1.1 Meeting to consider the Scheme of Amalgamation

- (a) Pursuant to the Order passed by the Hon'ble Tribunal, a Meeting of the equity shareholders of the Company is being convened through VC/OAVM, in compliance with the applicable provisions of the Act and its rules thereunder, as amended from time to time, the circulars issued thereunder, and the SEBI Listing Regulations, for considering, and if thought fit, approving the proposed Scheme. This is a Statement accompanying the Notice convening the Meeting of the equity shareholders of the Transferee Company on Wednesday, March 05, 2025, at 11:00 a.m. IST.
- (b) The Scheme, *inter alia*, provides for:
- (i) the transfer and vesting of the Transferor Company (together with all its assets and liabilities) with and into the Transferee Company on a going concern basis;
 - (ii) the authorized share capital of the Transferor Company, as indicated in Clause 3 of the Scheme, viz. Rs. 2,00,00,000/- (Rupees Two Crores only) shall be deemed to be combined with the authorized share capital of the Transferee Company, without any further act, instrument or deed on part of the Transferee Company including payment of stamp duty and fees payable to the Registrar of Companies and the stamp duty and fees paid by the Transferor Company on its existing authorized share capital shall be set-off against any stamp duty and fees payable by the Transferee Company on any increase in the authorized share capital of the Transferee Company pursuant to the Scheme;
 - (iii) equity share capital held by the Transferee Company in the Transferor Company to the extent of 6,46,134 (Six Lakhs Forty-Six Thousand One Hundred and Thirty-Four) equity shares of face value INR 10 (Indian Rupees Ten) each shall stand cancelled;
 - (iv) the dissolution of the Transferor Company, without being wound up;
 - (v) in consideration of the amalgamation of the Transferor Company with and into the Transferee Company, the issuance of equity shares of the Transferee Company to all the shareholders of the Transferor Company (other than the Transferee Company) as per the Share Exchange Ratio, i.e. for every 1 (One) fully paid-up equity share of face value of INR 10 (Indian Rupees Ten) each held by a member of the Transferor Company, 6 (Six) equity shares of the Transferee Company credited as fully paid-up equity shares of face value INR 5 (Indian Rupees Five) each will be issued; and
 - (vi) various other matters consequential or otherwise integrally connected therewith, pursuant to the provisions of Sections 230 to 232 read with other applicable / relevant provisions of the Act and in compliance with the provisions of the Income Tax Act, 1961 and other applicable regulatory requirements. The salient features of the Scheme

are given in paragraph 1.4 below and the detailed terms of the amalgamation are covered in the Scheme, a copy of which is enclosed as Annexure A.

1.2 Rationale and Benefits of the Scheme.

- (a) The Transferor Company and the Transferee Company are part of the same management group viz. RR Global which is one of the leading conglomerates in the electrical & copper industry. The Transferee Company is the holding company of the Transferor Company holding 60% of the share capital of the Transferor Company. The Transferor Company is, *inter alia*, engaged in the business of manufacturing of Level Wound Coils (LWC), Pancake Coils (PCC), and Straight Copper tubes as well as seamless copper tubes. Thus, the commercial activities of both the companies are complimentary in nature.

As a result of recent government policies like imposition of Antisubsidy Duty as well as introduction of Production Linked Incentive Scheme, it is anticipated that the manufacturing activity of Air Conditioners with demand of copper tubes has a very bright future. It has been realised by the Board of Directors of both the companies that the amalgamation of both these companies shall be immensely helpful under these circumstances and shall help to streamline the current organization structure as well as to realize commercial synergies and thereby achieve following objectives: -

- (i) The proposed amalgamation will offer an immense opportunity to consolidate the portfolio of products that are relevant to the industry under a single roof;
- (ii) The proposed amalgamation will facilitate better reach in terms of various customer base and will provide a stronger market position to the merged entity;
- (iii) The proposed amalgamation will result in operational synergies and efficiency for the merged entity. Accordingly, the Scheme would strengthen and complement the businesses of the companies;
- (iv) The Scheme would help in achieving synergies in business operations and streamlining the business activities for the companies, combining the following activities which would result in significant growth in business: – (i) material procurement; (ii) storage and dispatches; (iii) internal movement of materials; (iv) sharing of common utilities; (v) re-distribution of marketing portfolios thereby reducing marketing and travelling costs;
- (v) The Amalgamation of Transferor Company with the Transferee Company will result into enlarged combined assets base and will also provide an opportunity for the merged entity to leverage on such assets;

- (vi) Greater integration and greater financial strength and flexibility for the Transferee Company, which would result in maximizing overall shareholders value, and will improve the competitive position of the merged entity;
- (vii) The proposed amalgamation would help in enhancing the scale of operations, reduction in overheads, including administrative, statutory compliances, managerial and other expenditure, operational rationalization, organizational efficiency, and optimal utilization of resources by avoiding duplication of efforts; and
- (viii) Taking into consideration the above synergies, the merged entity would result in better profitability and EBITDA margins, and accordingly, the stronger financials will provide a better opportunity in terms of better trade credits, financial resources and in negotiations for prices and suppliers credit terms for the merged entity.

The proposed Amalgamation shall not be prejudicial to the interest of the shareholders and shall not have any adverse impact on creditors and other stakeholders of the Transferor and Transferee Company.

1.9 No investigation proceedings

There are no proceedings pending under Sections 210 to 227 of the Act against the Transferor Company and / or the Transferee Company.

1.10 Amounts due to unsecured creditors

The respective amounts due to unsecured creditors of the Transferor Company and the Transferee Company

as on 30 September 2024 are as follows:

Sr. No.	Company	Amount (INR in Lakhs)
1.	Transferor Company	3,024.39
2.	Transferee Company	14,802.46

1.11 Summary of Valuation Report (including basis of valuation), Share Exchange Ratio Report and Fairness Opinion

- (a) The Transferor Company and Transferee Company appointed Mr. Arpit Surendra Parikh (IBBI Registered Valuer Number IBBI/RV/07/2023/15379), a Registered Valuer (“RV”), as independent valuer for recommendation of Share Exchange Ratio for the proposed amalgamation of Transferor Company with and into Transferee Company.
- (b) RV carried out the valuation independently and recommended the Share Exchange Ratio vide a valuation report dated June 13, 2024, which is enclosed as **Annexure E**.
- (c) The summary of the valuation report as submitted by the valuer is as under:

- (i) The computation of the Share Exchange Ratio by RV

Valuation Approach	Ram Ratna Wires Limited		Global Copper Private Limited	
	Value per share (INR)	Weight (%)	Value per share (INR)	Weight (%)
<u>Market Approach</u>				
- Market Price Method	358.5	25.00	N/A*	0.00
- Comparable Companies Method	392.5	25.00	2243.3	50.00
<u>Income Approach</u>				
Discounted Cash Flow	382.0	50.00	2283.2	50.00
<u>Asset Approach</u>				
Net Asset Value Method	122.1	0.00	361.6	0.00
Fair Value per share (Weighted Average)	378.7		2263.2	
Fair Share Exchange ratio (rounded off)	6.0			

*N/A – Not Applicable

- (d) The RV considered commonly used and accepted valuation approaches in carrying out the valuation analysis and arriving at the valuation conclusion as mentioned in his Valuation Report dated June 13 2024 which has been summarised as under:
- (i) **DCF Method**: The Income approach converts future amount (cashflows) to a single discounted amount. The valuation is determined based on the value indicated by current market expectations about those future amounts. Given the nature of the businesses of the Companies and the fact that Transferor Company and Transferee Company have provided their projected financials for arriving at income-based valuation using Discounted Cash Flow (“DCF”) method.
 - (ii) **Market Price Method**: Valuation under market price method for Transferee Company has been arrived at basis higher of 90 trading days volume weighted average price or 10 trading days volume weighted average price in accordance with the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018.
 - (iii) **CCM Method**: Under Comparable Companies Multiple (“CCM”) method, the value of the equity shares of a company is determined on the basis of multiples derived from valuations of comparable companies. Considering analysis and discussion with the Management, RV considered that there are comparable listed companies which operate in similar line of business and have similar operating/ financial metrics as that of Transferor Company and Transferee Company, RV have therefore used CCM Method to value the equity shares of Transferor Company and Transferee Company.
 - (iv) Under NAV method, total value of the business is based either on net asset value or realizable value or replacement cost basis. NAV methodology is most applicable for the business where the value lies in the underlying assets and not the ongoing operations of the business. NAV method does not capture the future earning capacity of the business. The valuation is undertaken with going concern assumption and RV do not contemplate an actual sale realization of the individual assets. Hence, RV have not considered NAV method for the said valuation purpose as both Transferor Company and Transferee Company are operating businesses and RV understand that historical book value does not reflect intrinsic value of their businesses. RV have therefore not considered NAV method for the said valuation. RV have however considered the NAV for information purposes only.
- (e) The Share Exchange Ratio has been arrived on the basis of value of equity shares of Transferor Company and Transferee Company based on various approaches / methods explained above and detailed in the valuation report and is based on various qualitative factors relevant to each company and business dynamics of both the companies. RV assigned appropriate weightages to DCF method,

CCM method and Market Price method to recommend a Share Exchange Ratio for amalgamation of Transferor Company with and into Transferee Company. For further details on the valuation in relation to the Scheme, please access to the following link: <https://www.rrshramik.com/investor/scheme-of-amalgamation/>.

- (f) The Transferor Company and Transferee Company appointed Horizon Management Private Limited (“**HMPL**”), an independent SEBI Registered Category I Merchant Banker (SEBI Registration No. INM000012926) to provide their independent opinion to its Board of Directors on the fairness of the Share Exchange Ratio recommended by Mr. Arpit Surendra Parikh, from a financial point of view. HMPL submitted the Fairness Opinion dated June 13, 2024, on the fairness of the Share Exchange Ratio for the proposed amalgamation of Transferor Company with and into Transferee Company. The said Fairness Opinion is enclosed as **Annexure F**.
- (g) The valuation report issued by the RV and the fairness opinion provided by HMPL were placed before the Board of Directors of Transferor Company and Transferee Company at their meetings held on June 13, 2024.
- (h) Based on the above, the Share Exchange Ratio has accordingly been recommended as follows:
6 (Six) Transferee Company Shares, credited as fully paid-up equity shares of the face value of INR 5 (Indian Rupees Five) each, for every 1 (One) fully paid-up equity share of the face value of INR 10 (Indian Rupees Ten) each held by such member in the Transferor Company.
- (i) The Audit Committee of the Transferee Company at its respective meeting held on June 13, 2024, have recommended the Scheme, including the Share Exchange Ratio, after taking into consideration, *inter alia*, the cost benefit analysis of the Scheme, the fairness opinion (mentioned in sub-paragraph (f) above) and valuation report (mentioned in subparagraph (b) above) and the report of the same is annexed to this Notice as **Annexure H**.
- (j) The Committee of Independent Directors of Transferee Company at its respective meeting held on June 13, 2024, have recommended the Scheme, including the Share Exchange Ratio, after taking into consideration, *inter alia*, the cost benefit analysis of the Scheme, the fairness opinion (mentioned in sub-paragraph (f) above) and valuation report (mentioned in subparagraph (b) above) and the report of the same is annexed to this Notice as **Annexure I**.

1.12 Shareholding and Capital Structure of the Transferee Company and the Transferor Company

The shareholding pattern of the Transferor Company (pre-Scheme) and the Transferee Company (pre-Scheme and post-Scheme) for equity shares as on June 14, 2024, is enclosed herewith as **Annexure J1, J2 & J3**. The pre-Scheme shareholding pattern of the Transferor Company shall stand cancelled and accordingly, there will be no post-Scheme shareholding pattern of the Transferor Company.

1.13 Auditors' Certificate of conformity of accounting treatment in the Scheme with the Indian Accounting Standards

The Statutory Auditor of the Transferee Company has confirmed that the accounting treatment specified in the Scheme is in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act, and the certificate is enclosed herewith as Annexure K.

1.14 No-objection of the Stock Exchanges

- (a) The Transferee Company had filed the Scheme with the Stock Exchanges in terms of the SEBI Master Circular No. SEBI/HO/CFD/POD-2/P/CIR/2023/93 dated June 20, 2023, for their approval. Apart from the same, the Transferee Company had also submitted the report of its Audit Committee and Independent Directors' Committee on the Scheme and various other documents to the Stock Exchanges, and also displayed the same on its website in terms of the SEBI Circular and addressed all queries on the said documents.
- (b) Further, the Transferee Company did not receive any complaint relating to the Scheme and 'Nil' Complaint Reports were filed by the Transferee Company with the Stock Exchanges in terms of the SEBI Circular, copies of which are enclosed as Annexure L1 & L2. The Stock Exchanges by their Observation Letters dated October 29, 2024, have given their no-objection to the Scheme. Copies of the said Observation Letters issued by the Stock Exchanges to the Transferee Company are enclosed as Annexure M1 & M2.
- (c) Certain information, as advised by the Stock Exchanges have been provided under the following paragraphs of this Explanatory Statement:
 - (i) the rationale and benefits of the Scheme and the entities has been mentioned in paragraph 1.2 above;
 - (ii) the Share Exchange Ratio and the rationale for arriving at the Share Exchange Ratio has been mentioned in paragraph 1.11 above; and
 - (iii) impact of the Scheme on the shareholders has been mentioned in paragraph 1.8 above.
- (d) Further documents and information, as advised by the Stock Exchanges, are also provided as under:
 - (i) Annexure N: Abridged Prospectus pertaining information to the Transferor Company.
 - (ii) Annexure O: Details of ongoing adjudication & recovery proceedings, prosecution initiated and all other enforcement action, if any, against the Transferee Company and their

respective promoters and directors.

(iii) **Impact of scheme on revenue generating capacity of the Transferee Company:**

The Transferor Company is engaged into manufacturing and dealing of Copper Seamless Tubes, Level Wound Coils (LWC), Pancake Coils (PCC), Straight Copper tubes etc. which had generated revenues of INR 344.04 crores for the year ended March 31, 2024. Pursuant to amalgamation, entire businesses of Transferor Company along with its revenue generating capacity would be transferred to the Transferee Company. Further, as the Transferor Company is subsidiary of Transferee Company, there would not be any impact on consolidated revenue generating capacity of the Company.

(iv) **Need and rationale of the Scheme, impact of the Scheme on the shareholders and cost benefit analysis of the Scheme:**

- Need and rationale of the Scheme is included in the clause 1.2 above.

- **Impact of the scheme on shareholders**

Upon the Scheme coming into effect, all the shares of the Transferor Company held by the Transferee Company (either directly or through nominees) shall stand cancelled without any further application, act or deed. Further, the equity shareholders of the Transferor Company (other than the Transferee Company) will be issued fully paid-up equity shares of the Transferee Company in accordance with the share exchange ratio specified in the Valuation Report and the Fairness Opinion.

The Valuation Report and the Fairness Opinion Report provide adequate protection to the equity shareholders in the proposed Scheme as the share exchange ratio reflects the fair market value of the shares of the Transferor Company and the Transferee Company as on the date of the Valuation Report. Hence, value of the shares held by all the shareholders of the Transferor Company will reflect in their shareholding in the Transferee Company. Accordingly, the Scheme would not have any adverse impact on the shareholders.

- **Cost benefit analysis of the Scheme.**

As stated in the rationale, the benefits of the Scheme would far outweigh the cost of implementation of the Scheme.

(v) **Reason for not classifying the promoters of GCPL as promoters of the Transferee Company**

The Individual Promoters of GCPL (other than the Transferee Company) are third party individuals currently neither holding any stake in the Transferee Company nor having been classified as promoters of the Transferee Company. Further, post the scheme is made effective, the promoters of GCPL will be issued shares in the Transferee Company as per the exchange ratio (as determined in the valuation report) and since they are being

independent unrelated party with the existing shareholders of the Transferee Company, will be classified as public shareholders of the Transferee Company. Accordingly, there is no classification/ re-classification of the Promoters of the Transferee Company and the Promoter and Promoter Group of the Transferee Company before and after the scheme shall remain the same.

In addition to above, we have analysed regulation 2(1)(oo) & 2(1)(pp) of SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 and basis reading of the above we understand that, promoters of GCPL (other than the Transferee Company) neither satisfy the definition of promoter under regulation 2(1)(oo) nor promoter group under regulation 2(1)(pp) of the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 that is to say:

- The 40% shareholders of GCPL viz. Hitesh Laxmichand Vaghela, Hitesh Laxmichand Vaghela HUF, Usha Hitesh Vaghela, Kanugo Meera, Jigar Vaghela and Honest Enterprise Private Limited have not been named as Promoters of the Transferee Company neither in any offer document nor in the annual return.
- Non-promoter public shareholders have no control neither direct nor indirect over the Transferee Company as these shareholders post-merger would have ~ 5.5% stake in the Transferee Company and these shareholders does not have the right to appoint majority of the directors, nor these shareholders have any management rights or to control the management or policy decisions of the Transferee Company. Furthermore, though Mr. Hitesh Vaghela is at present the non-executive director of the Transferee Company however, he does not have any control over the management or the policy decisions of the Transferee Company.
- Non-promoter public shareholders neither direct/ instruct nor advice the board of directors of the Transferee Company and the board of directors are not accustomed to act under the influence of non-promoter public shareholders. Board of Directors of the Transferee Company are independent, and the non-promoter public shareholders have no role to play in its functioning.
- The shareholders of GCPL are not promoters as detailed out above and accordingly outside the promoter group definition.
- None of the shareholders of GCPL are immediate relatives of the existing Promoters of the Transferee Company.
- The promoter Body corporates of the Transferee Company have no holding/ subsidiary or shareholder relation with the shareholders of GCPL.
- The individual promoters of the Transferee Company have no direct/ indirect shareholding relationship with the shareholders of GCPL.
- The shareholders of GCPL have not been aggregated under the heading "shareholding of the promoter group" by the Transferee Company.

It has three manufacturing units all located in Silvassa, in the Union Territory of Dadra and Nagar Haveli and Daman and Diu. The Transferee Company is a listed company with its equity shares listed on BSE Limited (BSE) and the National Stock Exchange of India Limited (NSE). The Transferor Company is *inter alia* engaged in the manufacturing of super enamelled copper winding wires and strips, enamelled aluminium wires and strips, submersible winding wires, fiber glass covered copper and aluminium strips, paper cover round wires, braided wire, self-bonding wire etc. The products are sold domestically in Indian market and also exported to international markets under the popular brand name RR Shramik. The Transferee Company holds 6,46,134 fully paid-up equity shares of face value of Rs. 10 each amounting to 60% of the issued, subscribed and paid-up equity share capital of Global Copper Private

¹ The board of directors of the Transferor Company, at its meeting held on 10th April, 2024, approved shifting of its registered office from the state of Gujarat to the state of Maharashtra at Ram Ratna House, Dale Complex (Utopia City), Pandurang Badliwar Marg, Worli, Mumbai, Maharashtra - 400013 and is in the process of obtaining the requisite approvals to file the request under Section 13 and other applicable provisions of the Companies Act, 2013. It may be noted that the filing of merger application and partition pursuant to this scheme shall be made before the National Company Law Tribunal Mumbai Bench.

Limited, the Transferor Company under the present Scheme.

II. FACTS, RATIONALE AND BENEFITS:

Both the companies under the Scheme are part of the same management group viz. RR Global which is one of the leading conglomerates in the electrical & copper industry. RRWL, the Transferee Company is one of the leading manufacturers of super enamelled copper wires in India. It is the holding company of the Transferor Company holding 80% of the share capital of the Transferor Company. GCPL, the Transferor Company, is India's leading manufacturer of Level Wound Coils (LWC), Pancake Coils (PCC) and Straight Copper tubes as well as seamless copper tubes. Thus, the commercial activities of both the companies are complimentary in nature.

As a result of recent government policies like imposition of Antisubsidy Duty as well as introduction of Production Linked Incentive Scheme, it is anticipated that the manufacturing activity of Air Conditioners with demand of copper tubes has a very bright future. It has been realised by the Board of Directors of both the companies that the amalgamation of both these companies shall be immensely helpful under these circumstances and shall help to streamline the current organization structure as well as to realize commercial synergies and thereby achieve following objectives:-

- (i) The proposed amalgamation will offer an immense opportunity to consolidate the portfolio of products that are relevant to the industry under a single roof.
- (ii) The proposed amalgamation will facilitate better reach in terms of various customer base and will provide a stronger market position to the merged entity;
- (iii) The proposed amalgamation will result in operational synergies and efficiency for the merged entity. Accordingly, the Scheme would strengthen and complement the businesses of the companies;
- (iv) The Scheme would help in achieving synergies in business operations and streamlining the business activities for the

companies, combining the following activities which would result in significant growth in business: -

- a) material procurement;
 - b) storage and dispatches;
 - c) internal movement of materials;
 - d) sharing of common utilities;
 - e) re-distribution of marketing portfolios thereby reducing marketing and travelling costs;
- (v) The Amalgamation of Transferor Company with the Transferee Company will result into enlarged combined assets base and will also provide an opportunity for the merged entity to leverage on such assets;
- (vi) Greater integration and greater financial strength and flexibility for the Transferee Company, which would result in maximizing overall shareholders value, and will improve the competitive position of the merged entity;
- (vii) The proposed amalgamation would help in enhancing the scale of operations, reduction in overheads, including administrative, statutory compliances, managerial and other expenditure, operational rationalization, organizational efficiency, and optimal utilization of resources by avoiding duplication of efforts; and
- (viii) Taking into consideration the above synergies, the merged entity would result in better profitability and EBITDA margins, and accordingly, the stronger financials will provide a better opportunity in terms of better trade credits, financial resources and in negotiations for prices and suppliers credit terms for the merged entity.

The proposed Amalgamation shall not be prejudicial to the interest of the shareholders and shall not have any adverse impact on creditors and other stakeholders of the Transferor and Transferee Company.

In so far as the various incentives, sales tax, deferral benefits, subsidies (including applications for subsidies), available tax credits (including MAT credit, if any), rehabilitation schemes, grants, permissions, approvals, sanctions, remissions, special reservations, income tax benefits and exemptions, all tax holiday, including its continued benefits, incentives, exemptions, concessions and other benefits or privileges, concessions, special status and other benefits or privileges enjoyed, granted by any person (including any Governmental Authority), or availed of or to be availed of by the Transferor Company is concerned, the same shall, without any further act or deed, in so far as they relate to the Transferor Company, vest with and be available to the Transferee Company on the same terms and conditions as were applicable immediately prior to the coming into effect of this Scheme. The Transferee Company may apply for the necessary endorsement from the Governmental Authorities as may be required under Applicable Law and shall file the relevant intimations, if any, for the record of the Governmental Authorities who shall take them on file, pursuant to the Scheme coming into effect.

- 4.12. For avoidance of doubt and without prejudice to the generality of any applicable provisions of this Scheme, it is clarified that in order to ensure (i) implementation of the provisions of the Scheme; (ii) uninterrupted transfer of the relevant consents, approvals, patents, permissions, licenses, registrations, certificates etc.; and (iii) continued vesting of the benefits, exemptions available to the Transferor Company in favour of the Transferee Company, the Board of Directors of the

Transferee Company shall be deemed to have been authorized to execute or enter into necessary documentations with any regulatory authorities or third parties, if applicable and the same shall be considered as giving effect to the Tribunal Order and shall be considered as an integral part of this Scheme. Further, the Transferee Company shall be deemed to be authorized to execute or enter into necessary documentations with any regulatory authorities or third parties, if applicable, on behalf of the Transferor Company and to carry out or perform all such formalities or compliance required for the purpose of implementation of the provisions of the Scheme.

- 4.13. On and from the Effective Date, and thereafter, the Transferee Company shall be entitled to operate all bank accounts, demat accounts, if any, of the Transferor Company and realize all monies and complete and enforce all pending contracts and transactions and to accept stock returns and issue credit notes in respect of the Transferor Company in the name of the Transferee Company in so far as may be necessary until the transfer of rights and obligations of the Transferor Company to the Transferee Company under this Scheme have been formally given effect to under such contracts and transactions.
- 4.14. For avoidance of doubt and without prejudice to the generality of any applicable provisions of this Scheme, it is clarified that with effect from the Effective Date and till such time the name of the bank accounts of the Transferor Company would be replaced with that of the Transferee Company, the Transferee Company shall be entitled to operate the bank accounts of the Transferor Company in the name of the Transferee Company in so far as may be necessary. All cheques and other negotiable instruments, deposit slips, payment orders received or presented for encashment which are in the name of the Transferor Company after the Effective Date shall be accepted by the bankers of the Transferee Company and credited to the account of the Transferee Company, if presented by the Transferee Company. The Transferee Company shall be allowed to maintain bank accounts in the name of Transferor Company for such time as may be determined to be necessary by the Transferee Company for presentation and deposition of cheques and pay orders that have been issued in the name of the Transferor Company. It is hereby expressly clarified that any legal proceedings by or against the Transferor Company in relation to cheques and other negotiable instruments, payment orders received or

presented for encashment which are in the name of the Transferor Company shall be instituted, or as the case may be, continued, by or against, the Transferee Company after the coming into effect of the Scheme.

5. CONSEQUENTIAL TAX MATTERS

- 5.1 Upon the Scheme becoming effective, the Transferor Company shall have the right to revise their tax returns viz. income tax, withholding tax and any other statutory returns and filings under the tax laws, along with prescribed forms, filings and annexures under the IT Act (even in a case where the due date to revise the income tax returns have expired under the provisions of the IT Act), and laws in relation to the GST, central sales tax, applicable State VAT, entry tax, service tax, excise duty and other tax laws, and to claim refunds and/or credit for taxes paid (including advance tax, self-assessment tax, tax deducted at source, MAT, foreign tax credit, dividend distribution tax, wealth tax, etc.) and for matters incidental thereto, if required to give effect to the provisions of the Scheme.
- 5.2 All tax assessment/adjudication proceedings/ appeals of whatsoever nature by or against the Transferor Company pending and/or arising at the Appointed Date and relating to the Transferor Company shall be continued and/or enforced until the Effective Date by the Transferor Company. As and from the Effective Date, the tax proceedings shall be continued and enforced by or against the Transferee Company in the same manner and to the same extent as would or might have been continued and enforced by or against the Transferor Company.
- 5.3 Further, the aforementioned proceedings shall not abate or be discontinued nor be in any way prejudicially affected by reason of the amalgamation of the Transferor Company with the Transferee Company or anything contained in the Scheme.
- 5.4 Any refund, under the IT Act and laws in relation to service tax, excise duty, central sales tax, applicable state VAT, entry tax, customs, foreign trade policy, GST, State industrial and incentive policies and schemes or other Applicable Laws or regulations dealing with taxes or duties or levies due to Transferor Company consequent to the assessment made on Transferor Company (including any refund for which no credit is taken in the accounts of the Transferor Company) as on the date

immediately preceding the Appointed Date shall also belong to and be received by the Transferee Company upon this Scheme becoming effective.

- 5.5 The tax payments (including, without limitation income tax, dividend distribution tax, service tax, excise duty, central sales tax, applicable state VAT, entry tax, customs, GST etc.) whether by way of tax deducted at source, advance tax or otherwise howsoever, by the Transferor Company after the Appointed Date, shall be deemed to be paid by the Transferee Company and shall, in all proceedings, be dealt with accordingly.
- 5.6 Further, any tax deducted at source by Transferor Company or the Transferee Company on transactions with the Transferee Company or the Transferor Company, if any (from Appointed Date to Effective Date) shall be deemed to be advance tax / advance tax deducted at source paid by the Transferee Company and shall, in all proceedings, be dealt with accordingly.
- 5.7 Upon the Scheme coming into effect, any obligation for deduction of tax at source on any payment made by or to be made by the Transferor Company shall be made or deemed to have been made and duly complied with by the Transferee Company.
- 5.8 For the period after the Appointed Date, all its continued benefits, incentives, exemptions, concessions and other benefits or privileges enjoyed by the Transferor Company granted by any government body, regulatory authority, local authority, by any other person or law or availed of by the Transferor Company, the same shall without any other further act or deed shall vest with and be available to the Transferee Company on the same terms and conditions.
- 5.9 Without prejudice to the generality of the above, all benefits, incentives, losses (including but not limited to book losses, tax losses), book unabsorbed depreciation, tax unabsorbed depreciation, credits (including, without limitation income tax, MAT, tax deducted at source, foreign tax credit, dividend distribution tax, wealth tax, service tax, excise duty, central sales tax, applicable state VAT, GST, customs duty, foreign trade policy benefits, State industrial policy and incentive schemes, drawback, etc.) to which the Transferor Company is entitled

to, shall be available to and vest in the Transferee Company, in terms of Applicable Laws, upon this Scheme coming into effect.

- 5.10 Upon the coming into effect of this scheme, all tax compliances under any tax laws by the Transferor Company on or after Appointed Date shall be deemed to be made by the Transferee Company.

6. LEGAL PROCEEDINGS

- 6.1 If any suits, actions and proceedings of whatsoever nature (hereinafter referred to as the "Legal Proceedings") by or against the Transferor Company are pending on the Effective Date, the same shall not abate / be discontinued nor be in any way prejudicially affected by reason of the amalgamation of the Transferor Company with the Transferee Company or anything contained in the Scheme, but on and from the Effective Date, the Legal Proceedings may be continued and enforced by or against the Transferee Company as effectually and in the same manner and to the same extent as the same would or might have continued and enforced by or against the Transferor Company, in the absence of the Scheme.
- 6.2 It is clarified that until this Scheme comes into effect, the Transferor Company shall in consultation with the Transferee Company continue and enforce the Legal Proceedings whether pending or initiated pending the coming into effect of this Scheme.

7. CONTRACTS, DEEDS, BONDS, APPROVALS AND OTHER INSTRUMENTS

- 7.1 For avoidance of doubt and without prejudice to the generality of Clause 4 above, it is clarified that upon coming into effect of this Scheme and with effect from the Appointed Date and without any further act of the Transferor Company and the Transferee Company, all memoranda of understanding, contracts, no objection certificates, rights, contents, permissions, quotas, deeds, bonds, agreements, arrangements, mortgages, indemnity, incentives, engagements, registrations, schemes, assurances, licenses, insurance policies and claims, business claims, guarantees, powers of attorney, authorities given by, issued to or executed in favour of the Transferor Company, quality certifications and approvals, trademarks, patents and domain names, copyrights, industrial designs, trade secrets, product registrations and other

intellectual property and other interests relating to the Undertaking and other instruments (including all tenancies, leases (other than leases entered into between the Transferor Company and the Transferee Company), and other assurances in favour of the Transferor Company or powers or authorities granted by or to it) of whatsoever nature to which the Transferor Company is a party or to the benefit of which the Transferor Company may be eligible and which are subsisting or having effect immediately before the Effective Date, shall be transferred to and vested in the Transferee Company as if the same were originally given by, issued to or executed in favour of the Transferee Company, and the rights and benefits under the same shall be available to the Transferee Company and, shall continue in full force and effect against or in favour of the Transferee Company as the case may be, under the same terms and conditions, and may be enforced as fully and effectually as if, instead of the Transferor Company, the Transferee Company had been a party or beneficiary or obligee or obligor thereto.

- 7.2 It is hereby clarified that by virtue of the provisions of the Scheme and pursuant to the Tribunal Order sanctioning the Scheme, upon the Scheme coming into effect, all rights, services, obligations, liabilities, responsibilities undertaken by or in favour of the Transferor Company under any contractual arrangements shall automatically stand transferred to and vested in and/ or shall be deemed to have been transferred to and vested in the Transferee Company and all benefits in which the Transferor Company is entitled to shall be available to and vested in and/ or shall be deemed to have been available to and vested in the Transferee Company, as a successor-in-interest and the Transferee Company shall be entitled to deal with the same in place and stead of the Transferor Company, as if the same were originally performed or conferred upon or given or issued to or executed in favour of the Transferee Company, and the rights and benefits under the same will be available to the Transferee Company, without any further act or deed. The Transferee Company shall discharge its obligation in respect of the services to be performed/ provided or in respect of payment of service charges under any contractual arrangements instead of the Transferor Company.

- 7.3 Without prejudice to the above, the Transferee Company shall, if so desirable or required or as may be necessary, upon the coming into effect of this Scheme and with effect from the Appointed Date, issue:

writings to the extent that the Transferor Company is required prior to the Effective Date to issue such writings or confirmations, the Transferee Company shall be entitled to act for and on behalf of and in the name of the Transferor Company, as the case may be. Further, the Transferee Company shall be deemed to be authorized to issue any such writings or confirmations on behalf of the Transferor Company and to implement or carry out all formalities required on the part of the Transferor Company.

- 7.4 Without prejudice to the above, it is further clarified that with respect to approvals, permissions, licenses, registrations, consents that may require amendment for the purpose of giving effect to this Scheme and to ensure that there is no change in the entitlements otherwise available to the Transferor Company in the absence of this Scheme, the Transferee Company shall be permitted to use the name and approvals, permissions, licenses, registrations, consents of the Transferor Company till such approvals, permissions, licenses, registrations, consents are so amended and updated, so as to enable the Transferee Company to continue to avail the entitlements otherwise available to the Transferor Company.

8. SAVING OF CONCLUDED TRANSACTIONS

The transfer of the assets and liabilities of the Transferor Company under Clause 4 above, the continuance of Legal Proceedings under Clause 6 above and the effectiveness of contracts, deeds, bonds, approvals and other instruments under Clause 7 above, shall not affect any transaction or Legal Proceedings already concluded by the Transferor Company on or before the Effective Date, to the end and intent that the Transferee Company accepts and adopts all acts, deeds and things done and executed by the Transferor Company in respect thereto, as if done and executed on its behalf.

9. EMPLOYEES

- 9.1 Upon the coming into effect of this Scheme, all the employees of Transferor Company, if any, who are in service on the date immediately preceding the date on which the Scheme finally takes effect, (i.e. the Effective Date) on and from the Effective Date, shall become the employees of the Transferee Company without any break or

interruption of service and with the benefit of continuity of service on terms and conditions which are not less favourable than the terms and conditions than those on which they are engaged by the Transferor Company immediately preceding the Effective Date.

- 9.2 Transferee Company agrees that the service of all employees of the Transferor Company immediately prior to the coming into effect of this Scheme shall be taken into account from the date of their respective appointment with the Transferor Company for the purposes of all retirement benefits to which they may be eligible in Transferee Company immediately prior to the coming into effect of this Scheme. Transferee Company further agrees that for the purpose of payment of any retrenchment compensation, gratuity or other terminal benefits, such past service with Transferor Company, shall also be taken into account and agrees and undertakes to pay the same as and when payable.
- 9.3 Upon the coming into effect of this Scheme, the Transferee Company shall make all the necessary contributions for such transferred employees and deposit the same in provident fund, gratuity fund or superannuation fund or any other special fund or staff welfare scheme or any other special scheme. Transferee Company will also file relevant intimations to the Governmental Authorities concerned who shall take the same on record and substitute the name of the Transferor Company for the Transferee Company.
- 9.4 In so far as the existing provident fund, gratuity fund and pension and /or superannuation fund/trusts, retirement funds or employees state insurance schemes or pension scheme or employee deposit linked insurance scheme or any other benefits, if any, created by Transferor Company for employees, shall be transferred to the necessary funds, schemes or trusts of Transferee Company and till the time such necessary funds, schemes or trusts are transferred, all contributions shall continue to be made to the existing funds, schemes or trusts of the Transferor Company.

The Transferor Company and the Transferee Company by their respective Board of Directors or such other person or persons, as the respective Board of Directors may authorize, including any committee or sub-committee thereof, shall be authorized to take all such steps as may be necessary, desirable or proper to give effect to this Scheme and to resolve any doubts, difficulties or questions whether by reason of any directive or orders of any other authorities or otherwise howsoever arising out of or under or by virtue of the Scheme and/or any matter concerned or connected therewith.

- 18.2. For the purpose of giving effect to this Scheme or to any modification or amendments thereof or additions thereto, the Board of Director(s) or their Authorised representative(s) of Transferor Company and the Transferee Company may give and are hereby authorized to determine and give all such directions as are necessary including directions for

settling or removing any question of doubt or difficulty that may arise and such determination or directions, as the case may be, shall be binding on the Transferor Company and the Transferee Company, in the same manner as if the same were specifically incorporated in this Scheme.

19. SCHEME CONDITIONAL ON APPROVALS/ SANCTIONS

The transfer of the Undertaking to the Transferee Company is and shall be conditional upon and subject to the following approvals, sanctions, order and consents:

- 19.1. Obtaining observation letter or no-objection letter from the Stock Exchanges in respect of the Scheme, pursuant to Regulation 37 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (LODR Regulations), as amended from time to time, read with Master Circular No. SEBI/HO/CFD/POD-2/P/CIR/2023/93 dated 20 June 2023 ("SEBI Master Circular") issued by SEBI and Regulations 11 and 54 of the LODR Regulations;
- 19.2. The Scheme being approved by the requisite majority both by value and number by such classes of shareholders and/or creditors (where applicable) of the Transferor Company and the Transferee Company (by way of e-voting) as may be directed by the Tribunal, as required under Applicable Law. The Scheme is conditional upon it being approved by the public shareholders of the Transferee Company through e-voting and the Scheme shall be acted upon only if the votes cast by the public shareholders in favour of the resolution for approval of the Scheme are more than the number of votes cast by the public shareholders against it, in terms of Para 10(a) and 10(b) of Para A of Part I of SEBI Master Circular.
- 19.3. Tribunal Order under the provisions of Section 230 read with Section 232 of the Act being obtained by the Transferor Company and the Transferee Company from the Tribunal.
- 19.4. The certified/ authenticated copies of the Tribunal Order sanctioning the Scheme being filed with the Registrars of Companies by the Transferor Company and the Transferee Company.

19.5. Receipt of any other Governmental Approval to the transfer of the Undertaking and/or the Scheme, if required under Applicable Law.

20. EFFECT OF NON-RECEIPT OF APPROVALS AND MATTERS RELATING TO REVOCATION AND WITHDRAWAL OF THE SCHEME

20.1. In the event of any of the said approvals or conditions referred to in Clause 19 above not being obtained and/ or complied with and/ or satisfied and/ or the Scheme not being sanctioned by the Tribunal and/ or Tribunal Order not being passed as aforesaid, this Scheme shall stand revoked, cancelled and be of no effect. The Transferor Company and the Transferee Company shall, in such event, *inter se* bear and pay their respective costs, charges, expenses in connection with the Scheme.

20.2. In the event of revocation under Clause 20.1, no rights and liabilities whatsoever shall accrue to or be incurred *inter se* to the Transferor Company and the Transferee Company or their respective shareholders or creditors or employees or any other person save and except in respect of any act or deed done prior thereto as is contemplated hereunder or as to any right, liability or obligation which has arisen or accrued pursuant thereto and which shall be governed and be preserved or worked out as is specifically provided in the Scheme or in accordance with the Applicable Laws and in such case, each company shall bear its own costs unless otherwise mutually agreed.

20.3. The Board of Directors of the Transferor Company and the Transferee Company shall be entitled to withdraw this Scheme prior to the Effective Date.

20.4. The Board of Directors of the Transferor Company and the Transferee Company shall be entitled to revoke, cancel and declare the Scheme of no effect if they are of the view that the coming into effect of the Scheme with effect from the Appointed Date could have adverse implications on the combined entity post-amalgamation.

21. COSTS

All past, present and future costs, charges, taxes including duties, levies and all other expenses, if any (save as expressly otherwise agreed) of the Transferor Company and the Transferee Company arising out of

or incurred in carrying out and implementing this Scheme or implementation thereof and matters incidental thereto, shall be borne by the Transferee Company and the Transferor Company as mutually agreed and approved by the Board of Directors of respective companies, till the Effective Date. It is further clarified that any costs arising or accruing to the Transferor Company in carrying out and implementing this Scheme or implementation thereof and matters incidental thereto, as on or after the Effective Date, shall for all purpose be treated and be deemed to be arising or accruing as costs of the Transferor Company and Transferor Company as mutually agreed.

22. NO CAUSE OF ACTION

No third party claiming to have acted or changed his position in anticipation of this Scheme taking effect, shall get any cause of action against the Transferor Company or the Transferee Company or their directors or officers, if the Scheme does not take effect or is withdrawn, amended or modified for any reason whatsoever.

INDEPENDENT AUDITOR'S REPORT

To the Members of
Global Copper Private Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Global Copper Private Limited, which comprise the Balance Sheet as at 31st March, 2024, and the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (The Act) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2024, and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

We have been provided the aforesaid reports and based on the work we have performed, we did not observe any material misstatement of this other information and accordingly, we have nothing to report in this regard.

Management's Responsibility for the Financial Statements and for Internal Financial control over Financial Reporting

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards (Ind AS) specified under section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

The Company's Management is responsible for establishing and maintaining internal financial controls based on essential components of the internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

In preparing the financial statements, management is responsible for assessing the

Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required

to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or

procedures may deteriorate.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in para (i)(vi) below on reporting under rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards (Ind AS) specified under Section 133 of the Act, read with relevant rules issued thereunder.
- (e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) The modification relating to the maintenance of accounts and other matters connected therewith is related to audit trail which has been stated in the para (b) above on reporting under section 143(3)(b) of the Act and para (i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- (g) In our opinion considering nature of business, size of the operation and organizational structure of the entity, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024 based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 35 to Financial Statements.
- ii. The Company did not have any long- term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There has been no amount which is required to be transferred to the Investor Education and Protection Fund by the Company.

iv.

- (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of

NOTES FORMING PART OF THE FINANCIAL STATEMENT FOR THE YEAR ENDED ON 31ST MARCH, 2024

Notes forming part of Accounts:

1 Company Overview and Significant Accounting Policies:

1.1 Description of business

The Company is registered under the provisions of the Companies Act, 1956. Its registered office is located at Survey No. 65-86, Village - Garoda, Jard Samlaya Road, TA, Savli, Vadodara. The company deals in business of manufacturing and trading of LWC, PCC copper tubes & pipes.

1.2 Basis of preparation of Financial Statement

The Financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Act to be read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

1.3 Current/ Non-Current Classifications

Any asset or liability is classified as current if it satisfies any of the following conditions:

- the asset/liability is expected to be realized/settled in the Company's normal operating cycle;
- the asset is intended for sale or consumption;
- the asset/liability is held primarily for the purpose of trading;
- the asset/liability is expected to be realized/settled within twelve months after the reporting period;
- the asset is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date;
- in the case of a liability, the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date;
- All other assets and liabilities are classified as non-current.

For the purpose of current/non-current classification of assets and liabilities, the Company has ascertained its normal operating cycle as twelve months. This is based on the nature of product and the time between the acquisition of assets or inventories for processing and their realization in cash and cash equivalents.

1.4 Composition of financial statements

The financial statements are drawn up in INR, the functional currency of the company, and in accordance with IND AS presentation. All amounts disclosed in the financial statements have been rounded off to the rupee (in lacs) as per the requirements of Schedule - II to the Companies Act 2013, unless otherwise stated. The financial statements comprise:

- Balance Sheet
- Statement of Profit and Loss
- Statement of Cash Flow
- Statement of Changes in Equity
- Notes to Financial Statements

1.5 Key accounting judgments, estimates and assumptions

In preparing these financial statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates.

Estimates are often based on complex judgments and assumptions that management believe to be reasonable, but estimates and underlying assumptions are reviewed on an ongoing basis. Any change in these estimates and assumptions will generally be reflected in the financial statements in current period or prospectively, unless they are required to be treated retrospectively under relevant accounting standards.

The preparation of the financial statements requires the Management to make estimates and assumptions considered in the reported amounts of Assets and Liabilities (including Contingent Liabilities) as of the date of the financial statements and the reported income and expenses during the reported period. The Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Future results could, however, differ from these estimates. Differences between the actual results and estimates are recognised in the period in which the results are known/materialised.

Critical judgements, estimates and assumptions in applying accounting policies:

In particular, information about significant areas of estimates and judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements includes valuation of financial instruments, useful lives of property, plant and equipment, valuation of inventories, measurement of defined benefit obligations and actuarial assumptions, provisions and other accruals, recoverability recognition of tax assets/liabilities, assessment of functional currency and contingent liabilities.

2. SIGNIFICANT ACCOUNTING POLICIES:

A. Inventories

All inventories are valued at lower of cost and net realisable value.

- i) Raw materials, Packing materials, Stores and consumables are valued at cost using FIFO method. The cost of Raw materials, stores and consumables includes cost of purchases after adjusting for input Credit of GST, direct expenses and other cost incurred in bringing the inventories to their present location and condition.
 - ii) Work in Process is valued at cost. The Cost comprises cost of raw materials and equivalent cost of conversion.
 - iii) Finished goods are valued at lower of cost or net realisable value. Cost of Finished goods comprises cost of raw material, cost of packing material and cost of conversion (including depreciation on plant & machinery).
 - iv) Estimates of net realisable value are based on the most reliable evidence available at the time of estimates are made as to the amount the inventories are expected to realise. These estimates take into consideration fluctuations of prices, purpose for which inventories is held etc.
 - v) Scrap is valued at net realisable value.
- Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated cost to make sale.

B. Property, Plant and Equipment:

- i) Property, plant and equipment were carried on historical cost in the balance sheet as on 31st March, 2016 prepared in accordance with Indian GAAP. The Company has elected to regard those net values as deemed cost at the date of the transition i.e. 1st April, 2016 as permitted under Ind AS 101.
- ii) Property, plant and equipment are recorded at cost of acquisition / construction less accumulated depreciation and impairment losses, if any. Cost comprises of the acquisition cost, cost of construction expenses directly related to the location of assets and making them operational for their intended use and, in the case of qualifying assets, the attributable borrowing costs, but excluding CENVAT, VAT or GST credit availed.
- iii) In respect of Property, plant and equipments (other than fresh land and capital work-in-progress) acquired during the year, depreciation is charged on a Straight Line Basis so as to write off the cost of the assets over the useful lives. In respect of Property, plant and equipments acquired prior to April 1, 2014, the carrying amount as on April 1, 2014 is depreciated over the remaining useful life. The useful life of the fixed assets has been adopted based on Technical Evaluation and in other cases, as prescribed under the Companies Act, 2013. Details for the same are as under:

Type of Assets	Useful Life (in Years)	Type of Assets	Useful Life (in Years)
Factory Building	30-40	General Plant & Machinery	15
Computer and user devices	3	General Furniture & Fixings	10
Electrical installation & Equip	10	Office Machinery	5
General Laboratory Equipment	10	Furnace (Copper Smelter)	40
Solar Power Generation System	25		

iv) Components of an asset are separated where their value is significant in relation to the total value of the asset and where those components have different useful lives to the remainder of the asset. Where a component is replaced or restored, the carrying amount of the old component will be derecognised and value of new component / restoration cost will be added. Where the carrying value of the derecognised/replaced component is not known, a best estimate will be determined by reference to the current cost.

v) The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement or impairment of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss. Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

vi) Assets under construction wherein assets are not ready for use in the manner as intended by the management are shown as Capital Work-In-Progress.

C. Intangible Assets

Identifiable intangible assets are recognized when the company controls the asset, it is probable that future economic benefits associated with respective assets will be realized for more than one economic period. At initial recognition, intangible assets are recognized at cost. Intangible assets are amortized on straight line basis over estimated useful life from the date on which they are available on use.

Intangible assets are stated at cost less provisions for amortisation and impairment. Software license fees are charged to statement of profit and loss when incurred.

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between disposal proceeds and carrying amount of the asset and are recognised as income or expense in the Statement of Profit and Loss.

- D Revenue from Operations:**
 The Company follows Ind AS 115 'Revenue from Contract with Customers' using the cumulative effect method. Revenue is recognised when a customer obtains control of goods or services.
 Sales are disclosed net of sales returns and GST.
 Revenue from the sale of goods is recognised when (or as) the entity satisfies a performance obligation by transferring a promised good or service to a customer. The ownership is transferred when (or as) the customer obtains control of that goods.
 Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.
 Export benefits available under prevalent schemes are accounted on entitlement basis.
- D1 Other Income:**
 Dividend income and interest income from investments is recognised in the Statement of Profit and Loss when the right to receive the same has been established and it is certain that the economic benefits will flow to the company and the amount of income can be measured reliably.
- E Government Grant :**
 Government grants related to expenditure on property, plant and equipment are credited to the statement of profit and loss over the useful lives of qualifying assets or other systematic basis representative of the pattern of fulfilment of obligations associated with the grant received. Total grants received less the amounts credited to the statement of profit and loss at the balance sheet date are included in the balance sheet as deferred income.
 A government grant that becomes receivable as compensation for expenses to the entity with no future related costs is recognised in profit or loss of the period in which it becomes receivable.
- F Foreign Currency Transactions :**
 i) Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.
 ii) Monetary assets and liabilities related to foreign currency transactions remaining unsettled at the end of the year are translated at year end rates.
 iii) The difference in translation of monetary assets and liabilities and realized gains and losses on foreign exchange transactions are recognised in the Profit and Loss Account.
 iv) Appendix B to Ind AS 21 - 'Foreign Currency Transactions and Advance Consideration' clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income (or part of it) when an entity has received or paid advance consideration in foreign currency.
- G Employee Benefits:**
- (a) Short-term employee benefits**
 All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as Salaries, wages, and short-term compensated absences etc. is recognised in the period in which the employee renders the related service.
- (b) Post Employment Benefits:**
- i. Defined Contribution Plans :**
 Define contribution plans are post employment benefit plans under which the company pays fixed contributions into separate entities (fund) or to financial institutions or state managed benefit schemes. The Company operates defined contribution plans pertaining to Provident Fund, Employees state insurance, Pension Fund Scheme for eligible employees. The Company contribution to defined contribution plans are recognised in the profit and loss account in the financial year to which they relate.
- ii. Defined Benefit Plans:**
 For gratuity being defined benefit retirement benefit plan, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable), is reflected immediately in the statement of financial position with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognized in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to Statement of Profit or Loss. Past service cost is recognized in Statement of Profit or Loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset.
- (c) Share based payment**
 The stock options of the Parent Company, granted to employees pursuant to the Group's Stock Options Schemes, are measured at the fair value of the options at the grant date as per Black and Scholes model. The fair value of the options is treated as discount and accounted as employee compensation cost, with a corresponding increase in other equity, over the vesting period on a straight line basis. The amount recognised as expense in each year is arrived at based on the number of grants expected to vest. If a grant lapses after the vesting period, the cumulative discount recognised as expense, with a corresponding increase in other equity, in respect of such grant is transferred to the General reserve within other equity.

- H Borrowing Cost:**
Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest expenses calculated using the effective interest method and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.
- I Earnings per share :**
- i) Basic Earnings per share**
Basic earnings per share is computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the year.
- ii) Diluted Earnings per share**
Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense of income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity share.
- J Taxes on Income:**
- i) Current income tax**
Income tax expense is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in equity/OCI, in which case it is recognized in other comprehensive income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted on the reporting date. The Company offsets current tax assets and current tax liabilities where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.
- ii) Deferred tax**
Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted on the reporting date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date.
- Minimum Alternate Tax (MAT) for the earlier years is available in accordance with the provisions of the section 115(JA) of Income Tax, 1951 over the period of subsequent 15 assessment years and it is recognized to the extent of Deferred Tax Liabilities in view of certainty involved of its realization against reversal of Deferred Tax Liability.
- K Segment Reporting :**
There is no separate reportable primary segment, as most of the operations are related to only one Segment viz. Copper Manufacturing.
- L Impairment of non current assets :**
Non-financial assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit to which the asset belongs.
- If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.
- M Provisions, Contingent Liabilities and Contingent Assets**
- i) Provisions**
Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.
- ii) Contingent Liabilities**
Contingent Liability is disclosed for (i) Possible obligations which will be confirmed only by the future events not wholly within the control of the Company or (ii) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.
- iii) Contingent Assets**
Contingent Assets are not recognised in the financial statements. Contingent Assets if any, are disclosed in the notes to the financial statements.

N Financial Instruments

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the financial instrument.

i) Financial Assets

a) Initial Recognition and measurement

Except for Trade Receivables that do not contain a significant financing component, all financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date (i.e., the date that the Company commits to purchase or sell the asset).

b) Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

bi) Financial Assets at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, debt instruments are subsequently measured at amortised cost using the effective interest rate method, less impairment, if any.

bi) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The fair value is measured adopting valuation techniques as per prevailing valuation guidelines, to the extent applicable, as at the reporting date.

bi) Financial assets at fair value through profit or loss

Financial assets which are not classified in any of the above categories are subsequently fair valued through profit or loss.

c) Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, lease receivables, trade receivables, other contractual rights to receive cash or other financial asset. For trade receivables, the Company measures the loss allowance at an amount equal to lifetime expected credit losses. Further, for the purpose of measuring lifetime expected credit loss allowance for trade receivables, the Company has used practical expedience as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

d) De-recognition of financial assets

A financial asset is primarily derecognised when:

1. the right to receive cash flows from the asset has expired, or
2. the Company has transferred its rights to receive cash flows from the asset, and
 - (a) the Company has transferred substantially all the risks and rewards of the asset, or
 - (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On derecognition of a financial asset in its entirety (other than investments in equity instruments at FVOCI), the difference between the carrying amount measured at the date of derecognition and the consideration received is recognised in the Statement of Profit and Loss.

ii) Financial Liabilities

a) Initial Recognition and measurement

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Financial liabilities are classified, at initial recognition, as at fair value through profit and loss or as those measured at amortised cost.

b) Subsequent measurement

The subsequent measurement of financial liabilities depends on their classification as follows:

bi) Financial liabilities at fair value through profit and loss

Financial liabilities at fair value through profit and loss include financial liabilities held for trading. The Company has not designated any financial liabilities upon initial recognition at fair value through profit and loss.

bi) Financial liabilities measured at amortised cost

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate method except for those designated in an effective hedging relationship.

c) De-recognition of financial liabilities

A financial liability (or a part of a financial liability) is derecognised when the company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

O Fair Value Measurement

The Company measures financial instruments, such as, derivatives, mutual funds etc. at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement) as a whole at the end of each reporting period.

The Company also compares the change in the fair value of each assets and liabilities with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risk of the assets or liability and the level of fair value hierarchy as explained above.

P Trade Receivables

Trade receivables that do not contain a significant financing component, are measured and carried at its transaction price i.e. original invoice amount less any provisions for doubtful debts. Provisions are made where there is evidence of a risk of non-payment, taking into account ageing, previous experience and general economic conditions. When a trade receivable is determined to be uncollectable it is written off, firstly against any provision available and then to the Statement of Profit and Loss.

Q Leases**(i) Company as lessee**

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The company has selected not to recognise right-of-use assets and lease liabilities for short-term leases of all assets that have a lease term of 12 months or less and leases of low-value assets. The company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

(ii) Company as a Lessor:

Leases in which the company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the company to the lessee.

Lease income from operating lease is recognised in the statement of profit and loss on straight line basis over the lease term.

R Cash and Cash equivalents

Cash and cash equivalents include cash at bank and cash in hand and highly liquid interest-bearing securities with maturities of three months or less from the date of inception/acquisition.

In the cash-flow statement, cash and cash equivalents are shown net of bank overdrafts, which are included as current borrowings in liabilities on the balance sheet.

S Operating cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

Recent Accounting Pronouncements:-

On March 31, 2023, the Ministry of Corporate Affairs (MCA) has notified Companies (Indian Accounting Standards) Amendment Rules, 2023.

This notification has resulted into following amendments in the existing Accounting Standards which are applicable from April 1, 2023.

- a) Ind AS 107, Ind AS 1, Ind AS 34 – Modification relating to disclosure of material accounting policies including information about basis of measurement of financial instruments.
- b) Ind AS 8 – Modification of definition of 'accounting estimate' and application of changes in accounting estimates.
- c) Ind AS 12 – Modification relating to recognition of deferred tax liabilities and deferred tax assets.

The Company is evaluating the amendments and the expected impact on the Company's financial statements on application of the amendments for annual reporting periods beginning on or after 01/04/2023.

The Company is contesting the demands and the management believe that its position will likely to be upheld in the appellate process and accordingly no provision has been made in the financial statements for the tax demands raised. The management believes that the ultimate outcome of these proceedings will not have material adverse effect on the Company's financial position and results of operations.

36 Defined benefit plans - As per actuarial valuation

The company is recognizing the defined benefit obligation of gratuity in the books of accounts as liability as per the actuarial valuation report. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method. For mitigating the liability in adequate manner, the Company has created a group gratuity trust with Life Insurance Corporation (LIC) for funding of defined benefit obligation (gratuity)

The following tables summarizes the components of net benefit expense recognised in the statement of profit or loss and the unfunded liability status and amounts recognised in the balance sheet:

A description of methods used for sensitivity analysis and its Limitations:

Sensitivity analysis performed by varying a single parameter while keeping all the other parameters unchanged. Sensitivity analysis fails to focus on the interrelationship between underlying parameters. Hence, the results may vary if two or more variables are changed simultaneously. The method used does not indicate anything about the likelihood of change in any parameter and the extent of the change if any.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market, is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels at the end of the reporting period.

b) Fair value measurements using significant unobservable inputs (Level 3)

The following table reconciles the changes in level 3 items for the year ended 31st March, 2024.

40 Financial Risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk;
- Liquidity risk; and
- Market risk

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk controls and to monitor risks. Risk management policies and systems are reviewed periodically to reflect changes in market conditions and the Company's activities. The Company monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company.

a) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, deposit and other receivables. Credit risk is managed through continuous monitoring of receivables and follow up of overdue.

Trade receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer, demographics of the customer, default risk of the industry and country in which the customer operates. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The Company has used expected credit loss (ECL) model for assessing the impairment loss. For the purpose, the Company uses a provision matrix to compute the expected credit loss amount. The provision matrix takes into account external and internal risk factors and historical data of credit losses from various customers and is adjusted for forward looking estimates.

Change in Expected Credit Loss Allowance	(46.60)
Expected Credit Loss Allowance on 31st March, 2024	76.53

Other than trade and other receivables, the Company has no other financial assets that are past due but not impaired.

b) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligation as they fall due. The Company ensures that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions.

Maturities of Financial Liabilities

The table herewith analyses the Company's Financial Liabilities into relevant maturity groupings based on their contractual maturities.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balance dues within the 12 months equal their carrying balances as the impact of discounting is not significant.

c) Market risk

Market risk is the risk that arises due to changes in market prices and other factors such as foreign exchange rates, interest rates and commodity risk. Market risk is also attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt.

The Company's exposure to foreign currency risk at the end of the reporting period expressed in INR is as under:

Sensitivity Analysis

For the year ended 31st March, 2024, every 1% weakening of Indian Rupee as compared to the respective major currencies for the above mentioned financial assets/liabilities would increase Company's profit and equity by approximately INR. 1.56 Lacs (FY INR. 88 Lacs). A 1% strengthening of the Indian Rupee as compared to the respective major currencies would lead to an equal but opposite effect.

41. Capital Management

The Company's capital management objectives are:

- to ensure the Company's ability to continue as a going concern, and
- to provide an adequate return to shareholders through optimisation of debt and equity balance.

The Company monitors capital on the basis of the carrying amount of debt less cash and cash equivalents as presented on the face of the financial

Limited Review Report on Interim Financial Statements (Fair Value)

To,
The Board of Directors of
Global Copper Private Limited

We have reviewed the accompanying statement of unaudited financial results of Global Copper Private Limited for the quarter and half year ended as on 30th September, 2024 prepared for the purpose of business combination (Ind AS 102) with Ram Ratna Wires Limited ("the Parent"). This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and applicable reporting framework and other recognized accounting practices and policies or that it contains any material misstatement.

The Statement has been prepared by the management of the Company to assist Ram Ratna Wires Limited ("the Parent") being listed on the recognized stock exchange of India to meet the statutory requirements of preparing the quarterly consolidated financial statement and submit to the Statutory Auditors of the Parent Company to issue quarterly limited review report on the consolidated financial statements and submit to the recognized stock exchange of India.

We draw attention to Note (h) in the accompanying Statement, describing the Search operations carried out by the Income tax authorities at certain premises of the Company in December 2023. Pending completion of the search proceedings, the consequent impact on the financial results for the quarter ended 30th September 2024, if any, is currently not ascertainable.

Our conclusion is not modified in respect of this matter.

Chairman's Perspective

**Charting Growth:
A Journey of
Resilience and
Innovation**

Dear Shareholders,

It is with immense pride and gratitude that I present the 32nd Annual Report of Ram Ratna Wires Limited for the Financial Year 2023-24. This year has been a testament to our resilience, adaptability, and unwavering commitment to delivering value to our stakeholders amidst challenging economic landscapes.

Our Company has achieved its best-ever performance in the financial year 2023-24. The key performance metrics highlight this success, with EBITDA reaching ₹ 99.48 Crs., reflecting an 8.67% increase from the previous year's ₹ 91.55 Crs. Additionally, our Profit Before Tax (PBT) saw a significant rise of 20.48%, amounting to ₹ 68.85 Crs. compared to ₹ 57.15 Crs. in the previous year.

In terms of revenue performance, we witnessed robust growth. On a standalone basis, our revenue from operations reached ₹ 2,615 Crs. in FY 2023-24, marking a substantial increase of 12.33% from the previous year's ₹ 2,328 Crs. On a consolidated basis, our revenue grew to ₹ 2,983 Crs., reflecting a 12.59% growth from the previous year's ₹ 2,650 Crs. These achievements underscore the dedication and hard work of our entire management team.

I am pleased to announce that the Board of Directors has recommended a Final Dividend of ₹ 2.50/- per share (i.e., @ 50%) on the equity shares of face value of ₹ 5/- each for the financial year ended 31st March 2024. This is in addition to the Special Interim Dividend of ₹ 2.50/- per share, i.e., 50% declared and paid in November 2023, representing an increase from last year's dividend.

Your Company is excited to announce the introduction of several innovative products to our catalogue, marking a significant expansion in our offerings. We have enhanced the capacity of our Bunched & Braids wire and are planning a further increase in its production capacity in near future. This strategic expansion is aimed at meeting the growing demand and ensuring effective customer service. Our successful development and production of ultra-fine Litz wire for a leading manufacturer of wireless chargers underscore our commitment to innovation and meeting specialized client needs. We have also introduced Litz wire with various servings, submitted to customers for evaluation and feedback.

Our Company has achieved significant breakthroughs in acquiring new customers across various industries in India. In the Automotive ICE & EV sector, partnerships with prominent companies such as FCC Clutch, Taco Prestolite (Tata Group), Honda Motors among others have been established. Similarly, in the Transformers segment, notable collaborations include Ovi Engineers and Static Electricals among others. Our wires have been chosen for prestigious projects like Vande Bharat, Rajdhani, and Metro Trains, with Nidec being a valued client. Your Company has expanded its footprint in the international market with breakthroughs in customer acquisitions in the Switchgear Industry and Transformers sector.

These advancements demonstrate our commitment to product development and exceeding customer expectations. Our efforts to expand our product range and enhance production capacity reflect our commitment to growth and delivering value to stakeholders. Innovation and customer satisfaction remain integral to our strategy, driving global expansion and reinforcing our market leadership.

Your Company has embarked on a significant journey of expansion and diversification to fortify our market presence and address increasing demand. The construction of our new manufacturing facility in Bhiwadi is progressing exceptionally well. This expansion aligns with our strategic objectives, enhancing production capacity and geographical footprint. Additionally, our joint venture subsidiary, Epavo Electricals Private Limited is also setting up a state-of-the-art manufacturing facility for Brushless DC (BLDC) motors, diversifying our product offerings and generating employment opportunities.

As we reflect on Company's achievements in the Financial Year 2023-24, I extend my heartfelt appreciation to our management team for their dedication and hard work. Their efforts have been instrumental in achieving remarkable milestones and driving us towards our ambitious goals.

Innovation and growth are integral to Ram Ratna Wires Limited. Our commitment to research and development, adoption of advanced technologies like "Industry 4.0" and digitization, and expanding distribution networks underscore our dedication to high-quality, innovative solutions. The consistent growth in demand for copper and aluminum winding wires reflects the success of our strategies, maintaining our reputation for excellence.

The International Monetary Fund (IMF) has revised India's Gross Domestic Product (GDP) growth projection upward to 6.8 percent for the financial year (FY) 2024-25, an increase of 30 basis points from its January forecast of 6.5 percent. According to the IMF's update to the World Economic Outlook, India's growth is expected to remain robust at 6.8 percent in FY 2024-25 and 6.5 percent in FY 2025-26, driven by strong domestic demand and a rising working-age population. This revision reaffirms India's position as the world's fastest-growing economy, outpacing China's projected growth of 4.6 percent during the same period.

The global economy is projected to grow steadily at 3.2% in 2024 and 2025, maintaining the pace of 2023. Advanced economies will see a slight uptick in growth from 1.6% in 2023 to 1.7% in 2024 and 1.8% in 2025, while emerging markets and developing economies are expected to experience a modest slowdown from 4.3% in 2023 to 4.2% over the same period. Looking further ahead, global growth is forecasted to reach a decades-low of 3.1% inflation is set to decline, starting at 6.8% in 2023, falling to 5.9% in 2024, and 4.5% in 2025, with advanced economies likely to achieve their inflation targets sooner than their emerging counterparts. Despite significant central bank efforts to stabilize prices through interest rate hikes, the global economy has proven unexpectedly resilient.

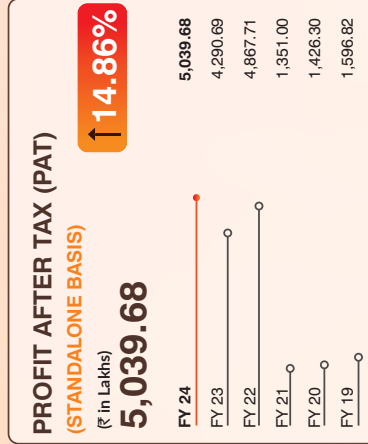

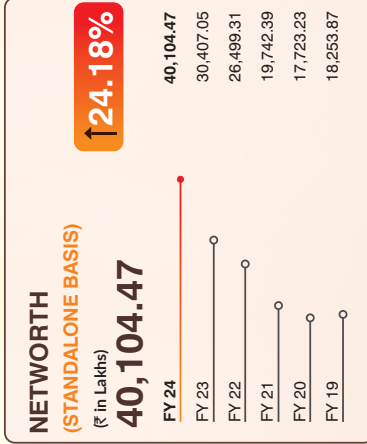

As we look ahead to FY 2024-25, we are optimistic about the opportunities that lie ahead despite global economic challenges. Our strategic focus on innovation and customer-centricity positions us well to capitalize on emerging trends, including the anticipated rise in Electric Vehicles (EVs) to expand our market presence.

India's promising economic outlook and our expansion initiatives are aligned to foster sustainable growth and create value for all stakeholders. Upholding our values of integrity, excellence, and innovation, we are committed to navigating challenges with resilience, driving prosperity for our company and stakeholders alike.

With confidence in our ability to seize new opportunities and create lasting value, I thank our Board, leadership team, employees, and stakeholders for their unwavering support. Together, let us continue our journey towards achieving our strategic goals and building a successful future for the Company.

With Warm Regards,
Tribhuvanprasad Rameshwarlal Kabra

The deemed venue of the AGM shall be the registered office of the Company.
- Since this AGM is being held through VC/OAVM, physical attendance of Members has been dispensed with and accordingly, Members can attend and participate in the AGM through VC/OAVM only. The facility to appoint proxy to attend and cast vote for the members is not available for this AGM and hence the proxy form and attendance slip are not annexed to this Notice. However, Corporate/Institutional Members (i.e. other than Individuals, HUF, NRI, etc.) intending to nominate their authorised representative(s) to attend the AGM through VC/OAVM are requested to send a certified true copy of the Board Resolution / Authority letter etc., together with attested specimen signature(s) of the duly authorized representative(s), to attend and vote on their behalf at the AGM, by e-mail to Scrutinizer at rrwl.scrutinizer@gmail.com with a copy marked to investorrelations.rrw@rrglobal.com and evoting@nsdl.com.
- The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1,000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
- The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Act.
- The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Act, and the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, will be available electronically for inspection by the members during the AGM. All

documents referred to in the Notice will also be available for electronic inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM, i.e., Tuesday, 3rd September, 2024. Members seeking to inspect such documents can send an email to investorrelations.rwl@rrglobal.com.

6. The Members, whose names appear in the Register of Members/ list of Beneficial Owners as on Tuesday, 27th August, 2024, being the cut-off date, are entitled to vote on the Resolutions set forth in the Notice. A person who is not a member as on the cut-off date should treat the Notice of AGM for information purpose only. In case of Joint Shareholders attending the AGM, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote.
7. In compliance with the MCA and SEBI Circulars, the Notice calling the AGM along with the Annual Report for the financial year 2023-24 is being sent through electronic mode to those Members whose email addresses are registered with the Company/Registrar & Transfer Agent (RTA)/Depository participant and the same can also be accessed from the website of the Company at www.rshrhamik.com under 'Investors' tab, websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com and National Stock Exchange of India Limited at www.nseindia.com and the website of NSDL at www.evoting.nsd.com. In case any member is desirous of obtaining physical copy of the Annual Report for the financial year 2023-24 along with AGM Notice, may send request to the Company by writing at investorrelations.rwl@rrglobal.com or RTA of the Company at investorsqry@datamaticsbpm.com.
8. The relevant explanatory statement pursuant to Section 102 of the Act in respect of business to be transacted at the AGM, as set out under item nos. 4 - 6 of the Notice above and the details pursuant to Regulation 36(3) of the SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended) (hereinafter referred to as "SEBI Listing Regulations") and the Secretarial Standard - 2 on General Meetings issued by the Institute of Company Secretaries of India are annexed herewith.

ITEM NO. 4

The Board of Directors of the Company, based on the recommendations of the Audit Committee, had approved the re-appointment and remuneration of M/s. Poddar & Co., Cost Accountants (Firm Registration No. 101734), to conduct the audit of the cost records of the Company for the financial year ending 31st March, 2025 at a remuneration of ₹ 6,00,000/- (Rupees Six Lakhs only) with applicable tax plus reimbursement of related business expenses, at actuals, if any, in connection with the Audit.

In accordance with the provisions of Section 148 of the Act read with the Companies (Audit and Auditors) Rules, 2014 and Companies (Cost Records and Audit) Rules, 2014, the remuneration payable to the Cost Auditors has to be ratified by the members of the Company. Accordingly, consent of the members is sought for passing an Ordinary Resolution as set out at Item No. 4 of the Notice for ratification of the remuneration payable to the Cost Auditors for the financial year ending 31st March, 2025.

None of the Directors or Key Managerial Personnel of the Company or their respective relatives are concerned or interested, financially or otherwise, in the resolution proposed at item no. 4 of the Notice, except to the extent of their respective shareholding, if any, in the Company.

The Board recommends the Resolution as an Ordinary Resolution set out at item no. 4 of the Notice for approval by the Members.

ITEM NO.5

Pursuant to Section 161 of the Companies Act, 2013 ("the Act"), and upon the recommendation of the Nomination and Remuneration Committee, the Board of Directors of the Company, at its meeting held on 2nd August, 2024, appointed Shri Ashok Kumar Goel as an Additional Director in the capacity of an Independent Director of the Company to hold office up to the date of the ensuing Annual General Meeting and subject to approval of the Members to be obtained through special resolution at the said Annual General Meeting to hold office as an Independent Director, not liable to retire by rotation, for a term of five (5) consecutive years i.e. from 3rd August, 2024, to 2nd August, 2029.

Shri Ashok Goel is a serial entrepreneur with various businesses. Currently he is investing in different businesses of finance, manufacturing and start-ups focused more on ventures which have positive social and environmental impact. As Chairman of Pan India Paryatan Pvt Ltd. Shri Goel oversees the management of EsselWorld, the largest

amusement park in the country and Water Kingdom, one of the largest Theme Water Parks in Asia. Shri Goel was Chairman and Managing Director of Essel Propack Limited (now called EPL Ltd) until 2019 when Shri Goel divested his majority stake. Under Shri Goel's leadership, EPL has been ranked no. 1 in laminated tubes in the world and holds a particularly strong position in emerging economies of India and China.

Shri Goel was President of PlastIndia Foundation an apex Plastic Industry association, OPPI and Founder President of IAAPI (Indian Association of Amusement Parks and Industries) and is actively associated with several educational, medical & social institutions & is actively involved in charitable & philanthropic causes.

Shri Goel has consented to act as Director of the Company and has given declaration to the Board that he meets the criteria of independence as provided under Section 149 of the Companies Act, 2013 and Regulation 16 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and given all other statutory disclosures / declarations and confirmed that he is not aware of any circumstances or situation which exists or may be reasonably anticipated that could impair or impact his ability to discharge his duties as an Independent Director. Further, he is neither disqualified from being appointed as Director in terms of Section 164 of the Act, nor debarred from holding the office of a Director by virtue of any SEBI order or any such authority and he has successfully registered himself in the Independent Directors databank maintained by Indian Institute of Corporate Affairs.

In the opinion of the Board, Shri Goel fulfils the conditions specified in the Act and Rules made thereunder read with the Listing Regulations and such other laws / regulations for the time being in force, for appointment as an Independent Director of the Company. Taking into consideration the recommendation of the Nomination & Remuneration Committee, the Board is of the opinion that Shri Goel possesses the requisite skills, experience and knowledge relevant to the Company's business and it would be of immense benefit to the Company to appoint him as an Independent Director of the Company not liable to retire by rotation for a period of five consecutive years commencing from 3rd August, 2024.

The terms and conditions of appointment of Shri Goel is open for inspection at the registered office of the company by any member during business hours on any working day of the Company. Further, brief profile and other disclosures, as required under Regulation 36 of the Listing Regulations and SS-2 issued by the Institute of Company Secretaries of India, are annexed to this Notice.

The Company has received a notice in writing under Section 160 of the Act, proposing the candidature of Shri Goel for the office of Director of the Company.

In compliance with the provisions of Section 149 read with Schedule IV to the Act and Regulation 17 and 25 of the Listing Regulations, the approval of the members is sought for the appointment of Shri Goel as an Independent Director of the Company, as a special resolution.

None of the Directors or Key Managerial Personnel and their respective relatives, except Shri Ashok Kumar Goel and his relatives to the extent of their shareholding, if any, in the Company, are in any way concerned or interested (financially or otherwise) in this Resolution.

The Board recommends the special resolution set out in Item No. 5 of this Notice for the approval of Members.

SECRETARIAL AUDIT REPORT FOR THE FINANCIAL
YEAR ENDED 31st MARCH, 2024

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
 The Members,
Ram Ratna Wires Limited
Mumbai

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **RAM RATNA WIRES LIMITED** (hereinafter referred to as the “**Company**”), a public company listed on BSE Limited and National Stock Exchange of India Limited (NSE). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representations made by the Management, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on **31st March 2024** (the “**Audit Year**”) complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2024 according to the applicable provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder; and
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowing.
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (the “SEBI Act”):

- (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- (b) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- (c) SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015;
- (d) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015
- (e) SEBI (Depositories and Participants) Regulations, 2018; and
- (f) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021.

The following regulations and guidelines prescribed under the SEBI Act were not applicable to the Company during the Audit Year as there were no events during the Audit Year attracting the applicability of these regulations and guidelines:

- (a) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;
- (b) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (c) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; and
- (d) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018.

We have also examined compliance by the Company with the applicable clauses of the Listing Agreement entered into by the Company with the Stock Exchanges, including compliance with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended.

During the Audit Year, the Company has complied with the provisions of the Act, Rules, Regulations, etc. mentioned above.

The Company has complied with the requirements as laid down in Secretarial Standards – 1 and Secretarial Standards

– 2 issued by the Institute of Company Secretaries of India in relation to the board and general meetings and resolutions.

We further report that having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has complied with the following laws applicable specifically to the Company:

- (i) Factories Act, 1948; and
- (ii) Environment Protection Act, 1986 and other environmental laws.

We further report that, based on the information provided by the Company, respective department heads and other officers, in our opinion, adequate systems and processes and control mechanism exist in the Company to monitor and ensure compliance with applicable general laws, such as labour laws, legal metrology related rules, dangerous goods and petroleum storage related laws and Motor Vehicles Act.

We further report that

- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- As per the minutes of the meetings duly recorded and signed by the Chairman, the decisions of the Board were unanimous and no dissenting views have been recorded.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period of the Company there were specific events / actions in pursuance of the above referred laws, rules, regulations, guidelines, etc. having a major bearing on the Company's affairs, as below:

- **MERGER OF GLOBAL COPPER PRIVATE LIMITED, A MATERIAL SUBSIDIARY COMPANY, WITH THE COMPANY:** The proposed merger of Global Copper Private Limited, a material subsidiary company ("Transferor Company") with the Company ("Transferee Company") by way of Scheme of Amalgamation ("the

Scheme") under Sections 230 to 232 of the Companies Act, 2013 as initially approved by the Board of Directors at its meeting held on 8th February, 2023 was revised to incorporate the public e-voting clause as required by SEBI/stock exchanges. We have been informed that due to the lapse of significant time, BSE has suggested the Company to make a fresh application. We have further been informed that the Company will be obtaining fresh valuation report and will thereafter make fresh application. The said merger is subject to approvals of the shareholders, creditors, National Company Law Tribunal (NCLT) and other regulatory authorities, as applicable.

➤ **EMPLOYEES STOCK OPTION SCHEME (ESOP):**

During the year under review, the Company approved and implemented "RRWL Employee Stock Option Plan 2023" ("RRWL ESOP 2023") in terms of the SEBI (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 for purpose of granting stock options from time to time to the employees of the Company and its subsidiaries, not exceeding 440,000 options exercisable into not more than 440,000 equity shares of the Company. Of the above mentioned 440,000 options approved, the Nomination and Remuneration Committee of the Company at its meeting held on 7th November, 2023 approved the grant of 2,25,000 stock options under the RRWL ESOP 2023.

“Annexure IV” to the Board’s Report

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

(Pursuant to Section 134 of the Companies Act, 2013 read with Companies (Accounts) Rules, 2014)

A. Conservation of Energy

Ram Ratna Wires Limited (the Company/“RRWL”) remains committed to conserving all forms of energy—electrical, mechanical, thermal, chemical, etc.—by adopting and implementing relevant methods, strict usage monitoring, efficient procedures, and the latest technologies.

1.1 Electrical Energy

Electrical energy is the primary input for manufacturing both bare and insulated products at RRWL. The bulk of this energy consumption occurs in electrically heated furnaces, where precise temperature control is essential. The temperatures in these furnaces are meticulously managed using PID (Proportional-Integral-Derivative) Temperature Controllers, PLC (Programmed Logic Control) panels, and HMI (Human Machine Interface) systems.

Automation and Monitoring

To further optimize daily energy consumption, RRWL implemented automated daily reports through an ERP (Enterprise Resource Planning) system during FY 2023-24. These reports directly capture power utilization data from machine panels. The data is then used by company executives and the management team to monitor daily power consumption closely. Immediately corrective actions are taken if any deviations from the set standards are observed. This proactive approach ensures that energy usage remains within optimal levels.

These continual efforts to take effective measures for improving our Electrical Energy utilization has resulted in significant reduction in the electrical power utilization per Kg of production, power unit per Kg has reduced substantially by ~ 12%

1.2 Energy Conservation in Lighting and Ventilation:

Wind Energy Ventilation

One of RRWL’s innovative approaches to energy conservation is the use of wind energy for ventilation. This is achieved through the installation of MS Roof ventilator mechanical fans in the factory premises.

These fans harness natural wind currents to facilitate air circulation within the facility. By utilizing wind energy for ventilation, RRWL reduces dependency on conventional electrical-powered ventilation systems, thereby lowering overall energy consumption.

Natural Sunlight Utilization

RRWL maximizes natural sunlight through the installation of rooftop acrylic sheets. These sheets allow natural light to penetrate into the factory spaces, reducing the need for artificial lighting during daylight hours. By leveraging natural daylight, RRWL not only saves on electricity costs but also enhances the working environment for employees by providing a well-lit workspace.

LED Lighting and Motion Sensors

RRWL has adopted LED bulbs and fixtures throughout its facilities. LED lighting is known for its energy efficiency, consuming significantly less electricity compared to traditional incandescent or fluorescent lighting. Moreover, motion sensors are integrated with lighting systems to automatically switch lights on or off based on occupancy. This smart lighting approach ensures that lights are only used when and where they are needed, thereby minimizing unnecessary energy consumption.

Individualized Lighting Solutions

In production areas, RRWL has installed LED tube lights on individual machines and workstations instead of providing uniform lighting for entire production sheds. This setup allows operators to control lighting at specific work areas independently. Operators can turn off lights in unused sections, further optimizing energy usage based on operational needs.

1.3 Energy-Efficient Motors and Equipment:

RRWL adheres to stringent criteria when selecting motors and electrical equipment, placing significant emphasis on energy efficiency ratings, ensuring that each motor operates at peak efficiency levels while consuming minimal electrical energy.

Focus on High Star Ratings

As a principal practice, RRWL prioritizes equipment that meets or exceeds a minimum of three out of five stars in the BEE star rating system. This ensures that the motors and electrical equipment used in their processes are among the most energy-efficient available in the market. By selecting high-star-rated equipment, RRWL not only reduces energy consumption but also lowers carbon emissions associated with electricity generation.

Heat Energy Recovery through Heat Exchanger:

The company taps into waste heat energy generated during processes. This waste heat is captured and utilized through suitable heat exchangers to perform additional tasks such as cooling of lubricant and oil. By utilizing waste heat, RRWL maximizes energy efficiency and reduces reliance on primary energy sources. RRWL utilizes advanced heat exchanger technology to transfer heat efficiently between different process streams. This technology helps in maintaining optimal process temperatures while minimizing energy losses. The heat recovery is done through the exhaust system of the electrical furnaces and this is further utilized to generate the steam from water which is necessary in the copper annealing process.

2. Renewable energy (RE Power):

RRWL has made substantial strides in integrating renewable energy sources into its operations, specifically through the installation and management of solar power plants.

Solar Power Installation

During FY 21-22 and FY 22-23, RRWL installed solar power plants totaling 850 kWp. Specifically:

- In FY 21-22, a 400 kWp solar power plant was installed.
- In FY 22-23, an additional 450 kWp solar power plant was installed, bringing the total capacity to 850 kWp.

These solar power plants are operational and contribute significantly to RRWL's energy needs. The effectiveness of solar energy generation is closely monitored by RRWL's Electrical Maintenance (MNT) team. Dedicated personnel regularly inspect the cleanliness and positioning of solar panels on a weekly basis. This proactive maintenance approach, including washing and cleaning panels during the dry season, ensures optimal solar energy output. By maintaining clean panels and optimal orientation, RRWL

maximizes the efficiency and output of its solar power generation, reducing dependency on conventional energy sources and lowering carbon footprint.

3. Water Conservation Initiatives

In addition to renewable energy efforts, RRWL has initiated water conservation measures at its factory premises, focusing on rainwater harvesting and groundwater recharge.

Rainwater Harvesting

RRWL has begun rainwater harvesting on an experimental basis. This involves collecting rainwater runoff from roofs and other surfaces, storing it, and using it for various industrial purposes. The company is guided by expert recommendations and best practices to enhance its water harvesting capabilities. By capturing and utilizing rainwater, RRWL contributes to sustainable water management practices.

Groundwater Recharge

Alongside rainwater harvesting, RRWL is actively engaged in recharging groundwater resources at its factory premises. This involves replenishing groundwater levels through techniques that facilitate percolation and infiltration of rainwater into the ground. These efforts are crucial for maintaining local hydrological balance and ensuring long-term availability of groundwater resources for both industrial and community needs.

4. Reduce, Reuse, and Recycle:

Reduce, Reuse, and Recycle of Water and Other Resources:

RRWL has embedded the principles of reducing, reusing, and recycling water and other resources into its operational practices. This commitment is evident across all levels of the organization, and various strategies are continually being explored and implemented to enhance efficiency in resource utilization.

Water Recycling:

Improving Efficiency: The team at RRWL is constantly exploring new ways to improve the efficiency of water recycling processes. This involves implementing advanced technologies and procedures to ensure that water is reused wherever possible, minimizing wastage.

Water Treatment Plants: RRWL operates water treatment plants, such as Reverse Osmosis (RO) and softener systems, which treat water for reuse. The rejected water from these systems is fully utilized for toilet flushing in Unit-1 and Unit-3, significantly saving water resources.

Sewage Treatment Plant (STP): The STP installed in our Units is designed to be highly effective. The treated water from the STP is certified and deemed safe for use in gardening around the plant premises, thus reducing the reliance on fresh water for such activities.

Recycling Plastic Spools:

Collection and Reuse: Plastic spools used for spooling (collecting) bare and insulated products are recycled to optimize resource utilization. RRWL has a well-defined reuse and recycling policy for plastic and wooden spools. Nearly 90% of the empty spools are collected from customers. The entire process is managed through the ERP system for higher efficiency. The system tracks the number of spools supplied and received, which is periodically monitored by Area Sales Managers (ASMs) for each customer. Pending statements per ASM and per customer are reviewed periodically to ensure the efficient return and reuse of spools.

Recycling Thermocol Boxes:

Superfine/Ultrafine Wires: For superfine and ultrafine wires supplied in thermocol boxes, RRWL has established reuse and recycling policies. These boxes, along with the empty spools, are collected and reused to minimize waste and optimize resource usage.

RRWL employs a holistic approach to managing resources, ensuring that waste is minimized across all processes. This includes the reuse and recycling of various materials and the implementation of practices that reduce resource consumption. The ERP system plays a crucial role in managing and monitoring resource utilization. By keeping detailed records and conducting periodic reviews, RRWL ensures that resources are used efficiently and effectively, aligning with the company's sustainability goals.

5. Energy Conservation Awareness:

The Company places a strong emphasis on fostering environmental awareness and encouraging active participation in sustainability initiatives among its employees and their families. This commitment is reflected in various activities and programs implemented across the company's premises.

Display of Energy Policies and Conservation Tips

RRWL ensures that its energy policy, along with tips for saving water, electricity, and other resources, are prominently displayed on flex boards at strategic locations throughout the factory premises. These boards serve as constant reminders and educational tools for

employees, reinforcing the company's commitment to sustainability and responsible resource management.

Training Programs, Competitions, and Seminars

To further enhance awareness and engagement, RRWL conducts regular training programs, quiz competitions, and seminars on environmental conservation. These initiatives are designed to educate employees about the importance of environmental protection and sustainability practices. Through interactive sessions and informative workshops, employees gain valuable insights into practical ways to reduce energy consumption, minimize waste, and conserve natural resources.

Commemoration of Global Environmental Events

RRWL actively participates in significant global environmental events such as World Environment Day, World Water Day, and Earth Day. These events serve as catalysts for heightened awareness and action among RRWL's executive and operational teams. During these occasions, RRWL organizes special activities, including quizzes, competitions, and open discussions, to involve employees in discussions about environmental challenges and solutions.

Objectives and Responsibilities

Participation in environmental events and activities has sparked a sense of responsibility and commitment among RRWL's leadership and employees. The executive and operational teams set specific objectives related to environmental sustainability, aiming to integrate eco-friendly practices into daily operations and decision-making processes. This proactive approach ensures that environmental considerations are embedded in the company's strategic goals and operational planning.

Continuous Engagement and Community Impact

By fostering a culture of environmental awareness and responsibility, RRWL not only empowers its employees to make a positive impact within the organization but also extends its influence to the broader community. Through ongoing education and engagement initiatives, RRWL strives to build a more sustainable future while encouraging employees to become ambassadors for environmental stewardship in their personal and professional lives.

B. Technology Absorption

The Company maintains a steadfast commitment to technology absorption and innovation, driven by a policy that emphasizes import substitution through in-house

development. During FY 2023-24, RRWL refrained from importing any new technology, aligning closely with the national agenda of Aatmanirbhar Bharat. Instead, the company's Research and Development (R&D) division has focused on pioneering and standardizing several innovative products.

Enhanced R&D Capabilities

RRWL is poised to strengthen its R&D capabilities to remain at the forefront of technological advancements. This initiative involves strategic investments in cutting-edge technologies and fostering a culture of continuous improvement. The objective is to develop next-generation products that not only excel in performance but also prioritize energy efficiency and sustainability. By enhancing R&D infrastructure and capabilities, RRWL aims to drive innovation across its product portfolio, maintaining competitiveness in dynamic market landscapes.

RRWL's commitment to technology absorption, innovation, and sustainability underscores its proactive approach to meeting evolving market demands. By advancing R&D capabilities, RRWL not only strengthens

its market presence but also contributes to a sustainable future. As RRWL continues to innovate and expand its offerings, it remains poised to leverage emerging opportunities and drive significant growth in the global marketplace.

MANAGEMENT DISCUSSION AND ANALYSIS

A) Economic Scenario

1. World Scenario:

The world economy is anticipated to maintain a steady growth trajectory, with projections indicating a 3.2 percent expansion through 2024 and 2025, mirroring 2023's pace. Advanced economies are poised for a slight acceleration, with growth rates climbing from 1.6 percent in 2023 to 1.7 percent in 2024 and 1.8 percent in 2025. In contrast, emerging markets and developing economies are expected to experience a modest slowdown, easing from 4.3 percent growth in 2023 to 4.2 percent in both subsequent years. Looking further ahead, global growth forecasts indicate a dip to 3.1 percent, marking a historic low. Inflation trends show a gradual decline, with global rates projected to decrease from 6.8 percent in 2023 to 5.9 percent in 2024 and 4.5 percent in 2025. Despite significant central bank interventions aimed at restoring price stability, the global economy has demonstrated remarkable resilience amid evolving economic landscapes.

2. Indian Scenario:

The Indian economy has exhibited remarkable resilience and robust macro-economic fundamentals despite global economic uncertainties. Prompted by strong growth in Q2 of FY 2023-24, RBI in its December, 2023 monetary policy has revised growth projections of India's GDP from 6.5 percent to 7 percent and in line with same, India's growth forecast has been revised upwards by the International Monetary Fund (IMF) to 6.3 percent for the fiscal year 2023-24, up from the previous projection of 6.1 percent. This upward revision underscores increasing global confidence in India's economic capabilities amidst a stable global growth forecast of 3 percent for 2023. Looking ahead, India is poised to ascend to the rank of the third-largest economy by 2027 in terms of USD at market exchange rates, with its contribution to global growth expected to rise significantly over the next five years according to the IMF. Forecasts from international bodies such as the World Bank, IMF, OECD, and ADB further affirm positive growth prospects for India, projecting growth rates ranging from 6.1 percent to 6.7 percent for the fiscal year 2024-25.

3. Industry Structure:

Ram Ratna Wires Limited (hereinafter referred to as RRWL) stands out in South Asia's winding wire industry as the second largest manufacturer by

volume. The Company caters to a diverse range of industries such as automotive, defense & aerospace, electrical, electronics, home appliances, healthcare, lighting, telecommunications, and infrastructure. RRWL is recognized in India as the exclusive producer of enamelled copper wires, offering a comprehensive range from delicate 18-micron (0.018 mm) wires to robust 4.876 mm options, with various intermediate sizes. This reflects the company's commitment to innovation and quality across different sectors.

In FY 23-24, RRWL achieved significant growth with a total production of 33,939 tonnes across various wire, strip, and related products. This marked a notable increase of 10.38% compared to the previous fiscal year. Enamelled copper wire accounted for approximately 70% of the total production, underscoring RRWL's specialization in this core product. The remaining 30% included a diverse range of offerings such as enamelled copper strips, paper-covered copper wires and strips, submersible winding wires with varied insulation options, litzwires, bunched and braided wires, self-bonding wires, fiberglass-insulated wires and strips, as well as aluminium winding wires and strips.

RRWL's product portfolio encompasses Enamelled Copper Wire (ECW), Enamelled Copper Strips (ECS), Paper Insulated Copper Strips (PCS), Enamelled Aluminium Wire (EAW), Submersible Winding Wires (SWW), among others. This comprehensive range underscores RRWL's dedication to meeting the needs of original equipment manufacturers (OEMs) with tailored winding solutions.

B) Development & Modernization:

1. Continuous Improvement and Customer Centric Approach:

RRWL has always been committed to continuous improvement in processes, product quality, and services. This commitment is bolstered by a highly interactive, customer-centric, and robust R&D team, which stands as a cornerstone of the company's strength. Over the years, RRWL has introduced numerous innovative products, such as corona-resistant wires, setting a benchmark in the industry.

2. R&D Initiatives in FY 23-24:

During the fiscal year 2023-2024, our R&D team focused on the up-gradation, standardization, and maintaining consistency in the quality of our products. A strict adherence to the specifications and standards has been a top priority, ensuring that our offerings meet and exceed customer expectations. The relentless efforts in research and development have resulted in enhanced product reliability and performance, further solidifying our market position.

3. Embracing Automation and Industry 4.0:

In alignment with modern industrial trends, RRWL has embraced automation, transforming our production facilities to meet Industry 4.0 standards. This transformation involves a series of strategic projects aimed at digitizing the existing manual controls of our machinery.

Key initiatives include:

Digitization of Machine Controls: Transitioning from manual to automated control systems through the integration of input/output data analysis, facilitating real-time monitoring and adjustments.

Time Data Analysis: Implementing advanced time data analysis to optimize production processes, reduce downtime, and enhance overall efficiency.

Desktop Control Panels: Providing the executive and management team with desktop control panels, offering a centralized platform for monitoring, control, and decision-making. This enhances the responsiveness and agility of our operations. The adoption of these cutting-edge technologies not only streamlines our production processes but also significantly enhances our ability to maintain high standards of quality and consistency. As we continue to evolve, our focus remains on leveraging technological advancements to drive innovation, improve customer satisfaction, and achieve sustainable growth.

In conclusion, the ongoing development and modernization efforts at RRWL underscore our commitment to excellence and innovation. By staying at the forefront of technological advancements and maintaining a customer-centric approach, we are well-positioned to meet the challenges of the future and deliver superior value to our stakeholders.

C) Outlook:

1. Demand for Winding Wires & Strips in India:

Industry Growth and Demand Drivers:

The Indian electrical and electronic industry has maintained strong growth momentum in 2023-2024. India, ranking as the world's third-largest cable market, consumed 1,266 kt of insulated metallic wire and cable in 2023, accounting for nearly 6% of global consumption, trailing only China (42%) and the US (9%). The demand for insulated metallic wire and cable in India is projected to grow by 7.8% year-on-year in 2024, with a robust compound annual growth rate (CAGR) of 6.4% expected from 2023 to 2028. Despite global economic challenges, India's economy remains resilient, having achieved a 7% GDP growth in 2023, and is anticipated to sustain a strong 6.1% growth in 2024, albeit slightly affected by election-related disruptions. This growth is primarily fueled by robust domestic demand and a thriving manufacturing sector.

Increased Production in Key Segments:

Transformers: India's transformer market is poised for significant growth driven by escalating power demand, intensified manufacturing activities, electrification efforts, and the country's ambitious transition to green energy, targeting 500 GW by 2030. This surge has sparked a resurgence in transmission and distribution capital expenditures, with the power transmission segment alone expected to see Rs 4.75 trillion in investments by 2027 according to the Central Electricity Authority's draft National Electricity Plan (Volume II). As of March 2024, India's alternating current (AC) transformation capacity reached 1,217.58 GVA across 220-765 kV levels, growing at a compound annual growth rate (CAGR) of 6.8% from 2018-19 to 2023-24. The high voltage direct current (HVDC) transformation capacity stands at 33,500 MW, predominantly at \pm 800 kV (54%) and \pm 500 kV (40%) levels, showing a CAGR of 8.3% over the same period. In the distribution segment, nearly 902 GVA of transformer capacity operates at the 33 kV level and below across 46 utilities, demonstrating a CAGR of 7.6% from 2017-18 to 2021-22, as reported by India Infrastructure Research.

Rotating Machines: The demand for rotating machines in India is surging due to the rise in industrial automation and the necessity for energy-efficient motors. Projections indicate that India's electric motor market is set to grow at an impressive compound annual growth rate (CAGR) of 11% from 2023 to 2028, driven primarily by expanding industrialization. As new industries emerge and existing ones expand, there is a heightened requirement for motors that can minimize energy consumption and operational costs. Energy-efficient motors, known for their superior efficiency and reduced energy loss, are increasingly sought after across diverse sectors such as power, manufacturing, agriculture, construction, and transportation, promising substantial cost savings over their operational lifespans.

Meters: India's government has set an ambitious goal of installing 250 million smart electricity meters by the end of 2025. To execute this implementation strategy, the government launched the Revamped Distribution Sector Scheme (RDSS). This scheme aims to provide financial support for regional utility service providers (USPs) for smart meter deployment and maintenance, as well as to expand domestic manufacturing capacity for producing smart meters within India.

However, by the end of 2023, India had achieved less than 3% of this goal, making it unlikely to be met before 2030. Despite this setback, India is on track to become the largest market for smart electricity

meters by 2030, in terms of both annual shipments and revenue.

Export Achievements and Future Goals: The Indian electrical equipment industry is poised for substantial growth, with projections indicating it could reach \$130 billion by 2030. This growth trajectory anticipates a doubling of industry size over the medium term, spanning the next seven years. Additionally, exports from the sector are forecasted to increase significantly, potentially expanding by 2.5 times by the year 2030. These projections underscore a robust outlook for the electrical equipment industry, driven by both domestic demand and enhanced global market participation. This target reflects the industry's robust growth potential and the increasing global demand for Indian electrical equipment.

This goal is driven by several factors:

Global Demand: The global transition towards renewable energy and smart infrastructure is boosting the demand for Indian electrical equipment.

Quality and Innovation: Indian manufacturers are increasingly recognized for their quality and innovative products, enhancing their competitiveness in international markets.

Government Support: Policies and incentives aimed at promoting exports, such as the Production-Linked Incentive (PLI) scheme, are providing a significant boost to the industry.

Asia Pacific to Lead Enameled Copper Wires Market Growth through 2030

The enameled copper wires market is poised for robust growth, driven by the rising demand for consumer electronics, such as smartphones, laptops, and household appliances. This surge in demand is fueled by increasing disposable incomes and changing lifestyles in emerging economies. Geographically, the Asia Pacific region is expected to dominate the market during the forecast period, thanks to rapid industrialization, urbanization, and infrastructural development in countries like China, India, and Japan. The presence of major electronic manufacturing companies in these regions further propels market growth. Overall, the market is projected to witness a CAGR of 8% from 2023 to 2030, with key growth drivers including the increasing demand for energy-efficient electrical equipment, expansion in the automotive sector, and the rising adoption of renewable energy sources.

Modernized infrastructure elevates power need

Electricity Demand Dynamics

India's electricity demand rose by 7% in 2023, driven

by rapid economic growth and increased space cooling needs. This demand is expected to continue growing at an annual average rate of 6.5% between 2024 and 2026. By 2026, India's electricity demand is projected to outpace China's, boasting the world's fastest growth rate.

Global Comparison and Emerging Economies

While China holds the largest volume of expected growth, India's electricity demand over the next three years might nearly be equivalent to that of the United Kingdom. In contrast, developed economies have reported substantial reductions in manufacturing and industrial output, coupled with high inflation.

About 85% of new electricity capacity is expected to come from emerging economies, particularly in South Asia, with China and India leading the way.

Green energy pledges fuel action and investments

India, the world's third largest emitter of greenhouse gases, has committed to achieving "net-zero" emissions by 2070 despite its significant reliance on coal. The Ministry of New and Renewable Energy targets 500 GW of non-fossil-based electricity generation by 2030, following the Prime Minister's COP26 announcement. In 2023, India added 13.5 GW of renewable energy capacity, corresponding to an investment of around ₹ 74,000 crores (US\$ 8.90 billion).

The Central Electricity Authority estimates that India's power requirement will grow to 817 GW by 2030, with most of the demand coming from the real estate and transport sectors. In the Interim Budget for 2024-2025, the fiscal allocation for solar power grid infrastructure development surged to ₹ 8,500 Crore (US\$ 1.02 billion), up from the previous year's ₹ 4,970 Crore (US\$ 0.60 billion). Additionally, ₹ 17,490 crores (US\$ 2.10 billion) were allocated for the Green Hydrogen Mission and the Strategic Interventions for Green Hydrogen Transition (SIGHT) Program.

India's installed renewable energy capacity is expected to increase to about 170 GW by March 2025, up from 136.57 GW as of December 2023, according to research agency ICRA.

Hydroelectric Power and Energy Transitions

India has hydroelectric power projects with an aggregate capacity of 15 GW under construction, and the total hydro capacity is expected to increase from 42 GW to 67 GW by 2031-32, marking more than a 50% increase. The Indian Meteorological Department has predicted higher rainfall for the

current financial year, and hydropower projects in the Himalayan region will benefit from increased snowmelt contribution due to rising temperatures.

The development of Pumped Storage Projects (PSPs) is crucial for providing greater inertia and balancing power to the grid, earning them the moniker "the Water Battery" for their role in modern clean energy systems. Currently, PSPs with an aggregate capacity of 2.7 GW are under construction, and an additional 50 GW is in various stages of development. It is projected that PSP capacity will increase from 4.7 GW to around 55 GW by 2031-32. The IMD's prediction of a good monsoon in FY 2024-25 suggests a potential reversal of the previous year's scarce rainfall trend, which could help replenish reservoir capacities.

EV Ecosystem to Boost Future Wire Demand

India's push towards electric vehicles (EVs) is creating expansive opportunities in mobility, energy storage, and charging infrastructure. This includes EV franchising, OEM markets, battery infrastructure, solar charging stations, and battery swapping technology. The demand for wires and cables at charging stations is pivotal as EVs rely heavily on electricity for charging. This transition is driving increased demand across the wire and cable industry.

Government Policies and Regulations:

Government policies and regulations play a pivotal role in shaping the EV landscape, focusing on emissions reduction, consumer incentives, and infrastructure development to accelerate the adoption and sustainability of EVs globally.

Expansion of Manufacturing and Charging Infrastructure:

The 2024 Interim Budget presented by Finance Minister Nirmala Sitharaman outlined significant support for manufacturing and the development of charging infrastructure, aiming to create a robust environment for electric vehicles (Press Information Bureau).

Focus on Public Transportation: There is a push towards increasing the number of electric buses in public transport, supported by a payment security mechanism to encourage the deployment of e-buses (Press Information Bureau).

FAME II Scheme Enhancements: The government continues to support the Faster Adoption and Manufacturing of (Hybrid &) Electric Vehicles (FAME India) Scheme, with substantial financial backing to promote the use of electric and hybrid vehicles (Invest India).

Production Linked Incentive (PLI) Schemes: Initiatives include PLI schemes for automotive and battery manufacturing to attract investments and boost local manufacturing of advanced automotive technologies and components (Invest India).

Reduction in GST and Other Fiscal Incentives: The government has reduced the Goods and Services Tax (GST) on EVs from 12% to 5% and proposed the exemption of registration fees for battery-operated vehicles to make them more affordable (E-Vehicle info).

These initiatives aim to increase the adoption of EVs and support India's goal of achieving net-zero emissions by 2070, reflecting a broader commitment to sustainable and eco-friendly transportation solutions.

This burgeoning market is set to significantly impact the wire and cable industry, necessitating specialized wires for power transmission, battery management, and electronic systems crucial for EV operations.

Rail and datacentre growth to boost cable demand

Indian Railways is poised to achieve complete electrification of its broad gauge network ahead of schedule, supported by a dedicated fund of Rs 6,500 crore allocated in the interim budget. This initiative positions Indian Railways as the largest green railway globally, aiming to significantly reduce carbon emissions by 2027-28. According to Energy Monitor and Indian Railways data, the railways are currently 95% electrified, surpassing electrification levels in the EU (56%), the UK (38%), and the US (1%). Switzerland stands at 99% electrification. This advancement is expected to boost demand for telecommunication and power cables.

The combination of a thriving electrical and electronic industry, significant export achievements, rising domestic demand, and favorable economic conditions points to a promising future for the demand for winding wires and strips in India. RRWL is well-positioned to capitalize on these opportunities, leveraging its strong R&D capabilities and innovative product offerings to meet the increasing demands of both domestic and international markets in future years. The company's strategic focus on quality, innovation, and customer satisfaction will be key drivers in maintaining its competitive edge and achieving sustainable growth.

2. RR Shramik Brand:

Overview:

RR Shramik continues to uphold its reputation as a trusted brand, delivering innovative and customer-centric products, particularly in the domain of winding wires and strips. The brand's commitment to quality and innovation

has resulted in substantial growth across several product lines in the FY 2023-2024.

Key Product Achievements in FY 2023-2024:

Bondable Wire:

Superior Technology: Bondable wire, known for its excellent adhesive properties and ease of use in coil applications, has become a preferred choice among customers.

Remarkable Sales Surge: The sales of bondable wire skyrocketed by 101%, showcasing its growing popularity and widespread application in various industries.

Litz/Braided/Bunched Wires:

Versatile Applications: These wires, valued for their flexibility and ability to reduce power loss in high-frequency applications, have seen increased usage in advanced electronic and electrical systems. RRWL have now developed the Litz wires with the additional covering (serving) of the Nylon, Polyester, and silk threads OR even the with the high temperature film wrappings like aramid fiber papers (Nomex) or Polyimide films (Kapton) which have a customer specific significant applications.

Significant Increase: Sales of Litz, braided, and bunched wires increased by 64% over the previous fiscal year, reflecting the expanding market for these high-performance wires.

MCB Coil:

Market Penetration: The MCB (Miniature Circuit Breaker) coil, essential for safety and efficiency in electrical systems, witnessed a phenomenal rise in demand.

Exponential Growth: The sales of MCB coils soared by 190%, underscoring a massive uptick in market penetration and the product's critical role in modern electrical infrastructures.

Outlook for 2024-2025:

Continued Innovation and Product Development:

RR Shramik is steadfast in its commitment to driving innovation and expanding its product portfolio. The company focuses on developing high-quality, reliable, and efficient products tailored to meet the evolving needs of various industries.

Enhanced R&D Capabilities:

To stay at the forefront of technology and innovation, RR Shramik plans to strengthen its research and development capabilities further. This includes investments in cutting-edge technologies and fostering a culture of continuous improvement. The goal is to develop next-generation

products that not only offer superior performance but also prioritize energy efficiency and sustainability.

Customer-Centric Approach:

Customer satisfaction remains a top priority for RR Shramik. The company aims not only to meet but to exceed customer expectations by closely engaging with clients to understand their specific requirements. This customer-centric approach ensures the delivery of tailored solutions that address unique challenges and opportunities across industries.

Market Expansion:

RR Shramik is poised to expand its market presence both domestically and internationally. Leveraging its strong brand reputation and innovative product offerings, the company seeks strategic partnerships and collaborations to enhance its market reach and drive growth in key sectors.

Sustainability Initiatives:

As part of its commitment to sustainability, RR Shramik focuses on developing environmentally friendly products and adopting green manufacturing practices. Initiatives aimed at reducing the company's carbon footprint and enhancing energy efficiency are integrated into its production processes.

Projected Growth and Demand:

The demand for RR Shramik's innovative products is expected to remain robust in 2024-2025. This growth is driven by several factors, including the increasing adoption of automation and smart technologies in industries, the expansion of renewable energy projects such as electric vehicles (EVs), wind, and solar power, and continued infrastructure development in emerging markets.

3. Quality First:

Quality Management Systems and Certifications:

RRWL remains steadfast in its commitment to maintaining and improving quality across its operations, supported by prestigious international quality management certifications:

ISO 9001:2015 - Quality Management System:

RRWL adheres to the ISO 9001:2015 standard, ensuring rigorous quality management practices across all processes. This certification underscores the company's commitment to consistently meeting customer requirements and enhancing customer satisfaction through effective application of the system.

ISO 14001:2015 - Environmental Management System:

Environmental sustainability is a key focus area with adherence to the ISO 14001:2015 standard. RRWL

integrates environmental considerations into its business operations, striving to minimize environmental impact and comply with applicable legal and regulatory requirements.

ISO 45001:2018 - Occupational Health and Safety Management System:

The ISO 45001:2018 certification reflects RRWL's commitment to ensuring a safe and healthy work environment for its employees and stakeholders. By systematically managing occupational health and safety risks, the company aims to prevent work-related injuries and illnesses.

IATF 16949:2016 - Automotive Quality Management System:

As part of its dedication to automotive excellence, RRWL complies with the IATF 16949:2016 standard. This certification ensures robust quality management in automotive manufacturing processes, covering quality management, human resources, marketing, strategic planning, policy making, and purchasing.

Excellent Ratings and Customer Acquisition:

RRWL has consistently achieved excellent ratings in assessment audits conducted by multinational companies (MNCs). These ratings are prominently displayed on global websites, enhancing visibility and attracting global purchase inquiries. The company's ability to maintain high standards has facilitated the acquisition of numerous reputed new customers, further solidifying its market presence and customer trust.

D) Opportunities and Threats for FY 2024-25:

1. Opportunities:

a. India's Economic Growth:

India remains one of the fastest-growing emerging major economies, with ambitious targets to achieve a GDP of USD 5 trillion economy. The performance of the electrical equipment industry in FY 24-25 indicates robust growth, driven by increased industrial and consumer spending.

This economic momentum presents several opportunities:

Increased Demand for Electrical Equipment: As India progresses towards a higher GDP and industrial output, there will be a parallel increase in demand for electrical and electronic equipment, including winding wires and strips. This growth is supported by infrastructure development, urbanization, and the expansion of renewable energy projects. India's electrical equipment industry is forecasted to double in

size over the next seven years reaching a market valuation of \$130 billion by 2030.

Government Initiatives: The Government of India's focus on infrastructure development, including power generation capacity expansion, and initiatives such as Make in India and Atmanirbhar Bharat, Swachh Bharat Abhiyan, Jal Jeevan Mission, and National Solar Mission provide a conducive environment for domestic manufacturing and investment in the electrical sector. The government aims to reduce environmental problems and create a sustainable future for future generations; thus, it supports conservation initiatives, climate-resilient infrastructure, and renewable energy. India is dedicated to upholding internationally acknowledged environmental standards and aims to achieve approximately fifty per cent of its installed electric power capacity from non-fossil fuel sources by 2030.

India's electricity demand set to grow fastest among major economies, global demand: India is poised to witness the fastest growth in electricity demand among major economies over the next three years, according to the International Energy Agency's (IEA) report, "Electricity 2024". The report forecasts a robust global surge in electricity demand, growing at an average rate of 3.4% from 2024 through 2026, largely driven by emerging economies. The IEA's analysis indicates that about 85% of this growth is expected to come from regions outside advanced economies, with China, India, and Southeast Asian countries leading the demand surge. For India, the forecasted demand over the next three years is projected to be roughly equivalent to the current electricity consumption of the United Kingdom. This trend significantly boosts the demand for electrical equipment and components, thereby benefiting RRWL's product offerings.

b. Technological Advancements and Innovation:

Industry 4.0 Adoption: The adoption of Industry 4.0 technologies, including automation, IoT (Internet of Things), and AI (Artificial Intelligence), presents opportunities for efficiency gains and product innovation. RRWL's focus on digitalization and smart manufacturing aligns well with these trends, enhancing competitiveness and operational efficiency.

Green Technologies: Increasing emphasis on sustainability and environmental conservation favors the demand for eco-friendly electrical solutions. RRWL's ISO 14001:2015 certification

underscores its commitment to environmental management, positioning it favorably in a market increasingly driven by green technology adoption.

c. Market Expansion and Global Reach:

Export Opportunities: The international recognition of RRWL's quality standards, reflected in certifications like ISO 9001:2015 and IATF 16949:2016, facilitates global market expansion. The company's ability to attract reputed multinational customers enhances its visibility and competitiveness in international markets.

Emerging Market Potential: Beyond traditional markets, emerging economies present growth opportunities. RRWL's proactive approach in diversifying its customer base and leveraging

global supply chains enhances its resilience against regional economic fluctuations.

Accelerating Toward a Greener Horizon: The Promising Future of Electric Vehicles-The future outlook for electric vehicles (EVs) is indeed promising, driven by several key factors such as environmental consciousness, technological advancements, and supportive government policies. Consumers are increasingly drawn to EVs due to their lower operating costs and reduced environmental impact compared to traditional vehicles.

Governments worldwide are implementing stricter emissions regulations and offering incentives to promote EV adoption, further boosting their popularity. Battery technology continues to improve, providing EVs with longer ranges and faster charging times, which addresses one of the primary concerns of potential buyers.

Moreover, the expansion of EV infrastructure, including charging networks, is crucial in enhancing the convenience and practicality of EV ownership. As these trends continue and EVs become more affordable and accessible, coupled with growing awareness of environmental issues, the automotive industry is set for a significant transformation towards sustainable transportation solutions.

These developments present a substantial opportunity for growth for your company, aligning well with the evolving market trends towards electric mobility.

2. Threats:

a. Global Economic Uncertainty:

Energy Crisis and Geopolitical Tensions: Ongoing energy crises, geopolitical tensions (such as the Russia-Ukraine conflict), and associated supply chain disruptions impact global economic stability. These factors can lead to fluctuations in raw material prices, supply chain delays, and market volatility, which may affect Company's production costs and profitability.

Currency Fluctuations: Strengthening of major international currencies against the Indian rupee can increase the cost of imported raw materials and consumables, impacting production costs and profitability margins.

b. Supply Chain Disruptions and Inflation:

Supply Chain Vulnerabilities: Continued disruptions in global supply chains, geopolitical tensions, pose operational challenges for RRWL. Delays in raw material procurement, logistics bottlenecks, and fluctuating availability of critical components can disrupt production schedules and customer deliveries.

Inflationary Pressures: Rising inflationary pressures, including wage increases and elevated prices of essential inputs like copper and other raw material costs, escalate production costs. RRWL's ability to manage cost efficiency and mitigate inflationary impacts through strategic sourcing and operational optimization becomes critical.

c. Competitive Landscape and Pricing Pressures:

Intense Competition: The presence of other manufacturers in the winding wires and strips segment, both domestic and international, intensifies competition. Price competition and the ability to offer differentiated products and services become pivotal in maintaining market share and profitability.

Price Volatility in Raw Materials: Fluctuations in global commodity prices, particularly copper and other raw materials used in manufacturing winding wires, can impact RRWL's cost structure and profit margins. Effective hedging strategies and supplier relationships are essential to mitigate these risks.

Conclusion:

Navigating the opportunities and threats in FY 2024-25 requires RRWL to leverage its strengths in quality management, innovation, and market diversification. By capitalizing on India's economic growth prospects, embracing technological advancements, and navigating global uncertainties with agility, RRWL can position itself as a resilient player in the competitive landscape of the electrical equipment industry.

E) Performance Review (2023-24):

Standalone Basis: Revenue from operations, including other income, stood at ₹ 2,615 Crs. Lakhs in FY 2023-24, up from INR ₹ 2,328 Crs. Lakhs in the previous year marking a substantial increase of 12.33%. Profit After Tax increased to ₹ 50.40 Crs. in FY 2023-24 from ₹ 42.91 Crs. in the previous year.

Consolidated Basis: Revenue from operations, including other income, increased to ₹ 2,983 Crs. in FY 2023-24 from ₹ 2,650 Crs. reflecting a 12.59% growth in the previous year. Profit After Tax also increased to ₹ 54.62 Crs. in FY 2023-24 from ₹ 47 Crs. in the previous year.

Key Financial Ratio

Ratios	Standalone	
	FY 2023-24	FY 2022-23
Debtors Turnover Ratio	9.23	7.84
Inventory Turnover Ratio	15.85	18.02
Interest Coverage Ratio	2.10	2.29
Current Ratio	1.65	1.50
Debt Equity Ratio	0.27	0.63
Operating Profit Margin%	3.78%	3.56%
Net Profit Margin%	1.93%	1.84%
Return on Net Worth (RONW)	12.57%	14.11%

Explanation for variance in ratios by more than 25%:

The total comprehensive income for the year has been increased by more than 50% mainly due to sale of equity shares held under fair value through OCI and thereby corresponding change in the shareholders' fund and the reduction in the debt of the Company, therefore change in Debt Equity ratio by more than 25%.

F) Internal Control Systems and their Adequacy:

The robustness of RRWL's internal financial controls reflects its commitment to ensuring transparency, compliance, and efficiency in operations. These controls are meticulously designed to align with the company's scale, business nature, and operational complexity. They undergo regular monitoring and evaluation by the management, internal and Statutory Auditors, with continuous improvements implemented in response to evolving laws, regulations, and operational needs.

Key Features of Internal Control Systems:**Comprehensive Monitoring:**

Internal financial controls are subject to periodic monitoring by the company's management. This systematic oversight ensures that controls remain effective and responsive to changing business dynamics and regulatory requirements.

Audit Oversight:

Internal and statutory auditors conduct thorough evaluations of the internal control framework. Their independent assessments provide valuable insights into control effectiveness and highlight areas for enhancement.

Audit Committee Review:

Audit findings and status reports, along with management actions and responses, are presented to the Audit

Committee for review. This collaborative approach ensures that audit recommendations are addressed promptly, and corrective actions are implemented as necessary.

Adaptability and Compliance:

The internal control systems are adaptable to accommodate amendments in laws and regulations. This proactive approach ensures ongoing compliance and mitigates regulatory risks effectively.

Continuous Improvement:

RRWL emphasizes a culture of continuous improvement in its internal controls. Feedback from audits, management reviews, and regulatory updates drives enhancements aimed at optimizing operational efficiency and minimizing risks.

G) Human Resources Development:

At RRWL, human resources are recognized as the cornerstone of organizational success. The company's strategic approach to human resource development encompasses training, skills enhancement, and fostering a conducive work environment to unleash employees' full potential.

Training Programs:

Skill Enhancement: RRWL conducts regular training programs designed to equip employees across all levels with new skills and knowledge. These initiatives are aligned with the company's future-ready strategy, ensuring that employees remain adept in a rapidly evolving industry landscape.

Competence Building: The company's investment in training is geared towards building competence and capability among its workforce. By empowering employees with the latest industry practices and technologies, RRWL fosters innovation and operational excellence.

Infrastructure and Employee Well-being:

Safe Working Conditions: RRWL prioritizes the provision of safe and healthy working conditions for its employees. The company invests in infrastructure and implements stringent safety protocols to ensure a secure workplace environment.

Industrial Relations: Maintaining harmonious industrial relations is a cornerstone of RRWL's corporate ethos. The company is committed to nurturing healthy and cordial relationships across all organizational levels, fostering a collaborative and supportive workplace culture.

Employee Strength:

As of 31st March 2024, RRWL employed 851 permanent employees, highlighting its role as a significant employer committed to fostering career growth and development opportunities within the organization.

Conclusion:

RRWL's strong performance in FY 2023-2024 has set a solid foundation for continued success. The upcoming production commencement of the new manufacturing facility in Bhiwadi, Rajasthan expected by the current financial year i.e. 2024-25, will significantly enhance the Company's production capacity and expand its geographical reach. Furthermore, the development of a state-of-the-art facility for manufacturing of motors including Brushless DC (BLDC) motors through its joint venture subsidiary, Epavo Electricals Private Limited, marks a pivotal diversification of its product portfolio. These strategic initiatives reflect RR Shramik's unwavering commitment to innovation, operational excellence, and regional economic development through substantial employment opportunities.

Concurrently, RRWL's focus on strengthening internal financial controls and comprehensive human resource development highlights its dedication to regulatory compliance, employee well-being, and sustainable growth. By continuously refining its internal processes and investing in its workforce, RRWL reinforces its status as a responsible and forward-thinking corporate entity, well-positioned to thrive in the competitive global marketplace.

INDEPENDENT AUDITOR'S REPORT

To
The Members,
Ram Ratna Wires Limited

Report on the Audit of the Standalone Financial Statements

1. Opinion

We have audited the accompanying Standalone Financial Statements of Ram Ratna Wires Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2024 and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the Standalone Financial Statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS"), and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2024 and its profit, total comprehensive income, its cash flows and the changes in equity for the year then ended.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit

of the Standalone Financial Statements in paragraph 7 below of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statements.

3. Emphasis of Matter

We draw attention to Note 30.4 of the Notes to Standalone Financial Statements relating to a search and seizure action under section 132 of the Income Tax Act, 1961 against the Company, its Subsidiaries, other group entities and their few employees in November, 2023. Pending completion of the search proceedings, the consequent impact on the financial statements for the year ended 31st March, 2024, is currently not ascertainable.

Our opinion is not modified in respect of this matter.

4. Key Audit Matters

Key audit matters are those matters which, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

The Key audit matter	How our audit addressed the key audit matter
<p>Revenue Recognition (Refer note 1 (c) (xii) and 42 of the Standalone Financial Statements)</p> <p>Revenue is the main profit driver and therefore susceptible to misstatement. There is inherent risk of incorrect timing of recognition of revenue and related rate difference, discounts in reporting period. Cut-off on the reporting date is the key assertion insofar as revenue is concerned, any in-appropriate method can result in misstatement of financial statements for the year.</p>	<p>Our audit incorporated the following procedures with regard to Revenue Recognition: -</p> <ul style="list-style-type: none"> assessing the process, internal controls and testing the effectiveness of key controls; testing the accuracy of cut-off with substantive analytical procedures supplemented with third party confirmation, delivery acknowledgment, delivery terms, estimation for delivery time based on historical records; judgments and estimations made for discounts, rebates, appropriate authorisation, historical trends, credit and debit notes issued after the balance sheet date, inventory reconciliation and receivable balance confirmations.

<p>Assessment of carrying value of investments in subsidiaries and joint venture</p> <p>The investments in subsidiaries and joint venture are reported in the Standalone Financial Statements at cost. In case of an investment amounting to ₹ 2,223.99 Lakhs in a subsidiary (including additional investment of ₹ 1,491.39 Lakhs during the year) where an indication of impairment exists, the carrying value of investment is assessed for impairment.</p> <p>The accounting for investment is a Key Audit Matter as the determination of recoverable value for impairment assessment involves significant management judgments and estimates.</p>	<p>Our audit incorporated the following procedures with regard to assessment of impairment of investment:</p> <ul style="list-style-type: none"> • reviewing the approach adopted for testing impairment including appropriateness of valuation method used; • reviewing and checking financial projections and other relevant data for mathematical accuracy; • reviewing the valuation report of qualified valuer obtained by the Company; • reviewing the assumptions used in the financial projection; • discussions with key person of the Company and that of subsidiary and ascertaining the factors contributing towards present performance and strategy to overcome it, business expectation, market conditions and business plans; • discussions on Company's management perception regarding business, market condition, expected market size, future planning, financial strength, support and intention of joint venture investor of the subsidiary.

5. Information Other than the Financial Statements and Auditor's Report thereon

The Company's Management and Board of Directors are responsible for other information. Other information comprises the information included in the Annual Report, but does not include the Consolidated Financial Statements, Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

6. Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS

and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, the management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Company's Board of Directors is also responsible for overseeing the Company's financial reporting process.

7. Auditor's responsibilities for the audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit

conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with respect to Standalone Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statement may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

8. Report on other Legal and Regulatory Requirements

- (1) As required by Section 143(3) of the Act, based on our audit we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in paragraph (i) (vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
- (d) In our opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) The modification relating to the maintenance of accounts and other matters connected therewith in respect of audit trail are stated in the paragraph (1) (b) above on reporting under section 143 (3) (b) of the Act and paragraph (i) (vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- (g) With respect to the adequacy of the internal financial controls with reference to Standalone Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in **Annexure "A"**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Standalone Financial Statements.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
- In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i) The Company has disclosed the impact, if any, of pending litigations as at 31st March, 2024 on its financial position in its Standalone Financial Statements – Refer Note 30 to the Standalone Financial Statements;
 - ii) The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv) (a) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall :
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or
 - provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The management has represented, that, to the best of its knowledge and belief, as disclosed in the notes to accounts, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in

writing or otherwise, that the company shall:

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

Referred to in paragraph (1) (g) under the “Report on other Legal and Regulatory Requirements” in the Independent Auditor’s Report of even date to the members of Ram Ratna Wires Limited

1. Report on the Internal Financial Controls with reference to Standalone Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

We have audited the internal financial controls with reference to Standalone Financial Statements of Ram Ratna Wires Limited (“the Company”) as of 31st March, 2024 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

2. Management’s Responsibility for Internal Financial Controls

The Company’s management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control with reference to Standalone Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

3. Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to

an audit of internal financial controls with reference to Standalone Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Standalone Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Standalone Financial Statements included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to Standalone Financial Statements.

4. Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A company’s internal financial controls with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to Standalone Financial Statements includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are

being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

5. Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone Financial Statements to future periods are subject to the risk that the internal financial controls with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

6. Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to Standalone Financial Statements and such internal financial control with reference to Standalone Financial Statements were operating effectively as at 31st March, 2024, based on the criteria with reference to Standalone Financial Statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Standalone Financial Statements for the year ended 31st March, 2024. (contd.)

CORPORATE INFORMATION

Ram Ratna Wires Limited ('the Company') is a public company limited by shares incorporated and domiciled in India with its registered office in Mumbai, Maharashtra. Equity Shares of the Company is listed on the BSE Limited and National Stock Exchange of India Limited.

The Company is a leading manufacturer of winding wires, mainly enamelled copper wires. The Company offers unique product range of all gauges of winding wires including super fine wires. The product portfolio of the Company includes enamelled copper wire and strips, enamelled aluminium wires and strips, submersible winding wires, fiber glass covered copper and aluminium strips and paper cover round wires. The Company has manufacturing facilities located at Silvassa and Dadra and Nagar Haveli (Union Territory). The Standalone Financial Statements ("the Financial Statements") as at 31st March, 2024 present the financial position of the Company. The Financial Statements were approved by the Board of Directors and authorised for issue on 14th May, 2024.

1. BASIS OF PREPARATION, KEY ACCOUNTING ESTIMATES & JUDGEMENTS AND MATERIAL ACCOUNTING POLICIES

(a) BASIS OF PREPARATION OF STANDALONE FINANCIAL STATEMENTS

(i) Statement of Compliance:

The Standalone Financial Statements ("the Financial Statements") have been prepared in accordance with Indian Accounting Standards ('Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 ('the Act') read together with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and other relevant provisions of the Act.

The Financial Statements includes Balance Sheet as at 31st March, 2024, the Statement of Profit & Loss including Other Comprehensive Income, Cash Flows Statement, Statement of Change in Equity for the year ended 31st March, 2024 and notes to the Financial Statements, including a summary of material accounting policies and other explanatory information.

(ii) Basis of Preparation and Measurement:

The Financial Statements have been prepared and presented under the historical cost convention except for certain financial assets and financial liabilities that are required to be measured at fair values at the end of each reporting period by Ind AS.

Historical cost is generally based on fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Financial Statements have been prepared on accrual and going concern basis.

Any asset or liability is classified as current or non-current based on company's normal operating cycle and other criteria as set out in the Division II of schedule III to the Act, 2013.

Asset/ Liability is classified as current, if it satisfies any of the following conditions :

- the asset/liability is expected to be realized/ settled in the Company's normal operating cycle;
- the asset is intended for sale or consumption;
- the asset/liability is held primarily for the purpose of trading;
- the asset/liability is expected to be realized/ settled within twelve months after the reporting period;
- the asset is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date;
- in the case of a liability, the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

All other assets and liabilities are classified as non-current.

For the purpose of current/non-current classification of assets and liabilities, the Company has ascertained its normal operating cycle as twelve months. This is based on the nature of product and the time between the acquisition of assets or inventories for processing and their realization in cash and cash equivalents.

Cash flow statement is reported using the indirect method, whereby profit for the year is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past

Notes to Standalone Financial Statements for the year ended 31st March, 2024. (contd.)

or future operating cash receipts or payments and item of income or expenses associated with investing or financing cashflows. The cash flows from operating, investing and financing activities of the Company are segregated.

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short- term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

For the purposes of cash flow statement cash and cash equivalents consist of cash and short-term deposits, as defined above.

The functional and presentation currency of the Company is Indian Rupees (₹) which is the currency of the primary economic environment in which the Company operates.

(iii) Recent Pronouncements:

Ministry of Corporate Affairs (“MCA”) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended 31st March, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

(b) KEY ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of Company’s financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of assets, liabilities, revenues, expenses and the accompanying disclosures in notes including disclosures of contingent liabilities. Uncertainty about these assumptions and estimates could result in the outcomes requiring adjustment to the carrying amounts of assets or liabilities in future periods. The estimates and the associated assumptions are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances as available at the time of preparation of the Financial

Statement. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the standalone financial statements. The estimates and the associated assumptions are reviewed on an ongoing basis. Changes in accounting estimates are recognised prospectively.

Significant judgements and estimates have been made by the Company relating to

- Amount and Timing of recognising of revenue from contract at a point in time with customers, identifying performance obligations in a sales transactions and volume rebate that gives rise to variable consideration in a sales contract.
- Useful lives of property, plant and equipment and intangible assets at the end of each reporting period.

The Company reviews the useful life of property, plant and equipment and intangible assets at the end of each reporting period. This reassessment may result in change in depreciation and amortisation expense in future periods. Impairment of property, plant and equipment and intangible assets.

- Impairment of Investments in subsidiaries & Joint Venture

Determining whether the investment in subsidiaries and joint venture is impaired requires an estimate in the value in use of investments. The Company reviews its carrying value of investment carried at cost (net of impairment, if any) annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for in the statement of profit and loss. In considering the value in use, the Board of Directors have anticipated the future market conditions and other parameters that affect the operations of these entities.

Notes to Standalone Financial Statements for the year ended 31st March, 2024. (contd.)

- **Provision for employee benefits and other provisions**

The costs of providing employment benefit plans are charged to the statement of profit and loss in accordance with Ind AS 19 'Employee benefits' over the period during which benefit is derived from the employees' services. The costs are assessed on the basis of assumptions selected by the management. These assumptions include salary escalation rate, discount rate, expected rate of return on assets and mortality rates. The assumptions have been disclosed under employee benefits note.

- **Share-based payment transactions**

The fair value of employee stock options is measured using the Black-Scholes model. Measurement inputs include share price on grant date, exercise price of the instrument, expected volatility (based on weighted average historical volatility), expected life of the instrument (based on expected exercise behaviour), expected dividends, and the risk free interest rate (based on government bonds). Details regarding the determination of the fair value of equity-settled share-based transactions are set out in note 51.

- **Provision for Income Tax including payment of advance Tax and deferred tax assets**

The Company uses estimates and judgements based on the relevant rulings in the areas of allocation of revenue, costs, allowances and disallowances which is exercised while determining the provision for income tax. A deferred tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised. Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies. Accordingly, the Company exercises its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting period.

- **Fair Value Measurements of Financial Instruments**

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

- **Lease**

The Company assesses whether a contract is qualifies to be a lease as per the requirements of Ind As 116. Identification of lease requires significant judgment including judgement to assess the lease terms (including anticipated renewals) and the applicable discount rate. The Company determines the lease terms as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease, if the Company is reasonably certain to exercise that option; and period covered by an option to terminate the lease, if the Company is reasonably certain not to exercise that option. In assessing, whether the Company is reasonably certain to exercise the option to extend a lease, or not to exercise an option to terminate a lease, the Company consider all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revise the lease term if there is a change in the non-cancellable period of lease terms.

- **Commitments and contingencies**

A provision is recognised when the Company has a present obligation as result of a past event and it is probable that the outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognised in the financial statements.

Notes to Standalone Financial Statements for the year ended 31st March, 2024. (contd.)

(c) MATERIAL ACCOUNTING POLICIES

i) Property, Plant and Equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. The cost of an item of property, plant and equipment comprises of its purchase price including import duties and other non-refundable purchase taxes or levies, directly attributable cost of bringing the asset to its working condition for its intended use and the initial estimate of decommissioning, restoration and similar liabilities, if any. Any trade discount or rebate is deducted in arriving at the purchase price. Cost includes cost of replacing a part of a plant and equipment if the recognition criteria are met.

Items such as spare parts, stand-by equipment and servicing equipment that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life. Costs in nature of repairs and maintenance are recognized in the statement of profit and loss as and when incurred.

Capital work-in-progress includes cost of property, plant and equipment not ready for the intended use as at the balance sheet date.

The cost and related accumulated depreciation are eliminated from the Financial Statements upon sale or retirement of the property, plant and equipment and the resultant gains or losses are recognised in the statement of profit and loss. Property, plant and equipment to be disposed of are reported at the lower of the carrying value or the fair value less cost of disposal.

Where an item of property, plant and equipment comprises major components having different useful lives, these components are accounted for as separate items.

The Company had elected to continue with the carrying value of all of its property, plant and equipment appearing in the financial statements prepared in accordance with accounting standards notified under section 133 of the

Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 (Generally Accepted Accounting Standards "Previous GAAP") and used as the deemed cost of the property, plant and equipment in the opening balance sheet under Ind AS effective 1st April, 2016.

Exchange differences arising on translation of long-term foreign currency monetary items recognised in the Previous GAAP financial statements in respect of which the Company has elected to recognise such exchange differences as a part of cost of assets is allowed under Ind AS 101. Such differences are added/deducted to/ from the cost of assets and are recognised in the statement of profit and loss on a systematic basis as depreciation over the balance life of the assets.

ii) Intangible Assets

Intangible assets acquired are initially measured at cost. Intangible assets arising on acquisition of business are measured at fair value as at date of acquisition. Following initial recognition, intangible assets with defined useful lives are carried at cost less accumulated amortization and accumulated impairment loss, if any.

Intangible Assets consist of Computer Software license or rights under the license agreement are measured on initial recognition at cost. Costs comprise of license fees and cost of system integration services and development.

The carrying amount of an intangible asset is derecognized when no future economic benefits are expected from its use

The Company had elected to continue with the carrying value of all of its intangible Assets appearing in the financial statements prepared in accordance with Indian accounting standards notified under section 133 of the Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 (Generally Accepted Accounting Standards "Previous GAAP") and used as the deemed cost of the Intangible Assets in the opening balance sheet under Ind AS effective 1st April, 2016.

Notes to Standalone Financial Statements for the year ended 31st March, 2024. (contd.)

iii) Depreciation on Property, Plant and Equipment and Amortisation of intangible Assets

Depreciation on property, plant and equipment is provided on pro rata basis using the straight-line method based on useful life of the assets as prescribed in Schedule II to the Act, 2013 in consideration with useful life of the assets as estimated by the management. Depreciation is not recorded on capital- work-in-progress until construction and installation are completed and the asset is ready for its intended use.

Intangible Assets with finite lives are amortized on a straight-line basis over the estimated useful economic life. The amortization expense on intangible assets with finite lives is recognized in the statement of profit and loss.

The estimated useful lives, residual values and methods of depreciation of property, plant & equipment are reviewed at the end of each financial year. If any of these expectations differ from previous estimates, such change is accounted for as a change in an accounting estimate and adjusted prospectively, if any.

The estimated useful life of items of property, plant and equipment and intangible Assets are:

Particulars	Years	Particulars	Years
Factory Buildings (including Roads)	10 to 30	Office and Other Equipment	5 to 10
Residential Buildings	60	Computers/ Laptops/ Computers Hardware	3
Plant and Machineries	3 to 40	Computer Servers	6
Laboratory Equipment	10	Computer Software	5
Electrical Installations	10	Vehicles	8 to 10
Furniture and Fixtures	10		

Freehold land is not depreciated.

The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

iv) Impairment of Assets

At each balance sheet date, the Company reviews the carrying value of its property, plant and equipment and intangible assets which are subject to depreciation and amortisation respectively, to determine whether there is any indication that the carrying value of those assets may not be recoverable through continuing use. If any such indication exists, the recoverable amount of the asset is reviewed in order to determine the extent of impairment loss (if any).

An impairment loss on such assessment will be recognised wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount of the assets is net selling price or value in use, whichever is higher. While assessing value in use, the estimated future cash flows are discounted to the present value by using weighted average cost of capital. A previously recognised impairment loss is further provided or reversed depending on changes in the circumstances and to the extent that carrying value of the assets does not exceed the carrying value that would have been determined if no impairment loss had previously been recognised.

Assets that have an indefinite useful life, for example goodwill, are not subject to amortization and are tested for impairment annually and whenever there is an indication that the asset may be impaired.

v) Leases

A contract is, or contains, a lease, if the contract conveys the right to control the use of an assets for a period of time in exchange for consideration.

The Company as a Lessee

The Company assesses whether a contract is qualifies to be a lease at the inception of contract.

At the date of the commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease contracts in which it is a lessee, except for leases contract for a period of twelve months or less (short term leases), variable leases and low value leases, in those cases the lease payments are recognised in the statement of

Notes to Standalone Financial Statements for the year ended 31st March, 2024. (contd.)

profit and loss on a straight-line basis over the term of the lease.

ROU is initially recognized at cost, which comprises of the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any incentive received and estimated of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ROU is depreciated from the commencement date on a straight-line basis over the lease term or useful life of the underlining asset, whichever is shorter. ROU is tested for impairment and account for as per impairment of assets policy of the Company.

The lease liability is initially measure at the present value of the future lease payments, which comprises of the fixed payments and with agreed time based incremental, variable lease payments, guaranteed residual value or exercise price of purchase option, if the Company is reasonably certain to exercise the option. The lease payments are discounted using interest rate implicit in the lease or, if not readily determinable, using incremental borrowing rates. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet. Interest expense on lease liability is reported as finance cost in the statement of profit and loss account and lease payments have been classified as financing cash flows.

The Company as a Lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. For operating leases mainly

of workers quarters and part of the factory premises given to a subsidiary are recognised in the statement of profit and loss on straight line basis.

vi) Investment in Subsidiaries and Joint Venture:

Investment in subsidiaries and joint venture are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investments is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiary and joint venture, the difference between net disposal proceeds and the carrying amounts are recognised in the statement of profit and loss.

vii) Inventories:

- Raw Materials, Work-in-progress and Finished goods are valued at the lower of cost or net realizable value. The cost is determined using FIFO method.
- The cost of Inventories of work-in-progress and finished goods comprises the cost of purchases and the cost of conversion and in case of finished goods it also includes the cost of packing materials.

The cost of purchase comprises of the purchase price including duties and taxes (other than those subsequently recoverable by the Company from the taxing authorities), freight inward and other expenditure directly attributable to the acquisition but net of trade discount, rebates, duties for import under advance licenses and other similar items.

The cost of conversion comprises of depreciation and repairs and maintenance of factory buildings and plant and machineries, power and fuel, factory management and administration expenses and consumable stores and spares.

- Packing Materials, Consumable Stores and Spares and Fuel are valued at lower of cost or net realizable value. The cost is determined using FIFO method.
- Scrap is valued at net realizable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated cost to make sale.

Notes to Standalone Financial Statements for the year ended 31st March, 2024. (contd.)

viii) Financial Assets and Financial Liabilities

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition and adjusted for transaction costs that are directly attributable to the acquisition or issues of financial assets and financial liabilities in case of financial assets or financial liabilities not at fair value through profit or loss account.

Where the fair value of financial assets and financial liabilities at initial recognition is different from its transaction price, the difference between the fair value and transaction price is recognised in the statement of profit and loss.

However, trade receivables that do not contain a significant financing component are initially measured at transaction price.

a) Financial Assets

Cash and bank balances

Cash and bank balances consist of:

- Cash and cash equivalents - Cash and cash equivalents include cash on hand, deposits held at call with banks and other short-term deposits which are readily convertible into known amounts of cash, are subject to an insignificant risk of change in value and have maturities of less than one year from the date of such deposits. These balances with banks are unrestricted for withdrawal and usage.
- Other bank balances - Other bank balances include balances and deposits with banks that are restricted for withdrawal and usage.

Financial assets measured at amortised cost

A financial asset is subsequently measured at amortised cost if both of the following conditions are met:

- If it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows, and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest

on the principal amount outstanding using the Effective Interest Rate (EIR) method less impairment, if any, and the amortisation of EIR and loss arising from impairment, if any is recognised in the statement of profit and loss.

Financial assets measured at fair value

A financial asset is measured at fair value through other comprehensive income if both of the following conditions are met:

- If it is held within a business model whose objective is to hold these assets in order to collect contractual cash flows and to sell these financial assets, and
- The contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Fair value movements are recognised in the other comprehensive income.

The Company in respect of equity instruments (other than equity instruments of subsidiaries and joint venture) which are not held for trading has made an irrevocable election to present the subsequent changes in fair value of such equity instruments in other comprehensive income. Such an election is made by the Company on an instrument-by-instrument basis at the time of initial recognition of such equity investments. On de-recognition, cumulative gain or loss previously recognised in other comprehensive income is reclassified from the equity to retained earnings in the statement of changes in equity.

A financial asset not classified as either amortised cost or at fair value through other comprehensive income is carried at fair value through the statement of profit and loss.

Impairment of Financial Assets

The Company applies loss allowance using the expected credit loss (ECL) model for the financial assets which are measured at amortised cost or fair value through other comprehensive income.

Loss allowance for trade receivables with no significant financing component is measured following simplified approach wherein an amount equal to lifetime ECL is measured and recognised as a loss allowance.

Notes to Standalone Financial Statements for the year ended 31st March, 2024. (contd.)

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on life time ECLs at each reporting date, right from its initial recognition.

For all other financial assets (apart from trade receivables that do not constitute of financing transaction), ECLs are measured at an amount equal to 12-month ECL, unless there has been a significant increase in credit risk for initial recognition in which case those are measured at lifetime ECL.

De-recognition of Financial Assets

A financial asset is de-recognised only when

- The contractual rights to cash flows from the financial asset expire;
- The Company has transferred the contractual rights to receive cash flows from the financial asset or;
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognised. Where the Company has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not de-recognised.

Where the Company has neither transferred a financial asset nor retained substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

b) Financial Liabilities

Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity Instrument

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial Liability

Trade and other payables are initially measured at fair value, net of transaction costs and are subsequently measured at amortised cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.

Interest bearing loans and overdrafts are initially measured at fair value, and are subsequently measured at amortised cost using effective interest rate method. Any difference between proceeds (net of transaction cost) and the settlement amount of borrowing is recognised over the terms of the borrowings in the statement of profit and loss.

De-recognition

A financial liability is de-recognised when the obligation specified in the contract is discharged, cancelled or has expired.

c) Financial Guarantee Contracts

Financial guarantee contracts are those contracts that require specific payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value adjusted for transaction cost that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amount of income recognised in accordance with the principles of Ind As 115 amortisation.

d) Derivative financial instruments

The Company enters into derivative financial contracts in the nature of forward currency contracts with banks to reduce business

Notes to Standalone Financial Statements for the year ended 31st March, 2024. (contd.)

risks which arise from its exposures to foreign exchange. The instruments are employed as hedges of transactions included in the financial statements or for highly probable forecast transactions/firm contractual commitments.

Derivatives are initially accounted for and measured at fair value from the date the derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. Any change therein is generally recognised in the statement of profit and loss. Derivatives are carried as financial assets when fair value is positive and as financial liabilities when fair value is negative.

e) Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

ix) Fair Value Measurement

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for asset or liability or in the absence of a principal market, in the most advantageous market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows:-

- Level 1 — quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly
- Level 3 — inputs that are unobservable for the asset or liability

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

x) Non-Current Assets held for sale

The Company classifies non-current assets as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use of the assets and actions required to complete such sale indicate that it is unlikely that significant changes to the plan to sell will be made or that the decision to sell will be withdrawn. Also, such assets are classified as held for sale only if the management expects to complete the sale within one year from the date of classification.

Non-current assets classified as held for sale are measured at the lower of their carrying amount and the fair value less cost to sell and are presented separately from other assets in the balance sheet. The liabilities related to the assets held for sale are presented separately from other liabilities in the balance sheet. Non-current assets held for sale are not depreciated or amortized.

xi) Provisions, Contingent Liabilities and Contingent Assets

The Company recognised the provisions when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. These are reviewed at each year end and reflect the best current estimate. Provisions are not recognised for future operating losses.

Where there are number of similar obligations, the likelihood that an outflow will be required

Notes to Standalone Financial Statements for the year ended 31st March, 2024. (contd.)

in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of Management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. If the effect of time value of money is material, the provisions are discounted using current pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A disclosure for a contingent liability is made when there is a possible obligation or present obligation arising from past events the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company and where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are neither recognised nor disclosed in the financial statements.

xii) Revenue

Revenue from contracts with customer is recognized when the Company satisfies a performance obligation by transferring the promised goods or services to a customer at a transaction price. The Company assesses promises in the contract that are separate performance obligations to which a portion of transaction price is to be allocated. The transaction price is the amount of consideration to which the company expects to be entitled in exchange for transferring promised goods or services to a customer as per contract, excluding amount of taxes collected on behalf of the government or other amount collected from customers in its capacity as an agent. The transaction price is adjusted of trade discount, cash discount, volume rebate and other variable considerations as per the terms of contract which is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of

cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved. It is reassessed at end of each reporting period.

Consideration payable to customers is accounted as reduction of transaction price and therefore, of revenue unless the payment to the customer is in exchange for a distinct good or service that the customer transfers to the Company.

Sale of Goods: -

Revenue from sale of products is recognised at a point in time when the control on the goods have been transferred to a customer i.e. when material is delivered to the customer or as per shipping terms, as may be specified in the contract.

Job Work

Revenue from Job work is recognised when intended job work is carried out and goods are ready for transfer to the owner of the goods.

Export Incentives

Eligible export incentives are recognised in the year in which the conditions precedents are met and there is no significant uncertainty about the collectability.

xiii) Other Income

Interest Income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time proportion basis, by reference to the principal outstanding and the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Rental Income

Rental income is recognised in the statement of profit and loss on straight line basis.

Dividend Income

Dividend Income from investments is recognised when shareholder's rights to receive payment have been established.

Notes to Standalone Financial Statements for the year ended 31st March, 2024. (contd.)

Commission Income

Guarantee commission income (notional) for the financial guarantee issued by the Company to the banks/ financial institutions in respect of credit facility granted by the banks/financial institutions to the dealers of the Company is recognised over the period of guarantee.

Guarantee commission income (notional) for the financial guarantee issued by the Company to the bank in respect of credit facility granted by the bank to a subsidiary is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amount of income recognised in accordance with the principles of Ind AS 115 amortisation.

xiv) Government Grant

Government grants are recognised when there is reasonable assurance that the grant will be received and the company will comply with all the attached conditions. When the grant relates to revenue expense, it is recognised as an income on a systematic basis over the period necessary to match it with the expenses that it is intended to compensate. Government grant related to expenditure on property, plant and equipment is included as cost of property, plant and equipment and is credited to the statement of profit and loss over the useful lives of qualifying assets or credited to the statement of profit and loss over the period in which the corresponding export obligation is fulfilled. Total grants availed less the amounts credited to the statement of profit and loss at the balance sheet date are included in the balance sheet as deferred income.

xv) Foreign Currency Transactions

Transactions denominated in foreign currencies entered into by the Company are recorded in the functional currency (i.e. Indian Rupees), by applying the exchange rate prevailing on the date of transaction. Foreign currency denominated monetary items is restated at the closing exchange rates. Non-monetary items are recorded at exchange rate prevailing on the date of transaction. Non-monetary items that are measured at fair value in a foreign currency

are translated using the exchange rates at the date when the fair value is measured. Exchange differences arising out of these translations are recognized in the statement of profit and loss.

The forward exchange contracts are marked to market and gain/loss on such contracts are recognised in the statement of profit and loss at the end of each reporting period.

The Company as per previous GAAP elected to recognise as part of cost of assets, exchange differences arising on translation of long-term foreign currency monetary items and this method of recognition of such exchange difference is followed by the Company as allowed under Ind AS 101. Such differences are added/deducted to/ from the cost of assets and are recognised in the statement of profit and loss on a systematic basis as depreciation over the balance life of the assets.

xvi) Employee Benefits

a) Short Term Obligations

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and they are recognized in the period in which the employee renders the related service. The Company recognizes the undiscounted amount of short-term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

b) Post-Employment Benefits

i) Defined benefit plan

Gratuity liability is a defined benefit obligation and recognized based on actuarial valuation carried out using the Projected Unit Credit Method. The scheme is maintained and administered by Life Insurance Corporation of India to which the Company makes periodical contributions through its trustees.

ii) Defined contribution plan

A Defined Contribution Plan is plan under which the Company makes contribution to Employee's Provident Fund administrated by the Central Government. The Company's

Notes to Standalone Financial Statements for the year ended 31st March, 2024. (contd.)

contribution is charged to the statement of profit and loss.

c) Other Long Term Employee Benefits – Leave Salary

The liability towards leave salary which is not expected to be settled wholly within 12 months after the end of the period in which the employees render the related services is recognized based on actuarial valuation carried out using the Projected Unit Credit Method.

xvii) Borrowing Cost

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs that are directly attributable to the acquisition or construction of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized. All other borrowing costs are expensed in the period in which they occur.

xviii) Income Taxes

Tax expense is the aggregate amount included in the determination of profit or loss for the period in respect of current tax and deferred tax.

Current Tax

Current tax is the amount of income tax payable in respect of taxable profit for the year. Taxable profit differs from net profit as reported in the statement of profit and loss because taxable profit is adjusted for items of income or expenses which are taxable or deductible in other years and also for items which are not taxable or deductible under the Income Tax Act, 1961 (“the IT Act”).

The Company’s liability for current tax is calculated using tax rates and tax laws in force.

Deferred Tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax base used in the computation of taxable profit under the “IT Act”.

Deferred tax liabilities are generally recognized for all taxable temporary differences. However, in case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affects neither the taxable profit nor the accounting profit, deferred tax liabilities are not recognized.

Deferred tax assets are generally recognized for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. In case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax assets are not recognized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent it is no longer probable that sufficient taxable profit will be available to allow entire or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised based on the tax rates and tax laws in force. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to cover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in statement of profit and loss, except to the extent that it relates to items recognised in Other Comprehensive Income or directly in equity, in which case, the tax is recognised in other comprehensive income or directly in equity, respectively.

Notes to Standalone Financial Statements for the year ended 31st March, 2024. (contd.)

xix) Employee Share Based Payment

Equity-settled share-based payments to employees are measured at the fair value of the employee stock option at the grant date.

The fair value determined at the grant date of equity-settled share-based payment is recognised as deferred employee compensation and is amortised in statement of profit and loss over the vesting period, based on the Company's estimated of equity instruments that will eventually vest, with corresponding increase in the equity (Share based payment reserve outstanding) in respect of employee share-based payment to employees of the Company.

In respect of equity-settled share-based payments to employees of subsidiaries of the Company, the fair value determined at the grant date of equity-settled share-based payment is recognised as capital contribution by the Parent over the vesting period, based on the Company's estimated of equity instruments that will eventually vest to employees of the subsidiaries with corresponding increase in the equity.

At the end of each reporting period, the Company revisit its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in the statement of profit and loss or as capital contribution such that the cumulative expense/ capital contribution reflects the revised estimate, with a corresponding adjustment to the Share based payment reserve outstanding.

xx) Events after Reporting date

Where events occurring after the Balance Sheet date provide evidence of conditions which existed at the end of the reporting period, the

impact of such events is adjusted within the financial statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

xxi) Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose calculating Diluted Earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

xxii) Research and Development

Expenditure incurred by the Company on development of products are recognised as an intangible asset if and only if, expenditure can be measured reliably, the product or process is technically and commercially feasible, future economic benefits are probable and the Company intends to and has sufficient resources to complete development and use or sell the assets otherwise such expenses are recognised in the Statement of Profit and Loss as incurred. Subsequent to initial recognition, the assets are measured at cost less accumulated amortisation and any accumulated impairment losses, if any. Expenditures incurred on research are charged to the Statement of Profit and Loss as incurred.

Fixed assets utilized for research and development are capitalized and depreciated in accordance with the policies stated for Property, Plant & Equipment and Intangible Assets.

12.1 Security Premium

Security premium is used to record the premium received on issue of shares. The reserve is utilised in accordance with the provisions of the Companies Act, 2013.

12.2 General Reserve

General Reserve is created from time to time by way of transfer of profits from retained earnings for appropriation purposes. General Reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income. Under the Companies Act, 2013 there is no mandatory requirement for transfer of a specific percentage of net profit to general reserve which was required under the erstwhile Companies Act, 1956.

12.3 Share based payment reserve outstanding

Share based payment reserve outstanding represents recognition of fair value of equity-settled share based option plan. Fair value of equity- settled share based payment transactions with employees is recognized in the Statement of Profit and Loss with corresponding credit to share based payment reserve. The share based payment reserve is used to recognise the value of equity- settled share- based payments provided to employees, including key management personnel, as part of their remuneration (Note 51).

12.4 Equity Instruments through Other Comprehensive Income (OCI)

This represents the cumulative gains/(losses) arising on the revaluation of equity instruments measured at fair value through other comprehensive income, under an irrevocable option, it will be reclassified to retained earnings when such assets are disposed off.

Explanation for variance in the ratios by more than 25%

- (i) The total comprehensive income for the year has been increased by more than 50% mainly due to sale of equity shares held under fair value through OCI and thereby corresponding change in the shareholders' fund and the reduction in the debt of the Company .

Note 38: EMPLOYEE BENEFITS
A) Defined Benefit Plan- Gratuity (Funded)

The employees' Gratuity Fund Scheme, is a defined benefit plan. The scheme is maintained and administered by Life Insurance Corporation of India (LIC) to which the Company makes periodical contributions. Under the scheme, every employee who has completed at least five years of service usually gets gratuity on departure @ 15 days of last drawn salary for each completed year of service. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method.

Investment in unquoted equity shares are not held for trading. Upon the application of Ind AS 109 - Financial Instruments, the Company has chosen to measure said investment in equity instrument at FVTOCI irrevocably as the management believes that presenting fair value gains and losses relating to the said investment in the statement of profit and loss may not be indicative of the performance of the Company.

B) Fair Value Measurements

(i) All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows:

Level 1 — quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3 — inputs that are unobservable for the asset or liability

Notes to Standalone Financial Statements for the year ended 31st March, 2024. (contd.)

The carrying amounts of financial assets (other than security deposits and loan to employees) and financial liabilities (other than long term borrowings, lease liabilities & security deposits) measured at amortised cost in the financial statements are reasonable approximation of their fair values since the Company does not anticipate that the carrying amount would be significantly different from the value that would eventually be received or settled.

Management uses its best judgment in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of the amounts that the Company could have realised or paid in sale transactions as of respective dates. As such, fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date.

There have been no transfers between Level 1 and Level 2 for the years ended 31st March, 2024 and 31st March, 2023.

C) Financial Risk Management- Objectives and Policies

The Company is exposed to: (a) Market Risks comprising of Interest Rate Risk, Currency Rate Risk, Commodity Price Risk and Equity Price Risk (b) Liquidity Risk and (c) Credit Risk comprising of trade receivable risk and financial instrument risk. The Company has well placed Risk Management Policy (RMP). The policy provide broad guidelines to identify the risk arising from these factors and provide guidelines to the team for its mitigation or at-least minimize its effect on income / expense on the Company is optimized. Team involved in RMP meets frequently to discuss the level of risk they foresee based on the conditions persisting.

The Company's exposure to Market Risk, Credit Risk and Liquidity Risk have been summarized below:

i) Market Risk

Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flow of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk on short-term and long-term floating rate interest bearing liabilities. The Company's policy is to maintain a balance of fixed and floating interest rate borrowings and the proportion of fixed and floating rate debt is determined by prevailing interest rates. These exposures are reviewed by the management on a periodic basis.

The exposure of the Company's financial liabilities to interest rate risk based on liabilities as at reporting date is as follows :

(₹ in Lakhs)

Particulars	Impact on profit before tax	
	2023-24	2022-23
Increase in interest rate by 100 basis points	(106.19)	(189.80)
Decrease in interest rate by 100 basis points	106.19	189.80

(Calculated based on risk exposure outstanding as of date and assuming that all other variables, in particular foreign currency rates, remain constant).

ii) Foreign Currency Risk

The Company is exposed to fluctuations in foreign currency exchange rates where transaction references more than one currency and/or where assets/liabilities are denominated in a currency other than the functional currency of the Company.

Exposures on foreign currency are managed through a hedging policy, which is reviewed periodically by the management. The Company usually enters into forward exchange contracts progressively based on their maturity to hedge the effects of movements in foreign currency exchange rates individually on assets and liabilities. The sources of foreign exchange risk for the Company are trade receivables, trade payables for imported materials & capital goods as well as foreign currency denominated borrowings. The policy of the Company is to determine on a regular basis what portion of the foreign exchange risk are to be hedged through forward exchange contracts.

Notes to Standalone Financial Statements for the year ended 31st March, 2024. (contd.)

The exposure of the Company's foreign currency risk based on unhedged exposure as at the reporting date is as follows:

(₹ in Lakhs)

Particulars	Impact on profit before tax	
	2023-24	2022-23
Increase in exchange rates by 5%	159.90	181.06
Decrease in exchange rates by 5%	(159.90)	(181.06)

iii) Commodity Price Risk

The Company is exposed to the movement of copper and aluminium prices on the London Metal Exchange (LME). Any increase or decline in the prices of these commodities will have an impact on the profitability of the Company. As a general policy, the Company aims to purchase these commodities at prevailing market prices and also sell the products at price adjusted for prevailing market prices. The Company substantially ensures sale of products with simultaneous purchase of these commodities on back-to back basis ensuring no or minimum price risk for the Company.

iv) Equity Price Risk

Equity price risk relates to change in fair value of investments in the equity instruments measured at fair value through OCI. As at 31st March, 2024 the carrying value of such equity instruments recognised at fair value through OCI amounts to ₹ NIL (P.Y. ₹ 6,890.62 Lakhs).

A sensitivity analysis demonstrating the impact of change in the carrying value of investment in equity instrument as at reporting date is given below :

vi) Credit Risk

Credit risk refers to the risk that counter party will default on its contractual obligations resulting in financial loss to the Company. The Company is exposed to credit risk for trade receivables and financial guarantees for dealers, derivative financial instruments and other financial assets.

The Company assess the counter party before entering into transactions and wherever necessary supplies are made against advance payment. The Company on continuous basis monitor the credit limit of the counter parties to mitigate or minimise the credit risk. The credit risk for the financial guarantees issued by the Company to bank for credit facilities availed by Company's dealers from bank is minimum as those parties have long vintage with the Company and they are also subject to credit risk assessment by bank on periodical basis. The credit risk on export receivables are limited as almost all export sales are made to parties having a long vintage with the Company and new parties are subject to necessary due diligence.

For trade receivables, as a practical expedient, the Company computes credit loss allowance based on expected credit loss method. The movement in expected credit loss allowance on trade receivable is as under :

INDEPENDENT AUDITOR'S REPORT

To
The Members,
Ram Ratna Wires Limited
Report on the Audit of the Consolidated Financial Statements

1. Opinion

We have audited the accompanying Consolidated Financial Statements of Ram Ratna Wires Limited ("the Parent") and its subsidiaries- (i) Global Copper Private Limited (GCPL) and (ii) Epavo Electricals Private Limited (EEPL) (collectively referred as "the Subsidiaries") (the Parent and the Subsidiaries together referred to as "the Group") which includes its share of Profit in Joint Venture -RR-Imperial Electricals Limited ("the Joint Venture"), which comprise the Consolidated Balance Sheet as at 31st March, 2024, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and notes to the Consolidated Financial Statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements of GCPL and the Joint Venture referred below in paragraph 8 - Other Matters, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rule, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its Joint Venture as at 31st March, 2024 and their Consolidated Profit, their Consolidated Total Comprehensive Income, their Consolidated Cash Flows and their Consolidated Changes in Equity for the year then ended.

2. Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on

Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements in paragraph 7 below of our report. We are independent of the Group and its joint venture in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred below in paragraph 8 Other Matters, is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Statements.

3. Emphasis of Matter

We draw attention to Note 30.4 of the Notes to Consolidated Financial Statement relating to a search and seizure action under section 132 of the Income Tax Act, 1961 against the Group and other related Indian entities and their few employees in November, 2023. Pending completion of the search proceedings, the consequent impact on the Consolidated Financial Statements for the year ended 31st March, 2024, is currently not ascertainable.

Our opinion is not modified in respect of this matter.

4. Key Audit Matters

Key audit matters are those matters which, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

The Key audit matter	How our audit addressed the key audit matter
<p>Revenue Recognition (Refer note 1 (d) (xi) and 38 of the Consolidated Financial Statements)</p> <p>Revenue is the main profit driver and therefore susceptible to misstatement. There is inherent risk of incorrect timing of recognition of revenue and related rate difference, discounts etc. in reporting period.</p>	<p>Our audit incorporated the following procedures with regard to Revenue Recognition: -</p> <ul style="list-style-type: none"> • assessing the process, internal controls and testing the effectiveness of key controls; • testing the accuracy of cut-off with substantive analytical procedures supplemented with third party confirmation, delivery acknowledgment, delivery terms, estimation for delivery time based on historical records;

Cut-off on the reporting date is the key assertion insofar as revenue is concerned, any in-appropriate method can result in misstatement of financial statements for the year.

Assessment of carrying value of investments in subsidiaries and joint venture

The investments in subsidiaries and joint venture are reported in financial statements at cost. In case of an investment amounting to ₹ 2,223.99 Lakhs in EEPL (including investment of ₹ 1,491.39 Lakhs during the year) where an indication of impairment exists, the carrying value of investment is assessed for impairment.

The accounting for investment is a Key Audit Matter as the determination of recoverable value for impairment assessment involves significant management judgments and estimates.

Impairment of goodwill in Consolidated Financial Statements

The Consolidated Financial Statements reflects goodwill of ₹ 137.20 lakhs on acquisition of GCPL. Goodwill is required to be tested annually for impairment. The parent has estimated the recoverable amount of the Subsidiary to which goodwill is allocable based on value in use or fair value. Determination of value in use involves significant estimations, assumptions and judgments as regards to determination of value in use and susceptible to misstatements and therefore, area of key audit matter.

- judgments and estimations made for discounts, rebates, appropriate authorisation, historical trends, credit and debit notes issued after the balance sheet date, inventory reconciliation and receivable balance confirmations.

Our audit incorporated the following procedures with regard to assessment of impairment of investments: -

- reviewing the approach adopted for testing impairment including appropriateness of valuation method used;
- reviewing and checking financial projections and other relevant data for mathematical accuracy;
- reviewing the valuation report of qualified valuer obtained by the Company;
- reviewing the assumptions used in the financial projection;
- discussions with key person of the Company and that of subsidiary and ascertaining the factors contributing towards present performance and strategy to overcome it, business expectation, market conditions and business plans;
- discussions on Company's management perception regarding business, market condition, expected market size, future planning, financial strength, support and intention of joint venture investor of that subsidiary.

Our audit incorporated the following procedures with regard to assessment of impairment of goodwill on acquisition of the Subsidiary: -

- reviewing the approach adopted for testing impairment including method used for determination of value in use;
- performing substantive testing in respect of financial projections for their accuracy;
- Checking the fair valuation considered by the Parent and considering the bases of assessment of fair valuation;

5. Information Other than the Financial Statements and Auditor's Report thereon

The Parent's Management and Board of Directors are responsible for other information. Other information comprises the information included in the Annual Report, but does not include the Consolidated Financial Statements, Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information, when it becomes available and compare with the financial statements of the Subsidiaries and the Joint Venture audited by the other auditors, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our

knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read other information comprises the information included in the Annual Report, if we conclude based on the work we have performed and the report of the other auditors as furnished to us, referred below in paragraph 8- Other Matters, that there is a material misstatement therein, we are required to communicate the matter to those charged with governance. We have nothing to report in this regard.

6. Management's Responsibility for the Consolidated Financial Statements

The Parent's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group including the Joint Venture in

accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the Parent, the Subsidiaries and the Joint Venture are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and the Joint Venture and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of preparation of the Consolidated Financial Statements by the Management and Board of Directors of the Parent, as aforesaid.

In preparing the Consolidated Financial Statements the respective management and Board of Directors of the Parent, the Subsidiaries and the Joint Venture are responsible for assessing the ability of the Group and the Joint Venture to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Parent, the Subsidiaries and the Joint Venture are also responsible for overseeing the financial reporting process of the Group and of the Joint Venture.

7. Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also

- Identify and assess the risks of material misstatement

of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Parent has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's and the Joint Venture's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its Joint Venture to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and of the Joint Venture to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the Financial Statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such

other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance of Parent and other entity included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

8. Other Matters

We did not audit the financial statements and other financial information of GCPL included in the Consolidated Financial Statements, whose financial statements reflects total gross assets of ₹ 16,492.58 Lakhs as at 31st March, 2024, total gross revenue ₹ 34,476.76 Lakhs and net cash outflows amounting to ₹ 204.77 Lakhs for the year then ended, as considered in the Consolidated Financial Statements. The Consolidated Financial Statements also include the Parent's share of net profit of ₹ 32.02 Lakhs for the year ended 31st March, 2024, as considered in the Consolidated Financial Statements, in respect of the Joint Venture. The financial statements including other

financial information of GCPL have been audited by other auditors whose reports have been furnished to us by the Management. The financial statements including other financial information of the Joint Venture located in Bangladesh have been restated by the management of the Parent in accordance with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India based on audited financial statements and report thereon of other auditor which were prepared following International Financial Reporting Standards and Generally Accepted Accounting Practices prevalent in Bangladesh. We have reviewed these restated financial statements and other financial information. Our opinion on the Consolidated Financial Statements insofar as it relates to the amounts and disclosures included in respect of GCPL and the Joint Venture, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to GCPL and the Joint Venture is based solely on the reports of the other auditors.

Our opinion on the Consolidated Financial Statements above, and our report on Other Legal and Regulatory Requirements in paragraph 9 below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the Management.

9. Report on Other Legal and Regulatory Requirements

- (1) As required by Section 143(3) of the Act, based on our audit and on the consideration of the report of other auditors on the separate financial statement and other information of the subsidiary and the Joint Venture, as referred above in paragraph 8 - Other Matters, to the extent applicable we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of Consolidated Financial Statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and reports of the other auditors except for the matters stated in paragraph 8 (1) (i) (vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the

Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.

- (d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors of the Parent as on 31st March, 2024 taken on record by the Board of Directors and the report of the statutory auditors of the Subsidiaries, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) The modification relating to the maintenance of accounts and other matters connected therewith in respect of audit trail are stated in the paragraph 8 (1) (b) above on reporting under section 143 (3) (b) of the Act and paragraph 8 (1) (g) (vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- (g) With respect to the adequacy of the internal financial controls with reference to the Consolidated Financial Statements and the operating effectiveness of such controls; refer to our separate Report in Annexure which is based on the auditor's report of the Parent and the Subsidiaries. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial controls with reference to Consolidated Financial Statements of the Parent and the Subsidiaries.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
- In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Parent to its directors during the year is in accordance with the provisions of section 197 of the Act.
- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- (i) The Consolidated Financial Statements disclosed the impact, if any, of pending litigations as at 31st March, 2024 on its consolidated financial position of the Group and the Joint Venture – Refer Note 30 to the Consolidated Financial Statements.
- (ii) The Group and the Joint Venture did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
- (iii) There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Parent. There are no amounts which are required to be transferred to the Investor Education and Protection Fund by the Subsidiaries during the year ended 31st March, 2024.
- (iv) (a) The management has represented that, to the best of their knowledge and belief, as disclosed in the notes to the Consolidated Financial Statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Group to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Group ("Ultimate Beneficiaries") or
 - provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) The management has represented that, to the best of their knowledge and belief, as disclosed in the notes to the Consolidated Financial Statements, no funds have been received by the Group from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Group shall:

- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or
 - provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our or other auditor’s notice that has caused us or other auditors to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (iv) (a) and (b) above, contain any material mis-statement.
- (v) (a) The dividend proposed in the previous year, declared and paid by the Parent during the year is in accordance with Section 123 of the Act, as applicable.
- (b) The special interim dividend declared and paid by the Parent during the year is in compliance with Section 123 of the Act, as applicable.
- (c) The Board of Directors of the Parent have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with Section 123 of the Act, as applicable.
- (vi) Based on our examination, which included test checks and considering the report of auditors of the subsidiaries, the Parent and subsidiaries have except mentioned below, used an accounting software for maintaining its books of account for the financial year ended 31st March, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective software.

Further, wherever audit trail (edit log) facility was enabled and operated through the year, we did not come across any instance of audit trail features being tampered with.

- a) GCPL could not migrate its books of accounts in Tally accounting software used for maintaining its books of accounts to an updated version that enable audit trail (edit log) facility during the year ended 31st March, 2024. The Company has migrated its books of accounts to update version of tally accounting software and enable audit trail (edit log) facility effective 22nd April, 2024.
- b) The feature of recording audit trail (edit log) facility was not enabled for the accounting software used by the Parent for sales order booking which are non-editable.
- (2) With respect to the matters specified in clause (xxi) of paragraph 3 and paragraph 4 of the Companies (Auditor’s Report) Order, 2020 (“CARO/ the Order) issued by the Central Government in terms of Section 143(11) of the Act, according to the information and explanations given to us, and based on the CARO reports issued by us and the auditors of respective companies included in the Consolidated Financial Statements to which reporting under CARO is applicable, as provided to us by the Management of the Parent, we report that there are no qualifications or adverse remarks by the respective auditors in the CARO reports of the said companies included in the Consolidated Financial Statements.

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 1 (g) under the “Report on Other Legal and Regulatory Requirements” in the Independent Auditors’ Report of even date to the members of Ram Ratna Wires Limited

1. Report on the Internal Financial Controls with reference to Consolidated Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

In conjunction with our audit of the Consolidated Financial Statements of the Ram Ratna Wires Limited (“the Parent”) as and for the year ended 31st March, 2024 we have audited the internal financial controls with reference to Consolidated Financial Statements of the Parent, its subsidiaries - Global Copper Private Limited (GCPL) and Epavo Electricals Private Limited (EEPL) (collectively referred as the “Subsidiaries”), as of that date.

2. Management’s Responsibility for Internal Financial Controls

The respective management and the Board of Directors of the Parent and the Subsidiaries are responsible for establishing and maintaining internal financial controls with reference to Consolidated Financial Statements based on criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

3. Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to Consolidated Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls with reference to Consolidated Financial Statements. Those Standards and the Guidance Note require that we comply

with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Financial Statements included obtaining an understanding of internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the with reference to the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of subsidiaries in terms of their report referred to in Other Matters paragraph 7 below, is sufficient and appropriate to provide a basis for our audit opinion on internal financial controls system with reference to Consolidated Financial Statements of the Parent and the Subsidiaries.

4. Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial controls with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

5. Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that the internal financial controls with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

6. Opinion

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of the report of the auditor of GCPL referred to in Other Matters paragraph 7 below, the Parent and the Subsidiaries have, in all material respects, an adequate internal financial controls system with reference to Consolidated Financial Statements and such internal financial control with reference to Consolidated

Financial Statements were operating effectively as at 31st March, 2024, based on the internal control with reference to Consolidated Financial Statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

7. Other Matters

Our aforesaid report under section 143(3) (i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to GCPL, is based on the corresponding report of the auditor of the GCPL. Our opinion is not modified in respect of the above matter.

Jointly Controlled Entity RR-Imperial Electricals Limited is mainly engaged in the business that of Parent in Bangladesh.

The Consolidated Financial Statements as at 31st March, 2024 present the consolidated financial position of the Group as well as Parent's interest in jointly controlled entity. The Consolidated Financial Statements were approved by the Board of Directors and authorised for issue on 14th May, 2024.

1. BASIS OF PREPARATION, KEY ACCOUNTING ESTIMATES & JUDGEMENTS AND MATERIAL ACCOUNTING POLICIES

(a) BASIS OF PREPARATION OF CONSOLIDATED FINANCIAL STATEMENTS

(i) Statement of Compliance:

The Consolidated Financial Statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('the Act') read together with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and other relevant provisions of the Act.

The Consolidated Financial Statements includes Balance Sheet as at 31st March, 2024, the Statement of Profit & Loss including Other Comprehensive Income, Statement of Change in Equity, Cash Flows Statement for the year ended 31st March, 2024 and notes to the Consolidated Financial Statements, including a summary of material accounting policies and other explanatory information.

(ii) Basis of Preparation and Measurement :

The Consolidated Financial Statements have been prepared and presented under the historical cost convention except for certain consolidated financial assets and consolidated financial liabilities that are required to be measured at fair values at the end of each reporting period by Ind AS.

Historical cost is generally based on fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Consolidated Financial Statements have been prepared on accrual and going concern basis.

Any asset or liability is classified as current or non-current based on Group's normal – operating cycle and other criteria as set out in the Division II of schedule III to the Act, 2013.

Asset /Liability is classified as current, if it satisfies any of the following conditions:

- the asset/liability is expected to be realized/ settled in the Group's normal operating cycle;
- the asset is intended for sale or consumption;
- the asset/liability is held primarily for the purpose of trading;
- the asset/liability is expected to be realized/ settled within twelve months after the reporting period;
- the asset is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date;

Notes to Consolidated Financial Statements for the year ended 31st March, 2024 (contd.)

- in the case of liability, the Group does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

All other assets and liabilities are classified as non-current.

For the purpose of current/non-current classification of assets and liabilities, the Group has ascertained its normal operating cycle as twelve months. This is based on the nature of product and the time between the acquisition of assets or inventories for processing and their realization in cash and cash equivalents.

Cash flow statement is reported using the indirect method, whereby profit for the year is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand, short-term deposits with and original maturity of three months or less and Liquid Mutual Funds, which are subject to an insignificant risk of changes in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consists of balances with banks which are unrestricted for withdrawal and usage.

The functional and presentation currency of the Group is Indian Rupees (₹) which is currency of the primary economic environment in which the Group operates.

(iii) Recent Pronouncements:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended 31st March, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Group.

(b) KEY ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of Consolidated Financial Statements requires management to make judgements, estimates and assumptions that affect the reported amounts of assets, liabilities, revenues, expenses and the accompanying disclosures in notes including disclosures of contingent liabilities. Uncertainty about these assumptions and estimates could result in the outcomes requiring adjustment to the carrying amounts of assets or liabilities in future periods. The estimates and the associated assumptions are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Group and that are believed to be reasonable under the circumstances as available at the time of preparation of the Consolidated Financial Statements. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the Consolidated Financial Statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the Consolidated Financial Statements. The estimates and the associated assumptions are reviewed on ongoing basis. Changes in accounting estimates are recognised prospectively.

Significant judgements and estimates have been made by the Group relating to

- Amount and Timing of recognising of revenue from contract at a point in time with customers, identifying performance obligations in a sales transactions and volume rebate that gives rise to variable consideration in a sales contract.
- Useful lives of property, plant and equipment and intangible assets at the end of each reporting period.

The Group reviews the useful life of property, plant and equipment and intangible assets at the end of each reporting period. This reassessment may result in change in depreciation and amortisation expense in future periods.

Notes to Consolidated Financial Statements for the year ended 31st March, 2024 (contd.)

- Impairment of property, plant and equipment and intangible assets.

- **Impairment of Investments**

Determining whether the investment is impaired requires an estimate in the value in use of investments. The Group reviews its carrying value of investment carried at cost (net of impairment, if any) annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying value, the impairment loss is accounted for in the statement of profit and loss. In considering the value in use, the Board of Directors have anticipated the future market conditions and other parameters that affect the operations of these entities.

- **Provision for employee benefits and other provisions**

The costs of providing employment benefit plans are charged to the statement of profit and loss in accordance with Ind AS 19 'Employee benefits' over the period during which benefit is derived from the employees' services. The costs are assessed on the basis of assumptions selected by the management. These assumptions include salary escalation rate, discount rates, expected rate of return on assets and mortality rates. The assumptions have been disclosed under employee benefits note.

- **Share-based payment transactions**

The fair value of employee stock options is measured using the Black-Scholes model. Measurement inputs include share price on grant date, exercise price of the instrument, expected volatility (based on weighted average historical volatility), expected life of the instrument (based on expected exercise behaviour), expected dividends, and the risk free interest rate (based on government bonds). Details regarding the determination of the fair value of equity-settled share-based transactions are set out in note 48.

- **Provision for Income Tax including payment of advance Tax and deferred tax assets.**

The Group uses estimates and judgements based on the relevant rulings in the areas of allocation of revenue, costs, allowances and disallowances which is exercised while determining the provision for income tax. A deferred tax asset is recognised to the extent that it is probable that future taxable

profit will be available against which the deductible temporary differences and tax losses can be utilised. Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies. Accordingly, the Group exercises its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting period.

- **Fair Value Measurements of Financial Instruments**

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

- **Lease**

The Group assesses whether a contract qualifies to be a lease as per the requirements of Ind As 116. Identification of lease requires significant judgement including judgement to assess the lease terms (including anticipated renewals) and the applicable discount rate. The Group determines the lease terms as the non-cancellable period of a lease, together with both periods covered by an option to terminate the lease, if the Group is reasonably certain not to exercise that option. In assessing, whether the Group is reasonably certain to exercise the option to extend a lease, or not to exercise an option to terminate a lease, the Group consider all relevant facts and circumstances that create an economic incentive for the Group to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Group revise the lease term if there is a change in the non-cancellable period of lease terms. Commitments and contingencies

A provision is recognised when the Group has

Notes to Consolidated Financial Statements for the year ended 31st March, 2024 (contd.)

present obligation as result of a past event and it is probable that the outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognised in the Consolidated Financial Statements.

(c) Basis of Consolidation

(i) Consolidation of Subsidiaries

The Consolidated Financial Statements incorporate the financial statements of the Parent and entities controlled by the Parent i.e. Subsidiaries.

Control is achieved when the Company has

- Power over the investee;
- is exposed to or has rights to the variable returns of the entity and;
- has the ability to affect those returns through its power over the entity.

Generally, there is presumption that a majority of voting rights results in control. To support this presumption and when the Company has less than a majority of the voting or similar rights of an entity, the Company considers all relevant facts and circumstances in assessing whether it has power over an entity, including:

- The contractual arrangement with the other vote holders of the investee;
- Rights arising from other contractual arrangements;
- The Company's voting rights and potential voting rights;
- The size of the Company's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders.

The Company re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the company obtains control over the subsidiary and ceases when the company loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated

financial statements from the date the company gains control until the date the company ceases to control the subsidiary.

The Consolidated Financial Statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the Consolidated Financial Statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group entities' financial statements in preparing the Consolidated Financial Statements to ensure conformity with the Group's accounting policies. The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the Parent company, i.e., year ended on 31st March. When the end of the reporting period of the Parent is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the Consolidated Financial Statements of the Parent to enable the Parent to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

Consolidation Procedure

- Combine like items of assets, liabilities, equity, income, expenses and cash flows of the Parent with those of the Subsidiaries. For this purpose, income and expenses of the Subsidiaries are based on the amounts of the assets and liabilities recognised in the Consolidated Financial Statements at the acquisition date.
- Offset (eliminate) the carrying amount of the Parent's investment in the Subsidiaries and the Parent's portion of equity of the Subsidiaries. Business combinations policy explains how to account for any related goodwill.
- Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the Consolidated Financial Statements. Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

Notes to Consolidated Financial Statements for the year ended 31st March, 2024 (contd.)

- Non-controlling interests in the net assets (excluding goodwill) of the Subsidiaries is identified separately from the Group's equity. The interest of non-controlling shareholders may be initially measured either at fair value or at the non-controlling interests' proportionate share of the fair value of the acquiree's identifiable net assets. The choice of measurement basis is made on an acquisition-by-acquisition basis. Subsequent to acquisition, the carrying value of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity. Total comprehensive income is attributed to non-controlling interests even if it results in the non-controlling interests having a deficit balance.

(ii) Consolidation of Joint Venture (Jointly Controlled entity)

The joint venture is an arrangement in which two or more entities have joint control over another entities. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decision about the relevant activities require the unanimous consent of the parties sharing control.

The Group's investment in jointly controlled entity is accounted for using the equity method. Under the equity method, the investment in a joint venture is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the Group's share of net assets of the joint arrangement since the acquisition date. Goodwill, if any relating to the joint venture is included in the carrying amount of the investment and is not tested for impairment individually.

The Consolidated Statement of profit and loss reflects the Group's share of the results of jointly controlled entity. Any change in OCI of the jointly controlled entity is presented as part of the Group's OCI. Unrealised gains and losses resulting from inter-group transactions between the Group and the joint venture are eliminated to the extent of the interest in the joint venture.

If Group's share of losses of a joint venture exceeds its interest in that joint venture, the Group discontinues recognising its share of

further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the joint venture. If the joint venture subsequently reports profits, the Group resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognized.

After application of the equity method, the Group determines whether it is necessary to recognise an impairment loss on its investment in its joint venture. At each reporting date, the Group determines whether there is objective evidence that the investment in the joint venture is impaired. If there is such evidence, the Group calculates the amount of impairment as the difference between the recoverable amount of the joint venture and its carrying value, and then recognises the loss as share of profit of a joint venture in the consolidated statement of profit or loss.

(d) MATERIAL ACCOUNTING POLICIES

(i) Property, Plant and Equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. The cost of an item of property, plant and equipment comprises of its purchase price including import duties and other non-refundable purchase taxes or levies, directly attributable cost of bringing the asset to its working condition for its intended use and the initial estimate of decommissioning, restoration and similar liabilities, if any. Any trade discount or rebate is deducted in arriving at the purchase price. Cost includes cost of replacing a part of a plant and equipment if the recognition criteria are met.

Items such as spare parts, stand-by equipment and servicing equipment that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life. Costs in nature of repairs and maintenance are recognized in the statement of profit and loss as and when incurred.

Capital work-in-progress includes cost of property, plant and equipment not ready for the intended use as at the balance sheet date.

Notes to Consolidated Financial Statements for the year ended 31st March, 2024 (contd.)

The cost and related accumulated depreciation are eliminated from the Consolidated Financial Statements upon sale or retirement of the asset and the resultant gains or losses are recognised in the statement of profit and loss. Assets to be disposed of are reported at the lower of the carrying value or the fair value less cost of disposal.

Where an item of property, plant and equipment comprises major components having different useful lives, these components are accounted for as separate items

The Group had elected to continue with the carrying value of all of its property, plant and equipment appearing in the Consolidated Financial Statements prepared in accordance with accounting standards notified under section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 (Generally Accepted Accounting Standards "Previous GAAP") and used as the deemed cost in the opening balance sheet under Ind AS effective 1st April, 2016.

Exchange differences arising on translation of long-term foreign currency monetary items recognised in the Previous GAAP consolidated financial statements in respect of which the Group has elected to recognise such exchange differences as a part of cost of assets is allowed under Ind AS 101. Such differences are added/deducted to/ from the cost of assets and are recognised in the statement of profit and loss on a systematic basis as depreciation over the balance life of the assets.

(ii) Intangible Assets

Intangible assets acquired are initially measured at cost. Intangible assets arising on acquisition of business are measured at fair value as at date of acquisition. Following initial recognition, intangible assets with defined useful lives are carried at cost less accumulated amortization and accumulated impairment loss, if any.

Intangible Assets consist of Computer Software license or rights under the license agreement are measured on initial recognition at cost. Costs comprise of license fees and cost of system integration services and development.

The carrying amount of an intangible asset is derecognized when no future economic benefits are expected from its use.

The Group had elected to continue with the carrying value of all of its intangible Assets appearing in the Consolidated Financial Statements prepared in accordance with accounting standards notified under section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 (Generally Accepted Accounting Standards "Previous GAAP") and used as the deemed cost of the Intangible Assets in the opening balance sheet under Ind AS effective 1st April, 2016.

(iii) Depreciation on Property, Plant and Equipment and Amortisation of Intangible Assets: -

Depreciation on property, plant and equipment is provided on pro rata basis using the straight-line method based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 in consideration with useful life of the assets as estimated by the management. Depreciation is not recorded on capital – work-in-progress until construction and installation are completed and the asset is ready for its intended use.

Intangible Assets with finite lives are amortized on a straight-line basis over the estimated useful economic life. The amortization expense on intangible assets with finite lives is recognized in the statement of profit and loss.

The estimated useful lives, residual values and methods of depreciation of property, plant & equipment are reviewed at the end of each financial year. If any of these expectations differ from previous estimates, such change is accounted for as a change in an accounting estimate and adjusted prospectively, if any.

The estimated useful life of items of property, plant and equipment and intangible Assets are:

Particulars	Years	Particulars	Years
Factory Buildings (including roads)	10 to 30	Office & Other Equipment	5 to 10
Workers Quarters	60	Computers/ Laptops/ Computers Hardware	3
Plant & Machineries	3 to 40	Computer Servers	6
Laboratory Equipment	10	Computer Software	5

Notes to Consolidated Financial Statements for the year ended 31st March, 2024 (contd.)

Electrical Installations	10	Vehicle	8 to 10
Furniture & Fixtures	10		

Freehold land is not depreciated.

The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

(iv) Impairment of Assets

At each balance sheet date, the Group reviews the carrying values of its property, plant and equipment and intangible assets which are subject to depreciation and amortisation respectively, to determine whether there is any indication that the carrying value of those assets may not be recoverable through continuing use. If any such indication exists, the recoverable amount of the asset is reviewed in order to determine the extent of impairment loss (if any).

An impairment loss on such assessment will be recognised wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount of the assets is net selling price or value in use, whichever is higher. While assessing value in use, the estimated future cash flows are discounted to the present value by using weighted average cost of capital. A previously recognised impairment loss is further provided or reversed depending on changes in the circumstances and to the extent that carrying value of the assets does not exceed the carrying value that would have been determined if no impairment loss had previously been recognised.

Assets that have an indefinite useful life, for example goodwill, are not subject to amortization and are tested for impairment annually and whenever there is an indication that the asset may be impaired.

(v) Leases

A contract is, or contains, a lease, if the contract conveys the right to control the use of an assets for a period of time in exchange for consideration.

The Group as Lessee

The Group assesses whether a contract is qualifies to be a lease at the inception of contract

At the date of the commencement of the lease, the Group recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease contracts

in which it is a lessee, except for leases contract for a period of twelve months or less (short term leases), variable leases and low value leases, in those cases the lease payments are recognised in the statement of profit and loss on a straight-line basis over the term of the lease.

ROU is initially recognized at cost, which comprises of the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any incentive received and estimated of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying assets or site on which it is located. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ROU is depreciated from the commencement date on a straight-line basis over the lease term or useful life of the underlining asset, whichever is shorter. ROU is tested for impairment and account for as per impairment of assets policy of the Group.

The lease liability is initially measure at the present value of the future lease payments, which comprises of the fixed payments and, with agreed time based incremental, variable lease payments, guaranteed residual value or exercise price of purchase option, if the Group is reasonably certain to exercise the option. The lease payments are discounted using interest rate implicit in the lease or, if not readily determinable, using incremental borrowing rates. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Group changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet. Interest expense on lease liability is reported as finance cost in the statement of profit and loss account and lease payments have been classified as financing cash flows.

The Group as Lessor

Leases for which the Group is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. For operating leases mainly of workers quarters are recognised in the statement of profit and loss on straight line basis.

Notes to Consolidated Financial Statements for the year ended 31st March, 2024 (contd.)

(vi) Inventories:

Raw Materials, Work-in-progress, Stock-in Trade and Finished goods are valued at the lower of cost or net realizable value. The cost is determined using FIFO method.

The cost of Inventories of work-in-progress and finished goods comprises the cost of purchases and the cost of conversion and in case of finished goods it also includes the cost of packing materials.

The cost of purchase comprises of the purchase price including duties and taxes (other than those subsequently recoverable by the Group from the taxing authorities), freight inward and other expenditure directly attributable to the acquisition but net of trade discount, rebates, duties for import under advance licenses and other similar items.

The cost of conversion comprises of depreciation and repairs and maintenance of factory buildings and plant and machineries, power and fuel, factory management and administration expenses and consumable stores and spares.

Packing Materials, Consumable Stores & Spares and Fuel are valued at lower of cost or net realizable value.

The cost is determined using FIFO method.

Scrap is valued at net realizable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated cost to make sale.

(vii) Financial Assets and Financial Liabilities

The Group recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition and adjusted for transaction costs that are directly attributable to the acquisition or issues of financial assets and financial liabilities in case of financial assets or financial liabilities not at fair value through profit or loss account.

Where the fair value of financial assets and financial liabilities at initial recognition is different from its transaction price, the difference between the fair value and transaction price is recognised in the statement of profit and loss.

However, trade receivables that do not contain a significant financing component are initially measured at transaction price.

a) Financial Assets: -

Cash and bank balances

Cash and bank balances consist of:

- **Cash and cash equivalents** - Cash and cash equivalents includes cash on hand, deposits held at call with banks and other short-term deposits which are readily convertible into known amounts of cash, are subject to an insignificant risk of change in value and have maturities of less than one year from the date of such deposits. These balances with banks are unrestricted for withdrawal and usage.
- **Other bank balances** - Other bank balances includes balances and deposits with banks that are restricted for withdrawal and usage.

Financial assets measured at amortised cost

A financial asset is subsequently measured at amortised cost if both of the following conditions are met:

- If it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows, and
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding using the Effective Interest Rate (EIR) method less impairment, if any, and the amortisation of EIR and loss arising from impairment, if any is recognised in the statement of profit and loss.

Financial assets measured at fair value

A financial asset is measured at fair value through other comprehensive income if both of the following conditions are met:

- If it is held within a business model whose objective is to hold these assets in order to collect contractual cash flows and to sell these financial assets, and
- The contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Notes to Consolidated Financial Statements for the year ended 31st March, 2024 (contd.)

Fair value movements are recognised in the other comprehensive income.

The Group in respect of equity instruments (other than equity instruments of subsidiaries and joint venture) which are not held for trading has made an irrevocable election to present the subsequent changes in fair value of such equity instruments in other comprehensive income. Such an election is made by the Group on an instrument-by-instrument basis at the time of initial recognition of such equity investments. On de-recognition, cumulative gain or loss previously recognised in other comprehensive is reclassified from the equity to retained earnings in the statement of changes in equity.

A financial asset not classified as either amortised cost or at fair value through other comprehensive income is carried at fair value through the consolidated statement of profit & loss.

Impairment of Financial Assets

The Group applies loss allowance using the expected credit loss (ECL) model for the financial assets which are measured at amortised cost and fair value through other comprehensive income.

Loss allowance for trade receivables with no significant financing component is measured following simplified approach wherein an amount equal to lifetime ECL is measured and recognised as a loss allowance.

The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on life time ECLs at each reporting date, right from its initial recognition.

For all other financial assets (apart from trade receivables that do not constitute of financing transaction), ECLs are measured at an amount equal to 12-month ECL, unless there has been a significant increase in credit risk for initial recognition in which case those are measured at lifetime ECL.

De-recognition of Financial Assets

A financial asset is de-recognised only when

- The contractual rights to cash flows from the financial asset expires
- The Group has transferred the contractual rights to receive cash flows from the financial asset or

- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Group has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognised. Where the Group has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not de-recognised.

Where the Group has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognised if the Group has not retained control of the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

b) Financial Liabilities

Classification as debt or equity

Financial liabilities and equity instruments issued by the Group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity Instrument

An equity instrument is any contract that evidences a residual interest in the assets of the Group after deducting all its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial Liability

Trade and other payables are initially measured at fair value, net of transaction costs and are subsequently measured at amortised cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the consolidated statement of profit and loss.

Interest bearing loans and overdrafts are initially measured at fair value, and are subsequently measured at amortised cost using effective interest rate method. Any difference between proceeds (net of transaction cost) and the settlement amount

Notes to Consolidated Financial Statements for the year ended 31st March, 2024 (contd.)

of borrowing is recognised over the terms of the borrowings in the consolidated statement of profit and loss.

De-recognition

A financial liability is de-recognised when the obligation specified in the contract is discharged, cancelled or has expired.

c) Financial Guarantee Contracts

Financial guarantee contracts are those contracts that require specific payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value adjusted for transaction cost that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amount of income recognised in accordance with the principle of Ind As 115 amortisation.

d) Derivative Financial Instruments

The Group enters into derivative financial contracts in the nature of forward currency contracts with banks to reduce business risks which arise from its exposures to foreign exchange. The instruments are employed as hedges of transactions included in the Consolidated Financial Statements or for highly probable forecast transactions/firm contractual commitments.

Derivatives are initially accounted for and measured at fair value from the date the derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. Any changes therein are generally recognised in the consolidated statement of profit & loss. Derivatives are carried as financial assets when fair value is positive & as financial liabilities when fair value is negative.

e) Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is reported in the consolidated balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right

must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Group or the counterparty.

(viii) Fair Value Measurement

The Group measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for asset or liability or in the absence of a principal market, in the most advantageous market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the Consolidated Financial Statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows: -

- Level 1 — quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — inputs other than quoted prices included within Level that are observable for the asset or liability, either directly or indirectly
- Level 3 — inputs that are unobservable for the asset or liability

For assets and liabilities that are recognized in the Consolidated Financial Statements at fair value on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

(ix) Non-Current Assets held for sale

The Group classifies non-current assets as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use of the assets and actions required to complete such sale indicate that it is unlikely that significant changes to the plan to sell will be made or that the decision to sell will be withdrawn. Also, such assets are classified as held for sale only if the management expects to complete the sale within one year from the date of classification.

Non-current assets classified as held for sale are measured at the lower of their carrying amount and the

Notes to Consolidated Financial Statements for the year ended 31st March, 2024 (contd.)

fair value less cost to sell. Non-current assets held for sale are not depreciated or amortized.

(x) Provisions, Contingent Liabilities and Contingent Assets

The Group recognised the provisions when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. These are reviewed at each year end and reflect the best current estimate. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of Management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. If the effect of time value of money is material, the provision are discount using current pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A disclosure for a contingent liability is made when there is a possible obligation or present obligation arising from past events the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group and where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are neither recognised nor disclosed in the Consolidated Financial Statements.

(xi) Revenue

Revenue from contracts with customer is recognized when the Group satisfies a performance obligation by transferring the promised goods or services to a customer at a transaction price. The Group assesses promises in the contract that are separate performance obligations to which a portion of transaction price is to be allocated. The transaction price is the amount of consideration to

which the Group expects to be entitled in exchange for transferring promised goods or services to a customer as per contract, excluding amount of taxes collected on behalf of the government or other amount collected from customers in its capacity as an agent. The transaction price is adjusted of trade discount, cash discount, volume rebate and other variable considerations as per the terms of contract which is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved. It is reassessed at end of each reporting period.

Consideration payable to a customer is accounted as reduction of transaction price and therefore, of revenue unless the payment to the customer is in exchange for a distinct good or service that the customer transfers to the Group.

Sale of Goods: -

Revenue from sale of products is recognised at a point in time when the control on the goods have been transferred to a customer i.e. when material is delivered to the customer or as per shipping terms, as may be specified in the contract.

Job Work: -

Revenue from Job work is recognised when intended job work is carried out and goods are ready for transfer to the owner of the goods.

Export Incentives: -

Eligible export incentives are recognised in the year in which the conditions precedents are met and there is no significant uncertainty about the collectability.

(xii) Other Income

Interest Income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on a time proportion basis, by reference to the principal outstanding and the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Notes to Consolidated Financial Statements for the year ended 31st March, 2024 (contd.)

Rental Income

Rental income is recognised in the statement of profit & loss on straight line basis.

Dividend Income

Dividend Income from investments is recognised when shareholder's rights to receive payment have been established.

Commission Income

Guarantee commission income (notional) for the financial guarantee issued by the Group to the banks/ financial institution in respect of credit facility granted by the banks/ financial institution to the dealers of the Group is recognised over the period of guarantee.

(xiii) Government Grant

Government grants are recognised when there is reasonable assurance that the grant will be received and the Group will comply with all the attached conditions. When the grant relates to revenue expense, it is recognised as an income on a systematic basis over the period necessary to match it with the expenses that it is intended to compensate. Government grant related to expenditure on property, plant & equipment is included as cost of property, plant & equipment and is credited to the statement of profit & loss over the useful lives of qualifying assets or credited to the statement of profit & loss over the period in which the corresponding export obligation is fulfilled. Total grants availed less the amounts credited to the statement of profit and loss at the balance sheet date are included in the balance sheet as deferred income.

(xiv) Foreign Currency Transactions

Transactions denominated in foreign currencies entered into by the Group are recorded in the functional currency (i.e. Indian Rupees), by applying to the exchange rate prevailing on the date of transaction. Foreign currency denominated monetary items is restated at the closing exchange rates. Non-monetary items are recorded at exchange rate prevailing on the date of transaction. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is measured. Exchange differences arising out of these translations are recognized in the consolidated statement of profit and loss.

The forward exchange contracts are marked to market and gain/loss on such contracts are recognised in the

statement of profit and loss at the end of each reporting period.

The Group as per previous GAAP elected to recognise as part of cost of assets, exchange differences arising on translation of long-term foreign currency monetary items and this method of recognition of such exchange difference is followed by the Group as allowed under Ind AS 101. Such differences are added/deducted to/ from the cost of assets and are recognised in the statement of profit and loss on a systematic basis as depreciation over the balance life of the assets.

For the purpose of presenting in the Consolidated Financial Statements the share of profit/(loss) in the foreign joint venture (jointly controlled entity) is express in rupees derived using average exchange rate during the period and net share in the assets of the jointly controlled entity is derived using closing exchange rate as on reporting date. The exchange differences arising are recognised in other comprehensive income and accumulated in a separate component of equity. On disposal of foreign operation, all the accumulated exchange differences in respect of that operation attributable to the Group are reclassified to the consolidated statement of profit and loss. Goodwill and fair value adjustments arising on the acquisition of foreign operation if any, are treated as assets & liabilities of the foreign operation and translated at the closing rate.

(xv) Employee Benefits

a) Short Term Obligations

All employee benefits payable wholly within twelve months of rendering the service are classified as shortterm employee benefits and they are recognized in the period in which the employee renders the related service. The Group recognizes the undiscounted amount of short-term employee benefits expected to be paid in exchange for services rendered as a liability (accrued expense) after deducting any amount already paid.

b) Post-Employment Benefits

i) Defined benefit plan

Gratuity liability is a defined benefit obligation and recognized based on actuarial valuation carried out using the Projected Unit Credit Method. The scheme for all companies in the group except one subsidiary is maintained and administered by Life Insurance Corporation of India to which each group company makes

Notes to Consolidated Financial Statements for the year ended 31st March, 2024 (contd.)

periodical contributions. The scheme is separate for each group company.

ii) Defined contribution plans

A Defined Contribution Plan is plan under which the Group makes contribution to Employee's Provident Fund administrated by the Central Government. The Group's contribution is charged to the consolidated statement of profit and loss.

iii) Other Long Term Employee Benefits – Leave Encashment

The liability towards leave encashment which is not expected to be settled wholly within 12 months after the end of the period in which the employees render the related services is recognized based on actuarial valuation carried out using the Projected Unit Credit Method.

(xvi) Borrowing Cost

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs that are directly attributable to the acquisition or construction of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized. All other borrowing costs are expensed in the period in which they occur.

(xvii) Income Taxes

Tax expense is the aggregate amount included in the determination of profit or loss for the period in respect of current tax and deferred tax.

Current Tax

Current tax is the amount of income tax payable in respect of taxable profit for the year. Taxable profit differs from net profit as reported in the statement of profit and loss because taxable profit is adjusted for items of income or expenses which are taxable or deductible in other years and also for items which are never taxable or deductible.

The Group's liability for current tax is calculated using tax rates and tax laws that are in force.

Deferred Tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities

in the Consolidated Financial Statements and the corresponding tax base used in the computation of taxable profit.

Deferred tax liabilities are generally recognized for all taxable temporary differences. However, in case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax liabilities are not recognized. Also, for temporary differences if any that may arise from initial recognition of goodwill, deferred tax liabilities are not recognized.

Deferred tax liabilities are recognised on taxable temporary differences arising on investments in subsidiaries and joint venture, except where the Group is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax assets are generally recognized for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary difference can be utilized. In case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax assets are not recognized.

The carrying value of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent it is no longer probable that sufficient taxable profit will be available to allow entire or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised based on the tax rates and tax laws in force.

The deferred tax assets (net) and deferred tax liabilities (net) are determined separately for the Parent and the Subsidiary Companies, as per their applicable laws and then aggregated.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Notes to Consolidated Financial Statements for the year ended 31st March, 2024 (contd.)

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in Other Comprehensive Income or directly in equity in which case the tax is recognised in Other Comprehensive Income or directly in equity, respectively.

MAT

Minimum Alternate Tax ('MAT') as per the provisions of the Act is recognised as deferred tax in the statement of profit and loss. The credit available as per tax laws in India in respect of MAT paid will be recognised as an asset only when and to the extent there is convincing evidence that the credit can be carried forward for set off against the normal tax liability. Such asset is reviewed at each Balance Sheet date.

(xviii) Employee Share Based Payment

Equity-settled share-based payments to employees are measured at the fair value of employee stock option at the grant date.

The fair value determined at the grant date of equity-settled share based payment is recognised as deferred employee compensation and is amortised in statement of profit and loss over the vesting period, based on the Group's estimated of equity instruments that will eventually vest, with corresponding increase in the equity (Share based payment reserve outstanding) in respect of employee share-based payment to employees of the Group.

In respect of equity-settled share-based payments to employees of subsidiaries of the Group, the fair value determined at the grant date of equity-settled share-based payment is recognised as capital contribution by the Parent over the vesting period, based on the Group's estimated of equity instruments that will eventually vest to employees of the subsidiaries with corresponding increase in the equity.

At the end of each reporting period, the Group revisits its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in the statement of profit and loss or as capital contribution such that the cumulative expense / capital contribution reflects the revised estimate, within a corresponding adjustment to the Share based payment reserve outstanding.

(xix) Events after Reporting date

Where events occurring after the Balance Sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the Consolidated Financial Statements. Otherwise, events after the Balance Sheet date of material size or nature are only disclosed.

(xx) Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss (attributable to owners of the Company) for the period (after deducting preference dividends and attributable taxes) by the weighted average number of equity share outstanding during the period.

For the purpose calculating Diluted Earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(xxi) Research and Development

Expenditure incurred by the Group on development of products are recognised as an intangible asset if and only if, expenditure can be measured reliably, the product or process is technically and commercially feasible, future economic benefits are probable and the Group intends to and has sufficient resources to complete development and use or sell the assets otherwise such expenses are recognised in the statement of profit and loss as incurred. Subsequent to initial recognition, the assets are measured at cost less accumulated amortisation and any accumulated impairment losses, if any. Expenditures incurred on research are charged to the statement of profit and loss as incurred.

Property, Plant & Equipment utilized for research and development are capitalized and depreciated in accordance with the policies stated for Property, Plant & Equipment and Intangible Assets.

(xxii) Goodwill

Goodwill is an asset representing the future economic benefits arising from other assets acquired in a business combination that are not individually identified and separately recognized. Goodwill is initially measured at cost, being the excess of the consideration transferred over the net identifiable assets acquired and liabilities

Notes to Consolidated Financial Statements for the year ended 31st March, 2024 (contd.)

assumed, measured in accordance with Ind AS 103 – Business Combinations.

Goodwill is considered to have indefinite useful life and hence is not subject to amortization but tested for impairment at least annually. After initial recognition, goodwill is measured at cost less any accumulated impairment losses.

For the purpose of impairment testing, goodwill acquired in a business combination, is from the acquisition date, allocated to each of the Company's cash generating units (CGUs) that are expected to benefit from the combination. A CGU to which goodwill is allocated is tested for impairment annually, and whenever there is an indication that the CGU may be impaired; by comparing the carrying amount of the CGU, including the goodwill, with the recoverable amount of the CGU. If the recoverable amount of the CGU exceeds the carrying amount of the CGU, the CGU and the goodwill allocated to that CGU is regarded as not impaired. If the carrying amount of the CGU exceeds the recoverable amount of the CGU, the Group recognizes an impairment loss by first reducing the carrying amount of any goodwill allocated to the CGU and then to other assets of the CGU pro-rata based on the carrying amount of each asset in the CGU. Any impairment loss on goodwill is recognized in the Statement of Profit and Loss. An impairment loss recognized for goodwill is not reversed in subsequent periods. On disposal of a CGU to which goodwill is allocated, the goodwill associated with the disposed CGU is included in the carrying amount of the CGU when determining the gain or loss on disposal.

(xxiii) Business Combination

Business combination is accounted for using the acquisition method. At the acquisition date, identifiable assets acquired and liabilities assumed are measured at fair value. For this purpose, the liabilities assumed include contingent liabilities representing present

obligation and they are measured at their acquisition date fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. The consideration transferred is measured at fair value at acquisition date and includes the fair value of any contingent consideration. Contingent consideration is remeasured at each reporting date and changes in the fair value of the contingent consideration are recognised in the consolidated statement of profit and loss. However, deferred tax asset or liability and any liability or asset relating to employee benefit arrangements arising from a business combination is measured and recognized in accordance with the requirements of Ind AS 12 "Income Taxes" and Ind AS 19 "Employee Benefits", respectively.

Where the consideration transferred exceeds the fair value of the net identifiable assets acquired and liabilities assumed, the excess is recorded as goodwill. Alternatively, in case of a bargain purchase wherein the consideration transferred is lower than the fair value of the net identifiable assets acquired and liabilities assumed, the difference is recorded as a gain in other comprehensive income and accumulated in equity as capital reserve. The costs of acquisition excluding those relating to issue of equity or debt securities are charged to the statement of profit and loss in the period in which they are incurred.

In case of business combination involving entities under common control, the above policy does not apply. Business combinations involving entities under common control is accounted for using the pooling of interests method. The net assets of the transferor entity or business are accounted at their carrying amounts on the date of the acquisition subject to necessary adjustments required to harmonise accounting policies. Any excess or shortfall of the consideration paid over the share capital of transferor entity or business is recognised as capital reserve under equity.

Notes to Consolidated Financial Statements for the year ended 31st March, 2024 (contd.)

12.1 Security Premium

Security premium is used to record the premium received on issue of shares. The reserve is utilised in accordance with the provisions of the Companies Act, 2013.

12.2 General Reserve

General Reserve is created from time to time by way of transfer profits from retained earnings for appropriation purposes. General Reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income. Under the Companies Act, 2013 there is no mandatory requirement for transfer of a specific percentage of net profit to general reserve which was required under the erstwhile Companies Act, 1956.

12.3 Share based payment reserve outstanding

Share based payment reserve outstanding represents recognition of fair value of equity-settled share based option plan. Fair value of equity- settled share based payment transactions with employees is recognized in the Statement of Profit and Loss with corresponding credit to share based payment reserve. The share based payment reserve is used to recognise the value of equity- settled share- based payments provided to employees, including key management personnel, as part of their remuneration (Note 48).

12.4 Equity Instruments through Other Comprehensive Income (OCI)

This represents the cumulative gains/(losses) arising on the revaluation of equity instruments measured at fair value through other comprehensive income, under an irrevocable option, it will be reclassified to retained earnings when such assets are disposed off.

12.5 Foreign Currency Translation Reserve

Exchange differences relating to the translation of the results and net assets of Joint Venture from their functional currencies to the Parent Presentation currency (i.e. ₹) are recognised directly in the Other Comprehensive Income and accumulated in Foreign Currency Translation Reserve.

Note 32: SEGMENT INFORMATION

Operating segment is a component of an entity whose operating results are regularly reviewed by the Chief Operating Decision Maker (CODM) of the Parent to make decision about resource to be allocated to the segment and assess its performance

a) Basis of Segmentation :

Factors used to identify the reportable segments :

The Group has following business segments, which are its reportable segments. These segments offer different products which are managed separately because they require different technology and production processes.

Reportable Segment	Operations
Enamelled wires and strips	Manufacturing of Enamelled wires and strips
Copper tubes and pipes	Trading and Manufacturing of Copper tubes and pipes
Other	Manufacturing of BLDC motors for Air conditioner, Hub, HVLS Fans, Submersible Pumps and related Products

Operating segment disclosures are consistent with the information provided to and reviewed by the chief operating decision maker.

The measurement principles of segments are consistent with segment reporting policy of the Parent as stated above. Inter-segment transactions are determined on an arm's length basis.

Note 33: EMPLOYEE BENEFITS

A) Defined Benefit Plan - Gratuity

The employees' Gratuity Fund Scheme, is a defined benefit plan. The scheme is maintained and administered by Life Insurance Corporation of India (LIC) separately for each entity in the Group to which they make periodical contributions. Under the scheme, every employee who has completed at least five years of service usually gets gratuity on departure @ 15 days of last drawn salary for each completed year of service. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method. One of the subsidiaries has till the date of this report not maintained the fund.

- 1 The average duration of the defined benefit plan obligation at the end of the reporting period is 8.42 years to 11.50 years (P.Y. 8.53 years to 11.31 years).
- 2 The Group expects to contribute ₹ 49.80 Lakhs (P.Y. ₹ 48.20 Lakhs) to the plan during the next financial year.
- 3 The estimates of rate of escalation in salaries considered in actuarial valuation, takes into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary.
- 4 Discount rate is based on the prevailing market yields of Indian Government securities as at the balance sheet date for the estimated term of the obligations.
- 5 The sensitivity analysis above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period. The sensitivity analysis may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. Furthermore, in presenting the above sensitivity analysis the present value of defined benefit obligation has been calculated using the projected unit credit method.

Investments are not held for trading. Upon the application of Ind AS 109 - Financial Instruments, the Group has chosen to measure said investments in equity instrument at FVTOCI irrevocably as the management believes that presenting fair value gains and losses relating to the said investments in the statement of profit and loss may not be indicative of the performance of the Group.

B) FAIR VALUE MEASUREMENTS

(i) All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows:

Level 1 — quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3 — inputs that are unobservable for the asset or liability

(ii) The following tables provide the fair value measurement hierarchy of the Group's financial assets and liabilities:

The carrying amounts of financial assets (other than security deposits and loan to employees) and financial liabilities (other than long term borrowing, lease liabilities & security deposits) measured at amortised cost in the financial statements are reasonable approximation of their fair values since the group does not anticipate that the carrying amount would be significantly different from the value that would eventually be received or settled.

Management uses its best judgment in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of the amounts that the group could have realised or paid in sale transactions as of respective dates. As such, fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date.

There have been no transfers between level 1 and level 2 for the years ended 31st March, 2024 and 31st March, 2023.

C) FINANCIAL RISK MANAGEMENT - OBJECTIVES AND POLICIES

The Group is exposed to: (a) Market Risks comprising of Interest Rate Risk, Currency Rate Risk, Commodity Price Risk and Equity Price Risk (b) Credit Risk comprising of trade receivable risk and financial instrument risk and (c) Liquidity Risk. The Group has well placed Risk Management Policy (RMP). The policy provide broad guidelines to identify the risk arising from these factors and provide guidelines to the team for its mitigation or at-least minimize its effect on income / expense on the Group is optimized. Team involved in RMP meets frequently to discuss the level of risk they foresee based on the conditions persisting.

Notes to Consolidated Financial Statements for the year ended 31st March, 2024 (contd.)

The Group's exposure to Market Risk, Credit Risk and Liquidity Risk have been summarized below:

Market Risk :-

Interest Rate Risk:

Interest rate risk is the risk that the fair value or future cash flow of a financial instrument will fluctuate because of changes in market interest rates. The Group is exposed to interest rate risk on short-term and long-term floating rate interest bearing liabilities. The Group's policy is to maintain a balance of fixed and floating interest rate borrowings and the proportion of fixed and floating rate debt is determined by prevailing interest rates. These exposures are reviewed by the management on a periodic basis.

The exposure of the Group's financial liabilities to interest rate risk based on liabilities as at reporting date is as follows :

Particulars	Impact on profit before tax	
	2023-24	2022-23
Increase in interest rate by 100 basis points	(226.02)	(263.91)
Decrease in interest rate by 100 basis points	226.02	263.91

(Calculated based on risk exposure outstanding as of date and assuming that all other variables, in particular foreign currency rates, remain constant).

Foreign Currency Risk:

The Group is exposed to fluctuations in foreign currency exchange rates where transaction references more than one currency and/or where assets/liabilities are denominated in a currency other than the functional currency of the Group.

Exposures on foreign currency are managed through a hedging policy, which is reviewed periodically by the management. The Group usually enters into forward exchange contracts progressively based on their maturity to hedge the effects of movements in foreign currency exchange rates individually on assets and liabilities. The sources of foreign exchange risk for the Group are trade receivables, trade payables for imported materials & capital goods as well as foreign currency denominated borrowings. The policy of the Group is to determine on a regular basis what portion of the foreign exchange risk are to be hedged through forward exchange contracts.

The exposure of the Group's foreign currency risk based on unhedged exposure as at the reporting date is as follows :

Particulars	Impact on profit before tax	
	2023-24	2022-23
Increase in exchange rates by 5%	157.38	181.05
Decrease in exchange rates by 5%	(157.38)	(181.05)

Commodity Price Risk

The Group is exposed to the movement of copper and aluminium prices on the London Metal Exchange (LME). Any increase or decline in the prices of these commodities will have an impact on the profitability of the Group. As a general policy, the Group aims to purchase these commodities at prevailing market prices and also sell the product at price adjusted for prevailing market prices. The Group substantially ensures sale of products with simultaneous purchase of these commodities on back-to back basis ensuring no or minimum price risk for the Group.

Equity Price Risk

Equity price risk relates to change in fair value of investments in the equity instruments measured at fair value through OCI & FVTPL . As at 31st March, 2024 the carrying value of such equity instruments recognised at fair value through OCI & FVTPL amounts to ₹ Nil (P.Y. ₹ 6,890.87 Lakhs).

A sensitivity analysis demonstrating the impact of change in the carrying value of investment in equity instrument as at reporting date is given below :

Liquidity Risk

Liquidity risk refers to the risk that the Group encounter difficulty in raising funds to meet its financial commitments. The objective of liquidity risk management is to maintain the liquidity and to ensure that funds are available for short operational needs and to fund Group's expansion projects. The Group has availed credit facility from the banks & financial institutions to meet its financial commitment in timely and cost effective manner.

The Group remains committed to maintaining a healthy liquidity and gearing ratio and strengthening the balance sheet. The maturity profile of the Group's financial liabilities based on the remaining period from the date of balance sheet to the contractual maturity date is given in the table below.

Credit Risk

Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the Group. The Group is exposed to credit risk for trade receivables and financial guarantees for dealers, derivative financial instruments and other financial assets.

The Group assess the counter party before entering into transactions and wherever necessary supplies are made against advance payment. The Group on continuous basis monitor the credit limit of the counter parties to mitigate or minimise the credit risk. The credit risk for the financial guarantees issued by the Parent to bank for credit facilities availed by Parent's dealers from bank is minimum as those parties have long vintage with the Parent and they are also subject to credit risk assessment by bank on periodical basis. The credit risk on export receivables are limited as almost all export sales are made to parties having a long vintage with the Group and new parties are subject to necessary due diligence.

For trade receivables, as a practical expedient, the Group computes credit loss allowance based on expected credit loss method. The movement in expected credit loss allowance on trade receivable is as under:

Independent Auditor's Limited Review Report on Review of Interim Unaudited Standalone Financial Results

To,
The Board of Directors of
Ram Ratna Wires Limited

1. We have reviewed the accompanying statement of Unaudited Standalone Financial Results of **Ram Ratna Wires Limited** ("the Company"), for the quarter and six months ended 30th September, 2024 ("the Statement"), being submitted by the Company pursuant to Regulation 33 of the Securities and Exchange Board of India ("SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been compiled from the related reviewed interim standalone financial information which has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India (ICAI). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited, primarily to inquiries of Company's personnel responsible for financial and accounting matters, and analytical procedures applied to financial data. A review is substantially less assurance than an audit in accordance with Standards on Auditing specified under section 143(10) of the Companies Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable Indian Accounting Standards prescribed under Section 133 of the Companies, Act, 2013 read with relevant rules issued thereunder and other recognized accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Emphasis of Matter

We draw attention to Note (iv) of Unaudited Standalone Financial Results relating to a search and seizure action under section 132 of the Income Tax Act, 1961 against the Company, its subsidiaries, other group entities and their few employees.

Our conclusion is not modified in respect of this matter.

Independent Auditor's Limited Review Report on Review of Interim Unaudited Consolidated Financial Results

To,
The Board of Directors of
Ram Ratna Wires Limited

1. We have reviewed the accompanying statement of Unaudited Consolidated Financial Results of **Ram Ratna Wires Limited** ("the Parent") and its subsidiaries as listed in paragraph 4 (the Parent and the Subsidiaries together referred to as ("the Group")), and its share of the net profit/(loss) after tax in Joint Venture as listed in paragraph 4 for the quarter and six months ended 30th September, 2024 ("the Statement"), being submitted by the Parent pursuant to Regulation 33 of the Securities and Exchange Board of India ("SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been compiled from the related reviewed interim consolidated financial information which has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited, primarily to inquiries of Parent's personnel responsible for financial and accounting matters, and analytical procedures applied to financial data. A review is substantially less assurance than an audit in accordance with Standards on Auditing specified under section 143(10) of the Companies Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the financial statement of the following entities

Sr. No.	Name	Relationship
1	Global Copper Private Limited (GCPL)	Subsidiary Company
2	Epavo Electricals Private Limited	Subsidiary Company (ceased w.e.f. 30 th September 2024) and has become a Joint Venture
3	R R Imperial Electricals Limited	Joint Venture Company

5. Based on our review conducted and procedure performed as stated above and based on the consideration of the review report of auditor of GCPL and interim financial result of the Joint Venture Company as referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable Indian Accounting Standards prescribed under Section 133 of the Companies, Act, 2013 read with relevant rules issued thereunder and other recognized accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. **Emphasis of Matter**

We draw attention to Note (iv) of Unaudited Consolidated Financial Results relating to a search and seizure action under section 132 of the Income Tax Act, 1961 against the Company, its subsidiaries, other group entities and their few employees.

Our conclusion is not modified in respect of this matter.

7. We did not review the interim financial information/results of the GCPL, whose interim financial information/results reflects total assets of ₹ 18559.33 lakhs as at 30th September, 2024, total revenue of ₹ 11755.57 lakhs and ₹ 24,096.29 lakhs for the quarter and six months ended 30th September, 2024 respectively, total net profit after tax of ₹ 167.12 lakhs and ₹ 861.85 lakhs for the quarter and six months ended 30th September, 2024 respectively, total comprehensive income of ₹ 159.26 lakhs and ₹ 852.34 lakhs for the quarter and six months ended 30th September, 2024 respectively and net cash inflows of ₹ 6.82 lakhs for the six months ended 30th September, 2024 as considered in the Statement.

The Statement also includes the Company's share of profit after tax of ₹ 7.24 lakhs and total comprehensive loss of ₹ (39.68) lakhs, for the quarter and six months ended 30th September, 2024 in respect of the Joint Venture Company, based on the interim financial information/results which has not been reviewed. According to the information and explanations given to us by the management, this interim financial information/results is not material to the Company.

The interim financial information/results of the GCPL have been reviewed by other auditor whose report has been furnished to us by the Management of the Company.

Our conclusion on the Statement in so far as it relates to the amounts and disclosures included in respect of GCPL is based solely on the report of the other auditor and the procedures performed by us as stated in paragraph 3 above and that of the Joint Venture Company is based solely on information and explanation provided by the Management of the Company.

Our conclusion is not modified in respect of these matters.

SCOPE AND PURPOSE OF REPORT

I understand that the management of the Companies are contemplating the merger of GCPL into RRWL on a going concern basis with effect from 1st April 2024 (“Appointed date or Effective Date”), pursuant to a Scheme of Amalgamation under the provisions of Sections 230 to 232 of the Companies Act, 2013 and other relevant provisions of the Companies Act, 2013, along with the applicable provisions of Securities and exchange Board of India (“SEBI”), if any (the “Proposed Merger”). In consideration thereof, equity shareholders of GCPL would be issued equity shares of RRWL in lieu of their shareholding in GCPL.

I have also obtained the explanations, information and representations, which I believed were reasonably necessary and relevant for my exercise from the Managements. The Companies have been provided with the opportunity to review the draft report (without the recommended Fair Equity Share Exchange Ratio) for this engagement to make sure that factual inaccuracies / omissions are avoided in my final report.

VALUATION STANDARDS FOLLOWED AND PROCEDURES ADOPTED FOR VALUATION

I have performed the valuation analysis, to the extent possible, in accordance with ICAI Valuation Standards 2018 issued by the Institute of Chartered Accountants of India ('IVS').

In connection with this exercise, I have adopted the following procedures to carry out the valuation analysis:

- Requested and received relevant data from the respective managements;
- Discussions with the Managements on understanding of the businesses of the Companies;
- Obtained and analysed data available in public domain, as considered relevant by me;
- Obtained and analysed market prices and other data involving equity shares of RRWL and of comparable companies, as applicable and relevant;
- Selection of valuation approach and valuation methodology/(ies), in accordance with IVS, as considered appropriate and relevant by me;
- Determination of relative value of equity shares of the Companies in order to arrive at fair equity share exchange ratio for the Proposed Merger;
- Other relevant information and documents for the purpose of this engagement.

SCOPE LIMITATIONS, ASSUMPTIONS, QUALIFICATIONS, EXCLUSIONS AND DISCLAIMERS

- The Report is to be read in totality, and not in parts, in conjunction with the relevant documents referred to herein
- This Report, its contents and the results herein are specific to (i) the purpose of valuation agreed as per the terms of my engagement; (ii) the Report Date; (iii) Audited financial statements of the Companies for the year ended 31st March 2024 (iv) Other information obtained by me from time to time. I have been informed that the business activities of the Valuation Subjects have been carried out in the normal and ordinary course between 31st March 2024 and the Report date and that no material changes have occurred in their respective operations and financial position between 31st March 2024 and the Report date.

- Provision of valuation opinions and consideration of the issues described herein are areas of my regular practice. The services do not represent accounting, assurance, accounting / tax due diligence, consulting or tax related services that may otherwise be provided by me or my affiliates.
- The recommendation(s) rendered in this report only represent my recommendation(s) based upon information furnished by the Companies (or its representatives) and other sources and the said recommendation(s) shall be considered to be in the nature of non-binding advice, (my recommendation will however not be used for advising anybody to take buy or sell decision, for which specific opinion needs to be taken from expert advisors).
- I owe responsibility to only the management of the Companies that has retained me and nobody else. I do not accept any liability to any third party in relation to the issue of this valuation report. My valuation report cannot be used for any other purpose. This report has been prepared only for the sole use and information of RRWL and GCPL. Without limiting the foregoing, I understand that RRWL and GCPL may be required to submit this report to the regulatory authorities / stock exchanges in connection with the Proposed Merger.
- My analysis is based on the market conditions and the regulatory environment that currently exists. However, changes to the same in the future could impact the company and the industry it operates in, which may impact my valuation analysis.
- I am not responsible for updating this report because of any events or transactions occurring subsequent to the date of this report.
- I have considered and relied on the information provided to me by the Managements including financial information, significant transactions and events occurring subsequent to the balance sheet date. I understand that the information provided to me and the representations made to me (whether verbal or written) are reliable and adequate. I have derived my conclusions and recommendation from the information so provided and I am thus reliant on the given information to be complete and accurate in every significant aspect. I am made to believe that the Managements have informed me about all material transactions, events or any other relevant factors which are likely to have an impact on my valuation recommendation.
- The Managements have informed me that:
 - a) There would not be any capital variation in the Companies till the Proposed Merger becomes effective without the approval of the shareholders and other relevant authorities.
 - b) Neither Companies would declare any dividend which are either materially different than those declared in the past few years or having materially different yields.
 - c) There are no unusual / abnormal events in both the Companies since the last result declaration date till the Report date materially impacting their operating / financial performance.

I have relied on the above while arriving at the Fair Equity Share Exchange Ratio for the Proposed Merger

- I have assumed and relied upon, without independently verifying (i) the accuracy of the information that was publicly available, sourced from subscribed databases and formed a substantial basis for this Report and (ii) the accuracy of information made available to me by the Companies. While information obtained from the public domain or external sources have not been verified for authenticity, accuracy or completeness, I have obtained information, as far as possible, from sources generally considered to be reliable. I assume no responsibility for such information.
- The Report assumes that the Companies comply fully with relevant laws and regulations applicable in all its areas of operations unless otherwise stated, and that the Companies will be managed in a competent and responsible manner. This Report has given no consideration to matters of a legal nature, including issues of legal title and compliance with local laws, and litigation and other contingent liabilities that are not disclosed in the audited / unaudited balance sheets of the

Companies; subsidiary / associates / joint ventures; investee companies, if any. Therefore, no responsibility is assumed for matters of a legal nature. My conclusion of value assumes that the assets and liabilities of the Valuation Subjects, reflected in their respective latest balance sheets remain intact as of the Report date.

- I have not carried out any physical verification of the assets and liabilities of the Valuation Subjects and take no responsibility for the identification of such assets and liabilities.
- In the ultimate analysis, valuation will have to capture the exercise of judicious discretion by the Valuer and judgment taking into account all the relevant factors. There will always be several factors which are not evident from the face of the financial statements, but which will strongly influence the worth of a share. Examples of such factors include quality and integrity of the management, capital adequacy, asset quality, earnings, liquidity, size, present and prospective competition, yield on comparable securities and market sentiment, etc. This concept is also recognized in judicial decisions.
- This Report does not look into the business / commercial reasons behind the transaction. My valuation analysis should not be construed as an investment advice. I do not express any opinion on the suitability or otherwise of entering into any transaction with the Companies.
- This Report is not, nor should it be construed as my recommendation of the Proposed Merger or anything consequential thereto / resulting therefrom. This Report does not address the relative merits of the Proposed Merger as compared with any other alternatives or whether or not such alternatives could be achieved or are available. Any decision by the Companies / their shareholders / creditors regarding whether or not to proceed with the Proposed Merger shall rest solely with them.
- This Report is not, nor should it be construed as my opinion or certification of the compliance of the Proposed Merger with the provisions of any law / standards including companies, foreign exchange regulatory, securities market, accounting and taxation (including transfer pricing) laws / standards or as regards any legal, accounting or taxation implications or issues arising from such Proposed Merger.
- I will not be liable for any losses, claims, damages or liabilities arising out of the actions taken, omissions of or advice given by any other to the Companies. In no event shall I be liable for any loss, damages, cost or expenses arising in any way from fraudulent acts, misrepresentations or willful default on part of the Companies, their directors, employees or agents.
- It is understood that this analysis does not represent a fairness opinion. This report is not a substitute for the third party's own due diligence/ appraisal/ enquiries/independent advice that the third party should undertake for his purpose.
- The aggregate liability of me, my agents and my employees or any of them for damage shall be limited to the fee that I have received from this assignment, as set out in my engagement letter.
- In no circumstances I shall be responsible for any consequential, special, direct, indirect, punitive or incidental loss, damages or expenses (including loss of profits, data, business, opportunity cost, goodwill or indemnification) in connection with the performance of the Services whether such damages are based on breach of contract, tort, strict liability, breach of warranty, negligence, or otherwise even if the Companies had contemplated and communicated to me the likelihood of such damages. Any decision to act upon the Deliverables is to be made by the Companies and no communication by me should be treated as an invitation or inducement to engage the Companies to act upon the Deliverable.
- The aggregate liability in respect of performance of services or otherwise under this Letter shall be limited to the actual professional fees paid (excluding out of pocket expenses and taxes if any paid) for services rendered by me regardless of whether the liability is based on breach of contract, tort, strict liability, breach of warranty, negligence etc. or otherwise.

- Neither the Report nor its contents may be referred to or quoted in any registration statement, prospectus, offering memorandum, annual report, loan agreement or other agreement or document given to third parties, other than in connection with the proposed Scheme of Amalgamation, without my prior written consent. In addition, this report does not in any manner address the prices at which equity shares of the Companies will trade following announcement of the Proposed Merger and I express no opinion or recommendation as to how the shareholders of either company should vote at any shareholders' meeting(s) to be held in connection with the Proposed Merger.
- Any discrepancies in any annexure between the total and the sums of the amounts listed are due to rounding-off.

VALUATION APPROACHES AND METHODOLOGIES

- The Scheme contemplates the Proposed Merger under Sections 230 to 232 of the Companies Act, 2013 and rules issued thereunder to the extent applicable.
- Arriving at the Fair Equity Share Exchange Ratio for the purposes of a merger such as the Proposed Merger, would require determining the relative values of each company involved and of their shares. These values are to be determined independently but on a relative basis, and without considering the effect of the Merger.
- The Report has been prepared on the basis of "Fair Value" as at Valuation Date. The generally accepted definition of "Fair Value" is the value as applied between a hypothetical willing vendor and a hypothetical willing prudent buyer in an open market and with access to all relevant information.
- The report has adopted "Going Concern Value" as the premise of value in the given circumstances. The generally accepted definition of Going Concern value is the value of a business enterprise that is expected to continue to operate in the future.
- For the purpose of valuation, it is necessary to select an appropriate basis of valuation amongst the various valuation techniques. It is universally recognized that valuation is not an exact science and that estimating values necessarily involves selecting a method or approach that is suitable for the purpose. The application of any particular method of valuation depends upon various factors including the size of company, nature of its business and purpose of valuation. Further, the concept of valuation is all about the price at which a transaction takes place i.e., the price at which seller is willing to sell and buyer is willing to buy. Accordingly, a fair and reasonable approach for valuing the shares of the company is to use a combination of relevant and applicable valuation methods.
- The Three main valuation approaches are the Market Approach, Income Approach and Asset approach. There are several commonly used and accepted methods within the market approach, income approach and asset approach for determining the relative fair value of equity shares a

CA RV Arpit Surendra Parikh
Registered Valuer – Securities or Financial Assets
IBBI Registration No - IBBI/RV/07/2023/15379

company, which can be considered in the present valuation exercise, to the extent relevant and applicable, to arrive at the Fair Share Exchange Ratio for the purpose of the Proposed Merger, such as:

- Asset Approach- Net Asset Value (NAV) Method
 - Market Approach- Market Price Method; Comparable Companies Multiples (CCM) Method
 - Income Approach- Discount Cash Flow (DCF) Method.
- It should be understood that the valuation of any entity or its assets is inherently subjective and is subject to uncertainties and contingencies, all of which are difficult to predict and are beyond my control. In performing my analysis, I made assumptions with respect to industry performance and general business and economic conditions, many of which are beyond the control of the Companies. In addition, this valuation will fluctuate with changes in prevailing market conditions, the conditions and prospects, financial and otherwise, of the Companies, and other factors which generally influence the valuation of companies and their assets.
 - The application of any particular method of valuation depends on the purpose for which the valuation is done. Although different values may exist for different purposes, it cannot be too strongly emphasized that a valuer can only arrive at one value for one purpose. My choice of method of valuation has been arrived at using usual and conventional methods adopted for transactions of a similar nature and my reasonable judgment, in an independent and bona fide manner based on my previous experience of assignments of a similar nature.

Cost Approach – Net Asset Value (NAV) method

- Under NAV method, total value of the business is based either on net asset value or realizable value or replacement cost basis. NAV methodology is most applicable for the business where the value lies in the underlying assets and not the ongoing operations of the business. NAV method does not capture the future earning capacity of the business.

The valuation is undertaken with going concern assumption and I do not contemplate an actual sale realization of the individual assets. Hence, I have not considered NAV method for the said valuation purpose as both RRWL and GCPL are operating businesses and I understand that historical book value does not reflect intrinsic value of their businesses. I have therefore not considered NAV method for the said valuation. I have however considered the NAV for information purposes only.

Income Approach – Discounted Cash Flows (DCF) method

- Under the Income Approach, business is valued by converting maintainable or future amount of cash flows to a single current amount either through discounting or capitalization. DCF Method seeks to arrive at the value of the business based on its future cash flows generating capability and the risks associated with the said cash flows. Free cash flows to the firm (“FCFF”) represents the cash available for distribution to both the owners and the creditors of the business. Risk-adjusted discount rate or Weighted Average Cost of Capital (“WACC”) is applied to free cash flows in the explicit period and that in perpetuity. Adjustments pertaining to debt, surplus/non-operating assets including investments, cash & bank balance and contingent assets/liabilities and other liabilities, as relevant, are required to be made in order to arrive at the value for equity shareholders. The total value for the equity shareholders so arrived is then to be divided by the number of equity shares to arrive at the value per equity share of the company.
- For the purpose of DCF valuation, the free cash flow forecast is based on projected financials as provided by the Management of the Companies. While carrying out this engagement, I have relied

CA RV Arpit Surendra Parikh
Registered Valuer – Securities or Financial Assets
IBBI Registration No - IBBI/RV/07/2023/15379

on historical information made available to me by the Management of the Companies and the projected financials for future related information. Although I have read, analyzed and discussed the Management Business Plan for the purpose of undertaking a valuation analysis, I have not commented on the achievability and reasonableness of the assumptions provided to me save for satisfying myself to the extent possible that they are consistent with other information provided to me in the course of the assignment. I have assessed and evaluated the reasonableness of the projections based on procedures such as analyzing industry data, historical performance, expectations of comparable companies, analyst reports etc.

- Given the nature of the businesses of the Companies and the fact that RRWL and GCPL have provided their projected financials, I have considered it appropriate to apply the DCF Method under the Income Approach to arrive at the relative fair value of the shares of the Companies for the purpose of arriving at the Fair Equity Share Exchange Ratio.

Market Approach – Market Price method

- Under the Market Price method, the market price of an equity share as quoted on a recognized Stock Exchange is normally considered as the value of the equity shares of that company, where such quotations are arising from the shares being regularly and frequently traded. Generally, market value is reflective of the investors' perception about the actual worth of the company. However, in certain situations, the value of the share as quoted on the stock market would not be regarded as a proper index of the fair value of the share especially where the market values are fluctuating in a volatile capital market.
- In terms of Regulation 164 (1) of Part IV of Chapter V of the SEBI ICDR Regulations, if the equity shares of the issuer have been listed on a recognized stock exchange for a period of 90 days or more as on the relevant date, the price of the equity shares to be allotted pursuant to the issue shall be not less than higher of the following:
 - a) The 90 trading days volume weighted average price of the related equity shares quoted on the recognized stock exchange preceding the relevant date.
 - b) The 10 trading days volume weighted average price of the related equity shares quoted on the recognized stock exchange preceding the relevant date.
- Since, RRWL is a listed company and equity shares of RRWL are traded on NSE and BSE over a reasonable period, I have considered Market Price method to determine the value of equity shares of RRWL. I understand that the shares are frequently traded as per SEBI ICDR Regulations. I have been informed by the management of RRWL that the Board Meeting of RRWL for the proposed Merger is to be scheduled on 13th June 2024. Hence the relevant date as per the SEBI ICDR Regulations, for the purpose of calculation of the price per share of RRWL for the proposed issuance of shares under the Scheme is 13th June 2024. I have considered the stock prices of RRWL from NSE for calculating the fair market value of equity shares of RRWL considering the volumes traded on NSE is higher than that in BSE.
- Since, equity shares of GCPL are not listed, I have not considered Market Price method to determine the value of equity of GCPL.

Market Approach – Comparable Companies' Multiple (CCM) method

- Under CCM Method, the value of shares of the subject company is determined on the basis of multiples derived from valuations of comparable companies. Relevant multiples need to be chosen carefully and adjusted for differences between the circumstances. The Comparable Companies' Multiple Method arrives at the value of the company by using multiples derived from valuations of

CA RV Arpit Surendra Parikh
Registered Valuer – Securities or Financial Assets
IBBI Registration No - IBBI/RV/07/2023/15379

comparable companies, as manifest through stock market valuations of listed companies. This valuation is based on the principle that market valuations, taking place between informed buyers and informed sellers, incorporate all factors relevant to valuation. Relevant multiples need to be chosen carefully and adjusted for differences, such as growth potential, past track record, size, company dynamics, etc.

- Based on my analysis and discussion with the Management, I understand that there are comparable listed companies which operate in similar line of business and have similar operating/ financial metrics as that of RRWL and GCPL, I have therefore used CCM Method to value the equity shares of RRWL and GCPL.

BASIS OF FAIR EQUITY SHARE EXCHANGE RATIO

The basis of the Proposed Merger would have to be determined after taking into consideration all the factors, approaches and methods considered appropriate by the Registered Valuer. Though different values have been arrived at under each of the above approaches/ methods, for the purposes of recommending the Fair Equity Share Exchange Ratio it is necessary to arrive at a single value for the shares of the companies involved in an amalgamation such as the proposed Merger. It is however important to note that in doing so, I am not attempting to arrive at the absolute values of the shares of the Businesses but at their relative values to facilitate the determination of a Fair Equity Share Exchange Ratio. For this purpose, it is necessary to give appropriate weights to the values arrived at under each approach/method.

In the ultimate analysis, valuation will have to be arrived at by the exercise of judicious discretion by the valuer and judgments taking into account all the relevant factors. There will always be several factors, e.g. quality of the management, present and prospective competition, yield on comparable securities and market sentiment, etc. which are not evident from the face of the balance sheets but which will strongly influence the worth of a share. The determination of exchange ratio is not a precise science and the conclusions arrived at in many cases will, of necessity, be subjective and dependent on the exercise of individual judgment. This concept is also recognized in judicial decisions. There is, therefore, no indisputable single exchange ratio. While I have provided my recommendation of the Fair Equity Share Exchange Ratio based on the information available to me and within the scope and constraints of my engagement, others may have a different opinion as to the Fair Equity Share Exchange Ratio of the equity shares of RRWL and GCPL. The final responsibility for the determination of the exchange ratio at which the Proposed Merger shall take place will be with the Board of Directors of the Companies who should take into account other factors such as their own assessment of the Proposed Merger and input of other advisors.

The Fair Equity Share Exchange Ratio has been arrived at on the basis of a relative equity valuation of RRWL & GCPL based on the various applicable approaches/ methods explained herein earlier and various qualitative factors relevant to each company and the business dynamics and growth potentials of the businesses of these companies, having regard to information base, key underlying assumptions and limitations.

I have applied relevant methods discussed above, as considered appropriate, and arrived at the assessment of the relative values per equity share of RRWL & GCPL. To arrive at the Fair Equity Share Exchange Ratio for the Proposed Merger, suitable minor adjustment/ rounding off have been done in the relative value arrived at by me.

VALUATION CONCLUSION

- The value per equity share of RRWL and GCPL are based on the various approaches / methods explained herein earlier and various qualitative factors relevant to each company and the business dynamics and growth potential of the businesses of the Companies, having regard to information base, key underlying assumptions and limitations.
- Though different values have been arrived at under each and above methodologies, it is finally necessary to arrive at a single value for the Proposed Merger. For this purpose, it is necessary to give appropriate weights to the value arrived at under each methodology.

The computation of Fair Equity Share Ratio for Merger of GCPL into RRWL as derived is as given below:

Valuation Approach	RRWL		GCPL	
	Value Per Share (INR)	Weight (%)	Value Per Share (INR)	Weight (%)
Market Approach				
- Market Price Method	358.5	25.00%	N/A	0.00%
- Comparable Companies Method	392.5	25.00%	2,243.3	50.00%
Income Approach				
Discounted Cash Flow	382.0	50.00%	2,283.2	50.00%
Asset Approach				
Net Asset Value Method	122.1	0.00%	361.6	0.00%
Fair Value per share (Weighted Average)	378.7		2,263.2	
Fair Share Exchange ratio (rounded off)	6.0			

*N/A – Not Applicable

Therefore, the following is the recommended Fair Equity Share Exchange Ratio:

Six equity shares of face value INR 5/- each fully paid up of RRWL for every One equity share of face value of INR 10/- each fully paid of GCPL for the merger of GCPL into RRWL.

Dear Sir / Madam,

**Subject: Fairness Opinion on Fair Equity Share Exchange Ratio for the proposed merger of
 Global Copper Private Limited into Ram Ratna Wires Limited**

1.0 We refer to the engagement letter dated 15 May 2024, wherein Ram Ratna Wires Ltd. and Global Copper (P) Ltd. have appointed Horizon Management Private Limited ("HMPL" or "we" or "us") to provide fairness opinion on the Fair Equity Share Exchange Ratio and for Internal Assessment purpose respectively, recommended by Mr. Arpit Parekh, Registered Valuer (IBBI Registration No.: IBBI/RV/07/2023/15379 ("Registered Valuer") for the proposed merger of Global Copper (P) Ltd. ("GCPL") into Ram Ratna Wires Ltd. ("RRWL"). RRWL and GCPL are together referred to as "Companies" herein.

2.0 Brief Background

2.1 RRWL

RRWL is a public limited company, incorporated on 21st July 1992 and having its registered office at Ram Ratna House, Oasis Complex, P. B. Marg, Worli, Mumbai, Maharashtra - 400013. RRWL holds 60% equity stake in GCPL as of 31st March 2024.

3.0 Scope & Purpose

We understand that the proposal of merger of GCPL into RRWL on a going concern basis with effect from 1st April 2024 (“**Appointed Date**”) is being evaluated, pursuant to a Scheme of Amalgamation under Section 230 – 232 and other applicable provisions of Companies Act, 2013 (“**Proposed Merger**”).

For the purpose of the Proposed Merger, the Companies have appointed the Registered Valuer to recommend the fair equity share exchange ratio to be placed before the Board of Directors, Audit Committee and Committee of Independent Directors of the respective Companies.

In this connection, pursuant to the requirements of SEBI Master Circular SEBI/HO/CFD/POD-2/P/CIR/2023/93 dated 20 June 2023 (as amended from time to time) (“**SEBI Circular**”), RRWL and GCPL has engaged HMPL to provide fairness opinion on the Equity Share Exchange Ratio and for Internal Assessment purpose respectively, proposed by the Registered Valuer for the Proposed Merger.

The fairness opinion report (“**Fairness Opinion**” or “**Report**”) is our deliverable in respect of the above engagement.

Our scope of work includes commenting only on the fairness of the Equity Share Exchange Ratio recommended by the Registered Valuer from financial point of view and not on fairness or economic rationale of the Proposed Merger per se. This Report does not address any other aspects or implications related to the Proposed Merger or any other transactions and also does not address the relative merits of the merger as compared to alternative transactions or strategies that might be available.

This Report is to be read in conjunction with the scope and purpose of the Report, assumptions, exclusions, limitations, and the disclaimers, as have been detailed hereinafter.

This Report may be used for the purpose of complying with the requirements of SEBI Circular, for placing before Board of Directors, Audit Committee and Committee of Independent Directors of the respective Companies and for submission to regulatory and statutory authorities in connection with the Proposed Merger and not for any other purpose.

4.0 Sources of Information

In connection with this exercise, we have considered the following information:

- Draft Scheme of Amalgamation under Section 230-232 and other applicable provisions of the Companies Act, 2013, with regard to the Proposed Merger;

- Valuation Report dated 13th June 2024 for the Proposed Merger issued by the Registered Valuer;
- Shareholding Pattern of the Companies as on March 31, 2024;
- Annual Financial Statements (Including Annual reports of RRWL) for the year ended March 31, 2023 and earlier periods of the Companies;
- Audited financial statements of the Companies for the year ended March 31, 2024;
- Such other information, documents, data, reports, discussions and verbal & written explanations from the Management in connection with the operations of the respective Companies / subsidiaries, past and present activities, future plans and prospects, details of the Investments, share capital and shareholding pattern of RRWL and GCPL and information available from public domain;
- Other relevant information and documents for the purpose of this engagement.

5.0 Procedures Adopted

In connection with this exercise, we have adopted the following procedures:

- Review of the historical financial statements of the Companies;
- Review of Valuation Report issued by the Registered Valuer;
- Considered the Draft Scheme of Amalgamation;
- Discussions with the management of the Companies regarding past and current business, operations, financial condition and prospects of the Companies;
- Discussions with the Registered Valuer regarding the valuation approach and methodology adopted, key parameters and seeking relevant clarifications;
- Review of certain publicly available business and financial information relating to the Companies;
- Conducted such other analyses and considered such other information and factors as deemed appropriate.

6.0 Scope Limitations, Assumptions, Qualifications, Exclusions & Disclaimers

- 6.1 The Report is to be read in totality, and not in parts, in conjunction with the relevant documents and information referred to therein.
- 6.2 This Fairness Opinion, its contents and the results herein are specific to (i) the purpose of fairness opinion agreed as per the terms of our engagement; (ii) date of this Report (iii) the report of the Registered Valuer for recommendation of Equity Share Exchange Ratio, and is based on the financial statements of the Companies as of March 31, 2024. We have been informed that the business activities of the Companies have been carried out in the normal and ordinary course between March 31, 2024 and the date of this Report and no material changes have occurred in their respective operations and financial position.
- 6.3 While our work has involved an analysis of financial and other information provided by the Companies, our engagement does not constitute an audit, due diligence or verification of historical financials including the working results of the Companies or their business referred to in this Fairness Opinion. Accordingly, we express no audit opinion or any other form of assurance on the accuracy of any financial information referred to in this Fairness Opinion.

- 6.4 HMPL has relied upon the representations that the information provided is accurate and complete in all material respects. With respect to explanations and information sought from the Companies, we have been given to understand by the respective managements that they have not omitted any relevant and material factors about the Companies and that they have checked the relevance or materiality of any specific information to the present exercise with us in case of any doubt. Our conclusion is based on the information given by the Companies. If there were any omissions, inaccuracies or misrepresentations of the information provided by the Companies' management, it may have a material effect on our findings.
- 6.5 HMPL has not conducted any independent valuation or appraisal of any of the assets or liabilities of the Companies. In particular, HMPL does not express opinion on value of assets of the Companies and/or their subsidiary, holding, affiliates, whether at current price or future price. No investigation of the Companies claim to the title of assets or property owned by the Companies has been made for the purpose of this Report. With regard to the Companies, HMPL has relied solely on representation, whether verbal or otherwise made, by the management for purpose of this Report. Therefore, no responsibility whatsoever is assumed for matters of legal nature. Further, HMPL has not evaluated solvency or fair value of the Companies forming part of the Scheme under any law relating to bankruptcy, insolvency or similar matter.
- 6.6 This Fairness Opinion is based on business, economic, market and other conditions as they existed as of the date of this Fairness Opinion. Subsequent events or circumstances that could affect the conclusions set forth in our Fairness Opinion include, without limitation, adverse changes in industry performance or market conditions and changes to the business, financial condition, and results of operations of the Companies. The users of this Report should read the basis upon which the Report has been done and be aware of the potential for later variations in value due to factors that are unforeseen as on the date of Report. Due to possible changes in market forces and circumstances, this opinion can only be regarded as relevant as at the date of the Report. HMPL is under no obligation to update, revise or reaffirm the Fairness Opinion.
- 6.7 Providing fairness opinion is not a precise science and the conclusions arrived at in many cases will, of necessity, be subjective and dependent on the exercise of individual judgement. In the ultimate analysis, our opinion will have to be tempered by the exercise of judicious discretion and judgment taking into account all the relevant factors. There is, therefore, no indisputable single Equity Share Exchange Ratio. While we have provided our opinion on the fairness of the Equity Share Exchange Ratio recommended by the Registered Valuer based on the information available to us and within the scope and constraints of our engagement, others may have a different opinion.
- 6.8 The Fairness Opinion assumes that the Companies comply fully with relevant laws and regulations applicable in all its areas of operations, and that the Companies will be managed in a competent and responsible manner. Further, this Fairness Opinion has given no consideration to matters of a legal nature, including issues of legal title and compliance with local laws, and litigation and other contingent liabilities that are not disclosed in the audited balance sheet of the Companies.

- 6.9 In no circumstances, shall the liability of HMPL, its directors or employees relating to the services provided in connection with the engagement set out in this Report exceed the amount paid to HMPL in respect of the fees charged by it for these services.
- 6.10 It is understood that this Fairness Opinion is for the benefit and use of the Board of Directors, Audit Committee and Committee of Independent Directors of the respective Companies in connection with and for purposes of its evaluation of the Proposed Merger and is not rendered to or for the benefit of, and shall not confer rights or remedies upon, any person other than the Board of Directors, Audit Committee and Committee of Independent Directors of the respective Companies. HMPL accepts no responsibility or liability to any third party, in connection with this Report. This opinion may not be disclosed, referred to, or communicated (in whole or in parts) to any third party, nor shall any public reference be made, for any purpose whatsoever except as required to be disclosed by RRWL to the relevant stock exchanges pursuant to SEBI Circular and may be disclosed on the website of RRWL and the stock exchanges to the extent required in terms of the SEBI Circular, as part of the explanatory statement to be circulated to the shareholders and/or creditors of RRWL and as required to be disclosed to relevant judicial, regulatory or government authorities, as required under applicable laws. It is clarified that reference to this Report in any document and/ or filing pursuant to the Regulations, in connection with the Proposed Merger, shall not be deemed to be an acceptance by HMPL of any responsibility or liability to any person / party other than RRWL. Neither this Fairness Opinion nor the information contained herein, may be reproduced passed to any person or used for any purpose other than stated above, without prior written approval of HMPL.
- 6.11 This Fairness Opinion is subject to laws of India and is governed by concept of materiality.
- 6.12 The Fairness Opinion should not be construed to be an investment advice in any manner whatsoever. HMPL also expresses no opinion and accordingly accepts no responsibility or as to the prices at which the equity shares of RRWL will trade following the announcement of the Proposed Merger or as to the financial performance of RRWL following the consummation of the Proposed Merger.
- 6.13 The fee for our services is not contingent upon the results of the Proposed Merger.
- 6.14 Our Fairness Opinion is not intended to and does not constitute a recommendation to any shareholder as to how such holder should vote or act in connection with Proposed Merger or any matter related thereto.
- 6.15 The Companies have been provided with opportunity to review the draft as part of standard practice so that factual inaccuracies/omissions are avoided in the Fairness Opinion.

7.0 Registered Valuer's Recommendation

The Registered Valuer has recommended the following Equity Share Exchange Ratio for the Proposed Merger as per the Valuation Report:

"For every 1 equity share in GCPL of INR 10/- each fully paid up, equity shareholders of GCPL should be allotted 6 equity shares of RRWL of INR 5/- each fully paid."

8.0 Opinion & Conclusion

On consideration of all the relevant factors and circumstances and on the basis of information and explanation provided to us, in our opinion, the Equity Share Exchange Ratio as recommended by the Registered Valuer, is fair to the equity shareholders of RRWL, from a financial point of view.

REPORT ADOPTED BY THE BOARD OF DIRECTORS OF GLOBAL COPPER PRIVATE LIMITED, EXPLAINING THE EFFECT OF THE SCHEME OF AMALGAMATION (MERGER BY ABSORPTION) OF GLOBAL COPPER PRIVATE LIMITED WITH AND INTO RAM RATNA WIRES LIMITED AND THEIR RESPECTIVE SHAREHOLDERS ("the SCHEME")

A. Background:

1. The Board of Global Copper Private Limited ("GCPL" or "Transferor Company" or "Company") at its meeting held on June 13, 2024, approved the Scheme of Amalgamation (merger by absorption) of the Company with and into Ram Ratna Wires Limited ("RRWL" or "Transferee Company") and their respective shareholders ("the Scheme"), to be implemented under Sections 230 to 232 of the Companies Act, 2013 ("Act") and the rules made thereunder and other applicable provisions, if any, of the Act.
2. As per the provisions of Section 232(2)(c) of the Companies Act, 2013, the Board of Directors of the Company is required to provide report explaining the effect of the Scheme on each class of shareholders, key managerial personnel, promoters and non-promoter shareholders of the Company laying out in particular the share exchange ratio and specifying any special valuation difficulties and the same is required to be circulated to the equity shareholders at the time of seeking their approval to the Scheme.
3. While deliberating on the Scheme, the Board, *inter-alia*, considered the following documents:
 - (a) A draft of the proposed Scheme;
 - (b) Valuation report dated June 13, 2024, as issued by Mr. Aapit Surendra Parikh, Registered Valuer, as the Independent Registered Valuer, recommending the fair Share Exchange Ratio for issue of shares of RRWL to the shareholders of GCPL, (other than Transferee Company) pursuant to the Scheme;
 - (c) Fairness Opinion dated June 13, 2024, issued by Horizon Management Private Limited, Independent Merchant Banker, registered with SEBI on the valuation report as issued by the Registered Valuers; and
 - (d) Other presentations, reports, documents and information pertaining to the draft Scheme made available or circulated to the Board.
4. The Scheme, amongst others, contemplates the following arrangements:
 - (a) Amalgamation of Transferor Company with and into the Transferee Company in the manner set out in Clause 4 of the Scheme;

- (b) in consideration of the amalgamation of the Transferor Company with and into the Transferee Company, the issuance of equity shares of the Transferee Company to all the shareholders of the Transferor Company (other than the Transferee Company) as per the Share Exchange Ratio, i.e. for every 1 (One) fully paid-up equity shares of face value of INR 10 (Indian Rupees Ten) each held by a member of the Transferor Company, 6 (Six) equity shares of the Transferee Company credited as fully paid-up equity shares of a face value of INR 5 (Indian Rupees Five) each will be issued;
- (c) the authorized share capital of the Transferor Company, as indicated in Clause 3 of the Scheme, viz. Rs. 2,00,00,000/- (Rupees Two Crores only) shall be deemed to be combined with the authorized share capital of the Transferee Company, without any further act, instrument or deed on the part of the Transferee Company including payment of stamp duty and fees payable to the ROC and the stamp duty and fees paid by the Transferor Company on its authorized share capital shall be set-off against any stamp duty and fees payable by the Transferee Company on any increase in the authorized share capital of the Transferee Company pursuant to the Scheme.
- (d) equity share capital held by the Transferee Company in the Transferor Company to the extent of 6,46,134 (Six Lakhs Forty-Six Thousand One Hundred and Thirty-Four) equity shares of face value INR 10 (Indian Rupees Ten) each shall stand cancelled; and
- (e) the dissolution of the Transferor Company, without being wound up.

5. Rationale of the Scheme:

The Transferor Company and the Transferee Company are part of the same management group viz. RR Global which is one of the leading conglomerates in the electrical & copper industry. The Transferee Company is the holding company of the Transferor Company holding 60% of the share capital of the Transferor Company. The Transferor Company is, inter alia, engaged in the business of manufacturing of Level Wound Coils (LWC), Pancake Coils (PCC), and Straight Copper tubes as well as seamless copper tubes. Thus, the commercial activities of both the companies are complimentary in nature.

As a result of recent government policies like imposition of Anti-subsidy Duty as well as introduction of Production Linked Incentive Scheme, it is anticipated that the manufacturing activity of Air Conditioners with demand of copper tubes has a very bright future. It has been realised by the Board of Directors of both the companies that the amalgamation of both these companies shall be immensely helpful under these circumstances and shall help to streamline the current organization structure as well as to realize commercial synergies and thereby achieve following objectives: -

- (i) The proposed amalgamation will offer an immense opportunity to consolidate the portfolio of products that are relevant to the industry under a single roof;
- (ii) The proposed amalgamation will facilitate better reach in terms of various customer base and will provide a stronger market position to the merged entity;

- (iii) The proposed amalgamation will result in operational synergies and efficiency for the merged entity. Accordingly, the Scheme would strengthen and complement the businesses of the companies;
- (iv) The Scheme would help in achieving synergies in business operations and streamlining the business activities for the companies, combining the following activities which would result in significant growth in business: – (i) material procurement, (ii) storage and dispatches; (iii) internal movement of materials; (iv) sharing of common utilities, (v) re-distribution of marketing portfolios thereby reducing marketing and travelling costs;
- (v) The Amalgamation of Transferor Company with the Transferee Company will result into enlarged combined assets base and will also provide an opportunity for the merged entity to leverage on such assets;
- (vi) Greater integration and greater financial strength and flexibility for the Transferee Company, which would result in maximizing overall shareholders value, and will improve the competitive position of the merged entity;
- (vii) The proposed amalgamation would help in enhancing the scale of operations, reduction in overheads, including administrative, statutory compliances, managerial and other expenditure, operational rationalization, organizational efficiency, and optimal utilization of resources by avoiding duplication of efforts; and
- (viii) Taking into consideration the above synergies, the merged entity would result in better profitability and EBITDA margins, and accordingly, the stronger financials will provide a better opportunity in terms of better trade credits, financial resources and in negotiations for prices and suppliers credit terms for the merged entity.

The proposed Amalgamation shall not be prejudicial to the interest of the shareholders and shall not have any adverse impact on creditors and other stakeholders of the Transferor and Transferee Company.

B. Effect of the Scheme on equity shareholders (promoter and non-promoter shareholders), Key Managerial Personnel, creditors, employees and Directors of the Company:

1. Effect on each class of shareholders (promoter and non-promoter shareholders):

- (i) Upon the Scheme coming into effect, all the shares of the Transferor Company held by the Transferee Company (either directly or through nominees) shall stand cancelled without any further application, act or deed. Further, the equity shareholders of the Transferor Company (other than the Transferee Company) will be issued fully paid-up equity shares of the Transferee Company in accordance with the share exchange ratio specified in the Valuation Report and the Fairness Opinion.
- (ii) The Valuation Report and the Fairness Opinion Report provide adequate protection to the equity shareholders in the proposed Scheme as the share exchange ratio reflects the fair market value of the shares of the Transferor Company and the Transferee Company as on the date of the Valuation Report. Accordingly, value of the shares held by all the shareholders of the Transferor Company will reflect in their shareholding in the Transferee Company.
- (iii) The Scheme would not have any effect on the shareholders of the Company.

2. Effect on the KMPs and Directors of the Company:

- (i) The Scheme would not have any effect on the KMP's and Directors of the Company.
- (ii) The KMPs and Directors of the Company and their respective relatives may be deemed to be concerned and / or interested in the Scheme only to the extent of their shareholding in the Company (if any), or to the extent the said KMPs / Directors are the, directors, members of the companies, firms, association of persons, body corporates and / or beneficiary of the trust that holds shares in the Company, as applicable.

3. Effect on the creditors:

Under the Scheme, there is no arrangement with the creditors (secured or unsecured) of the Company. No compromise is offered under the Scheme to any of the creditors of the Company. The liability of the creditors of the Company, under the Scheme, is neither being reduced nor being extinguished. The creditors of the Company would in no way be affected adversely by the Scheme.

4. Effect on staff or employees:

On the Scheme becoming effective, all the employees of the Company, if any, who are in service as on the Effective Date, shall become the employees of the Transferee Company without any break or interruption of service and with the benefit of continuity of service on terms and conditions which are not less favourable than the terms and conditions than those on which they are engaged by the Transferor Company immediately preceding the Effective Date.

The Scheme will have no effect on the existing employees of the Company.

5. Debenture holders, Debenture Trustees, Depositors and Deposit Trustees

The Transferor Company has neither issued any debentures nor taken any public deposits. Hence, there are no debenture holders, debenture trustees, depositors and deposit trustees.

(j) Conclusion

While deliberating the Scheme, the Board has considered its impact on each of the shareholders (promoters and non-promoter shareholders), key managerial personnel, directors, creditors and employees. The Scheme is in the best interest of the shareholders (promoters and non-promoter shareholders), key managerial personnel, directors, creditors and employees of the Company and there shall be no prejudice caused to them in any manner by the Scheme.

The proposed Amalgamation shall not be prejudicial to the interest of the shareholders and shall not have any adverse impact on creditors and other stakeholders of the Transferor and Transferee Company.

B. Effect of the Scheme on equity shareholders (promoter and non-promoter shareholders), Key Managerial Personnel, creditors, employees and Directors of the Company:

1. Effect on each class of shareholders (promoter and non-promoter shareholders):

- (i) Upon the Scheme coming into effect, all the shares of the Transferor Company held by the Transferee Company (either directly or through nominees) shall stand cancelled without any further application, act or deed. Further, the equity shareholders of the Transferor Company (other than the Transferee Company) will be issued fully paid-up equity shares of the Transferee Company in accordance with the share exchange ratio specified in the Valuation Report and the Fairness Opinion.
- (ii) The Valuation Report and the Fairness Opinion Report provide adequate protection to the equity shareholders in the proposed Scheme as the share exchange ratio reflects the fair market value of the shares of the Transferor Company and the Transferee Company as on the date of the Valuation Report. Accordingly, value of the shares held by all the shareholders of the Transferor Company will reflect in their shareholding in the Transferee Company.

2. Effect on the KMPs and Directors of the Company:

The directors or KMPs of the Transferor Company or their relatives do not have any interest in the Scheme, financially or otherwise, except as shareholders or directors or employees of the Transferor Company, where applicable. The interests of the directors and KMPs of the Transferor Company are not adversely affected on account of the Scheme.

3. Effect on the creditors:

- (i) Under the Scheme, no arrangement or compromise is being proposed with the creditors (secured or unsecured) of the Transferor Company and the Transferee Company. The liability of the creditors of the Transferor Company and the Transferee Company, under the Scheme, is neither being reduced nor being extinguished.

4. Effect on staff or employees:

- (i) On the Scheme becoming effective, all the employees of Transferor Company, if any, who are in service as on the Effective Date, shall become the employees of the Transferee Company without any break or interruption of service and with the benefit of continuity of service on terms and conditions which are not less favourable than the terms and conditions than those on which they are engaged by the Transferor Company immediately preceding the Effective Date.
- (ii) The Scheme will have no effect on the existing employees of the Transferee Company.

5. Debenture holders, Debenture Trustees, Depositors and Deposit Trustees

The Company and the Transferor Company have neither issued any debentures nor taken any public deposits. Hence, there are no debenture holders, debenture trustees, depositors and deposit trustees.

C. Conclusion

While deliberating the Scheme, the Board has considered its impact on each of the shareholders, (promoters and non-promoter shareholders), key managerial personnel, directors, creditors and employees. 1. Background of the Proposed Scheme of Amalgamation:

- 1.1. The Committee members noted that in its meeting held on 8th February, 2023 the Committee after considering the valuation report received from the appointed registered valuer and fairness opinion received from Securities Exchange Board of India ('SEBI') registered Merchant Banker and after recording the rationale, benefits and impact of the Scheme of Amalgamation of Global Copper Private Limited ("Transferor Company") with and into Ram Ratna Wires Limited ("Transferee Company" or "Company") and their respective shareholders ('the Scheme') along with noting that the Scheme was not detrimental to the interest of the shareholders of the Company had recommended the draft scheme to the Board of Directors for their consideration.
- 1.2. Post the approval of the Board of directors, the Scheme was filed with SEBI and Stock Exchanges (BSE and NSE) for their approval. Based on inputs from SEBI and considering lapse of considerable amount of time, BSE directed the Company to file a fresh merger application along with all documents including Valuation Report, Fairness Opinion, Certificates and necessary approvals from the Board and audit committee.
- 1.3. In light of the above, meeting of the Audit Committee of Ram Ratna Wires Limited, was held on 13th June, 2024 to consider and recommend to the Board of Directors of the Company (the "Board"), the proposed updated Scheme of Amalgamation of Global Copper Private Limited ("Transferor Company" or "GCPL") with and into Ram Ratna Wires Limited ("Transferee Company" or the "Company") and their respective

shareholders ("the Scheme") which provides for the amalgamation of GCPL with and into the Company under Sections 230 to 232 and other applicable provisions of the Companies Act, 2013 ("the Act").

- 1.4. GCPL is a company engaged in the business of manufacturing and dealing of Copper Seamless Tubes, Level Wound Coils (LWC), Pancake Coils (PCC), Straight Copper tubes etc.
- 1.5. The Scheme involves the amalgamation of GCPL into the Company in consideration of the Company issuing equity shares to the shareholders (other than the Company) of GCPL, the consequent dissolution of GCPL without winding up and various other matters consequential or integrally connected therewith with effect from the Appointed Date, as defined in the Scheme.
- 1.6. Equity shares of the Company issued and allotted pursuant to the Scheme shall be credited as fully paid up, free from any and all encumbrances and shall be subject to the provisions of the Memorandum and Articles of Association of the Company and shall rank pari passu in all respects and have the same rights as attached to the then existing equity shares of the Company.
- 1.7. The Scheme will be filed with the National Company Law Tribunal ("NCLT"), Mumbai Bench, under Sections 230 to 232 and other applicable provisions of the Act, and the rules and regulations issued thereunder and also read with Sections 2(1B) and other applicable provisions of the Income-tax Act, 1961, as amended from time to time.
- 1.8. In terms of Master Circular no. SEBI/HO/CFD/POD-2/P/CIR/2023/93 dated 20 June 2023 ("SEBI Circular"), issued by the Securities and Exchange Board of India ("the SEBI"), a report from the Audit Committee of the Company is required recommending the draft Scheme, taking into consideration, inter alia, the Valuation Report, commenting on the need for the Scheme, rationale of the Scheme, synergies of business of the entities involved, impact of the Scheme on the shareholders and cost benefit analysis of the Scheme. This report of the Audit Committee is made in order to comply with the requirements of the SEBI Circular.
- 1.9. The Scheme is subject to receipt of approvals of Board of Directors, Shareholders and Creditors of the Transferor Company and the Transferee Company and approval, permissions and sanctions of regulatory and other statutory or governmental authorities as may be required, including those of the BSE Limited, National Stock Exchange of India Limited, SEBI and the NCLT.

Act read with the applicable rules issued thereunder and as amended from time to time.

4. Need / Rationale / Objective / Synergies of the Scheme:

- 4.1. The Transferor Company is a subsidiary of the Transferee Company and forms part of the same group. The Transferee Company owns 60% of the total Issued and paid-up share capital of the Transferor Company.
- 4.2. As a result of recent government policies like imposition of anti-subsidy duties as well as introduction of Production Linked Incentives, it is anticipated that the manufacturing activity of air conditioners with demand of copper tubes has a very bright future. The amalgamation of the Transferor Company and the Transferee Company shall be immensely helpful under these circumstances and shall help to streamline the current organization structure as well as to realize commercial synergies.
- 4.3. Through the Scheme, it is proposed to integrate the businesses of the Transferor Company and the Transferee Company to achieve synergies and following benefits:
 - a) The proposed amalgamation will offer an immense opportunity to consolidate the product portfolio that are relevant to the industry under a single roof;
 - b) The proposed amalgamation will facilitate better reach in terms of various customer base and will provide a stronger market position to the merged entity;
 - c) The proposed amalgamation will result in operational synergies and efficiency for the merged entity. Accordingly, the Scheme would strengthen and complement the businesses of the Transferor Company and the Transferee Company;
 - d) The Scheme would help in achieving synergies in business operations and streamlining the business activities for the companies, combining various activities, such as material procurement, storage and dispatches, sharing of common utilities, which would result in significant growth in business;
 - e) The Amalgamation of Transferor Company with the Transferee Company will result into enlarged combined assets base and will also provide an opportunity for the merged entity to leverage on such assets;
 - f) Greater integration and greater financial strength and flexibility for the Transferee Company, which would result in maximizing overall shareholders value, and will improve the competitive position of the merged entity;
 - g) The proposed amalgamation would help in enhancing the scale of operations, reduction in overheads, including administrative, statutory compliances,

- managerial and other expenditure, operational rationalization, organizational efficiency, optimal utilization of resources by avoiding duplication of efforts; and
- h) Taking into consideration the above synergies, the merged entity would result in better profitability and EBITDA margins, and accordingly, the stronger financials will provide a better opportunity in terms of better trade credits, financial resources and in negotiations for prices and suppliers credit terms for the merged entity.

4.4. The amalgamation is in the interest of both the companies, their respective shareholders, creditors, and all other stakeholders and is not prejudicial to the interests of the concerned shareholders, creditors or the public at large.

5. Impact of Scheme on the Shareholders:

- 5.1. The Audit Committee discussed the salient features, rationale and expected benefits of the Scheme. The Committee noted that the proposed Scheme is not detrimental to the interest of the shareholders on account of benefits as enumerated above and that the Scheme will enhance the value of the merged entity and overall shareholder value.
- 5.2. The Audit Committee noted that upon coming into effect of the Scheme, the Transferee Company shall without any further application, act, Instrument or deed, Issue and allot to each shareholder of the Transferor Company (except the Transferee Company) whose name is recorded in the register of members of the Transferor Company on the Record Date, 6 (Six) fully paid equity shares of Rs.5/- (Rupees Five only) each of the Transferee Company for every 1 (One) fully paid equity shares of Rs.10/- (Rupees Ten only) each held by the shareholders (except the Transferee Company) in the Transferor Company.”
- 5.3. The Audit Committee also discussed at length the impact of the issuance of the new equity shares of the Transferee Company to the shareholders (except the Transferee Company) of the Transferor Company, and after due deliberations, concluded that the issuance of the new equity shares in terms of the Scheme will have no significant impact on the shareholders of the Transferee Company.

6. COST BENEFIT ANALYSIS OF THE SCHEME:

Although the Scheme would lead to incurring of some costs towards its implementation, however, the benefits of the Scheme over a longer period would far outweigh such costs for the stakeholders of the Company and lead to operational efficiency and cost savings through rationalization / consolidation of support functions and business processes.

7. RECOMMENDATION OF THE AUDIT COMMITTEE

The Audit Committee after due deliberations and detailed discussions, and, inter alia, taking into consideration the draft Scheme, Valuation Report, Fairness Opinion and certificates issued by the Statutory Auditors of the Company, have noted the rationale, benefits and the impact of the Scheme on shareholders and others concerned, and accordingly hereby recommends the Scheme to the Board of Directors of the Company for its consideration, approval and for favourable consideration by BSE Limited, National Stock Exchange of India Limited, SEBI and other appropriate authorities.

Business Strategy:

The Company desires to strengthen its position in the Indian Heating, ventilation, and air conditioning (HVAC) market for which it aims to leverage the capabilities of its new plant to cater specifically to Tier-3 customers, addressing their unique requirements and expanding the market presence of the Company. The existing plant of the Company is already approved by all major AC brands, hence, it will strategically focus on securing similar approvals for the new plant to align with industry standards and enhance trust within the ACR (Air Conditioning and Refrigeration) network.

During lean seasons, the business strategy of GCPL includes a focused expansion into the heat exchanger and export markets, unlocking additional growth opportunities. To mitigate the impact of seasonality, it has been planned to diversify the operations of the Company by engaging in government projects, ensuring a steady revenue stream and sustainable business growth. This comprehensive approach will solidify GCPL's market leadership while driving long-term profitability for RR Shramik's copper tube business.

OBJECTS OF THE SCHEME

Both the companies under the Scheme are part of the same management group viz. RR Global which is one of the leading conglomerates in the electrical & copper industry. RRWL, the Transferee Company is one of the leading manufacturers of super enamelled copper wires in India. It is the holding company of the Transferor Company, holding 60% of the share capital of the Transferor Company. GCPL, the Transferor Company, is India's leading manufacturer of Level Wound Coils (LWC), Pancake Coils (PCC), and Straight Copper tubes as well as seamless copper tubes. Thus, the commercial activities of both the companies are complimentary in nature.

As a result of recent government policies like imposition of Antisubsidy Duty as well as introduction of Production Linked Incentive Scheme, it is anticipated that the manufacturing activity of Air Conditioners with demand of copper tubes has a very bright future. The companies believe that the amalgamation shall be immensely helpful under these circumstances and shall help to streamline the current organization structure as well as to realize commercial synergies.

The scheme *inter alia*, has the following benefits:

- (a) The proposed amalgamation will offer an immense opportunity to consolidate the portfolio of products that are relevant to the industry under a single roof;
- (b) The proposed amalgamation will facilitate better reach in terms of various customer base and will provide a stronger market position to the merged entity;
- (c) The proposed amalgamation will result in operational synergies and efficiency for the merged entity. Accordingly, the Scheme would strengthen and complement the businesses of the companies;
- (d) The Scheme would help in achieving synergies in business operations and streamlining the business activities for the companies, combining the following activities which would result in significant growth in business: –
 - a. material procurement;
 - b. storage and dispatches;
 - c. internal movement of materials;
 - d. sharing of common utilities;
 - e. re-distribution of marketing portfolios thereby reducing marketing and travelling costs;
- (e) The Amalgamation of Transferor Company with the Transferee Company will result into enlarged combined assets base and will also provide an opportunity for the merged entity to leverage on such assets;

- (f) Greater integration and greater financial strength and flexibility for the Transferee Company, which would result in maximizing overall shareholders value, and will improve the competitive position of the merged entity;
- (g) The proposed amalgamation would help in enhancing the scale of operations, reduction in overheads, including administrative, statutory compliances, managerial and other expenditure, operational rationalization, organizational efficiency, and optimal utilization of resources by avoiding duplication of efforts; and
- (h) Taking into consideration the above synergies, the merged entity would result in better profitability and EBITDA margins, and accordingly, the stronger financials will provide a better opportunity in terms of better trade credits, financial resources and in negotiations for prices and suppliers credit terms for the merged entity.

For further details, please refer to the Scheme.

INTERNAL RISK FACTORS

The Internal Risk Factors as identified by the Company are below:

1. Delay in obtaining regulatory approvals, environmental approvals and non-compliances may adversely affect the operational activities. Also, changes in Government policies in terms of technology, statutory compliances, environmental norms etc. impact the sustainability / continuity of the business and leads to increase in the cost of operations.
2. A downgrade in our credit ratings could adversely affect our business and financial condition and our ability to raise capital in the future as the Company has substantial borrowings.
3. Any shortages, delay in disruption in the supply of the raw materials may have a material adverse effect on business, financial condition, results of operations and cash flows.
4. Inability to maintain the stability of distribution network in India across distribution channels and attract additional distributors, dealers and retailers may have a material adverse effect on operations and financial condition.
5. Failure to maintain optimum inventory levels could adversely affect business, financial condition, results of operation and cash flow.

6. Failure or disruption of information technology systems may adversely affect business, financial condition, results of operations, cash flows and prospects.
7. The Scheme is subject to the conditions / approvals as envisaged under the Scheme and any failure to receive such approvals will result in non-implementation of the Scheme and may adversely affect the shareholders.

Auditor's Responsibility

5. Pursuant to the requirements of Regulation 37 of SEBI LODR and the checklists of the Stock Exchanges, it is our responsibility to provide limited assurance as to whether: -
 - (i) the amounts in the Statement have been accurately extracted from the audited financial statements of RRWL and GCPL for the year ended 31st March, 2024 ("Audited Financial Statements");
 - (ii) the computation of disclosures in the Statement is arithmetically correct; and
 - (iii) the computation of Net worth in the Statement is in accordance with the method of computation set out in Regulation 2(s) of SEBI LODR read along with section 2 (57) of the Act; and
 - (iv) the computation of Assets, Liabilities, Revenue and Net worth pre-amalgamation and provisional post-amalgamation is in accordance with the accounting treatments provided in the Scheme.
6. We conducted our verification in accordance with the Guidance Note on Reports or Certificates for Special Purposes issued by the Institute of Chartered Accountants of India, which includes the concept of test checks and materiality. The Guidance Note

requires that the ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India are complied.

7. We have complied with the relevant applicable requirements of Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and other Assurance and Related Services Engagement.
8. We have performed the following procedures in relation to the Statement:
 - (i) agreed the amounts in the Statement, to the Audited Financial Statements, as referred to in paragraph 5 above;
 - (ii) verified the arithmetical accuracy of the Statement, as referred to in paragraph 5 above;
 - (iii) considered the Scheme and other relevant provisions of the Act and rules made thereunder and observed that the net assets, liabilities and reserves to be transferred under the Scheme are calculated in accordance with the Scheme; and
 - (iv) Obtained necessary representations from the management.

Opinion

9. Based on our examination of the Audited Financial Statements, the Scheme, documents and relevant records produced and according to the information and explanations given to us and the representations provided by the management, we report that:
 - (i) the amounts in the Statement have been accurately extracted from the Audited Financial Statements;
 - (ii) the computation of Assets, Liabilities, Revenue and Net worth pre-amalgamation and provisional post-amalgamation in the Statement is arithmetically correct; and
 - (iii) the computation in the Statement is in accordance with the method of computation set out in Regulation 2(s) of SEBI LODR read along with Section 2(57) of the Act.

Restriction on Use

10. This certificate is issued at the request of the Company pursuant to the requirements of SEBI LODR, Section 230 to 232 of the Act and relevant circulars and rules thereunder for onward submission by the Company to Securities and Exchange Board of India, BSE Limited, National Stock Exchange of India Limited, National Company Law Tribunal, Regional Director and Registrar of Companies and such other statutory or regulatory authorities as may be required in connection with Scheme. This Certificate should not be used for any other purpose or to be distributed to any other party without our prior written consent. Sub : Relevant Computations to my valuation report dated 13th June 2024 on recommendation of Fair Equity Share Exchange Ratio for the purpose of the Proposed Merger of Global Copper Private Limited (“GCPL”) into Ram Ratna Wires Limited (“RRWL”) (hereinafter RRWL and GCPL jointly referred to as the “Companies”)

Dear Sir,

This is with reference to my Valuation Report dated 13th June 2024 (“Report”) and your email dated 05th June 2024 regarding the submission of details to Stock Exchanges while filing of Scheme in relation to my Report.

As desired by you, I herein provide you the relevant working(s) under different approaches based on which Fair Equity Share Exchange Ratio was arrived. Further hereby provide the replies to queries/ data requirement requested by yourself as per the email dated 5th June 2024:

1. Valuation report from Registered Valuer, along with workings, as applicable, as per Para (A)(4) of Part I of SEBI Master Circular no. SEBI/HO/CFD/POD-2/P/CIR/2023/93 dated June 20, 2023 [“SEBI Master Circular”]. The valuation report shall be as per the format given in Annexure II. *Refer Section 1 of this Letter for my response.*
2. List of comparable companies considered for comparable companies’ multiple method, if the same method is used in valuation. *Refer Section 2 of this Letter for my response.*
3. Detailed rationale for arriving at the swap ratio for issuance of shares as proposed in the draft scheme of arrangement by the Board of Directors of the listed company. *Refer Section 3 of this Letter for my response.*
4. If the Income Approach method used in the Valuation, Revenue, PAT and EBIDTA (in value and percentage terms) details of entities involved in the scheme for all the number of years considered for valuation. Reasons justifying the EBIDTA/PAT margin considered in the valuation report. *Refer Section 4 of this Letter for my response.*
5. Confirmation that the valuation done in the scheme is in accordance with applicable valuation standards. *Refer Section 5 of this Letter for my response.*

The enclosed workings needs to be viewed in conjunction with the Report dated 13th June 2024 and the documents referred to in the Report and is subject to the scope, exclusions, limitations and disclaimers detailed in the Report.

As set out in the Report, the recommendation of the Fair Equity Share Exchange Ratio was arrived on the basis of a relative valuation of equity shares of RRWL and GCPL, which was based on the various approaches / methods detailed in the Report considering the information base, management representations, key underlying assumptions and limitations as referred to in the Report.

I trust the above meets your requirements.

Yours faithfully,

Section 3.2: Purpose and Scope of Valuation

3.2 Purpose and Scope of Valuation

Purpose and Scope of Valuation

- I understand that the management of the Companies are contemplating the merger of GCPL into RRWL on a going concern basis with effect from 1st April 2024 ("Appointed date or Effective Date"), pursuant to a Scheme of Amalgamation under the provisions of Sections 230 to 232 of the Companies Act, 2013 and other relevant provisions of the Companies Act, 2013, along with the applicable provisions of Securities and exchange Board of India ("SEBI"), if any (the "Proposed Merger"). In consideration thereof, equity shareholders of GCPL would be issued equity shares of RRWL in lieu of their shareholding in GCPL.
- It is in this connection, the Companies have requested me to render my professional services by way of carrying out a relative valuation of RRWL & GCPL and submit a report recommending the Fair Equity Share Exchange Ratio for the Proposed Merger, on a going concern basis with 12th June 2024 being the valuation date, (the "Services") for the consideration of the Board of Directors / Audit Committee / Committee of Independent Directors of the RRWL in accordance with the applicable Securities and Exchange Board of India ("SEBI"), the relevant stock exchanges, and relevant laws, rules and regulations. To the extent mandatorily required under applicable laws of India, this Report may be produced before the judicial, regulatory or government authorities, stock exchanges, shareholders in connection with the Proposed Merger.
- The scope of my Services is to undertake a relative (and not absolute) valuation of the equity shares of the Companies and recommend a Fair Equity Share Exchange Ratio for the Proposed Merger in accordance with generally accepted professional standards.

Section 3.3: Sources of Information

3.3 Sources of Information

I have relied on the following sources of information and documents as provided to me by the respective management of RRWL and GCPL:

- Salient features of the Proposed Merger and its Draft Scheme of Amalgamation;
- Audited Financial Statements (Including Annual Reports of RRWL) for the year ended 31st March 2023 and earlier periods of the Companies;
- Audited Financial Statements for the year ended 31st March 2024 of the Companies;
- Financial Projections of the Companies from FY 2025 to FY 2029;
- Management Representation Letter by the Companies dated 12th June 2024;
- Other relevant publicly available data;
- Discussion with the Managements of the Companies in connection with the operations of the respective Companies / subsidiaries, past and present activities, future plans and prospects, details of the Investments, share capital and shareholding pattern of the Companies;
- Other relevant information and documents for the purpose of this Valuation.

I have also obtained the explanations, information and representations, which I believed were reasonably necessary and relevant for my exercise from the Managements. The Companies have been provided with the opportunity to review the draft report (without the recommended Fair Equity Share Exchange Ratio) for this Valuation to make sure that factual inaccuracies / omissions are avoided in my final report.

Section 3.4: Valuation Approach & Methodologies

3.4 Valuation Approach & Methodologies

Arriving at the Fair Equity Share Exchange Ratio for the purpose of the Proposed Merger, would require determining the relative values of each company involved and of their shares. These values are to be determined independently but on a relative basis, and without considering the effect of the Merger.

The Report has been prepared on the basis of "Fair Value" as at Valuation Date. The generally accepted definition of "Fair Value" is the value as applied between a hypothetical willing vendor and a hypothetical willing prudent buyer in an open market and with access to all relevant information.

The report has adopted "Going Concern Value" as the premise of value in the given circumstances. The generally accepted definition of Going Concern value is the value of a business enterprise that is expected to continue to operate in the future.

For the purpose of valuation, it is necessary to select an appropriate basis of valuation amongst the various valuation techniques. It is universally recognized that valuation is not an exact science and that estimating values necessarily involves selecting a method or approach that is suitable for the purpose. The application of any particular method of valuation depends upon various factors including the size of company, nature of its business and purpose of valuation. Further, the concept of valuation is all about the price at which a transaction takes place i.e., the price at which seller is willing to sell and buyer is willing to buy. Accordingly, a fair and reasonable approach for valuing the shares of the company is to use a combination of relevant and applicable valuation methods.

The Three main valuation approaches are the Market Approach, Income Approach and Asset approach. There are several commonly used and accepted methods within the market approach, income approach and asset approach for determining the relative fair value of equity shares a company, which can be considered in the present valuation exercise, to the extent relevant and applicable, to arrive at the Fair Share Exchange Ratio for the purpose of the Proposed Merger, such as:

- Asset Approach- Net Asset Value (NAV) Method
- Income Approach- Discount Cash Flow (DCF) Method.
- Market Approach- Market Price Method; Comparable Companies Multiples (CCM) Method

3.4 Valuation Approach & Methodologies

Asset Approach – Net Asset Value (NAV) method

Under NAV method, total value of the business is based either on net asset value or realizable value or replacement cost basis. NAV methodology is most applicable for the business where the value lies in the underlying assets and not the ongoing operations of the business. NAV method does not capture the future earning capacity of the business.

The valuation is undertaken with going concern assumption and I do not contemplate an actual sale realization of the individual assets. Hence, I have not considered NAV method for the said valuation purpose as both RRWL and GCPL are operating businesses and I understand that historical book value does not reflect intrinsic value of their businesses. I have therefore not considered NAV method for the said valuation. I have however considered the NAV for information purposes only.

Income Approach – Discounted Cash Flows (DCF) method

Under the Income Approach, business is valued by converting maintainable or future amount of cash flows to a single current amount either through discounting or capitalization. DCF Method seeks to arrive at the value of the business based on its future cash flows generating capability and the risks associated with the said cash flows. Free cash flows to the firm (“FCFF”) represents the cash available for distribution to both the owners and the creditors of the business. Risk-adjusted discount rate or Weighted Average Cost of Capital (“WACC”) is applied to free cash flows in the explicit period and that in perpetuity. Adjustments pertaining to debt, surplus/non-operating assets including investments, cash & bank balance and contingent assets/liabilities and other liabilities, as relevant, are required to be made in order to arrive at the value for equity shareholders. The total value for the equity shareholders so arrived is then to be divided by the number of equity shares to arrive at the value per equity share of the company.

For the purpose of DCF valuation, the free cash flow forecast is based on projected financials as provided by the Management of the Companies. Given the nature of the businesses of the Companies and the fact that RRWL and GCPL have provided their projected financials, I have considered it appropriate to apply the DCF Method under the Income Approach to arrive at the relative fair value of the shares of the Companies for the purpose of arriving at the Fair Equity Share Exchange Ratio.

3.4 Valuation Approach & Methodologies

Market Approach – Market Price method

Under the Market Price method, the market price of an equity share as quoted on a recognized Stock Exchange is normally considered as the value of the equity shares of that company, where such quotations are arising from the shares being regularly and frequently traded. Generally, market value is reflective of the investors' perception about the actual worth of the company. However, in certain situations, the value of the share as quoted on the stock market would not be regarded as a proper index of the fair value of the share especially where the market values are fluctuating in a volatile capital market.

In terms of Regulation 164 (1) of Part IV of Chapter V of the SEBI ICDR Regulations, if the equity shares of the issuer have been listed on a recognized stock exchange for a period of 90 days or more as on the relevant date, the price of the equity shares to be allotted pursuant to the issue shall be not less than higher of the following:

The 90 trading days volume weighted average price of the related equity shares quoted on the recognized stock exchange preceding the relevant date.
The 10 trading days volume weighted average price of the related equity shares quoted on the recognized stock exchange preceding the relevant date.

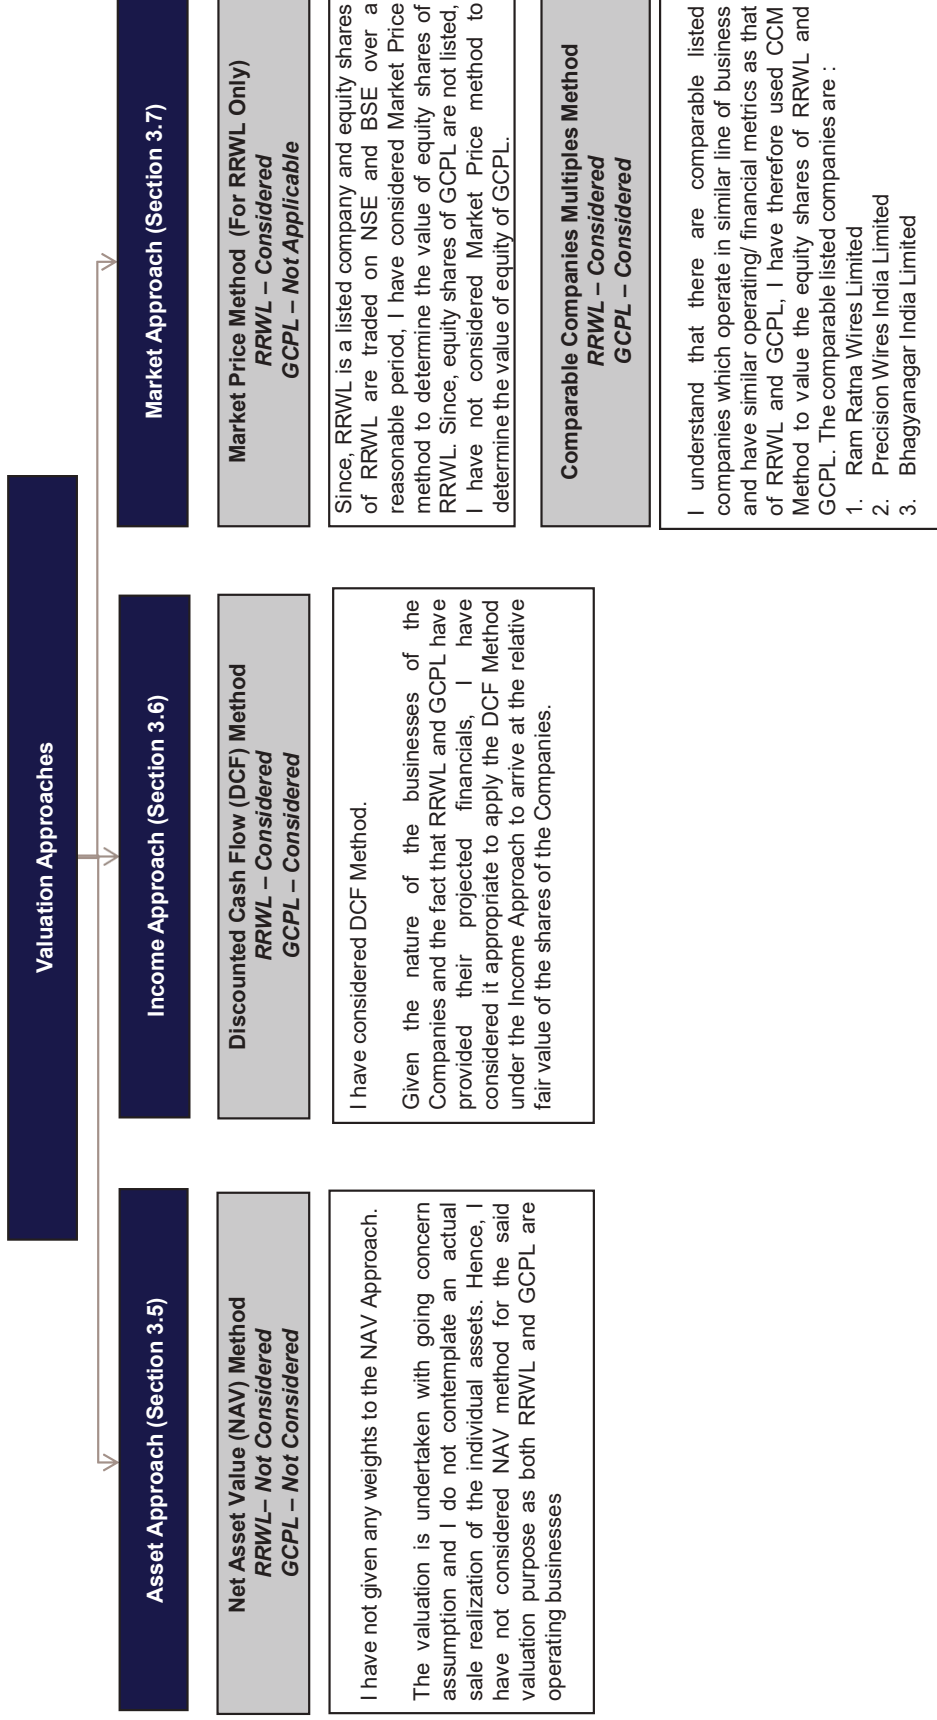

Since, RRWL is a listed company and equity shares of RRWL are traded on NSE and BSE over a reasonable period, I have considered Market Price method to determine the value of equity shares of RRWL. I have considered the stock prices of RRWL from NSE for calculating the fair market value of equity shares of RRWL considering the volumes traded on NSE is higher than that in BSE. Since, equity shares of GCPL are not listed, I have not considered Market Price method to determine the value of equity of GCPL.

Market Approach – Comparable Companies' Multiple (CCM) method

Under CCM Method, the value of shares of the subject company is determined on the basis of multiples derived from valuations of comparable companies. Relevant multiples need to be chosen carefully and adjusted for differences between the circumstances. The Comparable Companies' Multiple Method arrives at the value of the company by using multiples derived from valuations of comparable companies, as manifest through stock market valuations of listed companies. This valuation is based on the principle that market valuations, taking place between informed buyers and informed sellers, incorporate all factors relevant to valuation. Relevant multiples need to be chosen carefully and adjusted for differences, such as growth potential, past track record, size, company dynamics, etc.

Based on my analysis and discussion with the Management, I understand that there are comparable listed companies which operate in similar line of business and have similar operating/ financial metrics as that of RRWL and GCPL, I have therefore used CCM Method to value the equity shares of RRWL and GCPL.

1. Provide following clarifications/ documents in respect of valuation:

- a. What is the reason for assuming such a high growth rate of 29% in sales for FY 2025 while valuing RRWL. Provide data w.r.t. sales figure achieved till August 31, 2024 certified by CA and details of pending order book, if any, to support such a high growth rate;

Response:

Following are the key reasons for increase in the Revenue of RRWL for FY 2025:

- a) Among all other factors, the selling price per KG of copper products is expected to increase by 18% in FY 2025.
- b) The balance increase is on account of increase in volumes which is approximately 11%.

Particulars	FY 24	FY 25	FY 26
Revenue (INR Mn)	26,151	33,809	36,574
% increase		29%	8%

- b. What is the reason for assuming such a high growth rate of 45% and 20% in sales for FY 2025 and 2026 respectively while valuing GCPL. Provide data w.r.t. sales figure achieved till August 31, 2024 certified by CA and details of pending order book, if any, to support such a high growth rate;

Response:

Following table provides key reasons for increase in Revenue and Capacity from FY 2024 to FY 2026:

GCPL	FY 24 A	FY 25E	FY 26E
Revenue (INR Mn)	3,440	4,982	5,970
% increase		45%	20%
Capacity in Kgs	60,90,000	84,00,000	84,00,000
% increase		38%	0%

Following are the key reasons for increase in the Revenue for FY 2025 and FY 2026:

- a) Increase in capacity as disclosed in the above table and the resultant increase in sales volumes in FY 2025.
- b) Increase in Sales price for FY 2025 by ~20%.
- c) Increase in Capacity utilization and the resultant increase in sales volume in FY 2026.

Following table represents Revenue for FY 2025:

Sales (INR Mn.)	Actual sales Apr24- Aug24*	Proportionate 1 month	Annualised FY 25	FY 25 projected
RRWL	13,115	2,623	31,476	33,809
% change			20%	29%
GCPL	2,101	420	5,042	4,982
% change			47%	45%

* Actual sales till august 24 is as per the CA certified turnover certificate for RRWL and GCPL.

As shown in the table above, RRWL's actual sales from March 24 to actual annualised FY 25(considering august actual numbers) grew by approximately 20%, compared to the projected growth of 29%. While this represents a slight deviation from the forecast, overall performance remains largely consistent with expectations. The variance is primarily driven by pricing factors, as the company had forecasted a proportionate sales volume of approximately 15,600 MT by August 2024, while the actual sales volume is 3% lower for the same period.

CA RV Arpit Surendra Parikh
Registered Valuer – Securities or Financial Assets
IBBI Registration No - IBBI/RV/07/2023/15379

GCPL on the other hand achieved a growth rate of 47% from March 24 to actual annualised FY 25 (considering august actual numbers), surpassing the projected growth of around 45%. This result demonstrates that GCPL performed as anticipated, with a positive variance from the forecast.

Upon comparing the sales of RRWL and GCPL for the first two quarters with historical trends, it was observed that RRWL's sales up to September typically account for approximately 50% of total annual sales. In FY 2025, sales up to September represented around 47% of the annual total, which is largely consistent with historical performance. For GCPL, sales up to September have historically accounted for approximately 45% of annual sales, while for FY 2025, sales up to September account for 51% of the projected annual sales, indicating a slight improvement.

The following table represents the historical trend considering sales upto September and annual sales for historical period:

RRWL (INR Mn.)	FY 22	FY 23	FY 24	Aug-24	Proportionate Sept 24
Actual Sales till Sept	9,335	11,584	13,204	13,115	15,738
Total Sales	20,126	23,282	26,151	33,809	33,809
% achieved	46%	50%	50%	41%	47%

GCPL (INR Mn.)	FY 22	FY 23	FY 24	Aug-24	Proportionate Sept 24
Actual Sales till Sept	1,173	1,491	1,482	2,101	2,521
Total Sales	2,813	3,058	3,440	4,982	4,982
% achieved	42%	49%	43%	42%	51%

Reasons/factors for choosing Precision Wires India Limited and Bhagyangar India Limited as comparable companies among huge gamut of companies:

CA RV Arpit Surendra Parikh
Registered Valuer – Securities or Financial Assets
IBBI Registration No - IBBI/RV/07/2023/15379

Response:

In identifying appropriate comparable companies, a wide range of listed companies were considered operating within the minerals/metals industry.

The following table summarises the reasons for excluding the same:

Company name	Reason for Exclusion
Hindustan Zinc	Primarily involved in zinc, lead, and silver mining, with minimal or no direct involvement in the production of copper wires or similar downstream products.
Hindustan Copper	While engaged in copper mining, its operations focus on the extraction and primary processing of copper, not in the production of finished copper products like wires and cables.
Coal India	A state-owned entity focused on coal mining and distribution, with no direct exposure to the copper wire industry or related downstream products.
Vedanta	While Vedanta is a diversified player with some exposure to copper (through its Sterlite Copper unit), its overall business model is heavily focused on mining and metals extraction. It is involved in large-scale mining activities that do not align with the manufacturing processes of RRWL.
Finolex cables, KEI, Polycab	Finolex Cables, KEI, and Polycab produce a wide range of products beyond wires, such as fiber optic cables, switches, lighting solutions, and other electrical accessories. These diverse operations reduce their comparability to RRWL's more specialized focus on copper-based winding wires.
DP Wires	D P Wires primarily focuses on the production of steel wires, including steel ropes, spring wires, and galvanized steel products, which are widely used in sectors like construction, infrastructure, and agriculture. The core raw material for D P Wires is steel, whereas copper is the primary raw material for RRWL. The pricing mechanisms, supply chain dynamics, and commodity risk exposures of these materials are vastly different,

The following are the reasons for including the companies listed below:

Company name	Reason for Inclusion
Precision Wires India Limited	Precision Wires India Limited is a leader in the production of enamelled copper wires, serving key industries such as electrical, automotive, and consumer durables. Precision Wires has a similar operational scale, primarily focused on copper wires for industrial applications. Its production processes, raw material usage, and customer base similar to RRWL and GCPL.
Bhagyanagar	Bhagyanagar India Limited operates in the copper segment, including manufacturing copper rods and wires, and thus provides comparability in terms of product and raw material utilization. Bhagyanagar India engages in both copper wires and rods, which complements the product mix of RRWL and GCPL, and serves as a relevant comparison for evaluating operations that span the entire copper product supply chain.

By selecting Bhagyanagar India Limited and Precision Wires India Limited, we ensured a closer alignment in terms of business models, operational scale, and financial performance, which allows for a more accurate and reliable valuation in determining the swap ratio.

- 2. Furthermore, how is the swap ratio of 6:1 justified in light of the fact that the net worth of GCPL is just INR 39 crore vis-à-vis 432 crore of RRWL as on March 31, 2024. Is the relative value of GCPL fair when compared to RRWL which is approx. 11 times bigger than GCPL in terms of net worth.**

While net worth provides a snapshot of the value of a company's underlying net assets, it does not fully capture all factors that contribute to the value of a business. RRWL and GCPL both operate in the copper wires, tubes, and rods manufacturing industry—a sector where the value is significantly influenced by intangible factors such as Customer relationships, Dealership and distribution networks, market positioning, etc.

The true value of a company is better assessed through a comprehensive approach that considers its operational efficiency, revenue-generating capacity, and market position. As per the ICAI valuation standards, **"relative values are generally arrived at by applying an appropriate valuation approach or a combination of valuation approaches. If a combination of valuation approaches or methodologies is adopted, appropriate weightages are assigned to arrive at a single value."**

Valuation Methodologies Applied:

For the purpose of determining the relative value of RRWL and GCPL, I applied the following methodologies:

Valuation Methodology	RRWL	GCPL	Remarks
Market Approach			
Market Price method	Used	Not used	Since RRWL is listed on NSE and BSE, and its shares are frequently traded as per SEBI ICDR rules, the Market Price method is used to value RRWL's shares as per Regulation 164 (1) of Part IV of Chapter V of the SEBI ICDR Regulations. I have assigned a 25% weight to this method to determine the equity value of RRWL. Since, equity shares of GCPL are not listed, I have not considered Market Price method to determine the value of equity of GCPL.
Comparable Companies multiples method	Used	Used	I understand that there are comparable listed companies which operate in similar line of business and have similar operating/ financial metrics as that of RRWL and GCPL. I have therefore used CCM Method to value the equity shares of RRWL by assigning 25% weight and GCPL by assigning 50% weight.
Comparable Transactions multiples method	Not used	Not used	In the absence of adequate details about the Comparable Transactions, I was unable to apply the CTM method.
Income Approach			
Discounted Cash Flows method	Used	Used	Given the nature of the businesses of the Companies and the fact that RRWL and GCPL have provided their projected financials, I have considered it appropriate to apply the DCF Method under the Income Approach to arrive at the relative fair value of the shares of the Companies for the purpose of arriving at the Fair Equity Share Exchange Ratio. I have assigned a 50% weight to this method to determine the equity value of RRWL and GCPL.
Capitalization of Earnings Method	Not used	Not used	In the present case, the revenue of the SPVs are either pre-determined or could be fairly estimated for the life of the projects. Since the future earning can easily be estimated, I find it appropriate to not consider Capitalization of Earnings Method for the current valuation exercise.
Cost approach			
Net Assets Value method	Not used	Not used	The valuation is undertaken with going concern assumption and I do not contemplate an actual sale realization of the individual assets. Hence, I have not considered NAV method for the said valuation purpose as both RRWL and GCPL are operating businesses and I understand that historical book value does not reflect intrinsic value of their businesses. I have therefore not considered NAV method for the said valuation. I have however considered the NAV for information purposes only

The swap ratio of 6:1 has been determined based on the Value per Share (VPS) of both companies as computed basis the above methodologies. It can be observed, from the below table that fair value of RRWL is estimated at INR 1,666.5 crore, while that of GCPL is estimated at INR 243.7 crore. This implies that RRWL's fair value is approximately 6.84 times that of GCPL on a fair value basis.

CA RV Arpit Surendra Parikh
Registered Valuer – Securities or Financial Assets
IBBI Registration No - IBBI/RV/07/2023/15379

It is important to note that the swap ratio is based on the relative value per share, considering the number of equity shares issued by each entity. While it is true that RRWL's net worth is around 11 times that of GCPL, net worth as discussed above is only one component of a company's overall valuation and does not directly reflect the share price or the relative value of the companies involved in the merger.

Particulars	INR Crs	
	RRWL	GCPL
Weighted Average VPS	37.9	226.3
No. of Shares issued	4.40	0.11

Rationale of the scheme beneficial to public shareholders of the Listed entity

1. The Transferor Company is a subsidiary of the Transferee Company in which the Transferee Company owns 60% of the total issued and paid-up share capital of the Transferor Company.
2. As a result of recent government policies like imposition of anti-subsidy duties as well as introduction of Production Linked Incentives, it is anticipated that the manufacturing activity of air conditioners with demand of copper tubes has a very bright future. The amalgamation of the Transferor Company and the Transferee Company shall be immensely helpful under these circumstances and shall help to streamline the current organization structure as well as to realize commercial synergies.
3. Through the Scheme, it is proposed to integrate the businesses of the Transferor Company and the Transferee Company to achieve synergies and following benefits:
 - a) The proposed amalgamation will offer an immense opportunity to consolidate the product portfolio that are relevant to the industry under a single roof;
 - b) The proposed amalgamation will facilitate better reach in terms of various customer base and will provide a stronger market position to the merged entity;
 - c) The proposed amalgamation will result in operational synergies and efficiency for the merged entity. Accordingly, the Scheme would strengthen and complement the businesses of the Transferor Company and the Transferee Company;
 - d) The Scheme would help in achieving synergies in business operations and streamlining the business activities for the companies, combining various activities, such as material procurement, storage and dispatches, sharing of common utilities, which would result in significant growth in business;
 - e) The Amalgamation of Transferor Company with the Transferee Company will result into enlarged combined assets base and will also provide an opportunity for the merged entity to leverage on such assets;
 - f) Greater integration and greater financial strength and flexibility for the Transferee Company, which would result in maximizing overall shareholders value, and will improve the competitive position of the merged entity;
 - g) The proposed amalgamation would help in enhancing the scale of operations, reduction in overheads, including administrative, statutory compliances, managerial and other expenditure, operational rationalization, organizational efficiency, optimal utilization of resources by avoiding duplication of efforts; and
 - h) Taking into consideration the above synergies, the merged entity would result in better profitability and EBITDA margins, and accordingly, the stronger financials will provide a better opportunity in terms of better trade credits, financial resources and in negotiations for prices and suppliers credit terms for the merged entity.

4. Considering the above, the Company believes that the proposed Scheme is not detrimental to the interest of the shareholders on account of benefits as enumerated above and the Scheme will unlock long term value for the shareholders.
5. Further, the Company also noted that pursuant to the Scheme, the shareholders of the merged Company will have a share in returns arising from large business operations and asset base of the merged entity.
6. Considering the overall rationale and benefits of the Scheme, the Company is of the view that the Scheme is in the best interest of all stakeholders including the shareholders of the Company. The Scheme will not be detrimental / adversely impacting the rights or interest of any shareholder of the Company including the minority shareholders, in any manner whatsoever.
