# विधानसभा चुनाव में जेजेपी और आजाद समाज पार्टी मिलकर लड़ेगी

## 70 पर जेजेपी और 20 पर चंद्रशेखर की पार्टी उतारेगी अपने प्रत्याशी

शिखा शर्मा | चंडीगढ़

हरियाणा में विधानसभा चुनाव से पहले एक और गठबंधन अस्तित्व में आ गया है। करीब साढ़े चार साल तक भारतीय जनता पार्टी के साथ सत्ता में भागेदार रहने वाली जननायक जनता पार्टी ने उत्तर प्रदेश की राजनीति में सक्रिय आजाद समाज पार्टी (कांशीराम) के साथ गठबंधन किया है। इस पार्टी का नेतृत्व चंद्रशेखर आजाद राणा करते हैं।

आजाद समाज पार्टी ने राजस्थान में सांसद हनुमान बेनीवाल की राष्ट्रीय लोकतांत्रिक पार्टी के साथ मिलकर चुनाव लड़ेंगे। चंद्रशेखर राणा उत्तर प्रदेश के नगीना से तथा हनुमान बेनीवाल राजस्थान के नागौर से सांसद हैं। दोनों दलों के उम्मीदवारों की घोषणा जल्द होगी।

हरियाणा के पूर्व डिप्टी सीएम एवं जजपा के वरिष्ठ अध्यक्ष दुष्यंत चौटाला तथा आजाद समाज पार्टी (कांशीराम) के संयोजक चंद्रशेखर राणा ने मंगलवार को नई दिल्ली में दोनों दलों के बीच गठबंधन की

नई दिल्ली में मंगलवार को जननायक जनता पार्टी (जेजेपी) और आजाद समाज पार्टी के बीच गठबंधन के बाद पार्टी के नेता।

घोषणा की। जजपा 70 विधानसभा सीटों पर चुनाव लड़ेगी, जबकि आजाद समाज पार्टी 20 विधानसभा सीटों पर अपने उम्मीदवार उतारेगी। दुष्यंत चौटाला ने सोमवार की रात को इंटरनेट मीडिया पर पोस्ट डाली थी कि किसान कमरे की लड़ाई, हम लड़ते रहेंगे। जमा आराम, ताऊ देवीलाल की नीतियां, विचारधारा में मान्यवर कांशीराम। मंगलवार को गठबंधन के बाद दुष्यंत चौटाला ने कहा कि हम मिलकर किसान व कमरे वगैरे के लिए काम

करेंगे। दुष्यंत चौटाला ने कहा कि डॉ भीमराव अंबेडकर को भारत रत्न दिलाने में कांशीराम और चौ देवीलाल का अहम योगदान रहा है। उन्होंने कहा कि दोनों महापुरुष गरीबों, जरूरतमंदों के कल्याण के लिए सदैव प्रयासरत रहे। दुष्यंत चौटाला ने कहा कि चौ. देवीलाल ने एएससी साथियों के लिए हरियाणा में चौपालों का निर्माण करवाया, नंबरदारी में एएससी और बीसी वर्ग को हिस्सेदारी दिलाने जैसे अनेक ऐतिहासिक कदम उठाए। इसी तरह

जेजेपी ने भी एएससी कर्मचारियों के प्रमोशन में 20 प्रतिशत आरक्षण देने, एएससी चौपाल का विकास करवाने जैसे काम किए हैं। इस दौरान एएसपी के प्रमुख चंद्रशेखर आजाद ने कहा कि हमारा प्रयास हरियाणा को आगे बढ़ाना है, क्योंकि हरियाणा और शक्तिशाली होना चाहिए। उन्होंने कहा कि जेजेपी और एएसपी का गठबंधन एक और एक ग्यारह की ताकत है, दोनों दल धरालत पर उतरकर एक नया इंकलाब खड़ा करेंगे।

# किरण चौधरी हरियाणा से निर्विरोध चुनी गई राज्यसभा सांसद

पार्यनवर समाचार सेवा | चंडीगढ़

कांग्रेस छोड़कर भाजपा में आई किरण चौधरी हरियाणा से निर्विरोध राज्य सभा की सांसद बन गई हैं। मंगलवार को चुनाव अधिकारी सकेत कुमार ने उन्हें राज्य सभा सदस्य का प्रमाण पत्र जारी किया। किरण चौधरी को भाजपा ने 20 अगस्त को भाजपा ने उन्हें उम्मीदवार घोषित किया था। इसके बाद 21 अगस्त को उन्होंने मुख्यमंत्री नाथवर सैनी की उपस्थिति में अपना नामांकन दाखिल किया। कांग्रेस समेत दूसरे विपक्षी दलों की ओर से कोई भी उम्मीदवार खड़ा नहीं किया गया, इस कारण से किरण चौधरी का निर्विरोध राज्यसभा जाने का

राज्यसभा चुनाव में जीत के बाद किरण चौधरी को बधाई देते नाना, जय में सीएम नाथवर सिंह सैनी।

रास्ता बन गया। चुनाव आयोग द्वारा जारी कार्यक्रम के अनुसार मंगलवार दोपहर तीन बजे तक नामांकन

वापसी का अंतिम दिन था। यह समय पूरा होने के बाद किरण चौधरी को राज्य सभा के लिए निर्वाचित घोषित कर दिया। इसके बाद अब वह चुनाव नहीं होंगे।

राज्य सभा की यह सीट कांग्रेस सांसद दीपेंद्र हुड्डा के लोकसभा में जाने के बाद रिक्त हुई थी। किरण चौधरी से पहले हरियाणा से भाजपा के राज्य सभा सांसद कृष्ण लाल पंवार, सुभाष बराला तथा रामचंद्र जांगड़ा हैं। प्रतियेक वर्ष भाजपा के समर्थन से निर्दलीय प्रत्याशी के रूप में चुने गए थे। अब किरण चौधरी के राज्य सभा में जाने से वहां भाजपा सांसदों की संख्या अग्रत हो गई है। किरण चौधरी का यह कार्यकाल अप्रैल 2026 तक रहेगा।

## 98 नर्सिंग ऑफिसर की पदोन्नति का विवाद चुनाव आयोग के पास पहुंचा

चंडीगढ़। हरियाणा के स्वास्थ्य विभाग में चुनावों की घोषणा के दौरान 98 नर्सिंग ऑफिसर की पदोन्नति व तबादलों को लेकर छिड़ा विवाद निर्वाचन आयोग तक पहुंच गया है। आयोग के नोटिस के जवाब में महानिदेशक ने तर्क दिया है कि पदोन्नति सूची चुनावों के ऐलान से पहले ही जारी हो गई थी कि इंटरनेट नहीं चलने के बाद सीएमओ को यह सूची देरी से भेजी गई। हरियाणा में विधानसभा चुनाव की घोषणा के साथ ही स्वास्थ्य विभाग द्वारा नर्सिंग ऑफिसर की सीनियर नर्सिंग ऑफिसर के पद पर पदोन्नति करने की शिकायत वरिष्ठ एडवोकेट ने भारत निर्वाचन आयोग के समक्ष की थी।

## कंगना रनौत की फिल्म के खिलाफ कोर्ट में याचिका

चंडीगढ़। हिमाचल प्रदेश के मंडी से भाजपा सांसद एवं फिल्म अभिनेत्री कंगना रनौत की फिल्म इमरजेंसी की रीलीज को रोकने का मामला पंजाब-हरियाणा हाईकोर्ट में पहुंच गया है। मोहाली निवासी गुर्जित सिंह और गुरमोहन सिंह ने हाईकोर्ट में जनहित याचिका दायर करके फिल्म पर रोक लगाने तथा सेंसर बोर्ड में सर्टीफिकेट रद्द करने की मांग की है। याचिका में फिल्म में सिख समुदाय को गलत तरीके से दिखाया गया है।

# 3 cr Jan Dhan accounts to be opened during FY25

**BIG STRIDES.** Scheme has covered a majority of adult population

Our Bureau  
New Delhi

Finance Minister Nirmala Sitharaman on Tuesday said the government is aiming to open more than 3 crore accounts under the Pradhan Mantri Jan Dhan Yojana (PMJDY) in FY25. Wednesday marks the 10th anniversary of the scheme.

The Centre believes the scheme, launched on August 28, 2014, has covered the majority of the adult population. "Now, our focus is to cover the entire adult population and continue to cover those acquiring adulthood," Sitharaman said, adding that there is no saturation point. As on August 14, there are over 53 crore active PMJDY accounts with a deposit balance of ₹2.3 lakh crore.

Although zero balance accounts are permitted under PMJDY and maintenance of minimum balance is not mandatory, only 8.4 per cent accounts have zero balance. The average balance per account has increased to ₹4,352 as on August 16, 2024 from ₹1,065 in March, 2015.

RuPay debit cards, with in-built accident insurance cover of ₹2 lakh, are given to account holders free of cost based on certain criteria such as performance during the first six months from the time of opening. As on August 16, 36.14 crore RuPay cards have been issued. The accounts have overdraft facility of up to ₹10,000, subject to eligibility conditions.

**GOING STRONG.** As on August 14, there are over 53 crore active PMJDY accounts with a balance of ₹2.3 lakh crore

There are no account opening charges and no account maintenance charges. However, there is no cheque book facility with such an account.

Sitharaman said the Jan Dhan scheme helped in providing funds under PM Swanidhi scheme. Also, accounts holders benefited from Ayushman scheme (PMJAY). "One of the unexpected success stories was helping the PMJDY women account holders through direct fund transfer during Covid," she said. Out of over 53 crore accounts, nearly 56 per cent or over 29.5 crore accounts belong to women.

According to a government statement, the scheme addresses geographical gaps in account ownership as out of the total accounts opened under the scheme about 66.6 per cent accounts are opened in rural and semi-urban areas.

"Today, 99.95 per cent of all inhabited villages have access to banking facilities within a 5-km radius

through banking touch points (including bank branches, ATMs, Banking Correspondents (BCs), and Indian Post Payment Banks)," the statement mentioned.

Quoting a World Bank report, it said that in terms of financial inclusion, India has achieved as much in just six years what would have taken about five decades. "The Jan Dhan-Aadhaar-Mobile (JAM) trinity has propelled the financial inclusion rate to 80 per cent of adults in the last six years from 25 per cent in 2008, a journey shortened by up to 47 years thanks to Digital Public Infrastructure," it said.

Further, in the last decade, India built one of the world's largest digital government-to-person (G2P) architectures leveraging DPI. This approach has supported transfers amounting to about \$361 billion directly to beneficiaries from 53 central government ministries through 312 key schemes, it added.

# A decade of Jan Dhan Yojana: Financial inclusion to inclusive growth

Charan Singh

Financial inclusion is a process of ensuring access to appropriate financial products and services needed by all sections of the society in general and vulnerable groups in particular, at an affordable cost, in a fair and transparent manner, by regulated, mainstream institutional players.

The objective of financial inclusion is to transform the lives of vulnerable people, mainly poor, by providing them access to banking finance and enabling them to generate stable income. Financial inclusion promotes economic development through a network of banking institutions helps to mobilise savings and investment in the economy for productive purposes.

India had been making efforts to improve financial inclusion since independence. The Indian government along with the Reserve Bank of India (RBI) and National Bank for Agriculture and Rural Development (Nabard) has been making concerted efforts to enhance financial inclusion in India. The concerted efforts made in 1969 in nationalising 14 private sector banks followed by another six in 1980 did lead to some banking penetration, especially in rural areas.

In 1972, priority sector lending emphasised on extending credit on easy terms, to agriculture and small industries. In 2006, the Reserve Bank of India introduced business correspondents. However, despite various efforts, nearly half of the population did not have a bank account in 2008 as was pointed out in an extensive study undertaken under the Chairmanship of C Rangarajan, former Governor, RBI.

In August 2014, the Centre assigned utmost priority to financial inclusion and launched the Prime Ministers Jan Dhan Yojana on a mission mode achieving unprecedented success. Simultaneously, very imaginatively, technology was

**CRUCIAL CATALYSTS.** The combination of Jan Dhan, Aadhar and mobile revolutionised banking penetration

harnessed: Digital Public Infrastructure (DPI) developed over the years provided scalability, interoperability and cost efficiency that pushed financial inclusion to transform the lives of people irrespective of geographical location.

In India, the application of DPI was phenomenal: Aadhar provided biometric and portable identity, and affordable mobile phones with internet provided the Jan Dhan account holders access to basic banking. The combination of Jan Dhan, Aadhar and mobile (JAM) revolutionised the banking penetration and usage significantly.

Consequently, under the scheme, 35.4 crore accounts were opened in the rural and semi-urban areas as on August 14, 2024. In total, 53.1 crore accounts were opened, of which 29.6 crore were female beneficiaries. The total amount of deposits mobilised under Jan Dhan was ₹2.31 trillion.

Thus, nearly 66.6 per cent of beneficiaries under JAM are from rural areas and nearly 55.6 per cent are women.

Consequent to all these concerted efforts, nearly 100 per cent households are connected with the formal banking institution. Thus, a great

success in ten years by any estimate, achieved in a continent size India, a feat unparalleled in global history.

Financial inclusion helps vulnerable segments of the society and is concerned with financial needs of people requiring financial services like saving accounts, credit on easy terms, insurance, asset-leasing and pensions.

The Financial Inclusion Index (FI-Index) covers various aspects of financial inclusion, beyond simply banking accounts. This wider FI-index, released by the RBI on July 9, 2024 also shows an improvement from 60.1 in March 2023 to 64.2 in March 2024.

The RBI's FI-index, a very composite computation aiming to capture wider financial inclusion reflecting the bigger objectivity of the government, was first published by the Reserve Bank of India in August 2021 for end-March 2021.

The well-designed index captures various aspects of financial inclusion in a single value ranging between zero and hundred where 100 indicates full financial inclusion. The index comprises of three broad parameters - ease of access (with a weight of 35 per cent), availability and usage of services (45 per-

cent) and quality of services (20 per cent). As can be noted, the weight is maximum for the usage of the services. The access component has four dimensions - banking, digital, pension and insurance. The 26 indicators, under access, include banking outlets, NBFCs and post offices as well as others, including pension schemes and insurance products.

The usage parameter is divided into five dimensions - savings and investments, credit, digital, insurance and pension, comprising of 52 indicators.

The quality variable has 3 dimensions - financial literacy, consumer protection and inequality in the distribution of financial infrastructure.

This subindex has 19 indicators mainly focussed on making citizens aware of appropriate financial instruments. This also captures grievance mechanisms. The unique feature of this index is the quality parameter which covers deficiency in services.

Financial inclusion ensures that everyone in the society

gets access to social, economic and political opportunities without any discrimination. The extension of financial inclusion is inclusive growth.

The mission mode application of financial inclusion was based on the policy of

and which India has followed relentlessly in last few years to achieve inclusive growth.

The same principle when extended to the planet translates into "One Earth, One Family and One Future" which is being achieved by India's Unified Payments Interface (UPI) under the DPI. The UPI can develop into a cheaper and quicker alternative to available channels of remittances, as it has effectively proven its efficacy under the JAM trinity.

The careful application of Artificial Intelligence and Machine Learning will only further facilitate deeper and more extensive financial inclusion, and hence more inclusive growth leading to faster development of India.

# GST Council to discuss rate rejig exercise at Sept 9 meet

Shishir Sinha  
New Delhi

The GST Council, in its meeting to be held on September 9, is expected to discuss the roadmap for rate rationalisation exercise. However, the final decision will be taken later on.

"During the meeting, the committee of officers will make a detailed presentation on the deliberations that have taken place till now on the rate rationalisation exercise. Then, the Group of Ministers (GoM) will take it forward and work on the recommendations and those will be considered by GST Council in the next meeting," Finance Minister Nirmala Sitharaman said here on Tuesday. She also said that the compensation cess issue will also be discussed during the same meeting.

A GoM, under the convensorship of Bihar's Deputy Chief Minister, Samrat Chaudhary, is working on the rate rationalisation exercise. As on date, there are four normal rates tax rate slabs - 5, 12, 18 and 28 per cent - besides a few special rates such as 0.25 per cent (rough or sown diamond) and 3 per cent (gold and silver). Some goods in the 28 per cent slab also attract compensation cess of up to 22 per cent, taking the total rate to 50 per cent.

Last week, Chaudhary convened the first meeting of the reconstituted GoM, where majority of the members were in favour of retaining the present structure. "More discussions will happen before a final decision is taken," he said while adding that the group has received representations from restaurants, beverages and online gaming sectors, which will be reviewed and some of them will be sent to the Fitment Committee.

The Minister mentioned that the Revenue Neutral Rate (RNR), has come below 11 per cent. At the time of introduction, the GST was between 15 and 15.5 per cent. Reduction of RNR will have important role in rate

rationalisation. Talking about compensation cess, she said that this levy on luxury and sin goods

is also going to be discussed and can come up in the September 9 meeting or later.

# 3 cr Jan Dhan accounts to be opened during FY25

**BIG STRIDES.** Scheme has covered a majority of adult population

**Our Bureau**  
New Delhi

Finance Minister Nirmala Sitharaman on Tuesday said the government is aiming to open more than 3 crore accounts under the Pradhan Mantri Jan Dhan Yojana (PMJDY) in FY25. Wednesday marks the 10th anniversary of the scheme.

The Centre believes the scheme, launched on August 28, 2014, has covered the majority of the adult population. "Now, our focus is to cover the entire adult population and continue to cover those acquiring adulthood," Sitharaman said, adding that there is no saturation point. As on August 14, there are over 53 crore active PMJDY accounts with a deposit balance of ₹2.3 lakh crore.

Although zero balance accounts are permitted under PMJDY and maintenance of minimum balance is not mandatory, only 8.4 per cent accounts have zero balance. The average balance per account has increased to ₹4,352 as on August 16, 2024 from ₹1,065 in March, 2015.

RuPay debit cards, with in-built accident insurance cover of ₹2 lakh, are given to account holders free of cost based on certain criteria such as performance during the first six months from the time of opening. As on August 16, 36.14 crore RuPay cards have been issued. The accounts have overdraft facility of up to ₹10,000, subject to eligibility conditions.

**GOING STRONG.** As on August 14, there are over 53 crore active PMJDY accounts with a balance of ₹2.3 lakh crore

There are no account opening charges and no account maintenance charges. However, there is no cheque book facility with such an account.

Sitharaman said the Jan Dhan scheme helped in providing funds under PM Swanidhi scheme. Also, accounts holders benefited from Ayushman scheme (PMJAY). "One of the unexpected success stories was helping the PMJDY women account holders through direct fund transfer during Covid," she said. Out of over 53 crore accounts, nearly 56 per cent or over 29.5 crore accounts belong to women.

According to a government statement, the scheme addresses geographical gaps in account ownership as out of the total accounts opened under the scheme about 66.6 per cent accounts are opened in rural and semi-urban areas.

"Today, 99.95 per cent of all inhabited villages have access to banking facilities within a 5-km radius

through banking touch points (including bank branches, ATMs, Banking Correspondents (BCs), and Indian Post Payment Banks)," the statement mentioned.

Quoting a World Bank report, it said that in terms of financial inclusion, India has achieved as much in just six years what would have taken about five decades. "The Jan Dhan-Aadhaar-Mobile (JAM) trinity has propelled the financial inclusion rate to 80 per cent of adults in the last six years from 25 per cent in 2008, a journey shortened by up to 47 years thanks to Digital Public Infrastructure," it said.

Further, in the last decade, India built one of the world's largest digital government-to-person (G2P) architectures leveraging DPI. This approach has supported transfers amounting to about \$361 billion directly to beneficiaries from 53 central government ministries through 312 key schemes, it added.

# A decade of Jan Dhan Yojana: Financial inclusion to inclusive growth

**Charan Singh**

Financial inclusion is a process of ensuring access to appropriate financial products and services needed by all sections of the society in general and vulnerable groups in particular, at an affordable cost, in a fair and transparent manner, by regulated, mainstream institutional players.

The objective of financial inclusion is to transform the lives of vulnerable people, mainly poor, by providing them access to banking finance and enabling them to generate stable income. Financial inclusion promotes economic development through a network of banking institutions helps to mobilise savings and investment in the economy for productive purposes.

India had been making efforts to improve financial inclusion since independence. The Indian government along with the Reserve Bank of India (RBI) and National Bank for Agriculture and Rural Development (Nabard) has been making concerted efforts to enhance financial inclusion in India. The concerted efforts made in 1969 in nationalising 14 private sector banks followed by another six in 1980 did lead to some banking penetration, especially in rural areas.

In 1972, priority sector lending emphasised on extending credit on easy terms, to agriculture and small industries. In 2006, the Reserve Bank of India introduced business correspondents. However, despite various efforts, nearly half of the population did not have a bank account in 2008 as was pointed out in an extensive study undertaken under the Chairmanship of C Rangarajan, former Governor, RBI.

In August 2014, the Centre assigned utmost priority to financial inclusion and launched the Prime Ministers Jan Dhan Yojana on a mission mode achieving unprecedented success. Simultaneously, very imaginatively, technology was

**CRUCIAL CATALYSTS.** The combination of Jan Dhan, Aadhar and mobile revolutionised banking penetration

harnessed: Digital Public Infrastructure (DPI) developed over the years provided scalability, interoperability and cost efficiency that pushed financial inclusion to transform the lives of people irrespective of geographical location.

In India, the application of DPI was phenomenal: Aadhar provided biometric and portable identity, and affordable mobile phones with internet provided the Jan Dhan account holders access to basic banking. The combination of Jan Dhan, Aadhar and mobile (JAM) revolutionised the banking penetration and usage significantly.

Consequently, under the scheme, 35.4 crore accounts were opened in the rural and semi-urban areas as on August 14, 2024. In total, 53.1 crore accounts were opened, of which 29.6 crore were female beneficiaries. The total amount of deposits mobilised under Jan Dhan was ₹2.31 trillion.

Thus, nearly 66.6 per cent of beneficiaries under JAM are from rural areas and nearly 55.6 per cent are women.

Consequent to all these concerted efforts, nearly 100 per cent households are connected with the formal banking institution. Thus, a great

success in ten years by any estimate, achieved in a continent size India, a feat unparalleled in global history.

Financial inclusion helps vulnerable segments of the society and is concerned with financial needs of people requiring financial services like saving accounts, credit on easy terms, insurance, asset-leasing and pensions.

The Financial Inclusion Index (FI-Index) covers various aspects of financial inclusion, beyond simply banking accounts. This wider FI-index, released by the RBI on July 9, 2024 also shows an improvement from 60.1 in March 2023 to 64.2 in March 2024.

The RBI's FI-index, a very composite computation aiming to capture wider financial inclusion reflecting the bigger objectivity of the government, was first published by the Reserve Bank of India in August 2021 for end-March 2021.

The well-designed index captures various aspects of financial inclusion in a single value ranging between zero and hundred where 100 indicates full financial inclusion. The index comprises of three broad parameters - ease of access (with a weight of 35 per cent), availability and usage of services (45 per-

cent) and quality of services (20 per cent). As can be noted, the weight is maximum for the usage of the services. The access component has four dimensions - banking, digital, pension and insurance. The 26 indicators, under access, include banking outlets, NBFCs and post offices as well as others, including pension schemes and insurance products.

The usage parameter is divided into five dimensions - savings and investments, credit, digital, insurance and pension, comprising of 52 indicators.

The quality variable has 3 dimensions - financial literacy, consumer protection and inequality in the distribution of financial infrastructure.

This subindex has 19 indicators mainly focussed on making citizens aware of appropriate financial instruments. This also captures grievance mechanisms. The unique feature of this index is the quality parameter which covers deficiency in services.

Financial inclusion ensures that everyone in the society

gets access to social, economic and political opportunities without any discrimination. The extension of financial inclusion is inclusive growth.

The mission mode application of financial inclusion was based on the policy of

and which India has followed relentlessly in last few years to achieve inclusive growth.

The same principle when extended to the planet translates into "One Earth, One Family and One Future" which is being achieved by India's Unified Payments Interface (UPI) under the DPI. The UPI can develop into a cheaper and quicker alternative to available channels of remittances, as it has effectively proven its efficacy under the JAM trinity.

The careful application of Artificial Intelligence and Machine Learning will only further facilitate deeper and more extensive financial inclusion, and hence more inclusive growth leading to faster development of India.

# GST Council to discuss rate rejig exercise at Sept 9 meet

**Shishir Sinha**  
New Delhi

The GST Council, in its meeting to be held on September 9, is expected to discuss the roadmap for rate rationalisation exercise. However, the final decision will be taken later on.

"During the meeting, the committee of officers will make a detailed presentation on the deliberations that have taken place till now on the rate rationalisation exercise. Then, the Group of Ministers (GoM) will take it forward and work on the recommendations and those will be considered by GST Council in the next meeting," Finance Minister Nirmala Sitharaman said here on Tuesday. She also said that the compensation cess issue will also be discussed during the same meeting.

A GoM, under the co-chairmanship of Bihar's Deputy Chief Minister, Samrat Chaudhary, is working on the rate rationalisation exercise. As on date, there are four normal rates tax rate slabs - 5, 12, 18 and 28 per cent - besides a few special rates such as 0.25 per cent (rough or sown diamond) and 3 per cent (gold and silver). Some goods in the 28 per cent slab also attract compensation cess of up to 22 per cent, taking the total rate to 50 per cent.

Last week, Chaudhary convened the first meeting of the reconstituted GoM, where majority of the members were in favour of retaining the present structure. "More discussions will happen before a final decision is taken," he said while adding that the group has received representations from restaurants, beverages and online gaming sectors, which will be reviewed and some of them will be sent to the Fitment Committee.

The Minister mentioned that the Revenue Neutral Rate (RNR), has come below 11 per cent. At the time of introduction, the GST was between 15 and 15.5 per cent. Reduction of RNR will have important role in rate

rationalisation. Talking about compensation cess, she said that this levy on luxury and sin goods

is also going to be discussed and can come up in the September 9 meeting or later.
