| beams and reasons for restructuring                          | DE IMES OF THE SCHEME.   |  |  |  |
|  | The Scheme provides for reduction & consolidation of Share Capital of the Company under Section 66 and other applicable provisions of the Companies Act, 2013 ("Act").   |  |  |  |
|  | <b>REASON FOR RESTRUCTURING:</b>   |  |  |  |
|  | <b>a)</b> The reduction of share capital would cause<br>the balance sheet to bring in true and fair<br>representation of the Company by the available<br>assets of the Company and reflect the rea<br>financial position of the Company.   |  |  |  |
|  | <b>b)</b> The reduction of share capital does not involve any cash outflow as the face value of the shares is being reduced from Rs.10 to Rs.5 per share, which will be used to offset the accumulated losses, thereby improving the company's balance sheet.  |  |  |  |
|  | c) The reduction of share capital will improve<br>the company's financial position by eliminating<br>accumulated losses, thereby positioning the<br>company for future growth. As the company's<br>financials improve, shareholders may benefit<br>from the improved financial health through<br>potential rewards such as dividends or capital<br>appreciation. |  |  |  |
|  | <b>d)</b> The scheme does not involve any conveyance<br>or transfer of any property and consequently,<br>the order of the Hon'ble NCLT of Ahmedabad<br>approving the scheme will not attract any stamp   |  |  |  |

|  | duty under the Gujarat Stamp Act or Indian<br>Stamp Act in this regard.   |
|--|---|
|  | e) The proposed scheme, if approved, would<br>not, in any manner, be prejudicial to the interest<br>of the members or creditors of the Company.<br>The Scheme will not affect the ability of the<br>Company to honour its commitments or pay its<br>debts. Accordingly, the proposed Scheme would<br>not, in any, way adversely affect the Company in<br>its ordinary course of business or its<br>shareholders or creditors. |
|  | <b>f)</b> The reduction and Consolidation thereafter of share capital will enable the Company to simplify its capital structure, resulting in a more efficient and manageable shareholding base, which is essential for positioning the Company for sustainable future growth.  |
| Quantitative and/ or qualitative effect of | Quantitatively, Prior to the reduction, the   |
| restructuring;                             | Company has <b>30,00,900 equity shares</b> with a   |
|  | face value of Rs.10 each, totalling a <b>paid-up share capital</b> of Rs.3,00,09,000. Under the   |
|  | proposed reduction scheme, the face value of  |
|  | each share will be reduced to Rs.5, resulting in  |
|  | the same number of shares, i.e., <b>30</b> , <b>00,900</b>  |
|  | equity shares, but a reduced paid-up share capital of Rs.1,50,04,500. This reduction of   |
|  | Rs.1.50 crore in paid-up share capital will be  |
|  | utilized to offset accumulated losses and bring   |
|  | the Company's capital structure in line with its  |
|  | current financial position.   |
|  | Qualitatively. The restructuring will improve   |
|  | the Company's financial transparency by   |
|  | eliminating accumulated losses, providing a   |
|  | more accurate reflection of its financial position.   |
|  | This will enhance investor confidence, position the Company for future growth, and create   |
|  | opportunities for higher shareholder value  |

The statement has been prepared by company pursuant to regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

The statement is the responsibility of the company's management and has been approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Ind AS 34 "Interim Financial Reporting (Ind As 34), prescribed under section 133 of the companies act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the statement based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the ICAI. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of Interim Financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an Audit. Accordingly, we do not express an Audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind As') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
