IIM-L SEES HIGHEST PACKAGE AT ₹75 LAKH

BCG and Accenture lead hiring at IIM-C

MANU KAUSHIK
New Delhi, March 3

THE CONSULTING SECTOR emerged as the top recruiter with 201 offers — nearly 37% of the total — at the Indian Institute of Management Calcutta, as the premier business school achieved 100% placements for its flagship MBA programme of 2025, which concluded on Monday. Despite challenging market conditions, 456 students took part and received 538 offers from 196 firms.

Boston Consulting Group (BCG) emerged as the top recruiter in management consulting, while Accenture Strategy emerged as the top recruiter in the strategy consulting space. Consulting firms have been recruiting the highest number of MBA graduates this year. For instance, BCG had also emerged as the largest recruiter at IIM Ahmedabad's final placements conducted last month.

The next big domain was marketing and general management with firms like Tata Administrative Services, Aditya Birla Group, RPSG, Zomato, Adani, Vedanta, Coca-Cola, Dabur and Airtel.

"Despite tough market conditions, both new and legacy firms participated in the process. This year saw many new trends and a greater interest in the pre-placement offers. Several global firms participated as first-time recruiters reinforcing the trust in the talent pool at the MBA programme. The strength and affection of the alumnus base and network continued to provide strong support to the placement outcomes," said Ritu Mehta, chairperson (placement committee) at IIM Calcutta.

The technology sector extended 78 offers with participation from Google, Microsoft, Navi, Infosys Global, Ola, ITC Infotech, HCL, among others. Besides, 114 offers were made in the areas of private equity, venture capital, investment banking and wealth management by firms like Goldman Sachs, Bank of America, Citi, Barclays, UBS, HSBC, BNP Paribas, Standard Chartered and Kotak Mahindra Capital.

"We are very fortunate to have remarkable placement results despite challenging market conditions. Our graduates have got great opportunities to kick-start their careers. We are very grateful to our recruiters to repossess their trust in our students and our academic ecosystem," said Ritu Mehta, chairperson (placement committee) at IIM Calcutta.

Meanwhile, IIM Lucknow also wrapped up its final place-

India look to turn the tide against Australia

G UNNIKRISHNAN
Dubai, March 3

HISTORY WEIGHS HEAVILY against them but India would rely on a potent spin battery and familiarity with the conditions to break the knockout jinx against an undermanned Australia when the two formidable cricket forces clash in the Champions Trophy semi-final on Tuesday.

It will not be a straightforward task, though, as the Aussies are a resilient beast in global tournaments even without their lead cast of Pat Cummins, Josh Hazlewood and Mitchell Starc. Their stunning chase of 352 against England at Lahore a few days back validates the thought.

The last time India triumphed against Australia in the knockout stage of an ICC event was way back in 2011 World Cup quarterfinal. India lost to Australia in the semifinals of the

2015 ODI World Cup and in the title clash of the 2023 ODI World Cup before succumbing to them in the World Test Championship final in 2023.

India will realistically hope to

rewrite that largely melancholic script over the last 14 years and the primary reason for that optimism is the presence of some top of the line spinners in their ranks. Their pre-tournament decision to fill the squad with five spinners drew a lot of flak from all corners, but it is now proving to be a masterstroke on the slowpitches in Dubai.

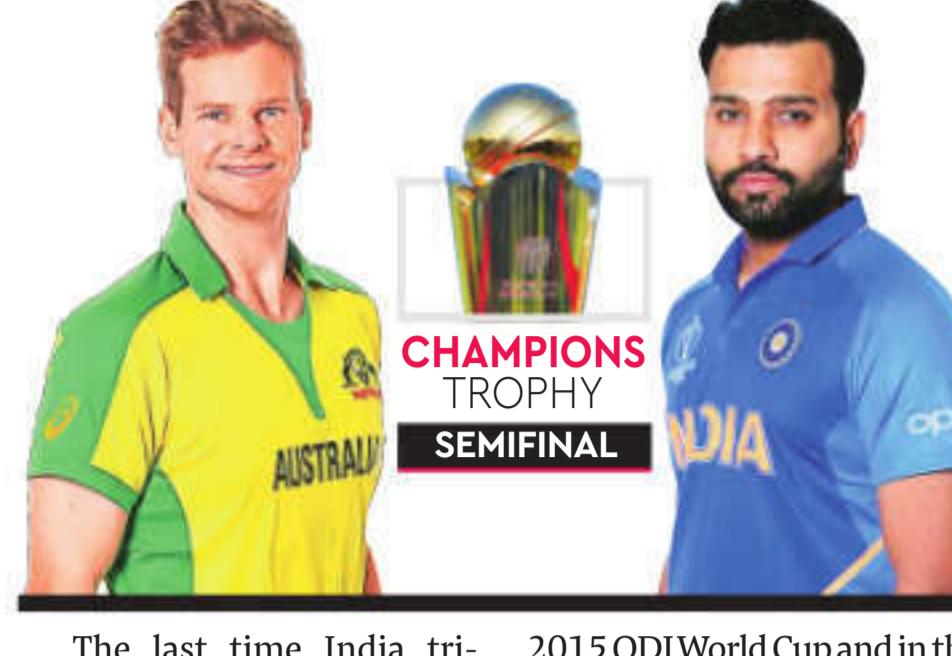

The easiest explanation of their dominance is the knowledge of the conditions having had the luxury of playing all their matches in Dubai. But that is only partially true. They have made an effort to tweak their craft as per the needs of the surfaces here. The Indian spin quartet of Varun Chakravarthy, Kuldeep Yadav, Ravindra Jadeja

and Axar Patel walked away with nine New Zealand wickets, but they applied the pressure consistently to earn their rewards.

On the other hand, Australia have only one genuine spinner in Adam Zampa, while hoping for part-timers Glenn Maxwell and Travis Head to deliver the goods. Matthew Short has been ruled out of the tournament with a calf injury and it has also robbed the already creaking Australian bowling unit of a handy spin option.

It is a chance for India to mitigate the still lingering pain of losing to Australia in the 2023 World Cup final in Ahmedabad. This match could be slow-burner but brace for a cracker nonetheless.
