Copy of the draft letter for appointment of Mr. Nirdesh Agarwal as an Independent Director would be available for inspection without any fee by the members at the Registered Office of the Company.

In the opinion of the Board, Mr. Nirdesh Agarwal fulfils the conditions specified in the Companies Act, 2013 and rules made there under for his appointment as an Independent Director of the Company and is independent of the management.

The Board of Directors is of the opinion that his involvement in the Company will be beneficial for the future growth and development of the Company.

The Board recommends the **Special Resolution** set out at **Item No. 6** of the Notice for approval by the Members.

None of the Directors, Key Managerial Personnel and relatives thereof other than, Mr. Nirdesh Agarwal has any concern or interest, financial or otherwise, in the resolution at Item No. 6 of the Notice.

ITEM NO. 7:

Your Company was able to achieve, on PAN India basis, turnover of Rs. 130 crore approx. and in near future, business will grow many fold. For achieving its target, your company will be in need for fund and required your approval for maximum limit of borrowing. Therefore, the Board of Directors of the company recommends to borrow money in excess of the limits specified.

Further as per sections 180(1)(c) of the Companies Act, 2013 empowers the Board to borrow moneys in excess of the aggregate of its Paid-up Capital and Free Reserves of the Company (apart from the temporary loans obtained from the Company's bankers in the Ordinary course of business), subject to the approval of the Members of the Company in General Meeting.

Accordingly, consent of the members is sought for the approval of the members to raise the aggregate limit of borrowing upto ₹ 150,00,00,000 /- (Rupees One Hundred and Fifty Crores Only).

The Board recommends the **Special Resolution** set out at **Item No. 7** of the Notice for approval by the Members.

None of the Directors, Key Managerial Personnel of your Company and their relatives are concerned or interested in the above Resolution.

ITEM NO. 8:

In existing circumstances, the Company is paying Director's Remuneration to Mr. Saket Dalmia, Managing Director and Mr. Amit Dalmia, Director within the specified limits provided under sections 197 and 198 and other applicable provisions, if any, of the Companies Act, 2013 (the Act) and the Rules made thereunder, as amended from time to time, read with Schedule V to the Act.

The maximum remuneration payable to directors of the Company was approved upto the limit of Rs. 84,00,000 /- (Rupees Eighty Four Lacs Only) in the Annual General Meeting held on 29th September 2021 for a period of three (3) years with authority to the Board of Directors (hereinafter referred to as the "Board", which term shall be deemed to include any Committee of the Board constituted to exercise its powers, including the powers conferred by this Resolution) to fix their salary within such maximum limit, in any manner, increasing thereby, proportionately, all benefits related to the quantum of salary. The aggregate of the remuneration as aforesaid shall be within the maximum limits as laid down under Section II of Part II (Remuneration) of Schedule V to the Companies Act, 2013.

It is now proposed that the maximum limit of Rs.84,00,000/- (Rupees Eighty Four Lacs Only) shall be continued for a further period of three (3) Years. All other terms and conditions of appointment of Directors of the Company, as previously approved remain unchanged. The maximum limit of managerial remuneration has also been recommended by the Nomination and Remuneration Committee. In compliance with the provisions of Sections 196 and 197 read with Schedule V to the Act, the revised terms of remuneration of directors are now being placed before the Members for their approval.

The Auditors' Report for the Financial Year ended 31st March, 2023 do not contain any qualification, reservation, adverse remark or disclaimer.

The Auditors have confirmed that, their appointment, if made, would be within the limits prescribed under Section 141(3) (g) of the Companies Act, 2013 and that they are not disqualified in terms of Section 139 of the Companies Act, 2013.

Explanation on Comments of Secretarial Auditor in Secretarial Audit Report for the Financial Year ended 31st March, 2023:

- (i) The company is required to appoint Chief Financial officer in accordance with the provisions of Section 203 of the Companies Act, 2013 read with rule 8 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014. The Company is liable under provisions of Section 203(5) of the Companies Act, 2013.

The Board of Directors are trying its best to appoint C.F.O and assure they will appoint C F O at earliest.

- (ii) The Company has not submitted disclosure of Related party transactions for the half year ended September, 2022 within prescribed time period.

The management discussed the Non – compliance which was unintentional and inadvertent and asserted that it shall not repeat in future.

- (iii) The listed entity has revised Shareholding Pattern for the quarter ended September, 2022. The management discussed the same and has promptly made correction as needed.

- (iv) The Company has not submitted Financial results for the year ended March, 2022 within prescribed time period.

The management discussed the same and filed the Results on 07th June 2022 without any further delay.

- (v) The Company has not submitted Financial results for the quarter ended September, 2022 within prescribed time period.

The management discussed the Non – compliance which was unintentional and inadvertent and asserted that it shall not repeat in future. The Listed entity has filed the same on 14th March 2023.

- (vi) The Company has not submitted Financial results for the quarter ended December, 2022 within prescribed time period.

The Financial Results for the Quarter ended on 31.12.2022 were approved by the Board of Directors of the Company in a Board Meeting held on 14.02.2023. Outcome of Board Meeting U/r 30 of SEBI (LODR) Regulation was given to Stock Exchange on the same day within 30 minutes of conclusion of Board Meeting.

Mr. Anil Kumar who was suffering from Cough and Cold from past some days and who had taken COVID Test on previous day, had also attended the Board Meeting and meanwhile at the conclusion of Board Meeting, His Report came to positive.

This situation resulted in chaos and fear in the Board Room and before uploading the UFR, all members and employees present over there went for isolation. The Office resumed after a week and on the presumption that results were uploaded on that day of the Board Meeting, thereby delaying the uploading of UFR.

The Board came to know through verification of our own records on 07.04.2023 that the UFR for quarter ending on 31.12.2022 were not uploaded and taking corrective steps, we uploaded the results on 07.04.2023.

This MD&A includes information that is forward-looking in nature. Such statements concern the future earnings of the Company, its operations, its financial results and its financial situation. Such forward-looking statements can be identified through use of expressions such as "believe", "foresee", "anticipate", "estimate", "expect" and other similar types of terms. Such statements are based on the information available at the time that they were made and on the good faith of management according to information available at this time. The statements include an element of uncertainty and the actual results may be significantly different from the assumptions and estimations described in the forward looking statements.

The actual results will be affected by numerous factors over which the Company has no influence. Consequently, we recommend against placing undue trust in such forward-looking statements since future events and actual results may differ significantly from our forecasts.

The Industry: Opportunities & Threats

The Company's main business is cutting, finishing and trading of Imported Marbles, but it can be done only after the raw material has been purchased / imported.

Marble City India is exposed to risk of price fluctuation on raw materials as well as finished products in all its products as due to import of raw materials it has the risk of delaying or loss in the shipment which may cause rise in the price of the raw materials and finished goods too. Due to increase in the Import tariff or import duties it also affects the flexibility of the prices of the raw materials.

Segment-wise or product-wise performance:

The Company has only one segment i.e. Marble Blocks/ Slabs

Business Outlook and Overview:

The main business of the Company is to Manufacture and Trading of Imported Marbles and Slabs. The Company's strategy is to strengthen its business with the objective of long term growth. Its growth depends on the development of the Real Estate Sector. Now a day's Real Estate Sector is developing day by day and the demand for the Imported Marbles also increasing day by day.

The Company's Import is based on the Government policies as laid by them.

Risks and Concerns:

The major risk is frequent increase in price of few raw materials which can increase cost of product and can make few products unprofitable unless the increase is passed on to the user which may at times be difficult due to stiff competition. In addition, significant competition in key products could also affect market share and profitability of the Company.

Internal Control Systems and their adequacy:

The Company has a proper and adequate system of internal controls to ensure that all the assets are safeguarded, protected against loss from unauthorized use or disposition and that transactions are authorized, recorded and reported correctly. The company conducts audit of various departments based on an annual audit plan through Senior Executive of the Company along with the head of finance department. The views of the statutory auditors are also considered to ascertain the adequacy of the internal control system.

Material development in Human Resources:

There has not been any major development on the human resources front. The industrial relation continues to be cordial during the year 2022-2023. The number of permanent employees on the rolls of Company as on 31st March, 2023 was 38.

Significant key financial ratios:

Details of significant changes (i.e. change of 25% or more as compared to the immediately previous financial year) in key financial ratios, along with detailed explanations thereof-

Particulars	2022-23	2021-2022	Change in %age
Debtors Turnover	7.73	3.79	103.89
Inventory Turnover	0.58	0.74	-22.04
Interest Coverage Ratio	1.36	1.37	-0.83
Current Ratio	2.29	1.97	17.17
Debt Equity Ratio	1.31	0.97	36.17
Operating Profit Margin (%)*	1.76	2.10	-0.34
Net Profit Margin (%)	0.68	0.74	-0.07

* Operating Margin is defined as profit Before Taxes and Depreciation

(A) DEBTORS TURNOVER RATIO: -

The debtors turnover ratio is an accounting measure used to quantify a company's effectiveness in collecting its accounts receivable, or the money owed by customers. This ratio measures the efficiency of the company in collecting its revenue.

Higher Debtors Turnover Ratio indicates that the company's collection of Trade Receivables is efficient and that the company has a high proportionate of quality customers that pay their debts quickly.

(B) INVENTORY TURNOVER RATIO: -

Inventory turnover ratio is the rate at which a company replaces inventory in a given period due to sales. Calculating inventory turnover helps businesses make better pricing, manufacturing, marketing, and purchasing decisions. Well-managed inventory levels show that a company's sales are at the desired level, and costs are controlled. The inventory turnover ratio is a measure of how well a company generates sales from its inventory.

The higher the inventory turnover, the better, since high inventory turnover typically means a company is selling goods quickly, and there is considerable demand for their products.

(C) INTEREST COVERAGE RATIO: -

The interest coverage ratio measures how many times a company can cover its current interest payment with its available earnings. In other words, it measures the margin of safety a company has for paying interest on its debt during a given period.

Higher the Ratio the more poised is the company to its interest on debts during a period

(D) CURRENT RATIO: -

The current ratio measures a company's ability to pay current, or short-term, liabilities (debts and payables) with its current, or short-term, assets, such as cash, inventory, and receivables.

The higher the current ratio, the more capable a company is of paying its obligations because it has a larger proportion of short-term asset value relative to the value of its short-term liabilities.

(E) **DEBT EQUITY RATIO: -**

The debt-to-equity ratio shows the proportion of equity and debt a company is using to finance its assets and signals the extent to which shareholder's equity can fulfill obligations to creditors, in the event of a business decline.

A low debt-to-equity ratio indicates a lower amount of financing by debt via lenders, versus funding through equity via shareholders. A higher ratio indicates that the company is getting more of its financing by borrowing money, which subjects the company to potential risk if debt levels are too high.

(F) **OPERATING PROFIT MARGIN (%): -**

An operating margin represents how efficiently a company is able to generate profit through its core operations. Operating Profits Margin is a good indicator of how well it is being managed and how efficient it is at generating profits from sales. It shows the proportion of revenues that are available to cover non-operating costs.

Higher ratios are generally better, illustrating the company is efficient in its operations and is good at turning sales into profits.

(G) **NET PROFIT MARGIN (%): -**

Net profit margin measures how much net income is generated as a percentage of revenues received. Net profit margin is one of the most important indicators of a company's overall financial health. Net profit margin is one of the most important indicators of a company's financial health. By tracking increases and decreases in its net profit margin, a company can assess whether current practices are working and forecast profits based on revenues.

A high net profit margin means that a company is able to effectively control its costs and/or provide goods or services at a price significantly higher than its costs.

INDEPENDENT AUDITOR’S REPORT

To the Members of
Marble City India Limited

Report on the Audit of Standalone Financial Statements:

Opinion

We have audited the accompanying standalone financial statements of **Marble City India Limited (Formerly Known as P G Industry Limited)** (“the Company”), which comprise the Balance Sheet as at 31st March, 2023, the Statement of Profit and Loss, Statement of Cash Flows, the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (Hereinafter referred as “Standalone Financial Statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2023, and profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor’s Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters (‘KAM’) are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Management`s Responsibility on the Financial Statements

The Company`s management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit / loss, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company`s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Board of Directors is also responsible for overseeing the Company`s financial reporting process.

Auditor`s Responsibility

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor`s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate

internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirement

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Marble City India Limited (“the Company”) as of 31st March 2023 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India .

2 Statement of Significant Accounting Policies

a Basis of preparation of Financial Statements

The accounts have been prepared in accordance with the provisions of Companies Act 2013 and Indian Accounting Standards (Ind AS) and Disclosures thereon comply with requirements of Ind AS, stipulations contained in Schedule- III (revised) as applicable under Section 133 of the Companies Act, 2013 read with, Companies (Indian Accounting Standards) Rules 2015 as amended from time to time, MSMED Act, 2006, other pronouncement of ICAI, provisions of the Companies Act and Rules and guidelines issued by SEBI as applicable.

All assets and liabilities have been classified as current or non-current as per the company's normal operating cycle. Based on the nature of business and the time between the acquisition of assets and their realization in cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

The company is a Small and Medium sized company (SMC) as defined in the General Instructions in respect of Accounting Standards notified under the Companies Act. Accordingly, the company has complied with the Accounting Standards as applicable to a Small and Medium Sized Company.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

Use of Estimates:

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. Differences between actual amounts and estimates are recognized in the period in which they materialize. No estimates were used in the preparation of Financial Statements.

Statement of Compliance:

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS), the provisions of the Companies Act, 2013 ("the Companies Act"), as applicable. The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The financial statements have been approved by the Board of Directors of the Company at their meeting held on 30th May 2023.

Marble City India Limited (Formerly known as P G Industry Limited)

Notes to financial statements for the year ended 31st March 2023

Functional and Presentation Currency:

The financial statements are presented in Indian Rupees, which is the functional currency of the Company.

b Property Plant & Equipment and Intangible Assets

i) Property Plant & Equipment are stated at original cost of acquisition and includes insurance, freight, Finance Charge and installation expenses.

ii) The costs of leasehold land shown in the balance sheet represent the consideration paid to RIICO at the time of transfer in favour of the Company.

iii) Intangible assets are carried at cost less accumulated amortization and impairment losses, if any.

c Depreciation

The Company depreciates property, plant and equipment over the estimated useful life on a written down value basis from the date the assets are available for use. The estimated useful life of assets are reviewed and where appropriate are adjusted, annually.

Lease hold land is not depreciable.

The amortization of an intangible asset has been made as per stright line method with a finite useful life reflects the manner in which the economic benefit is expected to be generated.

d Impairment of Property Plant & Equipment and Intangible Assets

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value, an impairment loss is charged to the statement of profit and loss in the year in which asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed if there has been change in the estimate of recoverable amount. No impairment Profit or Loss has been identified during the year.

e Investments

Investments are stated at cost.

f Valuation of Inventories

Raw materials are carried at cost. However, raw materials are considered to be realizable at replacement cost if the finished goods, in which they will be sold, are expected to be sold below cost. Cost includes purchase price (excluding GST), freight inwards and other expenditure incurred in bringing such inventories to their present location and condition. In determining the cost, standard cost method is used which approximates to the actual cost.

Finished goods are valued at the lower of cost and net realizable value. Cost of work in progress and manufactured finished goods comprises of direct material, cost of conversion and other costs incurred in bringing these inventories to their present location and condition. Net realizable value is estimated selling price in the ordinary course of business, less estimated cost of completion necessary to make sale. The comparison of cost and net realizable value is made on an item by item basis.

g Cash and Cash Equivalents

Cash and cash equivalents include cash in hand, bank balances in saving/current accounts and deposits.

Marble City India Limited (Formerly known as P G Industry Limited)

Notes to financial statements for the year ended 31st March 2023

h Foreign currency transactions

Transactions in the foreign exchange are recorded at prevailing rate on/or near to the date of transaction. All exchange gains and losses are accounted for in the Profit and Loss Account.

i Revenue recognition

Revenue is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on delivery of the goods.

j Leases

Operating Leases:

Lease arrangements where the risk and rewards incident to ownership of an asset substantially vest with the lessor are recognized as operating lease. Lease rent under operating leases are charged to the profit and loss account on a straight-line basis over the lease term.

k Finance Leases:

Leases under which the company assumes substantially all the risks and rewards of ownership are classified as finance leases. The lower of fair value of asset and present value of minimum lease rentals is capitalized as fixed assets with corresponding amount shown as lease liability. The principal component in the lease rentals is adjusted against the lease liability and interest component is charged to profit & loss account.

l Segment Reporting Policies

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

m Retirement and other employee benefits

Retirement benefits in the form of Provident Fund are defined contribution schemes and the contributions are charged to the Profit and Loss Account of the year when the contribution to the fund is due. There are no other obligations other than the contribution payable to that fund.

The short-term employee benefits such as salaries, wages and bonus etc., are accounted for on accrual basis. As per management, the other long term employee benefits will be accounted for on payment basis.

n Borrowing cost

Borrowing costs that are attributable to the acquisition or construction of any Qualifying Asset are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue. Interest on borrowings is recognized on a tie proportion basis taking into account the amount outstanding and the rate applicable on the borrowings.

o Taxes on Income

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Marble City India Limited (Formerly known as P G Industry Limited)
Notes to financial statements for the year ended 31st March 2023

p Contingencies and events occurring after Balance Sheet Date

Accounting for contingencies (gains or losses) arising out of contractual obligations are made on the basis of mutual acceptance. No contingencies and events occurred after balance Sheet Date.

q Earning Per share

Basic Earning Per Share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating Diluted Earning Per Share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

r Provision, Contingent liabilities and Contingent Assets

The company creates a provision when there is a present obligation as a result of past event that probably ensures an outflow of resources and a reliable estimate can be made of the amount of the obligation.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company and/or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is termed as contingent liability.
