# DRIVING GROWTH DISCOVERING VALUE

The Shemaroo of today is a testament to continuous reinvention and agility. The Company's focus has always been on long-term sustainable growth rather than chasing short-term successes. This approach reflects its commitment to building avenues of high potential by continuously identifying opportunities, optimally leveraging resources, driving growth, and going beyond profitability. For Shemaroo, this means consistently prioritizing quality content for its audiences, building mutually beneficial relationships with its partners, enhancing the well-being of its employees, and remaining innovative at all times. The Company believes that these core values and strategies will be the catalyst for its next wave of value creation as it continues to expand and grow.

Over the past six years, the company has remained prudent in identifying opportunities aligned with its vision, diversifying into new business ventures, and streamlining its existing operations. By combining deep consumer insights with innovative storytelling and delivery, the Company has positioned itself to meet the evolving tastes of consumers and adapting to changing entertainment platform needs. Furthermore, to accelerate its growth, the company made significant investments in people, technology, and processes over the past few years. These strategic focuses, established over the years, enabled the company to achieve remarkable growth despite an extremely challenging period marked by plateaued consumption, shifting audience preferences, significant headwinds in advertising revenue, and continued investments in new ventures. Navigating a challenging environment, the Company balanced its near-term growth while laying the foundation for sustainable long-term value.

This year, Shemaroo will prioritize capitalizing on past investments and strengthening its core. The company's commitment to innovation and efficiency, along with a robust strategy for consistent and sustainable growth, will drive long-term value for stakeholders and build a stronger and more value-accretive institution.

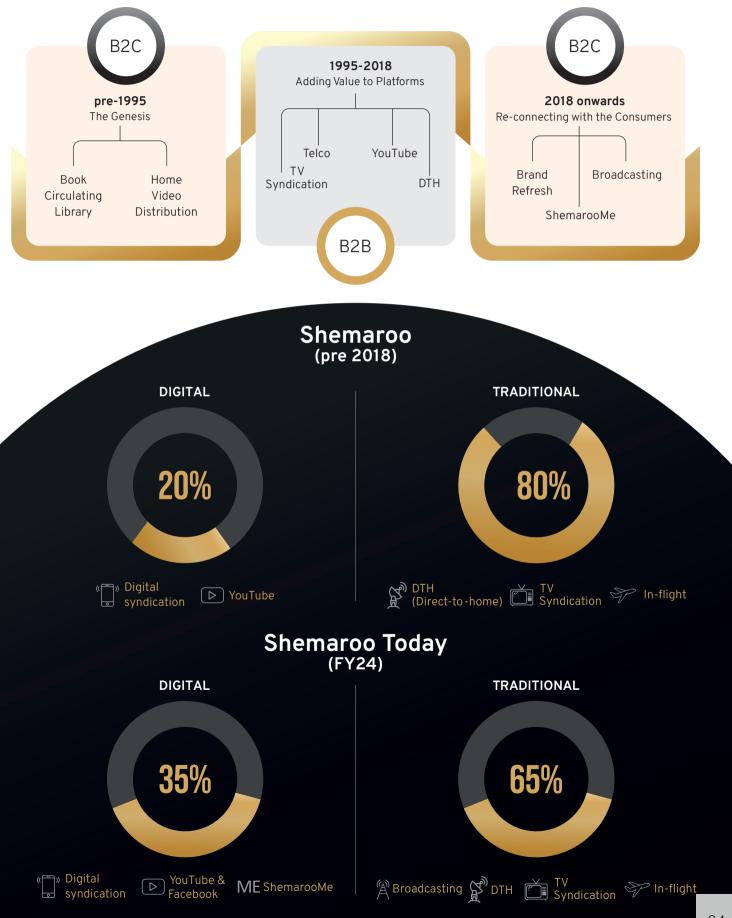

Shemaroo Entertainment Limited is one of the leading entertainment companies in India which has presence across broadcasting, OTT, digital video streaming platforms and syndication. The Company's 60-year-old legacy, built on a foundation of delivering high-quality entertainment experiences, solidifies its position as a trusted industry leader.

Shemaroo's vision is to make 'India Khush' by celebrating stories that traverse diverse genres and languages, constantly pushing the boundaries of creativity and innovation thereby paving a new path for itself and its stakeholders. Adapting to ever-changing consumer preferences, the Company has continually redefined itself to maintain a competitive edge. Its diverse range of content offerings through associated platforms span multiple genres, including movies, TV shows, comedy, devotional, film music, regional content, and children's entertainment. The Company caters to audiences of all ages across various Indian languages. Additionally, the Company has taken significant strides in both the television and digital landscape, cementing its position as a pivotal player in the industry. By seamlessly merging the traditional and digital mediums, the Company strives to bring forth remarkable value.

# TRADITIONAL: Growing Our Footprint in the TV Ecosystem

Television continues to be the largest media platform in India in terms of both audience base as well as hours of consumption. Many traditional advertisers continue to invest heavily in television due to its unparalleled reach. especially in rural areas, with significant growth potential. Television now reaches over 200 million households, or more than 900 million people. A major transition observed is the surge in the reach and consumption of free video content. DD FreeDish now reaches an estimated 45 million households, making it the largest distribution platform. Despite these numbers, television remains underpenetrated, with nearly 30% of households still without television sets, primarily in the Hindi-speaking markets. This presents a significant opportunity for broadcasters to expand their reach by attracting new audiences.

To leverage the growing free market and address the identified gaps, Shemaroo expanded its portfolio to **four television channels**, reaching over 400 million viewers. Currently, Shemaroo offers two Hindi general entertainment channels—Shemaroo TV and Shemaroo Umang, one youth-based entertainment channel Chumbak TV and one regional Marathi channel, Shemaroo MarathiBana. Despite challenges such as increasing competition, advertising slowdown, and changing consumer behaviour, all channels experienced steady viewership and revenue growth during the year. As of March 2024, Shemaroo's Hindi general entertainment channels (GEC) accounted for approximately 7% of the total Hindi GEC viewership. The company's strong industry presence and viewer loyalty are driven by content differentiation and extensive distribution reach. The programming mix includes original fiction shows, mythological series, animation, devotional content, and curated licensed

content. This year, Shemaroo focused on creating fresh original content across all its channels to enhance value and deepen consumer connections. Eight new original shows were introduced, which were positively received by the audience. Management believes that strategic investment in linear television has de-risked the business model, ensuring steady cash flows, stronger consumer relationships, and enriched partnerships with the advertising community.

On the **syndication** front, Shemaroo takes pride in owning one of the largest libraries of movies and video content in the country, featuring content in languages such as Hindi, Gujarati, Punjabi, Marathi, Bengali, and many more. This extensive collection allows it to cater to the diverse Indian audience across the world. The Company is committed to making its content accessible to everyone and maintains a presence on most broadcasting platforms, both in India and internationally. Shemaroo continues to syndicate its

diverse content library to various satellite channels, cable networks, and terrestrial networks to reach consumers' homes. Additionally, the Company has established strong relationships with international media partners in regions such as the USA, UAE, Southeast Asia, among others.

The Company has partnered with all leading **DTH** service providers for their subscription-based, ad-free content services across various genres such as movies, TV shows and music in categories ranging from devotion, thriller, comedy, Bollywood to regional content. The Company holds a leading position in the inflight entertainment space and syndicates content to more than 100 airlines.

Shemaroo is confident that linear television will continue to guide the viewing choices of mass Indian audiences. The company believes that innovation in storytelling and the inclusion of 'TV dark' audiences-those without access to television-will significantly drive television growth in the coming decade.

The past few years have seen remarkable growth in the digital media sector, fuelled by affordable internet data and the widespread adoption of low-cost smartphones. This, coupled with the continuous innovation in content creation and platform development, propelled the digital industry to a CAGR of over 20% over the past four years. However, the year 2023 witnessed a period of market recalibration within the digital entertainment sector. Subscription growth moderated, advertising-driven platforms faced challenges due to reduced marketing budgets, and smartphone sales growth remained flat. Despite these headwinds, the Company was able to grow its digital business, demonstrating its resilience and ability to adapt to evolving market conditions.

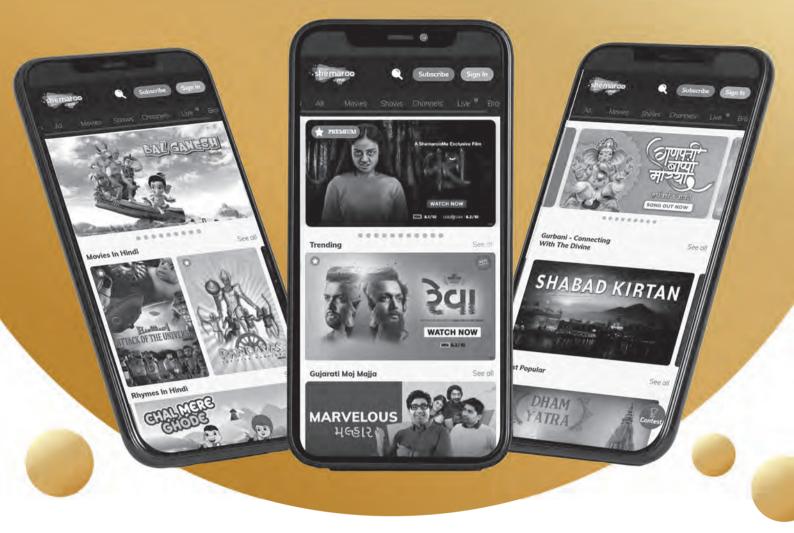

We strongly believe that these are short term hiccups, and that India presents a significant opportunity for continued growth. With broadband and smartphone penetration currently reaching approximately 900 million and 574 million users respectively, a substantial portion of the population remains unconnected. This vast untapped potential signifies a promising future for all industry stakeholders.

Shemaroo believes that the digital content consumption growth in the next decade will come from both, subscription-led and advertising-led platforms. The Company's successes so far on both these fronts have given it the confidence to be front footed in its investment approach for its digital businesses.

Shemaroo has been a pioneer in the Indian digital media space. The Company was early to identify the growth opportunity on **YouTube** and launch its content channels in 2009. With a diversified presence of more than 50 channels on YouTube and a cumulative subscriber base exceeding 200 million, the Company garners an average daily viewership of over 100 million. The Company's flagship channel Shemaroo Filmi Gaane crossed 68 million subscribers to become the 9th most subscribed channel in India and 22nd most subscribed channel globally.

**ShemarooMe**, the Company's video OTT offering, achieved consistent user base growth and engagement metrics throughout the year, reflecting the enduring

strength of its content offerings. The platform's differentiated offerings—spanning direct-to-digital movie releases, plays and original web series—have established ShemarooMe Gujarati as a formidable B2C player in the Gujarati entertainment industry, fuelling significant subscription growth. During the year, more than 52 new titles were released on the platform. Shemaroo originals such as 'Warso', 'Goti Soda 4', 'What the Fafda', 'Vaat Vaat Ma Adla Badli' and digital world premieres of movies such as 'Aum Mangalam Singalam', 'Shubh Yatra', 'Kutch Express', 'Hu Ane Tu', 'Chal Man Jeetva Jaiye 2' released on the platform, were well received by the audience. ShemarooMe has expanded its footprint outside India, especially in the USA, through its Gujarati proposition.

Shemaroo recognizes that the power of forging right partnerships can unlock significant value. Over the years, the Company has become a trusted partner to all the major telecom platforms domestically as well internationally and has aggregated and distributed quality content from across the ecosystem. Furthermore, Shemaroo also distributes its library to major video platforms such Amazon Prime, Jio Cinema, Netflix, Disney+Hotstar, amongst others.

Shemaroo believes that growth in digital consumption along with hybrid revenue models, streamlined content costs and increased advertising efforts, will drive significant growth in the digital sector. Shemaroo is confident that positive consumption trends coupled with its ability to select the right content for its digital audience will boost its digital revenues.

### Chairman and Managing Director's Speech

#### Dear Shareholders,

The Indian economy showed remarkable resilience, achieving an 8.2% growth rate in FY2024, significantly surpassing the G20 average growth of 3.2%. This growth was fuelled by strong performance in the manufacturing sector, higher-than-anticipated agricultural output, and robust government spending. However, the overall consumer sentiment, particularly rural demand, remained weak for most part of the year. This along with continued challenges within the startup ecosystem, resulted in sluggish growth in advertising spends across the media and entertainment industry. Nevertheless, looking ahead as consumer demand rebounds, fuelled by favourable monsoon predictions, we anticipate strong advertising spends, especially by FMCG companies.

This year, we celebrated the fourth anniversary of our broadcasting business with four channels in our portfolio, marking a significant milestone in our journey. It has been an eventful journey, filled with achievements and challenges, during which we have successfully established several brands that deeply resonate with our audience. Throughout the year, our primary objectives have been to enhance and fortify our sales team, increase our play in originals and streamlining and bringing efficiencies across all our processes. We introduced 'Chumbak TV', our new youth-based entertainment channel, which features a mix of international dubbed shows, content from new-age creators, and animated series. We believe that with this diverse portfolio of four channels, we have a strong platform in place which will help in shaping our future and strengthening our position in the country's media landscape.

ShemarooMe, our OTT platform, has remained committed to enriching the entertainment landscape for Gujarati audiences by offering a range of blockbuster movies and premium web-series. We continue to enjoy unparalleled appreciation, unwavering support and strong viewership from our dedicated audience on the platform, thus helping us solidify our position as the leading destination for Gujarati entertainment.

Driven by our commitment towards long-term success, we continued to bolster our leadership team by onboarding seasoned professionals from the industry. With every critical leadership role within the organization now occupied by highly qualified individuals, we are wellpositioned to push forward our initiatives and achieve our future goals.

On behalf of the Company, I want to thank all our valued shareholders, esteemed banking partners, exemplary board members and dedicated employees. Your dedication, support and expertise have been pivotal in our journey so far. Together, we have overcome challenges, embraced opportunities and reached significant milestones. Your trust and contributions inspire us to strive for excellence, propelling our business to new horizons. We are truly grateful for your belief in our vision and your invaluable role in shaping our journey.

We firmly believe that the true measure of our success will be reflected in the value we create for all our stakeholders in the long term. This will emerge directly from our ability to build strong, healthy businesses that achieve market leadership. As we move forward, we will ensure a balanced approach that emphasizes growth with value creation.

Regards, **Raman Maroo**

### **CEO's Speech**

#### Dear Shareholders,

The growth in the Indian M&E sector tapered to 8.1% in 2023 from 22.5% in 2022, which was also the first full year post-Covid. While Television continued to remain the largest segment in 2023, its contribution to the overall M&E sector revenue reduced to 30% in 2023 from 33% in 2022. Digital media continued to be among the fastest growing segments, contributing close to half of the incremental sector revenue in 2023. Traditional media advertising was flat, while digital media advertising grew by 15.4% in 2023. Television subscription revenue increased for the first time in three years, on the back of price increases, despite a two million drop in Pay TV homes. Digital video subscription revenue increased 6% in 2023, while there was a two million drop in subscriptions and subscribing households. (Source: FICCI-EY). This year also witnessed significant developments on the consolidation front within the media and entertainment industry. Reliance-owned Viacom and the Indian arm of Disnev-Star have agreed to a merger, while Sony withdrew its \$10 billion merger agreement with Zee Entertainment.

For the financial year 2023-24, your company's revenue was INR 7,072 million, an increase of 27.1% YoY, while the EBITDA loss was INR 3 million and the net loss was INR 407 million. Digital media revenue for the financial year 2023-24 stood at INR 2,491 million, a growth of 11.4% over previous year, contributing to 35% of the topline, while traditional media revenue stood at INR 4,581 million, a growth of 37.6% over previous year. The primary contributors to revenue growth were our broadcasting business, where we ramped-up monetization of our existing channels and added a new channel, and our B2B businesses. The margins for the year remained subdued due to the tough advertising market throughout the year, continued investments in our B2C initiatives and the inventory charge-off taken in the fourth quarter.

While this year has posed significant challenges for the broadcasting industry due to disruptions in the advertising ecosystem, we have successfully achieved robust revenue growth driven by our expanding line-up of channels and compelling content offerings for our audiences. Our primary focus this year has been on creating original stories to foster a deeper connection with our viewers. In alignment with this goal, we launched eight original shows across our three channels: Shemaroo TV, Shemaroo Umang, and Shemaroo Marathibana. These original productions have consistently struck a chord with our audience, allowing Shemaroo TV and Shemaroo Umang to consistently sustain a viewership share of over 7% throughout the year in the Hindi General Entertainment Channels (GEC) category. Additionally, this year, we launched our fourth broadcasting channel 'Chumbak TV', designed specifically to cater to young Indians, with its engaging lineup of animation and comedy content.

On the digital business, ShemarooMe premiered a series of successful theatrical releases, including 'Aum Mangalam Singalam', 'Shubh Yatra', 'Kutch Express', 'Hu Ane Tu', 'Chal Man Jeetva Jaiye 2', among others. Our original web series such as 'What the Fafda', 'Goti Soda 4', and 'Vaat Vaat Ma Adla Badli' captivated our audiences, receiving widespread acclaim.

We continued to solidify our position as one of YouTube's leading partners in India, with a cumulative subscriber base exceeding 200 million across all our channels. With a daily viewership surpassing 100 million, our content continues to attract audiences, demonstrating sustained growth and engagement. As a leading provider of premium content across various genres, we take pride in our diverse bouquet of YouTube channels. Noteworthy are our channels 'Shemaroo Filmi Gaane' and 'Shemaroo Entertainment,' ranked 22nd and 48th respectively among the top 50 most subscribed YouTube channels globally, affirming our prominent position and influence in the digital landscape.

With a focus on investing in technologies that will shape the future of Media and Entertainment, we launched ShemarooVerse, a digital universe where entertainment seamlessly integrates with Web3.0 and Artificial Intelligence.

Throughout the year, we received numerous accolades and awards. Notably, Shemaroo was honoured as one of the top 25 'Game Changing Companies' in the Video and Broadband Industry by Indiantelevision.com.

Even in the face of a challenging external environment, this year has proven to be another strong year of growth for the organization. Since embarking on a strategic pivot of our business model in 2018, our revenue this year has comfortably surpassed our pre-pandemic levels, with a business mix that aligns clearly with our long-term strategy. I am extremely confident that with our pillars of growth encompassing businesses, people, assets, partnerships and infrastructure now solidly in place, we are well-positioned to discover significant value for all our stakeholders. Furthermore, in the last quarter of the year, your company aimed to strengthen the balance sheet by accelerating inventory charge-offs and prioritizing debt repayment. This may temporarily put pressure on the margins for a few quarters, but we believe it will unlock significant long-term value for the shareholders.

Yours sincerely,

Hiren Gada

## Management Discussion and Analysis

#### **GLOBAL ECONOMY:**

During CY2023, the global economy demonstrated remarkable resilience, maintaining steady growth, while inflation levels returned to their desired targets. The invasion of Ukraine by Russia initiated a chain of events, including disruptions in supply chains, a global energy and goods crisis and a significant inflation surge, leading to synchronised tightening of monetary policies worldwide.

Despite concerns, the global economy still managed to avoid a recession, with the banking system remaining strong and major emerging markets avoiding abrupt halts. Employment and income growth also remained stable, cushioned by supportive demand factors such as increased government spending and household consumption, as well as supply-side expansions, including unexpected boost in labour force participation. Market reactions were optimistic to the news of banks transitioning away from tight monetary policies. Global growth, which hit a low point of 2.3% at the close of 2022, experienced a notable rebound in 2023, reaching 3.2%. The baseline prediction for the global economy anticipates continued growth of 3.2% in both 2024 and 2025, maintaining a pace similar to that of 2023. Advanced economies might witness a slight uptick, with growth rates expected to increase from 1.6% in 2023 to 1.7% in 2024 and 1.8% in 2025. Emerging markets and developing economies are forecast to experience a modest deceleration, with growth rates projected at 4.2% in both 2024 and 2025, compared to 4.3% in 2023. Global inflation is anticipated to decline from 6.8% in 2023 to 5.9% in 2024 and 4.5% in 2025.

#### **INDIAN ECONOMY:**

The Indian economy experienced a stronger than

GDP Growth Projections	CY2023	CY2024	CY2025

anticipated growth of 8.2% in the fiscal year 2023-24. The growth has been driven by a shift from consumption to investment. India has now managed to grow at 7 per cent or above for the third consecutive fiscal year.

The Government's emphasis on capital expenditure began to stimulate private investment, contributing to this growth. The headline inflation has witnessed a downward movement, primarily due to fuel prices remaining in deflation for the past few months.

The period also witnessed robust demand, supported by both public investment and private consumption. Indicators such as the index of industrial production for consumer durables, increased sales of passenger vehicles and two-wheelers, indicated a resurgence in private consumption during this time.

Over the medium term, India's economic growth prospects should remain strong, with GDP growth projected at 7.2% for FY2024-25. Growth will be driven by a thrust on government capex coupled with a revival in private investment, gaining virtuous investment cycle, strengthening of rural demand and increasing capacity utilization. Global liquidity conditions are also improving as central banks have started easing the tight monetary policy stance and cutting policy rates. A synchronised global recovery next year, will help improve exports while also improving capital flows to drive higher investment and consumption.

RBI has provided an inflation projection of 4.5% for FY2024-25 as concerns will persist over the higher food prices. Inflation is expected to remain above RBI's target level of 4% in FY2025 and FY2026.

#### MEDIA & ENTERTAINMENT INDUSTRY:

The Indian M&E sector grew by INR 173 billion (8.1%) to reach INR 2.32 trillion (US\$ 27.9 Billion). The sector is 21% above its pre-pandemic levels. However, television, print

and radio still lagged their 2019 levels. While television continued to be the largest segment, digital media has closed the gap and is expected to surpass it in 2024.

The growth was driven by new media i.e. online gaming and digital media, contributing incremental revenue of INR 122 billion in 2023. As a result, their contribution to the overall M&E sector revenue increased from 20% in 2019 to 38% in 2023. The share of traditional media (television, print, filmed entertainment, live events, OOH, music and radio) stood at 57% in 2023, down from 75% in 2019

Overall advertising grew by 7.1% in 2023. While growth of advertising on traditional media was flat, advertising on new media grew by 15.3% in 2023. The overall subscription revenue increased by 8.5% (INR 75 billion) to reach INR 956 billion in 2023. Growth was driven by online gaming which contributed incremental revenue of INR 38 billion, followed by filmed entertainment which contributed INR 22 billion of incremental revenue. Television subscription revenue increased by 1.8%, while digital subscription revenue increased by 8.3% despite a drop of 2 million in video subscribing households.

This year also witnessed significant developments on the consolidation front within the media and entertainment industry. Reliance-owned Viacom and the Indian arm of Disney-Star have agreed to a merger, while Sony withdrew its \$10 billion merger agreement with Zee Entertainment. The M&E sector is expected to grow at 10.2% in 2024 to reach INR 2.55 trillion. Further, it is expected to reach INR 3.08 trillion by 2026. Digital media will contribute the highest incremental revenue of INR 301 billion by 2026, followed by online gaming at INR 168 billion. The share of traditional media will drop to 50% in 2026 from 57% in 2023, while the share of new media (digital media and

#### SECRETARIAL AUDIT REPORT

#### FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2024

#### [Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To, The Members, **Shemaroo Entertainment Limited** Mumbai

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Shemaroo Entertainment Limited** (CIN: L67190MH2005PLC158288) and having its registered office at Shemaroo House, Plot No. 18, Marol Co-operative Industrial Estate, Off Andheri Kurla Road, Andheri (East), Mumbai - 400059 (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2024 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2024 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
  - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
  - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2021;
  - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2021; (Not applicable to the Company during the audit period);
  - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
  - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 (Not applicable to the Company during the audit period);
  - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018
     (Not applicable to the Company during the audit period); and
  - The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
- (vi) Cinematograph Act, 1952, Copyright Act, 1957, Information Technology Act, 2000 and the rules, regulations made thereunder, being laws that are specifically applicable to the Company based on their sector/industry.

We have also examined compliance with the applicable clauses of the Secretarial Standards issued by The Institute of Company Secretaries of India.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Standards Guidelines etc. mentioned above and in respect of laws specifically applicable to the Company based on their sector/industry, in so far as requirement relating to licencing/certification, submission of returns etc. based on test checking.

#### We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes. However, in the minutes of the meetings of Board and its Committees, for the period under review, no dissents were noted and hence we have no reason to believe that decisions by the Board were not approved by all the directors present.

**We further report that** there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations, standards, guidelines and directions.

We further report that during the audit period:

- 1. The Company has approved the grant of 3,71,350 and 78,000 Employee Stock Options convertible into equal number of Equity Shares of the Company of face value of ₹10/- each to its eligible employees under Shemaroo Entertainment Limited Employees Stock Option Scheme 2021 on May 09, 2023 and October 31, 2023, respectively.
- 2. The Company has issued and allotted fully paid-up Equity Shares of face value of ₹10/- each under 'Shemaroo Entertainment Limited Employee Stock Option Scheme 2021' on various dates as mentioned hereunder:

### Independent Auditor's Report

#### To the Members of Shemaroo Entertainment Limited

## Report on the Audit of the Standalone Ind AS Financial Statements

#### 1. Opinion

We have audited the standalone Ind AS financial statements of Shemaroo Entertainment Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the standalone Ind AS financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "standalone Ind AS financial statements") for the year ended on that date.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its loss, total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

#### 2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the

predictions of business and cash flows.

Auditor's Responsibilities for the Audit of the standalone Ind AS financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone Ind AS financial statements.

#### 3. Emphasis of Matter

We draw attention to Note 33.6 to the standalone Ind AS financial statements for the year ended 31st March 2024, which describes the details of search operation carried out by the CGST and Central Excise Department on the Company during the year and the issues arising therefrom.

Our opinion is not modified in respect of this matter.

#### 4. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

5.	Information other than the standalone Ind AS financial statements and Auditor's report thereon	the accounting principles generally accepted in India, including the Indian Accounting Standards specified

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report, but does not include the standalone Ind AS financial statements and our Auditor's Report thereon. The Directors Report & Annual Report is expected to be made available to us after the date of our audit report.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether other information is materially inconsistent with the standalone Ind AS Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

#### 6. Management's Responsibility for the standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive loss, changes in equity and cash flows of the Company in accordance with

under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS Financial Statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### 7. Auditor's Responsibilities for the Audit of the standalone Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS Financial Statements.

As part of an audit in accordance with Standards on auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS Financial Statements, including the disclosures, and whether the standalone Ind AS Financial Statements

represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of standalone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### 8. Report on Other Legal and Regulatory Requirements

- . As required by the Companies (Auditor's report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
- II. As required by Section 143(3) of the Act, based on our audit we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of standalone Ind AS Financial Statements.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the statement of changes in equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - In our opinion, the aforesaid standalone Ind AS financial statements comply with the Ind AS specified under Section 133 of the Act.

- e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to Standalone Ind AS financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations on its financial position in Note 33.4 of its standalone Ind AS financial statements;
  - ii. The Company did not have any longterm contracts including derivative contracts for which there are any material foreseeable losses.
  - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
  - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner

whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11( e), as provided under (a) and (b) above, contain any material misstatement.

- v. (a) The Company has not paid any dividend during the year.
  - (b) The Board of Directors of the Company has neither proposed nor paid any dividend for the year.
- vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended 31st March, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11 (g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the year ended 31st March, 2024.

#### Annexure A to the Independent Auditor's Report of even date on the standalone Ind AS financial statements of Shemaroo Entertainment Limited

Referred to in paragraph [8(i)] under Report on Other Legal and Regulatory Requirements of our report of even date

According to the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) a) A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment, capital work-in-progress and relevant details of right-of-use assets.
  - B) The Company has maintained proper records showing full particulars of intangible assets.
  - b) The Property, Plant and Equipment, including right-of-use assets, are physically verified by the management according to a programme of phased verification, which in our opinion is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, the Property, Plant and Equipment have been physically verified by management during the year and no material discrepancies were noticed on such verification.
  - c) Based on the examination of the registered sale deed and name change documents of the Company provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, disclosed in the standalone Ind AS financial statements are held in the name of the Company as at the balance sheet date.
  - The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) and intangible assets during the year.
  - According to the information and explanations given to us, no proceedings have been initiated or is pending against the Company during the year for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- ii. (a) As explained to us, the nature of the inventories of the Company are such that clause (ii) of paragraph 3 of the Order is not applicable to the Company.

According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of ₹ 5 crores, in aggregate, during the year, from banks on the basis of security of current assets. We have observed differences / reconciliation items in the quarterly returns or statements filed by the Company with such banks or financial institutions as compared to the books of account maintained by the Company. The details of such differences / reconciliation items are given in note no 16(a) to the standalone Ind AS financial statements.

- iii. The Company has made investments in, provided guarantees (letter of comfort) and granted loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year, as follows :
  - a) The Company has provided loans during the year. Details of which are as given below –

Company	Loan given during the year (₹)	Balance outstanding as at 31st March 2024 (₹)
Subsidiary Company	66.47	69.90

- b) In our opinion, the investments made and the terms and conditions of the grant of loans, during the year are, prima facie, not prejudicial to the Company's interest.
- c) In respect of loans granted by the Company, the schedule of repayment of principal has not been stipulated and payment of interest has been stipulated.
- In respect of loans granted by the Company, there is no stipulated repayment schedule so the balance outstanding cannot be called as overdue.
- e) No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdue of existing loans given to the same parties.
- f) The Company has granted loan either repayable on demand or without specifying any terms or period of repayment during the year. Following are details of the same –

	Balance	Percentage
Company	outstanding as at	to total loans
	31st March 2024	granted
Subsidiary Company	69.90 Lakhs	5.27 %

v. The Company has not granted any loans or made any investment, or provided any guarantees or security to the parties covered under Section 185. In our opinion, and according to the information and explanations given to us, the company has complied with the provisions of Section 186 of the Companies Act, 2013 in respect of loans and investments made, and guarantees and security provided by it, as applicable.

- v. The Company has not accepted any deposits from the public to which the directives issued by the Reserve Bank of India and the provisions of Section 73 to 76 or any other relevant provisions of the Act and the Rules framed thereunder apply. Hence reporting under clause 3 (v) of the Order is not applicable.
- vi. The Company is required to maintain cost records as prescribed by the Central Government under section 148(1) of the Companies Act, 2013. We have broadly reviewed the cost records maintained by the Company pursuant to the rules made by the Central Government for the maintenance of the cost records under section 148(1) of the Companies Act, 2013 and are of the opinion that prima facie, the prescribed records have been maintained. We have, however, not made a detailed examination of the said records.
- vii. (a) According to the information and explanations given to us, the Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax goods and services Tax, duty of customs, duty of excise, cess and any other statutory dues with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service Tax, Provident Fund, Employees' State Insurance, Income-tax, Cess and other material statutory dues in arrears as at 31st March, 2024, for a period of more than six months from the date they became payable.

(b) According to the records of the Company, the dues outstanding of income-tax, sales tax, service tax, duty of customs, value added tax and cess on account of any dispute, are as follows:

Name of the statute	Nature of dues	Amount Involved (₹ Lac)		the amount	Forum where dispute is pending
Income tax	Income tax	9.27	9.27	FY 2017-18	AO
Income tax	Income tax	24.46	24.46	FY 2018-19	СРС
Maharashtra VAT and	VAT and CST	168.51	153.13	FY 2010-11	Joint commissioner o
Central Sales Tax					Sales Tax

- viii. According to the information and explanations given to us, there were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. (a) The Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to banks or financial institutions. The Company did not have any borrowings from the government during the year.
  - (b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
  - (c) To the best of our knowledge and belief, in our opinion, term loans availed by the Company were, applied by the Company during the year for the purposes for which the loans were obtained, other than temporary deployment pending application.
  - (d) On an overall examination of the standalone Ind AS financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
  - (e) On an overall examination of the standalone Ind AS financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.

- (f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries or joint ventures or associate companies.
- x. (a) According to the information and explanations given by the management, the Company has not raised any money by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under paragraph 3(x)(a) of the Order is not applicable to the Company.
  - (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)
     (b) of the Order is not applicable.
- xi. (a) According to the information and explanations given by the management, there have been no instances of fraud on the Company by its customers. No fraud by the Company has been noticed or reported during the year, nor have we been informed of any such case by the Management. Hence reporting under clause 3(xi)(a) of the Order is not applicable to the Company.
  - (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year by the Statutory Auditors and upto the date of this report.

- (c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year and upto the date of this report.
- xii. The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable.
- xiii. According to the information and explanations given by the management, transactions with the related parties are in compliance with section 177 and 188 of the Act where applicable and the details have been disclosed in the notes to the standalone Ind AS financial statements, as required by the applicable accounting standards.
- xiv. (a) In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.
  - (b) We have taken into consideration, the reports of the Internal Auditors received by the company during the year and provided to us while determining the nature, timing and extent of audit procedures.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions

with directors or person connected with them. Accordingly provisions of clause 3 (xv) of the Order are not applicable to the Company.

xvi. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.

(b) The company has not conducted any Non- Banking Financial or Housing Finance activities and hence reporting under clause 3 (xvi)(b) is not applicable to the Company.

- (c) The company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India and hence reporting under clause 3 (xvi)(c) is not applicable to the Company.
- (d) The Group does not have any Core Investment Company (CIC) as part of the Group and hence

reporting under clause 3(xvi)(d) of the Order is not applicable to the Company.

- xvii. The Company has incurred cash losses amounting to ₹2,487.37 Lakhs during the financial year covered by our audit and not incurred any cash loss in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year. Hence, the provisions of clause clause 3(xviii) of the Order are not applicable.
- xix. On the basis of our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there is no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.

#### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act

 We have audited the internal financial controls with reference to standalone Ind AS financial statements of Shemaroo Entertainment Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date

## Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to standalone Ind AS financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India" (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone Ind AS financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal

financial controls system with reference to standalone Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone Ind AS financial statements included obtaining an understanding of internal financial controls with reference to standalone Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to standalone Ind AS financial statements.

## Meaning of Internal Financial Controls with reference to standalone Ind AS financial statements

4. A company's internal financial control with reference to standalone Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone Ind AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that income and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone Ind AS financial statements.

## Inherent Limitations of Internal Financial Controls with reference to standalone Ind AS financial statements

5. Because of the inherent limitations of internal financial controls with reference to standalone Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone Ind AS financial statements to future periods are subject to the risk that the internal financial control with reference to standalone Ind AS financial statements may

become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

6. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to standalone Ind AS financial statements and such internal financial controls with reference to standalone Ind AS financial statements were operating effectively as at March 31, 2024, based on the internal control with reference to standalone Ind AS financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Statement of Changes in Equity for the year ended 31st March 2024 Place: Mumbai Date : 24th May, 2024

Place: Mumbai Date : 24th May, 2024

# Notes to Financial Statements for the year ended 31st March 2024

for the year ended 31st March 2024

# 1 Corporate information

Shemaroo Entertainment Limited ('Shemaroo' or 'the Company') is a public company domiciled in India and incorporated on 23rd December, 2005, in the state of Maharashtra. The Company's registered office is at Shemaroo House, Plot No. 18, Marol Co-operative Industrial Estate, Off. Andheri Kurla Road, Andheri East Mumbai - 400059, Maharashtra, India. The Company's equity shares are listed on both BSE Limited and National Stock Exchange of India Limited.

Shemaroo is engaged in the distribution of content for Broadcasting of Satellite Channels and Digital Technologies like Mobile, Internet, Broadband, IPTV and DTH among others.

These financial statements were approved by the Company's Board of Directors on 24th May 2024.

# 2 Material accounting policies

# 2.1 Statement of Compliance

The financial statements of the company have been prepared to comply with the Indian Accounting Standards ('Ind AS'), notified under the relevant provisions of the Companies Act, 2013 (the Act).

# 2.2 Basis of accounting and preparation of financial statements

The financial statements have been prepared on the historical cost basis except for certain financial assets and liabilities which have been measured at fair value.

Company's financial statements are presented in Indian Rupees (₹), which is its functional currency.

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

# 2.3 Use of estimates

The preparation of financial statements requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise.

# 2.4 Summary of Material Accounting Policies

# (a) Property, Plant & Equipment

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow the entity and the cost can be measured reliably.

Cost incurred on Property, Plant and Equipment not ready for their intended use is disclosed as Capital Work-in-Progress. Advances paid towards the acquisition of Property, Plant and Equipment outstanding at each balance sheet date are classified as capital advances under other non-current assets. Unpaid amounts towards acquisition of Property, Plant and Equipment outstanding at each balance sheet date are classified under other current financial liabilities if due within one year from the date of these financial liabilities if due after a year from the date of these financial statements.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if deemed appropriate.

Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

# (b) Intangible assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebate less accumulated amortisation/ depletion and impairment loss, if any. Such cost includes purchase price, development costs, borrowing costs and any cost directly attributable to bringing the asset to its working condition for the intended use and net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

for the year ended 31st March 2024

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the items will flow to the Company and cost can be measured reliably.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

#### (c) Depreciation and amortisation

Depreciation on property, plant and equipment is provided using straight-line basis using the rates arrived at based on the useful lives estimated by the management, or those prescribed under Part C of Schedule II of the Companies Act, 2013.

Depreciation for property, plant and equipment purchased/sold during a period is proportionately charged. Fixed Assets individually costing ₹ 5,000/- or less are fully depreciated in the year of acquisition. The Company has estimated the useful lives for the fixed assets as follows :

Office Building	58 years
Plant & Machinery	9 - 15 years*
Furniture & Fixtures	10 years
Motor Vehicle	8 - 10 years
Computers	3 - 5 years
Leasehold Improvments	3 - 5 years

\* In case of office equipments, useful life is estimated to approximate their expected wear & tear, which is higher than the one prescribed under Part C of Schedule II.

Software acquired initially together with hardware is capitalised along with the cost of hardware and depreciated in the same manner as the hardware. The Company has estimated the useful lives for the intangible assets as follows :

Computer Software 5 years

#### (d) Borrowing Costs

Borrowing Cost includes interest expense calculated using the effective interest method under Ind AS 109 and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the respective asset.

All other borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

### (e) Impairment of non-financial assets - property, plant and equipment, investment property and intangible assets

The Company assesses at each reporting dates as to whether there is any indication that any property, plant and equipment and intangible assets may be impaired. If any such indication exists, the recoverable amount of an asset is estimated to determine the extent of impairment, if any.

If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. An impairment loss is recognized in the Statement of the Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

#### (f) Investments

Investments are carried at cost.

#### (g) Inventories

The media content (copyrights) are stated at lower of cost/carrying cost or net realisable value. The Company evaluates the net realisable value and/or revenue potential of inventory based on management estimate of market conditions and future demand and appropriate impairment is made in cases where accelerated impairment is warranted.

The copyrights are valued at a percentage of cost based on the nature of rights, as estimated by the Management. The Company evaluates the net realisable value and/or revenue potential of inventory based on management estimate of market conditions and future demand and appropriate write down is made in cases where accelerated write down is warranted.

Inventories of Raw material Stock are valued at cost or estimated net realizable value whichever is lower.

for the year ended 31st March 2024

Projects in progress and movies under production are stated at cost. Cost comprises the cost of materials, the cost of services, labour and other expenses, to the extent they are incurred for creating an asset.

Inventories of physical media which consists of DVDs, Blu-ray, Physical Equipments & Merchandising are valued on FIFO basis.

The borrowing costs directly attributable to a movie is capitalised as part of the cost.

#### (h) Trade receivables

Trade receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due or payments are already due but yet to be realized).

### (i) Cash and cash equivalents

Cash comprises cash in hand and demand deposits with banks. Cash equivalents are shortterm balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

### (j) Cash Flow Statement

Cash flows from operating activities are stated using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated in a manner which is most appropriate to the business.

### (k) Financial Assets

### A. Initial recognition and measurement :

All financial assets are initially recognised at fair value. Transaction costs that are directly attributable to the acquisition of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

#### B. Subsequent measurement :

# a) Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

# b) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

# c) Financial assets carried at fair value through profit or loss (FVTPL)

A financial asset which is not classified in the above categories are fair valued through profit or loss.

# C. Investment in subsidiaries, associates and joint ventures :

The Company has accounted for its investments in subsidiaries, associates and joint venture at cost.

### D. Impairment of Financial assets :

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment assessment of financial assets other than those measured at fair value through profit and loss (FVTPL).

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. Every year, the historical observed default rates are updated and changes in the forward-looking

for the year ended 31st March 2024

estimates are analysed.

#### (I) Financial Liabilities

#### A. Initial recognition and measurements :

All financial liabilities are recognized initially at fair value and in case of loans net of directly attributable cost. Fees of recurring nature are directly recognised in profit or loss as finance cost.

#### B. Subsequent measurement :

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

#### (m) Leases

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset; (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease; and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (shortterm leases) and low value leases. For these short term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that the option to extend will be exercised and the option to terminate will not be exercised.

The right-of use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use assets are depreciated from the commencement date on a straight line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e.the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cashflows that are largely independent of those from other assets. In such cases, the recoverable amount (CGU) to which the asset belongs.

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment of whether it will exercise an extension or a termination option. Lease liability and ROU asset are separately presented in the Balance Sheet and lease payments are classified as financing cash flows.

#### (n) Employee Benefits

#### Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

#### Long Term Employee Benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability as at the Balance Sheet date on the basis of actuarial valuation.

#### Post-employment Benefits

### **Defined Contribution Plans**

A Defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions towards Provident Fund and Pension Scheme. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

73

or the year ended 31st March 2024

# Defined Benefit Plans :-

#### Gratuity

The liability in respect of gratuity and other post employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employee's services.

Re-measurement of Defined benefit plans in respect of post-employment and other long term benefits are charged to the Other Comprehensive Income.

#### (o) Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity.

#### **Current Tax**

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance Sheet date.

#### **Deferred Tax**

Deferred Tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are recognised for all taxable temporory differences except to the extent they arise from the initial recognition of goodwill or from initial recognition of an asset or liability in a transaction which is not a business combination & at the time of the transaction affects neither accounting profit nor taxable profit (tax loss).

Deferred income tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax assets to be utilised.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

#### (p) Foreign currencies transactions and translation

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Exchange differences arising on settlement or translation of monetary item are recognised in Statement of Profit and Loss.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

#### (q) Revenue recognition

Revenue is recognised to the extent it is probable that economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the transaction value.

1. Sale of Content, Content Production, Film Distribution and Syndication - Revenue is recognised, when the Company satisfies the performance obligation by transferrring the control over the item in accordance with the agreed terms.

#### **Contract assets - Unbilled Revenue**

A contract asset is the right to consideration in exchange for services transferred to the customer. If the Company transfers services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional. Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled revenues (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

2. Broadcasting revenue - Advertisement revenue (net of discount and volume rebates) is recognised when the related advertisement or commercial appears before the public i.e. on telecast. Subscription revenue (net of share to broadcaster) is recognised on time basis on the provision of television / digital broadcasting service to subscribers.

for the year ended 31st March 2024

# 3. Sale of goods

Revenue from sale of goods (ACDs/VCDs/ DVDs/ACS/BRDs) is recognised when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of goods measured at the transaction value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates and excluding taxes or duties collected on behalf of the government.

# 4. Subscription Revenue

A contract liability is the obligation to transfer services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers services to the customer, a contract liability is recognised when the payment is made, or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company satisfies its performance obligation under the contract. Unearned and deferred revenue is recognised when there are billings in excess of revenues.

### (r) Other income

### i) Interest Income

Interest Income from a financial asset is recognised based on Effective Interest Rate (EIR). Interest Income is included under the head "other income" in the statement of profit and loss.

### ii) Dividend Income

Dividend income is recognised when the Group's right to receive the payment has been established, it is probable that the economic benefits associated with the dividend will flow to the company & the amount of dividend can be measured reliably.

iii) Rent Income is recognised on accrual basis as per the agreed terms on straight line basis.

### (s) Earnings per share

Basic earnings per share is computed by dividing the profit/(loss) attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For calculating diluted earnings per share, the profit or (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding are adjusted for the effects of all dilutive potential equity shares.

# (t) Provisions, contingent liabilities & contigent assets

Provisions are recognised when the Company has a present obligation as a result of a past events; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pretax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a financial cost.

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote. Provisions and contingent liabilities are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. Contingent assets are neither recognised nor disclosed in the financial statements.

## (u) Investment property

Investment in buildings that is not intended to be occupied substantially for use by, or in the operations of the Company, are classified as investment property. Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any. All repairs and maintenance costs incurred for the investment properties are charged to statement of profit and loss account when incurred.

Investment properties are depreciated using the straight-line basis over its estimated useful lives. Useful life of the same is estimated as 58 years after considering estimated residual value as 5%.

Though the Company measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes (Refer Note 3(b)). Fair values are determined based on ready reckoner rate as specified by State Government. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical carrying value.

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit or loss in the period of derecognition

# 26 Employee Benefits

The Disclosures as defined in the Indian Accounting Standard 19 "Employee benefits", are given below :

### a) Defined Contribution Plans

Contribution to provident and other funds is recognised as an expense in Note 22 "Employee benefit expense" of the Statement of Profit and Loss.

### b) Defined Benefit Plan

The present value of gratuity obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation for leave benefits (non funded) is also recognised using the Projected Unit Credit Method.

#### VII) Actuarial assumptions

Mortality Table	IAL (2012-14)	IAL (2012-14)
Discount rate (per annum)	7.11%	7.38%
Expected rate of salary increase (per annum)	5.00%	5.00%
Rate of Employee Turnover	3.00%	3.00%

# VIII) The defined benefit plans expose the Company to actuarial risks such as interest rate risk, longevity risk and salary risk:

Interest risk: A decrease in the bond interest rate will increase the plan liability.

**Longevity risk:** The present value of the defined benefit plan liability is calculated by reference to the best estimate of mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

**Salary risk:** The present value of defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of plan participants will increase the plan's liability.

#### IX) Sensitivity Analysis

The key actuarial assumptions to which the benefit obligation results are particularly sensitive to discount rate and future salary escalation rate. The following table summarizes the impact in percentage terms on the reported defined benefit obligation at the end of the reporting period arising on account of an increase or decrease in the reported assumption by 100 basis points:

(₹	in	Lak	hs)
----	----	-----	-----

Sensitivity Analysis	2023-24	2022-23
Projected Benefit Obligation on Current Assumptions	762.05	593.01
Delta Effect of +1% Change in Rate of Salary Increase	830.01	653.03
Delta Effect of -1% Change in Rate of Salary Increase	701.05	539.71
Delta Effect of +1% Change in Rate of Employee Turnover	776.00	611.23
Delta Effect of -1% Change in Rate of Employee Turnover	745.91	572.15
Delta Effect of +1% Change in Rate of Discounting	693.75	532.90
Delta Effect of -1% Change in Rate of Discounting	842.45	664.57

#### Notes:

The current service cost recognised as an expense is included in Note 22 'Employee benefits expense' as gratuity. The remeasurement of the net defined benefit liability is included in other comprehensive income.

The estimates of rate of escalation in salary considered in actuarial valuation take into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the Actuary.

Significant actuarial assumptions for the determination of the defined obligation are discount rate, expected salary increase and mortality. The sensitivity analysis above have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

#### c) Other long term benefits :

The obligation for leave benefits (non funded) is also recognised using the Projected Unit Credit Method and accordingly the long term paid absences have been valued. The leave encashment expense is included in Note 22 'Employee benefits expense'.

Other financial liabilities includes current maturities of long term borrowings carried at amortised cost.

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consist of the following three levels:

Level 1: Inputs are Quoted prices (unadjusted) in active markets for identical assets or liabilites.

**Level 2**: Inputs are other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e, as prices) or indirectly (i.e, derived from prices).

**Level 3**: Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumption that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. The values are carried at book value or cost.

#### 28.2 Foreign exchange exposure

The Company does not use foreign currency forward contracts to hedge its risks associated with foreign currency fluctuations relating to firm commitments and forecasted transactions.

The Company's foreign currency exposure not hedged by a derivative instrument or otherwise as at the end of reporting period is as follows :

# **29** Financial Instruments

### (i) Financial risk management objective and policies

The Company's principal financial liabilities, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include investments, loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations. The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks.

# a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, foreign currency risk and other price risk such as equity price risk. Financial instruments affected by market risk include loans and borrowings, deposits, other financial instruments.

### b) Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair value of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that future cash flows of floating interest bearing investments will vary because of fluctuations in interest rates. The Company's exposure to the risk of changes in market interest rates primarily to the Company's long-term debt obligations.

### Interest rate sensitivity

The sensitivity analysis below has been determined based on the exposure to interest rates at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

### c) Foreign Currency risk

The Company enters into transactions in currency other than its functional currency and is therefore exposed to foreign currency risk. The Company analyses currency risk as to which balances outstanding in currency other than the functional currency of that company. The management has taken a position not to hedge this currency risk. The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. Exchange rate exposures are not hedged considering the insignificant impact and period involved on such exposure.

#### d) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the company's receivables from customers, deposits and loans given, investments and balances at bank.

The Company measures the expected credit loss of trade receivables based on historical trend, industry practices and the business environment in which the entity operates. Expected credit loss is based on actual credit loss experienced and past trends based on the historical data.

#### e) Liquidity risk

Ageing of trade receivables

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The Company's principal source of liquidity are cash and cash equivalents and the cash flow i.e. generated from operations. The Company consistently generated strong cash flows from operations which together with the available cash and cash equivalents and current investment provided adequate liquidity in short terms as well in the long term.

# Independent Auditor's Report

#### To the Members of Shemaroo Entertainment Limited

# Report on the Audit of the Consolidated Ind AS Financial Statements

#### 1. Opinion

We have audited the accompanying consolidated Ind AS financial statements of Shemaroo Entertainment Limited (the "Holding Company") and its subsidiaries, (the Holding Company and its subsidiaries together referred to as the "Group"), which comprise the Consolidated Balance Sheet as at 31 March 2024, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of material accounting policies and other explanatory information (hereinafter referred to as 'consolidated Ind AS financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS Financial Statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2024, its consolidated loss, consolidated total comprehensive loss, consolidated cash flows and its consolidated changes in equity for the year ended on that date.

#### 2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of

the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the consolidated Ind AS financial statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated Ind AS financial statements.

#### 3. Emphasis of Matter

We draw attention to Note 34.7 to the consolidated Ind AS financial statements for the year ended 31st March 2024, which describes the details of search operation carried out by the CGST and Central Excise Department on the Company during the year and the issues arising therefrom.

Our opinion is not modified in respect of this matter.

### 4. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

The complexity of these contractual terms also requires the Company to make judgements in assessing fulfillment of its obligations under the contracts to recognise the revenue in line with the accounting policy adopted and Indian accounting standard 115.

#### Information other than the Consolidated Ind AS 5. financial statements and Auditor's report thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated Ind AS financial statements and our Auditor's Report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether other information is materially inconsistent with the Consolidated Ind AS Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

#### Management's Responsibility for the Consolidated Ind 6 **AS Financial Statements**

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated Ind AS Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive

loss, changes in equity and cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated Ind AS Financial Statements, Board of Directors is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Holding company's Board of Directors are also responsible for overseeing the Group's financial reporting process.

#### 7. Auditor's Responsibilities for the Audit of the Consolidated Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance

is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS Financial Statements.

As part of an audit in accordance with Standards on auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated Ind AS Financial Statements, including the disclosures, and whether the consolidated Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors report unless law or regulation precludes public disclosure about the matter or when in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## 8. Report on Other Legal and Regulatory Requirements

- I. As required by Section 143(3) of the Act, we report, to the extent applicable that:

entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11( e), as provided under (a) and (b) above, contain any material misstatement.
- v (a) The Company has not paid any dividend during the year.
  - (b) The Board of Directors of the Company has neither proposed nor paid any dividend for the year.
- vi Based on our examination, which included test checks, the Group has used accounting software for maintaining its books of account for the financial year ended 31st March, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11 (g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the year ended 31st March, 2024.

Report on the Internal Financial Controls with reference to Consolidated Ind AS financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

 We have audited the internal financial controls with reference to Consolidated Ind AS financial statements of Shemaroo Entertainment Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the consolidated Ind AS financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The respective Boards of Directors of the Parent 2. and its subsidiary companies, which are companies incorporated in India, responsible for establishing and maintaining internal financial controls based on the internal control with reference to Consolidated Ind AS financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India" (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

3. Our responsibility is to express an opinion on the Group's internal financial controls with reference to Consolidated Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Consolidated Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Ind AS financial statements included obtaining an understanding of internal financial controls with reference to Consolidated Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Consolidated Ind AS financial statements.

## Meaning of Internal Financial Controls with reference to Consolidated Ind AS financial statements

A Group's internal financial control with reference to 4. Consolidated Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Consolidated Ind AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated Ind AS financial statements in accordance with generally accepted accounting principles, and that income and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated Ind AS financial statements.

## Inherent Limitations of Internal Financial Controls with reference to Consolidated Ind AS financial statements

5. Because of the inherent limitations of internal financial controls with reference to Consolidated Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated Ind AS financial statements to future periods are subject to the risk that the internal financial control with reference to Consolidated Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

6. In our opinion, the Group has, in all material respects, an adequate internal financial controls system with reference to Consolidated Ind AS financial statements and such internal financial controls with reference to Consolidated Ind AS financial statements were operating effectively as at March 31, 2024, based on the internal control with reference to Consolidated Ind AS financial statements of the internal statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### 7. Other Matters

Our aforesaid report under Section 143(3)(I) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to Consolidated Ind AS financial statements insofar as it relates to two subsidiary companies, which are companies incorporated in India, is based on the corresponding reports of the Auditors of such companies incorporated in India.

Consolidated Statement of Changes in Equity for the year ended 31st March 2024

for the year ended 31st March 2024

## 1 Corporate information

Shemaroo Entertainment Limited ('Shemaroo' or 'the Company') is a public Company domiciled in India and incorporated on 23rd December, 2005, in the state of Maharashtra. The Company's registered office is at Shemaroo House, Plot No. 18, Marol Co-operative Industrial Estate, Off. Andheri Kurla Road, Andheri East Mumbai - 400059, Maharashtra, India. The Company's equity shares are listed on both BSE Limited and National Stock Exchange of India Limited.

Shemaroo is engaged in the distribution of content for Broadcasting of Satellite Channels, Physical Formats and Digital Technologies like Mobile, Internet, Broadband, IPTV and DTH among others.

These financial statements were approved by the Company's Board of Directors on May 24, 2024.

## i) The Company has the following subsidiary Companies:

Subsidiary concern	Date of	Place of	Proportion of effective ownership as on		
	Incorporation	Incorporation	31st March 2024	31st March 2023	
Shemaroo Media & Entertainment LLC Wholly owned Subsidiary	23rd April, 2018	United States of America	100.00%	100.00%	
Canopy Entertainment Private Limited Wholly owned Subsidiary	31st October, 2012	India	100.00%	100.00%	
Shemaroo Contentino Media LLP Subsidiary LLP	25th August, 2015	India	72.50%	72.50%	
Shemaroo Think Tank Entertainment LLP Subsidiary LLP	12th October, 2015	India	99.99%	99.99%	

Shemaroo Entertainment Limited ('the Company') and its subsidiaries are collectively referred to as 'the Group'.

## 2.1 Basis of accounting and preparation of consolidated financial statements

The financial statements of the Group have been prepared to comply with the Indian Accounting Standards ('Ind AS'), notified under the relevant provisions of the Companies Act, 2013 (the Act).

The consolidated financial statements have been prepared on the historical cost basis except for certain financial assets and liabilities which have been measured at fair value amount.

Group's consolidated financial statements are presented in Indian Rupees ( $\overline{\mathbf{e}}$ ), which is its functional currency.

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

## 2.2 Principles of Consolidation

The Consolidated Financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible in the same manner as the Group's separate financial statements. The Consolidated Financial Statements have been prepared on the following basis:

- In respect of subsidiary companies, the financial statements have been consolidated on a lineby-line basis by adding together the book values of like item of assets, liabilities, incomes and expenses, after fully eliminating intra-group balances and unrealised profits/losses on intragroup transactions.
- ii) In case of foreign subsidiaries, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognised in foreign currency translation reserve.
- iii) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary.
- Non Controlling Interest's share of profit/loss of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Group.
- v) Associates are entities over which the Company has significant influence but not control. The financial statements have been consolidated as per Ind AS 28 - "Accounting for Investments in Associates & Joint venture" following the Equity

for the year ended 31st March 2024

Method for Consolidation of Associates. The investment is initially recognised at cost, and the carrying amount is increased or decreased to recognise the investor's share of the profit or loss of the investee after the acquisition date. The Group's investment in associates includes goodwill identified on acquisition.

- vi) The results of operations of a subsidiary are included in the Consolidated Financial Statements from the date on which the parent-subsidiary relationship comes into existence. The results of operation of a subsidiary with which the parentsubsidiary relationship ceases to exist are included in the consolidated statement of profit and loss until the date of cessation of the relationship. The difference between the proceeds from the disposal of investment in a subsidiary and the carrying amount of its assets less liabilities as on the date of disposal are recognised as profit or loss on disposal of investment in the subsidiary.
- vii) The Notes and material accounting policies to the consolidated financial statements are intended to serve as a guide for better understanding of the group's position. In this respect, the group has disclosed such notes and policies, which represent the requisite disclosure.

### 2.3 Use of estimates

The preparation of financial statements requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known/materialise.

### 2.4 Summary of Material Accounting Policies

## (a) Property, Plant & Equipment

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Cost incurred on Property, Plant and Equipment not ready for their intended use is disclosed as Capital Work-in-Progress. Advances paid towards the acquisition of Property, Plant and Equipment outstanding at each balance sheet date are classified as capital advances under other non-current assets. Unpaid amounts towards acquisition of Property, Plant and Equipment outstanding at each balance sheet date are classified under other current financial liabilities if due within one year from the date of these financial liabilities if due after a year from the date of these financial statements.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

### (b) Intangible assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebate less accumulated amortisation/ depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use and net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and cost can be measured reliably.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

### (c) Depreciation and amortisation

Depreciation on property, plant and equipment is provided using straight-line basis using the rates arrived at based on the useful lives estimated by the management, or those prescribed under Part C of Schedule II of the Companies Act,2013, whichever is lower.

Useful lives are derived after considering estimated residual value of 5 %.

for the year ended 31st March 2024

Depreciation for property, plant and equipment purchased/sold during a period is proportionately charged. Fixed Assets individually costing ₹ 5,000/- or less are fully depreciated in the year of acquisition. The Group has estimated the useful lives for the fixed assets as follows :

Office Building	58 years
Plant & Machinery	9 - 15 years*
Furniture & Fixtures	10 years
Motor Vehicle	8 - 10 years
Computers	3 - 5 years

\* In case of office equipments, useful life is estimated to approximate their expected wear & tear, which is higher than the one prescribed under Part C of Schedule II.

Software acquired initially together with hardware is capitalised along with the cost of hardware and depreciated in the same manner as the hardware.

The Group has estimated the useful lives for the intangible assets as follows :

**Computer Software** 5 years

## (d) Borrowing Costs

Borrowing Cost includes interest expense calculated using the effective interest method under Ind AS 109 and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the respective asset.

All other borrowing costs are charged to the Statement of Profit and Loss in the period in which they are incurred.

### (e) Impairment of non-financial assets - property, plant and equipment and intangible assets

The Group assesses at each reporting dates as to whether there is any indication that any property, plant and equipment and intangible assets may be impaired. If any such indication exists the recoverable amount of an asset is estimated to determine the extent of impairment, if any.

If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. An impairment loss is recognized in the Statement of the Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

#### (f) Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as non-current investments.

On the initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of securities issued. If an investment is acquired in exchange for another asset, the acquisition is determined by reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident.

Current investments are carried in the financial statements at cost. Non-Current investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit or loss.

## (g) Inventories

The media content (copyrights) are stated at lower of cost/carrying cost or realisable value. The Group evaluates the realisable value and/or revenue potential of inventory based on management estimate of market conditions and future demand and appropriate impairment is made in cases where accelerated impairment is warranted.

The copyrights are valued at a percentage of cost based on the nature of rights, as estimated by the Management. The Group evaluates the realisable value and/or revenue potential of inventory based on management estimate of market conditions and future demand and appropriate write down is made in cases where accelerated write down is warranted.

for the year ended 31st March 2024

Inventories of Raw material Stock are valued at cost or estimated net realizable value whichever is lower.

Projects in progress and movies under production are stated at cost. Cost comprises the cost of materials, the cost of services, labour and other expenses, to the extent they are incurred for creating an asset.

Inventories of physical media which consists of DVDs, Blu-ray, Physical Equipments & Merchandising are valued on FIFO basis.

The borrowing costs directly attributable to a movie/game is capitalised as part of the cost.

### (h) Cash and cash equivalents

Cash comprises cash in hand and demand deposits with banks. Cash equivalents are shortterm balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

### (i) Cash Flow Statement

Cash flows from operating activities are stated using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated in a manner which is most appropriate to the business.

### (j) Financial Assets

### A. Initial recognition and measurement :

All financial assets are initially recognised at fair value. Transaction costs that are directly attributable to the acquisition of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

### B. Subsequent measurement :

## a) Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

### Financial assets carried at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

## c) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in the above categories are fair valued through profit or loss.

## C. Equity Investments :

All equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Group has elected to present the value changes in 'Other Comprehensive Income'.

### D. Investment in associates and joint ventures:

The Group has accounted for its investments in associates and joint venture at cost.

### E. Impairment of Financial assets :

In accordance with Ind AS 109, the Group uses 'Expected Credit Loss' (ECL) model, for evaluating impairment assessment of financial assets other than those measured at fair value through profit and loss (FVTPL).

The Group measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

As a practical expedient, the Group uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on

## **Notes to Consolidated Financial Statements** for the year ended 31st March 2024

its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. Every year, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

### (k) Financial Liabilities

#### Initial recognition and measurements : Α.

All financial liabilities are recognized initially at fair value and in case of loans net of directly attributable cost. Fees of recurring nature are directly recognised in profit or loss as finance cost.

#### B. Subsequent measurement :

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts are the approximate fair value due to the short maturity of these instruments.

#### (1) Leases

The Group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether.

- the contract involves the use of an identified (i) asset:
- (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease; and
- (iii) the Group has the right to direct the use of the asset

At the date of commencement of the lease, the Group recognizes a right-of-use asset("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (shortterm leases) and low value leases. For these short term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that the option to extend will be exercised and the option to terminate will not be exercised.

The right-of use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cashflows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Group changes its assessment of whether it will exercise an extension or a termination option. Lease liability and ROU asset are separately presented in the Balance Sheet and lease payments are classified as financing cash flows.

## (m) Employee Benefits

## Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

## Long Term Employee Benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recongnised as a liability as at the Balance Sheet date on the basis of actuarial valuation.

## **Defined Contribution Plans**

A Defined contribution plan is a post-employment benefit plan under which the Group pays specified contributions towards Provident Fund, Employee

for the year ended 31st March 2024

State Insurance and Pension Scheme. The Group's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

### Defined Benefit Plans :-

### Gratuity

The liability in respect of gratuity and other post employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employee's services.

Re-measurement of Defined benefit plans in respect of post-employment and other long term benefits are charged to the Other Comprehensive Income.

### (n) Tax Expenses

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity.

### **Current Tax**

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance Sheet date.

## **Deferred Tax**

Deferred Tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred income tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax assets to be utilised.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

### (o) Foreign currencies transactions and translation

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Exchange differences arising on settlement of transactions are recognised in Statement of Profit and Loss.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

Assets and liabilities of entities with functional currency other than the functional currency of the Company have been translated using exchange rates prevailing on the balance sheet date. Statement of profit and loss of such entities has been translated using weighted average exchange rates. Translation adjustments have been recognised in Other Comprehensive Income in the statement of Profit and Loss and reported as foreign currency translation reserve in the statement of changes in equity.

## (p) Revenue recognition

'Ind AS 115 'Revenue from Contracts with Customers'

Revenue is recognised to the extent it is probable that economic benefits will flow to the Group and the revenue can be reliably measured. Revenue is measured at the transaction value.

1. Sales of Content, Content Production, Film Distribution and Syndication - Revenue is recognised, when the company satisfies the performance obligation by transferrring the control over the item in accordance with the agreed terms.

## **Contract balances**

## Contract assets - Unbilled Revenue

A contract asset is the right to consideration in exchange for services transferred to the customer. If the Company transfers services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional. Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled

## **Notes to Consolidated Financial Statements** for the year ended 31st March 2024

revenues (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

### Trade receivables

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due or payments are already due but yet to be realized).

### **Contract Liability**

A contract liability is the obligation to transfer services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers services to the customer, a contract liability is recognised when the payment is made, or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company satisfies its performance obligation under the contract. Unearned and deferred revenue is recognised when there are billings in excess of revenues.

2. Broadcasting revenue - Advertisement revenue (net of discount and volume rebates) is recognised when the related advertisement or commercial appears before the public i.e. on telecast. Subscription revenue (net of share to broadcaster) is recognised on time basis on the provision of television / digital broadcasting service to subscribers.

#### Sale of goods 3.

Revenue from sale of goods (ACDs/VCDs/ DVDs/ACS/BRDs) is recognised when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of goods measured at the transaction value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates and excluding taxes or duties collected on behalf of the government.

#### Income from Services 4.

Revenues from services are recognised when contractual commitments are delivered net of returns, trade discounts and rebates. The Group collects Indirect taxes, if and where applicable, on behalf of the government and, therefore, it is not an economic benefit flowing to the Group. Hence, it is excluded from revenue.

### (a) Other income

#### i) Interest Income

Interest Income from a financial asset is recognised based on Effective Interest Rate (EIR). Interest Income is included under the head "other income" in the statement of profit and loss.

#### ii) **Dividend Income**

Dividend income is recognised when the Group's right to receive the payment has been established, it is probable that the economic benefits associated with the dividend will flow to the company & the amount of dividend can be measured reliably.

Rent Income is recognised on accrual basis as iii) per the agreed terms on straight line basis.

### (r) Income in relation to rights purchased

In respect of satellite rights: As per the terms and conditions of the agreement with producer/seller, with respect to the date of agreement of purchase and the existence of Censor Certificate.

In respect of other rights like Video and other rights: On the date of the agreement of purchase with producer/seller, provided the Censor Certificate is in existence.

## (s) Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. For calculating diluted earnings per share, the profit or (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding are adjusted for the effects of all dilutive potential equity shares.

## (t) Provisions, contingent liabilities & contigent assets

Provisions are recognised when the Group has a present obligation as a result of past events; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pretax rate that reflects, when appropriate, the risks

for the year ended 31st March 2024

specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a financial cost.

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote. Provisions and contingent liabilities are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. Contingent assets are neither recognised nor disclosed in the financial statements.

### (u) Investment property

Investment in buildings that is not intended to be occupied substantially for use by, or in the operations of the Group, are classified as investment property. Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any. All repairs and maintenance costs incurred for the investment properties are charged to statement of profit and loss account when incurred. Investment properties are depreciated using the straight-line basis over its estimated useful lives. Useful life of the same is estimated as 58 years after considering estimated residual value as 5%.

Though the Group measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes (Refer note 3b). Fair values are determined based on ready reckoner rate as specified by State Government. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical carrying value.

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit or loss in the period of derecognition.

## 26 Employee Benefits

The Disclosures as defined in the Indian Accounting Standard 19 "Employee benefits", are given below :

## a) Defined Contribution Plans

Contribution to provident and other funds is recognised as an expense in note 22 "Employee benefit expense" of the Statement of Profit and Loss.

## b) Defined Benefit Plan

The present value of gratuity obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation for leave benefits (non funded) is also recognised using the Projected Unit Credit Method.

Net (Income)/Expense For the Period Recognized in OCI	82.64	135.57	

### VII) Actuarial assumptions

Mortality Table	IAL (2012-14)	IAL (2012-14)
Discount rate (per annum)	7.11%	7.38%
Expected rate of salary increase (per annum)	5.00%	5.00%
Rate of Employee Turnover	3.00%	3.00%

## VIII) The defined benefit plans expose the Company to actuarial risks such as interest rate risk, longevity risk and salary risk:

Interest risk: A decrease in the bond interest rate will increase the plan liability.

**Longevity risk:** The present value of the defined benefit plan liability is calculated by reference to the best estimate of mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

**Salary risk:** The present value of defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of plan participants will increase the plan's liability.

### IX) Sensitivity Analysis

The key actuarial assumptions to which the benefit obligation results are particularly sensitive to discount rate and future salary escalation rate. The following table summarizes the impact in percentage terms on the reported defined benefit obligation at the end of the reporting period arising on account of an increase or decrease in the reported assumption by 100 basis points:

		(₹ in Lakhs)	
Sensitivity Analysis	2023-24	2022-23	
Projected Benefit Obligation on Current Assumptions	762.05	593.01	
Delta Effect of +1% Change in Rate of Salary Increase	830.01	653.03	
Delta Effect of -1% Change in Rate of Salary Increase	701.05	539.71	
Delta Effect of +1% Change in Rate of Employee Turnover	776.00	611.23	
Delta Effect of -1% Change in Rate of Employee Turnover	745.91	572.15	
Delta Effect of +1% Change in Rate of Discounting	693.75	532.90	
Delta Effect of -1% Change in Rate of Discounting	842.45	664.57	

### Notes:

The current service cost recognised as an expense is included in Note 22 'Employee benefits expense' as gratuity. The remeasurement of the net defined benefit liability is included in other comprehensive income.

Significant actuarial assumptions for the determination of the defined obligation are discount rate, expected salary increase and mortality. The sensitivity analysis above have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

## c) Other long term benefits :

The obligation for leave benefits (non funded) is also recognised using the Projected Unit Credit Method and accordingly the long term paid absences have been valued. The leave encashment expense is included in Note 22 'Employee benefits expense'.

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consist of the following three levels:

Level 1: Inputs are Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 : Inputs are other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e, as prices) or indirectly (i.e, derived from prices).

Level 3 : Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumption that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. The values are carried at book value or cost.

# 28.2 Foreign exchange exposure

The Company does not use foreign currency forward contracts to hedge its risks associated with foreign currency fluctuations relating to firm commitments and forecasted transactions.

# **29** Financial Instruments

# (i) Financial risk management objective and policies

The Group's principal financial liabilities, comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Group's operations. The Group's principal financial assets include investments, loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations. The Group is exposed to market risk, credit risk and liquidity risk. The Group's senior management oversees the management of these risks.

# a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, foreign currency risk and other price risk such as equity price risk. Financial instruments affected by market risk include loans and borrowings, deposits, other financial instruments.

# b) Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair value of fixed interest bearing investments because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that future cash flows of floating interest bearing investments will vary because of fluctuations in interest rates. The Group's exposure to the risk of changes in market interest rates primarily to the Group's long-term debt obligations.

# Interest rate sensitivity

The sensitivity analysis below has been determined based on the exposure to interest rates at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when

### c) Foreign Currency risk

The Group enters into transactions in currency other than its functional currency and is therefore exposed to foreign currency risk. The Group analyses currency risk as to which balances outstanding in currency other than the functional currency of that Group. The management has taken a position not to hedge this currency risk. The Group undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. Exchange rate exposures are not hedged considering the insignificant impact and period involved on such exposure.

# d) Credit risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's receivables from customers, deposits and loans given, investments and balances at bank.

The Group measures the expected credit loss of trade receivables based on historical trend, industry practices and the business environment in which the entity operates. Expected credit loss is based on actual credit loss experienced and past trends based on the historical data.

less than six months	14,111.0	12,317.05
Total	15.088.9	8 12.957.06

### e) Liquidity risk

Ageing of trade receivables

Liquidity risk refers to the risk that the Group cannot meet its financial obligations. The Group's principal source of liquidity are cash and cash equivalents and the cash flow i.e. generated from operations. The Group consistently generated strong cash flows from operations which together with the available cash and cash equivalents and current investment provided adequate liquidity in short terms as well in the long term.
