Dear Sir/ Madam,

Unit: Arunjyoti Bio Ventures Ltd

Sub: Arrangement of Machinery worth Rs. 8.9 Crores by Tata Consumer Products Limited for its exclusive use in the two plants owned by Arunjyoti Bio Ventures Limited

Ref: Disclosure u/r 30 of SEBI (LODR) Regulations, 2015

This is to inform the Exchange that Tata Consumer Products Limited (TCPL) has facilitated the arrangement of machinery worth Rs. 8.9 Crores to Arunjyoti Bio Ventures Limited (ABVL). The machinery is being installed at ABVL's two plants located in Telangana and Andhra Pradesh. This arrangement involves the provision of additional machinery to increase the existing production capacities at ABVL's plants, which will be dedicated to TCPL's exclusive use. These plants will operate as co-packers for TCPL, specifically for the production and packaging of TCPL's Ready to Drink (RTD) products.

This exclusive partnership highlights a strategic collaboration between TCPL and ABVL, ensuring that the manufacturing facilities are dedicated solely to TCPL's requirements in these regions. The arrangement is expected to enhance supply chain efficiency, uphold stringent quality control standards, and support the growing demand for TCPL's RTD products.

Thank you for your attention to this development.

Yours sincerely,
For Arunjyoti Bio Ventures Limited

Pabathi Badri Narayana Murthy
Whole-Time Director
