NIBE Limited celebrates Foundation Day and Inaugurates State-of-the-Art Missiles Complex and Precision Machining – Small Arms Complex in Pune

~ Honourable Chief Minister of Maharashtra Shri Devendra Fadnavis, alongside Honourable Ministers Shri Uday Samant attended the ceremony ~

6th February 2025 | India: NIBE Limited, a pioneering name in manufacturing critical systems for the defence sector, inaugurated its state-of-the-art Missiles Complex and Precision Machining (Small Arms Complex) facility in Pune today. The event also coincided with the celebration of the company's Foundation Day.

Along with the newly launched facility, the company is now equipped with advanced Vertical Machining Centres (VMCs) with Computer Numerical Control (CNC), such as the Kairos V5 16000, and the BMV 50 and 60+ machines. Also offer high capacity and precision, making them ideal for Defence and Aerospace applications, and will be used for the manufacturing of critical components of Small Arms systems, such as Light Machine Guns and Assault Rifles, as well as Missiles and Rocket Launcher structures. The ground-breaking event marked a significant milestone in strengthening NIBE's unwavering commitment to excellence and progress in the sector.

The event was graced by **Shri Devendra Fadnavis, the Honourable Chief Minister of Maharashtra, alongside Deputy Chief Minister Shri Ajit Pawar, Honourable Ministers Shri Uday Samant, Shri Radhakrishna Vikhe Patil and Shri Mahesh Landge.** Notable industry leaders such as **Mr. Arun T Ramchandani, Mr Anil S Kulkarni,** the top executives from L&T, were also in attendance.

Commenting on the launch, **Mr Ganesh Ramesh Nibe, Founder and Chairman & Managing Director (CMD) of NIBE Limited** said, *"Today marked a transformative day not only for NIBE but for the entire defence industry. At NIBE, we have always envisioned a future where innovation meets advanced technology and a robust R&D facility. Our cutting-edge facilities are a testament to our relentless pursuit of excellence, innovation, and national security built with passion and perseverance. We were honored to collaborate with esteemed partners and leaders to pave the way for a robust and secure future."*

Mr. Balakrishnan Govind Swamy, Chief Technological and Executive Officer (CT&EO) of NIBE Limited, further added, *"The inauguration of our new facilities represents more than just a technological landmark; it embodies our commitment to pushing boundaries and redefining the landscape of defence and aerospace. Our state-of-the-art complex is designed to foster innovation, enhance operational capabilities, and contribute significantly to our nation's security."*

About NIBE Limited:

Established in 2021 under the leadership of Mr. Ganesh Ramesh Nibe, the company and its subsidiaries specialise in manufacturing a wide spectrum of Critical Components catering to the Defence industry such as fabrication of Structures and Sub-assemblies for programmes such as Modular Bridge, Rudder Blade Assembly, Pinaka Launcher, and MRSAM launcher, for the tri-services of Indian defence, to components of Electronic systems, Small arms (such as Assault Rifles and LMGs), and Space projects, for domestic as well as international applications.

NIBE Limited, along with its subsidiaries, is committed towards continuously refining and adapting its approach, positioning itself as a leader in the defence industry. Moreover, in alignment with the vision of Atmanirbhar Bharat, NIBE Limited extends its commitment to fostering self-reliance in the defence sector.
