Equity based compensation is considered to be an integral part of employee compensation across sectors which enables alignment of personal goals of the employees with organizational objectives by participating in the ownership of the Company through stock-based compensation scheme. Your Company believes that equity-based compensation plans are an effective tool to reward the talents working with the Company and its subsidiaries.

In light of above, the Company had implemented "Haldyn Glass Limited - Stock Appreciation Rights Plan 2021" ["ESAR 2021"] representing 1.86% of the issued equity share capital of the Company as on May 27, 2021. The Plan was administered directly by the Company and involved fresh issue of Shares. The ESAR 2021 does not have enough ESARs available for grants in future. Therefore, with a view to continue the practice of rewarding performance of the employees, creating ownership culture, and to, retain, motivate and attract talents in light of growing business and to align interests of shareholders with that of employees, it

is thought expedient to propose a new employee stock appreciation rights ["ESARs"] plan namely "**Haldyn Glass Limited - Stock Appreciation Rights Plan 2024**" ["**ESAR 2024**" / "**Plan**"] seeking to cover eligible employees of the Company and of its subsidiaries.

Accordingly, the Nomination and Remuneration Committee of the Directors ["Committee"] and the Board of Directors of the Company at their respective meetings held on March 14, 2024 and April 04, 2024, had approved the introduction of ESAR 2024, subject to your approval.
