FROM THE MANAGING DIRECTOR'S DESK

Dear Shareholders,

The past couple of years have been a period of intense action and reflection. We have seen global pandemic, geopolitical tensions, chain supply disruptions and many other public and private upheavals. As the dust settles, and a clearer picture of the world ahead emerges, I believe we are standing at the threshold of a period of great opportunity and growth.

In this fast-moving world, staying resonant and relevant for 37 years is a journey of great pride for any organisation. What adds to our excitement is Elegant Marbles's ability to remain the preferred choice of its clients.

The Company's financial performance has been impressive; the significant increase in profits and positive financial results quarter on quarter indicates the recovery from the effect of the global pandemic. I want to express my gratitude to our Clients for their trust and confidence in us leading to continuous patronage. I extend my thanks to all the employees associated at Elegant Marbles for their sincere dedication.

While I take this opportunity to thank our Board Members for their valuable guidance, I wish our Clients, Stakeholders and Suppliers the very best as we embark on navigating the new in FY2023.

Cheers!!!!

Rakesh Agrawal

Managing Director

The Company has sent letters for furnishing the required details. Members may also download Form ISR-1 from Company's website https://elegantmarbles.com/pages/investor-relations under Shareholders Information tab.
- 12. Members may please note that SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022 has mandated the listed companies to issue securities in dematerialized form only while processing service requests viz. Issue of duplicate securities certificate; claim from unclaimed suspense account; renewal/exchange of securities certificate; endorsement; sub-division/splitting of securities certificate; consolidation of securities certificates/folios; transmission and transposition. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR 4, the format of which is available on the Company's website at https://elegantmarbles.com/pages/investor-relations or from the website of the

Company's Registrar and Transfer Agents, Universal Capital Securities Private Limited ("Company's RTA") at https://www.unisec.in/kyc-download.html . It may be noted that any service request can be processed only after the folio is KYC Compliant.

- 13. SEBI vide its notification dated January 24, 2022 has mandated that all requests for transfer of securities including transmission and transposition requests shall be processed only in dematerialized form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialization. Members are advised to dematerialise the shares held by them in physical form. Members can contact the Company or Company's RTA, for assistance in this regard.
- 14. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company or Company's RTA, the details of such folios together with the Share Certificates along with the requisite KYC Documents for consolidating their holdings in one folio. Requests for consolidation of Share Certificates shall be processed in dematerialized form.
- 15. As per the provisions of Section 72 of the Companies Act, 2013 and SEBI Circular, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. If a Member desires to opt out or cancel the earlier nomination and record a fresh nomination, he/ she may submit the same in Form ISR-3 or SH-14 as the case may be. The said forms can be downloaded from the Company's website https://elegantmarbles.com/pages/investor-relations. Members are requested to submit the said details to their DP in case the shares are held by them in dematerialized form and to Company's RTA in case the shares are held in physical form.
- 16. In terms of the Circular No. CIR/MRD/DP/10/2013 dated 21st March, 2013 issued by the Securities and Exchange Board of India, listed companies are required to use the Reserve Bank of India approved electronic mode of payment such as Electronic Clearance Service (ECS), LECS (Local ECS)/RECS (Regional ECS)/NECS (National ECS), NEFT, etc. for making cash payments like dividend, etc. to the Members. Accordingly, Members holding securities in demat mode are requested to update their Bank details with their Depository Participants. Those holding securities in physical form are requested to update said details with the Registrar and Transfer Agent i.e. Universal Capital Securities Pvt Ltd.(100% subsidiary of Link Intime India Pvt. Ltd) C-101, 247 Park, 1st Floor, LBS Road, Gandhi Nagar, Vikhroli (West), Mumbai 400 083 or the Company Secretary of the Company.
- **17.** The Company has fixed Wednesday, July 06, 2022 as the "Record Date" for determining entitlement of Members to final dividend for the financial year ended March 31, 2022, if approved at the AGM.

- **18.** If the final dividend, as recommended by the Board of Directors, is approved at the AGM, payment of such dividend subject to deduction of tax at source will be made within thirty days (i.e. upto August 11, 2022) as under:
 - To all Beneficial Owners in respect of shares held in dematerialized form as per the data as may be made available by the National Securities Depository Limited ("NSDL") and the Central Depository Services (India) Limited ("CDSL"), collectively "Depositories", as of end of day on Wednesday, July 06, 2022;
 - To all Members in respect of shares held in physical form after giving effect to valid transmission or transposition requests lodged with the Company as of the close of business hours on Wednesday, July 06, 2022.
- 19. Pursuant to the Finance Act, 2020, dividend income will be taxable in the hands of shareholders w.e.f. April 1, 2020 and the Company is required to deduct tax at source from dividend paid to shareholders at the prescribed rates. For the prescribed rates for various categories, please refer to the Finance Act, 2020 and the amendments thereof. The shareholders are requested to update their valid PAN with the DPs (if shares held in dematerialized form) and the Company/Company's RTA (if shares are held in physical form).

A Resident individual Shareholder with PAN and who is not liable to pay Income Tax can submit a yearly declaration in Form No. 15G/15H, to avail the benefit of non-deduction of tax at source by e-mail to companysecretary@elegantmarbles.com by 11:59 p.m. IST on Monday, July 04, 2022. Shareholders are requested to note that in case their PAN is not registered, or having invalid PAN or Specified Person as defined under section 206AB of the Income-tax Act ("the Act"), the tax will be deducted at a higher rate prescribed under section 206AA or 206AB of the Act, as applicable.

Non-resident shareholders [including Foreign Institutional Investors (FIIs)/Foreign Portfolio Investors (FPIs)] can avail beneficial rates under tax treaty between India and their country of tax residence, subject to providing necessary documents i.e. No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 10F, any other document which may be required to avail the tax treaty benefits. For this purpose the shareholder may submit the above documents (PDF/JPG Format) by e-mail to companysecretary@elegantmarbles.com. The aforesaid declarations and documents need to be submitted by the shareholders by 11:59 p.m. IST on Monday, July 04, 2022.

20. The Company has transferred the unpaid or unclaimed dividends declared up to financial years 2013-14, from time to time, to the Investor Education and Protection Fund (IEPF) established by the Central Government. The Company has uploaded the details of unpaid and unclaimed dividend amounts lying with the Company as on March 31, 2021 on the website of the Company and the same can be accessed through the link: https://www.elegantmarbles.com/transfer-of-shares-to-iepf/. The said details have also been uploaded on the website of the Ministry of Corporate Affairs and the same can be accessed through the link: www.iepf.gov.in. Attention of the members is drawn to the

provisions of Section 124(6) of the Act which require a company to transfer in the name of IEPF Authority all shares in respect of which dividend has not been paid or claimed for 7 (seven) consecutive years or more. In accordance with the aforesaid provision of the Act read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, the Company has transferred all Shares in respect of which Dividend declared for the Financial Year 2013-14 has not been paid or claimed by the members for 7 (seven) consecutive years or more. Members are advised to periodically visit the web-link: https://www.elegantmarbles.com/transfer-of-shares-to-iepf/ to ascertain details of shares liable for transfer in the name of IEPF Authority.

- **21.** In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote at the Meeting.
- **22.** Relevant documents referred to in the Notice and the accompanying Statement are open for inspection by the Members at the Registered Office of the Company during business hours on all working days, up to the date of the Annual General Meeting.
- 23. Members desiring any information relating to the accounts are requested to write to the Company at least 10 days before the meeting so as to enable the management to keep the information available at the meeting.
- **24.** A route map giving directions to reach the venue of the 37th Annual General Meeting is given at the end of the Notice.
- 25. The voting rights of the shareholders for voting through remote e-voting or by Poll paper at the AGM shall be in proportion to their share of the paid-up equity share capital of the Company as on July 06, 2022 ('Cut-Off Date'). A person whose name is recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the cut-off date only shall be entitled to avail the facility of remote evoting or of voting at the AGM and who is not a Member as on the cut-off date shall treat this Notice for information purposes only. Person acquiring shares after dispatch of this notice but holds shares as on cut-off date can generate the password as per instructions stated in notice or seek assistance from CDSL via writing helpdesk.evoting@cdslindia.com.
- 26. Shri. Virendra G. Bhatt, Practicing Company Secretary, (Membership No. ACS 1157) has been appointed as the Scrutinizer to scrutinize the e-voting process in a fair and transparent manner. The Chairman shall forthwith on receipt of the Scrutinizer's Report, declare the result of the voting. The Results declared, along with the Scrutinizer's Report, shall be placed on the Company's website www.elegantmarbles.com and on the website of CDSL immediately after their declaration, and communicated to the Stock Exchanges where the shares of the Company are listed, viz. BSE Ltd.
- **27**. Subject to the receipt of requisite number of votes, the Resolutions forming part of the AGM Notice shall be deemed to be passed on the date of the AGM, i.e. July 13, 2022.

28. Voting through electronic means:-

Pursuant to Section 108 of the Companies Act, 2013 and Rule 20 read with the Companies (Management and Administration) Rules, 2014 read with amendments or reenactments made thereunder and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 the Company is pleased to provide the facility to exercise members' right to vote at the 37th Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services provided by Central Depository Services (India) Limited (CDSL):

The facility for voting through ballot/polling paper shall also be made available at the venue of the 37th Annual General Meeting. The Members attending the Meeting, who have not already cast their vote through remote e-voting shall be able to exercise their voting rights at the meeting. The members who have already cast their vote through remote e-voting may attend the meeting but shall not be entitled to cast their vote again at the AGM.

The instructions of Shareholders for remote e-Voting:

- **Step 1**: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- **Step 2:** Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.
- (i) The voting period begins on July 10, 2022 at 09.00 a.m. and ends on July 12, 2022 at 05.00p.m. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of July 06, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account

holders, by way of a single login credential, through their demat accounts/websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- **Step 1:** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

5. Impact of Covid-19

The Covid 2nd wave related disruptions significantly impacted economic activity during Q1. The latter part of first quarter saw the pandemic related restrictions ease considerably aiding sentiment and improving consumer traction. The second quarter also saw sustained recovery with continued easing of pandemic related restrictions following the vaccination drives. The Q3 witnessed robust traction for renovations and development in Real Estate and in many ways was indicative of the revival in consumer demand and outlook. Notwithstanding the significant impact in January 2022 in the context of the third wave, the demand outlook has remained encouraging. The demand levels had recovered/ surpassed the pre-pandemic levels by March 2022.

Pandemic related restrictions served as a catalyst for a marked shift in consumer behaviour. Consumers constrained at home hastened adoption of digital shopping methods. Ubiquitous access to internet at more affordable prices and higher penetration of digital devices are concurrent trends influencing consumer buying behaviour.

Increasingly, store & online channels are integrating, with consumers leveraging access to compare products, prices, brand offerings and the feedback/ opinions of fellow consumers before making their purchase decision.

In FY22, we have seen tremendous growth opportunities that has helped us strengthen our position with majority of our clients. The marketing team has simultaneously launched an online vertical to aid digital sales. We have delivered robust performance for the year in line with our expectations. We recorded revenue of 2781.58, representing a growth of 200.48% YoY.

Management Discussion and Analysis Report

The Management at Elegant Marbles and Grani Industries Limited is pleased to present the Management Discussion and Analysis Report which provides an insight of the Company's business, Industry structure, developments, outlook, opportunities, concern areas and performance of the Company with respect to the operations and other relevant information. This Report forms part of the compliance report on Corporate Governance.

Business of the Company

Elegant Marbles began with a simple idea in 1984: that the country deserved nothing less than the best when it came to marbles and granites. Looking back on earlier trends, the Company is pleased of continually delivering high-quality products and services that have consistently exceeded clients' expectations, allowing us to establish an enviable position throughout time. Since its humble beginnings, Elegant Marbles has grown significantly in terms of quality, volume, and diversity, constantly striving for the best. Its cutting-edge plant, located on Abu Road in Rajasthan, is capable of handling massive volumes.

Elegant Marbles continues to select a wide and exotic bouquet of marbles and granites in a spectrum of combinations to go well with all combinations and interiors, and is capable of effortlessly producing two-and-a-half million square feet of superior quality marbles and granite tiles and slabs per year, in keeping with its motto of nothing but excellence.

A. Economic Overview:

- Global Economy

The war in Ukraine has triggered a costly humanitarian crisis that demands a peaceful resolution. At the same time, economic damage from the conflict will contribute to a significant slowdown in global growth in 2022 and add to inflation. Fuel and food prices have increased rapidly, hitting vulnerable populations in low-income countries hardest. Global growth is projected to slow from an estimated 6.1 percent in 2021 to 3.6 percent in 2022 and 2023. This is 0.8 and 0.2 percentage points lower for 2022 and 2023 than projected in January. Beyond 2023, global growth is forecast to decline to about 3.3 percent over the medium term. War-induced commodity price increases and broadening price pressures have led to 2022 inflation projections of 5.7 percent in advanced economies and 8.7 percent in emerging market and developing economies—1.8 and 2.8 percentage points higher than projected last January. Multilateral efforts to respond to the humanitarian crisis, prevent further economic fragmentation, maintain global liquidity, manage debt distress, tackle climate change, and end the pandemic are essential.

Global Outlook:

Global growth is expected to moderate from 5.9 in 2021 to 4.4 percent in 2022—half a percentage point lower for 2022 than in the October, largely reflecting forecast markdowns in the two largest economies. A revised assumption removing the Build Back Better fiscal

policy package from the baseline, earlier withdrawal of monetary accommodation, and continued supply shortages produced a downward 1.2 percentage-points revision for the United States. In China, pandemic-induced disruptions related to the zero-tolerance COVID-19 policy and protracted financial stress among property developers have induced a 0.8 percentage-point downgrade. Global growth is expected to slow to 3.8 percent in 2023

- Indian Economy and Outlook

India's economy is poised for a rebound after enduring a second wave of COVID-19 infections this year that further constrained activity and took a heavy toll on its people. India's broad range of fiscal, monetary and health responses to the crisis supported its recovery and, along with economic reforms, are helping to mitigate a longer-lasting adverse impact of the crisis.

The overall, sharp rebound and recovery of the economy is reflective of India's strong resilience. India's economic growth in the current year is estimated to be 9.2 per cent, highest among all large economies.

- Government Initiatives

A number of initiatives have been undertaken by the Government of India with the hope of incentivizing real estate purchases. The announcements made in the Union Budget 2022-2023 will help in creating a thriving atmosphere in the real estate sector. The government continues to prioritize the affordable housing segment and parallelly looking at ways to strengthen the existing financing systems to provide liquidity to stuck real estate projects. In the first week of December, the Government of India extended the deadline to provide pucca houses to all families in rural India to 2024. The Cabinet decided that the flagship rural scheme, Pradhan Mantri Awas Yojana-Gramin will be provided INR 2.17 lakh crore in additional Central and State funding to achieve its target of building 2.95 crore houses.

B. Industry Structure and Development:

The expansion of the marble business is intimately linked to the country's real estate market. During the year under review, India's real estate sector is witnessing a healthy increase in demand in 2022 and this momentum is expected to hold for the rest of the year. From commercial spaces to the residential market, the overall market outlook is a bright one for the real estate industry.

Despite pandemic exigencies, the sector has continued to show resilience and steady growth in 2021. India's first wave of Covid-19 brought the sector to a relative standstill for a while. However, by the last quarter of 2020, the market had begun to pick pace, particularly owing to an increase in demand for residential spaces. The second wave of Covid-19 hit the sector just as it had begun to revive itself. Unlike the first wave, the ramifications of the second wave were not as prolonged or prominent. Vaccination drives and lowered infection rates infused optimism in the market. In addition, the festive season fed the sector's growth.

Buoyed by these factors, the sector made a strong comeback. The growth registered in Q3 2021 is likely to continue and the year is going to end on a positive note. In Q3 2021, residential sales witnessed an upward trajectory, increasing by 65 per cent on a sequential basis. The industry is additionally to benefit from a regime of low interest rates, coupled with duty waivers (in some states), realistic property pricing and attractive offers leading to affordable synergy.

The rapid growth in real estate, combined with government efforts and a shift in consumer attitudes, has aided in increasing demand for marble and granite.

- Business Overview & Covid-19 Impact on Business Outlook

The past couple of years have been a period of intense action and reflection. We have seen a global pandemic, geopolitical tensions, supply chain disruptions, the rise of cryptocurrency and many other public and private upheavals. As the dust settles, and a clearer picture of the world ahead emerges, the global pandemic has proven to be period of great opportunity and growth. In the face of widespread change, your company has shown remarkable resilience and adaptability, coming out stronger than ever, after catastrophic events like the global financial crisis or the pandemic.

With near normalcy all around, the pain and suffering caused by the pandemic at the start of the year seem so distant now. Your Company took an opportunity to create digital platform for promoting sales through digital means. As the Government lifted lockdown in phased manner, your company resumed operations by strictly abiding to the government guidelines. The sales picked momentum in the second quarter of FY21-22. While situation seemed to be getting into control, the country witnessed a new Omicron variant of the Covid 19 in the last quarter of FY22, which led to alarming rise in Covid-19 cases and the resulting lockdowns took a toll on retail and wholesale businesses. The restriction on movements of International Flights caused hindrances for Import and Export of goods, however the Company had plans in place to mitigate and overcome these hindrances and hence the sales of the Company remained unhampered.

Your Company is one of the renowned Marble and Granite Company in India. The Company is a manufacturer and leading processor and retailer of premium quality Italian and Exotic marbles, semi-precious gemstones, Quartz Stone Slabs and Granites.

At Elegant, we are committed to deliver "better for you" products maintaining high quality standards. With around thirty years of experience, product quality and dedication towards customer relationship, the Company has established remarkable brand image in the international market particularly in North America, Africa and Europe.

Elegant maintains a stringent 3 step quality control system before shipping. This broadly includes shade, dimension and surface finish.

Shade Consistency: At Elegant, we ensure that a high level of color consistency is maintained across all the shipments by procuring all the material from same mines

Dimensional Accuracy: The company ensures that the material is strictly manufactured according to dimensions (size and thickness) specified. By using advanced technology, the Company ensures tight tolerances

Surface Finish: The Company has more than eight surface finishing options that can be done on marble, ensuring that the surface finish meets the quality requirements of the project

The Company has a very high production capacity and excellent distribution network across the globe. It is known to process more than 200 colors of a granite alone. The manufacturing and quarrying activities are performed by hand picking blocks and processing them on gang saws and cutters.

Provision for Gratuity:

During the year the Company has got the valuation of its liability on account of gratuity from an authorised actuarial valuer Mr. A P Peethambaran vide his report dated May 13, 2022. The Company has provided for the liability of Rs. 6,12,068/- on account of gratuity in its books of accounts on the basis of the report.

Segment-Wise or Product-Wise performance

The Company manufactures and deals only in one segment i.e. Marbles and Granites and allied products. The information on performance of the same has been provided accordingly.

Opportunities and Threats

We are hoping that due to various government measures opportunities will spring up in Marble & Granite industry due to huge investments in Infrastructure, modern day architecture, interior designing, construction reforms and real estate activities. The constant growth of the Industry is bound to push up the demand for marbles and granites sizably both in domestic and international markets.

Further, The World is indeed becoming a Global city. Your company believes that niche opportunities exist in the Global arena which we are targeting to exploit resulting in positive growth. The company has accordingly built a business model tapping these opportunities and is also aligning its strategies to utilise opportunities in the domestic market. Your company deals in special range of Marble and Granites having exquisite textures, designs and colours for which the overseas and domestic markets, both are very demanding. Presently, it is one of the few companies which offer all natural stone products under one roof to the buyers. The demand for top quality natural stone products is also increasing in the domestic market and the company has setup Retail outlets at prime location of the country's financial capital – Mumbai so as to cater to the local demand for quality products. However, the number of natural stone exporters from India as well as local dealers dealing in imported and other natural stones catering to domestic market are increasing, thus reducing the margins and making the business competitive. The availability of manufactured stone products as an alternative to natural stones is also likely to affect the performance of the company.

The increase in discretionary spending has created a large market and demand for designer residences and the growth in construction sector has escalated the demand for marbles and granites both in domestic and international markets.

Your Company suspects all risk associated with pandemic as a threat to the smooth functioning of the Company business

Your Company has the necessary expertise and flexibility to quickly adapt to the changing market condition and capture the growth in sales leading to growth for the Company.

Threats and Risk Management

Risks are an inherent part of business which cannot be avoided but its robust identification and management can overcome its effects. The Company has in place a designated Risk Management policy which is designed to overcome adverse Industry fluctuations to successfully flourish the business at a reputable pace. The Company provides updates on risk management to the Audit Committee of the Board of Directors of the Company on a regular basis.

A comprehensive and integrated risk management framework forms the basis of all the derisking efforts of the Company. Formal reporting and control mechanisms ensure timely information availability and facilitate vigilant and in-time risk management. These mechanisms are designed to cascade down to the level of the managers so that risks at the transactional level are identified and steps are taken towards mitigation in a decentralised fashion.

The Company thereby follows well-established and detailed risk assessment and minimisation procedures, which are periodically reviewed by the Board. The Company has laid down a well-defined risk management mechanism covering risk mapping, risk exposure and risk mitigation process.

The decades of experience in this industry is helping us to emerge out as a winner in all such situations.

Internal Control Systems and their Adequacy

The Company has a sound internal control system, which ensures that (a) its financial reports are reliable, (b) its operations are effective and efficient, and (c) its activities comply with applicable laws and regulations. The internal control systems are further supplemented by internal audit carried out by an independent Chartered Accountant and periodical review by the Management. The Internal Audit process is designed to review the adequacy of internal control checks in the system and covers all the significant areas of the Company's operations.

The Audit Committee of the Board of Directors reviews the adequacy and effectiveness of the internal control systems and tracks the implementation of corrective actions. Significant audit observations and corrective actions taken by the Management are presented to the Audit Committee. To maintain its objectivity and independence, the Internal Audit reports are submitted to the Chairman of the Audit Committee. Audit Committee plays a key role in providing assurance to the Board of Directors.

Corporate Governance Report

The Company is in compliance with the requirements stipulated under Regulation 17 to 27 read with Schedule V and clauses (b) to (i) of sub-regulation (2) of Regulation 46 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), as applicable, with regard to corporate governance. A report, in line with the requirements of Listing Regulations for the year ended March 31, 2022 is given below:

1. Company's philosophy on Code of Governance

Effective Corporate Governance practices constitute the strong foundation on which successful commercial enterprises are built to last. The Company's philosophy on Corporate Governance oversees business strategies and ensures fiscal accountability, ethical corporate behavior and fairness to all stakeholders comprising regulators, employees, customers, vendors, investors and the society at large.

Strong leadership and effective Corporate Governance practices have been the Company's hallmark since its inception. The Company has a strong legacy of fair, transparent and ethical governance practices. The Company's Business objective is to grow in such a way as to create value that can be sustained over the long term for its customers, shareholders and employees.

The Company is conscious of the fact that its success is a reflection of the professionalism, conduct and ethical values of its Management and its Employees.

2. Board of Directors

Corporate Governance acts as a pioneer factor for the decision making process by Board of Directors of the Company. The Board's role is to oversee the management and governance of the Company. We believe that an active, well-informed and independent Board is necessary to ensure the highest standards of Corporate Governance.

Being a two tier Corporate Governance structure at the Company, the Board of Directors, along with its Committees, provides leadership and guidance to the Management, leads, directs and supervises the performance of the Company, thereby enhancing stakeholder value. The Board has a fiduciary relationship in ensuring that the rights of all stakeholders are protected.

In contracts that involve any potential conflict of interest, the Interested Directors excuse themselves and the ultimate decision-making authority is conferred upon the Independent Directors of the Company, representing fair, transparent and ethical business environment in the Company.

a) Code of Conduct

The Company has in place a comprehensive Code of Conduct ('the Code') applicable to the Directors and employees. The Code is applicable to Non- Executive Directors including Independent Directors to such extent as may be applicable to them depending on their roles and responsibilities. The Code gives guidance and support needed for ethical conduct of business and

37th Annual Report 2021-2022

compliance of law. The Code reflects the values of the Company viz. Customer Value, Ownership Mind-set, Respect, Integrity, One Team and Excellence.

A copy of the Code has been put up on the Company's website and can be accessed at www.elegantmarbles.com The Code has been circulated to Directors and Management Personnel, and its compliance is affirmed by them annually.

A declaration signed by the Company's Chairman and Managing Director is published in this Report.

Independent Auditors' Report

To the Members of

Elegant Marbles And Grani Industries Ltd.

Abu Road (Raj.)

1. Opinion

We have audited the standalone financial statements of ELEGANT MARBLES AND GRANI INDUSTRIES LTD. ("the Company"), which comprise the balance sheet as at 31st March, 2022, the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, including Indian Accounting Standards (Ind AS) specified in Section 133 of the Act, of the state of affairs of the Company as at March 31, 2022, its profit, cash flows and the changes in equity for the year ended on that date.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Non-receipt of audited statement of account in case of investment through PMS/Fund Managers

a. The Company has invested in shares, securities, debentures, units of mutual funds etc. through Fund Managers & Portfolio Management Service (PMS) providers. These Fund Managers/PMS entities provide statement showing investments made by them on behalf of the company, gains/losses earned/incurred on sale of such investments, expenses incurred by them including their fees for managing the portfolio and the balance of investments remaining with them at the end of the year. The Company accounts for these transactions in its books of accounts on receipt of such statements. However, in all these cases of investment through PMS/fund managers, the audited statements for the financial year are usually not received before finalisation of our audit and all the income, expenditure, gains/losses, investments are accounted for on the basis of unaudited statements provided by these PMS/fund

managers to the Company available till the finalisation of our audit. On the basis of its past experience, the management of the Company is of the opinion that generally no material difference in the income, expenditure, gains/losses, investment etc. is detected after the audited statements are provided by these PMS/fund managers.

Investment in Debentures

The Company has invested in debentures of various private/public limited b. companies directly or through various funds managers/PMS and accounts for interest accrued and/or received on such investment in debentures from these companies/funds from time to time. However, in the case of investment in 20.50% debentures of Green Farm Tech Pvt. Ltd. amounting to Rs.75.00.000/-. 20% debentures of Samruddhi Realty Ltd. amounting to Rs.1,00,00,000/-, 18% debentures of Fortuna Buildcon (India) Pvt. Ltd. amounting to Rs.49,00,000/-, 20% debentures of Diyug Construction Pvt. Ltd. amounting to Rs.77,89,858/-, 17.25% debentures of Kasata Hometech (India) Pvt. Ltd. amounting to Rs.87,17,500/-, 15% debentures of Shashwati Realty Pvt. Ltd. amounting to Rs.1,50,00,000/-, 19.532% debentures of Adima Developers Pvt. Ltd. amounting to Rs.50,00,000/-(Bal o/s. 42,50,000/-); 17.50% debentures of Bhansali Infra Projects Pvt. Ltd. amounting to Rs.1,00,00,000/- (Bal o/s. 25,50,000/-) and 18% debentures of BCIL Red Earth Developers India Pvt. Ltd. amounting to Rs.75,00,000/-, the interest and principal sums, wherever due, are not being received on due dates. These companies/funds managers/PMS managers have earlier informed the Company about the financial and/or liquidity crunch faced by these companies, status of their construction projects, the legal cases filed in various forums against these companies with current status of these cases and accordingly, advised the company not to account for such interest in its books of accounts on accrual basis. Accordingly, the interest on such debentures is not being accounted for on accrual basis. Further, having regard to the communications received/talks with these companies/fund managers/PMS managers and evaluation of the underlying assets made by the Board of Directors, in the management's perception, the amounts recoverable against these investments including interest thereon are fully secured by the underlying security of immoveable properties with their estimated market values adequately covering the principal amounts as well as interest accrued & already accounted for. In the circumstances, the management has taken a conscious decision to not to make a provision for any loss on recoverability of these debenture investments & interest already accounted in its books of accounts and defer the same till final realisation/decision in various legal proceedings initiated by fund managers/PMS managers for these debentures. In absence of any working for evaluation of underlying asset being produced before us, we are not in a position to comment on it.

Impact of Covid19 pandemic

c. The attention is drawn to Note No. 27.08 to the Notes to accounts which specifically discusses the impact of COVID -19 pandemic and its consequent economic slowdown on business operation. The company has made its assessment on the basis of its internal and external sources and believes that the impact of COVID-19 is not material to its financial statements and expects to recover the carrying amount of its assets.

Our procedures included, but were not limited to the following:

- (i) Non-receipt of audited statement of account in case of investment through PMS/Fund Managers
 - (a) Obtained an understanding of management's process of recording of

investments, profit/loss on sale of such investments, expenses etc. and evaluated it on the basis of earlier year's audited & unaudited statements furnished by the PMS entities to check about the difference in the results that occur.

- (b) Assessed the appropriateness of the methodology and corrective actions taken in subsequent years.
- (c) Assessed the reasonableness & correct recording of the transactions by the PMS entities based on historical data available with the Company.

(ii) <u>Investment in debentures</u>

- (a) Obtained an understanding of management's process & methodology of investing in debentures, evaluated the methodology adopted for assessing the realisability of the debentures & interest thereon and security available against such investment in debentures. We also tested effectiveness of such evaluation process adopted by the management to determine recoverable value of the security available.
- (b) Assessed the appropriateness of the methodology and valuation model used by the management to estimate the recoverable value of securities underlying these investments.
- (c) Assessed the reasonableness of the assumptions made by the management regarding the value of underlying security and realisability of the same to cover the investment made by the Company.

4. Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the financial statements and our auditors' report thereon. The Company's annual report is expected to be made available to us after the date of this auditors' report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statement or our knowledge obtained in the audit or otherwise appears to be material misstated. When we read the Company's annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

5. Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and

presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

6. Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a. identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b. obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c. evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- d. conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e. evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 7. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our

audit.

- 8. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- 8. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are, therefore, the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matters or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest of such communication.

9. Other Matters

Our attendance at the time of physical inventory taken by the management was not practicable under the circumstances and accordingly, we have relied upon the report of the internal auditors and have performed alternative procedures to audit on the existence and condition of inventory at year end as per the guidance provided in "SA-501 - Audit Evidence - Specific considerations for selected items" and have obtained sufficient audit evidence to issue our unmodified opinion on these financial results. In respect of matters related to Goods & Service Tax, this being a legal & technical matter, we have relied upon the working made & returns filed by the Company based on the professional advice received by it.

10 Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

- 11 Further to our comments in Annexure A, as required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Standalone Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- (g) i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company .

Annexure 'A' to the Independent Auditors' Report

Referred to in paragraph 10 of the Independent Auditors Report of even date to the Members of Elegant Marbles and Grani Industries Ltd. on the standalone financial statements of the Company for the year ended March 31, 2022

- (i) (a) (A) The company has maintained proper records of fixed assets showing full particulars including quantitative details and situation of fixed assets.
 - (B) The company does not have any intangible assets.
 - (b) As explained to us, the fixed assets have been physically verified by the management during the year in accordance with a regular programme for verification, which in our opinion is reasonable having regard to the size of the company and nature of its assets. No material discrepancies were noticed on such physical verification.
 - (c) The title deeds of the immovable properties disclosed in the financial statements are held in the name of company.
 - (d) The company has not revalued any of its Property, Plant and Equipment during the year.
 - (e) Having regard to the representation made by the management, we have to state that no proceedings under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder have been initiated during the year or are pending against the company as at 31st, March 2022 for holding any benami property.
- (ii) (a) The inventories have been physically verified by the management during the year on a monthly basis. In our opinion, the frequency of such verification is reasonable. As explained to us, the internal auditors have also participated in the inventory physical verification process and have reported slight variations which were insignificant having regard to the size of the company. We have relied on the same and in our opinion, the frequency of such verification is reasonable.
 - (b) The company has not been sanctioned any working capital limits during the year from any bank or financials institution. In view of it, the reporting under clause 3(ii)(b) is not applicable to the Company.

- (iii) (a) The company has not granted any loans or advances in the nature of loan, or stood guarantee or provided security to any other entity to Companies, firms, LLPs or other parties. In view of it, we have nothing to report under clause 3(iii)(a)(A) & (B) of this Order.
 - (b) In our opinion, the investments made are *prima facie* not prejudicial to the interest of the Company. In our opinion, the Company has not given any loans during the year.
 - (c) In our opinion, as the Company has not provided any loan during the year, this clause is not applicable.
 - (d) In our opinion, as the Company has not provided any loan during the year, this clause is not applicable.
 - (e) In our opinion, as the Company has not provided any loan during the year, this clause is not applicable.
 - (f) The Company has not granted loans during the year to the promoters, related parties as defined in clause (76) of section 2 of the Companies Act, 2013
- (iv) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and I86 of the Companies Act, 2013 in respect of loans, investments, guarantees and security.
- (v) In our opinion and according to the information and explanations given to us, the company has not accepted any deposit in contravention of section 73 to section 76 or any other relevant provisions of the Companies Act, 2013 and Companies (Acceptance of Deposits) Rules, 2014. As informed to us, no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any other Court or tribunal.
- (vi) Having regard to the turnover of the Company and as per the information and explanation given to us, in our opinion, the rules regarding maintenance of cost records under section 148(1) of the Companies Act, 2013 are not applicable to the Company.
- (vii) (a) The company is generally regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, goods and service tax, customs duty, excise duty, value added tax, cess and other material statutory dues with appropriate authorities, wherever applicable to it. However, the company has not deposited demand raised by the Income Tax authorities for A.Yr. 2016-17 amounting to Rs.77,530/- on account of its application to the Income-tax authorities for adjustment of the demand against refund for the A.Yr. 2008-2009 and A. Yr. 2009-10 due to the company.

(b) In our opinion and in accordance with the information and explanation given to us, the following demands were not deposited on account of dispute:

Name of the Statute	Nature of Dues	Period to which the amount relates	Forum where dispute is pending	Amount (Rs.)
Income Tax Act, 1961	Income Tax	A.Yr. 2014-2015	CIT (Appeals)	Rs.7,99,670/-
Income Tax Act, 1961	Income Tax	A.Yr. 2013-2014	CIT (Appeals)	Rs.41,73,670/-
Income Tax Act, 1961	Income Tax	A.Yr. 2017-2018	CIT (Appeals)	Rs.5,15,400/-

(viii) Having regard to the representation made by the management, there were no transactions relating to previously unrecorded incomes that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

- (ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company has not borrowed funds from any financial institutions, banks or lenders. Hence, reporting under clause 3(ix)(a) of the Order is not applicable.
 - (b) Accordingly to the information and explanations given to us and on the basis of our examinations of the records of the Company, the company has not been declared as willful defaulter by any bank or financial institution or government or any government authority.
 - (c) According to the information and explanations given to us, the company has not taken any term loan during the year and hence, reporting under this clause 3(ix)(c) of the Order is not applicable.
 - (d) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that no funds have been raised during the year by the Company. Accordingly, the clause 3(ix)(d) of the Order is not applicable to the company.
 - (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(e) of the Order is not applicable.
 - (f) According to the information and explanations given to us and procedures performed by us, we report that the company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies, hence the clause 3(ix)(f) of the Order is not applicable to the company.
- (x) (a) The company has not raised any funds from initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.
 - (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or convertible debentures during the year. Accordingly, reporting under clause 3(x)(b) is not applicable.
- (xi) (a) Based on examination of the books and records of the Company and according to information and explanations given to us and on the basis of audit conducted by us, no fraud on or by the company has been noticed or reported during the course of our audit.
 - (b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Companies Act, 2013 has been filed by the auditors with the Central Government in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014.
 - (c) In accordance with the representation received from the management of the Company, the company has not received any complaints from any whistle-blower during the year.
- (xii) (a) According to the information and explanations given to us, in our opinion, the Company is not a Nidhi Company. Therefore, clause 3 (xii)(a), (b) & (c) of the Order are not applicable to the Company.
- (xiii) In our opinion and according to the information and explanations given to us, the transactions with the related parties are in compliance with section 177 and 188

of Companies Act, 2013 and the details have been disclosed in the Financial Statements as required by the applicable accounting standards.

- (xiv) (a) Based on information and explanations provided to us and our audit procedures, in our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
 - (b) We have considered, the internal audit reports for the year under audit, issued to the company during the year and till date, in determining the nature, timing and extent of audit procedures.
- (xv) According to the information and explanations given during the course of our audit, in our opinion, the company has not entered into any non-cash transactions with directors or persons connected with them covered under Section 192 of the Act. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable to the Company and hence not commented upon.
- (xvi) (a) In our opinion, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of clause 3 (xvi) of the Order are not applicable to the Company and hence not commented upon.
 - (b) According to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing finance activities without a valid Certificate of Registration from the Reserve Bank of India under the Reserve Bank of India Act, 1934.
 - (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
 - (d) According to the information and explanations given to us during the course of audit, the Company Group does not have any CIC. Accordingly, clause 3(xvi)(d) of the Order is not applicable and not commented upon.
- (xvii) The Company has not incurred cash loss during the current financial year. The Company has, however, incurred cash loss amounting to Rs.65.04 lakhs in preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
- (xix) On the basis of representation made by the Company, according to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention which cause us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that our reporting is based on the facts, data and other information up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) (a) The provisions of section 135 (5) of the Companies Act,2013 have not been applicable to the company since March, 2020. However, on the basis of information and explanation available to us, there is no unspent amount towards Corporate Social Responsibility (CSR) and hence, reporting under clause 3(xx)(a) & (b) of the Order is not applicable.

Annexure 'B' to the Independent Auditor's Report

Referred to in paragraph 11(f) of the Independent Auditors' Report of even date to the Members of Elegant Marbles And Grani Industries Ltd. on the Standalone financial statements for the year ended March 31, 2022.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. We have audited the internal financial controls over financial reporting of ELEGANT MARBLES & GRANI INDUSTRIES LTD. ("the Company") as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

- 2. The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.
- 3. Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the

adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

6. Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

7. Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

8. Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ANNEXED TO AND FORMING PART OF FINANCIAL STATEMENTS AS AT 31ST MARCH, 2022

Company overview

1.0 Elegant Marbles And Grani Industries Limited is a company incorporated in India and is listed on the Bombay Stock Exchange Ltd. The company is engaged in manufacture & trading of marble, granites & other stones tiles & slabs. The details regarding registered office, corporate office & principal place of business is disclosed in the introductory page of this Annual Report.

NOTE '1': SIGNIFICANT ACCOUNTING POLICES

1.1 Basis of preparation and presentation

(i) The financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the

Companies Act, 2013 (the 'Act') read with of the Companies (Indian Accounting Standards) Rules as amended from time to time, and other relevant provisions of the Act.

- (ii) The Financial statements have been prepared on the historical cost basis except certain financial assets & liabilities which are measured at fair value, defined benefit and other long-term employee benefits and assets held for sale measured at fair value less cost of sell.
- (iii) All the assets and liabilities have been classified as current or non-current as per the company's normal operating cycle of twelve months and other criteria set out in Schedule III of the Companies Act, 2013.
- (iv) All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

1.2 Use of Estimates & Judgements

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses etc. at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and future periods affected.

1.3 Property, Plant and Equipment

- i. Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.
- ii. Capital work-in-progress includes expenditure during construction period incurred on projects under implementation treated as pre-operative expenses pending allocation to the assets. These expenses are apportioned to the respective fixed assets on their completion/ commencement of commercial production.
- iii. Depreciation on property, plant and equipment is provided based on useful life of the assets prescribed in Schedule II to the Companies Act, 2013 on straight line method.
- iv. When an assets is scrapped or otherwise disposed off, the cost and related depreciation are removed from the books of account and resultant profit or loss, if any, is reflected in statement of Profit and Loss.
- v. The Residual Value, useful lives and methods of depreciation of property, plant and equipment are reviewed at the end of each financial year and adjusted prospectively, if appropriate.

Intangible Assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors and the level of maintenance expenditures required to obtain the expected future cash flows from the asset. Amortization methods and useful lives are reviewed periodically including at each financial year end.

1.4 Impairment of Non-financial Assets

The Company assesses at each reporting date whether there is any objective evidence that a non-financial asset or a group of non-financial assets are impaired. If any such indications exists, the Company estimates the amount of impairment loss which may be caused to the company. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made.

An impairment loss is calculated as the difference between an asset's carrying amount and recoverable amount. Losses are recognised in profit or loss and reflected in an allowance account. When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through profit or loss.

1.5 Investment property

Property that is held for long-term rental yields or for capital appreciation or both, and that is not used by the Company, is classified as investment property. Investment property is measured at its cost, including related transaction costs and, wherever applicable, borrowing costs less depreciation and impairment, if any.

1.6 Cash & cash equivalents

Cash and Cash equivalents include cash and Cheque in hand, bank balances and demand deposits with banks that are readily convertible to known amounts of cash & which are subject to an insignificant risk of changes in value where original maturity is three months or less.

1.7 Inventory

Inventories of Finished Goods and Stock-in-trade are stated 'at the lower of cost or net realisable value'. Raw Materials, Work-in-Progress and Goods-in-transit are stated 'at cost'. Cost comprise all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost formulae used are 'First-in-First-out'. Due allowance is estimated and made for defective and obsolete items, wherever necessary.

Having regard to the nature & value of items of Stores & consumables, the same are treated as consumed in the year of their purchase.

i. Financial Assets

Initial Recognition and Measurement

Financial assets are recognised when the company becomes party to the contractual provisions of the instruments. Financial assets, other than trade receivables, are initially recognised at fair value plus transaction costs for all financial assets not carried at fair value through statement of profit or loss. Financial assets carried at fair value through statement of profit or loss are initially recognised at fair value and transaction costs are expensed in the statement of Profit and Loss.

Subsequent measurement

Financial assets, other than equity instruments, are subsequently measured at amortised cost or fair value through other comprehensive income (OCI) or fair value through profit or loss on the basis of:

- the entity's business model for managing the financial assets; and
- the contractual cash flow characteristics of the financial asset.

Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

Investment in financial asset other than equity instrument, not measured at either amortised cost or FVTOCI is measured at FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised in the Statement of Profit and Loss.

Equity Instruments:

All investment in equity instrument classified under financial assets are subsequently measured at fair value. Equity instruments which are held for trading are measured at FVTPL.

For all other equity instruments, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis.

Impairment of financial assets

In accordance with Ind AS 109, the company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL)

Expected credit losses are measured through a loss allowance at an amount equal to:

- The 12 month expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instruments).

ii. Financial liabilities

Initial recognition and measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial liabilities are initially recognised at fair value net of transaction costs for all financial liabilities not carried at fair value through profit or loss.

The Company's financial liabilities includes trade and other payables, loans and borrowings including bank overdrafts and derivative instruments.

Subsequent measurement

Financial liabilities measured at amortised cost are subsequently measured using Effective Interest Rate (EIR) method. Financial liabilities carried at fair value through profit or loss (FVTPL) are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

Loans & Borrowings

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using EIR method. Gains and losses are recognized in profit & loss when the liabilities are derecognized as well as through EIR amortization process.

Financial Guarantee Contracts

Financial guarantee contracts issued by the Company are those contracts that requires a payment to be made or to reimburse the holder for a loss it incurs because the specified debtors fails to make payment when due in accordance with the term of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee.

Subsequently the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative adjustments.

iii. Derivative financial instruments and Hedge Accounting

The Company can use various derivative financial instruments such as interest rate swaps, currency swaps, forwards & options and commodity contracts to mitigate the risk of changes

in interest rates, exchange rates and commodity prices. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are also subsequently measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to Statement of Profit and Loss, except for the effective portion of cash flow hedges which is recognised in Other Comprehensive Income and later to Statement of Profit and Loss when the hedged item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial assets or non-financial liability

For the purpose of hedge accounting, hedges are classified as:

Cashflow hedge

The Company designates derivative contracts or non-derivative financial assets / liabilities as hedging instruments to mitigate the risk of movement in interest rates and foreign exchange rates for foreign exchange exposure on highly probable future cash flows attributable to a recognized asset or liability or forecast cash transactions. When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in the fair value of the derivative is recognized in the cash flow hedging reserve being part of other comprehensive income. Any ineffective portion of changes in the fair value of the derivative is recognized immediately in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, then hedge accounting is discontinued prospectively. If the hedging instrument expires or is sold, terminated or exercised, the cumulative gain or loss on the hedging instrument recognized in cash flow hedging reserve till the period the hedge was effective remains in cash flow hedging reserve until the underlying transaction occurs. The cumulative gain or loss previously recognized in the cash flow hedging reserve is transferred to the Statement of Profit and Loss upon the occurrence of the underlying transaction. If the forecasted transaction is no longer expected to occur, then the amount accumulated in cash flow hedging reserve is reclassified in the Statement of Profit and Loss.

Fair value hedge

The Company designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of change in fair value of hedged item due to movement in interest rates, foreign exchange rates and commodity prices.

Changes in the fair value of hedging instruments and hedged items that are designated and qualify as fair value hedges are recorded in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, the adjustment to the carrying amount of a hedged item for which the effective interest method is used is amortised to Statement of Profit and Loss over the period of maturity

iv. Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

1.9 Leases

Company as a Lessee

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset; (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease; and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Lease liability is measured by discounting the lease payments using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rate. Lease payments are allocated between principal and finance cost. The finance cost is charged to statement of profit and loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

The ROU assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payment made at or prior to the commencement date of the lease plus any initial direct cost less any lease incentives and restoration cost. They are subsequently measured at cost less accumulated depreciation and impaired losses, if any. ROU assets are depreciated on a assets is in accordance with the Company's accounting policy for impairment of tangible and intangible assets.

Company as a lessor

Lease income from operating leases where the Company is a lessor is recognised in the statement of profit and loss on a straight line basis over the lease term.

1.10 Fair Value Measurement:

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability
- The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: Other techniques for which all inputs which have a significant effect on the

recorded fair value are observable, either directly or indirectly.

Level 3: Techniques which use inputs that have a significant effect on the recorded fair

value that are not based on observable market data.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

1.11 Borrowing Cost

Borrowing costs include interest expenses as per effective interest rate and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

1.12 Provisions and Contingent liabilities and contingent assets

Provisions represent liabilities for which the amount or timing is uncertain. Provisions are recognized when the Company has a present obligation (legal or constructive), as a result of past events, and it is probable that an outflow of resources, that can be reliably estimated, will

be required to settle such an obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognized in profit or loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are not recognised but disclosed in the financial statements when an inflow of economic benefits is probable.

1.13 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefit will flow to the Company and the revenue can be measured reliably.

Sale of goods:

Revenue from sale of goods is recognised when the significant risks and rewards of ownership of the goods have been transferred to the buyer either at the time of dispatch or delivery or when the risk of loss transfers. Export sales are generally recognized based on the shipped on board date as per bill of lading, which is when substantial risks and rewards of ownership are passed to the customers.

Revenue from sale of goods is net of taxes and recovery of charges collected from customers like transport, packing etc. are not treated as part of sales. Sales returns are recognised when appropriate. Revenue is measured at the fair value of consideration received or receivable and is net of price discounts, allowance for volume rebates and similar items.

Claims/Refunds not ascertainable with reasonable certainty are accounted for on final settlement and are recognized as revenue on certainty of receipt on prudent basis.

Rendering of services:

Revenue from sale of services are recognized when the services are rendered.

Other Income

Dividend income on investments is recognised when the right to receive the dividend is established.

Interest income is recognized on a time proportionate basis taking into account the amounts invested and the rate of interest on prudent basis.

1.14 Employee Benefits

Short term employee benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

(b) Defined contribution plans such as Provident fund & Superannuation fund

Post-employment benefits

Define contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Defined benefit Plans

The Company pays gratuity to the employees whoever has completed five years of service with the Company at the time of resignation/superannuation. The gratuity is paid @ 15 days salary for every completed year of service as per the Payment of Gratuity Act, 1972.

Re-measurements of defined benefit plans in respect of post-employment are charge to Other Comprehensive Income.

Employee Separation Costs

Compensation to employees who opt for retirement under the voluntary retirement scheme, if any, of the Company is payable in the year of exercise of option by the employee. The Company recognises the employee separation cost when the scheme is announced and the Company is demonstrably committed to it.

1.15 Foreign exchange transactions and translation

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

Transactions in foreign currencies are recognised at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognised in the Statement of Profit and Loss.

1.16 Taxes on income

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

- Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

1.17 Government Grants

Government grants are recognised when there is reasonable assurance that the grant will be received and all attached conditions will be complied with.

Government grants related to revenue are recognised on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs which they are intended to compensate. Such grants are deducted in reporting the related expense. When the grant relates to an asset, it is recognized as income over the expected useful life of the asset.

In case a non-monetary asset is given free of cost, it is recognised at a fair value. When loans or similar assistance are provided by government or related institutions, with an interest rate below the current applicable market rate, the effect of this favorable interest is recognized as government grant. The loan or assistance is initially recognized and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received.

1.18 Earning Per Share

The basic earning per share (EPS) is computed by dividing the net profit after tax available to equity share holding for the year by the weighted average number of equity shares outstanding during the current year.

The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares unless impact is anti-dilutive.

The financial instruments are categorized into two levels based on the inputs used to arrive at fair value measurements as described below:

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities; and

Level 2: Inputs other than the quoted prices included within Level 1 that are observable for the assets or liability, either directly or indirectly.

Liquidity Risk

Liquidity risk is the risk that suitable sources of funding for the company's business activities may not be available. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due, so that the company is not forced to obtain funds at higher rates. The

Company monitors rolling forecasts of the Company's cash flow position and ensure that the Company is able to meet its financial obligation at all times including contingencies.

Credit Risk

Credit risk is the risk that a customer or counterparty to a financial instrument will fail to perform or pay amounts due causing financial loss to the company. It arises from cash and cash equivalents, financial instruments and principally from credit exposures to customers relating to outstanding receivables. The Company deals with highly rated counter parties.

27.10 Dividend

Dividends declared by the Company are based on the profit available for distribution. On May 28, 2022, the Board of Directors of the Company have proposed a final dividend of Rs. 2.75 per share in respect of the year ended March 31, 2022 subject to the approval of shareholders at the Annual General Meeting, and if approved, would result in a cash outflow of approximately Rs. 100.65 Lakhs

27.11 Other Disclosure:

Relationship with Struck off Companies - The Company does not have any transactions or relationships with any companies struck off under Section 248 of the Companies Act, 2013 or Section 560 of the Companies Act, 1956
