THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- i. The voting period begins on 21st September 2024 at 10.00 A.M. and ends on 24th September 2024 at 05.00 P.M. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date), i.e. 18th September, 2024 may cast their vote electronically. The e-voting module shall be disabled by Bigshare for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

**(COMPANY SECRETARY AND COMPLIANCE
OFFICER)**

Date: September 02, 2024

Place: Mumbai

ANNEXURE TO NOTICE**EXPLANATORY STATEMENT TO SPECIAL BUSINESS PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013****ITEM NO.2:**

The Board of Directors of the Company at their Board Meeting held on 14th March, 2024, appointed **M/s NGMKS & Associates, Chartered Accountants (Firm Registration No. 024492N)** as the Statutory Auditors of the Company to hold office till the conclusion of the ensuing Annual General Meeting of the Company on a remuneration plus out-of-pocket, travelling and living expenses, etc. as may be fixed by the Board of Directors of the Company in consultation with them.

The Audit Committee, at their meeting held on August 21, 2024 have recommended the appointment of M/s NGMKS & Associates, Chartered Accountants (Firm Registration No. 024492N) to hold office from the conclusion of the 11th Annual General Meeting to the conclusion of 16th Annual General Meeting of the Company at such remuneration as may be mutually agreed between the Board of Directors of the Company and the Auditors.”

M/s NGMKS & Associates, Chartered Accountants, have consented to act as Statutory Auditors and have confirmed that their appointment, if made, would be within the limits specified under Section 141(3) (g) of the Act. They have also confirmed, that they are not disqualified to be appointed as Auditors in terms of the provisions of the proviso to Section 139(1), Section 141(2) and Section 141(3) of the Act and the provisions of the Companies (Audit and Auditors) Rules, 2014.

The Board recommends the Resolution as set out at item no. 2 of the Notice for approval of the Members as an Ordinary Resolution.

None of the Directors and Key Managerial Personnel of the Company or their relatives are concerned or interested in the passing of the aforesaid Resolution.

ITEM NO.3:

The Board of Directors of the Company in their meeting held on 8 June, 2024, appointed **Ms. Anamika Tiwari (DIN: 05281144)**, as an Additional Director of the Company pursuant to section 161 & Section 196 of the Companies Act, 2013. Hence she holds office up to the date of this Annual General Meeting and therefore, be and is hereby appointed as the Non-Executive woman Director of the Company.

The Board considers that her association would be of immense benefit to the Company and it is advantageous to have **Ms. Anamika Tiwari (DIN: 05281144)**, on Board. Accordingly, the Board recommends the resolution for approval of the Shareholders of the Company.

None of the Directors, Key Managerial Personnel or their relatives other than **Ms. Anamika Tiwari (DIN: 05281144)**, is concerned or interested financially or otherwise in the proposed resolution.

ITEM NO.4:

The Company is presently engaged in:

- carrying on the business or profession of dealing in Shares, Securities, Commodities, currencies and their derivatives, Stock broker, Share broker, sub-broker, authorized person, dealer, jobber, market maker, Investment brokers, Insurance broker, Underwriter, and to carry out brokerage of all and every kind whatsoever, portfolio manager, investment advisors, mutual funds, wealth management and other related services or any other business in any other manner.

MANAGEMENT DISCUSSION & ANALYSIS

❖ GLOBAL ECONOMY OVERVIEW:

The global economy showed more resilience than expected in 2023-24 despite the after-effects of the prolonged Russia-Ukraine conflict, though the growth outlook remained weak. Global growth is projected to hold steady at 2.6% in 2024 before edging up to an average of 2.7% in 2025-26. That is well below the 3.1% average in the decade before COVID-19. The forecast implies that over the course of 2024-26 countries that collectively account for more than 80% of the world's population and global GDP would still be growing more slowly than they did in the decade before COVID-19.

Overall, developing economies are projected to grow 4% on average over 2024-25, slightly slower than in 2023. Growth in low-income economies is expected to accelerate to 5% in 2024 from 3.8% in 2023. However, the forecasts for 2024 growth reflect downgrades in three out of every four low-income economies since January. In advanced economies, growth is set to remain steady at 1.5% in 2024 before rising to 1.7% in 2025. The Reserve Bank of India projects global growth to remain steady in 2024.

Global inflation is expected to moderate to 3.5% in 2024 and 2.9% in 2025, but the pace of decline is slower than was projected just six months ago. Many central banks, as a result, are expected to remain cautious in lowering policy interest rates. Global interest rates are likely to remain high by the standards of recent decades—averaging about 4% over 2025-26, roughly double the 2000-19 average.

Services inflation is holding up progress on disinflation, which is complicating monetary policy normalization. Upside risks to inflation have thus increased, raising the prospect of higher for even longer interest rates, in the context of escalating trade tensions and increased policy uncertainty. The policy mix should thus be sequenced carefully to achieve price stability and replenish diminished buffers.

The Reserve Bank of India projects global growth to remain steady in 2024.

❖ INDIAN ECONOMY OVERVIEW:

The fast pace of infrastructure development in the country over the past decade and the country's agile response to the COVID pandemic by way of a broad range of fiscal, monetary, and healthcare support coupled with the deft management of crude oil supply at reasonable prices together with the digital revolution put India on a stronger wicket. There is now greater optimism and confidence in the Indian economy, which surpassed UK to become the fifth-largest economy in FY 2022-23.

Amid a challenging global economic landscape and deteriorating geopolitical conditions, India has been a bright spot. It is the fifth-largest economy in the world and is poised to retain its position as the world's fastest-growing major economy. Its GDP growth remained buoyant at 7.6% in FY 2023-24 as against 7% in FY 2022-23, supported by robust domestic demand, moderate inflation, a stable interest rate environment, and strong investment activity. Furthermore, an accelerated pace of economic reforms and increased capital expenditure facilitated construction activities and created extensive employment opportunities across the country.

India has emerged as the fastest-growing major economy in the world and is expected to be one of the top three economic powers in the world over the next 10-15 years, backed by its robust democracy and strong partnerships.

India's appeal as a destination for investments has grown stronger and more sustainable because of the current period of global unpredictability and volatility, and the record amounts of money raised by India-focused funds in 2022 are evidence of investor faith in the "Invest in India" narrative.

Despite the gloomy outlook for the global economy, many analysts believe that this could well be India's decade. And there are enough reasons and data to suggest that the Indian economy has fared better than previously believed, despite continuing global uncertainties. As per the latest numbers released by the Govt. the real GDP for FY 2023-24 is estimated to have grown by 8.2%.

In the next three years, India is expected to become the third-largest economy in the world, with a GDP of USD 5 trillion. The government has set a higher goal of becoming a '**Developed Country**' by 2047.

❖ **BUSINESS OVERVIEW:**

Pursuant to the change in the main object of the Company, now the core business of the Company is to carry on the consulting and advisory services on all aspects of corporate, financial and commercial matters including management consulting, dealing in shares, securities, commodities, currencies and their derivatives, debt structuring, debt advisory, project appraisals, or any related items or things, required by any person, corporate, firm or association of persons and to provide, execute and undertake related services in India or abroad.

❖ **INDUSTRY OVERVIEW:**

India's broking industry is transitioning from a transaction-based to a fee-based model, offering services such as investment advisory and wealth management. Apart from advisory services, emphasis on fund-based activities, including loan against shares and margin funding, is rising, allowing brokers to build sustainable earnings. Financial brokers have developed their marketing ability to support customers in achieving their goals. They offer wide-ranging products and services that strengthen their relationship with clients.

The industry gained popularity, owing to a significant increase in trading activities. Financial brokerage firms have generated revenues from stocks, commodities, and currency. The financial brokerage market operates through different business verticals including full-service, discount, and hybrid brokerage.

Stock broking is rapidly being used by big brokerage houses as well as institutional investors to cut down on costs associated with trading. This is attributed to the fact that stock broking enables easier and faster execution of orders, making it attractive for exchanges. In addition, it enables investors and traders to quickly book profits off small changes in price. Hence, rise in demand for effective trade drives growth of the stock broking market, as it enables users to quickly execute trades.

❖ **HUMAN RESOURCES:**

The Company recognizes that its committed and talented workforce is the key factor in driving sustainable performance and growth. As one of the most critical assets of the Company, its people

are responsible for its competitive advantage. The Company is committed to recruiting and retaining the most relevant and best industry talent. Employees are thereafter nurtured, developed, motivated, and empowered to boost their skills and performance capabilities.

The Company continuously seeks to inculcate within its employees a strong sense of business ethics and social responsibility. Relations with the employees at all levels remained cordial during the year. The Company had 5 Permanent employees as on March 31, 2024.

❖ INTERNAL CONTROL MECHANISM:

The Company has adequate internal control procedures commensurate with its size and nature of business. Your Company has clearly laid down policies, guidelines, and procedures that form a part of the internal control systems. The adequacy of the internal control systems encompasses the Company's business processes and financial reporting systems and is examined by the management as well as by its internal auditors at regular intervals.

The internal auditors conduct audits at regular intervals to identify the weaknesses and suggest improvements for better functioning. The observations and recommendations of the internal auditors are discussed by the Audit Committee to ensure timely and corrective action.

❖ DISCLAIMER CLAUSE:

Statements in the Management Discussion and Analysis Report describing the Company's objectives, projections, estimates, expectations may be "forward-looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand/ supply and price conditions in the domestic and overseas markets in which the Company operates, changes in the Government regulations, tax laws and other statutes and incidental factors.

INDEPENDENT AUDITOR'S REPORT**To The Members of Transpact Enterprise Limited****Report on the Audit of the Financial Statements****Opinion**

We have audited the standalone financial statements of Transpact Enterprise Limited ("the Company") which comprise the balance sheet as at 31st March 2024, and the statement of Profit and Loss (Including Other Comprehensive Income), and the Statement of Changes in Equity for the year ended, and notes to financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards specified under Section 133 of the Act, of the statement of affairs of the Company as at March 31, 2024, and its Loss, and its Cash Flow for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the company's annual report, but does not include the standalone financial statements and our auditor's report thereon. The aforesaid report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including Other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those, Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, (hereinafter referred to as the "Order"), we give in the annexure A, a statement on the matters specified in paragraph 3 and 4 of the order, to the extent applicable.

(xxiii) Ability to pay liabilities

On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that the Company may capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the

audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xxiv) CSR Unspent Amount

In our opinion and according to the information and explanation given to us. There is no unspent amount under sub section (5) of the section 135 of the Companies Act,2013 pursuant to any project, accordingly clause 3(xxa) and 3(xxb) of the order are not applicable.

(xxv) Qualification or adverse remarks in the Financial Statements:

The reporting under clause 3(xxi) of the order is not applicable in respect of audit of financial statements, accordingly no comment in respect of the said clause has been included in this report.

ANNEXURE B**TO THE INDEPENDENT AUDITORS' REPORT**

Referred to in our report of even date to the members of Transpact Enterprise Limited on the financial statements for the year ended 31st March, 2024

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of **Transpact Enterprise Limited** ("the Company") as of 31st March, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls with reference to financial statements

The Company's management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control with respect to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by The Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with respect to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with respect to financial statements and their operating effectiveness. Our audit of internal financial control with respect to financial statements included obtaining an understanding of internal financial control with respect to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with respect to financial statements.

Meaning of Internal Financial Controls with respect to financial statements

A Company's internal financial control with respect to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with respect to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with respect to financial statements

Because of the inherent limitations of internal financial controls with respect to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with respect to financial statements to future periods are subject to the risk that the internal financial controls with respect to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with respect to financial statements and such internal financial controls with respect to financial statements were operating effectively as at 31st March, 2024, based on the internal controls with respect to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

The financial statements up to year ended 31 March 2024 were prepared in accordance with the accounting standards notified under Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act

1. The Company started providing services after incorporation on national level.
2. All the Schedules form an integral part of Balance Sheet and Profit and loss Account
3. Amount due to MSME enterprises are required to be mentioned separately for trade payables, however no vendor has been intimated to company during the year.
4. No Transactions represented by book entries are prejudice to the interest of the Company and no personel expenses have been charged to accounts.

Details of the Company's accounting policies are included in Note 2.1.

B. Functional and presentation currency

These financial statements are presented in Indian Rupees nearest to Lac (Rs.), which is also the Company's functional currency.

C. Basis of measurement

The management has determined the currency of the primary economic environment in which the Company operates i.e., functional currency, to be Indian Rupees (Rs.). The financial statements have been prepared on the historical cost basis.

D. Critical accounting estimates and judgment's

In preparing these financial statements, management has made judgment's, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Judgements and estimates

Information about significant areas of estimation / uncertainty and judgements made in applying accounting policies that have the most significant effects on the financial statements are as follows:

- Note 2.1.B and 2.1 C - Measurement of useful life and residual values of property, plant and equipment and useful life of intangible assets
- Note 2.1.G- recognition of deferred tax assets: assessment of convincing evidence that sufficient future taxable profits are available against which tax losses carried forward can be used
- Note 2.1.F- recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources;
- Note 2.1.D - impairment of financial and non-financial assets.

2.1 Significant Accounting Policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

A. Current & Non-current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- it is held primarily for the purpose of being traded;
- it is expected to be realised within 12 months after the reporting period; or
- it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period.

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- it is expected to be settled in the Company's normal operating cycle;
- it is held primarily for the purpose of being traded;
- it is due to be settled within 12 months after the reporting period; or
- The Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include the current portion of non-current financial liabilities. All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the nature of operations and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle being a period of 12 months for the purpose of classification of assets and liabilities as current and non-current.

B. Property, plant and equipment

i. Recognition and measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises:

- Its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates; and
- Any costs directly attributable cost to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

ii. Subsequent expenditure

Subsequent costs are included in the asset's carrying amount or recognised as separate assets, as appropriate, only when it is probable that the future economic benefits associated with expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to Statement of Profit and Loss at the time of incurrence.

iii. Depreciation

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values and is charged to the Statement of Profit and Loss. Depreciation on fixed assets are calculated on a WDV basis of the useful life as prescribed in Schedule II of the Companies Act, 2013.

The estimated useful lives of items of property, plant and equipment are as follows:

Assets	Useful lives (years)
Furniture & Fixtures	10
Office Equipments	5
Computer & Laptop	3

The useful lives in order to reflect the technological obsolescence and actual usage of the asset have been determined based on internal evaluation done by management. The management believes that these estimated useful lives reflect fair approximation of the period over which the assets are likely to be used.

Depreciation is calculated on a pro rata basis for assets purchased/sold during the year.

The residual values, useful lives and methods of depreciation of property plant and equipment are reviewed by management at each reporting date and adjusted prospectively, as appropriate.

C. Intangible assets***i. Recognition and measurement***

Intangible assets that are acquired are recognised only if it is probable that the expected future economic benefits that are attributable to the asset will flow to the Company and the cost of assets can be measured reliably. The intangible assets are recorded at cost of acquisition including incidental costs related to acquisition and are carried at cost less accumulated amortisation and impairment losses, if any.

D. Impairment of non-financial assets

The Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

E. Employee benefits

Employee benefit liabilities such as salaries, wages and bonus, etc. that are expected to be settled wholly within twelve months after the end of the reporting period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at an undiscounted amount expected to be paid when the liabilities are settled. However all employee engagement are contractual basis.

F. Revenue**Revenue from rendering of services**

Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services.

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts, price concessions, etc. If any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers.

A liability is recognised where payments are received from customers before providing services to the customer.

Interest Income

Interest income on financial assets (including deposits with banks) is recognized using the effective interest rate method on a time proportionate basis. The effective interest rate approximates the contracted interest rate.

G. Income tax

Tax expense comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any relating to income taxes. It is measured using tax rates enacted for the relevant reporting period.

Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes,

H. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker is considered to be the Board of Directors who makes strategic decisions and is responsible for allocating resources and assessing performance of the operating segments. During the year, Company are wholly and exclusively Dealing in investment portfolio, Investment advisory, Corporate funding, Market consulting,

I. Earnings per share

The Company presents basic and diluted earnings per share (EPS) data for its equity shares. Basic EPS is calculated by dividing the profit attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting profit attributable to equity shareholders and the weighted average number of equity shares outstanding, for the effects of all dilutive potential equity shares.

J. Provisions and contingent liabilities and assets**Provisions**

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities and assets

Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote.

Contingent assets are possible assets that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

K. Cash and cash equivalents

Cash and cash equivalents comprises of cash at banks and on hand and short-term deposits with an original maturity, which are subject to an insignificant risk of changes in value.

L. Inventories

Inventories are valued at the lower of cost and net realisable value. Costs incurred in bringing each product to its present location and condition are accounted for as follows:

For traded goods, cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in first out basis. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

M. Use of Estimate and judgements

Preparation of the financial statements in conformity with Indian accounting standards requires management to make estimates and assumption that affects the reported balances of assets and liabilities, disclosure relating to contingent liabilities as at the date of financial statements and reported amount of income and expenditure during the period.

Accounting estimate could change from period to period, actual results could differ from those estimates, appropriate changes in estimate are made as the management become aware of changes in circumstance surrounding the estimates. Changes in estimates are reflected in the financial statements in the periods in which changes are made, if material, their effects are disclosed in the notes to the financial statements.

N. Expenditure

Expenses are accounted for on the accrual basis and provisions are made for all known losses and liabilities.
