the trading or profitability of our Company or the value of our assets or our ability to pay our liabilities.

### **INDUSTRY STRUCTURE & DEVELOPMENT:**

The Non-Banking Financial Companies (NBFCs) have come a long way from the era of concentrated regional operations, lesser credibility and poor risk management practices to highly sophisticated operations. NBFCs are now recognized as complementary to the banking system capable of absorbing shocks and spreading risks at the times of financial distress. The RBI also recognizes them as an integral part of the financial system and trying to improve credibility of the entire sector.

New opportunities like home equity, credit cards, personal finance etc. expected to take NBFCs to a new level. Growth in all these segments is sustainable at a higher rate than before given the low penetration and changing demography in the country.

The Company is looking to reduce its exposure to the broking sector and plans on entering other business in finance and technology. The Company will focus its energies on expanding horizons and rapidly expanding another promising field.

### **Results of Operations:**

During the year the Company has achieved an Income of Rs. 78,75,098 /- compared to Rs. 79,65,957/-, Total comprehensive income for the period (Comprising Profit/(Loss) and other Comprehensive Income for the period) after tax stood at Rs. 13,15,523 /-, as against Rs. 34,52,008/- in the previous fiscal year. The Company's income other than interest income includes a major portion from the profit include NPA provision written back and provision for income tax only. The Company is taking steps to generate more income from its core activities in the upcoming period.

### **SEGMENT-WISE PERFORMANCE:**

Since the Company's entire business is conducted within India. Hence there is no reportable geographical segment for the year. Moreover, the Company is mainly engaged in the business of "Finance & Investment". All the activity of the Company revolves around the main business and as such in the opinion of the management. Hence, Accounting Standard on Segment Reporting (AS-17) issued by The Institute of Chartered Accountants of India does not apply.

### **OPPORTUNITIES AND THREATS:**

#### **Opportunities:**

The Company is looking at opportunities in the short term that offer quick growth and steady cash flow and is looking to establish the framework that will allow the exploitation of opportunities that will arise in the long term. The Company sees short term opportunities in the consumer services business and a long-term opportunity in low cost and micro finance and broking services.

#### **Threats:**

- i. High Cost of funds.
- ii. Assets Quality deterioration may not only wipe out profits but also net growth.

- iii. Growing retail thrust within banks
- iv. Uncertain capital market conditions.
- v. High Investment Risks.

#### **RISKS & CONCERNS:**

The business of the company totally depends upon the changes taking place in the economy either it be relating to fluctuations in stock and capital market, regulations governing such markets, government policies, taxation policies, changes taking place in global economies, etc. Deriving from the long years of experience in financing and trading in securities. Your Company's credit policy framework is designed to provide the right balance between business growth and portfolio quality. The Company's philosophy of not outsourcing the credit appraisal process has ensured that credit filters are uniformly applied by experienced and well-trained employees. The growth of industry provides necessary opportunities for the company to grow. However, the company is under constant pressure due to steep competition from unorganized sector and industrial scenario in the nearby area.

Our Company has a diversified source of income still economic slowdown, increase in interest rate, political instability remains key concerns. Our business continues to remain linked with the economic performance of the country. Company's performances shall be affected if stock markets were to decline sharply. Increased competition is also a cause of concern. Availability and retention of manpower is also a key considering the growing number of opportunity and increasing number of players in this field.

#### **FUTURE OUTLOOK:**

The Global economy seem to be week and another recession is very likely given the current circumstances. The Company expects inflation to remain a primary concern and impediment to growth. Established sectors in India have high entry barriers and will continue to remain so however even during period of recession, the Company forecast the maturing of the consumer-oriented services industry.

Factors that may affect results of the operations:

Financial conditions and results of operations of the company are affected by numerous factors inter alia-

- Growth of unorganized sector and threat from local regional players
- Changes in the market environment.
- Change in freight and forwarding charges
- General economic and business conditions
- Company's ability to successfully implement our growth strategy
- Prices of raw materials the company consume and the products it manufactures
- Changes in laws and regulations relating to the industry in which the company operates
- Changes in political and social conditions in India
- Any adverse outcome in the legal proceedings in which the company is involved
- The loss or shutdown of operations of our Company at any time due to strike or labor unrest or any other reason.
- Inadequate handling of confidential business information

#### **INTERNAL CONTROL AND ADEQUACY:**

The Company has a defined organization structure and has developed well policy guidelines with predefined authority levels. An extensive system of internal controls to ensure optimal utilization of resources and accurate reporting of financial transactions and strict compliance with applicable laws and regulations has also been implemented. The Company has put in place sufficient systems to ensure that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are authorized, recorded and reported correctly. Also, the company has an exhaustive budgetary control system to monitor capital related as well as other costs, against approved budgets on an ongoing basis.

**MATERIAL DEVELOPMENT IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT:**

The Company's human resources philosophy is to establish and build a strong performance driven culture with greater account ability and responsibility at all levels. To that extent the Company views performance and capability as a combination of the right people in the right jobs, supported by the right processes, systems, structure and metrics.

The Industrial relations remained normal at all locations and there were no significant labour issues outstanding or remaining unresolved during the year. The Board of Directors and the Management wish to place on record their application of the efforts put in by all employees to achieve record performance. The ultimate aim of the management is to create a dependable work force that will play a key role in transforming this Company into a global player in the industry.

The industrial relations climate of the Company remained cordial during the year and continues to be focussed towards improving quality and capability.

**CAUTIONARY STATEMENT:**

Statements in this "Management Discussion and Analysis" describing the Company's objectives, expectations or predictions are forward looking within the meaning of applicable laws and regulations. Actual results may differ materially from those express edorimpliedinthestatementdependingonvariousfactorsandcircumstances.

**ACKNOWLEDGEMENT:**

### Report on the Audit of the Financial Statements (IND AS)

#### I. Opinion

We have audited the accompanying Financial statements (Ind AS) of **Beryl Securities Limited** ("the Company"), which comprise the Balance Sheet as at 31 March 2023, the Statement of Profit and Loss (including statement of other comprehensive income), the statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid IND AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian accounting standards prescribed under section 133 of principles generally accepted in India, of the state of affairs of the Company as at 31 March 2023, and Profit (including other comprehensive income), changes in equity and its cash flows for the year ending on that date.

#### II. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

#### III. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the financial year ended 31st March, 2023. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion on these matters, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditors' responsibilities for the audit of the financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying financial statements.

Key audit matters	How our audit addressed the key audit matter
<p><b>Assessment of impairment loss allowance based on expected credit loss (ECL) on Loans (Refer Note 06 of the financial statements)</b></p> <p>The loan balances towards demand loan to INR 888.09 Lakhs and the associated impairment allowances aggregating to INR 15.76 Lakhs are significant to the financial statements and involves judgement around the determination of the impairment allowance in line with the requirements</p>	<p>The audit procedures performed by us to assess appropriateness of the impairment allowance based on ECL on loans included the following:</p> <ul style="list-style-type: none"> <li>• We understood and evaluated the design and tested the operating effectiveness of the key controls put in place by the management over:               <ol style="list-style-type: none"> <li>i. the assumptions used in the calculation of ECL and its various aspects such as determination of Probability of Default, Loss Given Default,</li> </ol> </li> </ul>

Key audit matters	How our audit addressed the key audit matter
<p>of the IND AS 109 “Financial Instruments”. Impairment allowances represent management’s estimate of the losses incurred within the loan portfolios at the balance sheet date and are inherently judgmental. Impairment, based on ECL model, is calculated using main variables, viz. ‘Staging’, ‘Exposure At Default’, ‘Probability of Default’ and ‘Loss Given Default’ as specified under INDAS 109.</p> <p>The Company determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions.</p> <p>The Company considered current and anticipated future economic conditions and has taken into account estimates of possible effect from the pandemic relating to COVID -19. We identified allowance for credit losses as a key audit matter because the Company exercises significant judgment in calculating the expected credit losses.</p> <p>Quantitative factors like days past due, behaviour of the portfolio, historical losses incurred on defaults and macro-economic data points identified by the Management’s expert and qualitative factors like nature of the underlying loan, deterioration in credit quality, correlation of macro- economic variables to determine expected losses, uncertainty over realisability of security, judgement in relation to management overlays and related Reserve Bank of India (RBI) guidelines, to the extent applicable, etc. have been taken into account in the ECL computation. Given the inherent judgmental nature and the complexity of model involved, we determined this to be a Key Audit Matter.</p>	<p>Exposure At Default, Staging of Loans, etc.;</p> <p>ii. the completeness and accuracy of source data used by the Management in the ECL computation; and</p> <p>iii. ECL computations for their reasonableness.</p> <ul style="list-style-type: none"> <li>• We, along with the assistance of the auditor’s our expert, verified the appropriateness of methodology and models used by the Company and reasonableness of the assumptions used within the computation process to estimate the impairment provision.</li> <li>• We test-checked the completeness and accuracy of source data used.</li> <li>• We recomputed the impairment provision for a sample of loans across the loan portfolio to verify the arithmetical accuracy and compliance with the requirements of Ind AS 109.</li> <li>• We evaluated the reasonableness of the judgement involved in management overlays that form part of the impairment provision, and the related approvals.</li> </ul> <p>We evaluated the adequacy of presentation and disclosures in relation to impairment loss allowance in the Financial Statements.</p>
<p><b>Related Party Transactions</b></p> <p>We identified related party transactions as a key audit matter due to the significance of related party transactions, regulatory compliance and risk of such transactions remaining undisclosed in the financial statements.</p>	<ul style="list-style-type: none"> <li>• Evaluated the Company’s policies, processes and procedures in respect of identifying and disclosing related party transactions.</li> <li>• Read the minutes of meetings of the shareholders, Board and Audit Committee regarding the Company’s assessment of related party transactions for arm’s length pricing.</li> <li>• Assessed the compliance with Companies Act 2013, including authorisation and approvals as specified in sections 177 and 188 of the Companies Act, 2013, and Rules thereon and the Securities and Exchange Board of India regulations with respect to related party transactions.</li> <li>• Tested on a sample basis related party transactions with the underlying contracts and other documents.</li> </ul>

**IV. Emphasis of Matter**

1. We draw attention to Note 11 & 43 of the financial statements, which describes that The Company has paid Rs. 33.20 Lakhs advance against purchase of one residential flat at Jaypee Greens, Noida, Rs 30.45 Lakhs one flat at Sohna, Haryana & Rs 20.00 Lakhs paid advance of purchase of a plot at R.R. Industrial Park, Indore in earlier years. However, Registry of one properties situated at Sohna, Haryana registered after year end but registration of other one flat & plot is still pending. Management has opined the said Capital Advance are good and recoverable.
2. We draw attention to Note 45 of the financial statements that Company had given public Notice dated 11/05/2023 for appointment of three new Additional directors whose name are (i) Anshul Gupta (DIN: 09356735) (ii) Sanyam Jain (DIN: 08604083) (iii) Vineet Bajpai (DIN: 08098068) in the Company for broad base management and expansion of business operation of the Company which was approved by RBI dated 14/11/2022 but appointment as an additional director is still pending.  
Further company has been also applied before RBI under Article 61 and 63 of Master Direction DNBR.PD.007/03.10.119/2016-17 for approval of takeover, acquisition of control and change in the shareholding of Beryl Securities Limited by way of transfer of shareholding of 26 per cent or more of the paid-up equity capital through open offer under monitoring and guidance of Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 but said approval for the same is still under process before RBI Bhopal.
3. We draw attention to Note 47 of the financial statements, The Company has send balance confirmation to Debtors and creditors but the confirmation is still pending from them.  
Our opinion is not modified in respect of this matter.

**V. Information other than the financial statements and Auditor's Report thereon**

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the Financial Statements and our auditors' report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact.

We have nothing to report in this regard.

**VI. Responsibilities of management and those charged with governance for the financial statements**

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of the Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the companies (Indian Accounting Standards) rules 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors and management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

**VII. Auditor's Responsibilities for the Audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- We believe that the Audit Evidence obtained by us is sufficient and appropriate to provide a basis for our Audit opinion and the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**VIII. Other Matter**

The financial statements of the Company for the year ended March 31, 2022, were audited by another firm of Chartered Accountants under the Companies Act, 2013 who, vide their report dated May 28, 2022, on which unmodified opinion expressed by then auditor on those financial statements.

**ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT  
ON THE FINANCIAL STATEMENTS OF  
BERYL SECURITIES LIMITED FOR THE YEAR ENDED 31ST MARCH 2023.**

(Referred to point 3(d) of paragraph IX under ‘Report on Other Legal and Regulatory Requirements’  
section of our Report of even date)

**Report on the Internal Financial Controls over Financial Reporting under Section 143(3)(l) of The Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Beryl Securities Limited (“the Company”) as of 31st March, 2023 in conjunction with our audit of the Financial Statements (Ind AS) of the Company for the year ended on that date.

**I. Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**II. Auditor’s Responsibility for the Audit of Internal Financial Controls**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on audit of Internal financial controls over financial reporting (the “Guidance Note”) and the Standards on Auditing issued by ICAI and deemed to have been prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

**III. Meaning of Internal Financial Controls Over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of

the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have material effect on the financial statements.

#### **IV. Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **V. Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on audit of internal financial controls over financial reporting issued by the institute of chartered accountants of India ("ICAI").

##### **I. Financial instruments**

##### **1. Financial Assets:**

- a) **Initial Recognition and Measurement:** All financial assets are recognised initially at fair value when the parties become party to the contractual provisions of the financial asset. In case of financial assets which are not recorded at fair value through profit or loss, transaction costs that are directly attributable to the acquisition or issue of the financial assets, are adjusted to the fair value on initial recognition.
- b) **Subsequent Measurement:** The Company classifies its financial assets into various measurement categories. The classification depends on the contractual terms of the financial assets' cash flows and the Company's business model for managing financial assets.

##### **Financial Assets Measured At Amortised Cost:**

A financial asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

##### **Financial Assets Measured At Fair Value Through Other Comprehensive Income (FVOCI):**

A financial asset is measured at FVOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and contractual terms of financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

##### **Financial Assets Measured At Fair Value Through Profit Or Loss (FVTPL):**

A financial asset which is not classified in any of the above categories are measured at FVTPL.

- c) **Other Equity Investments:** All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the changes in fair value through other comprehensive income (FVOCI).

##### **2. Financial Liabilities:**

- a) **Initial recognition and measurement:** All financial liabilities are recognized initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The company's financial liabilities include trade and other payables.
- b) **Subsequent Measurement:** Financial liabilities other than derivative financial instruments are subsequently carried at amortized cost using the effective interest method.

### 3. Derecognition of Financial Assets And Liabilities:

#### a) Financial Asset:

The Company derecognizes a financial asset when the contractual cash flows from the asset expire or it transfers its rights to receive contractual cash flows from the financial asset in a transaction in which substantially all the risks and rewards of ownership are transferred. Any interest in transferred financial assets that is created or retained by the Company is recognized as a separate asset or liability.

#### b) Financial Liability:

A financial liability is derecognised when the obligation under the liability is discharged, cancelled or expires. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and the recognition of a new liability. The difference between the carrying value of the original financial liability and the consideration paid is recognised in the Statement of profit and loss.

### 4. Offsetting

Financial assets and financial liabilities are generally reported gross in the balance sheet. Financial assets and liabilities are offset and the net amount is presented in the balance sheet when the Company has a legal right to offset the amounts and intends to settle on a net basis or to realise the asset and settle the liability simultaneously in all the following circumstances:

- a. The normal course of business
- b. The event of default
- c. The event of insolvency or bankruptcy of the Company and/or its counterparties.

### 5. Impairment of Financial Assets:

In accordance with IND AS 109, the Company uses 'Expected Credit Loss' model (ECL), for evaluating impairment of financial assets other than those measured at Fair value through profit or loss.

#### Overview of the Expected Credit Loss (ECL) mode:

Expected Credit Loss, at each reporting date, is measured through a loss allowance for a financial asset:

- a. At an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition.
- b. At an amount equal to 12-month expected credit losses, if the credit risk on a financial instrument has not increased significantly since initial recognition.

Lifetime expected credit losses means expected credit losses that result from all possible default events over the expected life of a financial asset.

12-month expected credit losses means the portion of Lifetime ECL that represent the ECLs that result from default events on financial assets that are possible within the 12 months after the reporting date.

The Company performs an assessment, at the end of each reporting period, of whether a financial assets credit risk has increased significantly since initial recognition. When making the assessment, the change in the risk of a default occurring over the expected life of the financial instrument is used instead of the change in the amount of expected credit losses.

Based on the above process, the Company categorises its loans into three stages as described below:

**Stage 1 :** All exposures where there has not been a significant increase in credit risk since initial recognition or that has low credit risk at the reporting date and that are not credit impaired upon origination are classified under this stage. The Company classifies all standard advances and advances upto 30 days default under this category. Stage 1 loans also include facilities where the credit risk has improved and the loan has been reclassified from Stage 2 or Stage 3.

**Stage 2:** All exposures where there has been a significant increase in credit risk since initial recognition but are not credit impaired are classified under this stage. 30 Days Past Due is considered as significant increase in credit risk.

**Stage 3:** All exposures assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of that asset have occurred are classified in this stage. For exposures that have become credit impaired, a lifetime ECL is recognised and interest revenue is calculated by applying the effective interest rate to the amortised cost (net of provision) rather than the gross carrying amount. 90 Days Past Due is considered as default for classifying a financial instrument as credit impaired. If an event (for e.g. any natural calamity) warrants a provision higher than as mandated under ECL methodology, the Company may classify the financial asset in Stage 3 accordingly.

In line with Reserve Bank of India Master Circular on Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances and Clarifications dated April 01, 2022 borrower accounts shall be flagged as overdue as part of the day-end processes for the due date, irrespective of the time of running such processes. Similarly, classification of borrower accounts as Non-Performing Asset / Stage 3 shall be done as part of day-end process for the relevant date i.e. more than 90 days overdue and NPA/Stage 3 classification date shall be the calendar date for which the day end process is run. In other words, the date of Non-Performing Asset / Stage 3 shall reflect the asset classification status of an account at the day-end of that calendar date.

The Company has carried out the requirement in line with Reserve Bank of India Clarification and accordingly the change in accounting policy is effective financial year 2022-23

## II. Revenue from operations

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery.

**Interest Income:** The interest income is calculated by applying the EIR to the gross carrying amount of non-credit impaired financial assets (i.e. at the amortised cost of the financial asset before adjusting for any expected credit loss allowance).

For Credit Impaired financial assets the interest income is calculated by applying the EIR to the amortised cost of the credit-impaired financial assets (i.e. the gross carrying amount less the allowance for expected credit losses (ECLs)) and not recognized in Statement of Profit and loss account rather it is credited in a separate ledger “**Unrealized Interest On NPA Accounts**” under the “**Other Financial Liabilities**” head.

## III. Employee Benefits

### Short Term Employee Benefit:

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include short term compensated absences such as paid annual leave. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised as an expense during the period. Benefits such as salaries and wages, etc. and the expected cost of the bonus/ex-gratia are recognised in the period in which the employee renders the related service.

### Post-employment employee benefits

No provision has been made in accounts against liability in respect of future payment of Gratuity, Leave Encashment, ESI and Provident Fund to employee as in the opinion of the management neither the Gratuity, ESI nor Provident Fund apply to the company nor any employee qualifies for entitlement of such benefits.

## IV. Other income and expenses

All other income and expense are recognised in the period they occur.

## V. Taxes

### Current Tax

Current tax assets and liabilities for the current and prior years are measured at the amount expected to be recovered from, or paid to, the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted, or substantively enacted, by the reporting date in the countries where

the Company operates and generates taxable income. Current income tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss (either in other comprehensive income or in equity). Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

#### **Deferred Tax**

Deferred tax assets and liabilities are recognised for temporary differences arising between the tax bases of assets and liabilities and their carrying amounts. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the reporting date and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are only recognised for temporary differences, if it is probable that future taxable amounts will arise to utilise those temporary differences and losses. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Deferred tax assets and liabilities are offset where there is a legally enforceable right to offset current tax assets and liabilities and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities are realised simultaneously.

#### **VI. Cash and Cash Equivalents**

Cash and cash equivalents comprise of cash in hand, Balance with banks and Cheques in hand, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash in hand, Balance with banks and Cheques in hand as they are considered an integral part of the Company's cash management.

#### **VII. Property, Plant and Equipment**

Property, plant and equipment (PPE) are carried at historical cost of acquisition less accumulated depreciation. The total cost of assets comprises its purchase price, freight, duties, taxes and any other incidental expenses directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management.

Subsequent expenditure related to an item of tangible asset are added to its gross value only if it increases the future benefits of the existing asset, if it is probable that future economic benefit will flow to the Company from that expenditure and cost can be measured reliably. Other repairs and maintenance costs are expensed off as and when incurred.

**Depreciation** on Property, Plant and Equipment is calculated using written down value method (WDV) to write down the cost of property and equipment to their residual values over their estimated useful lives which is in line with the estimated useful life as specified in **Schedule II of the Companies Act, 2013**.

#### **VIII. Provisions, Contingent Liabilities & Contingent asset**

**1. Provisions** are recognised only when:

- (i) the Company has a present obligation (legal or constructive) as a result of a past event; and
- (ii) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- (iii) a reliable estimate can be made of the amount of the obligation

When the effect of the time value of money is material, the enterprise determines the level of provision by discounting the expected cash flows at a pre-tax rate reflecting the current rates specific to the liability. The expense relating to any provision is presented in the Statement of Profit and Loss net of any reimbursement.

**2. Contingent Liabilities:** Contingent liability is disclosed in case of:

- (i) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; and
  - (ii) a present obligation arising from past events, when no reliable estimate is possible.
3. **Contingent assets** are disclosed where an inflow of economic benefits is probable. Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date. Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision.

#### IX. Earnings Per Share

The Company reports basic and diluted earnings per share in accordance with Ind AS 33 on Earnings per share.

Basic EPS is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. In computing the dilutive earnings per share, only potential equity shares that are dilutive and that either reduces the earnings per share or increases loss per share are included.

#### X. Recognition of NPA

- a) All credit exposures are classified into performing and non-performing assets as per the RBI guidelines. Further, NPAs are classified into Sub-Standard, Doubtful & Loss Assets based on the criteria stipulated by RBI. Provisions are made on Standard, Sub-Standard and Doubtful Assets at the rates prescribed by RBI. Loss Assets & Unsecured portion of Doubtful Assets are provided/written off as per the RBI guidelines. Additional provisions are made against specific non-performing assets over and above what is stated above, if in the opinion of the management, increased provisions are necessary. The Company has duly complied with the prudential norms relating to income recognition, asset classification and provisioning for bad and doubtful debts as applicable to it.
- b) NPA Provision has been written back of those accounts whose recovery is affected during the year.

#### NOTE NO. 04

##### Significant Accounting Judgments, Estimates and Assumptions

The preparation of financial statements in conformity with the IND AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosure and the disclosure of contingent liabilities, at the end of the reporting period. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements is included in the following notes:

##### I. Business Model Assessment

Classification and measurement of financial assets depends on the results of the SPPI and the business model test. The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes

judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Company monitors financial assets measured at amortised cost or fair value through other comprehensive income that are derecognised prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets.

## II. Fair value measurement

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using various valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

## III. Impairment of loans portfolio

The measurement of impairment losses across all categories of financial assets requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes in which can result in different levels of allowances. It has been the Company's policy to regularly review its models in the context of actual loss experience and adjust when necessary.

In line with Reserve Bank of India Master Circular on Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances and Clarifications dated April 01, 2022 borrower accounts shall be flagged as overdue as part of the day-end processes for the due date, irrespective of the time of running such processes. Similarly, classification of borrower accounts as Non-Performing Asset / Stage 3 shall be done as part of day-end process for the relevant date i.e. more than 90 days overdue and NPA/Stage 3 classification date shall be the calendar date for which the day end process is run. In other words, the date of Non-Performing Asset / Stage 3 shall reflect the asset classification status of an account at the day-end of that calendar date.

The Company has carried out the requirement in line with Reserve Bank of India Clarification and accordingly the change in accounting policy is effective financial year 2022-23

## IV. Contingent liabilities and provisions other than impairment on loan portfolio

Provisions and liabilities are recognised in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed at each Balance sheet date and revised to take account of changing facts and circumstances.

## V. Effective Interest Rate (EIR) method

The Company's EIR methodology, recognises interest income/expense using a rate of return that represents the best estimate of a constant rate of return over the expected behavioural life of loans given / taken and recognises the effect of potentially different interest rates at various stages and other characteristics of the product life cycle (including prepayments and penalty interest and charges). This estimation, by nature, requires an element of judgement regarding the expected behaviour and life-cycle of the instruments, as well expected changes to India's base rate and other fee income/expense that are

**e. Risk management framework**

The Company's business is subject to several risks and uncertainties including financial risks. The Company's documented risk management policies act as an effective tool in mitigating the various financial risks to which the business is exposed to in the course of their daily operations. The risk management policies cover areas such as liquidity risk, interest rate risk, counterparty and concentration of credit risk and capital management. Risks are identified through a formal risk management programme with active involvement of senior management personnel and business managers. The Company's risk management process is in line with the corporate policy. Each significant risk has a designated 'owner' within the Company at an appropriate senior level. The potential financial impact of the risk and its likelihood of a negative outcome are regularly updated.

The risk management process is coordinated by the Management Assurance function and is regularly reviewed by the Company's Audit Committee. The overall internal control environment and risk management programme including financial risk management is reviewed by the Audit Committee on behalf of the board. The risk management framework aims to:

- improve financial risk awareness and risk transparency
- identify, control and monitor key risks
- identify risk accumulations
- provide management with reliable information on the Company's risk situation
- improve financial returns

**a. Treasury management**

The Company's treasury function provides services to the business, co-ordinates access to domestic and international financial markets, monitors and manages the financial risks relating to the operations of the Company through internal risk reports which analyses exposures by degree and magnitude of risks. These risks include market risk (including currency risk and interest rate risk), credit risk and liquidity risk.

Treasury management focuses on capital protection, liquidity maintenance and yield maximization.

**b. Financial risk**

The Company's Board of Directors approves financial risk policies comprising liquidity, foreign currency, interest rate and counter-party credit risk. The Company does not engage in the speculative treasury activity but seeks to manage risk and optimize interest through proven financial instruments.

**c. Credit risk**

Credit risk refers to the risk that counter-party will default on its contractual obligations resulting in financial loss to the Company. The Company has adopted a policy of only dealing with creditworthy counter-parties as a means of mitigating the risk of financial loss from defaults. The Company is exposed to credit risk for receivables, cash and cash equivalents, bank balances other than cash and cash equivalents, investments and loans.

Regarding trade and other receivables, the Company has accounted for impairment based on expected credit losses method as at 31 March, 2023 and 31 March, 2022 based on expected probability of default.

Deposits are with government departments and with lessor so chances of default are very minimal. For short-term loans and advances, counter-party limits are in place to limit the amount of credit exposure to any counter-party.

None of the Company's cash equivalents are past due or impaired.

**d. Liquidity risk**
