## NOTES

1. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 (“the Act”), setting out material facts concerning the business under Item Nos. 3 of the accompanying Notice, is annexed hereto and forms part of this Notice. The Board of Directors of the Company at its meeting held on 23 August 2024 considered that the special business under Item Nos. 3 is being considered unavoidable, be transacted at the 18<sup>th</sup> AGM of the Company.
2. Ministry of Corporate Affairs (MCA) vide its General Circular No. 09/2023 dated 25 September 2023 read with the circulars issued earlier on the subject (collectively referred to as ‘MCA Circulars’) and SEBI vide its Circular No. SEBI/HO/DDHS/P/CIR/2023/0164 dated 06 October 2023 read with the circulars issued earlier on the subject (collectively referred to as “SEBI Circulars”), have permitted holding Annual General Meeting (“AGM”) through VC/ OAVM, without physical presence of the Members at a common venue.  
In compliance with the MCA Circulars and SEBI Circulars, the provisions of the Act and the SEBI Listing Regulations, the 18th AGM is being conducted through VC/OAVM herein after called as “e-AGM”. In view of the same, the registered office of the Company shall be deemed to be the venue of the AGM,  
The Company has appointed KFin Technologies Limited, Registrars and Transfer Agents, to provide Video Conferencing (VC) / Other Audio-Visual Means (OAVM) facility for the 18<sup>th</sup> Annual General Meeting and the attendant enablers for conducting of the e-AGM.  
The Notice of AGM along with the Annual Report for FY24 is being sent by electronic mode to those members whose e-mail address is registered with the Company/Depositories, unless a member has requested a physical copy of the same. Members may note that the Notice of AGM and Annual Report for FY 2024 will also be available on the Company’s website [www.ggelimited.com](http://www.ggelimited.com), website of the Stock Exchange i.e. BSE Limited (BSE) respectively and on the website of KFin Technologies Limited at the website address <https://evoting.kfintech.com>.
3. Since the AGM is being held through VC/OAVM, a route map to the venue is not required and therefore, the same is not annexed to this Notice.
4. Members attending the meeting through VC/OAVM shall be reckoned for the purpose of quorum under Section 103 of the Companies Act, 2013.
5. Members can join the e-AGM 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice.
6. Appointment of Proxy and Attendance Slip: Section 105 of the Act read with Rule 19 of the Companies (Management and Administration) Rules, 2014 provides for appointment of proxy to attend and vote at a general meeting on behalf of the member who is not able to physically attend the AGM. Since the 18th AGM is being held through VC/OAVM and in accordance with the MCA Circulars, physical attendance of Members has been dispensed with. Accordingly, the facility of appointment of proxy would not be available to the Members for attending the 18th AGM and therefore proxy form and attendance slip are not annexed to this Notice.
7. Corporate shareholders/institutional shareholders intending to send their authorised representative(s) to attend and vote at the 18th AGM are requested to send from their registered e-mail address, scan copy of the relevant Board Resolution/ Authority Letter, etc. authorizing their representative(s) to vote, to the Scrutinizer on his e-mail ID at [cs.ggengg@gmail.com](mailto:cs.ggengg@gmail.com) with a copy marked at [kumargpankaj@gmail.com](mailto:kumargpankaj@gmail.com)
8. Members who have not yet registered their e-mail addresses, bank account details and mobile number are requested to register the same with their Depository Participants (“DP”) since the shares are held by them in electronic Form.
9. The relevant details, pursuant to Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”), as applicable provisions of the Companies Act, 2013 and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect of Director seeking appointment/ re-appointment at this AGM are also annexed to this Notice.

10. Pursuant to the provisions of Section 124 of the Companies Act, 2013 and other applicable provisions of the Companies Act, 2013 and rules made thereunder, there are no unclaimed dividend amounts pending for transfer.
11. The Register of Members and Share Transfer Books of the Company will remain closed from September 13, 2024 to September 19, 2024 (both days inclusive).

Login method for e-Voting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

Members whose email IDs are registered with the Company/Depository Participants (s), will receive an email from KFintech which will include details of E-Voting Event Number (EVEN), USER ID and password. They will have to follow the following process:

- i. Launch internet browser by typing the URL: <https://emeetings.kfintech.com/>
- ii. Enter the login credentials (i.e., User ID and password). In case of physical folio, User ID will be EVEN (E-Voting Event Number) xxxx, followed by folio number. In case of Demat account, User ID will be your DP ID and Client ID. However, if you are already registered with KFintech for e-voting, you can use your existing User ID and password for casting the vote.
- iii. After entering these details appropriately, click on "LOGIN".
- iv. You will now reach password change Menu wherein you are required to mandatorily change your password. The new password shall comprise of minimum 8 characters with at least one upper case (A- Z), one lower case (a-z), one numeric value (0-9) and a special character (@,#,\$, etc.). The system will prompt you to change your password and update your contact details like mobile number, email ID etc. on first login. You may also enter a secret question and answer of your choice to retrieve your password in case you forget it. It is strongly recommended that you do not share your password with any other person and that you take utmost care to keep your password confidential.
- v. You need to login again with the new credentials.

- vi. On successful login, the system will prompt you to select the “EVENT” i.e., ‘Dodla Dairy Limited - Annual General Meeting’ and click on “Submit”
- vii. On the voting page, enter the number of shares (which represents the number of votes) as on the Cut-off Date under “FOR/AGAINST” or alternatively, you may partially enter any number in “FOR” and partially “AGAINST” but the total number in “FOR/ AGAINST” taken together shall not exceed your total shareholding as mentioned herein above. You may also choose the option ABSTAIN. If the Member does not indicate either “FOR” or “AGAINST” it will be treated as “ABSTAIN” and the shares held will not be counted under either head.
- viii. Members holding multiple folios/demat accounts shall choose the voting process separately for each folio/demat accounts.
- ix. Voting has to be done for each item of the notice separately. In case you do not desire to cast your vote on any specific item, it will be treated as abstained.
- x. You may then cast your vote by selecting an appropriate option and click on “Submit”.
- xi. A confirmation box will be displayed. Click “OK” to confirm else “CANCEL” to modify. Once you have voted on the resolution (s), you will not be allowed to modify your vote. During the voting period, Members can login any number of times till they have voted on the Resolution(s).
- xii. Corporate/Institutional Members (i.e., other than Individuals, HUF, NRI etc.) are also required to send scanned certified true copy (PDF Format) of the Board Resolution/Authority Letter etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to cast its vote through remote e-voting. Together with attested specimen signature(s) of the duly authorised representative(s), to the Scrutinizer [kumargpankaj@gmail.com](mailto:kumargpankaj@gmail.com) with a copy marked to [evoting@kfintech.com](mailto:evoting@kfintech.com) . ## MANAGEMENT DISCUSSION & ANALYSIS REPORT

**Industry Overview:** The global economy continues to face steep challenges, shaped by the lingering effects of three powerful forces: the Russian invasion of Ukraine, a cost-of-living crisis caused by persistent and broadening inflation pressures, and the slowdown in China. Russia's invasion of Ukraine continues to powerfully destabilize the global economy. Beyond the escalating and senseless destruction of lives and livelihoods, it has led to a severe energy crisis in Europe that is sharply increasing costs of living and hampering economic activity.

Russia is a major supplier of oil, gas, and metals, and, together with Ukraine, of wheat and corn, the current and anticipated decline in the supply of these commodities has already driven their prices up sharply. Europe, Central Asia, Middle East and North Africa, and sub-Saharan Africa are most affected. The food and fuel price increases will hurt lower-income households globally, including in the Americas and Asia.

Persistent and broadening inflation pressures have triggered a rapid and synchronized tightening of monetary conditions, alongside a powerful appreciation of the US dollar against most other currencies. Tighter global monetary and financial conditions will work their way through the economy, weighing demand down and helping to gradually subjugate inflation. So far, however, price pressures are proving quite stubborn and a major source of concern for policy makers. We expect global inflation to peak in late 2022 but to remain elevated for longer than previously expected, decreasing to 5.1 percent by 2025. The global economy is experiencing a number of turbulent challenges. Inflation higher than seen in several decades, tightening financial conditions in most regions, Russia's invasion of Ukraine, and the lingering COVID-19 pandemic all weigh heavily on the outlook. Normalization of monetary and fiscal policies that delivered unprecedented support during the pandemic is cooling demand as policymakers aim to lower inflation back to target. But a growing share of economies are in a growth slowdown or outright contraction. The global economy's future health rests critically on the successful calibration of monetary policy, the course of the war in Ukraine, and the possibility of further pandemic-related supply side disruptions, for example, in China. Global growth is forecast to slow from 6.0 percent in 2021 to 3.2 percent in 2022 and 2.7 percent in 2023. About a third of the world economy faces two consecutive quarters of negative growth. Global inflation is forecast to rise from 4.7 percent in 2021 to 8.8 percent in 2022 but to decline to 6.5 percent in 2023 and to 5.1 percent by 2025. India has emerged as the fastest-growing major economy in the world and is expected to be one of the top three economic powers in the world over the next 10-15 years, backed by its robust democracy and strong partnerships. Strong economic growth in the first quarter of FY 2022-23 helped India overcome the UK to become the fifth-largest economy after it recovered from repeated waves of COVID-19 pandemic shock. Real GDP in the first quarter of 2022-23 is currently about 4% higher than its corresponding 2019-20, indicating a strong start for India's recovery from the pandemic. Given the release of pent-up demand and the widespread vaccination coverage, the contact-intensive services sector will probably be the main driver of development in 2022-2023. Rising employment and substantially increasing private consumption, supported by rising consumer sentiment, will support GDP growth in the coming months. **Opportunities and Threats:** The global diesel generator market size was valued at \$20.8 billion in 2019, and is expected to reach \$37.1 billion by 2027, registering a CAGR of 9.8% from 2020 to 2027. Increase in technological advancements in diesel generator and increase in demand for energy from various end-use industries are anticipated to provide lucrative growth opportunities for the key players to maintain the position in the market in the upcoming years.

We operate in a highly dynamic industry, and on account of changes in market conditions, industry dynamics, technological improvements or changes in trends and fashions and any other relevant factors, our growth strategy and plans may undergo changes or modifications, and such changes or modifications may be substantial, and may even include limiting or foregoing growth opportunities if the situation so demands. Our inability to implement our business strategies and sustain our growth may impair our financial growth and thus result in an adverse impact on our Company's share price.

**Risks and Concerns:**

Risks and Challenges being faced by the Company are same as what others in the industry are facing and those are

1. Technological advancement
2. Acquisition
3. Relationship with clients/customers
4. Competition.
5. Government policies

**Internal Control System and its adequacy:**

Adequate internal Control system help to prevent and detect frauds and errors, safeguarding of assets and accuracy and completeness of accounting records. The Company's well-structured internal control systems which are subject to regular assessment of its effectiveness, reinforces, integrity of Management and fairness in dealing with the Company's stakeholders.

**Human Resources**

The Company has maintained very harmonious and cordial relations. The issues relating to workers are resolved in harmonious and in cordial manner through regular interactions. We believe whatever we achieved from where we started our journey long back is the result of efforts of our team. So, we consistently aim to provide a sustainable environment for learning right from the stage of recruitment to retention.

**Discussion on Financial Performance with respect to operational performance**

Revenue and Profit/(Loss) On Standalone basis, in Financial Year 2023-24, our revenue from operations increased to Rs. 212,10,50,373.71/- as compared to Rs. 99,56,69,924.34/- in the last year. The Company has a profit of Rs. 7 10 47 093/- on standalone basis as compared to Rs. 7,92,82,863/- in previous year.

## INDEPENDENT AUDITOR'S REPORT

To the Members of **G G ENGINEERING LIMITED**

### Report on the Audit of the Financial Statements

#### Opinion

We have audited the financial statements of **G G ENGINEERING LIMITED** ("the Company"), which comprise the balance sheet as at 31 March, 2024, the statement of Profit and Loss (Including Other Comprehensive Income), statement of changes in equity, and the statement of cash flows for the period then ended, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information

Subject to the possible impact due to matters reported in other matters para, in our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2024, its profit and total comprehensive Profit, changes in equity and its cash flows for the period ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. Except for the documents/information related to matters mentioned in other matters para, we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that

were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may

reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

**Annexure “B” to the Independent Auditors Report on the Financial Statements of G G ENGINEERING LIMITED**

(Referred to in paragraph 2 (f) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

**REPORT ON THE INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING UNDER CLAUSE (i) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 (“THE ACT”)**

We have audited the internal financial controls over financial reporting of G G ENGINEERING LIMITED (“the Company”) as of 31 March 2024 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

**MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS**

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**AUDITORS’ RESPONSIBILITY**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on my/our audit conducted in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over Financial Reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

**MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the Financial Statements.

**INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**OPINION**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

## Notes forming part of financial statements for the year ended 31 March 2024

(All figures are in ₹ Lakhs, unless otherwise stated)

### Note 1 : Corporate Information

GG Engineering Limited ("the Company") is a company limited by shares having its registered office at Office No. 203,2nd Floor, Shivam Chambers Coop Soc Ltd. S.V Road,Goregaon West, Near Sahara Apartment Mumbai - 400 104. From Ghaziabad, Uttar Pradesh, the company is trading into Iron and Steel Metals.

### Note 2 : Significant Accounting Policies

#### a. Basis of Preparation

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis, except for certain tangible assets which are being carried at revalued amounts. Pursuant to section 133 of the Companies Act, 2013 read with Rule 7(1) of the Companies (Accounts) Rules, 2014, till the standards of accounting or any addendum thereto are prescribed by Central Government in consultation and recommendation of the National Financial Reporting Authority, the existing Accounting Standards notified under the Companies Act, 1956 shall continue to apply. Consequently, these financial statements have been prepared to comply in all material aspects with the accounting standards notified under Section 211(3C) of the Companies Act, 1956 [Companies (Accounting Standards) Rules, 2006, as amended] and other relevant provisions of the Companies Act, 2013.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Schedule III (Division I) to the Companies Act,2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

#### b. Functional and Presentation currency

These standalone Ind AS financial statements are presented in Indian Rupees (INR), which is the Company's functional currency

#### c. Basis of measurement

The standalone Ind AS financial statements have been prepared on a historical cost basis, except for the following that are measured at fair values at the end of each reporting period: - (i) certain financial assets and liabilities and contingent consideration that is measured at fair value

#### d. First-time adoption

In accordance with Ind AS 101 on First-time adoption of Indian Accounting Standards, the Company's first Ind AS financial statements include, the opening balance sheet as at 1 April,2019; Balance sheet as at 31 March 2020 and 31 March 2021; two statements each of profit and loss, cash flow and changes in Equity for the year ended 31 March 2020 and 31 March 2021 together with related notes.

The same accounting policies have been used for all periods presented, except where the Company has made use of exceptions or exemptions allowed under Ind AS 101 in the presentation of the opening Ind AS balance sheet.

The balance sheets, statements of profit and loss, statements of cash flows and statements of changes in equity of the prior years presented have been recast in accordance with Ind AS.

## Notes forming part of financial statements for the year ended 31 March 2024

(All figures are in ₹ Lakhs, unless otherwise stated)

### e. Tangible Assets

Plant, Property and Equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any, except in case of land which is carried at revalued amount. Cost comprises of the purchase price including import duties and non-refundable taxes, and directly attributable expenses incurred to bring the asset to the location and condition necessary for it to be capable of being operated in the manner intended by management<sup>23</sup>. Subsequent costs related to an item of Property, Plant and Equipment are recognised in the carrying amount of the item if the recognition criteria are met.

Items of Property, Plant and Equipment that have been retired from active use and are held for disposal are stated at the lower of their net carrying amount and net realisable value and are shown separately in the financial statements under the head 'Other current assets'. Any write-down in this regard is recognised immediately in the Statement of Profit and Loss.

Depreciation is provided on a pro-rata basis on the straight-line method over the estimated useful lives of the assets, based on technical evaluation done by management's expert, which are higher than those specified by Schedule II to the Companies Act, 2013, in order to reflect the actual usage of the assets. The depreciation charge for each period is recognised in the Statement of Profit and Loss, unless it is included in the carrying amount of any other asset. The useful life, residual value and the depreciation method are reviewed atleast at each financial year end. If the expectations differ from previous estimates, the changes are accounted for prospectively as a change in accounting estimate.

The estimates of useful lives of tangible assets are as follows :

Assets	Useful Life
Factory Building	60 years
Plant & Machinery	15 years
Vehicle	8 years
Office Equipments	5 years
Furniture	10 years
Computer	3 years
Motor Car & Truck	10 years

### f. Investments

Investments that are readily realisable and are intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as non-current investments. Current investments are valued at fair value. Non-current investments are carried at cost. However, provision for diminution is made to recognise a decline, other than temporary, in the value of non-current investments, such reduction being determined and made for each investment individually.

### g. Inventories

Raw materials, packing materials, stores, spares and consumables are valued at lower of cost and net realisable value. However, these items are realisable at cost if the finished products in which they will be used are expected to be sold at or above cost. Finished goods, stock-in-trade and work-in-progress are valued at lower of cost and net realizable value. Cost is ascertained on weighted average method and in case of finished products and work-in-progress; it includes appropriate production overheads and duties.

**Notes forming part of financial statements for the year ended 31 March 2024**

(All figures are in ₹ Lakhs, unless otherwise stated)

**h. Ind AS 115, Revenue from contracts from Customers**

Ind AS 115 supersedes Ind AS 11, Construction Contracts and Ind AS 18, Revenue. Ind AS 115 requires an entity to report information regarding nature, amount, timing and uncertainty of revenue and cash flows arising from a contract with customers. The principle of Ind AS 115 is that an entity should recognise that demonstrates the transfer of promised goods and services to customer at an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The standard can be applied either retrospectively to each prior reporting period presented or can be applied retrospectively with recognition of cumulative effect of contracts that are not completed contracts at the date of initial application of the standard.

**i. Current Tax**

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date. Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realize the asset and settle the liability on a net basis or simultaneously. Minimum Alternate Tax ('MAT') under the provision of Income tax Act, 1961 is recognised as current tax in the statement of profit and loss. MAT paid in accordance with the laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is a convincing evidence that the company will pay normal tax. Accordingly, MAT is recognised as an asset in the balance sheet when it is probable that the future economic benefit associated with it will flow to the company and included under Deferred tax assets. Current tax assets and liabilities are offset only if, the Company:

1. has a legally enforceable right to set off the recognised amounts; and
2. intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

**j. Deferred Tax**

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for:

- temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction;
- temporary differences related to investments in subsidiaries, associates and joint arrangements to the extent that the Company can control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and
- taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong

## Notes forming part of financial statements for the year ended 31 March 2024

(All figures are in ₹ Lakhs, unless otherwise stated)

evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Company recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets – unrecognized or recognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised. Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously

### k. Provisions and Contingent Liabilities

**Provisions :** Provisions for legal claims, service warranties are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

**Contingent Liabilities :** Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

### l. Earnings per share

(i) Basic earnings per share: - Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the fiscal year

(ii) Diluted earnings per share: -

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after-income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

## Notes forming part of financial statements for the year ended 31 March 2024

(All figures are in ₹ Lakhs, unless otherwise stated)

### m. Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The management assesses the financial performance and position of the Company and makes strategic decisions. The chief operating decision maker, consists of the Managing Director and Chairman of the Company.

### n. Cash and Cash Equivalents

The Company's statement of cash flows is prepared using the Indirect method, whereby profit for the period is adjusted for the effect of transaction of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payment and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

Cash and cash equivalents comprise cash and bank balances and short-term fixed bank deposits that are subject to an insignificant risk of changes in value. These also include bank overdrafts and cash credit facility that form an integral part of the Company's cash management.

### o. Current and Non Current Classification

The Schedule III to the Act requires assets and liabilities to be classified as either current or non-current. The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

#### Assets

An asset is classified as current when it satisfies any of the following criteria:

- (i) it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- (ii) it is expected to be realised within twelve months from the reporting date;
- (iii) it is held primarily for the purposes of being traded; or
- (iv) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date. All other assets are classified as non-current

#### Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- it is expected to be settled in the Company's normal operating cycle;
- it is due to be settled within twelve months from the reporting date;
- it is held primarily for the purposes of being traded; or
- the Company does not have an unconditional right to defer settlement of the liability for at least twelve months from the reporting date.

All other liabilities are classified as non-current.

**Notes forming part of financial statements for the year ended 31 March 2024**

(All figures are in ₹ Lakhs, unless otherwise stated)

**p. Operating Cycle**

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the nature of operations and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for current – non-current classification of assets and liabilities.

**r. CSR Policy**

Reference to the cited provisions of section 135 of the Companies Act, 2013, CSR activities are not applicable on the company.

**Note 33:** As on 31st March 2024, the Company operates in three Primary Segments i.e. Dealing In Shares/Securities, Entertainment services and Trading Division - Infrastructure for the purpose of IND-AS 108 Segmental reporting.

**Operating segments:**

- Trading Division - Infrastructure
- Engineering Based Services
- Marketing Based Services
- Dealing In Shares/Securities

**Identification of segments:**

The chief operational decision maker monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit and loss of the segment and is measured consistently with profit or loss in these financial statements. Operating segments have been identified on the basis of the nature of products.

**Segment revenue and results**

The expenses and income which are not directly attributable to any business segment are shown as unallocable expenditure (net of unallocable income).

The measurement principles of segments are consistent with those used in preparation of these financial statements. There are no inter-segment transfers.

### Note 34: Financial risk management

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board of Directors has established the Risk Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The Committee reports to the Board of Directors on its activities. The Company's risk management policies are established to identify and analyses the risks faced by the Company, to set appropriate risks limits and controls and to monitor risk and adherence to limits. Risk management policies and systems are reviewed periodically to reflect changes in market conditions and the Company's activities. The Company, through its training, standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations. The audit committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit.

#### Credit Risk

Credit risk is the risk of financial loss to the company if a customer or counter party to a financial instrument fails to meet its contractual obligations, and arises principally from the company's receivable from customers. Credit risk is managed through credit approvals establishing credit limits and continuously monitoring the creditworthiness of customers to which the company grants credit terms in the normal course of business. The company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade receivables and other financial assets.

### Liquidity Risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring as far as possible, that it will all ways have sufficient liquidity to meets it liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to Company's reputation.

### Market Risk

Market risk is the risk that changes in market prices- such as foreign exchange rates, interest rates and equity prices- will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payable and long term debt. We are exposed to market risk primarily related to foreign exchange rate risk. Thus, our exposure to market risk is a function of revenue generating and operating activities in foreign currency. The objective of market risk management is to avoid excessive in our foreign currency revenues and costs. The Company uses derivative to manage market risk.

### B. **Fair value measurements recognised in the statement of financial position:**

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 based on the degree to which the fair value is observable.

Level 1 fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

Particulars	As at 31 March 2024			As at 31 March 2023		
	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3
<b>At Amortised Cost</b>						
Trade Receivables			12,851.20			-
Cash & Cash equivalents			147.53			175.14
Loans and Advances			4,075.94			55.65
<b>Subtotal</b>	-	-	<b>17,074.67</b>	-	-	<b>230.79</b>
<b>Financial Liabilities</b>						
<b>At Amortised Cost</b>						
Borrowings			284.32			172.32
Trade Payables			2,075.84			3,993.33
<b>Subtotal</b>	-	-	<b>2,360.16</b>	-	-	<b>4,165.65</b>

The fair value of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

Cash and cash equivalents, Trade receivables, Other current Financial assets, Trade payable and other current Financial liabilities approximate their carrying amounts largely due to the short-term maturities or nature of these instruments.
