B. Industry Progress and outlook:

Our economy outlook is expected to grow at the rate of 6.9% this year. World Bank expects our economy to grow at 7.5% this fiscal year.

Uneven economic growth for key trade partners and an escalation of the ongoing Red Sea crisis can be a drag on exports. Unexpected events like the Baltimore accident etc are also expected to cause a negative impact on the supply chain of both export and import of goods. These events not only impact time lines on movement of goods but also result increased costs in certain trade lines, in particular to the European sub-continent.

Continued disinflation will support the purchasing power of consumers. This assumes a spell of normal monsoon in calendar 2024, which can lift agricultural growth and a gradual pick-up in private sector capex will make investment growth more broad-based and contribute to increased volume in EX-IM trade.

ANNEXURE A TO DIRECTORS' REPORT

As indicated in our last years report the changes and improvements made by our government vide the digital platforms for the EXIM trade is helping the process for the business community in reducing the transaction cost and time to the Industry.

The other Multimodal Logistics park identified in our state of Tamilnadu is also gaining momentum from drawing board to implementation stage. Land suitable for the same has been identified by the government in Coimbatore. A similar progress in the green field airport for Chennai is also progressing in the right direction. Governmental clearances are underway to kick start the project. This will give our state the much-needed support to the business community in meeting the, Just in Time, link to the manufacturers situated in and around Chennai.

The Tamil Nadu Governments Logistics policy which released recently will also add impetus to the business growth.

C. Financial Review

During this FY 2023-24, the revenue from operations was impacted as compared to FY 2022-23, mainly on account of closure of Container Freight operations and maintenance contract at Andarkuppam with a related party from September 2022. However, the company has identified new contracts and increased the volume in existing contracts which reduced the impact in 2023-24.

The direct operating expenses have declined marginally thus improving the contribution.

The Finance costs were down by 22% during the year on account of better management of working capital with controlled usage on cash credit facility.

Depreciation for the year has increased by Rs.61 lakhs, mostly on account of additions to operating fleet.

Administrative expenses are reduced by more than 100 Lakhs through various internal initiatives taken throughout the year.

D. Internal Control Systems and their adequacy

The company's internal control system has been developed taking into account the size of operations to make sure that it would provide for accurate recording of transactions which in turn provides for safe guarding of assets and for compliance to mandatory accounting standards.

Consequent to the implementation of Companies Act, 2013 (Act), the Company has complied with the specific requirements in terms of Section 134(5)(e) of the said Act calling for establishment and implementation of an Internal Financial Control framework that supports compliance with requirements of the Act in relation to the Directors' responsibility statement.

The Internal Auditor of the company carried out periodical verifications at all locations and all divisions as per the audit plan approved by Audit Committee. The observations are discussed with management and actions wherever required to strengthen the controls are taken. Significant observations are placed and discussed in Audit Committee every quarter.

Further, MD and CFO certification are provided in the Annual Report confirming the existence on adequacy of our internal financial control systems and procedures.

ANNEXURE A TO DIRECTORS' REPORT

E. Opportunities and Threats

We believe that our strengths includes

- Facilities to handle 7500 TEUs per month to handle Import Laden Container and 1000 TEUs per month to handle Export Laden Container.
- 9 acres of leasehold space dedicated for Maintenance & Repair service (International Standard M&R Licensed - IICL).
- Availability of sufficient number of operating equipments like Reach Stackers to handle the containers without delay.
- Professionally engineered yard for economical stacking and delivery.
- Warehouse space availability (bonded, general warehouse, export and import) 50,000 sq.ft inside our CFS comprising 13.83 acres.

Despite the above strengths, the company's business volume depends on the volume handled at Chennai port. Consequently, the revenues/profits of the company are difficult to predict. Risk factors includes global economic condition and domestic demand and supply.

F. Risk Management

The Risk Management Committee discusses with Heads of Divisions for assessment of risks and will put risk mitigation plans wherever required.

G. Human Resources

During the year under review, the total number of people on the rolls of the company is 150 and the company sustained harmonious and cordial relations all through the year.

H. Ratios

Particulars	31.03.2024	31.03.2023
Debtors Turnover ratio	3.98	4.38
Interest Coverage ratio	2.84	2.24
Current ratio	1.18	1.35
Debt equity ratio	0.11	0.07
Operating profit margin (%)	4.88%	6.19%
Net profit margin (%)	1.17%	1.28%
Return on net worth (%)	1.09%	1.30%

Reason :

The reason for change in ratio during this 2023-24 compared to 2022-23 by more than 25% is largely because of reduced profitability and revenue of the Company

ANNEXURE A TO DIRECTORS' REPORT

I. Cautionary note

Statements in this report disclose forward looking information that set our anticipated results based on the management's plans and assumptions to enable investors to fully appreciate our prospects and take informed investment decisions. The company cannot, of course, guarantee that these forward looking statements will be realized, although the company believes it has been prudent in its assumptions. Krishnaswami & Rajan , Chartered Accountants, the Statutory Auditors of Sanco Trans Limited (the 'Company'), have examined the compliance of conditions of Corporate Governance by the Company, for the year ended on 31 March 2024, as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C and D of Schedule V of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations") ('applicable criteria'). This report is required by the Company for annual submission to the Stock exchange and to be sent to the Shareholders of the Company

Management's Responsibility

2. The preparation of the Corporate Governance Report is the responsibility of the Management of the Company including the preparation and maintenance of all relevant supporting records and documents. This responsibility also includes the design, implementation, and maintenance of internal control relevant to the preparation and presentation of the Corporate Governance Report.
3. The Management along with the Board of Directors are also responsible for ensuring that the Company complies with the conditions of Corporate Governance as stipulated in the Listing Regulations, issued by the Securities and Exchange Board of India

Auditors' Responsibility

4. Our responsibility is to provide a reasonable assurance in the form of an opinion whether the Company has complied with the condition of Corporate Governance, as stipulated in the Listing Regulations.
5. We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of the Chartered Accountants of India (the 'ICAI'), the Standards on Auditing specified under section 143(10) of the Companies Act 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.
7. The procedures selected depend on the auditor's judgement, including the assessment of the risks associated in compliance of the Corporate Governance Report with the applicable criteria. The procedures include but not limited to verification of secretarial records and financial information of the Company and obtaining necessary representations and declarations from directors including independent directors of the Company.

ANNEXURE C TO DIRECTORS' REPORT

8. The procedures also include examining evidence supporting the particulars in the Corporate Governance Report on a test basis. Further, our scope of work under this report did not involve us performing audit tests for the purposes of expressing an opinion on the fairness or accuracy of any of the financial information or the financial statements of the Company taken as a whole.

Opinion

9. Based on the procedures performed by us as referred in paragraph 7 and 8 above and according to the information and explanations provided to us and the representations provided by the Management, we are of the opinion that the Company has complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C and D of Schedule V of the Listing Regulations during the year ended 31 March 2024.

Other Matters and Restriction on use

10. This Report is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.
11. This Report is addressed to and provided to the members of the Company solely for the purpose of enabling it to comply with its obligations under the Listing Regulations and should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care or for any other purpose or to any other party to whom it is shown or into whose hands it may come without our prior consent in writing. We have no responsibility to update this Report for events and circumstances occurring after the date of this Report

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF SANCO TRANS LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of SANCO TRANS LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash flows for the year then ended, and a summary of the material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended, ("Ind AS") and other Accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, the profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

A. Revenue Recognition

Reference may be made to Note:3.1 of material accounting policies, Note:21 and Note:44 to the financial statements of the Company.

Revenue recognition is inherently an area of audit risk, which we have substantially focused on mainly covering the aspects of cut off.

Considering the impact of Ind AS 115 and cut-off are key audit matters

INDEPENDENT AUDITOR'S REPORT

Principal Audit Procedures

Our audit procedures relating to revenue comprised of test of controls and substantive procedures including the following:

- i. We performed procedures to assess the design and internal controls established by the management and tested the operating effectiveness of relevant controls relating to the recognition of revenue.
- ii. Selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price. We carried out a combination of procedures involving enquiry and observation, reperformance and inspection of evidence in respect of operation of these controls.
- iii. We have tested, on a sample basis, whether specific revenue transactions around the reporting date has been recognised in the appropriate period by comparing the transactions selected with relevant underlying documentation, including goods delivery notes, customer acknowledgement/proof of acceptance and the terms of service.
- iv. We have also validated subsequent credit notes up to the date of this Report to ensure the appropriateness and accuracy of the revenue recognition.
- v. We tested journal entries on a sample basis to identify any unusual or irregular items.
- vi. We also considered the adequacy of the disclosures in Company's financial statements in relation to Ind AS 115 and were satisfied they meet the disclosure requirements.

Conclusion

Based on the procedures performed above, we did not find any material exceptions with regards to timing of revenue recognition and disclosure requirement of Ind AS 115 in the financial statements.

B. Impairment in Trade Receivables

Reference may be made to Note:7 to the financial statements of the Company.

The Company is exposed to potential risk of financial loss when there is the risk of default on receivables from the customers for which the Management would make specific provision against individual balances with reference to the recoverable amount. Such provision/allowance for credit losses is based on historical experience adjusted to reflect current and estimated future economic conditions.

For the purpose of impairment assessment, significant judgements and assumptions, including the credit risks of customers, the timing and amount of realization of these receivables, are required for the identification of impairment events and the determination of the impairment charge.

In view of the above, we identified allowance for credit losses as a key audit matter since significant judgement is exercised in calculating the expected credit losses/impairment charge.

INDEPENDENT AUDITOR'S REPORT

Principal Audit Procedures

We have performed the following procedures in relation to the recoverability of trade receivables and computing allowance for credit losses:

- Tested the effectiveness of the control over the methodology for computing the allowance for credit losses, including consideration of the economic conditions and completeness and accuracy of information used in the estimation of probability of default.
- Tested the accuracy of aging of trade receivables at year end on a sample basis.
- Obtained a list of outstanding receivables and identified any debtors with financial difficulty through discussion with management.
- Assessed the recoverability of the unsettled receivables on a sample basis through our evaluation of management's assessment with reference to the credit profile of the customers, historical payment pattern of customers, publicly available information and latest correspondence with customers and to consider if any additional provision should be made;
- Tested subsequent settlement of trade receivables after the balance sheet date on a sample basis.

Conclusion

Based on the above procedures we found the key judgements and assumptions used by management in the recoverability assessment of trade receivables to be supportable based on the available evidence and consequently are satisfied on the sufficiency of provisions/allowance for credit losses.

C. Contingent Liabilities related to claims against the company/Disputed demands

The Company is exposed to variety of different laws, regulations and interpretations thereof. Consequently, in the normal course of business, Provisions and Contingent Liabilities may arise from legal proceedings, constructive obligations and commercial claims.

- Management applies significant judgement when considering whether and how much to provide for the potential exposure of each matter.
- These estimates could change substantially over time as new facts emerge as each legal case or matters progresses.
- Given the different views possible, basis of interpretations, complexity and the magnitude of potential exposures, the judgement necessary to estimate the amount of provision required or determine required disclosures will be critical.

INDEPENDENT AUDITOR'S REPORT

Principal Audit Procedures

Our audit procedure included, but was not limited to the following:

- Obtained an understanding of the management process for:
 - i) Controls and identification of legal actions initiated in respect of claims and disputed amount against the company
 - ii) Assessment of accounting treatment for each such litigation identified and
 - iii) Measurement of amounts involved
- Obtained an understanding of the nature of litigations pending against the company and discussed the developments during the year for key litigations with the management
- Assessed management's conclusions through understanding precedents set in similar cases
- Evaluated the adequacy and completeness of disclosures made for their appropriateness in accordance with the applicable accounting standards

Conclusion:

Based on the above procedures we found that the estimation and assessment done by the management in determining the extent of possible future cash outflow to the company is reasonable and the same is disclosed in the financial statement in Note:39.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information in their report to members etc., The other information comprises the information included in the Annual report but does not include the financial statements and our report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements.

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding

INDEPENDENT AUDITOR'S REPORT

of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls systems in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to

INDEPENDENT AUDITOR'S REPORT

continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore, the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Companies Act, 2013, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in paragraph 2(B)(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - (c) The Balance Sheet, the Statement of Profit and Loss including other Comprehensive income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account.

INDEPENDENT AUDITOR'S REPORT

- (d) In our opinion, the aforesaid Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with the relevant rules issued thereunder.
- (e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) The modifications relating to the maintenance of accounts and other matters connected therewith are stated in paragraph 2(A)(b) above on reporting under Section 143(3)(b) and paragraph 2(B)(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- (g) With respect to the adequacy of the Internal Financial Controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure "A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Financial Statements.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended. In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanation given to us:
 - i. The Company has disclosed the impacts of pending litigations on its financial position in its financial statements (Ref Note No:39).
 - ii. The company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at March 31, 2024.
 - iii. There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that

INDEPENDENT AUDITOR'S REPORT

the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provided any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. (a) The dividend declared for the previous year and paid by the Company during the year is in accordance with Section 123 of the Act, to the extent it applies to payment of Dividend.
(b) As stated in Note: 32 to the financial statements, the Board of directors have proposed dividend for the financial year 2023-24, which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.
- vi. Based on our examination which included test checks, except for the instances mentioned below, the company has used an accounting software used for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the respective software:

The feature of recording audit trail (edit log) facility was not enabled to log any direct data changes for the accounting software used for maintaining the books of account relating to payroll and billing software for CFS division.

Further, for the periods where audit trail (edit log) facility was enabled and operated throughout the year for the respective accounting software, we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 01, 2023, reporting under Rule 11 (g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024

- 2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act we, give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

INDEPENDENT AUDITOR'S REPORT

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the Members of Sanco Trans Limited)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Controls with reference to Financial statement of **SANCO TRANS LIMITED ("the Company")** as of March 31,2024 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statement based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls with Reference to Financial Statements (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statement was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statement and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statement included obtaining an understanding of internal financial controls with reference to Financial Statement, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error

INDEPENDENT AUDITOR'S REPORT

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Financial Statement.

Meaning of Internal Financial Controls with reference to Financial Statement

A company's internal financial control with reference to Financial Statement is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over with reference to Financial Statement includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and disposition of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statement

Because of the inherent limitations of internal financial controls with reference to financial Statement, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statement to future periods are subject to the risk that the internal financial control with reference to Financial Statement may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to Financial statement and such internal financial controls with reference to financial controls system were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

INDEPENDENT AUDITOR'S REPORT

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of SANCO TRANS LIMITED ("the Company") for the year ended March 31, 2024)

1. In respect of the Company's Property, Plant and Equipment:
 - (a) (i) The company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use-assets
 - (ii) The company has maintained proper records showing full particulars of intangible assets.
 - (b) The Company has a program of verification to cover all the items of Property, Plant and Equipment and right-of-use assets in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the management during the year. According to the information and explanation given to us, no material discrepancies were noticed during the year on such verification.
 - (c) Based on our examination of the registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title in respect of immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favor of the lessee), disclosed in Note:1 of the financial statements under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date. In respect of Building constructed in 2015 on land earlier taken on lease and disclosed under Investment Property aggregating Rs. 2184.58 Lakhs (Refer Note:3), the same continues to be owned / in possession of / used by the company with the consent of the land owner.
 - (d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets during the year.

2.
 - (a) The management has conducted physical verification of inventory at reasonable intervals during the year. In our opinion the coverage and the procedure of such verification by the management is appropriate. Discrepancies of 10% or more in aggregate for each class of inventory were not noticed on such physical verification and have been properly dealt with in the books of account.
 - b) The Company has been sanctioned working capital limits in excess of rupees five crores, in aggregate, during the year, from banks on the basis of security of current assets. Based on the records examined by us in the normal course of audit of the financial statements, the returns / statements along with subsequent revisions filed by the Company with the banks are in agreement with the books of accounts of the Company.

Sanco Trans Limited

NOTES ANNEXED TO AND FORMING PART OF THE FINANCIAL STATEMENTS

A. CORPORATE INFORMATION

Sanco Trans Limited ("The Company") is a listed Public Company domiciled in India and is incorporated on October 12, 1979 under the provisions of the Companies Act, 1956. The company became a public limited company on July 07, 1987. The registered office is headquartered in Chennai, India.

The Company is principally engaged in providing specialised logistics services across multimodal transport operators and container freight station operations..

B. STATEMENT OF COMPLIANCE

The financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') as notified under the Section 133 of the Companies Act, 2013 (the Act) read with the Companies (Indian Accounting Standards) Rules, 2015. The presentation of the financial statements is based on the requirements of the Companies Act, 2013.

C. RECENT ACCOUNTING DEVELOPMENTS:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

The following Indian Accounting Standards have been modified on miscellaneous issues with effect from April 1, 2023. Such changes include clarification/ guidance on:

- (i) Ind AS 101 – First time adoption of Ind AS – Deferred tax assets and deferred tax liabilities to be recognized for all temporary differences associated with right-of-use assets, lease liabilities, decommissioning / restoration / similar liabilities.
- (ii) Ind AS 107 – Financial Instruments: Disclosures – Information about the measurement basis for financial instruments shall be disclosed as part of material accounting policy information.
- (iii) Ind AS 1 – Presentation of Financial Statements & Ind AS 34 – Interim Financial Reporting – Material accounting policy information (including focus on how an entity applied the requirements of Ind AS) shall be disclosed instead of significant accounting policies as part of financial statements.
- (iv) Ind AS 8 – Accounting policies, changes in accounting estimate and errors – Clarification on what constitutes an accounting estimate provided.
- (v) Ind AS 12 – Income Taxes – In case of a transaction which give rise to equal taxable and deductible temporary differences, the initial recognition exemption from deferred tax is no longer applicable and deferred tax liability & deferred tax asset shall be recognized on gross basis for such cases.

None of the above amendments had any material effect on the company's financial statements, except for disclosure of Material Accounting Policies instead of Significant Accounting Policies in the Financial Statements.

NOTES ANNEXED TO AND FORMING PART OF THE FINANCIAL STATEMENTS

D. BASIS OF PREPARATION AND PRESENTATION OF FINANCIAL STATEMENTS

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

The same accounting policies have been applied for all the periods presented except when the Company has made use of certain exceptions and/ or exemptions.

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/ or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- 1) Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- 2) Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- 3) Level 3 inputs are unobservable inputs for the asset or liability.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the schedule III to the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has determined its operating cycle as twelve months for the purpose of current – non-current classification of assets and liabilities.

The financial statements are presented in Indian Rupees (Rs.) and all values are rounded to the nearest lakhs, except where otherwise indicated.

The financial statements were approved for issue by the board of directors on May 30, 2024.

NOTES ANNEXED TO AND FORMING PART OF THE FINANCIAL STATEMENTS

E. MATERIAL ACCOUNTING POLICIES

a. Revenue Recognition:

Revenue from contracts with customers is recognised when control of the services are transferred to the customer or upon fulfilment of obligations at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those services and excludes amounts collected on behalf of third parties. When (or as) a performance obligation is satisfied, the company recognises revenue at transaction price that is allocated to performance obligation. Amounts disclosed as revenue are net of returns, trade allowances, Discounts, rebates and any indirect taxes. The Company recognises revenue when the amount of revenue can be reliably measured and it is probable that future economic benefit will flow to the entity based on specific criteria and for each of the company activities. Based on historical results, taking into consideration the type of customer and his historic payments, the type of transaction and the specifics of each arrangement. Income from Container is recognised on completion of the movement and delivery of goods to the party/designated place. Income from Ground Rent is recognised for the chargeable period the container is lying in the Container Freight Station. However, in case of long-standing containers, the income from Ground Rent is not accrued unless the collectability is assured. Income from goods lying in the container freight station auctioned by the customs department is recognised at the bid money, net of related expenses on clearance of goods from the yard.

Income from warehousing operations, equipments and fleet hire and other executed work at contracted rates.

Contract balances

Trade receivables / Unbilled Revenue represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

Contract liabilities

A contract liability is the obligation to transfer services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs the contract

Contract Cost

The Company pays incentives as a part of contract obligation, wherever applicable. The Company has elected to apply the practical expedient for costs to obtain a contract which allows the Company to immediately expense incentives because the amortization period of the asset that the Company otherwise would have used is one year or less. Costs to fulfil a contract i.e. freight, insurance and other selling expenses are recognized as an expense in the period in which related revenue is recognised.

b. Property, Plant and Equipment:

Property, Plant and equipment held for use in the supply of services, or for administrative purposes, are stated in the balance sheet at cost (net of eligible credit for duties and taxes) less accumulated depreciation and accumulated impairment losses, if any and inclusive of expenses attributable to bringing the asset to its working condition and also borrowing cost in respect of qualifying assets.

Sanco Trans Limited

NOTES ANNEXED TO AND FORMING PART OF THE FINANCIAL STATEMENTS

Costs of civil works (including electrification and fittings is capitalised.

Depreciation on Property, Plant and Equipment is recognised from the date the assets are ready for their intended use so as to write off the cost of the assets less their residual values over their useful lives using the straight-line method.

The useful life of assets is estimated by the Management based on technical assessment. Estimated useful life of assets different from those prescribed under Schedule II to the 2013 Act is as follows:

Class of Property, Plant and Equipment	Useful life
Building on lease property	lease term
Office vehicle	5

Depreciation on Property, Plant and Equipment which are added/disposed off during the year, is provided on pro-rata basis with reference to the date of addition/ deletion.

When significant parts of an item of property, plant and equipment have different useful lives they are accounted for as separate items (major components) of Property, Plant and Equipment.

Property, Plant and Equipment that are not ready for their intended use are carried at costs comprising direct costs and other incidental/attributionable expenses and are reflected under Capital work in progress.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

c. Investment Property:

Investment Properties are properties held to earn rentals and / or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost including transaction cost. Subsequent to initial recognition, Investment Properties are measured in accordance with Ind AS 16 requirements for cost model. An investment property is de-recognized upon disposal or when the investment property is permanently withdrawn from use and no future economic benefit are expected from the disposal or when there is a change in its use. Any gain or loss arising out of the de-recognition of the property is included in the profit / loss in the period in which the property is de-recognized.

The company classifies land or building as investment property when it is held to earn rentals or for capital appreciation rather than for use in the supply of services or for administrative purposes

Depreciation on investment property is recognised so as to write off the cost of the assets less their residual value over their useful lives using the straight line method

d. Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value other than trade receivables. Trade receivables are measured at their transaction price if the trade receivables do

NOTES ANNEXED TO AND FORMING PART OF THE FINANCIAL STATEMENTS

not contain a significant financing component. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss (FVTPL) are recognised immediately in profit or loss.

Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

Classification of financial assets:

Financial instruments that meet the following conditions are subsequently measured at amortised cost if the asset is held within a business model/structure whose objective is to hold assets in order to collect contractual cash flows; and the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments on principal and interest on the principal amount outstanding.

Financial instruments that meet the following conditions are subsequently measured at FVTOCI if the asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All other financial assets are subsequently measured at fair value.

Financial assets which are not classified in any of the above categories are measured at fair value at the end of each reporting period, with any gains or losses arising on re-measurement recognised in profit or loss.

Impairment of financial assets:

The Company applies expected credit loss model for recognising impairment loss on financial assets not designated as at FVTPL.

Expected credit losses are measured through a loss allowance at an amount equal to:

1. The 12 months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
2. Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

De-recognition of financial assets:

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to

Sanco Trans Limited

NOTES ANNEXED TO AND FORMING PART OF THE FINANCIAL STATEMENTS

pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Statement of profit and loss.

Effective interest method:

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest is the rate that exactly discounts estimated future cash receipts.

e. Provisions and Contingent Liabilities:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is management's best estimate of the consideration required to settle the present obligation at the end of the reporting period. When a provision is measured using the cash flows estimated to settle the present obligation its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent liability is disclosed in case of:

1. A present obligation arising out of past events, when it is not probable that there will be an outflow of resources that will be required to settle the obligation.
2. A present obligation arising from past events, when no reliable estimate is possible.
3. A possible obligation arising from past events, unless the probability of outflow of resources is remote.
4. Provisions, Contingent liabilities, Contingent assets and commitments are reviewed at each Balance sheet date.
5. Provision for litigation related obligation represents liabilities expected to materialise in respect of matters in appeal.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursements will be received and the amount of the receivable can be measured reliably.

f. Employee Benefits:

Short term employee obligations:

A liability is recognised for benefits accruing to employees in respect of salaries, wages, compensated absences, medical benefits and other short-term benefits in the period the related service is rendered, at the undiscounted amount of the benefits expected to be paid in exchange for that service.

NOTES ANNEXED TO AND FORMING PART OF THE FINANCIAL STATEMENTS

g. Leases:

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration

The Company as a lessee:

The Company's leased asset classes primarily consist of leases for land and buildings. The Company at inception of a contract assesses whether these a lease or not a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. This policy has been applied to contracts existing and entered into on or after April 01,2019.

The company recognises a right-of-use asset and lease liability at lease commencement date any lease payments made at or prior to the commencement date of the lease. The right – of –use asset is initially, measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made on or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using straight-line method from the commencement date to the end of lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate. It is remeasured when there is change in the future lease payments arising inter-alia from a change in the lease term, or if the change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset.

The Company has elected not to recognise right-of-use assets and lease liabilities for short term leases that have a lease term of 12 months or less and leases of low –value assets (assets of less than Rs.1,00,000 in value). The company recognises the lease payments associated with these leases as an expense over the lease term.

Depreciation on Right to Use Asset and impairment losses if any is recognised in Statement of Profit and Loss. Also, the company separately recognises interest on lease liability as a component of finance cost in Statement of Profit and Loss.

The Company as a lessor:

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the ROU asset arising from the head lease.

For operating leases, rental income is recognized on a straight-line basis over the term of the relevant lease

Sanco Trans Limited

F. OTHER ACCOUNTING POLICIES

a. Employee Benefits:

Post-employment obligations and termination benefits:

The company operates the following post-employment schemes-

- 1) Defined Contribution plan such as provident fund, superannuation fund and Employee State Insurance
- 2) Defined Benefit Plan such as gratuity and other retirement benefits.

Defined contribution plan

Payments to defined contribution plans i.e., Company's contribution to provident fund, superannuation fund, employee state insurance and other funds are determined under the relevant schemes and/ or statute and charged to the Statement of Profit and Loss in the period of incurrence when the services are rendered by the employees. The Company has no further payment obligations once the contributions have been paid.

Defined benefit plan

The cost of providing benefits under the defined benefit plan i.e. Gratuity (funded) and other retirement benefits is determined using the projected unit credit method with actuarial valuations being carried out at each balance sheet date, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measure each unit separately to build up the final obligation.

Defined benefit costs are comprised of

- 1) Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- 2) Net interest expense or income; and
- 3) Re-measurement.

Re-measurement of net defined benefit liability/asset is reflected immediately in the balance sheet with a charge or credit in other comprehensive income in the period in which they occur and is not reclassified to profit or loss.

A liability for termination benefits is recognised at the earlier of when the Company can no longer withdraw the offer of termination benefit or when the Company recognises any related restructuring costs.

b. Impairment of Assets:

Plant, Property and Equipment and intangible assets are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or Company's of assets (cash-generating units). Non-financial

Sanco Trans Limited

NOTES ANNEXED TO AND FORMING PART OF THE FINANCIAL STATEMENTS

assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

c. Revenue recognition – Other revenue streams:

Dividend

Dividend income from investments is recognised when the Company's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Interest Income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

d. Foreign currency transactions:

The Company's financial statements are presented in INR, which is also its functional currency. Transactions in currencies other than the entity's functional currency are translated using the exchange rates at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currency are retranslated at the rates prevailing at that date. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date are recognized as profit or loss in the period in which they arise.

e. Borrowing costs:

Borrowings costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Other borrowing costs are recognised as expense in the year in which it is incurred.

f. Income Taxes:

Income tax expense represents the sum of the tax currently payable and deferred tax. Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised directly in other comprehensive income or in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or in equity respectively.

Current tax:

Current tax is determined on taxable profits for the year chargeable to tax in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 including other applicable tax laws that have been enacted or substantively enacted.

NOTES ANNEXED TO AND FORMING PART OF THE FINANCIAL STATEMENTS

Deferred tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are recognised for all unused tax credits, deductible temporary differences and unused tax losses to the extent that it is probable that taxable profits will be available against which those unused tax credits, deductible temporary differences and unused losses can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current tax and deferred tax is recognised outside profit or loss if the tax relates to items that are recognised, in the same or a different period, outside profit or loss. Therefore, current tax and deferred tax that relates to items that are recognised, in the same or a different period:

1. In other comprehensive income, is recognised in other comprehensive income.
2. Directly in equity, is recognised directly in equity.

g. Intangible Assets:

Intangible assets are capitalised when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of the asset can be measured reliably. Intangible assets comprising software acquired are carried at cost less any accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, is recognised in profit or loss when the asset is derecognised.

h. Cash and Cash Equivalents:

Cash and Cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of

Sanco Trans Limited

NOTES ANNEXED TO AND FORMING PART OF THE FINANCIAL STATEMENTS

changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

i. Exceptional Items:

On certain occasions, the size, the type or incidence of an item of expense or income, pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, In that event such income or expense is classified as an exceptional item and accordingly disclosed in notes to the financial statements.

j. Financial Instruments:

Financial liabilities and equity instruments

Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company entity are recognised at the proceeds received, net of direct issue costs.

Financial liabilities:

All financial liabilities are subsequently measured at amortised cost using the effective interest rate method or at FVTPL.

Financial liabilities at FVTPL

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or it is designated as at FVTPL.

A financial liability is classified as held for trading if:

- 1) It has been incurred principally for the purpose of repurchasing it in the near term; or
- 2) on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking; or
- 3) It is a derivative that is not designated and effective as a hedging instrument.

A financial liability other than a financial liability held for trading, may be designated as at FVTPL upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise;

Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on re-measurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any interest paid on the financial liability and is included in the 'Other expense' line item.

Gains or losses on financial guarantee contracts issued by the Company that are designated by the Company as at FVTPL are recognised in profit or loss.

Financial liabilities subsequently measured at amortised cost:

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective

interest method. Interest expense that is not capitalised as part of costs of an asset is included in the "Finance Costs" line item.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument. Financial guarantee contracts issued by the Company are initially measured at their fair values and are subsequently measured (if not designated as at Fair value through profit or loss) at the higher of:

1. the amount of impairment loss allowance determined in accordance with requirements of Ind AS 109;
2. the amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of Ind AS 18.

De-recognition of financial liabilities:

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the Company) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

G. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY:

The preparation of financial statements in conformity with Ind AS requires the Company's Management to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities recognised in the financial statements that are not readily apparent from other sources. The judgments, estimates and associated assumptions are based on historical experience and other factors including estimation of effects of uncertain future events that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates (accounted on a prospective basis) and recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods of the revision affects both current and future periods.

The following are the critical judgments and estimations that have been made by the Management in the process of applying the Company's accounting policies and that have the most significant

Sanco Trans Limited

NOTES ANNEXED TO AND FORMING PART OF THE FINANCIAL STATEMENTS

effect on the amounts recognised in the financial statements and/or key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

a. Taxation

Determining of income tax liabilities using tax rates and tax laws that have been enacted or substantially enacted requires the Management to estimate the level of tax that will be payable based upon the Company's / expert's interpretation of applicable tax laws, relevant judicial pronouncements and an estimation of the likely outcome of any open tax assessments including litigations or closures thereof.

Deferred income tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, unabsorbed depreciation and unused tax credits could be utilized.

In respect of other taxes which are in disputes, the Management estimates the level of tax that will be payable based upon the Company's/ expert's interpretation of applicable tax laws, relevant judicial pronouncements and an estimation of the likely outcome of any open tax assessments including litigations or closures thereof.

b. Provisions against receivables

The Management makes judgement based on experience regarding the level of provision required to account for potentially uncollectible receivables using information available at the balance sheet date.

c. Useful life of Property, Plant and Equipment and Intangible assets

The assessment of the useful life of each asset by considering the historical experience and expectations regarding future operations and expected usage, estimated technical obsolescence, residual value, physical wear and tear and the operating environment in which the asset is located needs significant judgement by the management. In case of intangible assets the useful life is determined based on the period over which future economic benefit will flow to the Company.

d. Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to Company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The Company revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate.

e. Additions to ROU (Other than upon transition)	1.B	287.19	-
f. Lease commitments for short term leases		-	-
g. Lease liability outstanding		110.52	85.06

Lease terms are negotiated on an individual basis and contain a range of different terms and conditions. The lease agreements do not impose any covenants other than that the company cannot provide the leased premises as security for its borrowings etc, nor can it be subleased without the permission of the lessor.

The lease payment are discounted using the company's incremental borrowing rate @ 9% - 12.95% being the rate that the company would have to pay to borrow funds necessary to obtain an asset of similar value to ROU asset in a similar economic environment with similar terms, security and conditions.

The Company has taken assets on lease from Various lessors. In terms of the Ind As 116, the company has adopted 'modified retrospective approach' and has recognised the 'Right of Use'(ROU) asset as the present value of unpaid lease payments and depreciated the same considering the lease term.

46. Financial risk management objectives and policies

The Company's principal financial liabilities, comprise of loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company is exposed to market risk, credit risk, and liquidity risk. The Company's risk management is undertaken by the senior management.

(A) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk. Financial instruments affected by market risk include Long term borrowings, Advances and deposits.

(i) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (where revenue or expense is denominated in a foreign currency). The value of foreign currency exposed risk is not material.

Movement in the functional currencies of the various operations of the Company against major foreign currencies may impact the Company's revenues from its operations. The following table details the Company's sensitivity movement in the foreign currencies. The foreign exchange rate sensitivity is calculated for each currency by aggregation of the net foreign exchange rate exposure of a currency and a simultaneous parallel foreign exchange rates shift in the foreign exchange rates of each currency by 2%. This 2% represents management's assessment of the reasonably possible change in foreign exchange rates. The sensitivity of profit or loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments. In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

Currency impact	Year ended March 31, 2024		Year ended March 31, 2023	
	USD	EURO	USD	EURO
Profit/Loss	(92.22)		(29.85)	-
Equity	(92.22)		(29.85)	

Amounts in the above table are denominated in respective foreign currency

(ii) Interest rate risk

The Company is exposed to interest rate risk pertaining to funds borrowed at both fixed and floating interest rates. The risk is managed by the Company by maintaining an appropriate mix between fixed and floating rate borrowings.

The sensitivity analysis below has been determined based on the exposure to interest rates at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming that the amount of the liability as at the end of the reporting period was outstanding for the whole year. A 25 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents Management's assessment of the reasonably possible change in interest rates. If interest rates had been 25 basis points higher/ lower, the Company's profit for the year ended March 31, 2024 would decrease/ increase by Rs.0.21 lakhs (2023-24: decrease/ increase by Rs. 0.26 lakhs). This is mainly attributable to the Company's exposure to interest rates on its variable rate borrowings.

(iii) Other Price risk

There is no security price risk since there is only investments in an wholly owned subsidiary.

Sanco Trans Limited

NOTES ANNEXED TO AND FORMING PART OF THE FINANCIAL STATEMENTS

(B) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, resulting in a financial loss to the Company. Credit risk arises from outstanding trade receivables and from its financing activities, including deposits with banks and institutions and investments.

Customer credit risk is managed by each business unit/division based on the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored. The Company has customer base across diverse industries.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The Company makes an allowance for doubtful debts using expected credit loss model and on a case to case basis. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

(C) Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company's objective when managing capital are to ensure their ability to continue as going concern, so that they can leverage maximise returns for shareholders and benefits of other stakeholders; and to maintain an optimal capital structure to reduce cost of capital. Capital management and funding requirements is met through equity, internal accruals and long and short term debt instruments. The Company monitors capital management through gearing ratio which considers Debt (net of cash and cash equivalents) and equity.

Post Employment Obligations:

47.a. Defined Contribution plan

The Company has certain defined contribution plans. Contributions are made to provident fund in India for the employees at the rate of 12% of the basic salary as per regulations. The contributions are made to registered provident fund administered by the government. The obligation so the company is restricted to the amount contributed and it has no further contractual or constructive obligation. The expense recognised during the period towards defined contribution plans Rs. 56.32 (FY 2022-23 Rs. 55.85 lakhs).

47.b. Defined benefit plans

Gratuity -

In respect of Gratuity plan, the most recent actuarial valuation of the plan assets and present value of the defined benefit obligation were carried out as at March 31, 2024. The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit credit method. The following table sets forth the status of Gratuity Plan of the Company and the amount recognised in the Balance Sheet and the Statement of Profit and Loss. The Company provides the Gratuity Plan of the Company and the amount recognised in the Balance Sheet and Statement of Profit and Loss. The Company provide the gratuity benefit through annual contributions to a fund managed by the Life Insurance Corporation of India (LIC). The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service.

The Company is exposed to various risks in providing the above gratuity benefit which are follows:

Risk	Particulars
Interest Rate Risk	The Plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in value of the liability (as shown in the financial statements)
Investment Risk	The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.
Salary Escalation Risk	The present value of defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine present value of obligation will have bearing on the plan's liability.
Longevity Risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

8. Electronic copy of the Annual Report and the Notice of the AGM inter-alia indicating the process and manner of e-Voting are being sent to all the Members whose e-mail IDs are registered with the Company / DPs for communication purposes in compliance with the above-mentioned circulars.
9. The Register of Members and Share Transfer Books of the Company will be closed from 03.09.2024 to 09.09.2024 (both days inclusive).
10. The Company has appointed M/s. Cameo Corporate Services Limited, having its office at Subramanian Building, No. 1, Club House Road, Anna Salai, Chennai 600 002, Telephone No. 044-28460390 (6 Lines) as Registrar and Share Transfer Agent. Shareholders are requested to send all requests for dematerialisation of shares, change in address, etc. to the company's Registrar and Transfer Agent. Shareholders are requested to submit their PAN to the Depository Participant(s) (DP) with whom they are maintaining their demat accounts. Shareholders are requested to intimate all changes pertaining to their bank details such as bank account number, name of the bank and branch details, MICR code and IFSC Code, Mandates, Nominations, Power of Attorney, Change of Address / Name / e-mail Address / Contact Numbers, etc., to their DP.
11. Members may note that the Income-tax Act, 1961, ("the IT Act") as amended by the Finance Act, 2020, mandates that dividends paid or distributed by a company after April 1, 2020 shall be taxable in the hands of members. The Company shall therefore be required to deduct tax at source ("TDS") at the time of making the payment of final dividend. In order to enable us to determine the appropriate TDS rate as applicable, members are requested to submit relevant documents, as specified in the below paragraphs, in accordance with the provisions of the IT Act.

For resident shareholders, taxes shall be deducted at source under Section 194 of the IT Act as follows:

Members having valid Permanent Account Number ("PAN"):
10% or as notified by the Government of India

Sanco Trans Limited

NOTICE TO SHAREHOLDERS

Members not having PAN/valid PAN:
20% or as notified by the Government of India

However, no tax shall be deducted on the dividend payable to a resident individual if the total dividend to be received by them during fiscal 2022 does not exceed ₹ 5,000 and also in cases where members provide Form 15G/Form 15H (Form 15H is applicable to individuals aged 60 years or more) subject to conditions specified in the IT Act. Resident shareholders may also submit any other document as prescribed under the IT Act to claim a lower / nil withholding tax. PAN is mandatory for members providing Form 15G/15H or any other document as mentioned above.

For non-resident shareholders, taxes are required to be withheld in accordance with the provisions of Section 195 and other applicable sections of the IT Act, at the rates in force. The withholding tax shall be at the rate of 20% (plus applicable surcharge and cess) or as notified by the Government of India on the amount of dividend payable. However, as per Section 90 of the IT Act, non-resident shareholders have the option to be governed by the provisions of the Double Tax Avoidance Agreement (“DTAA”), read with Multilateral Instrument (“MLI”) between India and the country of tax residence of the member, if they are more beneficial to them. For this purpose, i.e. to avail the benefits under the DTAA read with MLI, non-resident shareholders will have to provide the following:

- Copy of the PAN card allotted by the Indian income tax authorities duly attested by the member or details as prescribed under rule 37BC of Income-tax Rules, 1962
- Copy of Tax Residency Certificate for fiscal 2022 obtained from the revenue authorities of the country of tax residence, duly attested by member
- Self-declaration in Form 10F
- Self-declaration by the member of having no permanent establishment in India in accordance with the applicable tax treaty
- Self-declaration of beneficial ownership by the non-resident shareholder
- Any other documents as prescribed under the IT Act for lower withholding of taxes if applicable, duly attested by the member.

In case of Foreign Institutional Investors / Foreign Portfolio Investors, tax will be deducted under Section 196D of the IT Act @ 20% (plus applicable surcharge and cess) or the rate provided in relevant DTAA, read with MLI, whichever is more beneficial, subject to the submission of the above documents.

The aforementioned documents are required to be sent to shareholder@sancotrans.com on or before August 15, 2024. Shareholders may write to shareholder@sancotrans.com for any clarifications on this subject.

NOTICE TO SHAREHOLDERS

12. The listing fee to BSE Limited has been paid upto 31.03.2025.
13. Details under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 in respect of the Director seeking re-appointment at the Annual General Meeting, forms integral part of the notice. The Director has furnished the requisite declaration for his re-appointment.
14. The requirement to place the matter relating to appointment of Statutory Auditors for ratification by members at every Annual General Meeting is done away with vide Ministry of Corporate Affairs notification dated May 07, 2018. Accordingly, no resolution is proposed for ratification of appointment of Statutory Auditors who were appointed in the 42nd Annual General Meeting held on September 26, 2022 and hold office till the conclusion of the Forty Seventh Annual General Meeting of the Company.
15. Pursuant to Investor Education and Protection Fund (Uploading of Information regarding unpaid and unclaimed amount lying with Companies) Rules, 2012, the Company has provided/hosted the required details of unclaimed amounts as on last Annual General Meeting i.e. 25.09.2023 on its website and also in the website of the Ministry of Corporate Affairs (MCA) in the relevant form every year. Members who have not encashed their Dividend Warrants in respect of the above period(s) are requested to make their claim(s) by surrendering the unencashed Dividend Warrants to the Company.

Attention of the members is drawn to the provisions of Section 124(6) of the Act which require a company to transfer in the name of IEPF Authority all shares in respect of which dividend has not been paid or claimed for 7 (seven) consecutive years or more.

In accordance with the aforesaid provision of the Act read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended, the Company has transferred all shares in respect of which dividend declared for the financial year 2014-15 or earlier financial years has not been paid or claimed by the members for 7 (seven) consecutive years or more.

16. The Board of Directors has recommended Rs. 1.50 per share of Rs. 10/- each dividend for the financial year ended March 31, 2024.
17. Instructions for shareholders attending AGM through VC/OAVM and Voting through electronic means:

NOTICE TO SHAREHOLDERS

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

(i) The voting period begins on 06.09.2024 (09.00 A.M IST) and ends on 08.09.2024 (05.00 P.M IST). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 02.09.2024 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

(ii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
