Notes to the Unaudited Standalone Financial Results:

1) The above results were reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on February 10, 2025 and were subjected to review by the Statutory Auditors.

2) Pursuant to provisions of Section 230-232 of the Companies Act, 2013, the Board of Directors of the Company on May 17, 2024 had approved the scheme of amalgamation of Varroc Polymers Limited ('VPL') (a wholly owned subsidiary of the Company) with Varroc Engineering Limited ('VEL') with appointed date of April 01, 2024 ('the Scheme'). National Company Law Tribunal ('NCLT') approved the above scheme vide its order dated January 10, 2025 and the merger became effective on February 01, 2025 on filing of the NCLT order with the Registrar of Companies. The merger has been accounted as business combination of entities under common control as per Appendix C to Ind AS 103 - Business Combinations. Accordingly, all the comparative periods presented in the standalone results have been restated to include the effects of this merger.
Exceptional item of Rs. 112.70 million for the quarter and nine months ended December 31, 2024 pertains to estimated expenses directly attributable to this merger.

3) During the previous year ended March 31, 2024, the Company received eligibility certificates (ECs) in respect of three plants in Aurangabad/Pune under the Maharashtra Electronics Policy, 2016 effective from April 1, 2022 and valid for 10 years. Under these ECs, the Company is eligible to claim incentive in the form of refund of SGST paid on eligible sales from the respective plants. The Company has considered these as grants related to income under Ind AS 20 by recognizing the same as income in profit and loss based on SGST paid for the year. The amount of income recognised in the year ended March 31, 2024 in respect of the aforesaid ECs was Rs. 989.71 million pertaining to the period April 1, 2022 to March 31, 2024.

4) a) On November 5, 2024, the Company received a GST Order from Additional Commissioner of CGST & Central Excise for appropriation of GST dues amounting to Rs. 629 million along with equivalent penalty and applicable interest relating to inappropriate classification of certain goods supplied during the period from July 1, 2017 to September 30, 2023. The Company has paid the principal demand, however, considering merits of the case, management believes that it has grounds to successfully defend and litigate the GST Order with respect to applicable interest and penalty for the aforementioned period. The Company has initiated appellate proceedings against this GST Order, pending conclusion of which no adjustments have been made in respect of this matter in the financial results for the quarter and nine months ended December 31, 2024.

b) On January 03, 2025, Varroc Polymers Limited ('VPL') (wholly owned subsidiary, now merged with the Company as explained in Note 2 above) received a GST Order from Commercial Tax Officer (Divisonal GST office, Karnataka) consisting of demand for GST dues amounting to Rs. 0.03 million along with interest of Rs. 302.67 million and penalty of Rs. 564.19 million relating to inappropriate classification of certain goods supplied during the period from July 1, 2017 to September 30, 2023. VPL has paid the principal demand, however, considering merits of the case, management believes that it has grounds to successfully defend and litigate the GST Order with respect to the interest and penalty for the aforementioned period. The Company has initiated appellate proceedings against this GST Order, pending conclusion of which no adjustments have been made in respect of this matter in the financial results for the quarter and nine months ended December 31, 2024.

5) During the year ended March 31, 2024, the Company derecognised (written-off) loans given to VarrocCorp Holding BV ('VCHBV'), Netherlands including interest on such loans aggregating to Rs. 13,533.33 million (including Rs. 1,736.89 million by VPL, wholly owned subsidiary, now merged with the Company as explained in Note 2) after making requisite submissions to AD Bank. The Company claimed this write-off on loans as an allowable business loss, considering that these loans extended to VCHBV were in the nature of trade investments to derive benefits for the Company's businesses rather than for earning dividend/capital appreciation. The Company obtained legal opinions from two independent senior counsels who have supported their view on claiming this write-off of loans as an allowable business loss. Accordingly, VPL considered this loss as tax deductible for computation of current tax provision to the extent of Rs. 437.14 million and VEL recognised deferred tax asset of Rs. 2,968.93 million on such loss during the quarter and nine months ended December 31, 2023, and year ended March 31, 2024. These loans pertained to funding of Varroc Lighting Systems ('VLS') entities (erstwhile subsidiaries of VCHBV) which were fully provided for during the period ended September 30, 2022 when the VLS business was sold to Compagnie Plastic Omnium SE, France. Further, VEL shifted to new tax regime under section 115BAA of Income Tax Act, 1961 from financial year ended March 31, 2024. As a result, MAT credit of Rs. 265.34 million was written off and deferred tax liability to the extent of Rs. 254.54 million was reversed on account of lower tax rate under new regime, which were included in the total tax expense for the quarter and and nine months ended December 31, 2023, and year ended March 31, 2024.

6) Other Income for the year ended March 31, 2024 includes dividend received from a subsidiary company of Rs. 125.79 million.

7) During the year ended March 31, 2024, the Company issued 25,000 number of listed Non-Convertible Debentures ('NCD') of face value of Rs. 1,00,000 each aggregating to Rs. 2,500 million on a private placement basis. The NCDs are repayable in 16 equal quarterly instalments beginning from December 07, 2024. Further, NCD holders have a put option after 30 months and 42 months respectively from date of allotment, requiring the Company to redeem all the NCDs. The Company shall at all times until the Final Settlement Date maintain a minimum Security Cover of at least 1.1x. The proceeds from the issue have been utilised for repayment of existing listed NCDs, other outstanding debt and for general corporate purposes. These NCDs are secured by exclusive charge by way of hypothecation on the specific identified movable properties of the Company.
The asset cover in respect of the Non-Convertible Debentures as on December 31, 2024 is 1.43 times of the total due amount which is higher than the requirement of 1.10 times as specified in the Debenture Trust Deed.

8) Varroc Engineering Limited ('the Company') and VarrocCorp Holding BV, Netherlands ('VCHBV', wholly owned subsidiary of VEL) (together referred to as 'Sellers') entered into a Securities Purchase Agreement dated April 29, 2022 as amended dated July 01, 2022, October 05, 2022 and May 12, 2023 (collectively referred to as 'SPA') with Compagnie Plastic Omnium SE, France (referred to as 'Buyer'), to divest the Sellers 4-Wheeler lighting business in the Americas and Europe ('VLS Business').
Exceptional item of Rs 45 million for the nine months ended December 31, 2023 and year ended March 31, 2024 pertains to expenses directly related to sale of investment in VLS business.

Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review Report to
The Board of Directors
Varroc Engineering Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of Varroc Engineering Limited (the "Company") for the quarter ended December 31, 2024 and year to date from April 01, 2024 to December 31, 2024 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

2. The Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 and 52 of the Listing Regulations. The Statement has been approved by the Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. We draw attention to Note 4 of the Statement which describes the effects of the GST Orders received by the Company from GST Authorities.    Our conclusion on the Statement is not modified in respect of the above matters.

(ii) Debt Service Coverage Ratio = [(Earnings before Interest, Tax, Depreciation & Amortisation expense and Exceptional Item)/(Interest Expense + Principal repayments of long term loan made during the period excluding prepayment)]

(iv) Net Worth = [Equity Share Capital + Other equity + Non-controlling Interests]

(v) Current Ratio = [Current Assets^^ / Current Liabilities]

(vi) Long Term Debt to Working Capital = [Non Current Borrowings (including Current Maturities of Long Term Borrowings) / Working Capital]

(vii) Bad Debts to Accounts Receivable Ratio = [(Bad debts written off + Provision for bad debts charged to Profit and Loss account) / Average Trade Receivables]

(viii) Current Liability Ratio = [Current Liability / Total Liability]

(ix) Total Debts to Total assets = [Total Debt / Total Assets]

(x) Debtors Turnover = [Revenue from Operations / Average Debtors]

(xi) Inventory Turnover = [(Cost of Material Consumed + Changes in stock of finished goods and work-in-progress) / Average Inventory]

(xii) Operating Margin = [(Earnings before Interest, Tax, Exceptional Item and Share of Profit from Joint Venture - Other Income including foreign exchange (gain)/loss (net)) / Revenue from Operations]

(xiii) Net Profit Margin = [Net Profit after Tax / Revenue from Operations]

(xiv) Total Debt = [Long Term Borrowings + Short Term Borrowings (includes Current Maturities of Long Term Borrowings)]

(xv) Total Equity = [Equity Share Capital + Other Equity]

(xvi) Working Capital = [Total Current Assets^^ - Total Current Liabilities (excluding Current Maturities of Long Term Borrowings)]

* The above ratios have been computed for continuing operations only.

Notes to Unaudited Consolidated Financial Results:

1 The above results were reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on February 10, 2025 and were subjected to review by the Statutory Auditors.

2 Pursuant to provisions of Section 230-232 of the Companies Act, 2013, the Board of Directors of the Company on May 17, 2024 had approved the scheme of amalgamation of Varroc Polymers Limited ('VPL') (a wholly owned subsidiary of the Holding Company) with Varroc Engineering Limited ('VEL') (the Holding Company) with appointed date of April 01, 2024 ('the Scheme'). National Company Law Tribunal ('NCLT') approved the above scheme vide its order dated January 10, 2025 and the merger became effective on February 1, 2025 on filing of the NCLT order with the Registrar of Companies. The merger has been accounted as business combination of entities under common control as per Appendix C to Ind AS 103 - Business Combinations.
The aforesaid scheme has no impact on the Consolidated Financial Results of the Group since the scheme of merger was between the Holding Company and its wholly owned subsidiary, except for the tax expense for the quarter and six months ended September 30, 2024 which has been restated to include the effects of this merger.
Exceptional item for the quarter and nine months ended December 31, 2024 includes estimated expenses directly attributable to this merger of Rs. 112.70 million .

3 On December 11, 2024, the Group received an order from the International Chamber of Commerce, Singapore ('ICC') in respect of the ongoing arbitration between VarrocCorp Holding B.V. ('VCHBV') jointly with Varroc Engineering Limited and Beste Motor Co. Ltd. ('TYC BVI Entity') jointly with TYC Brother Industrial Co. Ltd ('TYC Group') and Varroc TYC Corporation ('VTYC' or 'China JV'), wherein VCHBV has been directed to transfer its 50% shareholding in VTYC to TYC BVI Entity for a consideration of RMB 310.50 million.
Accordingly, the Group has assessed that its investment in VTYC (a joint venture accounted for under the equity method) satisfies the criteria prescribed under Ind AS 105 'Non-Current Assets Held for Sale and Discontinued Operations' for classification as 'Assets held for sale' as at December 31, 2024 and has written down this investment to its fair value less costs to sell. The resulting estimated impairment loss of Rs. 796.48 million has been disclosed as an Exceptional item in the financial results for the quarter and nine months ended December 31, 2024.
Further, the Group's share of net profits of VTYC of Rs. 27.85 million (approx. 2.28% of Profit/(loss) before tax) which is included in the Group's income for the nine months ended December 31, 2024 is based on management certified accounts and was not subjected to review. Due to the arbitration as explained above, the Group was unable to get the financial and other information of VTYC reviewed from auditors. The auditors in their review report have included a qualification in respect of this matter.

4 a) On November 5, 2024, the Group received a GST Order from Additional Commissioner of CGST & Central Excise for appropriation of GST dues amounting to Rs. 629 million along with equivalent penalty and applicable interest relating to inappropriate classification of certain goods supplied during the period from July 1, 2017 to September 30, 2023. The Group has paid the principal demand, however, considering merits of the case, management believes that it has grounds to successfully defend and litigate the GST Order with respect to applicable interest and penalty for the aforementioned period. The Group has initiated appellate proceedings against this GST Order, pending conclusion of which no adjustments have been made in respect of this matter in the financial results for the quarter and nine months ended December 31, 2024.

b) On January 03, 2025, the Group received a GST Order from Commercial Tax Officer (Divisonal GST office, Karnataka) consisting of demand for GST dues amounting to Rs. 0.03 million along with interest of Rs. 302.67 million and penalty of Rs. 564.19 million relating to inappropriate classification of certain goods supplied during the period from July 1, 2017 to September 30, 2023. The Group has paid the principal demand, however, considering merits of the case, management believes that it has grounds to successfully defend and litigate the GST Order with respect to the interest and penalty for the aforementioned period. The Group has initiated appellate proceedings against this GST Order, pending conclusion of which no adjustments have been made in respect of this matter in the financial results for the quarter and nine months ended December 31, 2024.

Varroc Engineering Ltd.

5 During the previous year ended March 31, 2024, the Group received eligibility certificates (ECs) in respect of three plants in Aurangabad/Pune under the Maharashtra Electronic Policy 2016 effective from April 1, 2022 and valid for 10 years. Under these ECs, the Company is eligible to claim incentive in the form of refund of SGST paid on eligible sales from the respective plants. The Group has considered these as grants related to income under Ind AS 20 by recognizing the same as income in profit and loss based on SGST paid for the year. The amount of income recognised in the year ended March 31, 2024 in respect of the aforesaid ECs was Rs. 989.71 million pertaining to the period April 1, 2022 to March 31, 2024.

6 During the year ended March 31, 2024, Varroc Engineering Limited ('VEL') and Varroc Polymers Limited ('VPL') had derecognised (written-off) loans given to VarrocCorp Holding B.V. ('VCHBV'), Netherlands including interest on such loans aggregating to Rs. 13,533.33 million after making requisite submissions to AD Bank. The Group had claimed this write-off of loans as an allowable business loss, considering that these loans extended to VCHBV were in the nature of trade investments to derive benefits for the Group's businesses rather than for earning dividend/capital appreciation. The Group obtained legal opinions from two independent senior counsels who supported their view on claiming this write-off of loans as an allowable business loss.

Accordingly, the group considered this loss as tax deductible for computation of current tax provision to the extent of Rs. 437.14 million and for recognition of deferred tax asset of Rs. 2,968.93 million in VPL & VEL respectively, towards the loss during the quarter and and nine months ended December 31, 2023, and year ended March 31, 2024.

These loans pertained to funding of Varroc Lighting Systems ('VLS') entities (erstwhile subsidiaries of VCHBV) which were fully provided for during the period ended September 30, 2022, in respective standalone financial statements of VEL and VPL when the VLS business was sold to Compagnie Plastic Omnium SE, France.

Further, VEL shifted to new tax regime under section 115BAA of Income Tax Act, 1961 from financial year ended March 31, 2024. As a result, MAT credit of Rs. 265.34 million was written off and deferred tax liability to the extent of Rs. 254.54 million was reversed on account of lower tax rate under new regime, which were included in the total tax expense for the quarter and nine months ended December 31, 2023, and year ended March 31, 2024.

7 During the year ended March 31, 2024, the Company had issued 25,000 number of listed Non-Convertible Debentures ('NCD') of face value of Rs. 1,00,000 each aggregating to Rs. 2,500 million on a private placement basis. The NCDs are repayable in 16 equal quarterly instalments beginning from December 07, 2024. Further, NCD holders have a put option after 30 months and 42 months respectively from date of allotment, requiring the Company to redeem all the NCDs. The Company shall at all times until the Final Settlement Date maintain a minimum Security Cover of at least 1.1x. The proceeds from the issue have been utilised for repayment of existing listed NCDs, other outstanding debt and for general corporate purposes. These NCDs are secured by exclusive charge by way of hypothecation on the specific identified movable properties of the Company.
The asset cover in respect of the Non-Convertible Debentures as at December 31, 2024 is 1.43 times of the total due amount which is higher than the requirement of 1.10 times as specified in the Debenture Trust Deed.

8 The 'Automotive' segment consists of the business of automobile products consisting of auto parts for two-wheelers, three-wheelers and four-wheelers and related design, development and engineering activities and other services. 'Others' comprise of forging components for off road vehicles and components for mining and oil drilling industry which is below the thresholds for reporting as separate operating segment. Investment in joint ventures and corresponding share of profit/loss from joint ventures is considered under unallocated assets and profit/loss respectively.

9 Varroc Engineering Limited ('VEL') and VarrocCorp Holding BV, Netherlands ('VCHBV', wholly owned subsidiary of VEL) (together referred to as 'Sellers') entered into a Securities Purchase Agreement dated April 29, 2022 as amended dated July 01, 2022, October 05, 2022 and May 12, 2023 (collectively referred to as 'SPA') with Compagnie Plastic Omnium SE, France (referred to as 'Buyer'), to divest the Sellers 4-Wheeler lighting business in the Americas and Europe ('VLS Business'). The equity value agreed under the SPA was Euro 69.5 million (subject to closing adjustments as provided under the SPA).
Subsequently, both the Buyer and the Sellers entered into Settlement Agreement on July 14, 2023 whereby both the parties agreed to settle the disagreements on closing adjustments and the final equity value agreed under the Settlement Agreement was Euro 54.5 million. Accordingly, VCHBV received the remaining consideration amount of Euro 13 million on July 17, 2023 pursuant to this final settlement with Buyer.
Loss from discontinued operations for nine months ended December 31, 2023, and year ended March 31, 2024 of Rs. 209.20 million pertains to adjustments pursuant to revised equity value as per above settlement agreement and expenses directly related to sale of investment in VLS business.

Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Consolidated Financial Results of the Company Pursuant to the Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review Report to
The Board of Directors
Varroc Engineering Limited

1. We have reviewed the accompanying Statement of unaudited Consolidated Financial Results of Varroc Engineering Limited (the "Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), and its joint ventures for the quarter ended December 31, 2024 and year to date from April 01, 2024 to December 31, 2024 (the "Statement") attached herewith, being submitted by the Holding Company pursuant to the requirements of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

2. The Holding Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 and 52 of the Listing Regulations. The Statement has been approved by the Holding Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

   We also performed procedures in accordance with the Master Circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the following entities:
   Subsidiaries:
   Durovalves India Private Limited; Varroc Connect Private Limited (erstwhile CarIQ Technologies Private Limited); Varroc European Holding B.V.; VarrocCorp Holding B.V.; Varroc Japan Co. Limited; Industria Meccanica e Stampaggio S.p.A., Italy; Varroc Italy S.p.A; Varroc Romania SA.; Varroc Vietnam Co. As disclosed in Note 3 to the Statement, the financial results and other financial information for the quarter and nine months ended December 31, 2024 in respect of Varroc TYC Corporation BVI ("China JV"), a joint venture accounted for under the equity method, considered for the purpose of preparation of the consolidated financial results, is unreviewed. Hence, we are unable to determine the impact of Group's share of the profit/loss from China JV and of the impairment loss recognised for China JV on the consolidated profit before tax, tax expense, profit after tax, total comprehensive income and earnings per share for the quarter and nine months ended December 31, 2024, had the financial results of China JV been reviewed.

9. Certain of these subsidiaries are located outside India whose financial results and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries. The Holding Company's management has converted the financial results of such subsidiaries located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India.
