b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.

c) How to retrieve your 'initial password'?

(i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a pdf file. Open the pdf file. The password to open the pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.

(ii) If your email ID is not registered, please follow steps mentioned below in process for those shareholders whose email ids are not registered

**6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:**

a) Click on "[Forgot User Details/Password?](#)" (If you are holding shares in your demat account with NSDL or CDSL) option available on [www.evoting.nSDL.com](http://www.evoting.nSDL.com).

b) [Physical User Reset Password?](#)" (If you are holding shares in physical mode) option available on [www.evoting.nSDL.com](http://www.evoting.nSDL.com).

c) If you are still unable to get the password by aforesaid two options, you can send a request at [evoting@nSDL.co.in](mailto:evoting@nSDL.co.in) mentioning your demat account number/folio number, your PAN, your name and your registered address.

Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.

7. After entering your password, tick on Agree to “Terms and Conditions” by selecting on the check box.
8. Now, you will have to click on “Login” button.
9. After you click on the “Login” button, Home page of e-Voting will open.

**Details on Step 2 is given below:**

**How to cast your vote electronically on NSDL e-Voting system?**

1. After successful login at Step 1, you will be able to see the Home page of e-Voting. Click on e-Voting. Then, click on Active Voting Cycles.
2. After click on Active Voting Cycles, you will be able to see all the companies “EVEN” in which you are holding shares and whose voting cycle is in active status.
3. Select “EVEN” of company for which you wish to cast your vote.
4. Now you are ready for e-Voting as the Voting page opens.
5. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on “Submit” and also “Confirm” when prompted.
6. Upon confirmation, the message “Vote cast successfully” will be displayed.
7. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
8. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

**MANAGEMENT DISCUSSION & ANALYSIS REPORT**

Management Discussion & Analysis Report Pursuant to Regulation 34(2)(e) of Securities And Exchange Board Of India (Listing Obligations And Disclosure Requirements) Regulations, 2015.

**I. Industry Structure and Development**

The Company is engaged in the business of trading of ferrous and non-ferrous. The Company also extended its area of operations to manufacturing sector of non-ferrous metals by carrying out job works at its manufacturing facility. The metal industry in which the Company is dealing is recently having trends of volatility and there are very good chances for the Company to develop its area of operation in the metal industry.

Metals sector have always been in the forefront of a nation's economy and India is no exception. Both ferrous and non-ferrous metals are equally important towards building up the country's future. Ferrous metals are definitely more in use in India, but at the same time non-ferrous metals are also gradually taking the centre stage and the time is not far when it will be regarded as the future. India is one of the richest reserves of all the raw materials required for the metal industry i.e. land, capital, cheap labour, power, coal etc.

**II. Opportunities and Threats**

For market players of Metal industry, a major cause of volatility is the cost of raw materials, which has been exacerbated by the change from annual to shorter-term price contracts. Shortages in supply have enabled suppliers to re-engineer the pricing mechanisms. However, this has created challenges for market players. They now have to deal not only with the increased volatility in raw material prices, but also with how to maintain margins with fluctuating demand. These developments are significantly affecting the earnings of the Metal industry and try to achieve stability in Metal market.

**III. Segment wise Performance:**

During the year the Company has not achieved a notable progress in its operations but due to its future expansion plans, projects and emerging opportunities your directors expect increase in its revenue and income. Our Company's operations belong to a single segment and therefore no segment wise performance given.

**IV. Recent Trend and Future Outlook:**

The sector in which the Company has been operating is developing faster and provides ample growth opportunities. Further due to rise in foreign direct investment in the sector, Company will be able to develop projects at fast pace and looking forward for better development and high investment returns.

**V. Internal Control system and their adequacy**

The Company has adequate system of internal control commensurate with its size and operations to ensure orderly and efficient conduct of the business. These controls ensure safeguard of assets, reduction and detection of frauds and error, adequacy and completeness of the accounting record and timely preparation of reliable financial information.

**VI. Financial performance with respect to operational performance**

The financial performance of the Company for the year 2022-23 is described here in under.

(Amount in Thousand)

<b>FINANCIAL RESULTS</b>	<b>F.Y 2022-23</b>	<b>F.Y 2021-22</b>

<b>Total Comprehensive Income</b>	<b>5950.61</b>	<b>2695.33</b>

**VII. Material developments in Human Resources/Industrial Relations front, including the number of people employed.**

Your Company has undertaken certain employees' Development initiative which have very positive impact on the moral and team spirit of the employees. The Company has continued to give special attention to Human Resource/ Industrial Relations development. Industrial relations remained cordial throughout the year and there was no incident of strike, lock-out etc.

**VIII.** In today's complex business environment, almost every business decision requires executives and managers to balance risk and reward. Effective risk management is therefore critical to an organization's success. Globalization, with increasing integration of markets, newer and more complex products & transactions and an increasingly stringent regulatory framework has exposed organisations to newer risks. As a result, today's operating environment demands a rigorous and integrated approach to risk management. Timely and effective risk management is of prime importance to our continued success. Increased competition and market volatility has enhanced the importance of risk management. The sustainability of the business is derived from the following:

- (1) Identification of the diverse risks faced by the company.
- (2) The evolution of appropriate systems and processes to measure and monitor them.
- (3) Risk management through appropriate mitigation strategies within the policy framework.
- (4) Monitoring the progress of the implementation of such strategies and subjecting them to Periodical audit and review.
- (5) Reporting these risk mitigation results to the appropriate managerial levels.

## **INDEPENDENT AUDITOR'S REPORT**

**To**  
**The Members of**  
**Shree Metalloys Limited**

### **Report on the Audit of the Financial Statements**

#### **Opinion**

We have audited the accompanying financial statements of **SHREE METALLOYS LIMITED** ("the Company") which comprise the Balance Sheet as at March 31, 2023 and the Statement of Profit and Loss (including the Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flows for the year ended, and notes to financial statement, including a summary of significant accounting policies and other explanatory information (herein referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the companies Act, 2013 and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statement.

### **Key Audit Matter**

We have determined that there are no key audit matters to communicate in our audit report.

### **Other Information**

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the company's Annual Report, but does not include the financial statements and our auditor's report thereon. The Company's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Company's annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

### **Management's Responsibility for the Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation and presentation of these Ind AS financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows and of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibility for Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

**As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:**

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management and Board of Directors.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

- d) (i) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Company or,
  - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- (ii) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall:
- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Party or
  - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
- (iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (d) (i) and (d) (ii) contain any material mis-statement.
- e) The company has not declared or paid any dividend during the year.

(C) With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and according to the information and explanation given to us, during the current year, no remuneration is paid by the company to its directors.

## **Annexure 'A' to the Independent Auditor's Report**

With reference to the "Annexure A" referred to in the Independent Auditor's Report to the members of the Company on the Ind AS Financial statements for the year ended 31st March, 2023, we report the following:

(Referred to in paragraph 1 under the heading of "Report on Other Legal and Regulatory Requirements" of our report of even date.)

- (i) In respect of its fixed assets:
  - (a) (i) The Company is maintaining proper records showing full particulars, including quantitative details and situation of property, plant and equipment;
    - (ii) According to the information and explanation given to us, the company does not have any intangible assets.
  - (b) As explained to us, the property, plant and equipment have been physically verified by the management during the year and there is a regular programme of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
  - (c) Based on our audit procedures and on the basis of information and explanations given to us by the management, the company does not possess any immovable properties which are not held in the name of the company.
  - (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, plant and equipment (including Right-of-use assets) or Intangible assets or both during the year.
  - (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The inventories have been physically verified during the year by the management. In our opinion, the frequency of verification is reasonable. As explained to us, there were no material discrepancies noticed on physical verification of inventories as compared to the book records. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory.

- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees in aggregate from banks and financial institutions on the basis of security of current assets during the year. In our opinion, The quarterly returns or statements filed by the company with such banks or financial institutions are in agreement with the books of account of the company.
- (iii) According to the information and explanation given to us, during the year the Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Hence sub-clause (a) to (f) are not applicable.
- (iv) According to the information and explanations given to us and on the basis of our examination of records of the Company, the Company has not provided any guarantee or security as specified under Sections 185 and 186 of the Act. In respect of the investments made and loans given by the Company, in our opinion the provisions of Sections 185 and 186 of the Act have been complied with.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposit and hence the provisions of Section 73 to 76 or any other relevant provisions of the Companies Act and the Companies (Acceptance of Deposits) Rules, 2014, with regard to the deposits accepted are not applicable to the Company. Therefore, the provisions of clause (v) of paragraph 3 of the Order are not applicable to the company.
- (vi) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Companies Act, 2013 for the products manufactured by it (and/or services provided by it). Accordingly, clause 3(vi) of the Order is not applicable.
- (vii) In respect of statutory dues:
- (a) According to the records of the Company, the Company is generally regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and any other statutory dues applicable to it. According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid statutory dues were in arrears as at 31st March, 2023 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no dues of Income-tax, Sales tax, Service tax, Goods and Service tax, Duty of customs, Duty of excise, Value added tax and Cess as at 31st March, 2023, which have not been deposited with the appropriate authorities on account of any dispute.

- (viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.
- (ix) (a) According to the information and explanations given to us and on the basis of our examination of the records, the Company has not defaulted in repayment of loans or borrowing to banks and financial institutions during the year
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not taken any term loans from any lender. Accordingly, clause 3(ix)(c) of the Order is not applicable to the Company.
- (d) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company does not hold investment in any subsidiaries, associate and joint venture (as defined under the Act) during the year ended 31 March 2023. Accordingly, clause 3(ix)(e) of the Order is not applicable.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company does not hold investment in any subsidiaries, associates or joint ventures(as defined under the Act) during the year ended 31 March 2023. Accordingly, clause 3(ix)(f) of the Order is not applicable.
- (x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable to the Company.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable to the Company.

- (xi) (a) Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality as outlined in the Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during the course of the audit.
- (b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) To the best of our knowledge and according to the information and explanations given to us, and as per representation received from management there are no whistleblower complaints received during the year.
- (xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable to the Company.
- (xiii) In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Sections 177 and 188 of the Act, where applicable, and the details of the related party transactions have been disclosed in the financial statements as required by the applicable Indian accounting standards.
- (xiv)(a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports of the Company issued till date for the period under audit.
- (xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi)(a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable to the Company.

- (b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable to the Company.
  - (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable to the Company.
  - (d) According to the information and explanations provided to us during the course of audit, the Group (as per the provisions of the Core Investment Companies (Reserve Bank) Directions, 2016) does not have any CIC.
- (xvii) The Company has not incurred cash losses in the current and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable to the Company.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) In our opinion and according to the information and explanations given to us, the Company is not liable to spent amount under sub-section (5) of section 135 of the Companies Act. Hence Clause (xx) (a) and (b) are not applicable to the Company.

## **Annexure B to Independent Auditors' Report**

(Referred to in paragraph 2(A)(f)] under the heading of "Report on Other Legal and Regulatory Requirements" of our report of even date.)

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the Internal Financial Controls over financial reporting of Shree Metalloys Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining Internal Financial Controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal financial control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Notes to the Financial Statements for the year ended 31st March, 2023

### Company Overview & Significant Accounting Policies

#### 1. Reporting Entity

Shree Metalloys Limited (the 'Company') is a company domiciled in India, with its registered office situated at 103, Sun Square, Nr. Klassic Gold hotel, Off. C.G. Road, Ahmedabad-380009, Gujarat, India. The Company has been incorporated under the provisions of Companies Act applicable in India and its equity shares are listed on the Bombay Stock Exchange (BSE) in India. The Company is primarily involved in Trading of Metals.

#### 2. Basis of preparation

##### (a) Statement of compliance with Ind AS

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS), including rules notified under section 133 of Companies Act, 2013 (the 'Act') and other relevant provisions of the Act.

Details of Significant accounting policies are included in the Note 3.

##### (b) Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is also the functional currency.

##### (c) Basis of Measurement

The financial statements have been prepared on the historical cost basis except for following item:

Items	Measurement basis
Investments in Equity Shares	Fair Value

##### (d) Use of Estimates and Judgements

In preparing these financial statements, management has made judgements, estimates, and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, incomes and expenses. Actual results may differ from these estimates.

##### Estimates:

Estimates and underlying assumptions are reviewed on an ongoing basis. They are based on historical experience and other factors including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances. Revisions to the accounting estimates are recognised prospectively.

##### Judgements:

There are no significant judgements made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements.

##### Assumptions and Estimation uncertainties:

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment within the next financial year, if any are included in the respective note.

##### (e) Measurement of fair value:

The Company has established control framework with respect to the measurement of fair values. The Company regularly reviews significant valuation adjustments. Significant valuation issues are reported to the Company's Board of Directors.

Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1 - quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 – inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 – inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognizes transfer between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further information about the assumptions made in measuring fair values is included in the respective note.

### 3. Significant Accounting Policies

#### (a) Foreign Currency

Transactions in foreign currencies are translated into the functional currency of the Company at exchange rates at the date of transactions or an average rate if the average rate approximates the actual rate at the date of transaction.

#### (b) Financial instruments

##### 1. Financial Assets:

##### i) Classification

The Company classifies its financial assets in the following measurement categories:

- Those measured at 'Amortized cost' and
- Those to be measured subsequently at either 'Fair value through other comprehensive income' (FVTOCI) or 'Fair value through profit or loss' (FVTPL).

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

- A financial asset is measured at amortized cost if it meets both following conditions and is not designated as at FVTPL:
  - the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
  - the contractual terms of a financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- A debt investment is measured at FVOCI if it meets both following conditions and is not designated as at FVTPL:
  - the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
  - the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- Financial assets are not reclassified after their initial recognition except if and in the period the Company changes its business model for managing financial assets.

ii) Measurement

At initial recognition, the company measures a financial asset when it becomes a party to the contractual provisions of the instruments and measures at its fair value except trade receivables which are initially measured at transaction price. Transaction costs are incremental costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss. A regular way purchase and sale of financial assets are accounted for at trade date.

iii) Subsequent measurement and gains and losses

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains including any interest or dividend income, are recognized in profit or loss.
Financial assets at amortized cost	These assets are subsequently measured at amortized cost using the effective interest method. The amortized cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognized in profit or loss. Any gain or loss on de-recognition is recognized in profit or loss.

iv) Derecognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all the risks and rewards of ownership of the financial asset is transferred or in which the Company neither transfers nor retains substantially all the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all the risks and rewards of the transferred assets, the transferred assets are not derecognized.

**2. Financial liabilities:**

i) Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held- for- trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on derecognition is also recognized in profit or loss.

ii) Derecognition

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled or expired.

The Company also derecognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognized at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognized in the profit or loss.

**3. Offsetting**

Financial assets and financial liabilities are off set and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

## **(c) Property, Plant and Equipment**

### **1. Recognition and Measurement**

Items of property, plant and equipment are measured at cost, which includes capitalized borrowing costs, less accumulated depreciation, and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment. Useful lives have been determined in accordance with Schedule II to the companies act, 2013. The residual values are not more than 5% of the original cost of the asset.

Any gain or loss on disposal of an item of property, plant and equipment is recognized in profit or loss.

### **2. Subsequent expenditure**

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

### **3. Depreciation**

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the straight-line method, and is generally recognized in the statement of profit and loss.

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate. Based on technical evaluation and consequent advice, the management believes that its estimates of useful lives as given above best represent the period over which management expects to use these assets.

Depreciation on additions / disposals is provided on a pro-rata basis i.e. from /upto the date on which asset is ready for use / disposed off.

### **4. Derecognition**

An item of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of assets.

## **(d) Inventories**

Inventories are measured at the lower of cost and net realizable value. The cost of inventories includes expenditure incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their present location and condition. In the case of manufactured inventories and work-in-progress, cost includes an appropriate share of fixed production overheads based on normal operating capacity.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

The net realizable value of work-in-progress is determined with reference to the selling prices of related finished products.

Raw materials, components and other supplies held for use in the production of finished products are not written down below cost except in cases where material prices have declined and it is estimated that the cost of the finished products will exceed their net realizable value.

Related items or items of the similar nature are grouped for comparison of cost and net realizable value.

**(e) Impairment of assets**

**1. Impairment of financial assets**

The Company recognizes loss allowances for financial assets measured at amortized cost using expected credit loss model.

At each reporting date, the Company assesses whether financial assets carried at amortized cost is credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset, have occurred.

For trade receivables, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses.

For all other financial assets, the Company measures loss allowances at an amount equal to twelve months expected credit losses unless there has been a significant increase in credit risk from initial recognition in which those are measured at lifetime expected credit risk.

Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial asset. Twelve months expected credit losses are the portion of lifetime expected credit losses that represent the expected credit losses that result from default events on a financial instrument that are possible within the twelve months after the reporting date (or a shorter period if the expected life of the instrument is less than twelve months)

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Company's historical experience and informed credit assessment and including forward-looking information.

The Company considers a financial asset to be in default when the borrower is unlikely to pay its credit obligations to the Company in full.

*Measurement of expected credit losses*

Expected credit losses are a probability-weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

*Presentation of allowance for expected credit losses in the balance sheet*

Loss allowances for financial assets measured at amortized cost are deducted from the gross carrying amount of the assets.

*Write-off*

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

## **2. Impairment of non-financial assets**

The Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

An impairment loss is recognized if the carrying amount of an asset exceeds its estimated recoverable amount. Impairment losses are recognized in the statement of profit and loss.

In respect of assets for which impairment loss has been recognized in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

### **(f) Employee benefits**

#### **1. Short term employee benefits**

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided.

### **(g) Provisions (other than employee benefits), Contingent Liabilities and Contingent Assets**

A provision is recognized when the Company has a present legal obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the Current best estimates.

Contingent liabilities are not recognized but are disclosed in the notes to the Financial Statements.

A contingent asset is neither recognized nor disclosed if inflow of economic benefit is probable.

### **(h) Revenue Recognition**

#### **1. Sale of goods:**

Revenue from the sale of goods in the course of ordinary activities is measured at the fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates. This inter alia involves discounting of the consideration due to the present value if payment extends beyond normal credit terms. Revenue is recognized when control of promised products are transferred to the customers in an amount that reflects the consideration expected to be received in exchange for those products.

The timing of transfers of risks and rewards varies depending on the individual terms of sale. For sale of Metal, usually such transfer occurs when the product is received at the customer's warehouse or factory.

**(i) Recognition of dividend income, interest income**

Dividend on Financial Instruments is recognized as and when realized. Interest is recognized on accrual basis.

**(j) Income tax**

Income tax comprises current and deferred tax. It is recognized in profit or loss except to the extent that it relates to a business combination or to an item recognized directly in equity or in other comprehensive income.

**1. Current tax**

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognized amounts, and it is intended to realize the asset and settle the liability on a net basis or simultaneously.

**2. Deferred tax**

Deferred tax is recognized in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognized in respect of carried forward tax losses and tax credits.

Deferred tax assets are recognized to the extent that it is probable that future taxable profits will be available against which they can be used. Therefore, in case of a history of recent losses, the Company recognizes a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realized. Deferred tax assets - unrecognized or recognized, are reviewed at each reporting date and are recognized / reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realized.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the way the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets or liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different taxable entities, but they intend to settle current tax liabilities and assets on net basis or their tax assets and liabilities will be realized simultaneously.

**(k) Cash and Cash Equivalents**

Cash and Cash equivalents include cash and cheques in hand, bank balances, demand deposits with banks and other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value where original maturity is three months or less.

**(l) Borrowing cost**

Borrowing cost are interest and other costs incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of asset which necessarily take a substantial period of time to get ready for their intended use are capitalized as part of cost of asset. Other borrowing costs are recognized as an expense in the period in which they are incurred.

**(m) Earnings per share**

Basic earnings per share is calculated by dividing the net profit after tax for the year attributable to Equity Shareholders of the Company by the weighted average number of Equity Shares outstanding during the year.

Diluted earnings per Share is calculated by dividing net profit attributable to equity Shareholders (after adjustment for diluted earnings) by average number of weighted equity shares outstanding during the year plus potential equity shares.

**(n) Cash Flow Statement**

Cash flows are reported using the indirect method whereby the profit before tax is adjusted for the effect of the transactions of a non-cash nature, any deferrals or accruals of past and future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

**(A) Financial Risk Management Objectives and Policies**

The Company's principal financial liabilities, comprise loans and borrowings and trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables and cash and cash equivalents that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks and ensures that Company's financial risks are identified, measured and governed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks which are summarized below.

**(i) Market Risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk that affects the Company comprises of one element: Interest rate risk. Financial instruments affected by market risk include loans, borrowings and deposits.

**Interest Rate Risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to short term debt obligations with fixed interest rates.

**(ii) Credit Risk**

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract leading to a financial loss. The Company is exposed to credit risk from its operating activities and from its financing activities including deposits with banks and other financial instruments.

**Trade Receivables**

Customer credit risk is managed by the Company's policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial asset disclosed in respective note. The Company does not hold collateral as security.

**Cash deposits**

Credit risk from balances with banks is managed by the Company in accordance with its policies. These policies are set to minimize concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

**(ii) Liquidity Risk**

The Company manages its liquidity risk by using liquidity planning and balancing funds requirement vis-a-vis funds available. Various lines of credit available are used to optimize funding cost and ensuring that adequate funds are available for business operations.

**(B) Capital Risk Management**

The Company's objectives when managing capital are to:

- safeguard their ability to continue as a going concern so that they can continue to provide return for shareholders and benefits for other stakeholders.
- maintain an optimal capital structure to reduce the cost of capital.

**Note - 30 Financial Instruments :**

The Company uses the following hierarchy for determining the fair value of financial instruments by valuation technique :

Level 1 : Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2 : Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3 : Techniques which are inputs and have a significant effect on the recorded fair value that are not based on observable market data.
