Fineotex Chemical Limited Executive Director, Mr. Sanjay Tibrewala, honored with the Industry Leader Award at Life Cycle Assessment Summit 2025 by the Textile Minister and the Textile Commissioner at Sasmira Institute

Mumbai, January 13, 2025 — The Executive Director of Fineotex Chemical Limited, Mr. Sanjay Tibrewala, has been conferred the prestigious Industry Leader Award at the Life Cycle Assessment Summit (LCAS-2025). The honor, presented by Shri Sanjay Savkare Ji, Hon'ble Textile Minister, Maharashtra, and Smt. Roop Rashi Mahapatra, Textile Commissioner, India celebrates Mr. Tibrewala's visionary leadership and transformative contributions to sustainability, innovation, and technological advancements in the textiles and chemical sectors.

The summit, organized by SASMIRA under the National Technical Textiles Mission (NTTM) in collaboration with the Ministry of Textiles, Government of India, brought together trailblazers and policymakers to drive actionable solutions for a sustainable future.

The award ceremony was graced by key dignitaries, including Shri Rajeev Saxena (Joint Secretary, Ministry of Textiles), Ms Sinha (Secretary, Maharashtra Textiles), and Shri Mihir Mehta (President, SASMIRA).

On this momentous occasion, **Mr. Sanjay Tibrewala, Executive Director, Fineotex Chemical Limited.**, said: *"This honor is a testament to Fineotex's mission of delivering cutting-edge, sustainable solutions that address industry challenges. Our robust R&D initiatives and state-of-the-art technologies enable us to set benchmarks in sustainable innovation while empowering industries to align with global sustainability objectives. This award strengthens our resolve to continue driving the transformation of the textiles and chemical sectors toward a greener future."*

As a frontrunner in sustainable innovation, Fineotex Chemical Limited consistently delivers high-impact, solution-driven R&D initiatives that not only meet but exceed the evolving demands of industries. By harmonizing advanced technologies with eco-friendly practices, the company contributes to a circular economy, enhancing resource efficiency and redefining industry standards.

The LCA Summit 2025 served as a dynamic platform, uniting industry leaders, policymakers, and innovators to strategize sustainable practices across the value chain. Fineotex extended its gratitude to SASMIRA, the Ministry of Textiles, and all stakeholders for their dedication to fostering sustainability and innovation.

This milestone reinforces Fineotex's position as a leader in creating transformative, sustainable solutions that redefine industry standards and pave the way for a brighter, greener future.
