Press Release

*“This year’s selections for our Top 20 IT and Technical Training Companies List represent an innovative group of providers in the IT training sector. These organizations provide innovative techniques and practices in developing high-quality content for all types of IT, security, data professionals and more. They utilize advanced technologies and modalities like artificial intelligence (AI), augmented reality (AR) and virtual labs for a wide variety of topics and skill-based learning to quickly adapt to the ever-changing IT market,”* said **Jessica Schue, market research analyst at Training Industry, Inc.**

*“We are honored to be recognized as a Top IT and Technical Training Company by Training Industry for the fifteenth consecutive year. At NIIT, we blend expert-led, role-specific learning paths with cutting-edge technologies like AI, AR, and virtual labs to create immersive, skill-based training experiences. Our managed training services streamline IT skills development, eliminating the complexity and cost of managing multiple vendors. Learners gain a seamless experience with flexible, high-quality training options that empower them to build relevant skills at scale”,* said **Sailesh Lalla, Chief Business Officer at NIIT MTS.**

*(Disclaimer: NIIT MTS does not have any relation with the awarding agency and has nothing to do with the process and screening of the awards.)*
