## RateGain Channel Manager is now integrated with TCA PMS to bring new travelers to Latin America

**Noida, 16<sup>th</sup> October 2024:** RateGain Travel Technologies Limited (RateGain), a leading provider of AI-powered SaaS solutions for travel and hospitality, today announced a strategic technology integration with TCA Software Solutions, a leading provider of Property Management Systems (PMS) for the hospitality industry. This collaboration integrates TCA's flagship PMS, Inssit, with RateGain's advanced Channel Manager solution, bringing enhanced efficiency and revenue optimization to hoteliers in Latin America.

Inssit PMS, a robust and secure software system, is designed to streamline hotel operations and elevate guest experiences. By integrating RateGain's cutting-edge channel manager, Latin American hotels can now benefit from a centralized platform that effortlessly connects their Inssit PMS with over 400 online booking channels, including major OTAs, metasearch engines, and their own websites.

RateGain's channel manager is a leader in distribution, featuring scalable technology, advanced AI capabilities, and a reliable infrastructure. Hotels across Latin America, regardless of size, are leveraging this solution to drive bookings from new source markets. Built to generate more revenue with less effort, the channel manager is user-friendly, self-serve, and fully automated, saving valuable time on product creation, mapping, and distributing rates and inventory.

**TCA Software Solutions, Carlos Flores,** said *"This integration represents a significant step forward in our mission to provide hoteliers with innovative and reliable technology solutions. By integrating our Inssit PMS with RateGain's Channel Manager, we are enabling our hotels to take full control of their distribution strategy and improve their overall business performance."*

Commenting on the integration, **Yogeesh Chandra, Chief Strategy Officer at RateGain,** said, *"We are thrilled to integrate with TCA Software Solutions. This integration with RateGain demonstrates our commitment to providing unified, forward-looking technology solutions for hotels and hospitality companies around Latin America. Our channel manager, along with TCA, is committed to helping hotels in Latin America grow their businesses by leveraging advanced solutions to attract travelers from all over the world."*
