Sub: Intimation of Market Price Movement

Dear Sir / Madam,

This is to inform you that a material price movement ('MPM') was noticed in the Company's share price on Monday, 3rd February 2025. There was no event / information in the mainstream media, including any impending announcement which could have triggered the MPM and the same could have been due to research reports rolled out by some brokerage houses and analysts, post the Company's quarterly results declared on 30th January 2025.

This is purely market dynamics, on which the Company, neither, has any control nor has any knowledge.

This is for your information and records please.

Yours faithfully,

GAURANG SHAH*Sr. VP – Legal & Company Secretary*
