22. The Board of Directors has appointed M/s B S S & Associates, Company Secretaries, as the Scrutinizer to scrutinize the remote e-voting and e-voting during the AGM in a fair and transparent manner. The Scrutinizer's decision on the validity of the vote shall be final.
23. The Scrutinizer will make a consolidated Scrutinizer's Report of the total votes cast in favour or against and invalid votes, if any, to the Chairman / Managing Director of the Company or in his absence to any other Director authorized by the Board of Directors, who shall countersign the same. Based on the Scrutinizer's Report, the result will be declared by the Chairman / Managing Director or in his absence by the Company Secretary within two working days from the conclusion of the AGM at the Registered Office of the Company. Subject to receipt of requisite number of votes, the resolutions shall be deemed to be passed on the date of the AGM i.e., September 24th 2024.
24. The Results declared along with the consolidated Scrutinizer's Report shall be hosted on the website of the Company i.e. www.kabsons.co.in. The results shall simultaneously be communicated to BSE Limited.

KABSONS INDUSTRIES LIMITED

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- (i) The voting period begins on Saturday, 21st day of September, 2024 at 9.00 a.m. IST and ends on Monday, 23rd day of September, 2024 at 5.00 p.m. IST. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date Tuesday, the 17th day of September, 2024 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/ retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

Explanatory Statement

Item No. 3 – Appointment of Mr.Deepak Khosla., as an Independent Director

Pursuant to Section 161 of the Companies Act, 2013, the Board, on August 21, appointed Mr.Deepak Khosla, as an Additional Director in the capacity of Independent Director of the Company for a term of 5 (five) years with effect from August 21, 2024 to August 20, 2029 (both days inclusive) subject to the approval of the shareholders through a special resolution.

The Company has received the following from Mr.Deepak Khosla, :

- (i) Consent in writing to act as Director in Form DIR-2 pursuant to Rule 8 of the Companies (Appointment & Qualification of Directors) Rules, 2014 (“the Appointment Rules”);
- (ii) Intimation in Form DIR-8 in terms of the Appointment Rules to the effect that he is not disqualified under sub-section (2) of Section 164 of the Act;
- (iii) A declaration to the effect that he meets the criteria of independence as provided in sub-section (6) of Section 149 of the Act and under the LODR Regulations;
- (iv) Declaration pursuant to BSE Circular No. LIST/COMP/14/2018-19 dated June 20, 2018, that he has not been debarred from holding office of a director by virtue of any order passed by SEBI or any other such authority;
- (v) Confirmation that he is not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact his ability to discharge his duties as an Independent Director of the Company;
- (vi) A declaration that he is in compliance with Rules 6(1) and 6(2) of the Companies (Appointment and Qualification of Directors) Rules, 2014, with respect to his registration with the data bank of independent directors maintained by the Indian Institute of Corporate Affairs.

The Nomination and Remuneration Committee (NRC) had previously finalized the desired attributes for the selection of the independent director(s). Based on those attributes, the NRC recommended the candidature of Mr.Deepak Khosla, as an Independent Director. In the opinion of the Board, he fulfils the conditions for independence specified in the Act, the Rules made thereunder, the LODR Regulations and such other laws / regulations for the time being in force, to the extent applicable to the Company. The Board noted that Mr.Deepak Khosla, background and experience are aligned to the role and capabilities identified by the NRC and that he is eligible for appointment as an Independent Director.

In compliance with Section 149 read with Schedule IV to the Act and Regulation 25 of the LODR Regulations, the approval of the Members is sought for the appointment of Mr.Deepak Khosla, as an Independent Director of the Company, as a special resolution.

No director, KMP or their relatives except Mr.Deepak Khosla., to whom the resolution relates, is interested in or concerned, financially or otherwise, in passing the proposed resolution set out in item no. 3.

KABSONS INDUSTRIES LIMITED

The Board of Directors recommends that the Members of the Company approve the Special Resolution set out in Item No. 3 of the Notice.

Item No. 4:

The Company had received separate request letters on August 13, 2024 from the following persons belonging to the Promoter and Promoter Group of the Company for reclassification from the 'Promoter and Promoter Group' category to 'Public' category shareholder in accordance with Regulation 31A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('SEBI Listing Regulations'):

Sl No.	Name of shareholder		No of shares held in the company	Percentage of shareholding in the Company
1	Satish Kabra		81,000	0.46
2	Ruchira Kabra	<i>W/o. Satish Kabra</i>	500	0
3	Kabsons Gas Equipment Pvt Ltd	<i>(Controlled by Sri.</i>	7,38,452	4.23
4	Prakun Equipments Private Limited	<i>Satish Kabra and/or</i>	20,000	0.11
5	Gasolec Appliances Private Limited	<i>his immediate relative</i>	16,600	0.1
		Total	8,56,552	4.90

Mr. Satish Kabra was included in the 'Promoter and Promoter Group' merely because of his relation ("brother") as per the definition of Promoter Group as provided in Regulation 2(1) (pp) of SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 as amended, and his wife and companies which were controlled by him do not fall within the ambit of said definition. Mr. Sathish Kabra is financially independent and take independent investment decisions, without consulting other Members of the Promoter/Promoter Group. They are in no way controlling or participating in any of the business activities carried out by the Company. Mr. Sathish Kabra, his wife and three companies have in their respective request letters informed the Company that they are not involved in the operations of the Company in any manner whatsoever and neither exercise any control over the Company, directly or indirectly, nor do they have any influence over the Board of Directors or hold any Key Managerial Personnel position in the Company.

Mr. Satish Kabra, Mrs. Ruchira Kabra, Kabsons Gas Equipment Pvt Ltd, Prakun Equipments Private Limited and Gasolec Appliances Private Limited, in their respective request letters, have also separately confirmed that they each one of them along with persons related to them:

- does not hold more than 10% of the voting rights in the Company;
- does not exercise control over the affairs of the Company directly or indirectly;
- does not have any special rights with respect to the Company through formal or informal arrangements including through any shareholder agreements;
- is not on the Board of Directors of the Company and are not represented on the Board (including not having a nominee director) of the Company;
- is not acting as Key Managerial Personnel in the Company;
- is not 'wilful defaulter' as per the Reserve Bank of India Guidelines; and
- is not fugitive economic offenders.

In view of the above, and on the basis of the above rationale and the confirmations received from each of the persons mentioned above, the Board of Directors of the Company, at its meeting held on August 13, 2024, analyzed the requests made by Mr. Satish Kabra, Mrs. Ruchira Kabra, Kabsons Gas Equipment Pvt Ltd, Prakun Equipments Private Limited and Gasolec Appliances Private Limited and in compliance with Regulation 31A of the SEBI Listing Regulations, approved the request for reclassification, inter alia subject to approval by the members, the Stock Exchange where the shares of the Company are listed i.e. BSE Limited and/or such other approval, if any as may be necessary in this regard. As required under Regulation 31A(8) of the SEBI Listing Regulations, the Company had intimated the Stock Exchange on August 13, 2024 regarding receipt of reclassification requests from Mr. Satish Kabra, Mrs. Ruchira Kabra, Kabsons Gas Equipment Pvt Ltd, Prakun Equipments Private Limited and Gasolec Appliances Private Limited.

In accordance with Regulation 31A of the SEBI Listing Regulations, the reclassification of status of a shareholder from the 'Promoter and Promoter Group' category to the 'Public' category, inter alia requires approval of the Members of the Company. Therefore, the aforesaid requests are being placed before the Members of the Company for approval by way of an Ordinary Resolution.

KABSONS INDUSTRIES LIMITED

The Members may note that Company is in compliance with the requirement for minimum public shareholding as required under Regulation 38 of the SEBI Listing Regulations. The Company neither has trading in its shares suspended by the Stock Exchange nor any outstanding dues to the SEBI, Stock Exchange and the Depositories as mentioned in Regulation 31A(3)(c) of the SEBI Listing Regulations. The Promoter(s) seeking reclassification and persons related to them shall not vote to approve such reclassification request.

None of the Directors or Key Managerial Personnel of the Company (except Mr. Rajiv Kabra and Ms. Riha Kabra) or their relatives, are in anyway concerned or interested in the proposed resolution as set out in Item No. 4 of the Notice.

The Board of Directors recommends that the Members of the Company approve the Ordinary Resolution set out in Item No. 4 of the Notice.

Item No.5

As per section 181 of the Companies Act, 2013, approvals of the members is necessary for contribution to any Charitable Trust, NGO and other funds not directly relating to the business of the company or the welfare of its employees any amount the aggregate of which will, in any financial year exceed 5% of the Company average net profit during the 3 financial year immediately preceding.

The Company has been receiving a number of application and request for contribution to charitable, NGO and other funds for various noble causes. As a gesture of munificence, the Company has to make donations and keep its commitment towards the society. Hence your Board seeks the approvals for donation up-to Rs.20,00,000/- (Rupees Twenty Lakhs only) during the financial year 2024-2025, since the amount seeks to donate is higher amount than the limit as stipulated vide the provision of section 181 of the Companies Act, 2013 and accordingly the resolution is proposed for the approval.

None of the Directors and KMP, except Sri. Rajiv Kabra, Ms. Riha Kabra and Mr. Krishna Murthy M, CFO and their relatives are interested or concerned financially or otherwise in the proposed resolution.

The Board of Directors recommends that the Members of the Company approve the Ordinary Resolution set out in Item No. 4 of the Notice.

Item No.6

Sri Rajiv Kabra has been associated with the Company since its inception. The Board, based on the recommendation of the Nomination and Remuneration Committee and subject to the approval of the members, has approved the re-appointment of Sri Rajiv Kabra as Managing director for a further period of five years with effect from August 1, 2024, until July 31, 2029. This re-appointment will be on a continuation basis without any interruption or break in service, and will be subject to various terms and conditions.

The Board recommends the passing of the Resolution at Item No. 6 as a Special Resolution.

Except Mr. Rajiv Kabra and Ms. Riha Kabra, none of the Directors or Key Managerial Personnels or their relatives are, in any way, concerned or interested, financially or otherwise, in the said resolution

MANAGEMENT DISCUSSION AND ANALYSIS

Industry Structure and Developments

The LPG sector is on track to achieve a compound annual growth rate (CAGR) of over 3.5% from 2022 to 2027. This growth trajectory is driven by increased demand across the Domestic, Industrial, Automobile, and Commercial sectors in India. The government's push towards cleaner fuels continues to propel this demand, reinforcing the sector's expansion.

In recent years, the number of LPG Bottling Plants in India has risen significantly, reaching a total of 202 according to the PPAC Report. This increase reflects a steady surge in LPG demand. Notably, India is projected to surpass China and become the world's largest LPG consumer for residential purposes by 2030.

Government initiatives have played a crucial role in this expansion, with LPG coverage in India now approaching 100%, a dramatic increase from 61.9% in April 2016.

Opportunities and Threats

Opportunities: The Central Government's potential move to allow private companies to sell subsidized LPG could challenge the current monopoly held by state-owned oil marketing companies. A 5-Member Committee was established on May 30, 2019, to review LPG marketing frameworks and assess the need for policy liberalization to boost private sector participation. However, progress on this front has been slow.

KABSONS INDUSTRIES LIMITED

Threats: While the LPG sector faces few immediate threats, the long-term outlook includes competition from Piped Natural Gas (PNG) and Electric Vehicles (EVs). Despite the complexities and significant investments required to advance PNG and EV infrastructure, including lower disposable incomes and geographical challenges, these factors could pose future risks.

Risk Management

Risk management is a core aspect of our business strategy. We identify, evaluate, and control risks through comprehensive mitigation strategies. In a highly competitive market, maintaining service revenue remains a priority.

Outlook

For FY 2023-24, our revenue continues to be bolstered by servicing large private clients and leasing facilities, including the new factory shed in Aurangabad, operational since April 2023. All company plants remain active, either through our operations, third-party bottling, or leasing, with the exception of the Jaipur LPG Bottling Plant. We are focused on enhancing revenue by introducing AEROSOL-grade LPG in 33kg cylinders under our brand "KABSONS" and 17kg cylinders for commercial and industrial use at our Rohtak plant. We anticipate significant growth in LPG demand across residential, auto LPG, commercial, and industrial segments.

Internal Financial Control and Its Adequacy

The Board has established internal financial controls that comply with the Companies Act, 2013 and Stock Exchange Listing Regulations. These controls are designed to ensure efficient business conduct, asset protection, fraud prevention, accurate accounting records, and reliable financial reporting.

Financial Performance Discussion

For FY 2023-24, the company reported a total income of Rs. 284,833.91 thousand, a substantial increase from Rs. 173,329.86 thousand in FY 2022-23. Profit after tax surged to Rs. 26,057.03 thousand, up from Rs. 7,896.82 thousand the previous year. This represents a remarkable 229.97% increase in total revenue and a 77.19% rise in net profit compared to the prior financial year.

Human Resources and Industrial Relations

Our management values employees as vital assets, focusing on their development, motivation, and retention. As of the end of the year, the company employed 22 individuals.

KABSONS INDUSTRIES LIMITED

Independent Auditor's Report

To the members of **KABSONS INDUSTRIES LIMITED**, Hyderabad

Report on the Financial Statements:

Qualified Opinion

We have audited the accompanying financial statements of **KABSONS INDUSTRIES LIMITED** ("the company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of the material accounting policies and other explanatory information (herein after referred to as "the financial statements")

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the **Basis for Qualified Opinion** section of our report, the accompanying financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standard) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

The Company has not adopted and complied with the requirements of Ind AS-19 'Employee Benefits' in respect of the Gratuity liability which constitute a departure from the Accounting standards mentioned in the Companies (Indian Accounting Standards) Rules 2015 referred in section 133 of the Act. In view of this the liability of the company in this regard could not be ascertained. Consequently, we are unable to comment about the impact of the same on the profit for the year, income tax and shareholder's funds.

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the *Auditors responsibility for the Audit of Financial Statements* section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Emphasis of matter

We draw attention to Note 33.1 in the financial statements which states that the Company had decided not to provide interest on dealer/distributor deposits for the reasons explained in the said note. Our opinion is not modified in this regard.

Key Audit Matters

Key Audit matters are those matters that in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Deferred Tax Assets

Key Audit matter description:

The Company has not recognised deferred tax asset for deductible temporary differences and unused tax losses. As, the utilization of deferred tax assets is dependent on the company's ability to generate future taxable profits sufficient to utilize deductible temporary differences and tax losses before they expire. We determined this to be a key audit matter due to inherent limitations in estimation and uncertainty in forecasting the amount and timing of future taxable profits and the reversal of temporary differences and utilization of tax losses.

Management has supported the non-utilization of the deferred tax assets mainly with taxable income projections which contain estimates of and tax strategies for future taxable income. Changes in the industrial scenario, the business and its markets and changes in regulations may impact these projections.

KABSONS INDUSTRIES LIMITED

Principal Audit procedures

Our audit procedures include, among others, evaluating the future estimated business projections and projected tax computations prepared by the company to assess the recognition and measurement of the current tax and deferred tax assets and liabilities and evaluate the compliance with tax legislation. We paid attention to Long-term Forecasts and critically assessed the assumptions and judgements underlying these forecasts by considering the historical accuracy of forecasts and the sensitivities of the profit forecasts. We assessed the adequacy and the level of estimation involved.

Report on Other information other than Financial statements

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements:

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;

KABSONS INDUSTRIES LIMITED

- obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls;
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors (i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure "A"**, a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
- 2) As required by Section 143(3) of the Companies Act, 2013 we report that:

ANNEXURE-'B' TO THE INDEPENDENT AUDITORS' REPORT

The Annexure referred to in Paragraph 2(f) under the heading "Report on other Legal and Regulatory Requirements" of our report of even date, to the members of **KABSONS INDUSTRIES LIMITED** for the year ended 31st March 2024

Report on the Internal Financial Controls under Clause(i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of **KABSONS INDUSTRIES LIMITED** ("the Company") as of 31st March 2024 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls with reference to financial statements

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal financial control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the "Guidance Note on Audit of Internal Financial Controls over financial reporting" issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standard on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is insufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made

KABSONS INDUSTRIES LIMITED

only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March 2024, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over financial reporting issued by the Institute of Chartered Accountants of India.

KABSONS INDUSTRIES LIMITED

CORPORATE INFORMATION

Kabsons Industries Limited (the 'company') is a public limited company domiciled and incorporated in India under the Companies Act, 1956. The registered office of the company is located at Madhuw Vihar, 2nd Floor, Plot No.17, H.No.8-2-293/82/C/17, Road No.7, Jubilee Hills, Hyderabad, Telangana - 500033.

The company is engaged in the business of bottling and selling LP Gas under the brand name "KABSONS". The Company's shares are listed on BSE Ltd

1. MATERIAL ACCOUNTING POLICIES

Statement of compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and other accounting principles generally accepted in India.

1.1. Basis of Preparation and Measurement:

The financial statements have been prepared on a historical cost basis, except for financial instruments which have been measured at fair value at the end of each reporting period, as explained in the accounting policies mentioned below.

Use of estimates and judgements

The preparation of the financial statements requires that the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates. The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

1.2. Current Vs Non-current classifications:

Any asset or liability is classified as current if it satisfies any of the following conditions:

- i) The asset/liability is expected to be realised/ settled in the Company's normal operating cycle.
- ii) The asset is intended for sale or consumption.
- iii) The asset/liability is held primarily for the purpose of trading.
- iv) The asset/liability is expected to be realised/ settled within twelve months after the reporting period.
- v) The asset is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.
- vi) In the case of liability, the Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

All other assets and liabilities are classified as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

1.3.1 Property, Plant and Equipment:

• Measurement at recognition

An item of property, plant and equipment that qualifies as an asset is measured on initial recognition at cost. Following initial recognition, items of property, plant and equipment other than land are carried at their cost less accumulated depreciation and accumulated impairment losses. Freehold land is carried at cost of acquisition.

The cost of an item of property, plant and equipment comprises the purchase price and any cost attributable to bring the asset to its location and working condition for its intended use. Borrowing

KABSONS INDUSTRIES LIMITED

costs relating to acquisition of property, plant and equipment which take substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to put to use. Items such as spare parts, stand-by equipment and servicing equipment that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Costs in nature of repairs and maintenance are recognized in the Statement of Profit and Loss as and when incurred.

- **Capital Work in Progress**

Cost of assets not ready for intended use, as on the Balance Sheet date, is shown as capital work in progress. Advances given towards acquisition of fixed assets outstanding at each Balance Sheet date are disclosed as Other Non-Current Assets.

- **Depreciation and amortization methods**

- a) Depreciation is provided on Straight Line Method on the assets over the useful lives specified in Schedule II to the Companies Act, 2013.
- b) Depreciation on additions is being provided on pro rata basis from the date of such additions. Depreciation on assets sold, discarded or demolished during the year is being provided up to the date on which such assets are sold, discarded or demolished.

- **Impairment**

a) Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less cost of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

b) Reversal of impairment losses recognized in prior years is recorded when there is an indication that the impairment losses recognized for the asset are no longer existing or have decreased.

- **Derecognition**

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the Derecognition of an item of property, plant and equipment is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the Statement of Profit and Loss when the item is derecognized.

1.3.2 Intangible Assets:

- **Computer Software**

Computer software is measured on initial recognition at cost. Following initial recognition, software is carried at its cost less accumulated amortization and accumulated impairment losses.

- **Amortization Methods**

The carrying amount of computer software is amortized over the useful life.

- **Derecognition**

The carrying amount of an intangible asset is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the Derecognition of an intangible asset is measured as the difference between the net disposal proceeds and the carrying amount of the intangible asset and is recognized in the Statement of Profit and Loss when the asset is derecognized.

**Leases**

The Company assesses whether a contract contains a lease, at the inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee, The Company recognizes a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the site on which it is located, less any lease incentives received. Certain lease arrangements include the option to extend or terminate the lease before the end of the lease term. The right-of-use assets and lease liabilities include these options when it is reasonably certain that the option will be exercised. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability. The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

The lease liability is subsequently measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if there is a change in the lease payments or a change in the assessment of an option to purchase the underlying asset. For a lease modification that is not a separate lease, at the effective date of the modification, the lessee accounts for the lease modification by remeasuring the lease liability using a discount rate determined at that date and the lessee makes a corresponding adjustment to the right-of-use asset. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero. Lease payments have been classified as financing activities in the Statement of Cash Flow. The Company has elected not to recognise right-of-use assets and lease liabilities for short term leases that have a lease term of less than or equal to 12 months with no purchase option and assets with low value leases. The Company recognises the lease payments associated with these leases as an expense in statement of profit and loss over the lease term. The related cash flows are classified as operating activities.

Company as a lessor, Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognized on a straight-line basis over the term of the relevant lease. Contingent rents are recognized as revenue in the period in which they are earned. Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Company didn't enter into any finance lease agreements.

1.3.3 Cash and cash equivalents:

Cash and cash equivalents include cash on hand and at bank, deposits held at call with banks, with original maturities of three months or less other short term highly liquid investments that are readily convertible to a known amount of cash which are subject to an insignificant risk of changes in value and are held for meeting short-term cash commitments.

1.3.4 Inventories

Inventories are valued at the lower cost and net realizable value.

Scrap is valued at Net realizable value.

The cost is computed on First in First Out.

Cost of Stock-in-trade, stores and packing material comprises cost of purchases and includes all other costs incurred in bringing the inventories to their present location and condition.

Net realizable value is the estimated selling price in the ordinary course of business less the

estimated costs of completion and the estimated costs necessary to make the sale.

Spare parts, stand-by equipment and servicing equipment are recognized in accordance with this IndAS-16 when they meet the definition of Property, Plant and Equipment. Otherwise, such items are classified as inventory.

1.3.5 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

- **Initial recognition and measurement:**

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in statement of profit or loss.

- **Subsequent measurement:**

For subsequent measurement, the Company classifies its financial assets into the following categories:

- (i) Amortized cost
- (ii) Fair value through profit and loss (FVTPL)
- (iii) Fair value through other comprehensive income (FVTOCI).

- a) Financial Asset measured at amortized cost**

Financial Assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost using effective interest rate (EIR) method. The EIR amortization is recognized as finance income in the statement of Profit & Loss.

The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and transaction costs and other premiums or discounts) through the expected life of the financial assets, or where appropriate, a shorter period, to the gross carrying amount on initial recognition.

The company while applying above criteria has classified all the financial assets (except investments in mutual funds) at amortized cost.

- b) Financial Asset measured at fair value through other comprehensive income**

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognized in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognized in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

The company while applying above criteria has identified that there are no financial assets that can be classified at fair value through other comprehensive income

- c) Financial Asset measured at fair value through profit and loss (FVTPL)**

Financial Assets are measured at fair value through Profit & Loss if it does not meet the criteria for classification as measured at amortized cost or at FVTOCI. All fair value changes are recognized in the statement of Profit & Loss.

Investments in Mutual funds are classified as financial assets measured at FVTPL.

- **Impairment**

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the debt instruments, that are measured at amortized cost e.g., loans, debt securities, deposits, trade receivables and bank balance.

KABSONS INDUSTRIES LIMITED

Expected credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive.

The management uses a provision matrix to determine the impairment loss on the portfolio of trade and other receivables. Provision matrices based on its historically observed expected credit loss rates over the expected life of the trade receivables and is adjusted for forward-looking estimates.

Expected credit loss allowance or reversal recognized during the period is recognized as income or expense, as the case may be, in the statement of profit and loss. In case of balance sheet, it is shown as reduction from the specific financial asset.

- **Derecognition**

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

- **Financial Liabilities**

- **Initial Recognition and Measurement**

Financial liabilities are recognized initially at fair value plus any transaction cost that are attributable to the acquisition of the financial liability except financial liabilities at FVTPL that are measured at fair value.

- **Subsequent Measurement**

- a. **Financial liabilities at fair value through profit or loss**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Gain or losses on liabilities held for trading are recognized in the profit or loss. The Company doesn't designate any financial liability at fair value through profit or loss.

- b. **Financial liabilities at amortized cost**

All financial liabilities of the Company are subsequently measured at amortized cost using the effective interest method.

- **Derecognition**

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

1.3.6 Revenue

Revenue from contract with customer is recognized upon transfer of control of promised products or services to customers on complete satisfaction of performance obligations for an amount that reflects the consideration which the Company expects to receive in exchange for those products or services. Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other incentives, if any, as per contracts with the customers. Revenue also excludes taxes or amounts collected from customers in its capacity as agent.

- **Sale of goods:**

Revenue is recognized when the significant risks and rewards of ownership of goods have passed to the buyer. Amounts disclosed as revenue are net of returns, trade allowances, rebates, GST.

- **Rendering of Services**

Revenue from services rendered is recognized when the work is performed and as per the terms of agreement.

- **Interest / Dividend**

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition. Dividend income is recognized when right to receive is established.

1.3.7 Prior period items

In case prior period adjustments are material in nature, the Company prepares the restated financial statements as required under Ind AS 8 - "Accounting Policies, Changes in Accounting Estimates

KABSONS INDUSTRIES LIMITED

and Errors". Immaterial items pertaining to prior periods are shown under respective items in the Statement of Profit and Loss.

1.3.8 Income taxes

Income tax expense for the year comprises current tax and deferred tax. It is recognized in the Statement of Profit and Loss except to the extent it relates to a business combination or to an item which is recognized directly in equity or in other comprehensive income.

Current tax is the expected tax payable/receivable on the taxable income/loss for the year using applicable tax rates at the Balance Sheet date, and any adjustment to taxes in respect of previous years. Interest expense if any, related to income tax are included in current tax expense.

Deferred tax Deferred tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

1.3.9 Provisions and contingent liabilities

Provisions are recognized when there is a present legal or constructive obligation that can be estimated reliably, as a result of a past event, when it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provisions are reviewed at each reporting date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provisions are reversed. Where the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provisions due to the passage of time is recognized as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

1.3.10 Earnings per share

The Company presents basic and diluted earnings per share ("EPS") data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares, which includes all stock options granted to employees.

1.3.11 Functional and Reporting Currency:

The Company's functional and reporting currency is Indian National Rupee.

- **Initial Recognition:**

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amounts the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

- **Conversion on reporting date:**

Foreign currency monetary items are reported using the closing rate with reference to RBI rate on non-monetary items that are measured in terms of historical costing a foreign currency is translated using the exchange rates at the dates of the initial transactions.

KABSONS INDUSTRIES LIMITED

- **Exchange Differences:**

Exchange difference arising on the settlement of monetary items or on reporting monetary items of Company at rates different from those at which they were initially recorded during the year or reported in previous financial statements are recognized as income or as expenses in the year in which they arise.

1.3.11 Employee Benefits

- **Defined Contribution Plan**

Employer's contribution to Provident Fund/Employee State Insurance which is in the nature of defined contribution scheme is expensed off when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the fund.

- **Defined Benefit Plan**

- a. Gratuity**

Gratuity liability is defined benefit obligation. Such liability is provided only for employees who have completed 5 years of continuous service as per the provisions of the Payment of Gratuity Act, 1972.

- b. Compensated absences**

Compensated absences which are defined benefit obligation are provided for based on number of leaves outstanding as on balance sheet date according to the policy of the company.

1.3.12 Dividends

Annual dividend distribution to the shareholders is recognized as a liability in the period in which the dividend is approved by the shareholders in Statement of changes in Equity. Any interim dividend paid is recognized on approval by Board of Directors.

1.3.13 Investment property

- Assets which are held for long-term rental yields or for capital appreciation or both, are classified as Investment Properties. Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any. The Company has elected to regard previous GAAP carrying values of investment properties as deemed cost at the date of transition to Ind AS.
- The Company depreciates investment properties over their estimated useful lives, as specified in Schedule II to the Companies Act, 2013.
- Investment properties are derecognised either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in Statement of Profit and Loss in the period in which the property is derecognized.

b) (i) Estimated amount of contracts to be executed on capital account–NIL

33.1 Dealers / Distributorship Deposits : The company has been putting efforts to contact the dealers and distributors to repay these long outstanding amounts, but no proper responses have been received from the parties. In view of this the company decided not to provide interest against these deposits. The management will take appropriate action to deal with these deposits in the financial year 2024-25.

33.2 Disclosures in accordance with Companies (Indian Accounting Standards) Rules, 2015 notified by the Central Government:

33.2.1 Capital Management

The company's capital management is intended to create value for shareholders on meeting of long-term and short-term goals of the company.

The company determines the amount of capital required on the basis of annual operating plans and other strategic investment plans. The funding requirements are met through equity and other long-term/short term borrowings.

The company's policy is aimed at combination of short term and long-term borrowings. The company monitors the capital structure and raises the funds depending on the requirements.

Gearing Ratio: at present the Company has no debt other than trade payable and other current Liabilities

Net debt to equity ratio (c)/(d)	-7.91%	-2.55%

33.2.2 Income Taxes

i. Current tax:

No provision for tax is required due to unabsorbed depreciation. MAT provisions u/s 115JB are not applicable since the company opted for section 115BAA Concessional rates of Income Tax.

ii. Deferred tax:

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. Deferred tax assets are not recognized considering the probability of availability of taxable profits in the near future to recover the deferred tax asset.

iii Reconciliation of Tax Expense and Accounting profit multiplied by Applicable tax rate

KABSONS INDUSTRIES LIMITED

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into level 1 to level 3 as described below.

Level 1 – Quoted prices in an active market:

This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities. This category consists of mutual fund investments.

Level 2 – Valuation techniques with observable inputs:

This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices). There are no Financial Instruments to be classified under this category.

Level 3 – Valuation techniques with significant unobservable inputs:

This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. There are no Financial Instruments to be classified under this category.

33.2.7 Financial Risk Management Objectives and Policies

The company is exposed to financial risks arising from its operations and the use of financial instruments. The key financial risks include interest rate risk, foreign currency risk, market risk, credit risk and liquidity risk. The company has a risk management policy which not only covers the foreign exchange risks, but also other risks associated with financial assets and liabilities such as interest rate risks and credit risks. The risk management framework aims to:

1. Create a stable business planning environment by reducing the impact of currency and interest rate fluctuations on the company's business plan.
2. Achieve greater predictability to earnings by determining the financial value of the expected earnings in advance.

The following sections provide the details regarding the Company's exposure to the financial risks associated with financial instruments held in the ordinary course of business and the objectives policies and processes for the management of these risks.

(i) Market Risk:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk currency rate risk, interest rate risk and other price risks such as equity risk. Financial instruments affected by market risk include deposits and mutual funds.

a. Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of the Company and the Company's financial instruments will fluctuate because of changes in market interest rates. Since the Company has no interest-bearing debts, exposure to interest rate risk is minimal.

b. Foreign Currency Risk

Currency risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates. Currency risk arises when transactions are denominated in foreign currencies.

The Company has no transactional currency exposures arising from goods supplied or received that are denominated in a currency other than the functional currency. Hence exposure to foreign currency risk is Nil.

c. Other price risk

Other price risk is the risk that the fair value or future cash flows of the Company's financial instruments will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer or by factors affecting all similar financial instruments traded in the market.

KABSONS INDUSTRIES LIMITED

The Company is exposed to price risk arising mainly from investments in Mutual Funds recognized at FVTPL.

Sensitivity analysis of 1% change in price of security as on reporting date

Particulars	Impact on Profit & Loss		Impact on OCI	
	2023-24	2022-23	2023-24	2022-23
Mutual Fund (1% Movement)				
1% increase	300.96	244.63	Nil	Nil
1% decrease	(300.96)	(2,44.63)	Nil	Nil

(ii) Credit Risk:

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The credit risk arises from its operation activity primarily from trade receivable and from its financial activity. Customer credit risk is controlled by analysis of credit limit and credit worthiness of the customer on a continuous basis to whom the credit has been granted.

Long outstanding receivable from customer are regularly monitored. The maximum exposure to credit risk at the reporting date is the carrying value of trade and other receivable.

(iii) Liquidity Risk:

The risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

The company ensures that it has sufficient cash on demand to meet expected operational demands including the servicing of financial obligations; this excludes the potential impact of extreme circumstances that cannot reasonably be predicted.

The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:
