FOR WOMEN, OBCs, FARMERS

In pre-election budget, Maha rolls out sops

EXPRESS NEWS SERVICE Mumbai, June 28

AHEAD OF THE Assembly elections later this year, the Maharashtra government announced a slew of populist measures in its Budget on Friday — from monthly allowances for women to stipends for unemployed youth; tuition fees for girls from OBC and EWS households to benefits for farmers; three free LPG cylinders per year for eligible families to tax cuts on fuel in Mumbai Metropolitan Region.

In February, deputy chief minister and state finance minister Ajit Pawar had presented an interim budget for 2024-25 in view of the Lok Sabha polls. On Friday, he presented the additional Budget with an outlay of ₹6.12 trillion, an estimated revenue deficit of ₹2,051 crore and fiscal deficit of ₹1.10 trillion.

Announcing the 'Mukhya Mantri Mahi Ladki Bahin Yojana', Pawar said the government would transfer ₹1,500 monthly into the bank accounts of "eligible" women in the age group of 21 and 60 beginning July. The scheme is on the lines of the Madhya Pradesh government's Ladli Behna Yojana. The estimated annual expenditure for the scheme is ₹46,000 crore.

The government also proposed to offer three free LPG cylinders to some households annually under the Mukhya Mantri Annapurna Yojana, which is expected to benefit over 5.2 million families. In a major social engineer-

CCI to focus on 'dark patterns' of BigTech

MANU KAUSHIK New Delhi, June 28

THE COMPETITION COMMISSION of India (CCI) is focusing on "dark patterns" used by BigTech companies to mislead customers.

CCI chairperson Ravneet Kaur said on Friday that even though the attention in the AI space is on deepfakes, there are also cases of dark patterns. "We are looking at how dark patterns influence the conduct of digital companies and how people can be conditioned to make certain choices in the online space. We are also looking at algorithm collusion," she said.

The CCI is in the process of finalising an agency to conduct a market study on artificial intelligence and competition. "We will be shortly finalising the agency," Kaur said.

Dark patterns are defined as unlawful patterns that trick or manipulate users to share sensitive information or make choices they would not otherwise have made and that may cause harm. Last December, the Central Consumer Protection Authority (CCPA) identified and banned 13 dark patterns employed by e-commerce websites in India, including false urgency, forced action, subscription traps, bait and switch, disguised ads, nagging and trick questions.

In addition, the CCPA reportedly issued notices to Amazon for using dark patterns to manipulate users into subscribing to its Prime membership.

Kaur said over the last one year, the competition regulator has been implementing a bunch of amendments to the Competition Act, 2023.
