ITEM NO. 4

Appointment of Mrs. Sonali Auddya Adak (DIN: 10756385) as an Independent Director of the Company for a period of 5 years.

On the recommendation of the Nomination and Remuneration Committee, the Board of Directors vides its resolution, appointed Mrs. Sonali Auddya Adak as an Additional Director effective September 2, 2024. Pursuant to provisions of Section 161 of the Companies Act, 2013, Mrs. Sonali Auddya Adak holds office up to the date of this Annual General Meeting. The Company has received notice from a member, proposing her candidature for the office of Director under Section 160 of the Companies Act, 2013.

Mrs. Sonali Auddya Adak is Graduate in Arts and is having degree of BA. She is having experience of about 7 years in the field of Finance, Accounts & Company Management.

Mrs. Sonali Auddya Adak has given a declaration to the Board that she meets the criteria of independence as provided under Section 149(6) of the Act and Regulation 16(1)(b) of the Listing Regulations. In the opinion of the Board, Mrs. Sonali Auddya Adak fulfils the conditions specified in the Companies Act, 2013 and rules made thereunder for her appointment as an Independent Director of the Company and is independent of the management. The Board considers that her association would be of immense benefit to the Company and it is desirable to appoint Mrs. Sonali Auddya Adak as an Independent Director.

In terms of Regulation 25(8) of the SEBI Listing Regulations, Mrs. Sonali Auddya Adak has confirmed that she is not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact her ability to discharge her duties. Mrs. Sonali Auddya Adak has also confirmed that she is not debarred from holding the office of Director by virtue of any SEBI Order or any such authority.

Further, Mrs. Sonali Auddya Adak has confirmed that she is not disqualified from being appointed as Director in terms of Section 164 of the Act and has given her consent to act as Director in terms of Section 152 of the Act, subject to appointment by the Members. Mrs. Sonali Auddya Adak has also confirmed that she is in compliance with Rules 6(1) and 6(2) of the Companies (Appointment and Qualifications of Directors) Rules, 2014, with respect to his registration with the data bank of Independent Directors maintained by the Indian Institute of Corporate Affairs ('IICA').

In the opinion of the Board, Mrs. Sonali Auddya Adak fulfils the conditions specified in the Act, rules thereunder and the SEBI Listing Regulations for appointment as an Independent Director and that she is independent of the Management. The terms and conditions of the appointment of Independent Directors is uploaded on the website of the Company and would also be made available for inspection to the Members of the Company up to Tuesday, 24th August, 2024, by sending a request from their registered email address to the Company at gcmil1995@gmail.com along with their Name, DP ID & Client ID/Folio No.

In compliance with the provisions of Section 149 read with Schedule IV to the Act, Regulation 17 of the SEBI Listing Regulations and other applicable provisions of the Act and SEBI Listing Regulations, the appointment of Mrs. Sonali Auddya Adak as an Independent Director is now placed for the approval of the Members by a Special Resolution.

The details of Mrs. Sonali Auddya Adak as required under the provisions of Regulation 36 (3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and provisions of Secretarial Standard 2 on General Meetings are disclosed under Annexure A to this Statement.

The terms and conditions of appointment of Independent Director applicable to Mrs. Sonali Auddya Adak are available on the website of the Company.

A copy of the Letter of Appointment of Mrs. Sonali Auddya Adak as an Independent Director will be available for inspection till the last date of E-voting, without any fee. Members can send a request for the inspection of documents to gcmil1995@gmail.com.

Except Mrs. Sonali Auddya Adak, none of the Directors or Key Managerial Personnel of the Company or their relatives is in any way, concerned or interested, financially or otherwise, in the Resolution set out in Item No. 4 of the Notice.

Brief Profile of Mrs. Sonali Auddya Adak together with other Directors, has been provided in Annexure.

The Board recommends the Resolution under Item No. 4 of the Notice for approval of the Members as a Special Resolution.

DIVIDEND

In order to conserve resources and to meet financial requirements to implement its future plans, your Directors do not propose any dividend for the year under review.

GENERAL RESERVES

The General Reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. As the General reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the General reserve will not be reclassified subsequently to the statement of profit and loss.

STATUTORY RESERVES

Statutory Reserve represents the reserve created pursuant to the Reserve Bank of India Act, 1934 (the "RBI Act") and related regulations applicable to those companies. Under the RBI Act, a non-banking finance company is required to transfer an amount not less than 20% of its net profit to a reserve fund before declaring any dividend. Appropriation from this reserve fund is permitted only for the purposes specified by the RBI.

The Company during the year under review, has transferred ₹ 0.10 lakh to General Reserve out of the Retained Earnings.

IMPAIRMENT RESERVES

Impairment Reserve represents the reserve created pursuant to the per RBI circular dated March 13, 2020 on 'Implementation of Indian Accounting Standards'. Under the circular, where the impairment allowance under Ind AS 109 is lower than the provisioning required as per prudential norms on Income Recognition, Asset Classification and Provisioning (including standard asset provisioning) the difference should be appropriated from the net profit to a separate 'Impairment Reserve'. Withdrawals from this reserve is allowed only after obtaining permission from the RBI.

SHARE CAPITAL

Management Discussions & Analysis

ANNUAL OVERVIEW AND OUTLOOK

India is a significant global economic player, with its nominal GDP at current prices estimated at Rs. 296.58 trillion (US\$ 3.56 trillion) in 2023-24. The country boasts the third-largest unicorn base globally, reflecting a vibrant startup ecosystem. The government is committed to renewable energy sources, aiming for 40% of energy from non-fossil sources by 2030 and striving for Net Zero Emissions by 2070 through the 'Panchamrit' strategy. India ranks third in the renewable energy country attractive index, indicating a favorable environment for renewable energy investments.

India's GDP growth is projected to moderate to 6.8% in the upcoming fiscal year, down from the current fiscal's better-than-expected 7.6%. This moderation is due to several factors. Firstly, higher interest rates, which are typically used to manage inflation by reducing borrowing and spending, can potentially alleviate inflationary pressures. Secondly, a reduced fiscal impulse, indicating a decrease in government spending or an increase in taxes, can affect inflation dynamics by impacting consumer spending and overall economic activity. Lastly, the normalizing effect of net taxes on demand refers to tax adjustments that could affect consumer purchasing power and, consequently, inflation trends.

India's GDP growth is projected to moderate to 6.8% in the upcoming fiscal year, down from the current fiscal's 7.6%. Despite this moderation, India is expected to retain its position as a significant global economic player.

The Interim Budget for 2024-25 allocates a significant amount for capital expenditure, focusing on infrastructure and development projects. This investment is expected to stimulate economic activity and contribute to GDP growth. Tax receipts are estimated to increase, with GST collections crossing significant benchmarks. This increase in tax collections indicates a robust economy.

The fiscal deficit is estimated at 5.1% of GDP in 2024-25, aligning with the goal of reducing it below 4.5% by 2025-26. This reduction in fiscal deficit is a positive sign of fiscal responsibility and economic stability.

The government's commitment to renewable energy sources and its aim for 40% of energy from non-fossil sources by 2030 shows a progressive approach towards sustainable development. Global uncertainties and domestic factors, such as the ongoing effects of previous interest rate increases and the Reserve Bank of India's measures, could pose challenges. However, these are being actively managed to ensure stable economic growth. In conclusion, while there are challenges ahead, the article suggests that India is well-positioned to maintain strong economic performance in the future. The government's focus on infrastructure development, fiscal responsibility, employment generation, and sustainable energy sources are key factors that will contribute to this growth. However, it's important to note that these projections are based on current data and assumptions, and actual outcomes may vary.

INDUSTRY OVERVIEW

India's financial sector is undergoing significant growth and diversification, comprising a wide range of entities, including commercial banks, insurance companies, non-banking financial companies, cooperatives, pension funds, mutual funds, and other smaller financial entities. The banking regulator has recently allowed the establishment of payment banks, further expanding the variety of financial services available in the country.

The financial sector in India is predominantly a banking sector, with commercial banks accounting for more than 64% of the total assets held by the financial system. The Government of India and the Reserve Bank of India (RBI) have introduced several reforms to liberalize, regulate, and enhance this industry. These measures aim to facilitate easy access to finance for Micro, Small, and Medium Enterprises (MSMEs), such as launching credit guarantee schemes, issuing guidelines on collateral requirements, and setting up a dedicated refinancing agency, Micro Units Development and Refinance Agency (MUDRA).

During the fiscal year 2024, the mutual fund (MF) industry witnessed a significant increase in new investors, up by 70% from the previous year, mainly due to the recovery in the equity market. This rise added 6.8 million unique investors, taking the total MF subscriber count to 44.5 million. The industry's assets under management (AUM) experienced a notable 35% growth, marking the second-highest increase in a fiscal year, while the number of folios reached a record high of 147.8 million, indicating the industry's healthy expansion. The heightened investor interest extended beyond mutual funds to encompass other equity investment avenues, indicative of a broader trend towards increased participation in capital markets. Active SIP accounts observed a significant rise, with net additions doubling from the previous year and over 82% of these accounts being dedicated to active equity schemes. However, the MF customer base of 44.5 million remains only around half of the latest tally of income tax return filings, signalling substantial room for further expansion.

India's financial sector is experiencing a significant transformation, characterized by the expansion and diversification of financial institutions, reforms initiated by the government, and the swift integration of digital payment technologies,

notably mobile wallets. This evolution signifies a promising outlook for India's capital markets, showcasing vibrant growth prospects and abundant opportunities for both investors and enterprises.

OPPORTUNITIES & THREATS

Opportunities

India's financial technology, or fintech, sector is experiencing rapid evolution but it exemplifies the nation's striking contrasts. While we boast one of the highest number of bank accounts globally, the average balance per account remains notably low. Our banking system is immense, comprising 137 banks, 120,000 branches, with deposits totalling \$1.35 trillion and outstanding credit of \$900 billion, and it's growing at a remarkable pace with the sector doubling in size every five to six years. However, when it comes to per capita metrics, we still reflect the developing nature of our economy.

A noteworthy divide is evident in the contribution to total deposits, with rural India, which represents more than 60% of the population, contributing less than 10% of the deposits, while urban India, comprising only around 12% of the population, contributing 50-60% of the deposits. Additionally, women own a mere 20% of the total deposits.

Despite these challenges, Indian financial institutions stand out as some of the best-run businesses globally. They have relatively low non-performing assets (NPAs), comprising 3-5% of total assets, high capitalization at 18% CAR (Capital Adequacy Ratio), and impressive return ratios, with return on equity (RoE) of about 15%.

India's financial landscape has undergone a remarkable transformation in recent decades, boasting world-class infrastructure, well-regulated bodies, and a robust capital market framework. Key initiatives such as Jan Dhan, Aadhar, and UPI have been transformative, while ongoing innovations like differentiated banking/insurance licences, Central Bank Digital Currency (CBDC), Account Aggregator, the Open Credit Enablement Network (OCEN), Digilocker, and the Open Network for Digital Commerce (ONDC) continue to drive progress.

With a strong foundation and India's trajectory towards becoming a \$5 trillion economy, the financial services sector presents immense opportunities for value creation. The fintech ecosystem is also seeing vibrant innovation.

India's financial services and fintech industry is poised to generate more value in the next decade than in the previous 70 years combined. We envision the financial services market cap, currently standing at about \$850 billion, to reach around \$1.7 trillion by 2030. Specifically, within this market, fintech is projected to contribute an additional \$300 billion in market cap, surging from around \$85 billion to nearly \$400 billion during this period. India is undeniably at a turning point, where value creation will compound and propel significant growth.

Capital Market is a commonly used term. Capital market is a market for both debt and equity securities in India. It is the market where business enterprises, including companies and governments, can raise long-term funds. In other words, it can be said that the capital market is a market where the money is provided to the borrowers for more than a year.

The Indian capital market includes both the stock or the share market and the bonds market. Share or stock market is the market where equities are traded, whereas, the bond market is the market where debt securities are traded.

The Capital Market is regulated by Securities and Exchange Board of India (SEBI) and they overlook the market in their jurisdiction ensuring that the investors are protected against fraud apart from other duties. The regulatory bodies lay down specific rules and regulations that must be adhered to safeguard the investors' interest.

Threats

Indian economy is one of the largest and fastest-growing economies in the world. There have been various reforms that have acted as a catalyst in the growth of the Indian economy; however, there are specific challenges that continue to block the development of the Indian economy.

Main challenges that act as a hurdle in the growth of the Indian economy are as follows:

Inflation: The rate of inflation indicates the falling purchasing power of the people of the country and the rising prices of the goods and services. Inflation happens and continues to be one of the biggest concerns of any nation, and so is the case with India. Though there have been many monetary policies and regulatory policies released by the Reserve Bank of India, inflation is still one of the biggest challenges that hamper the growth and development of the Indian Capital Market.

GDP: Gross Domestic Product or GDP is another deciding factor in the growth and development of the capital market. GDP growth of the Indian economy is highly disappointing and highlights a downward trend. The lower the GDP, the more challenging it becomes for the country. Currently, India is facing a negative GDP growth due to the pandemic spread all across the world.

Foreign Policy: A country's foreign policy deals with Foreign Direct Investments (FDI) that a country is likely to receive. The higher the rate of the FDI flowing to the country, the better it is for the country in the short run as well as in the long run.

RISKS AND CONCERNS

Global Capital Markets Limited (GCML) has exposures in various line of business. GCML are exposed to specific risks that are particular to their respective businesses and the environments within which they operate, including market risk, competition risk, credit risk, liquidity and interest rate risk, human resource risk, operational risk, information security risks, regulatory risk and macro-economic risks. The level and degree of each risk varies depending upon the nature of activity undertaken by them.

MARKET RISK

The Company has quoted investments which are exposed to fluctuations in stock prices. GCML continuously monitors market exposure in equity and, in appropriate cases, also uses various derivative instruments as a hedging mechanism to limit volatility.

LIQUIDITY AND INTEREST RATE RISK

The Company is exposed to liquidity risk principally, because of lending and investment for periods which may differ from those of its funding sources. Management team actively manages asset liability positions in accordance with the overall guidelines laid down by various regulators. The Company may be impacted by volatility in interest rates in India which could cause its margins to decline and profitability to shrink. The success of the Company's business depends significantly on interest income from its operations. It is exposed to interest rate risk, both as a result of lending at fixed interest rates and for reset periods which may differ from those of its funding sources. Interest rates are highly sensitive to many factors beyond the Company's control, including the monetary policies of the RBI, deregulation of the financial sector in India, domestic and international economic and political conditions and, inflation. As a result, interest rates in India have historically experienced a relatively high degree of volatility.

The Company seeks to match its interest rate positions of assets and liabilities to minimize interest rate risk. However, there can be no assurance that significant interest rate movements will not have an adverse effect on its financial position.

HUMAN RESOURCE DEVELOPMENT

The Company recognizes that its success is deeply embedded in the success of its human capital. During 2023-24, the Company continued to strengthen its HR processes in line with its objective of creating an inspired workforce. The employee engagement initiatives included placing greater emphasis on learning and development, launching leadership development programme, introducing internal communication, providing opportunities to staff to seek inspirational roles through internal job postings, streamlining the Performance Management System, making the compensation structure more competitive and streamlining the performance-link rewards and incentives.

CORPORATE SOCIAL RESPONSIBILITY INITIATIVES

The provision of the Companies Act, 2013 relating to CSR Initiatives are not applicable to the Company.

COMPLIANCE

The Compliance function of the Company is responsible for independently ensuring that operating and business units comply with regulatory and internal guidelines. The Compliance Department of the Company continues to play a pivotal role in ensuring implementation of compliance functions in accordance with the directives issued by regulators, the Company's Board of Directors and the Company's Compliance Policy. The Audit Committee of the Board reviews the performance of the Compliance Department and the status of compliance with regulatory/internal guidelines on a periodic basis.

The Company has complied with all requirements of regulatory authorities except delay in complying with the provisions of SEBI LODR Regulations, 2015.

Corporate Governance is modus operandi of governing a corporate entity which includes a set of systems, procedures and practices which ensure that the Company is managed in the best interest of all corporate stakeholders i.e. shareholders, employees, suppliers, customers and society in general. Fundamentals of Corporate Governance include transparency, accountability, reporting and independence. For accomplishment of the objectives of ensuring fair Corporate Governance, the Government of India has put in place a framework based on the stipulations contained under the Companies Act, SEBI Regulations, Accounting Standards, Secretarial Standards, etc. Corporate Governance has become a buzzword in the corporate world. Globalizations, widespread of shareholders, changing ownership structure, greater expectations, etc. have made a good Corporate Governance sin-quo-nun of modern management.

COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

The Company's governance philosophy is based on trusteeship, transparency and accountability. As a corporate citizen, our business fosters a culture of ethical behavior and disclosures aimed at building trust of our stakeholders. The Company's Code of Business Conduct and Ethics, Internal Code of Conduct for Regulating, Monitoring and Reporting of Trades by Insiders and the Charter-Business for Peace are an extension of our values and reflect our commitment to ethical business practices, integrity and regulatory compliances.

The Company's governance framework is based on the following principles:

- ✓ Appropriate composition and size of the Board, with each member bringing in expertise in their respective domains;
- ✓ Timely disclosure of material operational and financial information to the stakeholders;
- ✓ Availability of Information to the members of the Board and Board Committees to enable them to discharge their fiduciary duties;
- ✓ Systems and processes in place for internal control; and
- ✓ Proper business conduct by the Board, Senior Management and Employees.

COMMITTEES OF THE BOARD

In terms of the Companies Act 2013, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and RBI Master Directions, the Board of Directors has constituted Board Committees to deal with specific areas and activities which concern the Company and requires a closer review. The Board Committees are formed with approval of the Board and function under their respective Charters. These Committees play an important role in the overall Management of day-to-day affairs and governance of the Company. The Board Committees meet at regular intervals and take necessary steps to perform its duties entrusted by the Board. The Minutes of the Committee Meetings are placed before the Board for noting.

The Company has three Board Level Committees:

- Audit Committee
- Nomination & Remuneration Committee
- Stakeholders' Relationship Committee

AUDIT COMMITTEE

Audit Committee of the Board of Directors ("the Audit Committee") is entrusted with the responsibility to supervise the Company's internal controls and financial reporting process. The composition, quorum, powers, role and scope are in accordance with Section 177 of the Companies Act, 2013 and the provisions of Regulation 18 of the Listing Regulations as well as applicable NBFC Regulations. All members of the Audit Committee are financially literate and bring in expertise in the fields of Finance, Taxation, Economics, Risk and International Finance. It functions in accordance with its terms of reference that defines its authority, responsibility and reporting function.

In view of the amendments to the Listing Regulations and SEBI PIT Regulations, the Board amended the terms of reference of the Committee, effective from 1 April 2019.

These broadly include oversight of the Company's financial reporting process and disclosure of its financial information, review of financial statements, review of compliances and review of systems and controls, approval or any subsequent

modification of transactions of the Company with related parties, review compliance with regulation 9A of the SEBI PIT Regulations, etc.

TERMS OF REFERENCE

The Board has framed the Audit Committee Charter for the purpose of effective compliance of provisions of Section 177 of the Act and Regulation 18 of the Listing Regulations. The Audit Committee inter alia performs the functions to:

1. Review with the Company's Chief Financial Officer ('CFO'), the preparation, execution and results of the Company's annual internal audit work program;
2. Review the Company's financial reporting process and the disclosure of its financial information to ensure that the financial statements are correct, sufficient and credible;
3. Review with the management, performance of statutory and internal auditors and review of adequacy of the internal control systems;
4. Discussion with statutory auditors before audit commences, about the nature and scope of audit as well as post-audit discussion to ascertain any area of concern;
5. Discussion with internal auditors on any significant findings and follow up thereon;
6. Recommend appointment of Statutory, Internal and Cost Auditors and their remuneration;
7. Look after the risk assessment including fraud risk and risk guidelines governing the risk management process;
8. Review the management discussion and analysis of financial condition and results of operations;
9. Review statement of significant related party transactions (as defined by the Audit Committee), submitted by management;
10. Review the internal audit reports relating to internal control weaknesses;
11. Scrutinize inter-corporate loans and investments;
12. Review the functioning of the Whistle blower mechanism; and
13. Review compliance with the provisions of SEBI (Prohibition of Insider Trading) Regulations, 2015 with reference to events which were regarded as UPSI, whether such UPSI were shared in the manner expected, instances of leaks, if any, instance of breaches of the Code, efficiency of sensitization process, etc. at least once in a financial year and shall verify that the systems for internal control are adequate and are operating effectively.

In fulfilling the above role, the Audit Committee has powers to investigate any activity within its terms of reference, to seek information from employees and to obtain outside legal and professional advice.

FUNCTIONS OF AUDIT COMMITTEE

The Audit Committee, while reviewing the Annual Financial Statements also reviews the applicability of various Accounting Standards (AS) referred to in Section 133 of the Companies Act, 2013. Compliance of the Accounting Standards as applicable to the Company has been ensured in the preparation of the Financial Statements for the year ended March 31, 2024.

The Audit Committee bridges the gap between the Internal Auditors and the Statutory Auditors. To ensure good Governance, the Company has been rotating Partners of Statutory Auditors. The Statutory Auditors are responsible for performing Independent audit of the Company's financial statements in accordance with the generally accepted auditing practices and issuing reports based on such audits, while the Internal Auditors are responsible for the internal risk controls.

Besides the above, Chairman and Managing Director, Chief Financial Officer, the representatives of the Statutory Auditors and the Internal Auditors are permanent invitees to the Audit Committee Meetings. The Company Secretary acts as a Secretary to the Committee as required by Regulation 18(1)(e) of the Listing Regulations.

The Company follows best practices in financial reporting. The Company has been reporting on quarterly basis, the Un-audited Financial Results as required by the Regulation 33 of the Listing Regulations. The Company's quarterly Un-audited Standalone Financial Results are made available on the website www.globalcapitalmarketandinfra ltd.co.in and are also sent to the Stock Exchanges where the Company's equity shares are listed for display at their respective websites.

The Audit Committee also oversees and reviews the functioning of a vigil mechanism (implemented in the Company as Whistle Blower Policy) and reviews the finding of investigation into cases of material nature and the actions taken in respect thereof.

INTERNAL CONTROLS AND GOVERNANCE PROCESSES

The Company continuously invests in strengthening its internal control and processes. The Audit Committee along with the CFO formulates a detailed plan to the Internal Auditors for the year, which is reviewed at the Audit Committee Meetings. The Internal Auditors attend the meetings of Audit Committee at regular intervals and submit their recommendations to the Audit Committee and provide a road map for the future.

Constitution and Meetings of Audit Committee

The members of Audit Committee met four times on 29th May, 10th August and on 10th November in year 2023 and on 12th February in year 2024 during the financial year ended on 31st March 2024.

NOMINATION AND REMUNERATION COMMITTEE

The Nomination and Remuneration Committee consists of three Non-Executive Directors. All members of the Nomination and Remuneration Committee are financially literate and they have accounting or related financial management expertise. The Composition of Remuneration and Nomination Committee is pursuant to the provisions of Section 178 of the Companies Act, 2013 and Regulation 19 of Listing Regulations.

Terms of Reference

The Board has framed the Remuneration and Nomination Committee Charter which ensure effective Compliance of Section 178 of the Companies Act, 2013 and Regulation 19 of Listing Regulations, which are as follows:

- Reviewing the overall compensation policy, service agreements and other employment conditions of Managing/Whole-time Director(s) and Senior Management (one level below the Board);
- to help in determining the appropriate size, diversity and composition of the Board;
- to recommend to the Board appointment/reappointment and removal of Directors;
- to frame criteria for determining qualifications, positive attributes and independence of Directors;
- to recommend to the Board remuneration payable to the Directors (while fixing the remuneration to Executive Directors the restrictions contained in the Companies Act, 2013 is to be considered);
- to create an evaluation framework for Independent Directors and the Board;
- to provide necessary reports to the Chairman after the evaluation process is completed by the Directors;
- to assist in developing a succession plan for the Board;
- to assist the Board in fulfilling responsibilities entrusted from time-to-time;
- Delegation of any of its powers to any Member of the Committee or the Compliance Officer.

POLICY FOR SELECTION AND APPOINTMENT OF DIRECTORS AND THEIR REMUNERATION

The Nomination and Remuneration (N&R) Committee has adopted a Charter which, inter alia, deals with the manner of selection of Board of Directors and CEO & Managing Director and their remuneration. This Policy is accordingly derived from the said Charter.

PRINCIPLE AND RATIONALE

Section 178 of the Companies Act, 2013 and the provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 require the Nomination and Remuneration Committee of the Board of Directors of every listed entity, among other classes of companies, to –

- formulate the criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board a policy, relating to the remuneration for the directors, key managerial personnel and other employees.
- identify persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down, recommend to the Board their appointment and removal
- carry out evaluation of every director's performance - formulate the criteria for evaluation of Independent Directors and the Board

Accordingly, in adherence to the above said requirements and in line with the Company philosophy towards nurturing its human resources, the Nomination and Remuneration Committee of the Board of Directors of Global Capital Markets Limited herein below recommends to the Board of Directors for its adoption the Nomination and Remuneration Policy for the directors, key managerial personnel and other employees of the Company as set out below:

Criteria of selection of Non-Executive Directors

- The Non-Executive Directors shall be of high integrity with relevant expertise and experience so as to have a diverse Board with Directors having expertise in the fields of accounting, finance, taxation, law etc. However Women Director is exempted from said criteria.
- In case of appointment of Independent Directors, the N&R Committee shall satisfy itself with regard to the independent nature of the Directors vis-à-vis the Company so as to enable the Board to discharge its function and duties effectively.
- The N&R Committee shall ensure that the candidate identified for appointment as a Director is not disqualified for appointment under Section 164 of the Companies Act, 2013.
- The N&R Committee shall consider the following attributes / criteria, whilst recommending to the Board the candidature for appointment as Director –
 - a. Qualification, expertise and experience of the Directors in their respective fields;
 - b. Personal, Professional or business standing;
 - c. Diversity of the Board.
- In case of re-appointment of Non-Executive Directors, the Board shall take into consideration the performance evaluation of the Director and his engagement level.

Remuneration

The Non-Executive Directors shall be entitled to receive remuneration by way of sitting fees, reimbursement of expenses for participation in the Board / Committee meetings. A Non-Executive Director shall be entitled to receive sitting fees for each meeting of the Board or Committee of the Board attended by him, of such sum as may be approved by the Board of Directors within the overall limits prescribed under the Companies Act, 2013 and The Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014.

CEO & Managing Director – Criteria for selection / appointment

For the purpose of selection of the CEO & MD, the N&R Committee shall identify persons of integrity who possess relevant expertise, experience and leadership qualities required for the position and shall take into consideration recommendation, if any, received from any member of the Board.

The Committee will also ensure that the incumbent fulfills such other criteria with regard to age and other qualifications as laid down under the Companies Act, 2013 or other applicable laws.

Remuneration for the CEO & Managing Director

- At the time of appointment or re-appointment, the CEO & Managing Director shall be paid such remuneration as may be mutually agreed between the Company (which includes the N&R Committee and the Board of Directors) and the CEO & Managing Director within the overall limits prescribed under the Companies Act, 2013.
- The remuneration shall be subject to the approval of the Members of the Company in General Meeting.
- The remuneration of the CEO & Managing Director is paid by way of salary, allowances, perquisites, amenities and retirement benefits.

General

This Policy shall apply to all future employment of Company's Senior Management including Key Managerial Personnel and Board of Directors.

Any or all the provisions of this Policy would be subject to the revision/ amendment in the Companies Act, 2013, related rules and regulations, guidelines and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 on the subject as may be notified from time to time. Any such amendment shall automatically have the effect of amending this Policy without the need of any approval by the Nomination and Remuneration Committee and/ or the Board of Directors.

PERFORMANCE EVALUATION

In terms of regulation 19 read with Schedule II to the Listing Regulations, the Company has framed a policy stipulating the criteria for evaluation of directors and the Board. In light of SEBI's Guidance Note dated 5 January 2017 on Board Evaluation, the Nomination and Remuneration Committee (NRC) and Board of Directors have revised the policy containing criteria for performance evaluation.

In view of the amendments to section 178(2) of the Act, the Board of Directors of the Company, at its meeting held on 12th March 2024, had approved the evaluation of the performance of Board, its Committees, the Chairperson and individual directors to be carried out by the Board only and would not be duplicated by the NRC. The NRC will only review its implementation and compliance.

Pursuant to the provisions of the Act and the Listing Regulations, the Board has carried out an annual performance evaluation of its own performance, and that of its Committees, Chairperson and individual directors.

Constitution and Meetings of Nomination & Remuneration Committee

The members of Nomination & Remuneration Committee met three times on 29th May 2023, 10th August 2023 and on 28th March 2024 during the financial year ended on 31st March 2024.

y. Important Points

Investors should hold securities in dematerialised form, as transfer of shares in physical form is no longer permissible.

As mandated by SEBI, w.e.f. April 1, 2019, request for effecting transfer of securities shall not be processed unless the securities are held in dematerialised form with a depository except for transmission and transposition of securities.

Members are advised to dematerialise securities in the Company to facilitate transfer of securities.

Holding securities in dematerialized form is beneficial to the investors in the following manner:

- A safe and convenient way to hold securities;
- Elimination of risk(s) associated with physical certificates such as bad delivery, fake securities, delays, thefts, etc.;
- Immediate transfer of securities;
- No stamp duty on electronic transfer of securities;
- Reduction in transaction cost;
- Reduction in paperwork involved in transfer of securities;
- No odd lot problem, even one share can be traded;
- Availability of nomination facility;
- Ease in effecting change of address / bank account details as change with Depository Participants (DPs) gets registered with all companies in which investor holds securities electronically;
- Easier transmission of securities as the same is done by DPs for all securities in demat account;
- Automatic credit in to demat account of shares, arising out of bonus / split / consolidation / merger / etc.;
- Convenient method of consolidation of folios/accounts;

- Holding investments in Equity, Debt Instruments, Government securities, Mutual Fund Units etc. in a single account;
- Ease of pledging of securities; and
- Ease in monitoring of portfolio.

Members holding Shares in Physical mode:

- a) are required to submit their Permanent Account Number (PAN) and bank account details to the Company / RTA, if not registered with the Company as mandated by SEBI.
- b) are advised to register the nomination in respect of their shareholding in the Company. Nomination Form SH-13 ([Pursuant to section 72 of the Companies Act, 2013 and rule 19(1) of the Companies (Share Capital and Debentures) Rules 2014] can be obtained from the Company's Registrar and Share Transfer Agent. It is also available on Public domain.
- c) are requested to register / update their e-mail address with the Company / RTA for receiving all communications from the Company electronically.

Members holding Shares in Electronic mode:

- a) are requested to submit their PAN and bank account details to their respective DPs with whom they are maintaining their demat accounts.
- b) are advised to contact their respective DPs for registering the nomination.
- c) are requested to register / update their e-mail address with their respective DPs for receiving all communications from the Company electronically.

The Securities and Exchange Board of India vide its circular no. SEBI / HO / MIRSD / DOS3 / CIR / P / 2019 / 30 dated February 11, 2019, with a view to address the difficulties in transfer of shares, faced by non-residents and foreign nationals, has decided to grant relaxations to non-residents from the requirement to furnish PAN and permit them to transfer equity shares held by them in listed entities to their immediate relatives subject to the following conditions:

- a) The relaxation shall only be available for transfers executed after January 1, 2016.
- b) The relaxation shall only be available to non-commercial transactions, i.e. transfer by way of gift among immediate relatives.
- c) The non-resident shall provide copy of an alternate valid document to ascertain identity as well as the non-resident status.
- d) Non-Resident Indian members are requested to inform Purva Sharegistry (India) Private Limited, Company's Registrar and Transfer Agent immediately on the change in the residential status on return to India for permanent settlement.

z. Electronic Payment Services

Investors should avail the Electronic Payment Services for payment of dividend as the same reduces risk attached to physical dividend warrants. Some of the advantages of payment through electronic credit services are as under:

- Avoidance of frequent visits to banks for depositing the physical instruments;
- Prompt credit to the bank account of the investor through electronic clearing;
- Fraudulent encashment of warrants is avoided;
- Exposure to delays / loss in postal service avoided; and
- As there can be no loss in transit of warrants, issue of duplicate warrants is avoided.

Printing of bank account numbers, names and addresses of bank branches on dividend warrants provide protection against fraudulent encashment of dividend warrants. Members are requested to provide the same to the Company's Registrar and Transfer Agent (RTA) for incorporation on their dividend warrants.

aa. Register for SMS alert facility

Investor should register with Depository Participants for the SMS alert facility. Both Depositories viz. National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) alert investors through SMS of the debits and credits in their demat account.

bb. Intimate Mobile Number

Shareholders are requested to intimate their mobile number and changes therein, if any, to Company's RTA viz. Purva Sharegistry (India) Private Limited to their dedicated e-mail id i.e., "support@purvashare.com.", if shares are held in

physical form or to their DP if the holding is in electronic form, to receive communications on corporate actions and other information of the Company.

cc. Submit Nomination Form and avoid Transmission hassle

Nomination helps nominees to get the shares transmitted in their favour without any hassles. Investors should get the nomination registered with the Company in case of physical holding and with their Depository Participants in case shares are held in dematerialised form.

Form may be downloaded from the Company's website, under the section 'Investor Relations'. However, if shares are held in dematerialised form, nomination has to be registered with the concerned Depository Participants directly, as per the form prescribed by the Depository Participants.

dd. Deal only with SEBI registered intermediaries

Investors should deal only with SEBI registered intermediaries so that in case of deficiency of services, investor may take up the matter with SEBI.

ee. Corporate benefits in electronic form

Investor holding shares in physical form should opt for corporate benefits like bonus / split / consolidation / merger / etc. in electronic form by providing their demat account details to the Company's RTA.

ff. Register e-mail address

Investors should register their e-mail address with the RTA / Depository Participants. This will help them in receiving all communication from the Company electronically at their e-mail address. This also avoids delay in receiving communications from the Company. Prescribed form for registration may please be downloaded from the Company's website.

gg. Facility for a Basic Services Demat Account (BSDA)

SEBI has stated that all the depository participants shall make available a BSDA for the shareholders unless otherwise opted for regular demat account with (a) No Annual Maintenance charges if the value of holding is upto ₹ 50,000; and (b) Annual Maintenance charges not exceeding ₹ 100/- for value of holding from ₹ 50,001 to ₹ 2,00,000. (Refer circular CIR/MRD/ DP/22/2012 dated August 27, 2012 and circular CIR/MRD/ DP/20/2015 dated December 11, 2015).

hh. For the Attention of Shareholders holding shares in electronic form

Shareholders holding shares in electronic mode should address all their correspondence to their respective Depository Participants (DPs).

ii. Outstanding GDRs./ADRs/Warrants or any convertible instruments, conversion data likely impact on Equity :

Not any.

jj. Commodity Price Risk / Foreign Exchange Risk

Your Company does not deal into any of commodity and hence and is not directly exposed to any commodity price risk.

Similarly, the Company does not enter into any Foreign Exchange transactions and hence is not directly exposed to any Foreign Exchange Risk.

 - vi. Obtained necessary declarations from the directors of the Company.

- vii. Obtained and read the policy adopted by the Company for related party transactions.
 - viii. Obtained the schedule of related party transactions during the year and balances at the year- end. Obtained and read the minutes of the audit committee meeting where in such related party transactions have been pre-approved prior by the audit committee.
 - ix. Performed necessary inquiries with the management and also obtained necessary specific representations from management.
8. The above-mentioned procedures include examining evidence supporting the particulars in the Corporate Governance Report on a test basis. Further, our scope of work under this report did not involve us performing audit tests for the purposes of expressing an opinion on the fairness or accuracy of any of the financial information or the financial statements of the Company taken as a whole.

Opinion

9. Based on the procedures performed by us, as referred in paragraph 7 above, and according to the information and explanations given to us, we are of the opinion that the Company has complied with the conditions of Corporate Governance as specified in the Listing Regulations, as applicable for the year ended March 31, 2024, referred to in paragraph 4 above.

Other matters and restriction on Use

10. This report is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.
11. This report is addressed to and provided to the members of the Company solely for the purpose of enabling it to comply with its obligations under the Listing Regulations with reference to compliance with the relevant regulations of Corporate Governance and should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care or for any other purpose or to any other party to whom it is shown or into whose hands it may come without our prior consent in writing. Independent Auditors' Report Standalone Ind AS Financial Statements for the year ended 31st March 2024**To the Members of GLOBAL CAPITAL MARKETS LIMITED****Report on the Audit of the Standalone Ind AS Financial Statements****Opinion**

We have audited the accompanying financial statements of **GLOBAL CAPITAL MARKETS LIMITED (CIN – L51109WB1989PLCo46292)** ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income) Statement of Changes in Equity and Statement of Cash Flows ended on that date, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, the profit and total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Based on the circumstances and facts of the audit and entity, there aren't key audit matters to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Ind AS financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

We conclude that there is no material misstatement of other information

Responsibility of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the

accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- I. As required by Section 143(3) of the Act, based on our audit we report that :
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Company's Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these standalone Ind AS financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" to this report and;
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its Directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigation which would impact its financial position in its financial statements
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses under the applicable law or accounting standards;
 - iii. There were no amounts, which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv.
 - (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The Company has not paid or declared any dividend during the year and until the date of report; Hence, Compliance in accordance with section 197 of the Act and rules thereunder.
 - vi. Based on our examination, the company has used an accounting software for maintaining of its Books of Accounts which have the feature of recording audit trail (edit log) facility in terms of the Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014, but the Company has not activated the feature of recording audit trail (edit log) facility during the period under review.

- II. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "**Annexure- B**" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Other Matters

Based on our review, it is observed that interest income is not charged on outstanding advances of Rs. 4,01,35,000/- and same is subject to reconciliation and subsequent adjustment if any required, since confirmation have not been received from them.

Annexure "A" to the Independent Auditors' Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of GLOBAL CAPITAL MARKETS LIMITED of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of GLOBAL CAPITAL MARKETS LIMITED ("the Company") as of March 31, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgments, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls with reference to Standalone Ind AS financial statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Ind AS financial statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to explanation given to us, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. a) The Company has not taken any loans or other borrowings from any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable.
- b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
- d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.

- f) The Company has not raised any loans during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- x. a) According to the information and explanations given to us, The Company has not raised moneys by way of initial public offer of equity shares during the year. In our opinion, the end use of the money raised is as per the terms and conditions stated in the offer document.
- b) During the year, the company has not made preferential allotment or private placement of shares.
- xi. a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- c) We have taken into consideration the whistle blower complaints received by the Company during the year, if any (and upto the date of this report), while determining the nature, timing and extent of our audit procedures.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, the provisions of clause 3(xii) of the Order are not applicable to the Company.
- xiii. In our opinion and according to the information and explanations given to us the Company is in compliance with Sections 177 and 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- xiv. a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its Directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. a) In our opinion and according to the information and explanations given to us, the Company is registered under section 45-IA of the Reserve Bank of India Act, 1934.

- xviii. There has been no resignation of the statutory auditors of the Company during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. a) There are no unspent amounts towards Corporate Social Responsibility (CSR) requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.

- b) There are no unspent amounts towards Corporate Social Responsibility (CSR) requiring a transfer to a special account in compliance with provision of sub section (6) of section 135 of the said Act. Accordingly, reporting under clause 3(xx)(b) of the Order is not applicable for the year.
- xxi. The requirements under clause 21 of the order are not applicable in respect of audit of Standalone Financial Statements as the consolidation done in the financial statement is of a Partnership firm. Accordingly, reporting under clause 21 of the Order is not applicable.

The company is incorporated on 20th February 1989 at Calcutta, West Bengal, India. It is a Public limited company by its shares. The company is one of the RBI registered Non-Deposit taking Company NBFC and is into the business of Finance and Investments. The activities of the company includes financing, investing in shares & other securities, Commodities and other related activities of capital market.

The Registered Office of the Company is situated at Sir RNM House, 5th Floor, 3B, Lal Bazar Street, Kolkata – 700 001.

1. SIGNIFICANT ACCOUNTING POLICIES

1.1 Statement of compliance

The financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) issued by Ministry of Corporate Affairs in exercise of the powers conferred by section 133 read with sub-section (1) of section 210A of the Companies Act, 2013. In addition, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied along with compliance with other statutory promulgations require a different treatment.

The financial statements for the year ended March 31, 2024 of the Company is the first financial statements prepared in compliance with Ind AS. The date of transition to Ind AS is April 1, 2017. The financial statements upto the year ended March 31, 2018, were prepared in accordance with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006 ("Previous GAAP") and other relevant provisions of the Act. The figures for the year ended March 31, 2018 have now been restated under Ind AS to provide comparability. Refer Note 43 for the details of first-time adoption exemptions availed by the Company.

1.2 Basis of preparation:

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period.

Fair value measurements under Ind AS are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at reporting date
- Level 2 inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the valuation of assets or liabilities

1.3 Use of estimates and judgment's:

The preparation of the financial statements in conformity with Ind AS required management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Difference between the actual results and estimates are recognized in the year in which results are known/materialized. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in the current and future periods.

1.4 Presentation of financial statements:

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Division III to Schedule III to the Companies Act, 2013 ("the Act") applicable for Non-Banking Finance Companies ("NBFC"). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Amounts in the financial statements are presented in Indian Rupees rounded off to zero decimal places as permitted by Schedule III to the Companies Act, 2013. Per share data are presented in Indian Rupee to two decimal places.

1.5 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery. Revenue is measured at the fair value of the consideration received or receivable as reduced for estimated customer credits and other similar allowances.

Income from arbitrage comprises profit / loss on sale of securities held as stock-in-trade and profit / loss on equity derivative instruments is accounted as per following:

- i. Interest income is recognised in the Statement of Profit and Loss and for all financial instruments except for those classified as held for trading or those measured or designated as at fair value through profit or loss (FVTPL) is measured using the effective interest method (EIR).

The calculation of the EIR includes all fees and points paid or received between parties to the contract that are incremental and directly attributable to the specific lending arrangement, transaction costs, and all other premiums or discounts. For financial assets at FVTPL transaction costs are recognised in profit or loss at initial recognition.

The interest income is calculated by applying the EIR to the gross carrying amount of non-credit impaired financial assets (i.e. at the amortised cost of the financial asset before adjusting for any expected credit loss allowance). For credit-impaired financial assets the interest income is calculated by applying the EIR to the amortised cost of the credit-impaired financial assets (i.e. the gross carrying amount less the allowance for expected credit losses (ECLs)). For financial assets originated or purchased credit-impaired (POCI) the EIR reflects the ECLs in determining the future cash flows expected to be received from the financial asset.

- ii. Dividend income is recognised when the Company's right to receive dividend is established by the reporting date and no significant uncertainty as to collectability exists.
- iii. Fee and commission income and expense include fees other than those that are an integral part of EIR. The fees included in the Company statement of profit and loss include among other things fees charged for servicing a loan, non-utilisation fees relating to loan commitments when it is unlikely that these will result in a specific lending arrangement and loan advisory fees.
- iv. Profit / loss on sale of securities are determined based on the FIFO cost of the securities sold.
- v. Profit / loss on FNO Segment and Commodity transactions is accounted for as explained below:

Initial and additional margin paid over and above initial margin for entering into contracts for Equity Index / Stock Futures / Commodity Spot Trading/ Currency Futures and or Equity Index / Stock Options / Currency Options, which are released on final settlement / squaring-up of underlying contracts, are disclosed under "Other current assets". Mark-to-market margin-Equity Index / Stock Futures / Currency Futures representing the amounts paid in respect of mark to market margin is disclosed under "Other current assets".

"Equity Index / Stock Option / Currency Option Premium Account" represents premium paid or received for buying or selling the Options, respectively.

On final settlement or squaring up of contracts for Equity Index / Stock Futures / Currency Future, the realized profit or loss after adjusting the unrealized loss already accounted, if any, is recognized in the Statement of Profit and Loss. On settlement or squaring up of Equity Index / Stock Options / Currency Option, before expiry, the premium prevailing in "Equity Index / Stock Option / Currency Option Premium Account" on that date is recognized in the Statement of Profit and Loss.

As at the Balance Sheet date, the Mark to Market / Unrealised Profit / (Loss) on all outstanding arbitrage portfolio comprising of Securities and Equity / Currency Derivatives positions is determined on scrip basis with net unrealized losses on scrip basis being recognized in the Statement of Profit and Loss and the net unrealized gains on scrip basis are ignored.

- vi. Other operational revenue represents income earned from the activities incidental to the business and is recognised when the right to receive the income is established as per the terms of the contract.

1.6 Fair Value Measurement:

The Company measures certain financial instruments at fair value at each reporting date. Certain accounting policies and disclosures require the measurement of fair values, for both financial and nonfinancial asset and liabilities. Fair value is the price that would be received to sell an asset or paid to settle a liability in an ordinary transaction between

market participants at the measurement date. The fair value of an asset or a liability is measured using the assumption that market participants would use when pricing an asset or liability acting in their best economic interest. The Company uses valuation techniques, which are appropriate in circumstances and for which sufficient data is available considering the expected loss/ profit in case of financial assets or liabilities

1.7 Intangible Assets:

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible assets are stated at original cost net of tax/duty credits availed, if any, less accumulated amortisation and cumulative impairment. Direct expenses and administrative and other general overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalised as a part of the cost of the intangible assets.

Intangible assets not ready for the intended use on the date of Balance Sheet are disclosed as "Intangible assets under development".

Intangible assets are amortised on the written down value method over the estimated useful life. The method of amortisation and useful life are reviewed at the end of each accounting year with the effect of any changes in the estimate being accounted for on a prospective basis.

An intangible asset is de-recognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset are recognised in profit or loss when the asset is derecognised.

1.8 Property, Plant and Equipments

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation less impairment loss, if any. Historical cost comprises of purchase price, including non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to statement of profit or loss during the reporting period in which they are incurred.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separated items (major components) of property, plant and equipment.

Depreciation methods, estimated useful lives and residual value:

Depreciation is provided on a pro-rata basis on the straight line method over the estimated useful lives of the assets which in certain cases may be different than the rate prescribed in Schedule II to the Companies Act, 2013, in order to reflect the actual usages of the assets.

The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Class of Assets	Useful life as prescribed in Schedule II of Companies Act, 2013 (in years)	Useful life as followed by the Company (in year)
Computers	3	3
Furniture & Fixtures	10	10
Office Equipments	5	5
Vehicles	8	8

The assets' residual values, useful lives and method of depreciation are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount and are recognized as income or expense in the statement of profit and loss.

1.9 Impairment of tangible and intangible assets other than goodwill

As at the end of each accounting year, the Company reviews the carrying amounts of its PPE and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If such indication exists, the PPE, investment property and intangible assets are tested for impairment so as to determine the impairment loss, if any. Goodwill and the intangible assets with indefinite life are tested for impairment each year.

Impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. Recoverable amount is determined in the case of an individual asset, at the higher of the net selling price and the value in use.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pretax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, such deficit is recognised immediately in the Statement of Profit and Loss as impairment loss and the carrying amount of the asset (or cash generating unit) is reduced to its recoverable amount. For this purpose, the impairment loss recognised in respect of a cash generating unit is allocated first to reduce the carrying amount of any goodwill allocated to such cash generating unit and then to reduce the carrying amount of the other assets of the cash generating unit on a pro-rata basis.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash generating unit), except for allocated goodwill, is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss is recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss (other than impairment loss allocated to goodwill) is recognised immediately in the Statement of Profit and Loss.

1.10 Employee benefits:

i. Short term employee benefits:

Employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits and are expensed in the period in which the employee renders the related service. Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

ii. Post-employment benefits:

- a) Defined contribution plans: The Company's superannuation scheme, state governed provident fund scheme, employee state insurance scheme and employee pension scheme are defined contribution plans. The contribution paid/ payable under the schemes is recognised during the period in which the employee renders the related service.
- b) Defined benefit plans: The employees' gratuity fund schemes and employee provident fund schemes managed by board of trustees established by the Company, the post-retirement medical care plan and the Parent Company pension plan represent defined benefit plans. The present value of the obligation under defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows using a discount rate based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the defined benefit obligations at the Balance Sheet date.

Re-measurement, comprising actuarial gains and losses, the return on plan assets (excluding amounts included in net interest on the net defined benefit liability or asset) and any change in the effect of asset ceiling (if applicable) is recognised in other comprehensive income and is reflected in retained earnings and the same is not eligible to be reclassified to profit or loss.

Defined benefit costs comprising current service cost, past service cost and gains or losses on settlements are recognised in the Statement of Profit and Loss as employee benefit expenses. Interest cost implicit in defined benefit employee cost is recognised in the Statement of Profit and Loss under finance cost. Gains or losses on settlement of any defined benefit plan are recognised when the settlement occurs. Past service cost is recognised as expense at the earlier of the plan amendment or curtailment and when the Company recognizes related restructuring costs or termination benefits.

In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognise the obligation on a net basis.

iii. Long term employee benefits:

The obligation recognised in respect of long term benefits such as long term compensated absences is measured at present value of estimated future cash flows expected to be made by the Company and is recognised in a similar manner as in the case of defined benefit plans vide (ii) (b) above.

iv. Termination benefits:

Termination benefits such as compensation under employee separation schemes are recognised as expense when the Company's offer of the termination benefit is accepted or when the Company recognises the related restructuring costs whichever is earlier.

1.11 Financial instruments:

Financial assets and financial liabilities are recognised in the Company's balance sheet when the Company becomes a party to the contractual provisions of the instrument.

Recognised financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in profit or loss.

A financial asset and a financial liability is offset and presented on net basis in the balance sheet when there is a current legally enforceable right to set-off the recognised amounts and it is intended to either settle on net basis or to realise the asset and settle the liability simultaneously.

1.12 Write off:

Loans and debt securities are written off when the Company has no reasonable expectations of recovering the financial asset (either in its entirety or a portion of it). This is the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. A write-off constitutes a de-recognition event. The Company may apply enforcement activities to financial assets written off. Recoveries resulting from the Company's enforcement activities will result in impairment gains.

1.13 Impairment:

The Company recognises loss allowances for ECLs on the following financial instruments that are not measured at FVTPL:

- Loans and advances to customers;
- Debt investment in Securities;
- Equity investment in Securities
- Trade and other receivable;
- Lease receivables;
- Irrevocable loan commitments issued; and
- Financial guarantee contracts issued.

Credit-impaired financial assets

A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred. Credit-impaired financial assets are referred to as Stage 3 assets. Evidence of credit impairment includes observable data about the following events:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or past due event;
- the lender of the borrower, for economic or contractual reasons relating to the borrower's financial difficulty, having granted to the borrower a concession that the lender would not otherwise consider;
- the disappearance of an active market for a security because of financial difficulties; or
- the purchase of a financial asset at a deep discount that reflects the incurred credit losses.

It may not be possible to identify a single discrete event—instead; the combined effect of several events may have caused financial assets to become credit-impaired. The Company assesses whether debt instruments that are financial assets measured at amortised cost or FVTOCI are credit-impaired at each reporting date. To assess if corporate debt instruments are credit impaired, the Company considers factors such as bond yields, credit ratings and the ability of the borrower to raise funding.

A loan is considered credit-impaired when a concession is granted to the borrower due to a deterioration in the borrower's financial condition, unless there is evidence that as a result of granting the concession the risk of not receiving the contractual cash flows has reduced significantly and there are no other indicators of impairment. For financial assets where concessions are contemplated but not granted the asset is deemed credit impaired when there is observable evidence of credit-impairment including meeting the definition of default. The definition of default (see below) includes unlikelihood to pay indicators and a back-stop if amounts are overdue for 90 days or more.

1.14 Cash and bank balances:

Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

1.15 Securities premium account:

i. Securities premium includes:

- The difference between the face value of the equity shares and the consideration received in respect of shares issued pursuant to Stock Option Scheme.
- The fair value of the stock options which are treated as expense, if any, in respect of shares allotted pursuant to Stock Options Scheme.

ii. The issue expenses of securities which qualify as equity instruments are written off against securities premium account.

1.16 Borrowing costs:

Borrowing costs include interest expense calculated using the effective interest method, finance charges in respect of assets acquired on finance lease and exchange differences arising from foreign currency borrowings, to the extent they are regarded as an adjustment to interest costs.

Borrowing costs net of any investment income from the temporary investment of related borrowings, that are attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

1.17 Accounting and reporting of information for Operating Segments:

Operating segments are those components of the business whose operating results are regularly reviewed by the chief operating decision making body in the Company to make decisions for performance assessment and resource allocation. The reporting of segment information is the same as provided to the management for the purpose of the performance assessment and resource allocation to the segments. Segment accounting policies are in line with the accounting policies of the Company.

1.18 Foreign currencies:

- i. The functional currency and presentation currency of the Company is Indian Rupee. Functional currency of the Company and foreign operations has been determined based on the primary economic environment in which the Company and its foreign operations operate considering the currency in which funds are generated, spent and retained.
- ii. In currencies other than the Company's functional currency are recorded on initial recognition using the exchange rate at the transaction date. At each Balance Sheet date, foreign currency monetary items are reported at the prevailing closing spot rate. Non-monetary items that are measured in terms of historical cost in foreign currency are not retranslated.

Exchange differences that arise on settlement of monetary items or on reporting of monetary items at each Balance Sheet date at the closing spot rate are recognised in the Statement of Profit and Loss in the period in which they arise.

- iii. Financial statements of foreign operations whose functional currency is different than Indian Rupees are translated into Indian Rupees as follows –
 - A. assets and liabilities for each Balance Sheet presented are translated at the closing rate at the date of that Balance Sheet;

- B. income and expenses for each income statement are translated at average exchange rates; and
- C. all resulting exchange differences are recognised in other comprehensive income and accumulated in equity as foreign currency translation reserve for subsequent reclassification to profit or loss on disposal of such foreign operations.

1.19 Taxation:

Current Tax:

Tax on income for the current period is determined on the basis of taxable income (or on the basis of book profits wherever minimum alternate tax is applicable) and tax credits computed in accordance with the provisions of the Income Tax Act, 1961 and based on the expected outcome of assessments/appeals.

Deferred Tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Company's financial statements and the corresponding tax bases used in computation of taxable profit and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax assets are generally recognised for all taxable temporary differences to the extent that is probable that taxable profit will be available against which those deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets relating to unabsorbed depreciation/business losses/losses under the head "capital gains" are recognised and carried forward to the extent of available taxable temporary differences or where there is convincing other evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets in respect of unutilised tax credits which mainly relate to minimum alternate tax are recognised to the extent it is probable of such unutilised tax credits will get realised.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of reporting period, to recover or settle the carrying amount of its assets and liabilities.

Transaction or event which is recognised outside profit or loss, either in other comprehensive income or in equity, is recorded along with the tax as applicable.

1.20 Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised only when:

- i. an Company entity has a present obligation (legal or constructive) as a result of a past event; and
- ii. it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- iii. a reliable estimate can be made of the amount of the obligation

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows. Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Contingent liability is disclosed in case of:

- i. a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; and
- ii. a present obligation arising from past events, when no reliable estimate is possible.

Contingent assets are disclosed where an inflow of economic benefits is probable. Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision.

1.21 Statement of Cash Flows:

Statement of cash flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- i. changes during the period in operating receivables and payables transactions of a non-cash nature;
- ii. non-cash items such as depreciation, provisions, deferred taxes, unrealised gains and losses; and
- iii. all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of Balance Sheet.

1.22 Earnings Per Share:

The Company presents basic and diluted earnings per share data for its ordinary shares. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year. Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares.

1.23 Key Source of Estimation:

The preparation of financial statements in conformity with Ind AS requires that the management of the Company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates include useful lives of property, plant and equipment & intangible assets, expected credit loss on loan books, future obligations in respect of retirement benefit plans, fair value measurement etc. Difference, if any, between the actual results and estimates is recognised in the period in which the results are known.

1.24 Changes in Accounting Standard and recent accounting pronouncements (New Accounting Standards issued but not effective):

On March 30, 2021, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2019, notifying Ind AS 116 on Leases. Ind AS 116 would replace the existing leases standard Ind AS 17. The standard sets out the principles for the recognition, measurement, presentation and disclosures for both parties to a contract, i.e. the lessee and the lessor. Ind AS 116 introduces a single lease accounting model and requires a lessee to recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. Currently for operating lease, rentals are charged to the statement of profit and loss. The Company is currently evaluating the implication of Ind AS 116 on the financial statements.

The Companies (Indian Accounting Standards) Amendment Rules, 2019 notified amendments to the following accounting standards. The amendments would be effective from April 1, 2019

- a) Ind AS 12, Income taxes — Appendix C on uncertainty over income tax treatments
- b) Ind AS 19— Employee benefits
- c) Ind AS 23 – Borrowing costs
- d) Ind AS 28— investment in associates and joint ventures
- e) Ind AS 103 and Ind AS 111 — Business combinations and joint arrangements
- f) Ind AS 109 — Financial instruments

The Company is in the process of evaluating the impact of such amendments.

1.25 Inventories

Inventories have been valued at the method prescribed in the Accounting Standards.

1.26 Other Income Recognition

Interest on Loan is booked on a time proportion basis taking into account the amounts invested and the rate of interest.

Dividend income on investments is accounted for when the right to receive the payment is established.

1.27 Purchases

Purchase is recognized on passing of ownership in share based on broker's purchase note.

1.28 Expenditure

Expenses are accounted for on accrual basis and provision is made for all known losses and liabilities.

1.29 Investments

Current investments are stated at the lower of cost and fair value. Long-term investments are stated at cost. A provision for diminution is made to recognise a decline, other than temporary, in the value of long-term investments. Investments are classified into current and long-term investments.

Investments that are readily realisable and are intended to be held for not more than one year from the date, on which such investments are made, are classified as current investments. All other investments are classified as non-current investments.

1.30 Related Parties

Parties are considered to be related if at any time during the reporting period one party has the ability to control the other party or exercise significant influence over the other party in making financial and/or operating decisions.

As required by AS-18 "Related Party Disclosure" only following related party relationships are covered:

- i. Enterprises that directly, or indirectly through one or more intermediaries, control, or are controlled by, or are under common control with, the reporting enterprise (this includes holding Companies, subsidiaries and fellow subsidiaries);
- ii. Associates and joint ventures of the reporting enterprise and the investing party or venture in respect of which the reporting enterprise is an associate or a joint venture;
- iii. Individuals owning, directly or indirectly, an interest in the voting power of the reporting enterprise that gives them control or significant influence over the enterprise, and relatives of any such individual;
- iv. Key management personnel (KMP) and relatives of such personnel; and
- v. Enterprises over which any person described in (iii) or (iv) is able to exercise significant influence.

1.31 Stock In Trade

Shares are valued at cost or market value, whichever is lower. The comparison of Cost and Market value is done separately for each category of Shares.

Units of Mutual Funds are valued at cost or market value whichever is lower. Net asset value of units declared by mutual funds is considered as market value for non-exchange traded Mutual Funds.

1.32 Fair Value Hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

1.33 Financial Risk Management Objectives and Policies:

The Company's activities are exposed to a variety of Financial Risks from its Operations. The key financial risks include Market risk, Credit risk and Liquidity risk.

i. Market Risk:

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises mainly three types of risk, foreign currency risk, Interest rate risk and other price risk such as Equity price risk and Commodity Price risk.

ii. Foreign Currency Risk:

There are no Foreign Currency transactions during the financial year.

iii. Foreign Currency Sensitivity:

There are no Foreign Currency transactions during the financial year.

iv. Credit Risk:

Credit risk is the risk that counterparty might not honor its obligations under a financial instrument or customer contract, leading to a financial loss. The company is exposed to credit risk from its operating activities (primarily trade receivables).

v. Trade Receivables:

Customer credit risk is managed based on company's established policy, procedures and controls. The company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

Credit risk is reduced by receiving pre-payments and export letter of credit to the extent possible. The Company has a well-defined sales policy to minimize its risk of credit defaults. Outstanding customer receivables are regularly monitored and assessed. The Company follows the simplified approach for recognition of impairment loss and the same, if any, is provided as per its respective customer's credit risk as on the reporting date.

vi. Liquidity Risk:

Liquidity risk is the risk, where the company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The company's approach is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when due.

1.34 Summary of Significant Accounting Policies General

- Contingent Liabilities & Commitments - Nil
- Additional Information disclosed as per Part II of the Companies Act, 2013 – Nil

1.35 Cash and cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

1.36 Earnings/(loss) per share**i. Basic earnings/ (loss) per share**

Basic earnings / (loss) per share is calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year.

ii. Diluted earnings / (loss) per share

Diluted earnings / (loss) per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

Note 35: Fair Value Measurements:

i. Fair value hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

ii. Financial Assets and Financial Liabilities measured at Fair Value

The Company's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations. The Company also holds FVTPL investments in equity shares.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's Board of Directors oversees the management of these risks. The Company's Board of Directors is supported by the senior management that advises on financial risks and the appropriate financial risk governance framework for the Company. The senior management provides assurance to the Company's board of directors that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

The carrying amounts reported in the statement of financial position for cash and cash equivalents, trade and other receivables, trade and other payables and other liabilities approximate their respective fair values due to their short maturity.

Note 36: Financial Instruments Risk Management:

Market Risk

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices, which will affect the company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The company has exposure only to financial instruments at fixed interest rates. Hence, the company is not exposed to significant interest rate risk.

Price Risk

The company's exposure to equity securities price risk arises from investments held by the company and classified in the balance sheet either at fair value through OCI or at fair value through profit and loss.

Credit Risk

Credit risk is the risk that counterparty fails to discharge an obligation to the Company, leading to a financial loss. The Company is mainly exposed to the risk of its balances with the bankers and trade and other receivables.

Ageing of Trade & Other Receivables is as follows:

Trade & Other Receivable Ageing Schedule – 31st March 2024

Particulars	outstanding from following period from due date of payments					Total
	Less than 6 Month	6 month-1 Year	1-2 Years	2-3 Years	More than 3 Years

Liquidity Risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company considers the liquidity of the market in which the entity operates. The Company's principal sources of liquidity are the cash flows generated from operations. The Company has no long-term borrowings and believes that the working capital is sufficient for its current requirements. Accordingly, no liquidity risk is perceived.

The tables below analyses the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for all non-derivative financial liabilities. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is insignificant.

Note 41: Other Notes to Accounts

- In the opinion of the management, current assets, loans and advances and other receivables are approximately of the value stated, if realized in the ordinary course of business. The provisions of all known liability are ascertained, except for Trade Receivables. Since the receivables are dues for more than one year, we are not certain about the recoveries of the same. The Company is confident of receiving the dues and hence no contingency liabilities have been provided.
- Previous year figures have been restated to confirm the classification of the current year.
- Balances of Sundry Debtors, Unsecured Loans, and Sundry Creditors are Loans & Advances are subject to reconciliation, since conformations have not been received from them. Necessary entries will be passed on receipt of the same if required.
- The company has not provided for Gratuity and Leave Encashment to Employees on accrual basis, which is not in conformity with AS-15 issued by ICAI. However, in the opinion of management the amount involved is negligible and has no impact on Statement of Profit & Loss.
- The disclosure regarding details of specified bank notes held and transacted during 8 November 2016 to 30 December 2016 have not been made since the requirement does not pertain to financial year ended March 31, 2024.
