## **Infosys positioned as a Leader in the 2024 Gartner® Magic Quadrant™ for Public Cloud IT Transformation Services for the Second Consecutive Year**

*Infosys Cobalt and Infosys Topaz Drive Cloud Innovation and AI Transformation for Enterprises*

**Bengaluru, India – February 04, 2025:** [Infosys](#) (NSE, BSE, NYSE: INFY), a global leader in next-generation digital services and consulting, today announced that it has been positioned as a Leader in the 2024 Gartner Magic Quadrant for Public Cloud IT Transformation Services (PCITS) report. Infosys has been recognized for the second year in a row for its ability to execute and completeness of vision.

With Infosys Cobalt and Infosys Topaz offerings, Infosys is uniquely positioned to help businesses navigate and achieve their cloud-powered, AI-first transformation, enabling them to become future-ready enterprises with unlimited potential. [Infosys Cobalt](#) - a set of services, solutions, and platforms for enterprises to accelerate their cloud journey - establishes a strong digital foundation to increase digital density for enterprises. [Infosys Topaz](#) - an AI-first set of services, solutions and platforms that uses gen AI technologies for enterprises - enables enterprises to be [data-ready](#) for AI and promotes an AI-first approach to drive business growth.

“Gartner defines PCITS as services designed to deliver transformational outcomes via the utilization of cloud-native professional and managed services.” In the Magic Quadrant, Gartner evaluated 21 service providers in the public cloud IT transformation market based on 15 criteria. According to Gartner, “Leaders have a track record of successful delivery of high-quality professional and managed services that thoughtfully exploit the capabilities of the cloud platform. They are well-positioned to deliver leading-edge services into the future and to indicate the direction of the market.”

**Anant Adya, EVP and Service Offering Head, Infosys**, said, “We think our continued innovations and investments in cloud coupled with our unwavering customer-centric focus have resulted in Infosys being recognized as a Leader in the 2024 Gartner Magic Quadrant for Public Cloud IT Transformation Services, for the second consecutive year. We believe that the integration of Infosys Cobalt with Infosys Topaz portfolio, combined with our core competencies across industries, demonstrates our unwavering commitment to driving innovation and enabling enterprises to achieve their strategic objectives in their cloud transformation journey. We remain focused on leveraging our comprehensive cloud service offerings to continue delivering significant value and advancing our clients' digital transformation initiatives.”

### **Safe Harbor**

Certain statements in this release concerning our future growth prospects, or our future financial or operating performance, are forward-looking statements intended to qualify for the 'safe harbor' under the Private Securities Litigation Reform Act of 1995, which involve a number of risks and uncertainties that could cause actual results or outcomes to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding the execution of our business strategy, increased competition for talent, our ability to attract and retain personnel, increase in wages, investments to reskill our employees, our ability to effectively implement a hybrid work model, economic uncertainties and geo-political situations, technological disruptions and innovations such as Generative AI, the complex and evolving regulatory landscape including immigration regulation changes, our ESG vision, our capital allocation policy and expectations concerning our market position, future operations, margins, profitability, liquidity, capital resources, our corporate actions including acquisitions, and cybersecurity matters. Important factors that may cause actual results or outcomes to differ from those implied by the forward-looking statements are discussed in more detail in our US Securities and Exchange Commission filings including our Annual Report on Form 20-F for the fiscal year ended March 31, 2024. These filings are available at [www.sec.gov](http://www.sec.gov). Infosys may, from time to time, make additional written and oral forward-looking statements, including statements contained in the Company's filings with the Securities and Exchange Commission and our reports to shareholders. The Company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the Company unless it is required by law.
