Dear Sir/Madam,

Subject: Response to Query Regarding Price Movement of Jetking Infotrain Limited's Shares

We acknowledge receipt of your query dated **13th December, 2024 (L/SURV/ONL/PV/AA/2024-2025/310)**, regarding the recent price movement of Jetking Infotrain Limited ("**Company**") shares on the BSE Limited.

We understand that the price of the Company's shares has exhibited significant volatility over the past few days. We would like to clarify that there has been no material information or corporate action, such as earnings reports, mergers, acquisitions, or changes in management under Regulation 30 of SEBI (LODR) Regulations, 2015 that could have directly impacted market sentiment during this period.

We would like to inform you that, as part of our strategy to diversify our treasury holdings and mitigate inflation risks, the Company has made investments in Virtual Digital Assets like Bitcoin and Ethereum, since 2022. These investments are reflected in our Financial Statements under Note No. 7 for the financial years ended March 2022, March 2023, and March 2024. The price movements of these digital assets have been publicly available and are well known to our investors and shareholders. We believe that fluctuations in the value of Bitcoin and Ethereum may have indirectly impacted the price movement of our Company shares, particularly during periods of significant volatility in the cryptocurrency markets.

The Company has consistently adhered to all regulatory requirements and remains committed to doing so in the future. Additionally, we would like to clarify that, as the Company's shares are freely traded on the Stock Exchange, we are unable to provide any commentary on the movement of the share price apart from the factors mentioned above which is not in the control of the Company.

Should you require any further information or clarification, please do not hesitate to contact us.

Thank you for your understanding and continued support.

Yours truly,
For **Jetking Infotrain Limited**
