Our Journey Transforming Challenges into Triumphs: Wepsol's Inspirational Journey

Dear fellow shareholders,

Last year we embarked on the transformation of our purpose and identity - building on our past legacy and embracing the new. Our forward-looking vision and future orientation are strongly anchored in our purpose and identity. Our renewed brand identity centres around the evolving "modern workplace", infusing a sharper direction, positioning, and energy into our drive.

Underpinning this strategic stance, are 3 key realities and trends of the modern workplace:

- With the challenges on account of the pandemic behind us, organizations are adapting to newer ways of connecting, collaborating and creating impactful outcomes at the workplace, through the use of technology.
- Flexible workplace is the new reality: return-to-work, hybrid work and remote work are all co-existent.
- On the technology front, most enterprise applications are moving to the cloud. The emergence of new technologies including AI-ML, is changing the shape of work competencies.

As a result workplace technology and services assume higher criticality for our clients. The 'workplace productivity' shall continue to be an enterprise imperative, priority and a growth vector in the marketplace. Therefore our acute focus in our enterprise services business is to help elevate the workplace, workforce and work.

On the products side, we have embarked upon new developmental platforms to poise us for the future.

- We signed a partnership agreement with Fujifilm Business Innovation. This unique relationship spans enterprise provisioning, business partner distribution and services. Fujifilm is a clear market leader in APAC in the premium document printing segment. We are upbeat about the prospects of this engagement in the Indian geography.
- On our retail product side, we are creating a 'retail ecosystem', to broaden our offering and cover all aspects of retail operations. Hitherto our coverage was the entry level of the billing printer segment. While on one hand, we are working to upgrade the billing printer line, on the other we are adding new and extensive Point-of-Sale products to the portfolio.
- The surge in Q-commerce and e-commerce and the proliferation of network, cloud and SAAS technologies are the catalysts of the next growth surge in retail SMBs. This is further accelerated by the cashless economy initiatives of the government, and the rising consumption.

"We are continuously pushing the limits at the intersection of technology and workplace, ensuring that as work dynamics evolve and become an enterprise imperative, our ability to adapt and lead in supporting our clients remains key to sustained profitability and growth."

Ashok Tripathy

- The POS market in India is witnessing exponential growth, with projections indicating a tenfold increase in the coming years spurred by the major shift in retail operations and infrastructure.
- By efficiently investing in such opportunities, we shall continually enhance our offerings and cement our position as a leading and trusted partner for products.

Organizations play a crucial role in the global ecosystem. As a responsible enterprise, we emphasise sustainable progress in every dimension—economic, social, and environmental. Our commitment to sustainability remains unwavering as we continue to comply with all relevant laws, regulations, and codes of practice across our manufacturing operations."

Recently, we received the ZED Silver certification (Zero Defect, Zero Effect), reinforcing our unwavering commitment to the highest standards of quality and sustainability. With ISO 9001:2015 and ISO 14001:2015 certifications for our manufacturing unit in the Himalayan foothills of Baddi, Himachal Pradesh, we are steadfastly dedicated to achieving carbon neutrality by 2050, with all processes aligned to this ambitious goal.

In FY24, our Enterprise business saw a robust revenue growth of 11.6%, driven by the acquisition of new customers and expansion among existing clients. Although revenue in the Partners business declined, driven by the eclipsing of non-profitable revenue lines, we maintained consistent profitability throughout the year. Our EBITDA remained stable at Rs. 146 million in FY24 compared to Rs. 149 million in the previous year, while EBIT improved to Rs. 61.6 million, up from Rs. 55.2 million in FY23. Despite the dip in overall revenue, our focus on efficiency enabled us to deliver higher profits year-over-year.

I want to thank all our clients, the entire partner community, shareholders, board functionaries and every member of our wepsol family for their continued trust and support, enabling us to drive forward.

In compliance with the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and MCA circulars, the 29th Annual General Meeting ('AGM') of the Company is being held through VC / OAVM. The deemed venue for the AGM shall be the Registered Office of the Company.
3. In line with the applicable regulatory requirements, Notice of the AGM along with the Annual Report 2023-24 is being sent only through electronic mode to those Members whose e-mail addresses are registered with the Company/ Depositories/Registrar & Transfer Agent ('RTA'), unless any Member has requested for a physical copy of the same. The Notice of AGM and Annual Report 2023-24 are available on the Company's website at wepsol.com and may also be accessed from the relevant section of the website of the Stock Exchange i.e. BSE Limited at www.bseindia.com. The AGM Notice is also available on the website of NSDL at www.evoting.nsdl.com.

4. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form, Attendance Slip and route map of AGM are not annexed to this Notice.
5. **Norms for furnishing of PAN, KYC, Bank details and Nomination:** Pursuant to SEBI Circular no. SEBI/HO/MIRSD/MIRSDPoD1/P/ CIR/2023/37 dated March 16, 2023, issued in supersession of earlier circulars issued by SEBI bearing nos. SEBI/HO/ MIRSD/MIRSD RTAMB /P/CIR/2021/655 and SEBI/HO/MIRSD/ MIRSD RTAMB/ P/CIR/2021/687 dated November 3, 2021 and December 14, 2021, respectively, SEBI has mandated all listed companies to record PAN, Nomination, Contact details, Bank A/c details and Specimen signature for their corresponding folio numbers of holders of physical securities. The folios wherein any one of the cited documents/details is not available on or after October 1, 2023, shall be frozen by the RTA. The securities in the frozen folios shall be eligible:
 - To lodge any grievance or avail of any service, only after furnishing the complete documents / details as mentioned above
 - To receive any payment including dividend, interest or redemption amount (which would be only through electronic mode) only after they comply with the above stated requirements. The forms for updation of PAN, KYC, bank details and Nomination viz., Forms ISR-1, ISR-2, ISR-3, SH-13 is available in our website, wepsol.com . We urge Members holding shares in physical form to submit the required forms along with the supporting documents at the earliest. The Company has despatched a letter to the Members holding shares in physical form in relation to the above referred SEBI Circular. Members who hold shares in dematerialised form and wish to update their PAN, KYC, Bank details and Nomination, are requested to contact their respective DPs. Further, Members holding shares in physical form are requested to ensure that their PAN is linked to Aadhaar to avoid freezing of folios. Such frozen folios shall be referred by RTA/Company to the administering authority under the Benami Transactions (Prohibitions) Act, 1988 and/or Prevention of Money Laundering Act, 2002, after December 31, 2025.
6. In compliance with Section 108 of the Act, read with the corresponding rules, and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Listing Regulations"), the Company has provided a facility to its members to exercise their votes electronically through the electronic voting ("e-voting") facility provided by the National Securities Depository Limited (NSDL).
7. National Securities Depository Limited (NSDL) will be providing the facility for voting through remote e-voting, for participation in the AGM through VC/OAVM facility and e-voting during the AGM. The procedure for participating in the meeting through VC/OAVM is explained in this Notice. 8. Members of the Company under the category of Institutional Investors are encouraged to attend and vote at the AGM through VC/OAVM.
9. Corporate Members intending to send their authorized representatives to attend the Meeting pursuant to Section 113 of the Companies Act, 2013 are requested to send to the Company at its registered office or email at investor@wepsol.in, a certified true copy of the Board Resolution authorizing their representative to attend and vote on their behalf at the meeting at least 3 days before the AGM.
10. Members who have cast their votes by remote e-voting prior to the AGM may participate in the AGM but shall not be entitled to cast their votes again. The manner of voting remotely by members holding shares in dematerialized mode, physical mode and for members who have not registered their email addresses is provided in the instructions for e-voting section which forms part of this Notice.
11. The Members can join the AGM in the VC/OAVM mode 30 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Shareholders / Investors Grievance cum Share Transfer Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

12. The Board has appointed Vinay B L, Practicing Company Secretaries, as the Scrutinizer to scrutinize the e-voting in a fair and transparent manner.
13. The e-voting period commences on Monday, 16th September, 2024 (9:00 a.m. IST) and ends on Wednesday, 18th September, 2024(5:00 p.m. IST). During this period, members holding shares either in physical or dematerialized form, as on cut-off date, i.e. as on Thursday, 12th September, 2024 may cast their votes electronically. The e-voting module will be disabled by NSDL for voting thereafter. A member will not be allowed to vote again on any resolution on which vote has already been cast. The voting rights of members shall be proportionate to their share of the paid-up equity share capital of the Company as on the cut-off date, i.e. as on Thursday, 12th September, 2024.
14. Any person who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date, may obtain the login ID and password by sending a request at evoting@nsdl.co.in. However, if he / she is already registered with NSDL for remote e-voting then he / she can use his / her existing user ID and password for casting the vote.
15. The register of members will remain closed from Friday, 13th September, 2024 to Thursday, 19th September, 2024 (Both days inclusive).
16. The Scrutinizer shall after the conclusion of e-Voting at the 29th AGM, first download the votes cast at the AGM and thereafter unblock the votes cast through remote e-Voting system and shall make a consolidated Scrutinizer's Report.
17. The Scrutinizer will submit the report to the Chairman of the Company ('the Chairman') or to any other person authorized by the Chairman. Results of voting will be declared within 2 working days from the conclusion of AGM. The declared results along with the Scrutinizer's Report will be available forthwith on the website of the Company wepsol.com and on the website of NSDL. Such results will also be displayed on the Notice Board at the Registered Office of the Company as well and shall be forwarded to the BSE Limited.
18. Details as required in sub-regulation (3) of Regulation 36 of the SEBI Listing Regulations and Secretarial Standard on General Meeting (SS-2) of ICSI in respect of the Director seeking re-appointment at the Annual General Meeting, forms an integral part of the Notice.
19. M/s. Guru & Jana were appointed for the second term of five consecutive years from the conclusion of the 28th Annual General Meeting of the Company till the conclusion of 33rd Annual General Meeting to be held in the year 2028.
20. The Company is not having any unclaimed dividend amount to be transferred to Investor Education and Protection Fund (IEPF).
21. DIVIDEND: The dividend, as recommended by the Board of Directors, if approved at the Annual General Meeting, would be paid subject to deduction of tax at source, as may be applicable, to those persons or their mandates whose names appear as Beneficial Owners as on the record date i.e, Thursday, 12th September, 2024 in the list of Beneficial Owners to be furnished by National Securities Depository Limited and Central Depository Services (India) Limited.
22. ELECTRONIC CREDIT OF DIVIDEND: SEBI has made it mandatory for all companies to use the bank account details furnished by the Depositories and the bank account details maintained by the Registrar and Transfer Agent for payment of dividend to Members electronically. The Company has extended the facility of electronic credit of dividend directly to the respective bank accounts of the Member(s) through the Electronic Clearing Service (ECS) / National Electronic Clearing Service (NECS) / National Electronic Fund Transfer (NEFT) / Real Time Gross Settlement (RTGS) / Direct Credit, etc.
23. As directed by SEBI, the Members holding shares in physical form are requested to submit particulars of their bank account in Form ISR 1 along with the original cancelled cheque bearing the name of the Member to M/s. Cameo Corporate Services Limited (RTA) to update their bank account details. Members holding shares in

demat form are requested to update their bank account details with their respective Depository Participant ("DP"). The Company or RTA cannot act on any request received directly from the Members holding shares in demat form for any change of bank particulars. Such changes are to be intimated only to the Depository Participants of the Members.

24. Shareholders are requested to ensure that their bank account details in their respective demat accounts are updated, to enable the Company to provide timely credit of dividend in their bank accounts. In case, the Company is unable to pay dividend to any Member by the electronic mode, due to non-availability of the details of the bank account, the Company shall dispatch the dividend warrant/demand draft to such Member by post/courier.
25. TDS ON DIVIDEND: Pursuant to the Income-tax Act, 1961, as amended by the Finance Act, 2020, dividend income has become taxable in the hands of shareholders with effect from 1st April, 2020 and therefore, the Company shall be required to deduct tax at source (TDS) from dividend paid to shareholders at the prescribed rates. For the prescribed rates for various categories, shareholders are requested to refer to the Finance Act, 2022 and amendments thereof.
26. Shareholders are requested to update their Permanent Account Number ("PAN") with the Company / RTA (in case of shares held in physical mode) and depositories (in case of shares held in demat mode) before Thursday, 12th September, 2024.

1. Overview & Outlook

Global Scenario

Global economy scenario in the year 2023 was nothing short of a tale of resilience. The year started with the headwinds of geo-political tensions, continuing monetary policy tightening coupled with the threat of recession in major economies. Despite all these factors, the global economy grew by 2.6% according to the World bank.

The global economy is expected to grow at 3% in 2024 according to the World Economic outlook report released by the World bank. The growth is expected to be flat in the advanced economies as they continue to battle with high inflation while the emerging markets are expected to perform better. Growth in China is expected to slow down to 4.6 percent in 2024, mainly due to the protracted crisis in the property sector. Global inflation has eased from the peaks seen around the middle of 2022, but remains above target levels.

Indian Economy

Real GDP growth in India was a robust 7.6 per cent in FY 2023-24 (Second Advanced Estimate, Central Statistical Organisation), up from 7 per cent in FY 2022-23. The growth spurt in FY 2023-24 was driven by double digit growth of 10 per cent in capital formation (Capex) which, in turn, was led by high public sector capex. Inflation remained at 5.4 per cent in FY 2023-24, within the 6% upper limit of RBI's tolerance band. Core inflation declined in FY 2023-24 but rebounded in the last two months, mainly on account of services.

Economists and analysts are bullish about the Indian economy. Though the growth forecasts of FY 2024-25 are lower than that of FY 2023-24, the resilience shown by the economy in the current scenario is highly positive. India is expected to grow between 6.8% to 7% in the FY 2024-25. The rising private consumption driven by rising incomes of the middle class, robust investment activity again driven by the private investments and the resurgence of manufacturing sector on the back of Make in India and PLI schemes are the driving forces for our economy's consistent performance. The Services sector continues to be resilient and the Inflation has been within the range of RBI's tolerance. Despite the global headwinds and supply chain disruptions, India is poised for another year of resilient performance.

However, there are quite a few challenges in this growth story. The employment generation is not in line with the growth even as there is an increasing skills mismatch and gap concern. Income inequality is on the rise and still the exports are not competitive. India's exports shrunk by 3% in FY 24. The next few quarters will be very crucial for Indian economy as they will define the long term trajectory of India's growth story.

2. Business & Industry Overview

Wepsol is an Enterprise Services provider coupled with strong manufacturing capability of retail products and solutions. It has a strong Enterprise customer base, ranging from the MSME sector to the very large enterprise groups in the country. It also has a strong channel network for its products and services. As part of its Enterprise Services it provides Digital Services, Managed Printing Services and Infrastructure Managed Services to its customers. It also has strong partnerships with global technology leaders like Ricoh and Fujifilm and are Authorized National partners for their products and solutions.

Enterprise Business Solutions

Wepsol has a strong portfolio of Enterprise business solutions. These solutions are designed to improve workplace productivity of the enterprises. In today's dynamic landscape, work has evolved, and employees crave purpose and freedom in how they deliver work. Wepsol's fluidWorks suite of services helps optimize print and document infrastructure, automate processes end-to-end, manage assets effectively, and operate IT infrastructure smoothly. These are unique and specialized offerings for the varying needs of the Enterprise customers.

Partners business

Wepsol has been working tirelessly to bring a digital transformation in traditional retail business i.e. the local grocery and general store, small restaurants, bakery etc. Wepsol's endeavor has been to become a partner of these unorganized players by digitizing their supply chain, billing, payments through its retail products and services. Wepsol has also developed and launched a state of the art, device independent and highly functional billing software which will make a significant change in the way the retail industry will operate.

During the year, Wepsol signed a strategic relationship with Fujifilm India wherein it is appointed as its National Partner for Enterprise and Distribution for Fujifilm range of Office automation products. Wepsol is also a National distributor for Ricoh Products and Solutions in India.

3. Financial Performance

Revenue

Your company has two revenue segments: Enterprise Business and the Partners business.

The Enterprise business revenue improved to Rs.494Mn in FY 24 as against Rs.443Mn in FY 23, a growth of 11.6%. This primarily comprises of the managed printing services and the digital services. The company improved its revenues on the back of acquiring new customers and growth of its existing customers.

Revenue in the Partners business dipped from Rs.479mn in FY 23 to Rs.194Mn in FY 24. The Partners business has Retail Billing Solutions and Ricoh Products. During the year, supplies to a major dealer of Ricoh products in India was on bulk basis with very low margin was stopped. This resulted in a drop in overall revenues of Partner business. The revenue from the other products and customers remained flat at Rs.194Mn to Rs.202Mn.

Operating Profit

The company continued its trend of consistent profitability during the year. The Earnings before Interest, Depreciation and Tax (EBITDA) of the company remained at Rs.146Mn in FY 24 as against Rs.149Mn in FY 23. The EBIT improved from Rs.55.2Mn to Rs. 61.6Mn for the financial year ended March 2024. Despite the reduction in revenues your company delivered higher profits as compared to the previous year. Improvement in the margins for Enterprise business coupled with significant cost control measures helped the company improve its profitability. The overall improvement in operational efficiency helped the company to significantly improve its profitability during the year.

Net Working Capital

The operations of the company, particularly in the enterprise services business are working capital intensive as it has to maintain supplies of spare parts and consumables across India for meeting customer service commitments. Further, since the customers are usually large corporates, public sector banks etc, there are receivables for the products supplied and services rendered. The overall working capital cycle increased to 142 days in FY 24 from 111 days in FY 23. The receivables days increased from 63 days to 92 days and the creditors days increased from 43 days in FY 23 to 99 days in FY 24. The inventory days also increased from 90 days to 149 days during the year. One of the main reasons for the increase in the cycle is due to increase in the inventory of Ricoh products where the working capital deployment is comparatively higher. The company's Operating cash flow improved significantly from Rs.100Mn in FY 23 to Rs. 143Mn in FY 24.

	FY 2023-24	FY 2022-23
Debtors Turnover Ratio	4.12	6.30
Inventory Turnover Ratio (on Cost of Goods sold)	2.26	4.10
Interest Coverage Ratio	14.22	7.30
Current Ratio	2.07	2.07
Debt Equity Ratio	0.22	0.09
Operating Margin Ratio	9.0%	6.0%
Net Profit Margin Ratio	5.6%	6.3%
Return on Net Worth	6.4%	10.1%

Notes

a) Interest Coverage ratio has improved during the year due to reduced interest outgo coupled with better profit.

b) The profitability ratios have improved significantly due to better profits during the year.

c) The Current Ratio improved on account of higher inventory, receivables and continued positive operating cash flows for the year.

4. Internal Control Systems and their adequacy.

The Company has in place adequate internal control systems commensurate with its size and nature of its operations. The IFC framework devised by the company have been designed to provide reasonable assurance with regard to recording and providing reliable financial and operational information, safeguarding Company's assets, promoting operational efficiencies and ensuring compliance with various statutory provisions.

During the year the company has appointed M/s JAA Associates, Chartered Accountants to oversee and carry out the internal audit of its activities. The Audit Committee reviews the adequacy of internal control systems, audit findings and suggestions. The Company's statutory auditors regularly interact with the Audit Committee to share their findings and the status of further improvement actions under implementation.

SWOT ANALYSIS

We appreciate the market realities, stiff competition faced by your company mostly from the unorganized and local service providers. And your Board acknowledges the following major **SWOT** analysis more specific to your company.

Strengths:

1. Large base on Enterprise Customers with long standing relationships and track record of consistent service delivery.
2. Direct relationship with major OEMs like Fujifilm and Ricoh, global enterprises, that can add to its fluidworks suite of offerings.
3. Ability to develop customized printing and billing solutions for various applications both on device and non-device based platforms.
4. Scalable infrastructure with pan India presence, wide geographical reach and strong operational expertise.
5. Long standing relationships with Customers and Technology partners.

Weaknesses:

1. Dependency on products manufactured by other OEM's for providing solutions in MPS business.
2. Inability to retain key resources and attract talent due to lack of substantial revenue growth.

Opportunities

1. Established customers and market for Ricoh products and solutions in India.
2. New and strong product range of Fujifilm, Japan.
3. Uniquely positioned to provide one stop source of Digital Services. Cross selling across the enterprise customers for its entire range of products and services.
4. Increasing number of customers looking for expert partners to manage their non-core needs vis a vis their core business.

Threats

1. Inability to attract talent in across functions due to ever increasing costs of high quality resources.
2. Significant revenues of the company are from the Banking, Financial Service and Insurance(BFSI) Segments. Any direct or indirect impact on the BFSI industry can impact the revenues of the company.
3. As the company is largely dependent on imports for its supply of printers, consumables and spares, rupee depreciation impacts the margin of the company significantly.

Risk Management Process

The company has an established sound risk management process which is overseen by the Audit Committee of the Board through a structured framework. Strategic, Operational and Business risks are identified and appropriate mitigating action plans are put in place by the company. They are reviewed periodically.

The following risks are identified as key risks by the company. The mitigating steps taken to counter them are also outlined below.

Revenue Concentration

The company has concentration of revenue coming in from industry segments like Banking, Financial services and Insurance. Further, a few customers also contribute to a fair share of the revenue for the company. Such concentration exposes the company to a risk inherent in that segment or for a particular customer.

Mitigants

We have adopted prudent norms based on which we monitor and prevent undesirable concentration in geography, industry or customer. The quest for diversified activities within the existing realm of overall management after due consideration of the advantages and disadvantages of each activity is consistent with company policy of increasing business volumes with minimum exposure to undue risks. Concentration of revenue from any particular segment of the industry is sought to be minimized over the long term by careful extension into other activities, particularly in areas the company has some basic advantage such as availability of land, technical or manpower resources.

Inventory Obsolescence Risk

The company needs to maintain printers for a period of more than 48 months. These models are constantly upgraded by the principal suppliers. However the company needs to maintain adequate stocks of spares and toners at all its customer locations in order to meet the customer requirements. These spares may or may not be used. This leads to a risk of us maintaining obsolete stocks. At times we are required to maintain inventory for demo equipments, replacement for repairs and normal distribution stocks. Your company faces the risk of obsolescence in the event of not being able to sell or deploy the above stocks.

Mitigants :

Your company is conscious of these risks and tracks and monitors its inventory at regular intervals to minimize obsolescence. Your company continuously monitors the stock levels of such items and ensures they are within the reasonable limits. Further, the company has an established policy framework to identify slow and non-moving stocks at an early stage.

Industry Risk

Your company is facing stiff competition from other players who are both organized large brand owners and unorganized local players. This competition forces the company to cut down its margins and reduce price for its products and services for both the existing customers and new potential customers.

Mitigants :

Your company has put in a focused approach towards monitoring all such competitive activities. Your company reviews its customer relationship strategy periodically and keeps providing innovative and new solutions. Your company is also focusing on moving up the value chain at the customer by providing Document Management solutions. Your company believes in providing value to the customers and has put in a dedicated team to manage the existing and new customers.

System Risks

These risks relate broadly to System capability, System reliability, Data integrity risks, coordinating and interfacing risks.

Mitigants:

IT department maintains repairs and upgrades the systems on a continuous basis with personnel who are trained in software and hardware. Password protection is provided at different levels to ensure data integrity. Licensed software is being used in the systems. The Company ensures "Data Security", by having access control / restrictions.

Independent Auditor's Report

To the Members of WeP Solutions Limited

Report on the Audit of Ind AS Financial Statements

Opinion

We have audited the accompanying financial statements of M/s WeP Solutions Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Ind AS financial statements.

Key Audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. However, we have no key audit matters to be communicated in this report.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the Directors Report along with the annexures, Corporate Social Responsibility Report and Corporate Governance Report (but does not include the financial statements and our auditor's report thereon) which we obtained prior to the date of this auditor's report, and the Chairman's statement, the Managing Directors Message, the Management Discussion and Analysis Report which is expected to be made available to us after that date.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Ind AS financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design,

implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism through the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or

when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - e. On the basis of the written representations received from the directors as on 31st March 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2024 from being appointed as a director in terms of Section 164(2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these Ind AS financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report;
 - g. In our opinion, the managerial remuneration for the year ended March 31, 2024 has been paid by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer note 29 to the Financial Statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. As stated in Note 36 to the financial statements, the Board of Directors of the Company has proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.
- vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

“Annexure A” to the Independent Auditors Report

In terms of the information and explanation sought by us and given by the company and the books and records examined by us in the normal course of audit and to the best of our knowledge and belief, we report the following:

- (i)
 - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
 - (B) The Company has maintained proper records showing full particulars of intangibles assets.
 - (b) All Property, Plant and Equipment were physically verified by the management in the previous year in accordance with a planned programmed of verifying them once in a year which is reasonable having regard to the size of the Company and the nature of its assets.
 - (c) There is no immovable property (other than properties where the Company is the lessee and the lease agreements are duly executed in favor of the lessee), held by the Company and accordingly, the requirement to report on clause 3(i)(c) of the Order is not applicable to the Company.
 - (d) The Company has not revalued any of its property, plant and equipment (including right-of use assets) and intangible assets during the year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year. In our opinion the coverage and the procedure of such verification by the management is appropriate. Discrepancies, if any of 10% or more in aggregate for each class of inventory were noticed on such physical verification and have been properly dealt with in the books of account.

(b) As disclosed in note 10 to the financial statements, the Company has been sanctioned/ renewed working capital limits in excess of Rs. five crores in aggregate from banks during the year on the basis of security of current assets of the Company. The quarterly returns/statements filed by the Company with such banks are in agreement with the books of accounts of the Company.

- (iii) The Company has not granted any loans, advances, investments, guarantees, secured or unsecured to companies, firms, Limited Liability partnerships or any other parties. Accordingly, the provisions of clause 3 (iii) (a) to (f) of the Order are not applicable to the Company and hence not commented upon.
- (iv) The company has not granted any loans, investments, guarantees, and securities covered under the provisions of section 185 and 186 of the Act. Accordingly, the provisions of clause 3 (iv) are not applicable to the Company and hence not commented upon.
- (v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Companies Act, 2013, related to the manufacture of printers, and are of the opinion that prima facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.
- (vii) (a) According to information and explanations given to us and on the basis of our examination of the books of accounts and records, the Company has been generally regular in depositing undisputed statutory dues including Income-Tax and any other statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2024 for a period of more than six months from the date on when they become payable.
- (b) According to information and explanations given to us, following are the dues of income tax, GST, sales-tax, wealth tax, service tax, custom duty, excise duty, value added tax and cess which have not been deposited on account of disputes with the related authorities.

Sl No	Name of the statute	Nature of the dues	Forum where dispute is pending	Financial year to which the matter pertains	Amount (Rs.)
1	Finance Act, 1994	Service Tax	CESTAT, Bengaluru	2010-11 to 2013-14	5,81,29,154
2	Goods and Service Tax Act, 2017	GST	JCCT, Bengaluru	2017-18	45,66,512

- (viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.
- (ix) (a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) The Company has not been declared a willful defaulter by any bank or financial institution or government or any government authority.
- (c) According to the information and explanations given to us, term loans were applied for the purpose for which the loans were obtained.
- (d) On an overall examination of the financial statements of the Company, funds raised on short term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) According to the information and explanations given to us, the Company does not have any subsidiaries, joint ventures, or associate companies. Accordingly, the provisions of clause 3 (ix)(e) of the order are not applicable.
- (f) According to the information and explanations given to us, the Company does not have any subsidiaries, joint ventures, or associate companies. Accordingly, the provisions of clause 3 (ix)(f) of the order are not applicable.

- (x) (a) The Company has not raised money by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
(b) The Company has not made any preferential allotment or private placement of shares /fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
(c) According to the information and explanations given to us by the management, there are no whistleblower complaints received by the Company during the year.
- (xii) In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause 3(xii) of the Order are applicable to the Company and hence not commented upon.
- (xiii) In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Financial Statements as required by the applicable Indian Accounting Standards.
- (xiv) (a) In our opinion and based on our examination, the company has an internal audit system commensurate with the size and nature of its business.
(b) We have considered the internal audit reports of the company issued till date, for the period under audit in determining the nature, timing and extent of our audit procedures.
- (xv) Based upon the audit procedures performed and the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him as stipulated u/s 192 of the Act. Accordingly, the provisions of clause (xv) of the Order are not applicable to the Company and hence not commented upon.
- (xvi) (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b), (c) and (d) of the Order is not applicable.
- (xvii) The Company has not incurred cash losses during the current year and immediately preceding year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios disclosed in note 37 to the financial statements, the ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions nothing has come to our attention, which causes us to believe that Company is not capable of meeting its liabilities, existing at the date of balance sheet, as and when they fall due within a period of one year from the balance sheet date.

We, further state that this is not an assurance as to the future viability of the Company and our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) Section 135 of companies act is not applicable. Accordingly, reporting under clause 3(xx)(a) to (b) of the Order is not applicable for the year.

“Annexure B” to the Independent Auditors Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **M/s. WeP Solutions Limited (“the Company”)**, as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that:

- i. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- ii. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- iii. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Corporate Information

The Company is principally engaged in the business of providing Managed Printing Solutions and Services, Manufacturing and Distribution of Retail Billing Products as well as multi-functional printers and providing Digital Services like GST, etc. to both enterprise and retail customers, pan India. The Company is a public company domiciled in India and is incorporated under the provisions of the Companies Act 1956. Its shares are listed on the Bombay Stock Exchange and the registered office of the Company is located at 40/1A, Basappa Complex, Lavelle Road, Bengaluru - 560001.

The financial statements are approved for issue by the Company's Board of Directors on 25th May 2024

1. Material accounting policy information to the Financial Statements for the year ended March 31, 2024

A. Material accounting policies

The material accounting policies applied by the Company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements, unless otherwise indicated.

A.1. Statement of Compliance

These financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time. WeP Digital Services Limited, a wholly owned subsidiary of the company, was amalgamated with the company with the Appointed date as 1st April 2021 in terms of scheme of arrangement framed under sections 230 and 232 of the Companies Act, 2013. The financial statements have been prepared in accordance with the scheme of arrangement and in accordance with the accounting standards. The amalgamation has been given effect to in the books of accounts as per appendix C of Ind AS-103 governing Business Combinations.

A.2. Basis of preparation

These financial statements have been prepared in Indian Rupees (₹) which is the functional currency of the company.

These financial statements have been prepared on historical cost basis, except for certain financial instruments which are measured at fair value or amortised cost at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods or services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle.

A.3. Use of Estimates

The preparation of these financial statements is in conformity with the recognition and measurement principles of Ind AS which requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities, disclosures of contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented.

The estimates and the underlying assumptions are reviewed on an ongoing basis. Changes in estimates are reflected in the financial statements in the period in which the changes are made.

Significant judgements and estimates relating to the carrying amounts of assets and liabilities include useful lives of property, plant and equipment and intangible assets, impairment of property, plant and equipment, intangible assets, provision for employee benefits and other provisions and recoverability of deferred tax assets.

A.4. Revenue Recognition

The Company earns revenue primarily from Managed Printing Solutions and Services, Manufacturing and Distribution of Retail Billing Products, trading in multifunctional printers and providing Digital Services like facilitation in filing of GST returns etc. to both enterprise and retail customers, pan India.

Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services.

- Contracts with customers are considered for revenue recognition only if (a) the contract having commercial substance is approved and the parties have committed to perform their respective obligations; (b) respective rights of

the parties with respect to goods or services to be transferred are identified; (c) the payment terms for goods or services to be transferred are clear and (d) it is probable that consideration would be collected in exchange for the goods or services that would be transferred to the customer. At the inception of the contract, either a transfer of distinct good or service to the customer or a series of distinct goods and services that are substantially the same and that have the same pattern of transfer to the customer are identified as performance obligation. Revenue is recognised when the performance obligation is satisfied by transferring the promised good or service to a customer and the customer obtains controls over it.

In the case of provision of services such as Managed return filing services, use of ASP-GST software, where performance obligation is satisfied over time, revenue is recognised over time by measuring the progress to complete satisfaction of that performance obligation. In respect of revenue from licenses, where the customer obtains a "right to use", the revenue is recognised at the point in time when the license is made available to the customer and is recognised over the access period.

Dividend income from investments is recognised when the shareholder's right to receive payment has been established. Interest income is recognised on a time proportion basis.

A.5. Inventories

Inventories are stated at lower of cost and net realizable value. Cost is determined using the weighted average method. Costs comprise direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the inventories to their present location and condition. Net realisable value is the price at which the inventories can be realised in the normal course of business, after allowing for the cost of conversion from their existing state to a finished condition and for the cost of selling and distribution.

Obsolete, slow moving and defective inventories are identified from time to time and where necessary, a provision is made for such inventories.

A.6. Property, plant and equipment

An item of property, plant and equipment is recognised as an asset if it is probable that future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. This recognition principle is applied to the costs incurred initially to acquire an item of property, plant and equipment and also to costs incurred subsequently to add to, replace part of, or service it. Borrowing cost directly attributable to the construction or production of qualifying assets are capitalised as a part of cost. All other repair and maintenance costs, including regular servicing, are recognised in the Statement of Profit and Loss, as and when incurred.

All property, plant and equipment are stated at cost of acquisition or construction, less accumulated depreciation and impairment loss, if any. Cost includes all direct costs and expenditures incurred to bring the asset to its working condition and location for its intended use. Capital Work-in-Progress is stated at cost, comprising of direct cost and related incidental expenditure. Assets that are not ready for use in the manner as intended by the Management are shown as Capital work in progress.

The gain or loss arising on disposal of an asset is determined as the difference between the sale proceeds and the carrying amount of the asset, and is recognised in the Statement of Profit and Loss.

A.7. Intangible assets

Software costs, both acquired and internally generated, are recognised as intangible assets only where they are clearly linked to long term economic benefits for the Company. They are amortized on a straight-line basis over their estimated useful lives. All other costs on software are expensed in the Statement of Profit and Loss as and when incurred.

Expenditure during development phase of internally generated software is recognized as intangible assets if all of the following conditions are met:

- i) completion of the development is technically feasible;
- ii) it is the intention to complete the intangible asset and use or sell it;
- iii) it is clear that the intangible asset will generate probable future economic benefits;
- iv) adequate technical, financial and other resources to complete the development and to use or sell the intangible asset are available; and
- v) it is possible to reliably measure the expenditure attributable to the intangible asset during its development.

Recognition of costs as an asset is ceased when the project is complete and available for its intended use, or if these criteria no longer apply.

Where development activities do not meet the conditions for recognition as an asset, any associated expenditure is treated as an expense in the period in which it is incurred.

A.8. Depreciation and amortization of property, plant and equipment and intangible assets

Depreciation or amortization is provided on the straight-line method over the useful lives of assets as estimated by the management. The estimated useful lives of assets are as follows:

Assets	Useful Life applied (In Years)
Computers	3.00
Furniture and Fixtures - Owned Premises	10.00
Furniture and Fixtures - Leased Premises	5.00
Office Equipment	5.00
Plant and Equipments including Electrical installations	4.00
Computer Peripherals - on Use and Pay	4.00
Vehicles	8.00
Air Conditioners	4.00
Moulds, Dies & Patterns	5.00
Building	30.00

Individual Assets costing less than Rs 5,000 are depreciated in full in the year of purchase. Depreciation for assets purchased / sold during the year is proportionately charged.

Intangible assets are amortized over their respective individual estimated useful lives as estimated by the management on a straight-line basis as follows:-

Asset	Amortization in Yrs
Computer Software – ERP Systems	4.00
Computer Software	2 to 3 years
Technical Know-how	5.00

A.9. Impairment of Assets

At each balance sheet date, the Company reviews the carrying amounts of its property, plant and equipment and intangible assets to determine whether there is any indication that the carrying amount of those assets may not be recoverable through continuing use.

If any such indication exists, the recoverable amount of the asset is reviewed in order to determine the extent of impairment loss, if any. Where the asset does not generate cash flows that are independent from other assets, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

Recoverable amount is the higher of the fair value, less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value, using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset, for which the estimates of future cash flows have not been adjusted. An impairment loss is recognised in the Statement of Profit and Loss as and when the carrying amount of an asset exceeds its recoverable amount.

Where an impairment loss subsequently reverses, the carrying amount of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised as income immediately.

A.10. Foreign Currency Transactions

Foreign currency transactions are recorded at the exchange rate prevailing on the date of transaction.

At the end of each reporting period, all monetary items denominated in foreign currencies are translated at the rates prevailing as at the balance sheet date. Non-monetary items that are measured in terms of historical cost in a foreign currency are not translated.

The exchange difference arising on account of the difference between the rates prevailing on the date of transaction and on the date of settlement, as also on translation of monetary items at the end of the year is recognized as income or expense, as the case may be, in the Statement of Profit and Loss for the year.

A.11. Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. Transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss, are immediately recognised in the Statement of Profit and Loss.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

a) Financial assets

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost, if these financial assets are held within a business model whose objective is to hold these assets, in order to collect contractual cash flows, and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Investment in subsidiaries / associates are accounted at cost.

Financial assets measured at fair value

Financial assets are measured at fair value through other comprehensive income, if these financial assets are held within a business model, whose objective is to hold these assets in order to collect contractual cash flows, or to sell these financial assets, and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets not measured at amortised cost, or at fair value through other comprehensive income, are carried at fair value through profit or loss.

Impairment of financial assets

The Company assesses, on a forward looking basis, the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables, the Company has applied the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables with effect from April 1, 2017.

Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

b) Financial liabilities and equity instruments

Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity is recorded at the proceeds received, net of direct issue costs.

Financial Liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost, using the effective interest rate method.

Interest-bearing bank loans, overdrafts and issued debt are initially measured at fair value and are subsequently measured at amortised cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in accordance with the Company's accounting policy for borrowing costs.

Derecognition of financial liabilities

The Company derecognises financial liabilities when the Company's obligations are discharged, cancelled or they expire.

A.12. Employee Benefits

i. Short Term Employee Benefits

Short Term Employees Benefits are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related services is rendered.

ii. Other long-term employee benefit obligations

Leave Encashment: Liability in respect of leave encashment as at the balance sheet date is determined based on actuarial valuation, by using the Projected Unit Credit Method and gains/losses for the year are recognized immediately in the Statement of Profit and Loss.

iii. Post Employment Benefits

Provident Fund: The Company contributes monthly at a determined rate. These contributions are remitted to the Employee Provident Fund Commissioner office and are charged to the Statement of Profit and Loss on accrual basis.

Gratuity: The Company provides for gratuity (a defined benefit retirement plan) to all the eligible employees. The benefit is in the form of lumpsum payments to vested employees on retirement, on death while in employment, or termination of employment for an amount equivalent to 15 days' salary, payable for each completed year of service. Vesting occurs on completion of five years of service. Liability in respect of gratuity as at the balance sheet date is determined on the basis of actuarial valuation, using the Projected Unit Credit Method. Re-measurement gains and losses of the net defined benefit liability/ (asset) are recognised immediately in other comprehensive income. The service cost, net interest on the net defined benefit liability/ (asset) is treated as a net expense within employment costs and are recognized immediately in the Statement of Profit and Loss.

iv. Employee Stock Options

All employee services received in exchange for the grant of any share based remuneration are measured at their fair values. These are indirectly determined by reference to the fair value of the share options awarded. Their value is appraised at the grant date and excludes the impact of any non-market vesting conditions (for example, profitability and sales growth targets).

All share-based remuneration is ultimately recognised as an expense in the Statement of Profit and Loss, with a corresponding credit to Employee Stock Compensation Reserve. If vesting periods or other vesting conditions apply, the expense is allocated over the vesting period, based on the best available estimate of the number of share options expected to vest. Non-market vesting conditions are included in assumptions about the number of options that are expected to become exercisable. Estimates are subsequently revised, if there is any indication that the number of share options expected to vest differs from previous estimates. Once vested, no adjustment is made to expense recognised in prior periods if, ultimately, fewer share options are exercised than originally estimated. Upon exercise of share options, the proceeds received (net of any directly attributable transaction costs) up to the nominal value of the shares issued are allocated to share capital with any excess being recorded as Securities Premium.

A.13. Borrowing Costs

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of those assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for intended use. All other borrowing costs are recognised as an expense in the Statement of Profit and Loss in the period in which they are incurred.

A.14. Earning Per Share

In accordance with the Ind AS 33 "Earnings Per Share", basic / diluted earnings per share is computed by taking the weighted average number of shares outstanding during the year.

A.15. Taxation

Tax expense for the year comprises of current tax and deferred tax.

The tax currently payable is based on the taxable profit for the year. Taxable profit differs from net profit, as reported in the Statement of Profit and Loss, because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Company's liability for current tax is calculated using tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences. In contrast, deferred tax assets for all deductible temporary differences and unused tax losses are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised.

Deferred tax assets are reviewed at each balance sheet date for the appropriateness of their respective carrying values.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax are recognised as an expense or income in the Statement of Profit and Loss, except when they relate to items credited or debited either in other comprehensive income or directly in equity, in which case the tax is also recognised in other comprehensive income or directly in equity.

Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax during the specified period. Accordingly, MAT entitlement is recognised as an asset in the Balance Sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with it will fructify. Such asset is reviewed at each balance sheet date and the carrying amount of MAT credit asset is written down to the extent there is no longer a convincing evidence for the effect that the company will pay normal income tax during the specified period.

A.16. Warranty Cost

The Company accrues the estimated cost of warranties at the time when the revenue is recognised. The accruals are based on the Company's historical experience of material usage and service delivery cost.

A.17. Provisions

Provisions are recognized in the balance sheet when the Company has a present obligation (legal or constructive) as a result of a past event, which is expected to result in an outflow of resources embodying economic benefits which can be reliably estimated. Each provision is based on the best estimate of the expenditure required to settle the present obligation at the balance sheet date. When appropriate, provisions are measured on a discounted basis.

Constructive obligation is an obligation that derives from a Company's actions where:

- (a) by an established pattern of past practice, published policies or a sufficiently specific current statement, the Company has indicated to other parties that it will accept certain responsibilities; and
- (b) as a result, the Company has created a valid expectation on the part of those other parties that it will discharge those responsibilities.

A.18. Leases

The Company's lease asset classes primarily consist of leases for land and buildings. The Company, at the inception of a contract, assesses whether the contract is a lease or not lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a time in exchange for a consideration. This policy has been applied to contracts existing and entered into on or after April 1, 2019.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's long term borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero. The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets (assets of less than INR 5,000 in value). The Company recognises the lease payments associated with these leases as an expense over the lease term.

A.19. Cash and Cash Equivalents

Cash and cash equivalents include cash in hand, demand deposits with bank, and other short term highly liquid investments, with original maturities of 3 months or less.

Cash flow Statement:- Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. Cash flows from operating, investing and financing activities are segregated.

Note 28 : Warranty

The Company generally offers 3 months to 12 months warranties for its products. Management estimates the related provision for future warranty claims based on historical warranty claim information, as well as recent trends that might suggest that past cost information may differ from future claims. Provision is made for estimated warranty claims in respect of products sold which are still under warranty at the end of the reporting period. The Company has taken a specific contract where in addition to the regular warranty support, the Company has to replace the product during the life of the contract. Accordingly, an additional sum has been provided during the current year for the replacement warranty.

Note 32 : Financial Instruments

This section gives an overview of the significance of financial instruments for the Company and provides additional information on balance sheet terms that contain financial instruments.

The details of significant accounting policies, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised, in respect of each class of financial asset, financial liability and equity instrument is disclosed in Note 1 to the financial statements.

(i) Classification of Financial Assets and Liabilities

All financial assets and financial liabilities are valued at amortised cost.

(ii) Fair Value Hierarchy

There are no financial assets or liabilities of the Company, which, after their initial recognition, have been fair valued either during the year or in the previous year.

(iii) Financial Risk Management Policies and Objectives

The Company, in the course of its business, is exposed to a variety of financial risks, viz., market risk, credit risk and liquidity risk which can adversely impact the financial performance. The Company's endeavour is to foresee the unpredictability of financial markets and seek to minimise potential adverse effects on its financial performance. The Company has a risk management policy that not only covers the foreign exchange risk but also other risks such as interest rate risk and credit risk which are associated with financial assets and liabilities.

A. Market Risk

Market risk is the risk of any loss in future earnings, in realisable fair values or in future cash flows that may result from a change in the value of financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity price fluctuations, liquidity and other market changes. Future specific market movements cannot be normally predicted with reasonable accuracy.

B. Foreign currency exchange rate risk:

The fluctuations in foreign currency exchange rate may have a potential impact on the statement of profit and loss and equity. This arises from transactions entered in foreign currency and assets/liabilities which are denominated in a currency other than the functional currency of the Company.

The Company imports raw materials, traded goods, consumables etc and such transactions are denominated in US Dollars. The Company does not take major exposure in any other foreign currency. The Company also exports goods which are billed in US dollars. The Company has a hedging policy approved and reviewed by the Board of Directors to mitigate its risks. As part of the hedging policy, the Company concludes forward contracts at regular intervals to mitigate the risk. Details of foreign currency exposure in USD are as follows:

	Rs in Lakhs	
Particulars	As at March 31, 2024	As at March 31, 2023
Trade Payables (Amount in INR)	38.22	110.67
Trade Payables (Amount in USD)	0.46	1.35
Trade Receivables (Amount in INR)	-	1.98
Trade Receivables (Amount in Euro)	-	0.02

C. Credit risk

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk covers both the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks. Trade receivables constitute the financial instruments that are exposed to credit risk. The Company's policy is to deal only with creditworthy counterparts. The Company management considers that all the financial assets that are not impaired for each of the reporting dates under review are of good credit quality, including those that are past due. None of the Company financial assets are secured by collateral or other credit enhancements.

The Company's exposure to credit risk is limited to the carrying amount of financial assets recognised at the balance sheet date.

Note 33: Capital Management

The Company's capital management is intended to maximise the return to shareholders for meeting the long-term and short-term goals of the Company through the optimization of the debt and equity balance.

The Company determines the amount of capital required on the basis of annual and long-term operating plans and strategic investment plans. The funding requirements are met through equity and long-term/short-term borrowings. The Company monitors the capital structure on the basis of Net debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

For the purpose of capital management, capital includes issued equity capital, securities premium and all other reserves attributable to the equity shareholders of the Company. Net debt includes all long and short-term borrowings as reduced by cash and cash equivalents.
