Cong capable of winning on its own in Haryana, no alliance talks with any party yet: Hooda

NEW DELHI, AUG 14 /--/ The Congress is capable of winning the Haryana assembly polls on its own and no talks have been held with any party for an alliance vet, former Harvana Chief Minister Bhupinder Singh Hooda has said, indicating that his party may not have a tie-up with the AAP in the upcoming elections

In an interview with news agency PTI, Hooda also stressed that winnability would be the criteria for ticket distribution for the assembly polls. Asked if there is a possibility of a tie-up with its INDIA bloc partner Aam Aadmi Party (AAP) for the state elections, the senior Congress leader said: "We have an alliance at the national level (with the AAP) but as far as state level is concerned, no talks have been held with any party." "The Congress is capable (to win) on its own. No talks have been held yet," the two-time Chief Minister said. On Tuesday, when asked about alliances especially in states such as Haryana, Congress general secretary in-charge organisation, K C Venugopal had said, "We have already discussed the poll preparations in Maharashtra, Haryana, Jharkhand and Jammu and Kashmir. Wherever alli ances are needed, the local unit is deciding, they will go for that." Hooda's remarks also came weeks after Congress general secretary, in charge communications. Jairam Ramesh said there does not appear to be much scope for an alliance between the Congress and the AAP for the assembly polls in Haryana and Delhi but the INDIA bloc will fight elections together in Maharashtra and Jharkhand. In an interview

with news agency PTI, Ramesh had said there is no one formula the INDIA bloc will follow for state elections. The grouping will fight together in states where Congress leaders and other alliance partners agree to such an understanding, he had said. The Congress and the AAP had fought the Lok Sabha polls together in Delhi while they contested separately in Punjab. The Congress had given one seat to the AAP in

(BJP government) have increased it to 18 per cent. So. the input cost has gone up but farmers' income has gone down," the Congress leader said. So, if sustainable income has to be ensured for farmers, legal guarantee for MSP should be given, he added. Talking about the guarantees, given by the Haryana Congress, Hooda said if the party comes to power, old-age pension will be increased to Rs 6,000, the old pension

scheme will be brought back, gas cylinder will be available at Rs 500, 300 units of electricity will be free, and 2 lakh vacant posts will be filled up. The former CM said if a Congress government comes to power it will also improve the law and or-

der situation and get more investments to the state to give a boost to job creation. "There is no investment coming in because money is being extorted from people. Law and order has collapsed in the state so no one is investing We will bring in invest-

ment to give a fillip to job creation," Hooda said. He claimed that winds of change are blowing in the state because the BJP-JJP government was a "non-performing government".

The BJP-JJP alliance was a "thug bandan" and the BJP government has not done any development, Hooda said. People have made up their mind to bring a Congress government to power, he added. (PTI)

ana in the elections. Jharkhand Haryana and Maharashtra are slated to go for assembly polls later this year. Elections are due early next year in Delhi.

Hooda, 76, also said the Agnipath military recruitment scheme as well as the legal guarantee for minimum support price (MSP) for crops are big issues in Haryana. "If a Congress government comes, we are opposing this (Agnipath) scheme because what will a person do after returning from service, following four years. They (Union government) say Agniveers will get reservation but there is already reservation for exservicemen. What will they do after four years?" the se nior Congress leader asked. Every year, around 5,000 people used to be selected in the armed forces but this year only 250 were selected, he said.
