## Q3 & 9MFY25 Operational & Financial Performance

#### **Management Commentary**

Deepak Jain Chairman & Managing Director

#### Commenting on the Q3 & 9MFY25 performance of the company Mr. Deepak Jain, Chairman & Managing Director for Lumax Industries Limited said,

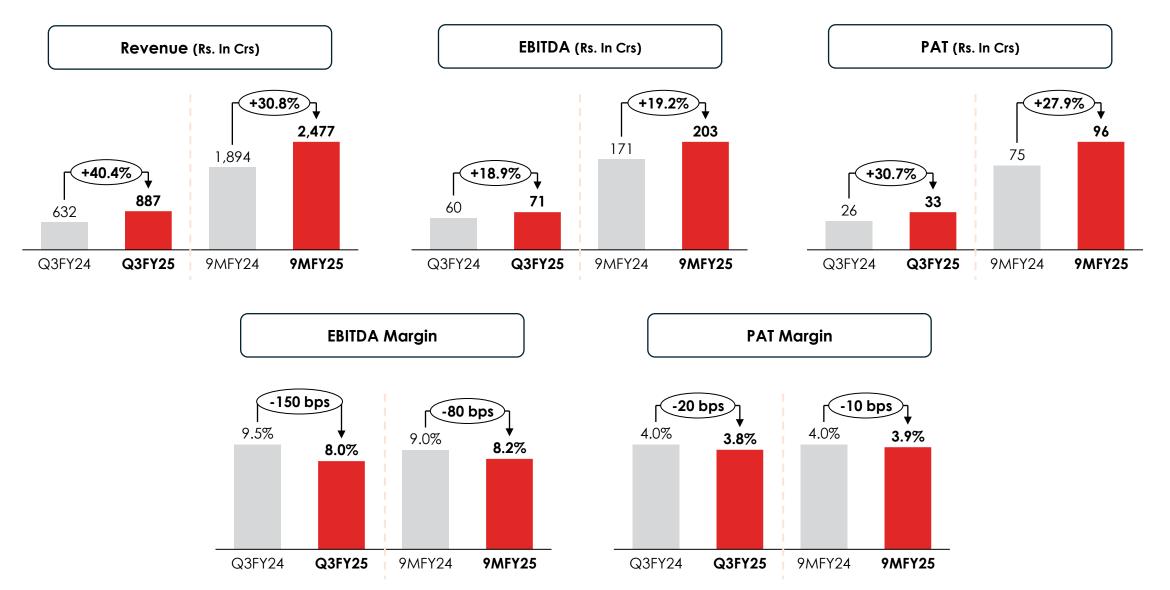

"We are pleased to report another quarter of strong growth and consistent performance at Lumax Industries. Our revenue surged by 40% year-on-year for the quarter and 31% for the nine-month period, driven by the strong performance of key models and robust order wins from leading OEMs. Despite temporary plant shutdowns for maintenance in December—a standard industry practice—we maintained operational efficiency and continued to deliver value to our customers. The Indian automotive industry experienced steady demand during the quarter, fueled by a strong festive season and attractive OEM discounts.

On the company front, we further solidified our market position by securing new business from key OEMs, including Maruti Suzuki, Mahindra & Mahindra, Tata Motors, and others, reaffirming our status as the preferred partner for advanced automotive lighting solutions. Our commitment to engineering excellence has been reinforced with the revamp of our engineering team, bringing in seasoned experts to drive innovation and enhance efficiency.

As the automotive industry evolves, Lumax Industries remains at the forefront of innovation, delivering cutting-edge lighting solutions that elevate both aesthetics and safety. We remain dedicated to driving sustained growth, expanding our market presence, and setting new benchmarks in the industry while continuing to create significant value for our customers and stakeholders."
