MANAGEMENT DISCUSSION AND ANALYSIS REPORT

India's high growth imperative and will significantly be driven by major strides in key sectors with infrastructure development being a critical force aiding the progress.

Infrastructure is a key enabler in helping India become a US \$26 trillion economy. Investments in building and upgrading physical infrastructure, especially in synergy with the ease of doing business initiatives, remain pivotal to increase efficiency and costs. Prime Minister Mr. Narendra Modi also recently reiterated that infrastructure is a crucial pillar to ensure good governance across sectors.

The government's focus on building infrastructure of the future has been evident given the slew of initiatives launched recently. The US\$ 1.3 trillion national master plan for infrastructure, Gati Shakti, has been a forerunner to bring about systemic and effective reforms in the sector, and has already shown a significant headway.

Infrastructure support to the nation's manufacturers also remains one of the top agendas as it will significantly transform goods and exports movement making freight delivery effective and economical.

Saudi Arabia seeks to spend up to US\$ 100 billion in India in energy, petrochemicals, refinery, infrastructure, agriculture, minerals, and mining.

The infrastructure sector is a key driver of the Indian economy. The sector is highly responsible for propelling India's overall development and enjoys intense focus from the Government for initiating policies that would ensure the time-bound creation of world-class infrastructure in the country. The infrastructure sector includes power, bridges, dams, roads, and urban infrastructure development. In other words, the infrastructure sector acts as a catalyst for India's economic growth as it drives the growth of the allied sectors like townships, housing, built-up infrastructure, and construction development projects.

To meet India's aim of reaching a US\$ 5 trillion economy by 2025, infrastructure development is the need of the hour. The government has launched the National Infrastructure Pipeline (NIP) combined with other initiatives such as 'Make in India' and the production-linked incentives (PLI) scheme to augment the growth of the infrastructure sector. Historically, more than 80% of the country's infrastructure spending has gone toward funding for transportation, electricity, and water, and irrigation.

While these sectors still remain the key focus, the government has also started to focus on other sectors as India's environment and demographics are evolving. There is a compelling need for enhanced and improved delivery across the whole infrastructure spectrum, from housing provision to water and sanitation services to digital and transportation demands, which will assure economic growth, increase quality of life, and boost sectoral competitiveness.

In Interim Budget 2024-25, capital investment outlay for infrastructure has been increased by 11.1% to Rs. 11.11 lakh crore (US\$ 133.86 billion), which would be 3.4 % of GDP. As per the Interim Budget 2023-24, a capital outlay of Rs. 2.55 lakh crore (US\$ 30.72 billion) has been made for the Railways, an increase of 5.8% over the previous year.

India currently has the fifth-largest metro network in the world and will soon overtake advanced economies such as Japan and South Korea to become the third-largest network. Metro rail network reached 810 kms and is operational in 20 cities.

In the last 10 years, 697 km have been added to Metro Rail Network across the country. In 2024, about 945 km of metro rail lines are operational in 21 cities and 919 km is under construction in 26 different cities.

At almost 20 kms, Mumbai monorail is the third largest route in the world after China with 98 kms and Japan with 28 kms.

Indian logistics market is estimated to touch US\$ 320 billion by 2025. The overall infrastructure capex is estimated to grow at a CAGR of 11.4% over 2021-26 driven by spending on water supply, transport, and urban infrastructure. Investment in infrastructure contributed around 5% of the GDP in the tenth five-year plan as against 9% in the eleventh five-year plan. Further, US\$ 1 trillion investment in infrastructure was proposed by the India's planning commission during the 12th five-year plan, with 40% of the funds coming from the private sector.

Financial and Operational Performance The Company has achieved a turnover of Rs. 57.01.crores for the year ended **31st March, 2024** against Rs. 90.07 crores in the previous year.

Internal Control System The Company has an adequate system of internal controls to safeguard and protect from loss, unauthorized use or disposition of its assets. All transactions are properly authorized, recorded and reported to the management. The Company is following all the Accounting Standards for properly maintaining the books of accounts and reporting of financial statements. The Company has appointed external Internal Auditors to review various areas of the operations of the Company. The audit reports are reviewed by the management and the Audit Committee of the Board periodically.

47th Annual Report 2023-2024

Consequent to implementation of Companies Act, 2013 (Act), the Company has complied with the specific requirements in terms of Section 134(5) (e) of the Act calling for establishment and implementation of an Internal Financial Control framework that supports compliance with requirements of the Act in relation to the Directors' responsibility statement.

Human Resources The company's mission has always been in creating an exciting workplace where opportunities are made available for employees to perform, deliver results to their fullest potential and add value to the organizational growth. Effective and judicious redeployment of manpower played a significant role in ensuring timely mobilization of key personnel required at new project sites.

Improved communication channels, periodic brain-storming sessions, sharing best practices and use of technology to our advantage, augmented the seamless working between sites and various departments and brought in the required coordination for achieving our company's goals & objectives. Periodic reviews and visits were undertaken to ensure costs are kept under control amidst stringent monitoring.

The Top Management's active involvement in Operations provided the thrust & impetus for smooth & effective execution of ongoing projects. Senior leadership team continued to guide, mentor and instill the sense of pride, ownership & commitment amongst the employees so as to strive to excel in this highly competitive Infrastructure industry.

Independent Auditor's Report

To The Members of Valecha Engineering Limited

Report on the Audit of Standalone Financial Statements

Corporate Insolvency Proceedings as per Insolvency and Bankruptcy Code, 2016 (IBC)

1. The Honourable National Company Law Tribunal, Mumbai Bench ("NCLT") admitted an Insolvency and Bankruptcy petition filed by a Financial Creditor under Section 7 of Insolvency & Bankruptcy Code, 2016 ("IBC") against Valecha Engineering Limited ("the Company") vide its order dated 21.10.2022 and appointed Mr. Anurag Kumar Sinha to act as the Interim Resolution Professional (IRP) (Later on confirmed as Resolution Professional(RP) by CoC). Anurag Kumar Sinha in his capacity as IRP had taken control and custody of the management and operations of the Company from October 21, 2022. Thereafter, Committee of Creditors of the Corporate Debtors, at the meetings of the CoC held on November 30, 2022, has confirmed the Interim Resolution Professional as the Resolution Professional ("RP"). RP has invited multiple resolution plans for revival of the Company. The Resolution Plan submitted by one of the Resolution Applicant has been approved by the members of the Committee of Creditors ("CoC"). The RP filed an application bearing IA No. 5819(MB) of 2023 in the Company Petition under Section 30(6) of the Code before the Hon'ble NCLT for its consideration and approval of the Resolution Plan. The same is pending for approval before Hon'ble NCLT Mumbai.

In terms of Sections 14(4) and 31(3) of the Code, until the resolution plan is approved by the Hon'ble NCLT, the moratorium shall continue to be in effect and accordingly, the RP shall, continue to manage operations of the Company on a going concern basis during the CIRP.

Qualified Opinion

We have audited the accompanying standalone financial statements of **Valecha Engineering Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects/possible effects, if any, of the matters described in the "Basis for Qualified Opinion" paragraph of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS"), and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024, its loss, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Qualified Opinion

We draw attention to:

- i. As explained in Note No. 45 to the Standalone Statement, Hon'ble National Company Law Tribunal ("NCLT"), Mumbai Bench has passed an order dated 09th October 2023 for initiation of the Corporate Insolvency Resolution Process ("CIRP") in respect of Valecha Kachchh Toll Roads Limited (VKTRL), a subsidiary of the Company, under the provisions of the Insolvency and Bankruptcy Code, 2016 and appointed Mr. Avil Jerome Menezes as Interim Resolution Professional ("IRP") (later on confirmed as Resolution Professional(RP) by Committee of Creditors (CoC)) to carry out the functions as mentioned under I & B Code for initiation of CIRP.

Valecha Engineering Limited (VEL) has given Corporate Guarantees of Rs.990.70 Crores for the loans availed by VKTRL which have been invoked by the secured financial creditors of VKTRL. However, the Company has not made any provision in this regard in view of initiation of CIRP against VKTRL and also in view of likely resolution of the account of VEL during CIRP.

The Company has also neither evaluated any impairment provisions for expected credit losses (ECL) as required under Ind AS 109 "Financial Instruments" nor made any fair valuation as per the requirements of Ind AS 113 "Fair Value Measurements" in respect of its Investment made of Rs. 39.84 crores and loan given of Rs. 73.46 crores to VKTRL, in view of likely resolution in CIRP of the Company.

Had the Company made provision towards impairment of such outstanding Loans, Investments and Corporate Guarantees to VKTRL, the Net Loss of the Company would have increased by Rs. 1104.00 Crores.

- ii. As explained in Note No. 46 to the Standalone Statement, Valecha LM Toll Private Limited (VLMTPL), an erstwhile step down subsidiary of the Company, has been referred to liquidation vide Order dated 27th October, 2020 of Hon'ble NCLT, Mumbai and liquidation process has commenced. As informed by Liquidator of VLMTPL, all the assets of VLMTPL have been auctioned except Income Tax receivable and security deposit of sales tax and the proceeds have been distributed amongst the secured financial creditors of VLMTPL. Further, Corporate Guarantees of Rs.261.14 Crores given by VEL has been invoked by the secured financial creditors of VLMTPL. However, the Company has not made any additional provision in this regard in view of likely resolution in CIRP of the Company.

Had the Company made provision towards impairment of such Corporate Guarantees to VLMTPL, the Net Loss of the Company would have increased by Rs 261.14 Crores.

- iii. As explained in Note 47 to the Standalone Statement, the Company has not evaluated impairment provisions for expected credit losses (ECL) as required under Ind AS 109 "Financial Instruments" in relation to Investments aggregating to Rs. 2.19 crores in four subsidiary companies, Loans & advances aggregating to Rs.180.45 crores given to its four subsidiary companies and one step-down subsidiary company.

Further, Corporate Guarantees aggregating to Rs.168.81 crores to Banks on behalf of one Subsidiary company and one Step-down Subsidiary company has been invoked by the respective secured financial creditors of the above mentioned subsidiary and step down subsidiary. However, no provision has been made by the Company in this regard in view of likely resolution in CIRP of the Company.

Had the Company made provision towards impairment of such Investments, Loans and Corporate Guarantees, the Net Loss of the Company would have increased by Rs. 351.45 Crores.

- iv. As explained in Note No. 48 to the Standalone Statement, the Company has not evaluated expected credit losses for long outstanding Trade Receivables of Rs. 303.09 crores which includes Rs. 99.45 crores pertaining to additional claims raised during earlier years due to price escalation and various other reasons which are under consideration and deliberation before various authorities.

The Company has also not evaluated impairment provisions for expected credit losses as required under Ind AS 109 "Financial Instruments" for loans given to related parties (other than subsidiaries, step down subsidiaries and associate company) amounting to Rs. 6.50 crores, loans given to other than related parties amounting to Rs. 26.11 crores and advances to suppliers amounting to Rs. 33.87 crores as at March 31, 2024.

In absence of any detailed information regarding the recoverability of such loans and advances, third party confirmation/reconciliations for such trade receivables and loans and advances, we are unable to comment upon the recoverability and corresponding impact of impairment on the standalone financial statements for the year ended March 31, 2024.

- v. As explained in Note No. 49 to the Standalone Statement, the Company has not recognised interest payable on its borrowings from Banks and NBFC's since April 1, 2018 in view of the settlement proposals pursued in the prior year's wherein the Company expected a settlement at an amount lower than the liabilities already recorded in books of accounts. The Company continues to not recognise the interest payable on its borrowings during the year ended March 31, 2024 in view of likely resolution in CIRP of the Company.

The Company has also not provided for interest liability which may arise towards delayed payment / non-payment of dues towards tax deducted at source as on March 31, 2024.

In absence of any further detailed information, we are unable to comment upon the resultant impact, if any, on the standalone financial statements for the year ended March 31, 2024, which may arise on account of non-provision of interest on loans and statutory dues as referred above.

- vi. As explained in Note No. 50 to the Standalone Statement, the Company has an outstanding principal liability of Rs. 22.94 crores as at March 31, 2024 payable to public fixed deposit holders. In view of the already weak financial position of the Company, the Company has not provided any further interest on these outstanding overdue deposits in prior years. The Company continues to not recognise any interest payable on the outstanding liability payable to Fixed Deposit holders in view of likely resolution in CIRP of the Company.

In absence of detailed information and computation of such interest including additional interest, if any, we are unable to comment upon its resultant impact on the standalone financial statements for the year ended March 31, 2024.

- vii. As explained in Note No. 51 to the Standalone Statement, Other Non-Current Assets as at March 31, 2024 includes Rs 31.35 crores receivable towards various indirect taxes from Government Authorities which are pending for assessments. However, in view of unavailability of information on status of such assessments or status of recoverability, we are unable to comment upon the resultant impact, if any on standalone financial statements for the year ended March 31, 2024.

Had the Company made provision towards such indirect taxes from Government Authorities, the Net Loss of the Company would have increased by Rs 31.35 Crores.

- viii. As explained in Note No. 52 to the Standalone Statement, the Company has many project sites which have either been de-mobilized or completed or otherwise shut / non-operational. The Company could not obtain details of transactions effecting, if any, through Bank accounts previously operated through such project sites. There have been no operations in such project sites during the year ended March 31, 2024. Such Project Sites comprises total assets of Rs. 84.36 crores [including Trade Receivables Rs. 70.46 crores and loans to other parties Rs. 5.54 crores referred in point iv above, balances with revenue authorities of Rs. 8.33 crores referred in point vii above] and total liabilities of Rs. 26.70 crores as at March 31, 2024. In view of unavailability of information, we are unable to comment upon the resultant impact, if any on standalone financial statements for the year ended March 31, 2024 had the said units been audited by us.

- ix. As explained in Note no 53 to the Standalone Statement, the Company has one in-operative and dormant Bank accounts for which no bank statements are available with the Company. The Company is in the process of obtaining the statements of such inoperative and dormant bank accounts.

In absence of such bank accounts details, we are unable to comment on the resultant impact if any on the standalone financial statements for the year ended March 31, 2024.

- x. As explained in Note no 54 to the Standalone Statement, the accounts of certain Banks, Loans & Advances given, Trade Receivables, Other Current Assets, Lenders' liability, Trade Payables and Other liabilities are subject to confirmations, reconciliations and adjustments, if any, having consequential impact on the standalone financial statements for the year ended March 31, 2024 the amounts whereof are presently not ascertainable.

- xi. As explained in Note no 55 to the Standalone Statement, bank guarantees aggregating to Rs.13.40 crores have been invoked by customers of the Company. However, the Company has not provided for such invocation of bank guarantees in view of likely resolution in CIRP of the Company

Had the Company made provision towards Invocation of bank guarantees, the Net Loss of the Company would have increased by Rs 13.40 Crores.

- xii. As explained in Note no 57 to the Standalone Statement, RP has received claims from various operational and financial creditors. In certain instances, the amount of the claim admitted by RP under CIRP differs from the amount reflecting in the books of accounts of the Company. However, pending receipt of final order, the Company has not made any reconciliation / adjustments in its books of account vis-à-vis the claims made by the Creditors.

In absence of receipt of the final order, we are unable to comment upon the resultant impact, if any, on the standalone financial statements for the year ended March 31, 2024, which may arise on account of giving the order effect towards the reconciliations/adjustments in the books of accounts.

- xiii. There are various Legal Cases filed by / against the Company, since the cases are ongoing, we are unable to comment on any consequential impact in respect of the same on the standalone financial statements for the year ended March 31, 2024 the amounts whereof are presently not ascertainable.

The matters stated above except point (xi) and (xii) were also subject matter of qualification in our audit conclusion/ opinion on the standalone financial statements for the year ended March 31, 2023.

We conducted our audit in accordance with the Standards on Auditing (“SAs”) specified under Section 143(10) of the Companies Act, 2013 (“the Act”). Our responsibilities under those SAs are further described in the *Auditor’s Responsibilities for the Audit of the Standalone financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Standalone financial Statements.

Material Uncertainty Related to Going Concern:

We draw attention to Note No. 49 & Note No. 56 to the Standalone Financial Statements which indicates that the Company has accumulated losses and its net worth has been substantially eroded and there has been defaults in repayment of various borrowings and deposits. These conditions, along with the commencement of CIRP proceedings as set forth in Note No 42, indicate the existence of a material uncertainty that may cast significant doubt about the Company’s ability to continue as a going concern. However, the standalone financial Statements of the Company have been prepared on a going concern basis for the reasons stated in Note No.55 to the Standalone Financial Statement.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Standalone Financial Statements and Auditor's report thereon

The Company's Management is responsible for the preparation of other information. The Other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to the Board report, Corporate Governance report and Shareholder's information, but does not include the standalone financial statement and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on, the work we have performed, we conclude that there is a material misstatement of this other information; we required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those charged with Governance for the Standalone Financial Statements

The Resolution Professional is currently managing the operations of the company and Standalone Financial Statements have been prepared on going concern basis. The Company's Management is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Resolution Professional is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Resolution Professional are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) Except for the matters stated in "Basis for Qualified Opinion" paragraph above, we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) Except for the matters stated in "Basis for Qualified Opinion" paragraphs above, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and records.
 - (c) The Balance sheet, the Statement of Profit & Loss (including other comprehensive income), Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - (d) Except for the effects / possible effects of matters described in the "Basis for Qualified Opinion" paragraphs above, in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015.
 - (e) The matters described in the "Basis for Qualified Opinion" paragraphs above, in our opinion, may have an adverse effect on the functioning of the Company.
 - (f) On the basis of the written representations received from the directors as on 31st March, 2024 taken on records by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a Director in terms of Section 164(2) of the Act.
 - (g) With respect to the adequacy of the internal financial controls with reference to Standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "B".
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, in our opinion and to the best of our information and according to the explanations given to us, the Company has not paid remuneration to its directors during the year.
 - (i) With respect to the other matters to be included in the Auditor's report in accordance with the Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the standalone financial statements disclose the impact of pending litigations on financial position of the Company. [Refer Note No. 32 & 58 to the Standalone Financial Statements]
 - ii. Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the Company has made provision, as required under the applicable law or Ind AS for material foreseeable losses, if any, on long-term contracts.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the Standalone Financial Statements, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) during the year by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company during the year from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representation under sub clause (i) and (ii) of Rule 11(e) of The Companies (Audit and Auditors) Rules, 2014, as provided under (a) and (b) above, contains any material misstatement.
- v. The Company has not declared or paid any dividend during the year ended March 31, 2024 and hence reporting compliance of Section 123 of the Act is not applicable.
- vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which does not have a feature of recording audit trail (edit log) facility.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

ANNEXURE “A” REFERRED TO IN PARAGRAPH “REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS” OF OUR REPORT TO THE MEMBERS OF THE COMPANY FOR THE YEAR ENDED 31st March, 2024

On the basis of such checks as we considered appropriate and according to the information and explanations given to us during the course of our audit, we state that:

- i. a) In respect of Company's Property, Plant and Equipment (PPE) and Intangible Assets:
 - A. The Company has maintained proper records, showing full particulars including quantitative details and situation of its PPE.
 - B. The Company does not have any intangible assets.
- b) As explained to us, the Company has a phased program for physical verification of the property, plant & equipment for all major locations. In our opinion, the frequency of verification is reasonable, considering the size of the Company and nature of its property, plant and equipment. Pursuant to the program of the physical verification of property, plant and equipment, physical verification of the assets has been carried out during the year and no material discrepancies were noticed on such verification.
- c) Based on the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties, other than properties where the company is lessee and lease agreements are duly executed in favour of the Company, are held in the name of the Company.
- d) The Company has not revalued any of its Property, Plant and equipment (including right- of-use assets) and intangible assets during the year. Accordingly, the provisions of Clause 3(i)(d) of the Order are not applicable to the Company.
- e) In our opinion and according to the information and explanations given to us, no proceedings have been initiated during the year or are pending as at 31st March, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988, as amended, and rules made thereunder. Accordingly, the provisions of Clause 3(i)(e) of the Order are not applicable to the Company. (Refer Note no. 59 (A) to the standalone financial statements).
- ii. a) According to the information and explanations given to us, the inventories have been physically verified during the year by the management at reasonable intervals and no material discrepancies were noticed on such verification.
- b) The Company has working capital limits in excess of 5 crore sanctioned by banks based on the security of current assets. The quarterly returns/statements, in respect of the working capital limits have not been filed by the Company with such banks.
- iii. The Company has not made any investment nor provided any guarantees or security, or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year and hence reporting under Clause iii (a) to iii (f) of the Order are not applicable to the Company.
- iv. In our opinion and according to the information and explanations given to us, we are of the opinion that the Company has generally complied with the provisions of Sections 185 and 186 of the Companies Act 2013, in respect of grant of loans, making investments and providing guarantees and securities, to the extent applicable.
- v. According to the information and explanations given to us, during the year the Company has not accepted any deposit from the public. However, the Company has defaulted in repayment of Deposits accepted in previous years amounting to Rs.22.94 Crores. Further, the Company has also not made provision towards penal interest and fine as applicable under rule 21 of (Acceptance of Public Deposit) Rules, 2014. The public deposit holders, being the financial creditors are a part of the CoC as per Insolvency code and the repayment thereof is incumbent upon successful resolution plan for the Company.
- vi. We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government of India, regarding the maintenance of cost records under sub-section (1) of Section 148 of the Act and are of the opinion that prima facie, the prescribed accounts and records have been maintained. We have, however, not made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. a) In our opinion, and according to the information and explanations given to us, undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of custom, duty of excise, value added tax, cess and other material statutory dues, as applicable, have not been regularly deposited with the appropriate authorities and there have been significant delays.
- a) According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income-tax, service tax, sales-tax, duty of custom, duty of excise, value added tax, goods and service tax, cess and other material statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable, except for the following :

- (b) According to the information and explanations given to us and representation received from the management of the Company, and on the basis of our audit procedures, we report that the Company has been declared as wilful defaulter by Canara Bank in 2021 and Central Bank of India in 2019.
- (c) In our opinion and according to the information and explanations given to us, the Company has not raised any money by way of term loans during the year. Accordingly, reporting under clause 3(ix)(c) of the Order is not applicable to the Company.
- (d) During the year, the Company has not raised any short term funds during the year. Hence, the provisions of Clause 3(ix)(d) of the Order are not applicable to the Company.
- (e) Based on our audit procedures and on the basis of information and explanations given to us, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary and associate. Accordingly, the provisions of Clause 3(ix)(e) of the Order are applicable to the Company.
- (f) Based on our audit procedures and on the basis of information and explanations given to us, during the year the Company has not raised any funds on the pledge of securities held in its subsidiaries. Accordingly, the provisions of Clause 3(ix)(f) of the Order are not applicable to the Company.

- x. (a) The Company has not raised any money by way of Initial public offer or further public offer (including debt instrument) during the year and hence, reporting under Clause 3(x)(a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year and hence, reporting under Clause 3(x)(b) of the Order is not applicable to the Company.
- xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of fraud by or on the Company, noticed or reported during the year, nor have we been informed of such case by the management.
- (b) During the year, no report under sub section 12 of Section 143 of the Act has been filed in Form ADT-4 as prescribed in Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) According to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistle blower complaints received by the Company during the year.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Therefore, the provisions of Clause 3(xii) of the Order are not applicable to the Company.
- xiii. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, all transactions with the related parties are in compliance with Section 177 and 188 of the Act and the details have been disclosed as required by the applicable Ind AS in Note 35 to the Standalone Financial Statements.
- xiv. (a) In our opinion and according to the information and explanations given to us, the Company has an adequate internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports for the year under audit issued to the Company during the year and till date, in determining nature, timing and extent of our audit procedures.
- xv. Based on the information and explanations given to us, the Company has not entered into any non-cash transactions prescribed under Section 192 of the Act with directors or persons connected with them during the year. Therefore, the provisions of Clause 3(xv) of the Order are not applicable to the Company.
- xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under Clause 3(xvi) (a), (b) and (c) of the Order is not applicable to the Company.
- (b) As per the information and explanations given to us and as per the definition of Group under Core Investment Companies (Reserve Bank) Directions 2016, there are no Core Investment companies forming part of the group.
- xvii. The Company has incurred cash losses of Rs 1.11 crores in the current financial year and Rs. 18.69 crores in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year. Hence reporting under Clause 3(xviii) of the Order is not applicable to the Company.
- xix. As referred to in 'Material uncertainty related to Going concern' paragraph in our audit report and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors / Resolution Professional and Management plans and based on our examination of the evidence supporting the assumptions, there exists a material uncertainty that may cast a significant doubt on the Company's ability to continue as a going concern as on the date of audit report and the capability of the Company for meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. In our opinion and according to the information and explanations given to us and the records examined by us, no amount was required to be spent by the Company on the activities of CSR, as per provisions of Companies Act, 2013. Accordingly, reporting under paragraph 3(xx) of the Order are not applicable to the Company.
- xxi. The reporting under clause 3(xxi) is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

Annexure “B” referred to in “Report on Other Legal and Regulatory Requirements” section of our report to the members of Valecha Engineering Limited of even date

Report on the Internal Financial Controls with reference to standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the Internal Financial Controls with reference to financial statements of **Valecha Engineering Limited** (“the Company”) as of 31st March, 2024 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential component of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s Internal Financial Controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of Internal Financial Controls with reference to financial statements included obtaining an understanding of Internal Financial Controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A Company’s internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial controls with reference to financial statements includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the entity are being made only in accordance with authorisations of management; (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the entity’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of Internal Financial Controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis for Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified in the operating effectiveness of the Company’s internal financial controls with reference to financial statements as at March 31, 2024:

- a. The Company is not having a full fledged ERP system to manage different operational activities. Accordingly, many of the operations, which would have been taken care by the system, required manual intervention and to that extent there are limitations in control system and processes.

The discrepancies noticed due to the above weakness, were, however, rectified by the year end with manual intervention.

- b. The Company did not have an appropriate internal control system at some projects sites which could potentially result in material misstatements in the Company’s trade liabilities, trade receivables and other assets.

A ‘material weakness’ is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company’s annual or interim financial statements will not be prevented or detected on a timely basis.

Qualified Opinion

In our opinion, to the best of our information and according to the explanations given to us, except for the possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to financial statements were operating effectively as of March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the said Guidance Note.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the standalone financial statements of the Company for the year ended March 31, 2024 and these material weaknesses affect our opinion on standalone financial statements of the Company for the year ended March 31, 2024 [our audit report dated May 30, 2024, which expressed an qualified opinion on those standalone financial statements of the Company].

Notes forming part of the Standalone financial statements as at and for the year ended March 31, 2024

1 Corporate Information

Valecha Engineering Limited ("the Company") is a public limited company incorporated and domiciled in India. The Company is listed on the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE). The address of its registered office is Valecha Chambers, 4th floor, Andheri New Link Road, Andheri (W), Mumbai - 400 053.

The Company is engaged in Construction of high end infrastructural engineering projects such as irrigation dams, roads, bridges, highways, power projects, railways, tunnels, airports, reservoirs, etc. The Company has created some of the most prominent civil engineering infrastructure landmarks.

2 Significant accounting policies

2.1 Statement of compliance

The financial statements complies in all material aspects with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act, 2013 (the "Act") and other relevant provisions of the Act and other accounting principles generally accepted in India.

2.2 Basis of preparation and presentation

This note provides a list of the significant accounting policies adopted in the preparation of these standalone financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.2.1 Historical cost convention

The Company follows the mercantile system of accounting and recognizes income and expenditure on an accrual basis. The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

2.2.2 Current & Non Current Classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and services and the time between acquisition of assets for processing and their realisation in cash and cash equivalent, the Company has ascertained its operating cycle as twelve (12) months for the purpose of current or non-current classification of assets and liabilities.

The Company's financial statements are presented in Indian Rupees (₹), which is its functional currency and all values are rounded to the nearest crore (₹ 0,000,000) in two decimals except when otherwise indicated.

2.3 Use of Estimates

The preparation of financial statements requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known /materialise.

2.4 Inventories

The inventories of materials on hand at the end of the year are valued at lower of cost or net realisable value. The cost is being determined on First-In-First out method. Cost of work-in-progress comprises raw materials, direct labour, other direct costs and related production overheads.

2.5 Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at bank and in hand and short-term investments with an original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

2.6 Borrowing Cost

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Other borrowing costs are expensed in the period in which they are incurred.

2.7 Revenue recognition

The Company recognises revenue from contracts with customers when it satisfies a performance obligation by transferring promised service to a customer. The revenue is recognised to the extent of transaction price allocated to the performance obligation satisfied. Performance obligation is satisfied over time when the transfer of control of asset to a customer is done over time and in other cases, performance obligation is satisfied at a point in time. For performance obligation satisfied over time, the revenue recognition is done by measuring the progress towards

complete satisfaction of performance obligation. The progress is measured in terms of a proportion of actual cost incurred to-date, to the total estimated cost attributable to the performance obligation.

Contract revenue is recognised over time to the extent of performance obligation satisfied and control is transferred to the customer. The Company recognizes revenue and profit/loss on the basis of stage of completion achieved under each contract. The recognition of revenue and profit/loss therefore rely on degree of completion achieved under each contract.

Costs to obtain a contract which are incurred regardless of whether the contract was obtained are charged-off in Profit & Loss immediately in the period in which such costs are incurred.

Contracts executed in Joint Ventures / Consortium under work sharing arrangement are accounted in accordance with the accounting policy followed by the Company as that of an independent contract to the extent work is executed. In case where the contracts are executed independently by the Joint Ventures the share of profit / (Loss) is recognized as an income / (Loss) in the Books of account of the Company in the year in which the relative contract/s is/are completed / Income received.

Revenue is disclosed net of Goods and Service Tax (GST) as applicable.

Other Income

Interest Income is recognised on the basis of effective interest method as set out in IND AS 109 on Financial Instruments and where no significant uncertainty as to measurability or collectability exists.

Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

2.8 Employee Benefit

2.8.1 Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

2.8.2 Other long-term employee benefit obligations

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the appropriate market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

2.8.3 Post-employment obligations

(i) Defined benefit provident fund plan

The Company's contribution to provident fund is charged to Statement of Profit and Loss.

(ii) Defined benefit Gratuity fund plan

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan. The defined benefit obligation is calculated annually as provided by LIC. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

The Company does not have scheme of leave encashment.

2.9 Taxation

2.9.1 The Income tax expense or credit for the year is the tax payable on the current year's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Current and deferred tax is recognised in the profit and loss except to the extent it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised in equity or other comprehensive income respectively.

2.9.2 Current Tax

The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date where the Company operates and generates taxable income.

Current tax assets and tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and Company intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

2.9.3 Deferred Tax

Deferred Tax charge or credit is recognised on timing differences, being the difference between the taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. It is calculated using the applicable tax rates and tax laws that have been enacted by the balance sheet date.

Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

2.9.4 Minimum Alternative Tax ('MAT')

Minimum Alternative Tax ('MAT') credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income-tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the statement of profit and loss. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income-tax during the specified period.

2.10 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

2.10.1 Financial Assets

(i) Classification of Financial Assets

The Company classifies its financial assets in the following measurement categories:

- (a) those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss); and
- (b) those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

- (a) For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income.
- (b) For investments in debt instruments, this will depend on the business model in which the investment is held.
- (c) For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

(ii) Measurement of Financial Assets

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

2.10.1. a Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest income and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other income or other expenses (as applicable). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit or loss (FVTPL): Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other income or other expenses (as applicable) in the period in which it arises. Interest income from these financial assets is included in other income or other expenses, as applicable.

2.10.1.b *Equity instruments*

The Company subsequently measures all equity investments at fair value (except investment in subsidiaries and associates which are valued at amortised cost). Where the Company's management has selected to present fair value gains and losses on equity investments in other comprehensive income and there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the Company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other income or other expenses, as applicable in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

2.10.1.c *Fair Value Hedge*

Derivatives are initially measured at fair value. Subsequent to initial recognition, derivatives are measured at fair value and changes therein are recognised in statement of profit and loss.

(iii) *Impairment of financial assets*

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

(iv) *Derecognition of financial assets*

A financial asset is derecognised only when -

- (a) The Company has transferred the rights to receive cash flows from the financial asset or
- (b) retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

2.10.2 *Financial Liabilities*

(i) *Measurement*

Financial liabilities are initially recognised at fair value, reduced by transaction costs (in case of financial liability not at fair value through profit or loss), that are directly attributable to the issue of financial liability. After initial recognition, financial liabilities are measured at amortised cost using effective interest method. The effective interest rate is the rate that exactly discounts estimated future cash outflow (including all fees paid, transaction cost, and other premiums or discounts) through the expected life of the financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition. At the time of initial recognition, there is no financial liability irrevocably designated as measured at fair value through profit or loss.

(ii) *Derecognition*

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

2.10.3 (i) Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

(ii) Borrowings are classified as current financial liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

2.11 Financial guarantee contracts

Financial guarantee contracts are recognised as a financial liability at the time the guarantee is issued. The liability is initially measured at fair value and subsequently at the higher of the amount determined in accordance with Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets and the amount initially recognised less cumulative amortization, where appropriate.

2.12 Property, plant and equipment

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 1, 2016 measured as per the previous GAAP and used those carrying value as the deemed cost of the property, plant and equipment.

Free-hold land is carried at cost. Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of the assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Capital Work in Progress ('CWIP') comprises amount paid towards acquisition of property, plant and equipment outstanding as of each balance sheet date and construction expenditures, other expenditures necessary for the purpose of preparing the CWIP for its intended use and borrowing cost incurred before the qualifying asset is ready for intended use. CWIP is not depreciated until such time as the relevant asset is completed and ready for its intended use.

The Company assesses at each Balance Sheet date whether there is any indication that any asset may be impaired. If any, such indication exists, the carrying value of such asset is reduced to its recoverable amount and the impairment loss is charged to profit and loss account. If at the balance Sheet date there is any deduction that a previously assessed impairment loss no longer exists, then such loss is reversed and the asset is restated to that effect.

Depreciation and amortisation

Depreciation on Fixed Assets is calculated on "Straight Line Method" over the estimated useful life in the manner prescribed in Schedule II of the Companies Act, 2013.w.e.f. 01.04.2014. Depreciation on Revalued Assets, is calculated on their respective book values, at the rates considered applicable by the valuers.

Free hold land is not depreciated. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

2.13 Foreign currency transactions

Transactions in foreign currency are recorded at the rate of exchange in force at the time transactions are affected. Exchange differences arising on settlement of these transactions are recognized in the Statement of Profit and Loss.

Monetary items (other than those related to acquisition of fixed assets) denominated in foreign currency are revalued using the exchange rate prevailing at date of the Balance Sheet and resulting exchange difference is recognized in the Statement of Profit and Loss. Non-monetary foreign currency items are carried at cost.

2.14 Investment Property

Property that is held for rental or Capital appreciation and which is not occupied by the Company, is classified by Investing property. Investment property is measured at cost including related transaction cost and where applicable borrowing cost. Investment properties are depreciated at the same rate applicable for class of asset under Property, Plant and Equipment. An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no further economic benefits expected from disposal. Any gain or loss arising on derecognition of the property is included in profit or loss in the period in which the property is derecognised.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its investment properties recognised as at April 01, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of investment properties.

2.15 Intangible assets

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its intangible assets recognised as at April 1, 2016 measured as per the previous GAAP and used those carrying value as the deemed cost of the intangible assets.

An intangible asset shall be recognised if, and only if: (a) it is probable that the expected future economic benefits that are attributable to the asset will flow to the Company and (b) the cost of the asset can be measured reliably.

Amortisation on Intangible asset

Amortisation on intangible Assets is calculated on "Straight Line Method" over the period of useful life of asset as technically evaluated by the management.

2.16 Earnings per share

2.16.1 Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company; and
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

2.16.2 Diluted earnings per share

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares; and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2.17 Impairment of Assets :

The carrying amounts of all assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal / external factors. An assets is impaired when the carrying amount of the asset exceeds the recoverable amount. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. An impairment loss recognised in prior accounting periods is reversed if there has been change in the estimate of the recoverable amount.

2.18 Provisions, contingent liabilities and contingent assets

Provisions

A provision is recognised when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liabilities

Contingent Liabilities are not recognized but disclosed in notes forming part of the financial statements.

Contingent Assets

Contingent Assets are disclosed, where an inflow of economic benefits is probable. Contingent assets are neither recognised nor recorded in financial statements.

2.19 Exceptional Items

When items of income and expense within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such material items are disclosed separately as exceptional items.

2.20 Leases

Leases are accounted as per Ind AS 116 which has become mandatory from April 1, 2019.

Assets taken on lease are accounted as right-of-use assets and the corresponding lease liability is accounted at the lease commencement date.

Initially the right-of-use asset is measured at cost which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The lease liability is initially measured at the present value of the lease payments, discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or a rate, or a change in the estimate of the guaranteed residual value, or a change in the assessment of purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in the Statement of Profit and Loss if the carrying amount of the right-of-use asset has been reduced to zero. The right-of-use asset is measured by applying cost model i.e. right-of-use asset at cost less accumulated depreciation and cumulative impairment, if any. The right-of-use asset is depreciated using the straight-line method from the commencement date to the end of the lease term or useful life of the underlying asset whichever is earlier. Carrying amount of lease liability is increased by interest on lease liability and reduced by lease payments made. Lease payments associated with following leases are recognised as expense on straight-line basis:

- (i) Low value leases; and
- (ii) Leases which are short-term.

Assets given on lease are classified either as operating lease or as finance lease. A lease is classified as a finance lease if it transfers substantially all the risks and rewards incidental to ownership of an underlying asset. Initially asset held under finance lease is recognised in balance sheet and presented as a receivable at an amount equal to the net investment in the lease. Finance income is recognised over the

lease term, based on a pattern reflecting a constant periodic rate of return on Company's net investment in the lease. A lease which is not classified as a finance lease is an operating lease.

The Company recognises lease payments in case of assets given on operating leases as income on a straight-line basis. The Company presents underlying assets subject to operating lease in its balance sheet under the respective class of asset.

2.21 Income Tax

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in Statement of Profit and Loss except when they relate to items that are recognised in other comprehensive income or directly in equity, in such case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively. Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction. Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised. The carrying amount of a deferred tax asset shall be reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled. Deferred tax assets and liabilities are off set when there is a legally enforceable right to off set current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Minimum Alternative Tax ('MAT') credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income-tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the statement of profit and loss. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income-tax during the specified period.

2.22 Recent Accounting Pronouncements:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

2.23 Critical accounting estimates and assumptions:

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below:

(a) Income taxes

The Company's tax jurisdiction is India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

(b) Property, plant and equipment

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technical or commercial obsolescence arising from changes or improvements in production or from a change in market demand of the product or service output of the asset.

(c) Defined Benefit Obligation

The costs of providing pensions and other post-employment benefits are charged to the Statement of Profit and Loss in accordance with Ind AS 19 'Employee benefits' over the period during which benefit is derived from the employees' services. The costs are assessed on the basis of assumptions selected by the management. These assumptions include salary escalation rate, discount rates, expected rate of return on assets and mortality rates.

(d) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cash flow model, which involve various judgements and assumptions.

(e) Right-of-use assets and lease liability

The Company has exercised judgement in determining the lease term as the noncancellable term of the lease, together with the impact of options to extend or terminate the lease if it is reasonably certain to be exercised. Where the rate implicit in the lease is not readily available, an incremental borrowing rate is applied. This incremental borrowing rate reflects the rate of interest that the lessee would have to pay to borrow over a similar term, with a similar security, the funds necessary to obtain an asset of a similar nature and value to the right-of-use asset in a similar economic environment. Determination of the incremental borrowing rate requires estimation.

Nature of Reserves

(i) Securities Premium

Securities premium reserve is used to record the premium on issue of shares. The reserve is utilised in accordance with the provision of the Companies Act, 2013.

(ii) General Reserve

The General reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. As the General reserve is created by a transfer from one component of equity to another and is not item of other comprehensive income, items included in the General reserve will not be reclassified subsequently to statement of profit and loss.

(iii) OCI - Fair Value of Financial Instrument

The company recognised resultant impact of fair valuation on financial assets and liabilities.

40 Financial Risk Management

A wide range of risks may affect the Company's business and financial results. Amongst other risks that could have significant influence on the Company are market risk, credit risk and liquidity risk.

The Board of Directors of the Company manage and review the affairs of the Company by setting up short term and long-term budgets by monitoring the same and taking suitable actions to minimise potential adverse effects on its operational and financial performance.

40.1 Market risk

The Company is primarily exposed to the following market risks.

40.1.1 Interest rate risk management

Out of total borrowings, large portion represents current borrowings and all the borrowings are with fixed interest rate. And accordingly the Company is not exposed to interest rate risk. However, the Company continuously monitoring over all factors influence rating and also factors which influential the determination of the interest rates by the banks to minimize the interest rate risks.

40.1.2 Price Risk

The company is constantly exposed to market inflation risk. The price of direct cost and overhead projected before execution of project are substainally increased till the completion of project. However company is eligible to claim price escalation amount from the client as per the terms and condition mentioned in tender document which varies for tender to tender.

40.2 Credit management

Credit risk is the risk of financial loss to the Company if a client or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from clients and cash. Management has a credit policy in place and the exposure to credit risk is monitored on an on-going basis.

The Company has a low credit risk in respect of its trade receivables, its major customers being autonomous agencies of Government and Public Sector Undertakings. However, as Company grows its customer base, it will experience an increased credit risk environment. The Company is also exposed to credit risk in respect of its cash and seeks to minimise this risk by holding funds on deposit with major financial institutions.

Notes forming part of the Standalone financial statements as at and for the year ended March 31, 2024**(Rs. In Crores)**

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk was ₹ 693.02 crores for March 31, 2024 (₹ 685.38 crores for March 31, 2023) being the total of the carrying amount of the balances with banks, bank deposits, investments (excluding equity investments), trade receivables, loans given and other financial assets.

40.3 Liquidity risk management

Liquidity risk refers to the risk that the Company may not be able to meet its financial obligations timely.

Management monitors rolling forecasts of the Company's liquidity position (comprising of undrawn bank facilities and cash and cash equivalents) on the basis of expected cash flows. This monitoring includes financial ratios and takes into account the accessibility of cash and cash equivalents.

The table below analyses the maturity profile of the Company's financial liabilities. The following break up is based on the remaining period at the balance sheet date to the contractual maturity date. The liquidity continues to remain under stress. The Company is going through a very tight liquidity situation resulting in sub-optimal level of operations thereby impacting profitability. The amounts disclosed in the table are the contractual undiscounted cash flows.

- 42** Hon'ble, NCLT, Mumbai, passed Order dated 21.10.2022 in Company Petition no. CP (IB) No.594/MB-IV/2021 filed by STATE BANK OF INDIA, the Financial Creditor /Petitioner, under section 7 of Insolvency & Bankruptcy Code, 2016 (I&B Code) against the Company, Corporate Debtor/Respondent, for initiating Corporate Insolvency Resolution Process (CIRP).

Mr. Anurag Kumar Sinha, a Registered Insolvency Professional having Registration Number [IBBI/IPA-001/IP-P00427/2017-18/10750] has been appointed as Interim Resolution Professional (Later on confirmed as Resolution Professional (RP) by CoC), to carry out the functions as mentioned under Insolvency and Bankruptcy Code, 2016

The RP filed an application bearing IA No. 5819(MB) of 2023 in the Company Petition under Section 30(6) of the Code before the Hon'ble NCLT for its consideration and approval of the Resolution Plan. The same is pending for approval before Hon'ble NCLT Mumbai

In terms of Sections 14(4) and 31(3) of the Code, until the resolution plan is approved by the Hon'ble NCLT, the moratorium shall continue to be in effect and accordingly, the RP shall, continue to manage operations of the Company on a going concern basis during the CIRP.

- 43** The above audited financial statements were prepared by the management of the Company and RP took the same on record basis. The Statutory Auditors have carried out the Audit of the Financial Statements for the year ended March 31, 2024 vide their report dated May 30, 2024.

- 44** With respect to the financial statements for the year ended March 31, 2024, the RP has signed the same solely for the purpose of ensuring compliance by the Corporate Debtor with applicable laws, and subject to the following disclaimers:

- i. The RP has furnished and signed the report in good faith and accordingly, no suit, prosecution or other legal proceeding shall lie against the RP in terms of Section 233 of the Code;
- ii. No statement, fact, information (whether current or historical) or opinion contained herein should be construed as a representation or warranty, express or implied, of the RP including, his authorized representatives and advisors;
- iii. The RP, in audit of the financial statements and while signing this financial statements, has relied upon the assistance provided by the Key Managerial Personnel ("KMP") of the Corporate Debtor, and representations and statements made by the KMP of the Corporate Debtor, in relation to these financial statements. The financial statements of the Corporate Debtor for the year ended March 31, 2024 have been taken on record by the RP solely on the basis of and on relying the aforesaid representations and statements of the aforesaid directors and the erstwhile management of the Corporate Debtor. For all such information and data, the RP has assumed that such information and data are in the conformity with the Companies Act, 2013 and other applicable laws with respect to the preparation of the financial statements and that they give true and fair view of the position of the Corporate Debtor as of the dates and period indicated therein.

- 45** Hon'ble National Company Law Tribunal ("NCLT"), Mumbai Bench has passed an order dated 09th October 2023 for initiation of the Corporate Insolvency Resolution Process ("CIRP") in respect of Valecha Kachchh Toll Roads Limited (VKTRL), a subsidiary of the Company, under the provisions of the Insolvency and Bankruptcy Code, 2016 and appointed Mr. Avil Jerome Menezes as Interim Resolution Professional ("IRP") (later on confirmed as Resolution Professional(RP) by Committee of Creditors (CoC)) to carry out the functions as mentioned under I & B Code, 2016 for initiation of CIRP.

The Company has given Corporate Guarantees of Rs.990.70 Crores for the loans availed by VKTRL which have been invoked by the secured financial creditors of VKTRL. However, the Company has not made any provision in this regard in view of initiation of CIRP against VKTRL and also in view of likely resolution of the account of VEL during CIRP.

The Company has also neither evaluated any impairment provisions for expected credit losses (ECL) as required under Ind AS 109 "Financial Instruments" nor made any fair valuation as per the requirements of Ind AS 113 "Fair Value Measurements" in respect of its investment made of Rs. 39.84 crores and loan given of Rs. 73.46 crores to VKTRL, in view of reasons mentioned above.

- 46** Valecha LM Toll Private Limited (VLMTPL), an erstwhile step down subsidiary of the Company, has been referred to liquidation vide Order dated 27th October, 2020 of Hon'ble NCLT, Mumbai and liquidation process has commenced. As informed by Liquidator of VLMTPL, all the assets of VLMTPL have been auctioned except Income Tax receivable and security deposit of sales tax and the proceeds have been distributed amongst the secured financial creditors of VLMTPL. Further, Corporate Guarantees of Rs.261.14 Crores given by the Company has been invoked by the secured financial creditors of VLMTPL. However, the Company has not made any additional provision in this regard in view of likely resolution in CIRP of the Company.

- 47** The Company has also not evaluated impairment provisions for expected credit losses (ECL) as required under Ind AS 109 "Financial Instruments" in relation to investments made for Rs.2.19 crores in four subsidiary companies, loans and advances given of Rs.180.45 crores to four subsidiary companies and one step-down subsidiary company.

Further Corporate Guarantees of Rs. 168.81 Crores given by the Company have also been invoked by the respective secured financial creditors of one subsidiary and one step down subsidiary. However, the Company has not made any additional provision in this regard in view of the likely resolution in CIRP of the Company.

- 48** The Company has not evaluated expected credit losses for long outstanding Trade Receivables of Rs. 303.09 crores which includes Rs. 99.45 crores pertaining to additional claims raised during earlier years on account of escalation and various other reasons which are under consideration and deliberation before various authorities. The Company has not evaluated impairment provisions for expected credit losses as required under Ind AS 109 "Financial Instruments" for loans extended to various related parties (other than subsidiaries, step down subsidiaries

Notes forming part of the Standalone financial statements as at and for the year ended March 31, 2024

(Rs. In Crores)

and associate company) amounting to Rs. 6.50 crores, loans given to other than related parties amounting to Rs. 26.11 crores and advances to suppliers amounting to Rs.33.87 crores as at March 31, 2024, in view of ongoing CIRP Proceedings against the Company where Resolution Plan submitted by Resolution Applicant for revival of the Company has already been approved by Committee of Creditors (CoC) and thereafter it has been filed with the Hon'ble NCLT for the final approval.

- 49** The Company has not recognised interest payable on its borrowings from Banks and NBFC's since April 1, 2018 in view of the settlement proposals pursued in the prior year's wherein the Company expected a settlement at an amount lower than the liabilities already recorded in books of accounts. The Company continues to not recognise the interest payable on its borrowings during the current year ended March 31, 2024 in view of likely resolution in CIRP of the Company.
- The Company has also not provided for interest liability which may arise towards delayed payment / non-payment of dues towards tax deducted at source as on March 31, 2024.
- 50** The Company has an outstanding principal liability of Rs. 22.94 crores as at March 31, 2024 payable to public fixed deposit holders. In view of the already weak financial position of the Company, the Company has not provided any further interest on these outstanding overdue deposits in Prior years. The Company continues to not recognise any interest payable on the outstanding liability payable to Fixed Deposit holders in view of submission of resolution plan and likely resolution in CIRP of the Company.
- 51** Other Non Current Assets as at March 31, 2024 includes Rs 31.35 crores receivable towards various indirect taxes from Government Authorities which are pending for assessments.
- 52** The Company has many project sites which have either been de-mobilized or completed or otherwise shut / non-operational. The Company could not obtain details of transactions effecting, if any, through Bank accounts previously operated through such project sites. There have been no operations in such project sites during the year ended March 31, 2024. Such Project Sites comprises total assets of Rs. 84.36 crores [including Trade Receivables Rs. 70.46 crores and loans to other parties Rs. 5.54 crores referred in note 48 above, balances with revenue authorities of Rs. 8.33 crores referred in note 51 above] and total liabilities of Rs. 26.70 crores as at March 31, 2024.
- 53** The Company has one in-operative and dormant Bank account for which no bank statements are available with the Company as on March 31, 2024. The Company is in the process of obtaining the statements of such inoperative and dormant bank account.
- 54** The accounts of certain Banks, Loans & Advances given, Trade Receivables, Other Current Assets, Lenders' liability, Trade Payables and Other liabilities are subject to confirmations, reconciliations, and adjustments.
- 55** During the year ended March 31, 2024, bank guarantees aggregating to Rs.13.40 crores have been invoked by customers of the Company. However, the Company has not provided for such invocation of bank guarantees in view of likely resolution in CIRP of the Company.
- 56** The accumulated losses incurred in the past years have resulted in erosion of Company's peak Net worth. However, in view of the fact that CIRP has been initiated against the Holding Company which is likely to result in resolution of the Company and since as per provisions of IBC, 2016, as the Company is to be kept as a going concern, audited financial statements are prepared assuming that it will continue as a going concern.
- 57** During the ongoing CIRP, the RP has received claims from various operational and financial creditors. In certain instances, the amount of the claim admitted by RP under CIRP differs from the amount reflecting in the books of accounts of the Company. However, pending receipt of final order, the Company has not made any reconciliation / adjustments in its books of account vis-à-vis the claims made by the Creditors. Accordingly, the above audited financial statements are drawn on the basis of figures appearing in the books of accounts of the Company as on March 31, 2024.
- 58** There are various Legal cases filed by/ against the company. Since the cases are ongoing and the management believes that they have a strong case. The Company do not foresee any material impacts on the financial statement of the Company.

Independent Auditor's Report

To The Members of Valecha Engineering Limited

Report on the Audit of Consolidated Financial Statements

Corporate Insolvency Proceedings as per Insolvency and Bankruptcy Code, 2016 (IBC)

The Honourable National Company Law Tribunal, Mumbai Bench ("NCLT") admitted an Insolvency and Bankruptcy petition filed by a Financial Creditor under Section 7 of Insolvency & Bankruptcy Code, 2016 ("IBC") against Valecha Engineering Limited ("the Holding Company") vide its order dated 21.10.2022 and appointed Mr. Anurag Kumar Sinha to act as the Interim Resolution Professional (IRP). Anurag Kumar Sinha in his capacity as IRP had taken control and custody of the management and operations of the Company from October 21, 2022. Thereafter, Committee of Creditors of the Corporate Debtors, at the meetings of the CoC held on November 30, 2022, has confirmed the Interim Resolution Professional as the Resolution Professional ("RP"). RP has invited multiple resolution plans for revival of the Company. The Resolution Plan submitted by one of the Resolution Applicant has been approved by the members of the Committee of Creditors ("CoC"). The RP filed an application bearing IA No. 5819(MB) of 2023 in the Company Petition under Section 30(6) of the Code before the Hon'ble NCLT for its consideration and approval of the Resolution Plan. The same is pending for approval before Hon'ble NCLT Mumbai.

In terms of Sections 14(4) and 31(3) of the Code, until the resolution plan is approved by the Hon'ble NCLT, the moratorium shall continue to be in effect and accordingly, the RP shall, continue to manage operations of the Company on a going concern basis during the CIRP.

Qualified Opinion

We have audited the consolidated financial statements of **Valecha Engineering Limited** ("the Holding Company") and its Six Subsidiaries (including one step down subsidiary) (the Holding Company and its subsidiaries together referred to as "The Group"), which comprises of Consolidated Balance Sheet as at March 31, 2024, the Consolidated Financial Statements of Profit and Loss, Other Comprehensive Income, the Consolidated Financial Statements of Changes in Equity and the Consolidated Financial Statements of Cash Flow for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements of such subsidiary as were audited by the other auditors, and except for the effects/ possible effects, if any, of the matters described in the "Basis for Qualified Opinion" paragraphs of our report, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March 2024, its consolidated loss, consolidated other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Qualified Opinion

We draw attention to:

- i. As explained in Note No. 49 to the Consolidated Statement, Hon'ble National Company Law Tribunal ("NCLT"), Mumbai Bench has passed an order dated 09th October 2023 for initiation of the Corporate Insolvency Resolution Process ("CIRP") in respect of Valecha Kachchh Toll Roads Limited (VKTRL), a subsidiary of the Holding Company, under the provisions of the Insolvency and Bankruptcy Code, 2016 and appointed Mr. Avil Jerome Menezes as Interim Resolution Professional ("IRP") (later on confirmed as Resolution Professional (RP) by Committee of Creditors (CoC)) to carry out the functions as mentioned under I & B Code for initiation of CIRP.

Valecha Engineering Limited (VEL) has given Corporate Guarantees of Rs.990.70 Crores for the loans availed by VKTRL which have been invoked by the secured financial creditors of VKTRL. However, the Holding Company has not made any provision in this regard in view of initiation of CIRP against VKTRL and also in view of likely resolution of the Account of Valecha Engineering Limited during CIRP.

Had the Holding Company made provision towards impairment of such Corporate Guarantees to VKTRL, the Net Loss of the Holding Company would have increased by Rs 990.70 Crores.

- ii. As explained in Note No. 50 to the Consolidated Statement, Valecha LM Toll Private Limited (VLMTPL), an erstwhile step down subsidiary of the Holding Company, has been referred to liquidation vide Order dated 27th October, 2020 of Hon'ble NCLT, Mumbai and liquidation process has commenced. As informed by Liquidator of VLMTPL, all the assets of VLMTPL have been auctioned except Income Tax receivable and security deposit of sales tax and the proceeds have been distributed amongst the secured financial creditors of VLMTPL. Further, Corporate Guarantees of Rs.261.14 Crores given by VEL has been invoked by the secured financial creditors of VLMTPL. However, the Holding Company has not made any additional provision in this regard in view of likely resolution in CIRP of the Holding Company.

Had the Holding Company made provision towards impairment of such Corporate Guarantees to VLMTPL, the Net Loss of the Holding Company would have increased by Rs 261.14 Crores.

- iii. The Consolidated financial statements include goodwill arising on consolidation amounting to Rs. 1.80 Crores which has not been tested for impairment inspite of the losses and sub-optimal operations of the Group. In the absence of any further detailed information, we are unable to comment upon the resultant impact, if any, on the consolidated financial statements for the year ended March 31, 2024, which may arise on account of non-provision of impairment on goodwill as referred above.

Had the Holding Company made provision towards impairment of Goodwill, the Net Loss of the Holding Company would have increased by Rs. 1.80 Crores.

- iv. As explained in Note 51 to the Consolidated Statement, Corporate Guarantees aggregating to Rs.168.81 crores to Banks on behalf of one Subsidiary Company and one Step-down Subsidiary Company has been invoked by the respective secured financial creditors of the above mentioned subsidiary and step down subsidiary. However, no provision has been made by the Holding Company in this regard in view of likely resolution in CIRP of the Holding Company.

Had the Holding Company made provision towards impairment of Corporate Guarantees, the Net Loss of the Holding Company would have increased by Rs. 168.81 Crores.

- v. As explained in Note No. 52 to the Consolidated Statement, the Holding Company has not evaluated expected credit losses for outstanding Trade Receivables of Rs. 303.09 crores which includes Rs. 99.45 crores pertaining to additional claims raised during earlier years due to price escalation and various other reasons which are under consideration and deliberation before various authorities.

The Holding Company has also not evaluated impairment provisions for expected credit losses as required under Ind AS 109 "Financial Instruments" for loans given to related parties (other than subsidiaries, step down subsidiaries and associate Company) amounting to Rs. 6.50 crores, loans given to other than related parties amounting to Rs. 26.11 crores and advances to suppliers amounting to Rs. 33.87 crores as at March 31, 2024.

In absence of any detailed information regarding the recoverability of such loans and advances, third party confirmation/reconciliations for such trade receivables and loans and advances, we are unable to comment upon the recoverability and corresponding impact of impairment on the consolidated financial statements for the year ended March 31, 2024.

- vi. As explained in Note No. 53 to the Consolidated Statement, the Holding Company has not recognised interest payable on its borrowings from Banks and NBFC's since April 1, 2018 in view of the settlement proposals pursued in the prior year's wherein the Holding Company expected a settlement at an amount lower than the liabilities already recorded in books of accounts. The Holding Company continues to not recognise the interest payable on its borrowings during the year ended March 31, 2024 in view of likely resolution in CIRP of the Holding Company.

The Holding Company has also not provided for interest liability which may arise towards delayed payment / non-payment of dues towards tax deducted at source as on March 31, 2024.

In absence of any further detailed information, we are unable to comment upon the resultant impact, if any, on the consolidated financial statements for the year ended March 31, 2024, which may arise on account of non-provision of interest on loans and statutory dues as referred above.

- vii. As explained in Note No. 54 to the Consolidated Statement, the Holding Company has an outstanding principal liability of Rs. 22.94 crores as at March 31, 2024 payable to public fixed deposit holders. In view of the already weak financial position of the Holding Company, it has not provided any further interest on these outstanding overdue deposits in prior years. The Holding Company continues to not recognise any interest payable on the outstanding liability payable to Fixed Deposit holders in view of likely resolution in CIRP of the Holding Company.

In absence of detailed information and computation of such interest including additional interest, if any, we are unable to comment upon its resultant impact on the consolidated financial statements for the year ended March 31, 2024.

- viii. As explained in Note No. 55 to the Consolidated Statement, Other Non-Current Assets as at March 31, 2024 includes Rs. 31.35 crores receivable towards various indirect taxes from Government Authorities which are pending for assessments. However, in view of unavailability of information on status of such assessments or status of recoverability, we are unable to comment upon the resultant impact, if any on the consolidated financial statements for the year ended March 31, 2024.

Had the Holding Company made provision towards such indirect taxes from Government Authorities, the Net Loss of the Holding Company would have increased by Rs 31.35 Crores.

- ix. As explained in Note No. 56 to the Consolidated Statement, the Holding Company has many project sites which have either been de-mobilized or completed or otherwise shut / non-operational. The Holding Company could not obtain details of transactions effecting, if any, through Bank accounts previously operated through such project sites. There have been no operations in such project sites during the year ended March 31, 2024. Such Project Sites comprises total assets of Rs. 84.36 crores [including Trade Receivables Rs. 70.46 crores and loans to other parties Rs. 5.54 crores referred in point (v) above, balances with revenue authorities of Rs. 8.33 crores referred in point (viii) above] and total liabilities of Rs. 26.70 crores as at March 31, 2024. In view of unavailability of information, we are unable to comment upon the resultant impact, if any on the consolidated financial statements for the year ended March 31, 2024 had the said units been audited by us.

- x. As explained in Note no 57 to the Consolidated Statement, the Holding Company has one in-operative and dormant Bank accounts for which no bank statements are available with the Holding Company. The Holding Company is in the process of obtaining the statements of such inoperative and dormant bank accounts.

In absence of such bank accounts details, we are unable to comment on the resultant impact if any on the consolidated financial statements for the year ended March 31, 2024.

- xi. As explained in Note no 58 to the Consolidated Statement, the accounts of certain Banks, Loans & Advances given, Trade Receivables, Other Current Assets, Lenders' liability, Trade Payables and Other liabilities are subject to confirmations, reconciliations and adjustments, if any, having consequential impact on the consolidated financial statements for the year ended March 31, 2024, the amounts whereof are presently not ascertainable.

xii. As explained in Note no 59 to the Consolidated Statement, bank guarantees aggregating to Rs.13.40 crores have been invoked by customers of the Holding Company. However, the Holding Company has not provided for such invocation of bank guarantees in view of likely resolution in CIRP of the Holding Company.

Had the Holding Company made provision towards Invocation of bank guarantees, the Net Loss of the Holding Company would have increased by Rs 13.40 Crores.

xiii. As explained in Note no 65 to the Consolidated Statement, RP has received claims from various operational and financial creditors. In certain instances, the amount of the claim admitted by RP under CIRP differs from the amount reflecting in the books of accounts of the Holding Company. However, pending receipt of final order, the Holding Company has not made any reconciliation / adjustments in its books of account vis-à-vis the claims made by the Creditors.

In absence of receipt of the final order, we are unable to comment upon the resultant impact, if any, on the consolidated financial statements for the year ended March 31, 2024, which may arise on account of giving the order effect towards the reconciliations/adjustments in the books of accounts.

xiv. There are various Legal Cases filed by / against the Holding Company, since the cases are ongoing, we are unable to comment on any consequential impact in respect of the same on the consolidated financial statements for the year ended March 31, 2024, the amounts whereof are presently not ascertainable.

xv. As explained in Note No 61 to the Consolidated Statement, Valecha Reality Limited (VRL), (an Associate Company) has given a loan amounting to Rs. 6.51 crores to M/s SVK Arcade LLP which is long outstanding in the Books of Accounts. VRL is not recognizing and receiving any interest on such loans neither has it made any provision for the loan amount outstanding. Further, the Company VRL has received loans from Valecha Engineering Limited and Valecha Infrastructure Limited (VIL) to the tune of Rs 0.28 crores and Rs. 6.52 crores respectively. Valecha Engineering Limited has not recovered any interest in view of already weak financial position of VRL. Similarly, VIL has also not recovered any interest amount from VRL in view of already weak financial position of VRL.

The matters stated above except point (xii) and (xiii) were also subject matter of qualification in our audit opinion on the audited consolidated financial statements for the year ended March 31, 2023.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence obtained by us and other auditors in terms of their report referred to in "Other Matter" paragraph below is sufficient and appropriate to provide a basis for our qualified opinion on the consolidated financial statements.

Material Uncertainty Related to Going Concern:

We draw attention to Note No. 53 & Note No. 64 to the Consolidated Financial Statements which indicates that the Holding Company has accumulated losses and its net worth has been substantially eroded and there has been defaults in repayment of various borrowings and deposits. These conditions, along with the commencement of CIRP proceedings as set forth in Note No. 46, indicate the existence of a material uncertainty that may cast significant doubt about the Holding Company's ability to continue as a going concern. However, the Consolidated financial statements of the Company have been prepared on a going concern basis for the reasons stated in Note No.64 to the Consolidated Financial Statements.

We draw attention to Note no 62 to the Consolidated Financial Statements in respect of Valecha Kachchh Toll Roads Limited (VKTRL) (a Subsidiary Company) wherein the other auditors had stated in their audit report that:

- Hon'ble, NCLT, Mumbai, passed Order dated 09.10.2023 in Company Petition no. CP (IB) 360(MB)/2023 filed by Canara Bank, the Financial Creditor /Petitioner, under section 7 of Insolvency & Bankruptcy Code, 2016 (I&B Code) against Valecha Kachchh Toll Roads Limited (VKTRL), Corporate Debtor, for initiating Corporate Insolvency Resolution Process (CIRP).

Mr. Avil Jerome Menezes, a Registered Insolvency Professional having Registration Number [IBBI/IPA-001/IPP00017/2016-17/10041] has been appointed as Interim Resolution Professional (IRP)(later on confirmed as RP by Committee of Creditors (CoC)), to carry out the functions as mentioned under Insolvency & Bankruptcy Code, 2016 for running the CIRP of the Company. Further Resolution plan for revival of the company has been submitted by Resolution Applicant in reply to the invitation for expression of interest dated 05.12.2023 filed by the RP, the resolution plan submitted is under review and yet to be approved by the CoC as on the date of the audit report.

The accumulated losses incurred in the past years have resulted in erosion of Company's peak Net worth, it has accumulated losses of Rs. (1,446.75 crores) (Previous year: Rs (1,265.03 crores)) and a Negative net worth of Rs. (1,378.25 crores) (Previous year: Negative net worth of Rs. (11,96.53 crores)). During the year ended March 31, 2024, the Company incurred a net loss of (Rs. 181.72 crores) (Previous year: net loss of (Rs. 515.53 crores)). However, in view of the fact that CIRP has been initiated against the Company and as per provisions of IBC, 2016, the company is to be kept as a going concern, and hence audited financial statements are prepared assuming that it will continue as a going concern.

Also, it has continued defaulted in repayment of its financial obligation including interest and GSRDC had terminated the contract with the Company on 23.02.2023 and had taken over control of its toll operations. Further GSRDC has also invoked arbitration proceedings vide letter dated 07.03.2023 during the pendency of the conciliation process which the Company has strongly opposed and have asked for completion of conciliation process before invoking of arbitration clause. The Company is also in the process to submit an upward revised Statement of Claims for the period upto and including 23.02.2023. Since GSRDC has taken over the control of toll operations, the Company has provided for impairment loss on Tangible assets, Intangible assets and Intangible assets under development aggregating to Rs. 342.68 Crores and shown as "Exceptional Items" under Statement of Profit and Loss during previous year.

46th Annual Report 2023-2024

As per the communication with Resolution Professional the matter is ongoing at Gujarat High Court and the next date for hearing is scheduled for 05th July 2024. Accordingly, we are unable to comment whether the company be able to obtain back the control of the toll operations and receive the claim made by the company, and whether the company will be able to generate any operational income for a period of 12 months from the date of this auditor's report.

- We draw attention to Note no 63 to the Consolidated Statement in respect of Valecha Infrastructure Limited (VIL) (a Subsidiary Company) wherein the other auditors had stated in their audit report that:
- VIL continues to prepare its Financial Statements on going concern basis even though it has accumulated losses of Rs. (232.68 crores) (Previous year: Rs (222.65 crores)) and a Negative net worth of Rs. (232.63 crores) (Previous year: Negative net worth of Rs. (222.60 crores)). During the year ended March 31, 2024, the Company incurred a net loss of (Rs. 10.03 crores) (Previous year: net loss of (Rs. 10.02 crores)). Also there has been default in repayment of bank borrowing. These events or conditions, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Also, there is uncertainty regarding the recoverability of the strategic investment made in subsidiaries.

Our opinion is not modified in respect of the above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the Consolidated Financial Statements and auditor's report thereon

The Holding Company's Management is responsible for the preparation of other information. The Other information comprises the information included in the Board's Report including Annexures to the Board report but does not include the consolidated financial statement and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, compare with the financial statements of the subsidiaries audited by the other auditors and, in doing so, place reliance on the other auditors, and consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the subsidiaries, is traced from their financial statements audited by the other auditors.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management responsibilities for the Consolidated Financial Statements

The Resolution Professional is currently managing the operations of the Holding company and Consolidated Financial Statements have been prepared on going concern basis. The Holding Company's Management is responsible for the matters stated in Section 134(5) of the Act with respect

to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act

The respective management of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management of the Companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the respective companies or to cease operations, or has no realistic alternative but to do so.

The respective company's management of the companies included in the group are responsible for overseeing the financial reporting process of the group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial control system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the respective entities ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are independent auditors. For the other entities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of an identified misstatement in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- i. We did not audit the financial statements of five subsidiaries (including one step down subsidiary) included in the consolidated audited financial statements whose financial statements reflect total assets of Rs. 127.16 Crores, total revenue of Rs 13.58 crores for the year ended March 31, 2024, total comprehensive loss of Rs 196.20 crores for the year ended March 31, 2024. These financial statements have been audited by other auditor whose reports have been furnished to us by the management and our opinion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, is based solely on the reports of the other auditors and the procedures performed by us as stated above.
- ii. We have relied on the unaudited financial information furnished by the Holding Company's management with respect to one subsidiary included in the consolidated financial statements whose financial information reflect total assets of Rs. 24.25 Crores, total revenue of Rs. NIL for the year ended March 31, 2024 and total comprehensive loss of Rs. NIL for the year ended March 31, 2024. The unaudited financial information of the company has been furnished to us by the Holding Company's management based on provisional financial accounts and information available with the Holding Company and are not approved by the Management of the respective Company. Our opinion on the financial statements, in so far as relates to the amount and disclosures included in respect of these subsidiary is based solely on such unaudited financial information.

Our opinion is not modified in respect of the above matters listed under "Other Matters" paragraph.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other Auditors on separate financial statements of the subsidiaries as noted in the note no. 'i' of "Other Matters" paragraph above and unaudited financial statements referred to in 'ii' of "Other Matters" paragraph above, we report, to the extent applicable that:
 - (a) Except for the matters stated in "Basis for Qualified Opinion" paragraph above, we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) Except for the matters stated in "Basis for Qualified Opinion" paragraph above, in our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept by the Holding Company and its subsidiaries included in the Group, so far as it appears from our examination of those books and records of the Holding Company and the reports of the other auditors and information certified by the management;
 - (c) The aforesaid Consolidated Balance sheet, the Consolidated Statement of Profit & Loss (including consolidated other comprehensive income), Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) Except for the possible effects of matters described in the Basis for Qualified Opinion paragraph, in our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards prescribed under Section 133 of Companies Act, 2013, read with rule 7 of the Companies (Accounts) Rules, 2014;
 - (e) The matters described in the "Basis for Qualified Opinion" paragraphs above, in our opinion, may have an adverse effect on the functioning of the Company.
 - (f) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2024 taken on record by the Board of Directors of the Holding Company and the Company incorporated in India, none of the directors of the Group companies is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "A".
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Sec 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the Holding Company has not paid remuneration to its directors during the year.
 - (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements of the subsidiaries and financial statements certified by the Management in case of one subsidiary as noted in 'Other Matters':
 - i. Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group - Refer Note 35 and Note 60 to the Consolidated Financial Statements.

- ii. Except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, provisions have been made in the Consolidated Financial Statement, as required under the applicable law or Ind AS, for material foreseeable losses, if any, on long term contracts.
- iii. There has been no delay in transfer of amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company.
- iv. a) The Holding Company's Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) during the year by the Group to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend to or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Group ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) The Holding Company's Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Group during the year from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Group shall, whether, directly or indirectly, lend to or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us nothing has come to our notice that has caused us to believe that the representation under sub clause (i) and (ii) of Rule 11(e) of The Companies (Audit and Auditors) Rules, 2014, as provided under (a) and (b) above, contains any material misstatement.
- v. The Holding Company has not declared or paid any dividend during the year ended March 31, 2024 and hence reporting compliance of Section 123 of the Act is not applicable.
- vi. Based on our examination, which included test checks and that performed by the respective auditors of the subsidiaries and step-down subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, the Group has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which does not have a feature of recording audit trail (edit log) facility.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

- 2. With respect to the matters specified in paragraph 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/"CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO report issued by us for the Holding Company, we report that there are following qualifications or adverse remarks by the respective auditors in the CARO reports of the said companies included in the Consolidated Financial Statements:

Sr. No	Name	CIN	Nature of Company	Clause number of the CARO report which is qualified or adverse

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF VALECHA ENGINEERING LIMITED

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the Consolidated Financial Statements of the Group for the year ended March 31, 2024, we have audited the internal financial controls with reference to consolidated financial statements over financial reporting of **Valecha Engineering Limited** (“the Holding Company”) and its subsidiary companies and its associate companies, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective management of the Holding Company and its subsidiary companies and its associate companies incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Group’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Group’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements includes obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over with reference to consolidated financial statements.

Meaning of Internal Financial Controls with reference to consolidated financial statements

A Group’s internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A Group’s internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Group; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Group are being made only in accordance with authorizations of management and directors of the Group; (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Group’s assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with reference to consolidated financial statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis for Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified in the operating effectiveness of the Group’s internal financial controls with reference to consolidated financial statements as at March 31, 2024:

- a. The Holding Company is not having a full fledged ERP system to manage different operational activities. Accordingly, many of the operations, which would have been taken care by the system, required manual intervention and to that extent there are limitations in control system and processes.

The discrepancies noticed due to the above weakness, were, however, rectified by the year end with manual intervention.

- b. The Holding Company did not have an appropriate internal control system at some projects sites which could potentially result in material misstatements in the Holding Company's liabilities, trade receivables and other assets.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Group's annual or interim financial statements will not be prevented or detected on a timely basis.

Qualified Opinion

In our opinion, to the best of our information and according to the explanations given to us, except for the possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Holding Company has maintained, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as of March 31, 2024, based on the internal control with reference to consolidated financial statements criteria established by the Company considering the essential components of internal control stated in the said Guidance Note issued by ICAI.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the consolidated financial statements of the Company for the year ended March 31, 2024.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal Financial controls with reference to consolidated financial statements in so far as it relates to two subsidiary companies (including one step down subsidiary company) incorporated in India, is based on the corresponding report of the auditors of such companies incorporated in India.

Our opinion is not modified in respect of this matter with respect to our reliance on the work done by, and on the reports of the other auditors.

Notes forming part of the consolidated financial statements as at and for the year ended March 31, 2024

1 Statement of compliance

The Consolidated financial statements Complies in all material aspects with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act, 2013 (the "Act") and other relevant provisions of the Act and other accounting principles generally accepted in India.

2 Significant accounting policies

2.1 Basis of preparation and presentation

This note provides a list of the significant accounting policies adopted in the preparation of these consolidated financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1.1 Historical cost convention

The Group follows the mercantile system of accounting and recognizes income and expenditure on an accrual basis. the consolidated financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

2.1.2 Current & Non Current Classification

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and services and the time between acquisition of assets for processing and their realisation in cash and cash equivalent, the Group has ascertained its operating cycle as twelve (12) months for the purpose of current or non-current classification of assets and liabilities.

The Group's consolidated financial statements are presented in Indian Rupees (₹), which is its functional currency and all values are rounded to the nearest crore (₹ 0,000,000) in two decimals except when otherwise indicated.

2.2 Basis of consolidation

2.2.1 The consolidated financial statements incorporate the financial statements of the Parent Group and its subsidiaries (Refer Note 40). For this purpose, an entity which is, directly or indirectly, controlled by the Parent Group is treated as subsidiary. The Parent Group together with its subsidiaries constitute the Group. Control exists when the Parent Group, directly or indirectly, has power over the investee, is exposed to variable returns from its involvement with the investee and has the ability to use its power to affect its returns.

2.2.2 Consolidation of a subsidiary begins when the Parent Group, directly or indirectly, obtains control over the subsidiary and ceases when the Parent Group, directly or indirectly, loses control of the subsidiary. Income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated Statement of Profit and Loss from the date the Parent Group, directly or indirectly, gains control until the date when the Parent Group, directly or indirectly, ceases to control the subsidiary.

2.2.3 The consolidated financial statements of the Group combines financial statements of the Parent Group and its subsidiaries line-by-line by adding together the like items of assets, liabilities, income and expenses. All intra-group assets, liabilities, income, expenses and unrealised profits/losses on intra-group transactions are eliminated on consolidation. The accounting policies of subsidiaries have been harmonised to ensure the consistency with the policies adopted by the Parent Group.

The consolidated financial statements have been presented to the extent possible, in the same manner as Parent Group's standalone financial statements.

Profit or loss and each component of other comprehensive income are attributed to the owners of the Parent Group and to the non-controlling interests and have been shown separately in the consolidated financial statements.

2.2.4 Non-controlling interest represents that part of the total comprehensive income and net assets of subsidiaries attributable to interests which are not owned, directly or indirectly, by the Parent Group.

2.2.5 The gains/losses in respect of part divestment/dilution of stake in subsidiary companies not resulting in ceding of control, are recognised directly in other equity attributable to the owners of the Parent Group.

2.2.6 The gains/losses in respect of divestment of stake resulting in ceding of control in subsidiary companies are recognised in the Statement of Profit and Loss. The investment representing the interest retained in a former subsidiary, if any, is initially recognised at its fair value with the corresponding effect recognised in the Statement of Profit and Loss as on the date the control is ceded. Such retained interest is subsequently accounted as an associate or a joint venture or a financial asset.

2.2.7 Goodwill on consolidation as on the date of transition i.e. April 1, 2016 represents the excess of cost of acquisition at each point of time of making the investment in the subsidiary over the Group's share in the net worth of a subsidiary. For this purpose, the Group's share of net worth is determined on the basis of the latest financial statements, prior to the acquisition, after making necessary adjustments for material events between the date of such financial statements and the date of respective acquisition. Capital reserve on consolidation (if any) represents excess of the Group's share in the net worth of a subsidiary over the cost of acquisition at each point of time of making the investment in the subsidiary.

Notes forming part of the consolidated financial statements as at and for the year ended March 31, 2024

Goodwill on consolidation arising on acquisitions on or after the date of transition represents the excess of (a) consideration paid for acquiring control and (b) acquisition date fair value of previously held ownership interest, if any, in a subsidiary over the Group's share in the fair value of the net assets (including identifiable intangibles) of the subsidiary as on the date of acquisition of control.

Goodwill arising on consolidation is not amortised, however, it is tested for impairment annually. In the event of cessation of operations of a subsidiary, the unimpaired goodwill is written off fully.

2.3 Use of Estimates

The preparation of the consolidated financial statements requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the consolidated financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known /materialise.

2.4 Inventories

The inventories of materials on hand at the end of the year are valued at lower of cost or net realisable value. The cost is being determined on First-In-First out method. Cost of work-in-progress comprises, raw materials, direct labour, other direct costs and related production overheads.

2.5 Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at bank and in hand and short-term investments with an original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

2.6 Borrowing Cost

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Other borrowing costs are expensed in the period in which they are incurred.

2.7 Revenue recognition

The Group Company recognises revenue from contracts with customers when it satisfies a performance obligation by transferring promised service to a customer. The revenue is recognised to the extent of transaction price allocated to the performance obligation satisfied. Performance obligation is satisfied over time when the transfer of control of asset to a customer is done over time and in other cases, performance obligation is satisfied at a point in time. For performance obligation satisfied over time, the revenue recognition is done by measuring the progress towards complete satisfaction of performance obligation. The progress is measured in terms of a proportion of actual cost incurred to-date, to the total estimated cost attributable to the performance obligation.

Contract revenue is recognised over time to the extent of performance obligation satisfied and control is transferred to the customer. The Company recognizes revenue and profit/loss on the basis of stage of completion achieved under each contract. The recognition of revenue and profit/loss therefore rely on degree of completion achieved under each contract.

Costs to obtain a contract which are incurred regardless of whether the contract was obtained are charged-off in Profit & Loss immediately in the period in which such costs are incurred.

Contracts executed in Joint Ventures / Consortium under work sharing arrangement are accounted in accordance with the accounting policy followed by the Company as that of an independent contract to the extent work is executed. In case where the contracts are executed independently by the Joint Ventures the share of profit / (Loss) is recognized as an income / (Loss) in the Books of account of the Company in the year in which the relative contract/s is/are completed / Income received.

Revenue is disclosed net of Goods and Service Tax (GST) as applicable.

Other Income

Interest Income is recognised on the basis of effective interest method as set out in IND AS 109 on Financial Instruments and where no significant uncertainty as to measurability or collectability exists.

Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably.

2.8 Employee Benefit

2.8.1 Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Notes forming part of the consolidated financial statements as at and for the year ended March 31, 2024

2.8.2 Other long-term employee benefit obligations

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the appropriate market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

2.8.3 Post-employment obligations

(i) Defined benefit provident fund plan

The Group's contribution to provident fund is charged to Statement of Profit and Loss.

(ii) Defined benefit Gratuity fund plan

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan. The defined benefit obligation is calculated annually as provided by LIC. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

The Group does not have scheme of leave encashment.

2.9 Taxation

2.9.1 The Income tax expense or credit for the year is the tax payable on the current year's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Current and deferred tax is recognised in the profit and loss except to the extent it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised in equity or other comprehensive income respectively.

2.9.2 Current Tax

The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date where the Company operates and generates taxable income.

Current tax assets and tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and Company intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

2.9.3 Deferred Tax

Deferred Tax charge or credit is recognised on timing differences, being the difference between the taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. It is calculated using the applicable tax rates and tax laws that have been enacted by the balance sheet date.

Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

2.9.4 Minimum Alternative Tax ('MAT')

Minimum Alternative Tax ('MAT') credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income-tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the statement of profit and loss. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income-tax during the specified period.

2.10 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when a Group becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Notes forming part of the consolidated financial statements as at and for the year ended March 31, 2024

2.10.1 Financial Assets

Classification of Financial Assets

The Group classifies its financial assets in the following measurement categories:

- (a) those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss); and
- (b) those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

- (a) For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income.
- (b) For investments in debt instruments, this will depend on the business model in which the investment is held.
- (c) For investments in equity instruments, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Group reclassifies debt investments when and only when its business model for managing those assets changes.

Measurement of Financial Assets

At initial recognition, the Group measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

2.10.1.a **Debt instruments**

Subsequent measurement of debt instruments depends on the Group's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Group classifies its debt instruments:

Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest income and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other income or other expenses (as applicable). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit or loss (FVTPL): Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other income or other expenses (as applicable) in the period in which it arises. Interest income from these financial assets is included in other income or other expenses, as applicable.

2.10.1.b **Equity instruments**

The Group subsequently measures all equity investments at fair value. Where the Group's management has selected to present fair value gains and losses on equity investments in other comprehensive income and there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the Group's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other income or other expenses, as applicable in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

2.10.1.c **Fair Value Hedge**

Derivatives are initially measured at fair value. Subsequent to initial recognition, derivatives are measured at fair value and changes therein are recognised in statement of profit and loss.

Impairment of financial assets

The Group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For other assets, the Group uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

Notes forming part of the consolidated financial statements as at and for the year ended March 31, 2024

Derecognition of financial assets

A financial asset is derecognised only when -

- (a) The Group has transferred the rights to receive cash flows from the financial asset or
- (b) retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Group has not retained control of the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

2.10.2 Financial Liabilities

Measurement

Financial liabilities are initially recognised at fair value, reduced by transaction costs (in case of financial liability not at fair value through profit or loss), that are directly attributable to the issue of financial liability. After initial recognition, financial liabilities are measured at amortised cost using effective interest method. The effective interest rate is the rate that exactly discounts estimated future cash outflow (including all fees paid, transaction cost, and other premiums or discounts) through the expected life of the financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition. At the time of initial recognition, there is no financial liability irrevocably designated as measured at fair value through profit or loss.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

- 2.10.3 (i) Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.
- (ii) Borrowings are classified as current financial liabilities unless the group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

2.11 Financial guarantee contracts

Financial guarantee contracts are recognised as a financial liability at the time the guarantee is issued. The liability is initially measured at fair value and subsequently at the higher of the amount determined in accordance with Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets and the amount initially recognised less cumulative amortization, where appropriate.

2.12 Property, plant and equipment

On transition to Ind AS, The group has elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 1, 2016 measured as per the previous GAAP and used those carrying value as the deemed cost of the property, plant and equipment.

Free-hold land is carried at cost. Property, plant and equipment are stated at cost less accumulated depreciation. Cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Capital Work in Progress ('CWIP') comprises amount paid towards acquisition of property, plant and equipment outstanding as of each balance sheet date and construction expenditures, other expenditures necessary for the purpose of preparing the CWIP for its intended use and borrowing cost incurred before the qualifying asset is ready for intended use. CWIP is not depreciated until such time as the relevant asset is completed and ready for its intended use.

Notes forming part of the consolidated financial statements as at and for the year ended March 31, 2024

The Group assesses at each Balance Sheet date whether there is any indication that any asset may be impaired. If any, such indication exists, the carrying value of such asset is reduced to its recoverable amount and the impairment loss is charged to profit and loss account. If at the balance Sheet date there is any deduction that a previously assessed impairment loss no longer exists, then such loss is reversed and the asset is restated to that effect.

Depreciation and amortisation

Depreciation on Fixed Assets is calculated on "Straight Line Method" over the estimated useful life in the manner prescribed in Schedule II of the Companies Act, 2013.w.e.f. 01.04.2014. Depreciation on Revalued Assets, is calculated on their respective book values, at the rates considered applicable by the valuers.

Free hold land is not depreciated. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

2.13 Foreign currency transactions

Transactions in foreign currency are recorded at the rate of exchange in force at the time transactions are affected. Exchange differences arising on settlement of these transactions are recognized in the Statement of Profit and Loss.

Monetary items (other than those related to acquisition of fixed assets) denominated in foreign currency are revalued using the exchange rate prevailing at date of the Balance Sheet and resulting exchange difference is recognized in the Statement of Profit and Loss. Non-monetary foreign currency items are carried at cost.

2.14 Investment Property

Property that is held for rental or Capital appreciation and which is not occupied by the group, is classified by Investing property. Investment property is measured at cost including related transaction cost and where applicable borrowing cost. Investment properties are depreciated at the same rate applicable for class of asset under Property, Plant and Equipment. An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no further economic benefits expected from disposal. Any gain or loss arising on derecognition of the property is included in profit or loss in the period in which the property is derecognised.

On transition to Ind AS, the group has elected to continue with the carrying value of all of its investment properties recognised as at April 01, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of investment properties.

2.15 Intangible assets

On transition to Ind AS, The group has elected to continue with the carrying value of all of its intangible assets recognised as at April 1, 2016 measured as per the previous GAAP and used those carrying value as the deemed cost of the intangible assets.

An intangible asset shall be recognised if, and only if: (a) it is probable that the expected future economic benefits that are attributable to the asset will flow to the group and (b) the cost of the asset can be measured reliably.

Amortisation on Intangible asset

Amortisation on intangible Assets is calculated on "Straight Line Method" over the period of useful life of asset as technically evaluated by the management.

2.16 Earnings per share

2.16.1 Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the group; and
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

2.16.2 Diluted earnings per share

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares; and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2.17 Impairment of Assets :

The carrying amounts of all assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal / external factors. An assets is impaired when the carrying amount of the asset exceeds the recoverable amount. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. An impairment loss recognised in prior accounting periods is reversed if there has been change in the estimate of the recoverable amount.

Notes forming part of the consolidated financial statements as at and for the year ended March 31, 2024

2.18 Provisions, contingent liabilities and contingent assets

Provisions

A provision is recognised when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liabilities

Contingent Liabilities are not recognized but disclosed in notes forming part of the consolidated financial statements.

Contingent Assets

Contingent Assets are disclosed, where an inflow of economic benefits is probable. Contingent assets are neither recognised nor recorded in financial statements.

2.19 Exceptional Items

When items of income and expense within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such material items are disclosed separately as exceptional items.

2.20 Leases

Leases are accounted as per Ind AS 116 which has become mandatory from April 1, 2019.

Assets taken on lease are accounted as right-of-use assets and the corresponding lease liability is accounted at the lease commencement date.

Initially the right-of-use asset is measured at cost which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The lease liability is initially measured at the present value of the lease payments, discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or a rate, or a change in the estimate of the guaranteed residual value, or a change in the assessment of purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in the Statement of Profit and Loss if the carrying amount of the right-of-use asset has been reduced to zero. The right-of-use asset is measured by applying cost model i.e. right-of-use asset at cost less accumulated depreciation and cumulative impairment, if any. The right-of-use asset is depreciated using the straight-line method from the commencement date to the end of the lease term or useful life of the underlying asset whichever is earlier. Carrying amount of lease liability is increased

by interest on lease liability and reduced by lease payments made. Lease payments associated with following leases are recognised as expense on straight-line basis:

- (i) Low value leases; and
- (ii) Leases which are short-term.

Assets given on lease are classified either as operating lease or as finance lease. A lease is classified as a finance lease if it transfers substantially all the risks and rewards incidental to ownership of an underlying asset. Initially asset held under finance lease is recognised in balance sheet and presented as a receivable at an amount equal to the net investment in the lease. Finance income is recognised over the lease term, based on a pattern reflecting a constant periodic rate of return on Company's net investment in the lease. A lease which is not classified as a finance lease is an operating lease.

The Company recognises lease payments in case of assets given on operating leases as income on a straight-line basis. The Company presents underlying assets subject to operating lease in its balance sheet under the respective class of asset.

2.21 Income Tax

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in Statement of Profit and Loss except when they relate to items that are recognised in other comprehensive income or directly in equity, in such case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively. Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction. Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised. The carrying amount of a deferred tax asset shall be reviewed at the end of each reporting date and reduced to the extent that it is no longer

Notes forming part of the consolidated financial statements as at and for the year ended March 31, 2024

probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled. Deferred tax assets and liabilities are off set when there is a legally enforceable right to off set current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Minimum Alternative Tax ('MAT') credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income-tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the statement of profit and loss. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income-tax during the specified period.

2.22 Recent Accounting Pronouncements:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Group

2.23 Critical accounting estimates and assumptions:

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below:

(a) Income taxes

The Company's tax jurisdiction is India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

(b) Property, plant and equipment

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technical or commercial obsolescence arising from changes or improvements in production or from a change in market demand of the product or service output of the asset.

(c) Defined Benefit Obligation

The costs of providing pensions and other post-employment benefits are charged to the Statement of Profit and Loss in accordance with Ind AS 19 'Employee benefits' over the period during which benefit is derived from the employees' services. The costs are assessed on the basis of assumptions selected by the management. These assumptions include salary escalation rate, discount rates, expected rate of return on assets and mortality rates.

(d) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cash flow model, which involve various judgements and assumptions.

(e) Right-of-use assets and lease liability

The Company has exercised judgement in determining the lease term as the noncancellable term of the lease, together with the impact of options to extend or terminate the lease if it is reasonably certain to be exercised. Where the rate implicit in the lease is not readily available, an incremental borrowing rate is applied. This incremental borrowing rate reflects the rate of interest that the lessee would have to pay to borrow over a similar term, with a similar security, the funds necessary to obtain an asset of a similar nature and value to the right-of-use asset in a similar economic environment. Determination of the incremental borrowing rate requires estimation.

44.1 Market risk

The Group is primarily exposed to the following market risks.

44.1.1 Foreign Currency risk management - The Group does not have any foreign currency risk.

44.1.2 Interest rate risk management

Out of total borrowings, large portion represents current borrowings and all the borrowings are with fixed interest rate. And accordingly the Company is not exposed to interest rate risk. However, the Company continuously monitoring over all factors influence rating and also factors which influential the determination of the interest rates by the banks to minimize the interest rate risks.

44.1.3 Price Risk

The company is constantly exposed to market inflation risk. The price of direct cost and overhead projected before execution of project are substainally increased till the completion of project. However company is eligible to claim price escalation amount from the client as per the terms and condition mentioned in tender document which varies for tender to tender.

44.2 Credit management

Credit risk is the risk of financial loss to the Group if a client or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's receivables from clients and cash. Management has a credit policy in place and the exposure to credit risk is monitored on an on-going basis.

The Group has a low credit risk in respect of its trade receivables, its major customers being autonomous agencies of Government and Public Sector Undertakings. However, as Group grows its customer base, it will experience an increased credit risk environment. The Group is also exposed to credit risk in respect of its cash and seeks to minimise this risk by holding funds on deposit with major financial institutions.

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk was ₹ 504.06crores (₹496.36 crores for March 31, 2023), being the total of the carrying amount of the balances with banks, bank deposits, investments (excluding equity investments), trade receivables, loans given and other financial assets.

44.3 Liquidity risk management

Liquidity risk refers to the risk that the Group may not be able to meet its financial obligations timely.

Management monitors rolling forecasts of the Group's liquidity position (comprising of undrawn bank facilities and cash and cash equivalents) on the basis of expected cash flows. This monitoring includes financial ratios and takes into account the accessibility of cash and cash equivalents.

The table below analyses the maturity profile of the Company's financial liabilities. The following break up is based on the remaining period at the balance sheet date to the contractual maturity date. The liquidity continues to remain under stress. The Company is going through a very tight liquidity situation resulting in sub-optimal level of operations thereby impacting profitability. The amounts disclosed in the table are the contractual undiscounted cash flows.

 - The RP, in audit of the financial statements and while signing this financial statements, has relied upon the assistance provided by the Key Managerial Personnel ("KMP") of the Corporate Debtor, and representations and statements made by the KMP of the Corporate Debtor, in relation to these financial statements. The financial statements of the Corporate Debtor for the year ended March 31, 2024 have been taken on record by the RP solely on the basis of and on relying the aforesaid representations and statements of the aforesaid directors and the erstwhile management of the Corporate Debtor. For all such information and data, the RP has assumed that such information and data are in the conformity with the Companies Act, 2013 and other applicable laws with respect to the preparation of the financial statements and that they give true and fair view of the position of the Corporate Debtor as of the dates and period indicated therein.
- 49** Hon'ble National Company Law Tribunal ("NCLT"), Mumbai Bench has passed an order dated 09th October 2023 for initiation of the Corporate Insolvency Resolution Process ("CIRP") in respect of Valecha Kachchh Toll Roads Limited (VKTRL), a subsidiary of the Holding Company, under the provisions of the Insolvency and Bankruptcy Code, 2016 and appointed Mr. Avil Jerome Menezes as Interim Resolution Professional ("IRP") (later on confirmed as Resolution Professional(RP) by Committee of Creditors (CoC)) to carry out the functions as mentioned under I & B Code, 2016 for initiation of CIRP.
- The Holding Company has given Corporate Guarantees of Rs.990.70 Crores for the loans availed by VKTRL which have been invoked by the secured financial creditors of VKTRL. However, the Holding Company has not made any provision in this regard in view of initiation of CIRP against VKTRL and also in view of likely resolution of the account of VEL during CIRP.
- 50** Valecha LM Toll Private Limited (VLMTPL), an erstwhile step down subsidiary of the Holding Company, has been referred to liquidation vide Order dated 27th October, 2020 of Hon'ble NCLT, Mumbai and liquidation process has commenced. As informed by Liquidator of VLMTPL, all the assets of VLMTPL have been auctioned except Income Tax receivable and security deposit of sales tax and the proceeds have been distributed amongst the secured financial creditors of VLMTPL. Further, Corporate Guarantees of Rs.261.14 Crores given by the Holding Company has been invoked by the secured financial creditors of VLMTPL. However, the Holding Company has not made any additional provision in this regard in view of likely resolution in CIRP of the Holding Company.
- 51** Corporate Guarantees of Rs. 168.81 Crores given by the Holding Company have also been invoked by the respective secured financial creditors of one subsidiary and one step down subsidiary. However, the Holding Company has not made any additional provision in this regard in view of the likely resolution in CIRP of the Holding Company.
- 52** The Holding Company has not evaluated expected credit losses for long outstanding Trade Receivables of Rs. 303.09 crores which includes Rs. 99.45 crores pertaining to additional claims raised during earlier years on account of escalation and various other reasons which are under consideration and deliberation before various authorities. The Holding Company has not evaluated impairment provisions for expected credit losses as required under Ind AS 109 "Financial Instruments" for loans extended to various related parties (other than subsidiaries, step down subsidiaries and associate company) amounting to Rs. 6.50 crores, loans given to other than related parties amounting to Rs. 26.11 crores and advances to suppliers amounting to Rs.33.87 crores as at March 31, 2024, in view of ongoing CIRP Proceedings against the Holding Company where Resolution Plan submitted by Resolution Applicant for revival of the Holding Company has already been approved by Committee of Creditors (CoC) and thereafter it has been filed with the Hon'ble NCLT for the final approval.
- 53** The Holding Company has not recognised interest payable on its borrowings from Banks and NBFC's since April 1, 2018 in view of the settlement proposals pursued in the prior year's wherein the Holding Company expected a settlement at an amount lower than the liabilities already recorded in books of accounts. The Holding Company continues to not recognise the interest payable on its borrowings during the current year ended March 31, 2024 in view of likely resolution in CIRP of the Holding Company.
- The Holding Company has also not provided for interest liability which may arise towards delayed payment / non-payment of dues towards tax deducted at source as on March 31, 2024.
- 54** The Holding Company has an outstanding principal liability of Rs. 22.94 crores as at March 31, 2024 payable to public fixed deposit holders. In view of the already weak financial position of the Holding Company, the Holding Company has not provided any further interest on these outstanding overdue deposits in Prior years. The Holding Company continues to not recognise any interest payable on the outstanding liability payable to Fixed Deposit holders in view of submission of resolution plan and likely resolution in CIRP of the Holding Company.
- 55** The Holding Company has Other Non Current Assets as at March 31, 2024 includes Rs 31.35 crores receivable towards various indirect taxes from Government Authorities which are pending for assessments.
- 56** The Holding Company has many project sites which have either been de-mobilized or completed or otherwise shut / non-operational. The Company could not obtain details of transactions effecting, if any, through Bank accounts previously operated through such project sites. There have been no operations in such project sites during the year ended March 31, 2024. Such Project Sites comprises total assets of Rs. 84.36 crores [including Trade Receivables Rs. 70.46 crores and loans to other parties Rs. 5.54 crores referred in note 52 above, balances with revenue authorities of Rs. 8.33 crores referred in note 55 above] and total liabilities of Rs. 26.70 crores as at March 31, 2024.

Notes forming part of the consolidated financial statements as at and for the year ended March 31, 2024

(₹ in Crores)

- 57** The Holding Company has one in-operative and dormant Bank account for which no bank statements are available with the Holding Company as on March 31, 2024. The Holding Company is in the process of obtaining the statements of such inoperative and dormant bank account.
- 58** The accounts of certain Banks, Loans & Advances given, Trade Receivables, Other Current Assets, Lenders' liability, Trade Payables and Other liabilities of the Holding Company are subject to confirmations, reconciliations, and adjustments.
- 59** During the year ended March 31, 2024, bank guarantees aggregating to Rs.13.40 crores have been invoked by customers of the Holding Company. However, the Holding Company has not provided for such invocation of bank guarantees in view of likely resolution in CIRP of the Holding Company.
- 60** There are various Legal cases filed by/ against the Holding Company. Since the cases are ongoing and the management believes that they have a strong case. The Holding Company do not foresee any material impacts on the financial statement of the Holding Company.
- 61** Valecha Realty Limited (VRL) has given a loan amounting to Rs 6.51 crores to M/s SVK Arcade LLP which is long outstanding in the Books of Accounts. VRL is not recognizing & receiving any interest on such loan and has neither made any provision for the loan amount outstanding.
- VRL has received loans from Valecha Engineering Limited ("VEL") and Valecha Infrastructure Ltd ("VIL") to the tune of Rs. 0.28 Crores and Rs. 6.52 Crores respectively. VRL has not paid any interest on the same nor has it made any provisioning of the interest payable. VEL has not recovered any interest in view of already weak financial position of VRL. Similarly, VIL has also not recovered any interest amount from VRL in view of already weak financial position of VRL.
- 62** Hon'ble, NCLT, Mumbai, passed Order dated 09.10.2023 in Company Petition no. CP (IB) 360(MB)/2023 filed by Canara Bank, the Financial Creditor /Petitioner, under section 7 of Insolvency & Bankruptcy Code, 2016 (I&B Code) against Valecha Kachchh Toll Roads Limited (VKTRL), Corporate Debtor, for initiating Corporate Insolvency Resolution Process (CIRP).
- Mr. Avil Jerome Menezes, a Registered Insolvency Professional having Registration Number [IBBI/IPA-001/IPP00017/2016-17/10041] has been appointed as Interim Resolution Professional (IRP)(later on confirmed as RP by Committee of Creditors (CoC)), to carry out the functions as mentioned under Insolvency & Bankruptcy Code, 2016 for running the CIRP of the Company. Further Resolution plan for revival of the company has been submitted by Resolution Applicant in reply to the invitation for expression of interest dated 05.12.2023 filed by the RP, the resolution plan submitted is under review and yet to be approved by the CoC as on the date of the audit report.
- The accumulated losses incurred in the current year as well as in the past years have resulted in erosion of Company's Net worth. However, in view of the fact that CIRP has been initiated against the Company and resolution plan submitted is under review which is yet to be approved by CoC and moreover, as per provisions of IBC, 2016, the company is to be kept as a going concern, and hence audited financial statements are prepared assuming that it will continue as a going concern.
- Also, it has continued defaulted in repayment of its financial obligation including interest and GSRDC had terminated the contract with the Company on 23.02.2023 and had taken over control of its toll operations. Further GSRDC has also invoked arbitration proceedings vide letter dated 07.03.2023 during the pendency of the conciliation process which the Company has strongly opposed and have asked for completion of conciliation process before invoking of arbitration clause. The Company is also in the process to submit an upward revised Statement of Claims for the period upto and including 23.02.2023. Since GSRDC has taken over the control of toll operations, the Company has provided for impairment loss on Tangible assets, Intangible assets and Intangible assets under development aggregating to Rs.342.68 Crores and shown as "Exceptional Items" under Statement of Profit and Loss during previous year.
- As per the communication with Resolution Professional the matter is ongoing at Gujarat High Court and the next date for hearing is scheduled for 05th July 2024.
- 63** During the year Valecha Infrastructure Limited (VIL) has incurred substantial losses mainly due to interest amount booked on Yes Bank's Term Loan. VIL has made strategic investments in its subsidiary Valecha Badwani Sendhwa Tollways Limited and expects improved performance in future, which will in turn increase the profitability of VIL. Hence the financial statements have been prepared assuming that VIL will continue as going concern. No adjustments are, hence, made in financial statements that might result from the outcome of this uncertainty.
- 64** The accumulated losses incurred in the past years have resulted in erosion of Group's peak Net worth. However, in view of the fact that CIRP has been initiated against the Holding Company which is likely to result in resolution of the Holding Company and since as per provisions of IBC, 2016, as the Holding Company is to be kept as a going concern, audited financial statements are prepared assuming that it will continue as a going concern.
- 65** During the ongoing CIRP of the Holding Company, the RP has received claims from various operational and financial creditors. In certain instances, the amount of the claim admitted by RP under CIRP differs from the amount reflecting in the books of accounts of the Holding Company. However, pending receipt of final order, the Holding Company has not made any reconciliation / adjustments in its books of account vis-à-vis the claims made by the Creditors. Accordingly, the above audited financial statements are drawn on the basis of figures appearing in the books of accounts of the Holding Company as on March 31, 2024.
- 66** (A) No proceeding has been initiated or pending against the Holding Company for holding any Benami property under the Benami Transactions (Prohibition) Act, 1988, as amended, and rules made thereunder.
- (B) The Holding Company does not have any charges or satisfaction which is yet to be registered with ROC beyond the statutory period.

II. Audit Qualification (each audit qualification separately) :

1 a. Details of Audit Qualification :

- i. As explained in Note No. 49 to the Consolidated Statement, Hon'ble National Company Law Tribunal ("NCLT"), Mumbai Bench has passed an order dated 09th October 2023 for initiation of the Corporate Insolvency Resolution Process ("CIRP") in respect of Valecha Kachchh Toll Roads Limited (VKTRL), a subsidiary of the Holding Company, under the provisions of the Insolvency and Bankruptcy Code, 2016 and appointed Mr. Avil Jerome Menezes as Interim Resolution Professional ("IRP") (later on confirmed as Resolution Professional(RP) by Committee of Creditors (CoC)) to carry out the functions as mentioned under I & B Code for initiation of CIRP.

Valecha Engineering Limited (VEL) has given Corporate Guarantees of Rs.990.70 Crores for the loans availed by VKTRL which have been invoked by the secured financial creditors of VKTRL. However, the Holding Company has not made any provision in this regard in view of initiation of CIRP against VKTRL and also in view of likely resolution of the Account of Valecha Engineering Limited during CIRP.

Had the Holding Company made provision towards impairment of such Corporate Guarantees to VKTRL, the Net Loss of the Company would have increased by Rs 990.70 Crores.

b. Type of Audit Qualification : Qualified Opinion

c. Frequency of qualification : Repetitive

d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views :

The Holding Company has not made any provision for invocation of Corporate Guarantees in view of initiation of CIRP against VKTRL and also in view of likely resolution of the account of Holding Company during CIRP.

e. For Audit Qualification(s) where the impact is not quantified by the auditor : NA

2 a. Details of Audit Qualification :

- ii. As explained in Note No. 50 to the Consolidated Statement, Valecha LM Toll Private Limited (VLMTPL), an erstwhile step down subsidiary of the Holding Company, has been referred to liquidation vide Order dated 27th October, 2020 of Hon'ble NCLT, Mumbai and liquidation process has commenced. As informed by Liquidator of VLMTPL, all the assets of VLMTPL have been auctioned except Income Tax receivable and security deposit of sales tax and the proceeds have been distributed amongst the secured financial creditors of VLMTPL. Further, Corporate Guarantees of Rs.261.14 Crores given by VEL has been invoked by the secured financial creditors of VLMTPL. However, the Holding Company has not made any additional provision in this regard in view of likely resolution in CIRP of the Company.

Had the Holding Company made provision towards impairment of such Corporate Guarantees to VLMTPL, the Net Loss of the Company would have increased by Rs 261.14 Crores.

GENERAL INSTRUCTIONS:

1. This Ballot Paper is provided for the benefit of members who do not have access to e-voting facility, to enable them to send their assent or dissent by post.
2. A Member can opt for only one mode of voting i.e. either by e-voting or through Ballot. In case of Member(s) who cast their votes by both modes, then voting done through e-voting shall prevail and the Ballot Paper shall be treated as invalid.
3. For detailed instructions on e-voting, please refer the notes appended to the Notice of AGM.
4. Facility of voting through Ballot Paper shall also be made available at the venue of the AGM. Members attending the AGM, who have not cast their vote by remote e-voting or through Ballot Paper, shall be able to exercise their right at the AGM.
5. Members who have cast their vote by remote e-voting or through Ballot Paper prior to the AGM may also attend the AGM, but shall not be entitled to vote again at the AGM.

PROCESS AND MANNER FOR MEMBERS OPTING TO VOTE BY USING BALLOT PAPER:

6. Please complete and sign the Ballot Paper (no other Paper or photo copy thereof is permitted) and send it so as to reach the Scrutinizer appointed by the Board of Directors of the Company, M/s. Ragini Chokshi & Co., Practising Company Secretaries through self-addressed Business Reply envelope.
7. The Ballot Paper should be signed by the Member as per the specimen signature registered with the Company/ Depositories. In case of joint holding, the Ballot Paper should be completed and signed by the first named Member and in his/her absence, by the next named joint holder. A Power of Attorney (POA) holder may vote on behalf of a Member, mentioning the registration number of the POA registered with the Company or enclosing an attested copy of POA. Exercise of vote by Ballot is not permitted through proxy.
8. In case the shares are held by companies, financial institutions, trusts, bodies corporate, societies, etc; the duly completed Ballot Paper should be accompanied by a certified true copy of the relevant Board Resolution/Authorization letter.
9. Votes should be cast in case of each resolution, either in favour or against by putting the tick (v) mark in the column provided in the Ballot. Members may partially enter any number in "FOR" and partially in "AGAINST" but the total number in "FOR/ AGAINST" taken together should not exceed the Member's total shareholding. If the shareholder does not indicate either "FOR" or "AGAINST" in case of any resolution, it will be treated as "ABSTAIN" for that resolution and the shares held will not be counted under either head.
10. The voting rights of members shall be in proportion to their shares in the paid up equity share capital of the Company as on **19.12.2024 ("Cut-Off Date")**. A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date only shall be entitled to avail the facility of remote e-voting, voting through Ballot Paper, or voting at the

venue of the meeting through ballot.

11. Any person, who acquires shares of the Company and becomes a shareholder of the Company after dispatch of the Notice of AGM and holds shares as of the **19.12.2024 (“Cut-Off Date”)**, may request the Company / Registrar and Transfer Agent and obtain Ballot Paper to cast the vote or can download the same from the website of the Company at www.valecha.in
12. Duly completed Ballot Paper should reach the Scrutinizer not later than the close of working hours **(5.00 p.m.) on Thursday the 26.12.2024**. Ballot Paper(s) received after this time and date will be strictly treated as if the reply from the members has not been received.
13. A Member may request for a duplicate Ballot Paper, if so required. However, duly filed in and signed duplicate Ballot Paper should reach the Scrutinizer not later than the date and time specified in serial no. 12 above.
14. Unsigned, incomplete, improperly or incorrectly tick marked Ballot Paper(s) will be rejected. Ballot Paper may be rejected if it is torn, defaced or mutilated to an extent which makes it difficult for the Scrutinizer to identify either the Member or as to whether the votes are in favour or against or if the signature cannot be verified.
15. The decision of Scrutinizer on the validity of the Ballot Paper and any other related matter shall be final.
16. The results of the voting shall be declared not later than 48 hours from the conclusion of the Annual General Meeting of the Company. The Chairman or any other person authorized by the Chairman shall declare the result of voting forthwith.
17. The Results along with the Scrutinizers Report shall be placed on the Company’s website www.valecha.in after the results are declared by the Chairman or any other person authorized by the Chairman, and the same shall be communicated to BSE Limited and National Stock Exchange Limited
