– Update on the Business**

---

**Dear Sir,**

Pursuant to the Regulation 30 read with Schedule III Part B of the SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015, we wish to inform the current and future business offering of the Ace Software Exports Limited (“Company”) and its Subsidiaries namely Ace Infoway Private Limited, Aqe Techtools Private Limited and its controlled entities Qenomy Digital LLP and QeCAD Studio LLP.

The Company primarily engages in publishing services such as data conversion, pre-press, and digital publishing. The Company’s subsidiaries and controlled entities are primarily engaged in software consulting, digital services, and AEC/building solutions. To expand business and capture more market share, the subsidiaries and controlled entities will offer new services and enhance their existing offerings. While the Company and its subsidiaries/controlled entities are currently focused on the service business, there are plans to venture into product offerings as well. The subsidiaries/controlled entities of the Company have ventured in to the product business through four distinct products i.e. Smart PPS, QQQE, RotaWiz and Calrik. Since the products are under development phase, the names provided are the internal code names and the same may differ upon the final release of the products.

The detailed information about the current service offerings, future plans, products details are uploaded on the website of the Company under Investor Section <https://www.acesoftex.com/investor-relations.html>

Please take the same on your records.

Thanking you,

Yours faithfully,

**For, Ace Software Exports Limited**
