Dear Sir/Madam

Subject: Corrigendum to Earnings Conference Call Intimation under Regulation 30(6) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Ref: Our intimation dated October 30, 2024, regarding the Schedule of Analyst/Institutional Investor Meet/Call

With reference to our earlier communication dated October 30, 2024, regarding the Earnings Conference Call scheduled for Wednesday, November 6, 2024, at 6:30 p.m. IST, we would like to inform that the Express Join link with DiamondPass in our previous communication had technical issues, which prevented investors from registering. We have now attached an updated invitation with a new link for easy registration.

We request you to kindly take the above on record and oblige.

Thanking you.

Yours faithfully,
For Jindal Steel & Power Limited

Anoop Singh Juneja
Company Secretary

Encl.: as above

Company Profile:

Jindal Steel & Power (JSP) is a leading player in the steel industry and has established as a global player in its chosen industries. The company has crude steel capacity of 9.6MT currently and has undertaken a capacity expansion program along with backward integration and cost saving projects which will transform the trajectory of the business. As part of the current expansion phase, the company's crude steel capacity will increase to 15.9MT by FY26F. JSP offers a wide range of customised high-quality steel products from its integrated steel plants in India. Some of JSP's prominent focus areas continue to be innovation, excellence and sustainability, evident in its business operations that result in eco-friendly and high-performance steel solutions that contribute to a more sustainable future. The company has received EPD certification for manufacture of ultra low carbon steel which demonstrates its commitment to sustainable steel manufacturing. The company serves various sectors with its diverse product portfolio, including infrastructure, construction and automotive, establishing a formidable presence for JSP in both domestic and international markets across 32+ countries.
