Review Report of the Standalone Quarterly Unaudited Financial Results of the JAUSS Polymers Limited Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, (as amended)

Review Report to
The Board of Directors
Jauss Polymers Limited

We have reviewed accompanying Standalone statements of unaudited financial results (the "statement") of **Jauss Polymers Limited** for the Quarter Ended **June 30th, 2024** Being submitted by the company Pursuant to the Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations. 2015.

The Statement, which is the responsibility of Company's management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 (Ind AS 34) "Interim financial Reporting", prescribed under Section 133 of the Companies Act, 2013 as amended read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

We conducted our review in of the statement accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim financial Information Performed by the independent Auditor of the entity" issued by the Institute of Chartered Accountants of India This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures, A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion

Basis for Adverse Conclusion

The Company's financial statements have been prepared by using the going concern basis of accounting. The use of the going concern basis of accounting is appropriate unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. We found that during the financial year turnover is nil. In previous financial years, the company has suffered significant losses and sold its plant and machinery in FY 2020-21, which indicates that the company has ceased to operate. Hence these are the significant events or conditions which cast the material uncertainty on the Company's ability to continue as a going concern, We extended our review procedure to mitigate the uncertainty and found that:

1. management has not yet performed an assessment of the entity's ability to continue as a going concern despite requesting management to make its assessment.
2. management has not provided any plans for future actions in relation to its going concern assessment hence we are unable to conclude whether the outcome of these plans is likely to improve the situation and whether management's plans are feasible in the circumstances.
3. The entity has not prepared a cash flow forecast to evaluation of management's plans for future actions.

Adverse Conclusion

Based on our review conducted as above, there is no realistic alternative to justify the management ability to continue as a going concern, the accompanying standalone financial statement does not give a true and fair view in conformity with the recognition and measurement principles laid down in the aforesaid Ind AS 34 specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India has disclosed the information required to be disclosed in terms of the Listing Regulations, 2015, read with SEBI Circular no.
