With reference to the above-captioned subject, we wish to inform you that, Resgen has entered into a Business Agreement with BNZ Green Technologies Private Limited ("BNZ Green"). The Key highlights of this partnership are as follows:

1. Exclusive License to BNZ X Platform: ResGen has been granted exclusive rights to use BNZ Green's proprietary platform, BNZ X, a digital marketplace for climate commodities, including carbon credits, International Renewable Energy Certificates (iREC), and EPR credits. This exclusivity ensures that ResGen is the sole partner leveraging this platform for EPR credit trading.
2. Collaborative Business Development: ResGen will spearhead the development and management of the EPR credit trading business with comprehensive technical and operational support from BNZ Green. This collaboration aims to enhance operational efficiency and drive market expansion in the EPR credit trading space.

This agreement represents a major milestone for ResGen in its mission to drive sustainability and circular economy initiatives. By tapping into the growing demand for EPR credits, this partnership is expected to unlock significant revenue potential, enhance operational efficiencies, and strengthen ResGen's leadership in the waste-to-value ecosystem.

ResGen Secures Exclusive Rights to BNZ X Platform, Setting a New Benchmark in EPR Credit Trading

Mumbai, 19th December 2024 – ResGen Limited (BSE - 543805), a pioneer in environmental solutions, has announced a landmark partnership with BNZ Green Technologies Private Limited, securing exclusive rights to the BNZ X platform for Extended Producer Responsibility (EPR) credit trading. This collaboration marks a significant leap forward in ResGen’s mission to drive sustainable growth while enabling companies to meet their EPR compliance obligations efficiently.

The agreement underscores ResGen’s leadership in the EPR market and solidifies its position as a key player in climate commodity trading. Through this partnership:

- **Exclusive License:** ResGen gains exclusive access to the BNZ X platform, a state-of-the-art digital marketplace for EPR credit trading, ensuring an unparalleled advantage in the sector.
- **Profit Sharing Model:** The partnership follows a 50-50 profit-sharing arrangement, aligning both parties’ interests in maximizing operational success.
- **Collaborative Development:** BNZ Green will provide technical and operational support, while ResGen will spearhead business development to scale the EPR trading segment.
- **Enhanced Capabilities:** This initiative strengthens ResGen’s capabilities in facilitating sustainable and transparent EPR credit trading for industries striving to meet regulatory compliance.

Mr. Karan Bora, Managing Director of ResGen Limited, remarked, “This partnership with BNZ Green signifies a pivotal step in our growth strategy. The exclusive license to the BNZ X platform allows us to deliver innovative, scalable, and compliant solutions for EPR credit trading, reinforcing our commitment to sustainability and innovation.”

The agreement also includes a one-time license fee and operational cost-sharing model, ensuring long-term financial sustainability and collaboration. ResGen is poised to leverage this exclusive arrangement to set new benchmarks in EPR trading and expand its footprint in the climate commodities market.

About ResGen Limited

ResGen Limited specializes in environmental solutions, including waste-to-oil recycling, and is a leading player in the EPR compliance ecosystem. With a focus on innovation and sustainability, ResGen empowers industries to achieve their environmental goals effectively.

About BNZ Green Technologies Private Limited

BNZ Green Technologies operates the BNZ X platform, a premier marketplace for climate commodities such as carbon credits, iRECs, and EPR credits. The company is dedicated to advancing sustainability through cutting-edge digital solutions.
