Divgi TorqTransfer Systems Limited wins order from Prominent Indian Automotive player for transfer case business

August 09, 2024, Pune – Divgi TorqTransfer Systems Limited has received order confirmations for its transfer case business from an existing large Indian automotive OEM. The order is centred on the supply of a transfer case design tailored for a commercial pick up truck product for international markets.

The multi-year contract is valued at approximately Rs. 800 crores lifecycle revenue. These orders are to be executed over a period of 7 years commencing from H2FY27 after product validation and approval.

Starting this calendar year, the Company had received orders to the tune of Rs. 200 crores from two marquee North American manufacturers of automotive transmissions for precision forged and machined components for passenger and light commercial vehicles.

Commenting on this achievement Mr. Jitendra Divgi, Managing Director, Divgi TorqTransfer Systems Limited said,

“We are happy with this new award for our core transfer case product. Such a significant award from an existing marquee customer underscores our confidence that this segment will continue to contribute significantly to the Company’s overall growth.

Our Company’s superior technical capabilities have helped us acquire many such orders in the past and as the market grows, we are well positioned to win many more in the coming years. We remain committed to grow the Company on a sustainable basis through increased product offerings, improved market share and wallet share with existing customers, and increasing export business share.”

About Divgi Torq Transfer Systems Limited:

The Divgi group was established in 1964. The Company has more than 50 years of experience in the industry.
