Sub: Submission of Annual Report for the financial year 2023-24 and Notice convening 40th Annual General Meeting

Dear Sir/Madam,

Pursuant to the Regulation 30 and Regulation 34 of the SEBI (Listing Obligations & Disclosure Requirement) Regulations, 2015, we submit herewith Annual Report of the Company for the financial year 2023-24 along with Notice convening the 40th Annual General Meeting (AGM) of the Company to be held on Thursday, the 26th day of September, 2024 at 10.30 AM Indian Standard Time (IST) at Hotel Namastasya, Bye Pass Road, near New Bus Stand, Lawi Khurd, Solan, Himachal Pradesh 173212.

The Annual Report and Notice are also available on the Company's website at www.shivalikbimetals.com.

This is for the information of the exchange(s) and the members.

CHARTING SUSTAINED GROWTH THROUGH ADVERSITY

With the world undergoing profound shifts towards electrification, we proudly present our FY2024 Annual Report, reflecting a journey of resilience, innovation, and strategic foresight.

Amidst global economic swings, we have emerged as a stalwart in the electrical components industry. Our commitment to technological advancement and adaptability to market challenges has safeguarded our position in the journey towards sustained growth. Our diversified product portfolio is at the heart of our resilience, spanning shunt resistors, bimetal/trimetal strips, and electrical contacts. These pillars and our relentless pursuit of excellence in manufacturing precision have solidified our reputation as an industry leader. While our strips and shunt businesses remain the two focal pillars of our business, we also took early steps to elevate our contacts business to become a third meaningful pillar for projecting our long-term growth.

Throughout FY2024, we indulged in discussions with existing and new OEM clients for our standard and bespoke products, a testament to our ongoing adaptability in a rapidly evolving applications landscape. With engineering excellence as our backbone, we are forging enduring relationships that will keep us highly relevant in cutting-edge and sensitive applications.

While navigating regional slowdowns, competition, and commodity price fluctuations, we focused on protecting our margins, enhancing our productivity, and deepening our competitive moats. This strategic approach shielded us from the adverse North Atlantic market conditions and paved the way for us to leverage the business growth we witnessed from India's massive smart-meter transition.

Furthermore, as markets recover, our dedication to customer satisfaction and partnership excellence is leading to a more profound recognition of our franchise from both existing and new OEMs and partners. This is a testament to the trust and confidence they are willing to place in us as the primary provider of cutting-edge electrical components.

We remain focused on further diversifying our product portfolio and fostering sustained growth in advanced and emerging markets. As the world weans itself off fossil fuels and continues its journey towards further electrification, we stand well prepared to keep pioneering sustainable solutions and chart new milestones in our evolution.

At a Glance

Shivalik Bimetal Controls Ltd., established in 1984, is a distinguished process and product engineering company based in India. We specialize in manufacturing of Thermostatic Bimetal /Trimetal strips, Components, EB welded products with multigauge, Cold Bonded Bimetal Strips and Parts. We also specialize in manufacturing of shunt resistors and silver & electrical contacts. Our precision-crafted components find applications in a wide range of industries, including electrical, electronics, automotive, defence, and industrial sectors. Our intellectual capital and deep expertise in engineering allows us to not only meet current industry needs but also anticipate future trends. Shivalik holds a pivotal position in the high-growth segments of Automotive, Industrial Equipment, and Power Electronics, where our electrical components define performance standards.

The rising demand for switchgear, battery management and smart metering systems also conveys solid long-term prospects for Shivalik's product lines. With its unique business model based on proprietary bimetal technologies and niche solutions that OEMs demand, Shivalik thrives in an industry with high entry barriers.

Today, as a valued vendor, the Company is making a mark in supplying high-quality shunt resistors to the fast-emerging electric vehicles and customisable smart meters of the future.

Shivalik's highly experienced management has led the Company to prominent ownership in technology and applications. Its solid balance sheet, combined with prudent capital management, drives Shivalik's robust growth potential. Shivalik's plants are operated by a team of 875 vastly skilled people, Shivalik serves more than 275 clients globally.

Chairman's Message

FY24 has been a testament to SBCL's resilience. Despite a challenging global economic environment, our commitment to empowering energy management has driven us to new heights.

Mr. S.S. Sandhu
Chairman & Whole Time Director

Dear Shareholders,

It is with great pleasure that I present the Chairman's Letter for Shivalik Bimetal Controls Ltd. (SBCL) as part of our Annual Report for FY24. This letter aims to provide a comprehensive overview of our strategic advancements, technological innovations, financial stability, commitment to sustainable growth, and our relentless pursuit of long-term value creation.

FY24 has been a testament to SBCL's resilience. Despite a challenging global economic environment, our steadfast commitment to empowering energy management has driven us to new heights. As the world accelerates towards electrification, our diverse portfolio of electrical components has positioned us as a pivotal player in this transformative era, ensuring efficient and reliable energy management across various industries and homes.

Our dedication to innovation remains resolute. By fostering strong partnerships with Original

Equipment Manufacturers (OEMs) and leveraging state-of-the-art welding technologies, we have reinforced our reputation as a trusted partner in advanced applications such as Battery Management Systems (BMS) and smart metering. Our collective expertise and continuous drive for excellence enable us to pioneer solutions that shape the future of electrical components.

SBCL's products are integral to numerous sectors, including smart metering, switchgear, automotive applications, consumer electronics, telecommunications, and renewable energy systems. The rapid advancement towards smart metering technologies, the growth of the switchgear industry, and the electrification of automotive systems underscore the vital importance of our offerings. Our unwavering commitment to innovation, customer satisfaction,

and robust partnerships has reinforced our status as a preferred supplier, driving efficiency, reliability, and safety across these industries.

Our technological edge, particularly in advanced welding techniques like Electron Beam Welding and Hot/Cold Diffusion Bonding, distinguishes us in the industry. These innovative methods enable us to integrate diverse materials and alloys, resulting in durable and reliable electrical components. SBCL's intellectual capital, comprising a skilled workforce and specialized domain knowledge, further enhances our competitive advantage. By embracing advancements in automation, data analytics, and digitalization, we are poised to remain at the forefront of engineering innovation, continuously refining our manufacturing processes.

Financially, SBCL has maintained a robust balance sheet, reflecting our commitment to good governance, financial stewardship, and prudent capital management. Our tangible fixed assets have grown steadily, reaching ₹125 crore in FY24, compared to ₹115 crore in FY23. This increased capital expenditure (CapEx) has enabled us to expand our manufacturing infrastructure, boost our research and development capabilities, and strengthen our market position. Our net worth has also shown consistent growth, reaching ₹342 crore in FY24, underscoring our dedication to long-term value creation for our shareholders.

This year, we also signed a significant Memorandum of Understanding (MoU) with a leading swiss electrical contacts manufacturer. The initiation of this MoU aims to analyse how we can strengthen our electrical contacts business by leveraging their expertise in precious metals and advanced materials. The collaboration can enhance our product offerings

in the electrical contacts segment, solidifying it as a strong third pillar of growth alongside the bimetal and shunt resistor segments. We anticipate that this alliance could lead to the development of high-performance electrical contacts, expanding our market presence and driving substantial growth.

Sustainable growth is a core principle at SBCL. We are dedicated to minimizing our environmental impact and fostering positive social change. Through continuous improvement initiatives, we optimize energy consumption, reduce waste generation, and adopt environmentally friendly practices across our operations. We actively engage with local communities, contributing to their well-being through various social initiatives, education programs, and skill development opportunities. Education remains a key focus, with significant investments in promoting and supporting educational initiatives through our trusted partners.

Healthcare initiatives are also a priority. We have allocated resources to promote healthcare, including preventive measures. Our initiatives have significantly contributed to community well-being and the improvement of healthcare facilities. These projects are part of our diverse CSR outreach, reflecting our commitment to making a positive impact on education, healthcare, employment, and rural development.

Looking ahead, we are optimistic about the recovery of the North American and European markets as the Electric Vehicles (EV) segment gains momentum.

The growing demand for EVs presents significant opportunities for SBCL, and we are well-positioned to capitalize on this trend with our advanced components and technological prowess.

₹342Crore

Our net worth for FY24, underscoring the company's financial stability and commitment to long-term value creation for shareholders.

In conclusion, I extend my heartfelt gratitude to our shareholders, customers, employees, and business partners for their unwavering support and trust. Together, we will continue to drive SBCL's growth, deliver long-term value, and forge a brighter future. Our commitment to technological excellence, financial prudence, and sustainable growth will remain steadfast as we navigate the evolving landscape and create shared value for all stakeholders.

Warm regards,

Mr. S.S. Sandhu
Chairman & Whole Time Director
Shivalik Bimetal Controls Ltd.

Managing Director's Message

At SBCL, our strength lies in our ability to harness cutting-edge technology to deliver world-class products that meet the evolving needs of our global clientele.

Mr. N. S. Ghumman
Managing Director

Dear Shareholders,

As we close the chapter on another year at Shivalik Bimetal Controls Ltd. (SBCL), I am proud to reflect on the strides we have made in our pursuit of excellence and innovation. FY2024 has been a year of navigating complex market landscapes with agility, driven by our commitment to technological advancement and our deeply ingrained culture of research and development.

At SBCL, our strength lies in our ability to harness cutting-edge technology to deliver world-class products that meet the evolving needs of our global clientele. Our leadership in advanced material joining technologies, including Electron Beam Welding and Diffusion Bonding, are sophisticated processes that are not just tools but are integral to our DNA, enabling us to produce high-precision components that are essential across diverse sectors such as automotive, smart metering, energy, and consumer electronics.

Innovation at SBCL goes beyond incremental improvements; it is a core strategic pillar that drives our business forward.

In a world where change is the only constant, SBCL's adaptability has proven to be a key differentiator. We have consistently demonstrated our ability to anticipate and respond to market shifts, ensuring that our growth trajectory remains on an upward orientation. This year, despite economic headwinds in the Americas, we expanded our product offerings, enhanced our manufacturing capabilities, and strengthened our global market presence – particularly in Europe and Asia. Our thermostatic bimetal and shunt resistor segments have continued to perform with resilience, a testament to the trust our clients place in our products and our commitment to delivering unparalleled reliability and quality.

Innovation at SBCL goes beyond incremental improvements; it is a core strategic pillar that drives our business forward. Our deep investment in research and development is not just about staying relevant but about setting the pace for the industries we serve. In FY2024, we made significant advancements in our Shunt Resistor product segment needed in Battery Management Systems (BMS), aligning with the global shift towards electrification as we anticipate further pick up in the global automotive sector. Our work in smart metering technologies is equally

groundbreaking, positioning SBCL as a pivotal player in the global energy transition, and within India's smart meter transition.

Our technological edge honed through years of expertise, particularly in advanced welding techniques like Electron Beam Welding and Hot/Cold Diffusion Bonding, distinguishes us in the industry on a global level. These innovative methods enable us to integrate diverse materials and alloys, resulting in durable and reliable electrical components. Shivalik's intellectual capital, comprising a skilled workforce and specialized domain knowledge, further enhances our competitive advantage as our team continues to grow. By embracing advancements in automation, data analytics, and digitalization, we are poised to remain at the forefront of engineering innovation, continuously refining our manufacturing processes.

Our approach to market leadership is underpinned by a strong foundation of strategic foresight and operational excellence. We have effectively leveraged government initiatives like the Production Linked Incentive (PLI) schemes, allowing us to seize opportunities in high-growth sectors such as Electrical & Electronics. Our bespoke solutions, tailored to the specific needs of our clients, have

enabled us to forge stronger, more collaborative partnerships, driving long-term value creation.

Looking to the future, SBCL is well-positioned to sustain its growth momentum. We are committed to expanding our global footprint, deepening our technological capabilities, and continuing our legacy of innovation. As we enter new markets and explore emerging opportunities, our focus will remain on delivering products that not only meet but exceed the expectations of our customers, while creating enduring value for our shareholders. Together, we will continue to build on our strong foundation, driving SBCL forward as a leader in innovation, quality, and excellence.

Warm regards,

Mr. N. S. Ghumman
Managing Director
Shivalik Bimetal Controls Ltd.

Global Economic Resilience

Our advanced manufacturing technologies, such as electron beam welding and diffusion bonding, set us apart in the electrical and automotive sectors, and position SBCL as a leader in innovation and customer-driven solutions.

SBCL's innovative capabilities, particularly in advanced manufacturing technologies such as electron beam welding and diffusion bonding, give it a competitive edge in the electrical and automotive sectors. These technologies not only enhance the efficiency and quality of SBCL's products but also reduce production costs, making the company a preferred supplier for high-demand sectors such as automotive and energy. Furthermore, SBCL's continuous investment in research and development ensures it stays ahead of technological advancements, positioning it as a leader in innovation.

that meet specific requirements, enhancing customer satisfaction and loyalty. This approach has helped SBCL secure long-term contracts with leading original equipment manufacturers (OEMs) globally. The ability to tailor products to client specifications not only strengthens partnerships but also opens avenues for co-development of future technologies, fostering deeper collaborations.

The focus on customization is another key differentiator for SBCL. The company works closely with its clients to develop bespoke solutions

Innovation at the Heart of Growth

Shivalik Bimetal Controls Ltd. (SBCL) has consistently demonstrated its ability to thrive amidst global economic fluctuations. The company's strategic positioning and adaptability have allowed it to seize growth opportunities in both developed and emerging markets. In India, SBCL is poised to capitalize on high-growth opportunities in the smart meter, switchgear, and electric vehicle (EV) sectors, supported by government grants and Production Linked Incentive (PLI) schemes.

Financial Highlights

34.07%

surge in Profit After Tax (PAT) in Q4 FY 2024, reflecting enhanced profitability and operational efficiency.

₹449.40 Crore

Total income for FY 2024 which rose by 6.94% when compared to total income for FY 2023

Earnings per share (EPS) increased at a CAGR of **43.98%** over the last five years, demonstrating the company's commitment to delivering substantial shareholder value.

Global Economic Resilience

Industry Insights

Switchgear Market: The global switchgear market is projected to grow at a CAGR of 6.9% from 2021 to 2031, driven by the increasing demand for renewable energy sources and the modernization of aging infrastructure

6.9%

Switchgear CAGR growth from 2021 to 2031

Smart Meter Market: The smart meter market is expected to grow at a CAGR of 7.0% from 2022 to 2028, propelled by government initiatives for smart grid deployment and energy efficiency improvements.

7.0%

Smart Meter CAGR growth from 2022 to 2028

Automotive Industry: The electric vehicle market is anticipated to expand at a CAGR of 21.7% from 2022 to 2030, with significant investments in EV infrastructure and battery management systems.

21.7%

Electric Vehicles CAGR for 2022 to 2030

SBCL aims to expand its market share in the electric vehicle (EV) sector by 15% over the next five years. This target reflects the company's commitment to capitalizing on the rapid growth of the EV market as

North American markets recover. Additionally, SBCL plans to enhance its presence in the smart meter and switchgear markets by increasing its market share by 10% within the same timeframe. These milestones provide a clear roadmap for future growth and align with investor expectations for strategic direction. By setting these specific goals, SBCL demonstrates its proactive approach to leveraging emerging opportunities and driving sustained growth.

Profit After Tax (PAT) Margin Analysis:

22.66%

Q4 FY24 PAT Margin compared to 17.15% in Q4 FY23

The volume for Bimetals also showed substantial growth in Q4 FY24, reaching 351.10 tonne, a YoY increase of 17.62%. For the full year FY24, the volume was 1,335.95 tonne, a YoY growth of 19.31%.

vast geographical presence provide resilience in the company's ability to navigate muted market demand trends.

18.02%

FY24 PAT Margin compared to 17.28% in FY23

Despite ongoing challenges such as supply chain disruptions and geopolitical tensions, the outlook remains positive for industries that SBCL operates in. The push towards digitalization and automation is creating new opportunities for companies with advanced technological capabilities like SBCL. The company's proactive strategies ensure it can navigate and leverage these global trends effectively. The Company's product mix and

To further strengthen its market position, SBCL is focusing on expanding its product portfolio and enhancing its manufacturing capabilities. The company is investing in state-of-the-art technologies and processes to improve efficiency and reduce environmental impact. These initiatives are aligned with SBCL's long-term vision of becoming a global leader in bimetal and shunt resistor technologies. Additionally, SBCL is exploring strategic acquisitions and partnerships to accelerate growth and expand its market reach.

The Shunt Resistor segment showed a slight year-over-year (YoY) revenue growth in Q4 FY24, with revenue reaching ₹53.25 crore. However, this segment experienced a decline over the entire fiscal year, with FY24 revenue totaling ₹204.82 crore, reflecting a YoY decrease of 2.88%. Despite the revenue decline for the full year, the volume of Shunt Resistors grew significantly in Q4 FY24, reaching 303.11 tonne, a YoY increase of 18.06%. For the full year FY24, the volume was 1016.912 tonne, marking a slight YoY decline of -2.89%.

The Bimetal segment demonstrated strong performance with revenue increasing both in Q4 and the entire FY24. Q4 FY24 revenue was ₹58.52 crore, up by 2.76% YoY, and FY24 revenue totaled ₹244.58 crore, reflecting a YoY growth of 16.83%.

Revenue Spilt (in ₹ crore)

Sustainability as a Strategic Imperative

Waste Management:

The company has implemented comprehensive waste management practices, including recycling plastic waste and managing hazardous waste through registered vendors. SBCL's zero-liquid discharge policy ensures that all wastewater is treated and reused, minimizing environmental impact.

Zero Liquid Discharge:

SBCL prioritizes reducing, reusing, and recycling water through the installation of Effluent Treatment Plants (ETPs) and Sewage Treatment Plants (STPs). These facilities ensure that the company's operations do not contribute to water pollution, supporting its commitment to environmental stewardship.

Employee Safety and Health:

SBCL's commitment to sustainability extends to the well-being of its employees. The company has robust health and safety protocols in place to protect its workforce, and it invests in ongoing training and development to ensure a safe and productive working environment.

By sourcing most of our power from renewable energy and implementing zero-liquid discharge practices, SBCL is leading the way in sustainable manufacturing.

The company remains debt-free, providing financial flexibility to invest in growth opportunities and navigate economic uncertainties. This strong financial position allows SBCL to pursue strategic initiatives without the burden of debt, enhancing its resilience and long-term sustainability.

SBCL is continually exploring new ways to enhance its sustainability performance. The company is investing in research and development to develop innovative products that support energy efficiency and reduce environmental impact. Additionally, SBCL is actively engaging with stakeholders to ensure that its sustainability efforts align with their expectations and contribute to broader societal goals. This engagement includes transparent reporting on ESG metrics and setting ambitious sustainability targets.

The global focus on sustainability and environmental impact is driving significant investments in green technologies and renewable energy, with companies increasingly adopting sustainable practices to meet regulatory requirements and consumer demand. SBCL's proactive approach to sustainability positions it favourably in this evolving landscape. Moreover, investors are increasingly prioritizing Environmental, Social, and Governance (ESG) criteria when making investment decisions. Companies that demonstrate strong ESG performance are more likely to attract investment from socially responsible funds and other institutional investors.

Revenue and Profitability (in ₹ crore)

Aligning with Global Environmental Trends

Shivalik Bimetal Controls Ltd. (SBCL) is committed to aligning its operations with global environmental trends and investor preferences for sustainable practices. By detailing its manufacturing processes that minimize environmental impact and investing in renewable energy, SBCL strengthens its appeal to socially responsible investors and underscores its role in promoting a sustainable future.

Sustainability Initiatives:

Renewable Energy:

SBCL sources most of its power from renewable sources, primarily hydroelectric, significantly reducing its carbon footprint. This transition to renewable energy is a critical component of SBCL's sustainability strategy, aligning with global efforts to combat climate change and reduce greenhouse gas emissions.

Expanding our Global Footprint

Leveraging Strategic Partnerships and Market Expansion

Shivalik Bimetal Controls Ltd. (SBCL) is focused on expanding its global presence through strategic partnerships and tapping into new markets. This growth strategy is aligned with SBCL's Vision 2030 objectives, emphasizing the company's efforts to leverage India's increasing global influence and meet rising international demand.

Through strategic partnerships and global market expansion, SBCL is solidifying its position as a leader in high-performance electrical contacts, driving significant growth and international presence.

Strategic Partnerships and Market Expansion

Memorandum of Understanding (MoU) with Leading Swiss Electrical Contacts Manufacturer:

This MoU aims to strengthen SBCL's electrical contacts business by leveraging the swiss company's expertise in precious metals and advanced materials. This partnership will enhance SBCL's product offerings

25.79%

Thermostatic bimetal/trimetal sales in Europe grew by 25.79% in FY 2024, highlighting SBCL's successful geographical expansion and strong market demand.

Geographical Spilt (in ₹ crore)

Export Exposure (in ₹ crore)

in the electrical contacts segment, solidifying it as a strong third pillar of growth alongside the bimetal and shunt resistor segments. The collaboration is expected to lead to the development of high-performance electrical contacts, expanding SBCL's market presence and driving significant growth in this sector. Additionally, the swiss company's strong global presence will open up international market opportunities for SBCL, allowing it to leverage its established distribution networks and customer base to accelerate its global expansion.

Joint Ventures and Acquisitions: SBCL has formed key partnerships to enhance its product offerings and enter complementary market segments. Notable collaborations include a joint venture with ArcelorMittal Stainless & Nickel Alloys and the acquisition of CHECON's stake in SEPPL. These strategic alliances have broadened

SBCL's capabilities and market reach, enabling it to offer a more comprehensive range of products and services. These partnerships also facilitate the transfer of technology and best practices, further strengthening SBCL's competitive edge.

Geographical Expansion: SBCL is actively expanding its presence in key international markets, including Europe, Asia, and the Americas. The company's growth in Europe has been particularly notable, with thermostatic bimetal/trimetal sales increasing by 25.79% in FY 2024. This expansion is supported by SBCL's strong relationships with global OEMs and its reputation for high-quality, reliable products. The company is also exploring new markets where demand for its products is rising, driven by trends such as electrification and smart grid implementation.

Expanding our Global Footprint

Europe

Market Potential

SBCL's presence in Europe is growing, particularly in the thermostatic bimetal/trimetal segment, with a 25.79% increase in sales in FY 2024. This indicates strong demand and a significant opportunity for SBCL to further penetrate the market.

Competitive Landscape

Europe has a highly competitive market for electrical components, with several established players. SBCL's advanced manufacturing technologies and strong relationships with OEMs provide a competitive edge, allowing it to deliver high-quality, reliable products that meet stringent European standards.

Regulatory Environment

European regulations emphasize energy efficiency and environmental sustainability, aligning well with SBCL's focus on advanced, energy-efficient products. Compliance with these regulations enhances SBCL's marketability and credibility in the region.

Americas

Market Potential

SBCL's growth in the Americas is notable, with an increase in sales of thermostatic bimetal/trimetal products. The region offers substantial opportunities in the automotive and energy sectors, driven by the transition to electric vehicles and the modernization of energy infrastructure.

Competitive Landscape

The market in the Americas is characterized by strong competition from local and international companies. SBCL's focus on innovation and customization helps it meet the specific needs of this market, positioning it as a key player in high-demand sectors.

Regulatory Environment

North America has stringent regulatory standards for quality and environmental impact, which aligns with SBCL's high-quality, sustainable products. Regulatory support for electric vehicles and smart grid infrastructure is strong, providing a conducive environment for SBCL's offerings.

Data Centres to serve as a potential growth segment for our products.

Asia

Market Potential

SBCL is actively expanding in Asia, with significant growth opportunities in emerging markets. The rising demand for smart meters and electric vehicles is driving this growth. Asia represents a vast market with substantial potential for revenue growth.

Competitive Landscape

The Asian market is diverse, with both established multinational companies and numerous local manufacturers. SBCL's strategic partnerships and local manufacturing capabilities enhance its competitive position, enabling it to offer customized solutions tailored to regional demands.

Regulatory Environment

Regulations in Asia vary by country but generally support the adoption of renewable energy and advanced manufacturing technologies. Government incentives for smart grid technologies and electric vehicles are prevalent, providing a favorable environment for SBCL's products.

SBCL's total income for FY 2024 rose by 6.94%, showcasing resilient revenue generation despite moderated North Atlantic demand. This growth reflects the company's successful efforts to diversify its revenue streams and mitigate regional economic challenges. The company reported robust growth in the Indian market, with thermostatic bimetal/trimetal sales increasing by 31.69% year-over-year. This performance underscores SBCL's ability to capitalize on domestic opportunities and drive significant growth in its home market.

Industry Insights

Global Market for Electrical Components

The global market for electrical contacts, shunt resistors, and bimetal is expected to grow significantly, driven by the increasing adoption of electric vehicles, smart meters, and renewable energy solutions. This growth presents substantial opportunities for SBCL to expand its market share and enhance its competitive position.

Electrification Trend:

The ongoing electrification of various industries, including automotive, energy, and infrastructure, is creating a growing demand for SBCL's products. The company's advanced

manufacturing capabilities and innovative technologies position it well to meet this demand and capitalize on emerging opportunities.

To support its global expansion, SBCL is investing in new manufacturing facilities and upgrading its existing plants to increase production capacity and improve efficiency. The company is also enhancing its supply chain capabilities to ensure reliable and timely delivery of products to its global customers. These investments are aimed at bolstering SBCL's operational capabilities and ensuring that it can meet the increasing demands of its expanding customer base.

Expanding our Global Footprint

Vision 2030 Objectives

Expand Product Portfolio:

SBCL aims to continuously innovate and diversify its product offerings to meet the evolving needs of its customers. This includes developing new applications for its existing technologies and exploring new markets.

Strengthen Global Presence:

By leveraging its strong relationships with global OEMs and entering new markets, SBCL plans to significantly increase its international footprint.

Sustainability Commitment:

SBCL is dedicated to enhancing its sustainability practices, including reducing its environmental impact and improving the energy efficiency of its operations.

Financial Stability:

Maintaining a debt-free status and focusing on profitable growth will remain key priorities for SBCL, ensuring the company's long-term financial health and ability to invest in future initiatives.

Our Portfolio

As a globally preferred supplier, Shivalik Bimetal Controls leads the industry with its dependable shunt resistors and thermostatic bimetals, critical components powering advancements in electric vehicles, smart meters, and beyond.

SHUNT RESISTORS

Product Description

- Shunt Resistors are ultra-low ohmic resistors used for high accuracy current detection and measurement
- It is used to measure and sense the flow of current and create a low resistance path for electric current to pass through it
- Shivalik, one of the preferred supplier globally, produces a wide range of highly dependable Resistors that are used in electronics, electrical and automotive industry

End Applications

Electric Vehicle

Energy Storage

Smart Meters

Power Modules

THERMOSTATIC BIMETALS

- Thermostatic Bimetals are “critical components used in overload protection devices”
- Thermostatic Bimetals are formed by mechanically diffusing two or more alloys to combine their individual properties
- Shivalik is the largest supplier of Thermostatic Bimetal in India with more than several decades experience, and possesses the potential to satisfy global demand

Switchgear

Electrical Appliances

Medical Devices

Automotive

ELECTRICAL CONTACTS

- Electrical contacts are key components which are connecting points when a switch is turned on or off
- The contact materials are typically made of different types of precious metal alloys. These materials are then joined on to copper alloy substrates using various methods
- Shivalik specializes in the production of electrical contacts with its core competency focused on specialized joining processes

Management Discussion & Analysis

Management Discussion & Analysis

Global Overview

Global Economic Overview

In 2023, the global economy demonstrated unexpected resilience, buoyed by falling inflation rates and the gradual relaxation of interest rate increases by central banks amid significant monetary tightening and ongoing policy uncertainties worldwide. This semblance of stability masks deeper challenges, including persistent price pressures, potential upheavals in energy markets due to conflicts in the Middle East, and the enduring impacts of substantial interest rate hikes. Additionally, global concerns over climate change are accelerating the shift towards sustainable and green energy transitions, adding another layer of complexity to the economic landscape. Global GDP growth is projected to slow from an estimated 2.7% in 2023 to 2.4% in 2024, with a modest rebound expected in 2025. This forecast remains below the pre-pandemic growth average of 3%, indicating an extended period of subdued growth that could disproportionately affect vulnerable and developing nations.

Developed economies are expected to experience further slowdowns. The economy of the United States of America is expected to decelerate from an estimated 2.5 per cent in 2023 to 1.4 per cent in 2024. In the European Union a mild recovery is expected. GDP is projected to expand by 1.2 per cent in 2024, up from 0.5 per cent in 2023. Growth in Japan on the other hand, is projected to slow from 1.7 per cent in 2023 to 1.2 per cent in 2024 despite accommodative monetary and fiscal policy stances.

Developing economies face varied near-term growth prospects. China's recovery has been slower than anticipated, with growth expected to moderate in 2024. African economies continue to struggle with global economic headwinds and climate-related challenges, while regions like South Asia, led by India's robust growth, show slightly more favourable prospects.

The global labour market has rebounded, with many countries' unemployment rates dropping below pre-pandemic levels. However, this recovery is uneven, with developing economies facing continued challenges such as informal employment and gender disparities in labour participation. Global inflation, currently hovering around 5.7%, has eased from 8.1% in 2022 but remains above the decade's average before 2022. A further decline to 3.9% in 2024 is projected due to continued moderation in international commodity prices and the weakening of demand amid monetary tightening.

Global investment growth is expected to remain weak, with significant gaps in renewable energy investments. While investments in clean energy have gained considerable momentum since 2021, they need to accelerate further to meet the net zero emissions target by 2050. Global trade growth has also weakened, impacting developing economies due to diminishing demand from developed nations and restrictive financial conditions. Central banks worldwide face the delicate task of balancing inflation control, stimulating growth, and maintaining economic stability. Fiscal space is increasingly constrained by higher interest rates and tighter liquidity conditions, mainly affecting developing countries.

Through strategic partnerships and global market expansion, SBCL is solidifying its position as a leader in high-performance electrical contacts, driving significant growth and international presence.

2.4%

Global growth is projected to decrease to 2.4% in 2024, down from 2.7% in 2023.

Management Discussion & Analysis

Gross domestic product growth, by developing region

Source: World Economic Situation and Prospects: February 2024, UN.

Global Energy Overview

The Global energy landscape is overshadowed by conflict and uncertainty, notably due to Russia's invasion of Ukraine and potential instability in the Middle East. These factors highlight the vulnerabilities of the fossil fuel-dependent energy system and the advantages of transitioning towards more sustainable energy sources for enhancing security and reducing emissions. Despite facing challenges such as cost inflation, supply chain bottlenecks, and rising borrowing costs, clean energy remains a vibrant area of global investment. Despite the growth of clean energy driven by policy and market factors, demand for coal, oil, and natural gas is expected to rise in the short term within this decade, with the peak in demand projected to occur before a gradual decline begins, though the pace of this decline will vary.

6% annual increases

India will be at the forefront of this demand growth, with projections of over 6% annual increases until 2026.

According to the International Energy Agency, emerging markets and developing economies primarily fuel the surge in global electricity demand. Global electricity demand

increased by 2.2% in 2023, driven by significant growth in China, India, and Southeast Asia, despite declines in advanced economies due to economic challenges. Looking ahead, demand is projected to rise by 3.4% annually, driven by the electrification of transport and increasing household consumption. Clean energy is expected to meet this growing demand, with renewables set to surpass coal as the leading electricity source by 2025. India will be at the forefront of this demand growth, with projections of over 6% annual increases until 2026, driven by robust economic activity and green transitions across sectors.

Investments in the power sector are poised to escalate to accommodate the surge in electricity demand, facilitate transitions towards cleaner energy, and ensure the reliability of electricity supply. Presently, solar photovoltaic (PV) and wind energy receive more funding than investments in electricity grids. However, anticipated cost decreases for solar PV and wind energy will likely temper the need for future investments in these areas. In contrast, the necessity for grid investments is expected to grow. Enhancing the grid infrastructure is crucial for connecting numerous new consumers and renewable energy sources, bolstering transmission and distribution networks, and upgrading and digitising the grid infrastructure.

Moreover, battery storage is gaining more investment focus to offer short-term flexibility and ensure grid stability. Meanwhile, investments in unabated fossil fuel power plants, which have been minimal in recent years, are predicted to diminish even further, mainly concentrating on natural gas-fired plants that provide flexible energy solutions. The Net Zero Emissions (NZE) Scenario requires a major shift in fuel supply investments from fossil fuels to low-emissions fuels

Management Discussion & Analysis

like bioenergy and hydrogen, as well as carbon capture, utilization, and storage (CCUS). Achieving net-zero emissions by 2050 would see annual investment in oil, gas, and coal drop by more than half, while spending on low-emissions fuels would increase tenfold by 2030.

Global Trade Prospects

Since the 2008-09 global financial crisis, international trade has notably slowed. The recent economic disturbances have sparked narratives favouring the advantages of localisation and fragmentation over the benefits of continued globalisation and economic integration, with these views increasingly influencing trade policy. A noticeable uptick in unilateral trade-restrictive measures across specific sectors, often driven by environmental concerns, national security, and geopolitical goals, impacting trade flows. Early signs of friend-shoring are evident in trade data, alongside a growing concentration.

Despite these significant developments, trade continues expanding, and efforts towards trade liberalisation continue. Although supply chain disruptions have occurred, the trade system has remained resilient through previous crises, demonstrating an ability to adapt and respond. This resilience has ensured the continued flow of goods and services to where they are needed most, especially during periods of fluctuation.

The World Trade Organization's "Global Trade Outlook and Statistics" report for 2024 revises the expected growth in world merchandise trade volume to 2.6% in 2024 and 3.3% in 2025, reflecting a recovery from a decline of 1.2% in 2023. The report maintains an optimistic view on the potential for re-globalization to promote a secure, inclusive, and sustainable future.

2.6% trade volume

World merchandise trade volume is expected to grow by 2.6% in 2024.

Domestic Overview

Overview of the Indian Economy

In 2023, India significantly enhanced its global stature by successfully presiding over a G20 Presidency that unified member nations on crucial worldwide issues, transcending their geopolitical disagreements. This pivotal role underscored India's emergence as a significant mediator in international affairs. Further elevating

its global standing, India's GDP contribution to the world economy has notably increased. Additionally, India's space exploration reached a historic milestone with the Chandrayaan-3 mission, achieving the first-ever landing at the Moon's South Pole. The nation also set a global record for the swiftest rollout of 5G technology.

In recent years, India has clearly demonstrated resilience and progress despite the risks and uncertainties in the global economic landscape. Under

Management Discussion & Analysis

the Aatmanirbhar Bharat and “Make in India” initiatives, which aim to bolster domestic manufacturing and promote self-reliance, the Production Linked Incentive (PLI) Scheme has been a key focus. The scheme, covering 14 sectors, is designed to incentivize manufacturers to increase production and exports. During FY 2024, the scheme’s contribution remained robust at 17.7%.

Indian economy recorded two years of above-7 per cent growth and looks set to repeat it for the third year in FY24. In the first half of the current financial year, the economy has grown 7.7 per cent in real terms compared to the first half of FY23.

Economic forecasts remain optimistic for India, fuelled by a stable macroeconomic and financial environment. For the fiscal year 2024, the country’s growth is projected at 7.3%, with expectations for a gradual convergence of headline inflation towards the target. Enhanced by robust service exports and reduced oil import expenditures, India’s current account deficit has narrowed to 1% of GDP in the first half of the fiscal year 2024.

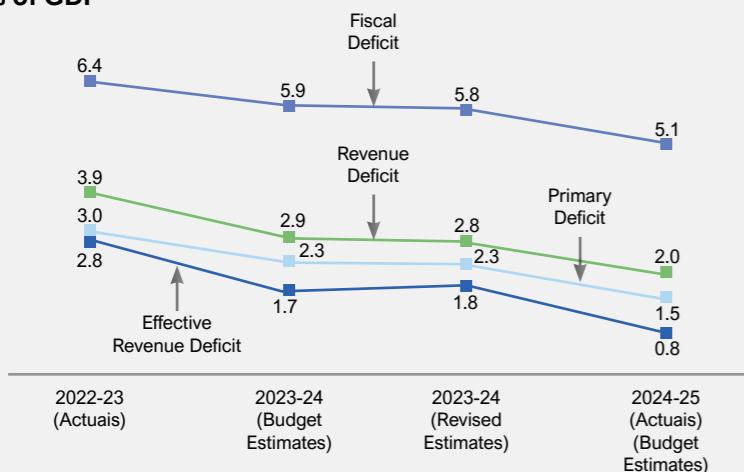

Imports and Exports from India

As per the data published by the Ministry of Commerce and Industry, India’s trade landscape has shown remarkable resilience despite persistent global challenges. Overall exports, encompassing both merchandise and services, are estimated to surpass last year’s record, reaching USD 776.68 billion in FY 2023-24, compared to USD 776.40 billion in FY 2022-23. This achievement is highlighted by the highest monthly merchandise exports of the current fiscal year, which peaked in March 2024 at USD 41.68 billion.

In addition to strong export performance, the overall trade deficit is estimated to have significantly improved by 35.77%, decreasing from USD 121.62 billion in FY 2022-23 to USD 78.12 billion in FY 2023-24. The merchandise trade deficit also saw a positive change, improving by 9.33% to USD 240.17 billion in the current fiscal year, down from USD 264.90 billion in the previous year. One of the standout sectors has been electronic goods, where exports have increased by 23.64%, rising from USD 23.55 billion in FY 2022-23 to USD 29.12 billion in FY 2023-24. This growth in the electronic goods sector underscores India’s expanding capabilities and its increasing role in global trade, even amidst a challenging global economic environment.

Trends in Deficit % of GDP

8% GDP growth

RBI researchers expect GDP growth to be very near 8 per cent for FY24

Source: Ministry of Finance

Management Discussion & Analysis

The International Monetary Fund anticipates India’s economy to expand by 6.5% in the fiscal year beginning April 1, 2024, maintaining a similar growth trajectory into the following year. This projection was part of the IMF’s World Economic Outlook released in January, which also revised India’s GDP growth for the current fiscal year upward to 6.7% from the 6.3% forecasted in October. These projections for India come amidst a backdrop of a predicted slowdown in growth across “developing Asia” to 5.2% in 2024 and 4.8% in 2025, down from an estimated 5.4% in 2023.

India’s overall exports, encompassing both merchandise and services, are estimated to surpass last year’s record, reaching USD 776.68 billion in FY 2023-24, compared to USD 776.40 billion in FY 2022-23.

Management Discussion & Analysis

India is expected to see the highest-ever renewable energy capacity additions at 19 GW, including about 16-17 GW solar and 2-3 GW wind in 2024.

India's Power Hunger and Changing Energy Dynamics

As India continues to uphold its title as a Global Growth Engine, the demand for energy to sustain this momentum is higher than ever. In response to this escalating energy demand, India's energy dynamics are poised for significant transformation. According to S&P Global Commodity Insights, India is expected to witness its highest-ever renewable energy capacity additions in 2024, with an anticipated 19 GW, including 16-17 GW from solar and 2-3 GW from wind. Additionally, India is likely to add 5 GW and 6 GW of new coal plants next year to meet its burgeoning energy needs.

In line with its commitment to sustainability, India has set ambitious goals for a green energy transition, including achieving net-zero carbon emissions by 2070. This commitment is reflected in the substantial investments pouring into the renewable energy sector. According to data from the Department for Promotion of Industry and Internal Trade (DPIIT), the sector has attracted a total Foreign Direct Investment (FDI) in equity amounting to USD 6,137.39

million over the past three fiscal years, up to September 30, 2023. These efforts underscore India's dedication to not only meeting its current energy demands but also ensuring a sustainable and environmentally responsible growth trajectory in the long term.

At the opening of the second edition of India Energy Week 2024, Prime Minister Narendra Modi announced that India is poised to receive an investment totalling USD 67 billion in the energy sector within 5 to 6 years.

Industry Outlook

Shivalik Bimetal Controls Ltd.'s products are basic components required for most electronic and electrical sub-systems and appliances. They are particularly essential in the functionality of Switchgear, Protective Relays, Metering devices, Automotive Energy Devices, and Battery Management Systems, among others. The Company's commitment to innovation and quality makes it a key player in the Electrical, Electronic, and Automotive industries, contributing to

Management Discussion & Analysis

advancing technology and efficiency in these fields.

Electrical Equipment Market

Shivalik Bimetal Controls Ltd. is attuned to the expansive opportunities within the international electrical equipment sector and is committed to spearheading innovation. As per Exactitude Consultancy, the global Electrical Equipment Market, valued at USD 1,315.8 billion in 2022, is projected to soar to USD 3,393.5 billion by 2029, achieving a CAGR of 11.1% from 2023 to 2029.

Various factors, including the growing need for electricity in advanced and developing nations, the increasing pursuit of renewable energy sources, and the broader adoption of automation and robotics in numerous industries, drive the surge in demand for electrical equipment. Additionally, the intensified focus on energy efficiency and the deployment of smart grid technologies are stimulating the demand for more advanced and efficient electrical equipment.

The shift towards renewable energy sources, particularly solar and wind, has amplified the need for sophisticated electrical components, with a large portion of India's electricity now being generated from these renewable sources. From advanced lighting systems to state-of-the-art circuit breakers, the Indian electrical equipment industry is

leading in innovation, catering to the changing demands of a vibrant and expanding market.

Indian electrical equipment is witnessing significant expansion, with an accelerated growth rate and increased demand for various components. Essential products driving this growth include electric construction machinery, generators, switches, sockets, lighting fixtures, meters, panels, automation technologies, solar and wind energy solutions, batteries, inverters, voltage regulators, circuit breakers, and connectors.

As per Technavio, the Indian electrical equipment market is on track to achieve a valuation of USD 52.98 billion by 2027. This growth is fueled by rapid urbanisation and infrastructural advancements. The market encompasses diverse segments, including power distribution, transmission, and generation equipment. Government initiatives like 'Make in India' have played a pivotal role in promoting domestic production, significantly contributing to the growth of the electrical equipment sector in India.

Smart Metering

Shivalik Bimetal Controls Ltd. stands to gain from the worldwide smart electric meter market expansion. Projected to rise at a 9.4% CAGR, the smart meter market is expected to escalate from USD 23.1 billion in 2023 to USD 36.3 billion by 2028. The growth in smart meter adoption is propelled by several critical factors, including strict government regulations, heightened awareness of carbon footprint impacts, the convenience of contactless billing, enhanced grid stability, more effective outage management, and the pressing demand for data analytics within the electric power sector.

To address India's growing demand for electricity and modernise the power distribution network, the central government is concentrating on minimising AT&C (Aggregate Technical and Commercial) losses and enhancing the distribution framework through the Revamped Distribution Sector Scheme (RDSS). This initiative involves a substantial allocation of ₹3,03,758 crore to support Discoms. Under this scheme, Advanced Metering Infrastructure Service Providers (AMISPs) will be tasked with

USD 3,393.5 billion

The global Electrical Equipment Market is projected to soar to USD 3,393.5 billion by 2029

Management Discussion & Analysis

in the tendering process and the government's commitment to improving the financial stability of distribution companies.

Automotive Industry

Shivalik Bimetal Controls Ltd. is a key beneficiary of the growth of the automotive industry, engaging in both the Internal Combustion Engine (ICE) sector and the burgeoning electric vehicle (EV) market. With the increasing incorporation of electrical and battery management systems into vehicles, Shivalik's shunt resistors remain crucial components in traditional ICE and electric vehicles.

According to various media reports, Leading car manufacturers are intensifying their efforts in the electric vehicle (EV) sector by expanding their EV production capabilities and introducing or developing new offerings within this category. Tata Motors, holding the largest share in the nation's EV market, anticipates a 40% growth in the EV sector. Maruti Suzuki plans to augment its production capacity to approximately four million units from the current 2.25 million, with a projected investment of ₹45,000 crore, targeting its inaugural EV launch in the fiscal year 2024-25. Indian carmakers are set to invest nearly ₹80,000 crores to establish EV manufacturing infrastructure. JCW and MG Motors have recently announced their collaboration to concentrate on New Energy Vehicles (NEVs). Additionally, the Ministry of Heavy Industries (MHI) has introduced a new policy aimed at encouraging global manufacturers such as Tesla,

the metering infrastructure's supply, upkeep, and operational management once installed. This move is anticipated to significantly boost the demand for meter manufacturers, who form a key clientele for Shivalik's products, potentially increasing the demand for Shivalik's offerings.

A recent ICRA report highlights that India is falling short of its goal to achieve nationwide smart meter

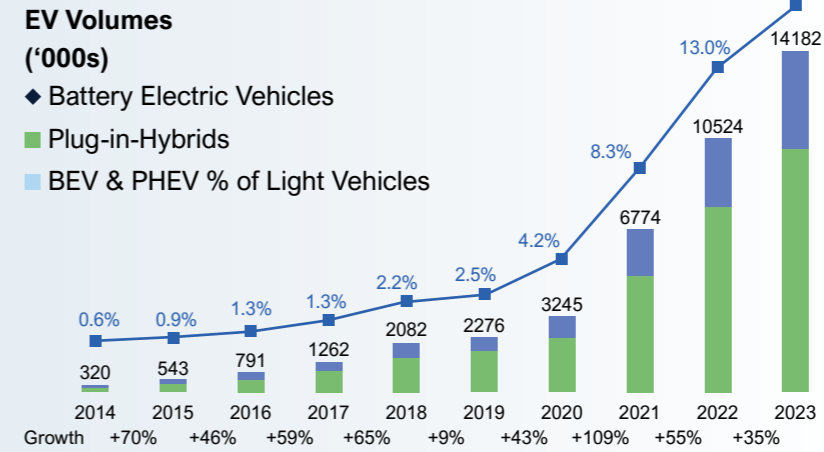

coverage by 2025 due to a slow pace in the installation process. As of December 2023, while the government had sanctioned 222.3 million smart meters, contracts for 98.7 million had been secured. However, the tally of installed smart meters was only 8 million by the end of December 2023. The report also suggests an expected surge in installation rates over the next two years, driven by improvements

70%

of top-tier Indian car buyers are open to purchasing an electric vehicle for their next car.

Management Discussion & Analysis

Global BEV & PHEV Sales

Source: EV-Volumes.

VinFast, BYD, Kia, Škoda, BMW, and Mercedes-Benz to enhance EV manufacturing in India, signalling a significant push towards electrification in the automotive industry.

Research from RMI highlights a rapid increase in EV sales, pointing to a potential dominance of electric vehicles in the market by the end of this decade. Countries such as India and Israel are swiftly expanding their EV adoption, aiming to parallel leading nations such as China. This shift suggests that by 2030, EVs could represent over two-thirds of car sales globally, potentially impacting almost half of the world's oil demand.

In significant markets, the cost of owning battery electric vehicles has already become more affordable than their petrol and diesel counterparts in specific segments. Moreover, predictions from this research indicate that the initial purchase price of battery electric vehicles could become lower than that of traditional vehicles as soon as 2024 in Europe, with similar trends expected in China, the US, and India in the following years.

While India's adoption of electric vehicles (EVs) has lagged behind its global counterparts, the outlook appears optimistic for the near future. A recent McKinsey study reveals that 70% of top-tier Indian car buyers are open to purchasing an electric vehicle for their next car. This figure surpasses the global average of 52%. Furthermore, the study forecasts that the penetration of the EV market in India could increase to between 10 and 15 percent by the year 2030.

Switchgear Industry

For Shivalik Bimetal Controls Ltd., the demand surge for electricity generation is a primary catalyst for this growth. Positioned strategically in Asia-Pacific, especially in India, Shivalik is poised to capitalise on domestic and international switchgear market opportunities. According to McKensey, the market is expected to ascend to \$170.40 billion by 2027, growing at a CAGR of 6.6%, fuelled by the escalating need for electrification and a shift towards more sustainable energy solutions.

A recent McKinsey study reveals that 70% of top-tier Indian car buyers are open to purchasing an electric vehicle for their next car.

Management Discussion & Analysis

Management Discussion & Analysis

Manufacturing Footprint

Shivalik Bimetal Controls Ltd. (SBCL):

We operate two plants in Solan, Himachal Pradesh, India, reflecting our commitment to manufacturing excellence.

Shivalik Engineered Products Pvt. Ltd. (SEPPL):

Another facility in Solan underlines our expansive manufacturing capabilities.

Innovative Clad Solutions (ICS) Private Limited:

Our joint venture in Indore, Madhya Pradesh, India, further extends our manufacturing outreach.

SBCL's Head Office:

Located in New Delhi, India, this location acts as the central hub for our operations.

committed to ensuring the highest quality for our diverse global clientele of over 275 customers.

Our dedication to excellence is embedded in our DNA at Shivalik Bimetal Controls Limited. We prioritise a customer-focused ethos, aiming to provide products with unparalleled quality, reliability, and innovation. We strive to consistently satisfy and surpass our clients' expectations, adapting to their evolving needs.

Financial Performance in FY 24.

Despite moderated market demand, Shivalik demonstrated resilience, achieving a revenue growth of 6.94% in FY24, reaching ₹449.40 crore. The Company's EBITDA declined by 2.07% to ₹102.21 crore, while profit after tax improved to ₹80.97 crore. Significant growth was observed in the Thermostatic Bimetal/Trimetal segment, with sales increasing by 16.83% year-on-year. Although the Shunt segment registered a decline, total revenues still grew by 6.94% during the same period.

Shivalik continues strengthening its position in India's energy sector transformation, capitalising on domestic demand, especially in smart meter and switchgear opportunities. Despite challenges in America, particularly in the Shunt Register category, the Company remains optimistic about prospects as global markets recover.

Looking ahead, Shivalik is confident in its ability to navigate market dynamics, backed by a solid cash position and generated funds from operations. The Board has approved the final dividend of ₹0.50 per Rs.1/- equity share, highlighting the Company's commitment to delivering value to stakeholders.

Considering the Indian government's focus on infrastructure enhancement initiatives such as Smart Cities, Make in India, Digital India, and Housing for All, these programs are anticipated to stimulate the Indian switchgear market. The IMARC Group forecasts the market to expand to US\$ 17.8 Million by 2032, with a CAGR of 5.85% from 2024 to 2032 from US\$ 10.7 Million in 2023. Factors such as the emphasis on improving energy efficiency, the need for more resilient power grids against natural calamities and cyber threats, and the widespread adoption of Internet of Things (IoT) technologies are driving this growth.

Company Overview

Established in 1984 and headquartered in New Delhi, Shivalik Bimetal Controls Ltd. has carved a niche in process and product engineering, renowned for its expertise in advanced material joining technologies such as Diffusion Bonding/Cladding, and Electron Beam Welding. The Company excels in producing thermostatic bimetal/trimetal strips, clad metal, spring-rolled stainless steel, and a range of electron beam welded materials, each available in various gauges and compositions. These high-precision components, including

Current Sense Metal Strip Shunts/Resistors and SMD Current Sense Resistors, find extensive applications across the electrical, electronics, automotive, agriculture, medical, defence, and other industrial sectors. Shivalik takes pride in its ability to meet the increasing demand for battery management and smart metering systems, which is driven by its commitment to quality and innovation in manufacturing shunt resistors and other critical products. This commitment positions Shivalik to cater to the dynamic needs of both the automotive and industrial equipment markets, promising continued growth opportunities through its diverse and innovative product range.

Our business strategy is anchored in proprietary technologies and specialised solutions that garner substantial demand from original equipment manufacturers (OEMs), setting us apart in an industry marked by high barriers to entry.

Despite moderated market demand, Shivalik demonstrated resilience, achieving a revenue growth of 6.94% in FY24, reaching ₹449.40 crore.

As a trusted supplier, we've made notable advancements in delivering top-tier bimetals and shunt resistors, integral to the next generation of electric vehicles and customisable smart meters.

Our seasoned management team has steered the Company to become a leader in Electron Beam Welding and Hot & Cold Diffusion Bonding technologies, catering to a broad spectrum of applications. We are poised for continued growth with a sound financial standing and prudent capital management. Our three operational facilities in Chambhaghat and Kather, Solan, are powered by a dedicated team of 835 professionals

Management Discussion & Analysis

Operational Performance:

Revenue from operations remained stable throughout the year, with the Company sustaining robust cash flows thanks to strong domestic demand spurred by the nationwide rollout of smart meters. In the first two quarters, EBITDA and PAT margins stayed healthy despite international challenges, primarily due to favourable conditions in the domestic market. However, EBITDA and PAT margins experienced a modest decline in the third and fourth quarters, attributed to reduced demand for Shunts in the Americas and Europe. Conversely, there was a significant rise in domestic demand for Bimetal and Trimetal strips during the same period. Anticipating increased demand from its international clients, Shivalik is optimistic about a global surge in demand in FY25.

To bolster its footprint in the Silver Contact sector, Shivalik has signed a Memorandum of Understanding (MoU) with a leading swiss electrical contacts manufacturer, to assess the potential for establishing a Joint Venture in India dedicated to manufacturing electrical contacts. Should the initial studies lead to the formation of the JV, this strategic partnership has the potential to significantly augment Shivalik's production capacity and global market access for electrical contacts in the long term.

Outlook for FY25

As Shivalik Bimetal Controls Ltd. strides into FY25, it does so with strategic positioning that promises robust growth and an exciting trajectory, particularly within the electric vehicle (EV) sector. The domestic EV market is poised for significant expansion, with ICRA projecting substantial increases in EV penetration across various vehicle segments by FY25. This growth is supported by aggressive investments in EV components, with the auto component industry expected to invest over ₹25,000 crore in the next 3-4 years, enhancing production capacities for EV parts.

Electric two-wheelers are expected to see penetration rates of 6-8% in FY25, a rise from over 5% in FY23. For electric cars, penetration is forecasted at 4-6% in FY25, a significant jump from just over 1% in FY23. Similarly, electric three-wheelers and e-buses are also expected to witness substantial growth in market penetration by FY25. This surge is underpinned by significant localization in traction motors, control units, and battery management systems, although critical components like advanced chemistry batteries continue to be imported.

Given the government's ambitious plans to establish India as a global leader in EV manufacturing, coupled with the establishment of a comprehensive nationwide EV charging infrastructure, Shivalik is optimistically gearing up for significant transformation within this sector. These initiatives are expected to enhance the adoption of EVs substantially, creating extensive opportunities for Shivalik, particularly in areas of its specialization, such as battery management systems and other EV-related components.

PARTICULARS (Standalone)	FY 2023-24	FY 2022-23

Note: An operational performance analysis will be added at a subsequent stage.

Management Discussion & Analysis

Risk and Mitigation

Economic Slowdown

An economic slowdown in key markets such as the US and EU could dampen demand for Shivalik's products, impacting revenue and growth prospects. Shivalik is diversifying its market presence to address this risk, targeting regions with stable or growing demand. The Company is also expanding its product portfolio to cater to a broader range of industries, reducing its dependency on any single market or sector.

Geopolitical Tensions

Rising geopolitical tensions can lead to supply disruptions, especially critical raw materials like nickel and copper, which directly affect Shivalik's production capabilities and cost structures. We closely monitor geopolitical developments to mitigate this risk and adjust its procurement strategies accordingly. The Company is also increasing its inventory buffers for critical materials to cushion short-term disruptions.

Supply Chain Disruptions

The global nature of Shivalik's supply chain exposes it to risks of disruptions, which could arise from geopolitical tensions, logistic challenges, or supplier issues, potentially impacting production and delivery timelines. We are strengthening our supply chain resilience by diversifying our supplier base and developing contingency plans. Investments in supply chain technology and partnerships with reliable logistics providers aim to ensure smooth operations and timely fulfilment of customer orders.

Volatility in Raw Material Prices and Forex Rates

Shivalik's operations are susceptible to fluctuations in the prices of essential metals like nickel and copper, which form a significant part of its production costs. Moreover, the Company is exposed to foreign exchange rate fluctuations risks, which can impact its international transactions and

As global markets continue to recover, and with the expected upswing in demand towards the end of the financial year, Shivalik is poised to capitalize on these developments effectively.

profitability. To counteract these risks, we are broadening our supplier network and exploring alternative sourcing strategies to ensure stability in raw material supplies. The Company is also employing forex hedging strategies to minimise the financial impact of currency volatility, providing more predictable and stable operational costs.

Working Capital Intensity

To be effective in the marketplace, Shivalik's business requires maintaining substantial inventory and receivables, leading to high working capital needs. This could potentially strain the Company's liquidity and financial flexibility. We implement advanced inventory management techniques to optimise stock levels and reduce carrying costs. Enhanced receivables management practices are also in place to expedite collections and improve cash flows, thus maintaining a healthy working capital cycle.

Inflationary Pressures

Inflation could erode purchasing power and increase operational costs, potentially affecting demand for Shivalik's products and compressing profit margins. Shivalik actively manages costs through operational efficiencies and strategic procurement to offset inflationary pressures. The Company's focus on product innovation and value addition also helps maintain demand and pricing power in the market.

Management Discussion & Analysis

Strategic, Transformation, and Innovation Risk

As Shivalik continues to innovate and transform its product offerings, there is a risk associated with the successful integration of new technologies and market acceptance of new products. To mitigate this risk, Shivalik invests in continuous research and development and closely monitors market trends to ensure its innovations align with customer needs and industry standards.

ESG Risk

Environmental, social, and governance (ESG) factors are increasingly important in the operational and reputational risk landscape. Shivalik is committed to enhancing

its ESG compliance by adopting sustainable practices, improving social responsibility, and ensuring robust governance structures. A significant part of these sustainable practices includes sourcing most of the company's procured power from renewable sources, mainly hydroelectric, thereby maintaining a high level of environmental sustainability. This commitment not only minimizes our environmental footprint but also strengthens our market position as a leader in sustainability. The company regularly reviews its ESG strategies to align with global standards and stakeholder expectations, reducing potential risks related to environmental impact, social responsibility, and corporate governance.

Internal Control System and Effectiveness

Shivalik Bimetal Controls Ltd. maintains a comprehensive internal control framework designed to safeguard the integrity of its financial systems, enhance operational efficiency, protect assets, ensure adherence to regulations, and provide accurate financial data. The Company has established clear, documented protocols for all its financial and operational activities to ensure uniformity and transparency in its operations. A detailed internal audit strategy has been implemented to reinforce this framework. Conducted by an external chartered accountancy firm, these risk-focused audits go

Management Discussion & Analysis

Our manufacturing facilities regularly host training sessions to enhance employees' proficiency in emergency protocols, firefighting, rescue operations, and first aid.

Occupational health and safety stand at the forefront of our operational priorities, underscoring our dedication to fostering a secure and healthful workplace. Our safety and health initiatives are woven into the fabric of our organisational practices, underlining our belief in our employees as the cornerstone of our success and our commitment to their professional development.

We have implemented various protective measures to safeguard our employees' health, safety, and well-being. These include investing in technology to reduce pollution, instituting safe operational procedures, conducting extensive safety training, and providing essential protective gear. Our proactive stance is geared towards preventing hazardous conditions and practices, ensuring a secure work environment for all.

Human Resource Development and Industrial Relations

The strategic goal of our organisation is to secure sustained growth by cultivating a skilled, highly motivated, and profoundly committed workforce. At Shivalik Bimetal Controls Ltd., we are dedicated to establishing a supportive work atmosphere that acknowledges each employee's unique contributions and seeks to develop and leverage their full potential. We aim to foster a strong sense of community and connection among our team members, ensuring each individual feels valued and integral to our success.

Over the past year, industrial relations within our Company have been characterised by a sense of harmony and collaborative spirit, contributing

At Shivalik, the health and safety of our employees are paramount, and we are deeply committed to environmental, health, and safety considerations.

to a positive and productive work environment. This harmonious atmosphere is a testament to our effective human resource policies and practices, prioritising open communication, mutual respect, and employee engagement. Focusing on employee development and satisfaction enhances our operational efficiency and builds a resilient foundation for future growth. Our commitment to nurturing a conducive work culture and upholding strong industrial relations underpins our success and positions us well for the challenges and opportunities.

Forward-Looking Statements

In the "Management Discussion and Analysis" section, certain assertions about the Company's goals, forecasts, estimates, expectations, or projections might be considered forward-looking statements under the relevant securities laws and regulations. It's crucial to acknowledge that the actual outcomes could substantially deviate from what is suggested or indicated by these forward-looking statements. Various elements, such as economic dynamics influencing demand, supply, and pricing in domestic and international markets, fluctuations in currency exchange rates, modifications in governmental regulations and taxation policies, and other unforeseen factors, could significantly affect the Company's operational performance.

COMPANY'S PERFORMANCE

Shivalik Bimetal Controls Ltd. (SBCL/the Company) continued to grow in FY 2023-24 despite the complexities of the global market environment. FY 2023-24 has been an exciting year, marked by resilience in steady revenue growth, and significant achievements in profitability. In FY 2023-24, the Company grew its operations, and efficiency, focused on resource optimisation, ensured the overall well-being of its stakeholders and maintained and improved the financial health. The Company is proud to support a debt-free status in its operational capacity and on its books, reflecting our strong financial management and strategic planning. This prudent approach to debt ensures we have the financial flexibility to invest in growth opportunities and navigate economic uncertainties effectively.

Some of the Key highlights of the year were:

Resilient Revenue Growth: During the year under review, your Company has recorded a turnover of ₹ 44,940.44 Lakhs against ₹ 42,023.01 Lakhs during the previous year, registering a growth of 6.94%.

Growth in PBT: SBCL PBT for the full fiscal year surged by 11.25% to ₹ 10828.62 Lakhs, indicating operational efficiency.

Continuous Growth in Profit after Tax (PAT): SBCL PAT for FY24 showed growth, increasing by 11.49% to ₹ 8,097.06 Lakhs, demonstrating the Company's ability to translate operational improvements into bottom-line results.

Directors' Report

India's performance in the Thermostatic Bimetal/ Trimetal segment as well as Shunt has been remarkable, demonstrating robust growth and strong market penetration. On an annual basis, the upward trajectory continues, with sales reaching ₹ 13,417.41 Lakhs in FY 24, up 31.69% from ₹ 101,88.38 Lakhs in FY 23 in bimetal business and with sales reaching ₹ 5,131.96 Lakhs in FY 24, up 9.02% from ₹ 4,707.17 Lakhs in FY 23 in Shunt business. This consistent year-over-year growth underscores the Company's expanding market presence and successful execution in capturing a larger market share. This robust performance underscores the significant opportunities within the Indian market, driven by increased demand for smart meters, switchgear, and electric vehicles, aligning well with the national push towards modernization and electrification.

Consolidated Audited Financials for the FY 2023-24

SBCL's revenue on a consolidated basis increased to ₹ 52,805.30 Lakhs for the current year as against ₹ 48,029.55 Lakhs in the previous year, recording an increase of 9.94%. SBCL successfully delivered on the profitability front with a EBITDA Margin of 23.75%, about 12,541.24 Lakhs, compared to ₹ 11,887.11 Lakhs in the previous year. Net profits increased to ₹ 8,426.54 Lakhs in the current year as against ₹ 7,910.33 Lakhs in the last year, recording an increase of 6.53%.

EXPANSION

We witness capacity expansion across all phases of innovation. Our joint venture and collaboration with international partners have further helped us expand our production and distribution network. Our strategic expansion ensures that our product/component reaches every corner of the country, fortifying our overall presence and enabling us to meet the growing demand for our products/components while maintaining an improving quality.

Towards a significant strategic move, Shivalik Bimetal Controls Ltd. has entered an MoU to assess the feasibility of a joint venture with Metalor, a Tanaka group company, a world leader in Precious Metals. Metalor, a renowned Swiss company, is celebrated for its expertise in silver contacts and state-of-the-art silver melting facilities in several locations worldwide. This initiative affirms our commitment to sustainable growth that can open doors to Metalor's extensive global network.

The Board of Directors is of the opinion that all the Independent Directors meet the criteria regarding integrity, expertise, experience and proficiency.

In terms of Section 150 of the Companies Act, 2013 read with Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014, the Independent Directors of the Company have confirmed that they have registered themselves with the databank maintained by the Indian Institute of Corporate Affairs ("IICA")

ANNUAL RETURN

The Annual Return of the Company in accordance with Section 92(3) of the Companies Act, 2013 is available on the website of the Company: https://www.shivalikbimetals.com/annual_return.php

ANNUAL EVALUATION OF BOARD'S PERFORMANCE

Pursuant to the provisions of the Companies Act, 2013 and the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, the Board carried out an annual performance evaluation of its own performance, the Directors individually as well as the evaluation of the working of its various Committees as per the evaluation framework adopted by the Board on the recommendation of the Nomination and Remuneration Committee. Structured assessment forms were used in the overall Board evaluation comprising various aspects of the Board's functioning in terms of structure, its meetings, strategy, governance and other dynamics of its functioning besides the financial reporting process, internal controls and risk management. The evaluation of the Committees was based on the terms of reference fixed by the Board, as well as the dynamics of their functioning in terms of meeting frequency, effectiveness of contribution, etc.

Separate questionnaires were used to evaluate the performance of individual Directors based on parameters such as their level of engagement and contribution, objective judgement, etc. The Executive Director's evaluation was based on leadership qualities, strategic planning, communication, engagement with the Board, etc.

The Chairman was also evaluated based on the key aspects of his role. The performance evaluation of the Independent Directors was carried out by the entire Board. The performance evaluation of the Chairman, the Board as a whole, and the Non-Independent Directors was carried out by the Independent Directors at a separate meeting held during the year.

The Board of Directors expressed their satisfaction with the evaluation process.

NUMBER OF MEETINGS OF THE BOARD

During the year, (Five) 05 Board Meetings were convened and held, the details of which are given in the Corporate Governance Report. The intervening gap between the Meetings was within the period prescribed under the Companies Act, 2013 and Regulation 17 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015.

PARTICULARS OF LOANS, GUARANTEES AND INVESTMENTS

The particulars of loans, guarantees and investments under Section 186 of the Companies Act, 2013, read with the Companies (Meetings of Board and its Powers) Rules, 2014, are furnished in the notes to Financial Statements.

AUDITORS

a) Statutory Auditors and their Report

In accordance with the provisions of the Companies Act, 2013 and Companies (Audit & Auditors) Rules, 2014, M/s. Arora Gupta & Co., Chartered Accountants (Firm Registration No. 021313C) were re-appointed as Statutory Auditors of the Company for a period of 5 years in the 38th Annual General Meeting (AGM) held on September 27, 2022, until the conclusion of the 43rd AGM to be held in the year 2027. There are no qualifications, reservations, adverse remarks or disclaimers made by the Statutory Auditors in their Audit Report for the year ended March 31, 2024.

b) Secretarial Auditor and their Report

Pursuant to the provisions of Section 204 of the Companies Act, 2013 and Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014. The Board of Directors re-appointed M/s R. Miglani & Co., Company Secretaries, as Secretarial Auditor to carry out the Secretarial Audit of the Company for the financial year 2023-24. The Report given by the Secretarial Auditor for the said financial year in Form MR-3 is annexed herewith as '**Annexure-B(1)**' to the Board's Report. The Secretarial Audit Report does not contain any qualification, reservation or adverse remark.

Secretarial Audit of Material Unlisted Subsidiary

As per the provisions of Regulation 24A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. M/s R. Miglani & Co., Practicing Company Secretaries, carryout a secretarial audit of the material subsidiary of the Company i.e., Shivalik Engineered Products Pvt. Ltd. for the FY 2023-24. The Report of the Secretarial Audit is annexed herewith as '**Annexure - B(2)**'. The Secretarial Audit Report does not contain any qualification, reservation or adverse remark.

Annual Secretarial Compliance Report

Pursuant to Regulation 24A of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015,

Directors' Report

every listed entity shall submit a secretarial compliance report. The Annual Secretarial Compliance Report was submitted to the Stock Exchanges on May 28, 2024, within 60 days of the end of the financial year.

c) Cost Auditor

The Company is required to maintain the cost records as specified by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, read with Companies (Cost Records and Audit) Rules, 2014. Accordingly, such accounts and records are maintained by the Company. The cost audit for the financial year ended March 31, 2024, was conducted by Mr. Ramawatar Sunar, Cost Accountant (FRN: 100691), and as required, the cost audit report was duly filed with the Ministry of Corporate Affairs, Government of India.

Being eligible, Mr. Ramawatar Sunar has consented to act as the Cost Auditor of the Company for the financial year 2024-25. Mr. Ramawatar Sunar has further certified that his re-appointment is within the limits as prescribed under Section 141(3)(g) of the Act and that he is not disqualified from such re-appointment within the meaning of the said Act. The remuneration proposed to be paid to Mr. Ramawatar Sunar, subject to ratification by the Company's shareholders at the AGM, has been set out in the Notice of the next AGM.

As required under the Act, a resolution seeking members' approval for the remuneration payable to the Cost Auditor forms part of the Notice convening the forthcoming 40th Annual General Meeting.

Reporting of frauds by Auditors

During the financial year 2023-24 and in terms of section 143(12) of the Act, the Statutory Auditors, Secretarial Auditor and Cost Auditor of the Company have confirmed that they have not come across any event indicating the commitment of any fraud by the officers or employees of the Company. Therefore, no reporting under the said provision was required.

SECRETARIAL STANDARDS

Your Company is in compliance with the revised Secretarial Standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) issued by The Institute of Company Secretaries of India.

RISK MANAGEMENT

We have a robust Enterprise Risk Management (ERM) framework focused on identifying, evaluating, prioritising and mitigating all internal and external risks. The findings are reported to the Board & Risk Management Committee (RMC). The Board and the RMC play an essential role in ensuring that all the relevant risk factors are considered by management and that a strategy is in place to mitigate risks to the greatest extent possible and harness opportunities. Our framework is underpinned by a risk management policy as recommended by the RMC and approved by the Board.

INTERNAL FINANCIAL CONTROL

The Company has an Internal Control System commensurate with its operations' size, scale and complexity. The scope of the Internal Audit is decided by the Audit Committee and the Board. To maintain its objectivity and independence, the Board has appointed an external Internal Auditor, who reports to the Board's Audit Committee on a periodic basis.

The Internal Auditor monitors and evaluates the efficacy and adequacy of Internal Control Systems in the Company, as well as its compliance with operating systems, accounting procedures, and policies for various functions of the Company. Based on the Internal Auditor's Report, process owners undertake corrective action wherever required in their respective areas, strengthening the controls further. Audit observations and actions taken thereof are presented to the Audit Committee of the Board periodically.

During the reporting year, Internal Financial Controls laid down by the Board were tested for adequacy & effectiveness, and no reportable material weakness in the design or operations was observed. The Company has policies and procedures in place to ensure the proper and efficient conduct of its business, safeguard assets, prevent and detect frauds and errors, ensure accuracy and completeness of accounting records, and prepare reliable financial information in a timely manner. Statutory Auditors have also given unmodified audit opinions on the adequacy of internal financial control systems with reference to financial statements.

CORPORATE GOVERNANCE REPORT

At Shivalik, we ensure that we evolve and diligently follow corporate governance guidelines and best practices, not just to boost long-term shareholder value but also to respect the rights of the minority. We consider it our inherent responsibility to disclose timely and accurate information regarding the Company's operations and performance, leadership, and governance. A report on Corporate Governance, including the relevant Auditors' Certificate regarding compliance with the conditions of Corporate Governance as stipulated in Regulation 34 (3) read with Part E of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is annexed and forms part of the Annual Report as 'Annexure – C'.

RELATED PARTY TRANSACTIONS

In compliance with the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015, the Company has formulated a Policy on dealing with Related Party Transactions (RPTs) as approved by the Board available on the Company's website and can be accessed at <https://www.shivalikbimetals.com/pdf/RPT-Policy-Final.pdf>

In line with its stated Policy, all Related Party transactions are placed before the Audit Committee for review and approval. Prior approval of the Audit Committee is taken for the estimated value of transactions that are foreseen and

Directors' Report

repetitive. Omnibus approval with respect to transactions that are not routine or cannot be foreseen or envisaged is also obtained as permitted under the applicable laws.

The details of transactions proposed to be entered with Related Parties are placed before the Audit Committee for approval on an annual basis before the commencement of the financial year. Thereafter, a statement containing the nature and value of the transactions entered by the Company with Related Parties is presented for quarterly review by the Committee. Further, revised estimates or changes, if any, to the proposed transactions for the remaining period are also placed for approval by the Committee on a quarterly basis. Besides, the Related Party transactions entered during the year are also reviewed by the Board on a quarterly basis.

During the year, the Company had not entered into any related party transactions which could be considered 'material' in terms of Section 188 of the Act and rules made thereunder and according to the Policy of the Company on materiality of Related Party Transactions. Accordingly, no transactions are required to be reported in Form AOC-2. However, you may refer to Related Party transactions in Note No. 42 of the Standalone Financial Statements.

CORPORATE SOCIAL RESPONSIBILITY

As a responsible corporate citizen, the Company has been undertaking and participating in socially important projects in the fields of health, education, environment conservation, and rural development.

The Company has also framed a CSR Policy in accordance with the provisions of the Companies Act, 2013 and the rules made thereunder. The CSR Policy of the Company, the Projects approved by the Board, the composition of the CSR Committee and other relevant details are disclosed on the website of the company at <https://www.shivalikbimetals.com/images/pdf/SBCL-CSR-Policy-2021.pdf>

The Annual Report on the CSR activities undertaken by the Company during the financial year under review, is annexed to this Report as 'Annexure – D'.

PARTICULARS OF EMPLOYEES

Details as required under the provisions of Section 197(12) of the Companies Act, 2013, read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, is set out in 'Annexure- E' to the Board's Report. In terms of the provisions of Section 197(12) of the Act read with Rules 5(2) and 5(3) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, a statement showing the names and other particulars of employees drawing remuneration in excess of the limits set out in the said rules forms part of this Report.

BUSINESS RESPONSIBILITY AND SUSTAINABILITY REPORT

In terms of Regulation 34(2)(f) of the SEBI (Listing Regulations), top one thousand listed entities based on

market capitalisation are required to report on the Business Responsibility and Sustainability Reporting Core (BRSR Core) for the financial year ended March 31, 2024 in the format prescribed by SEBI via Circular SEBI/HO/CFD/CFD-SEC-2/P/CIR/2023/122 dated July 12, 2023.

Your Company is reporting on the said requirement and giving an overview of the initiatives taken by the Company from an environmental, social, and governance perspective in a separate section of the Annual Report, which forms part of it. The Report on Business Responsibility and Sustainability Reporting is attached herewith as 'Annexure – F'

CHANGE IN NATURE OF BUSINESS

Directors' Report

VIGIL MECHANISM AND WHISTLEBLOWER POLICY

The Company has a well-established whistleblower policy as part of a vigil mechanism for Directors and employees to report concerns about unethical behaviour, actual or suspected fraud or violation of the Company's Code of Conduct or ethics Policy. This mechanism also provides adequate safeguards against victimisation of Director (s)/ employee(s) who avail of the mechanism and provides direct access to the Chairman of the Audit Committee in exceptional cases. The Whistleblower policy is available on the Company's website at the following link <https://www.shivalikbimetals.com/images/pdf/Vigil-Mechanism-&-Whistle-Blower-Policy.pdf>

It is affirmed that during the year, no employee was denied access to the Audit Committee.

DETAILS OF APPLICATION MADE OR ANY PROCEEDING PENDING UNDER THE INSOLVENCY AND BANKRUPTCY CODE, 2016 (31 OF 2016) DURING THE YEAR, ALONG WITH THEIR STATUS AS OF THE END OF THE FINANCIAL YEAR.

During the year under review, no application has been made, nor have any proceedings been pending under the Insolvency and Bankruptcy Code, 2016.

DETAILS OF THE DIFFERENCE BETWEEN THE AMOUNT OF THE VALUATION DONE AT THE TIME OF ONE-TIME SETTLEMENT AND THE VALUATION DONE WHILE TAKING A LOAN FROM THE BANKS OR FINANCIAL INSTITUTIONS, ALONG WITH THE REASONS THEREOF.

During the financial year 2023-24, no such valuation was done, and no transaction took place with regard to any one-time settlement.

DIRECTORS' RESPONSIBILITY STATEMENT

As required under Section 134(5) of the Companies Act, 2013, based on the information and representations received from the operating management, your Board of Directors confirm that:

- In the preparation of the annual accounts, the applicable accounting standards have been followed, and there is no material departures.
- They have selected such accounting policies and applied them consistently, and made judgments and estimates that are reasonable and prudent to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the Profit and Loss of the Company for the year ended on March 31, 2024.
- They have taken proper and sufficient care for the maintenance of adequate accounting records following the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.
- They have prepared the annual accounts on a going concern basis.

- They have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively and
- They have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

DISCLOSURE RELATING TO REMUNERATION OF DIRECTORS, KEY MANAGERIAL PERSONNEL AND PARTICULARS OF EMPLOYEES

Matching the needs of the Company and enhancing the competencies of the Board are the basis for the Nomination and Remuneration Committee to select a candidate for appointment to the Board.

ANNEXURE- B(1)

**FORM NO. MR-3
SECRETARIAL AUDIT REPORT**

For the financial year 2023-24

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
SHIVALIK BIMETAL CONTROLS LIMITED
16-18, New Electronics Complex, Chambaghat,
Distt. Solan, Himachal Pradesh-173213

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Shivalik Bimetal Controls Limited (CIN:- L27101HP1984PLC005862)** (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, and authorized representatives during the conduct of Secretarial Audit, the explanations and clarifications given to us, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2024 complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the Financial Year ended on 31st March, 2024 and made available to me, according to the provisions of:

- I. The Companies Act, 2013 (the Act) and the Rules made thereunder, as applicable;
- II. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- III. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- IV. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment and Overseas Direct Investment and External Commercial Borrowing.
- V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (SEBI Act):
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 and amendments from time to time;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 and amendments from time to time;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 and amendments from time to time;
 - d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; **(Not Applicable to the Company during the Audit Period);**
 - e) The Securities and Exchange Board of India ((Issue and Listing of Non-Convertible Securities) Regulations, 2021; **(Not Applicable to the Company during the Audit Period);**
 - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; **(Not Applicable)**
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; **(Not Applicable to the Company during the Audit Period);**

- h) The Securities and Exchange Board of India (Buy back of Securities) Regulations, 2018 **(Not Applicable to the Company during the Audit Period);** and
 - i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- VI. As informed by the management, there are no laws which have specific applicability to the Company other than general laws applicable to the industry generally, namely;
- a) Factories Act, 1948
 - b) Payment of Wages Act, 1936, and rules made thereunder,
 - c) The Minimum Wages Act, 1948, and rules made thereunder,
 - d) Employees' State Insurance Act, 1948, and rules made thereunder,
 - e) The Employees' Provident Fund and Miscellaneous Provisions Act, 1952, and rules made thereunder,
 - f) The Payment of Bonus Act, 1965, and rules made thereunder,
 - g) Payment of Gratuity Act, 1972, and rules made thereunder,
 - h) The Water (Prevention and Control Pollution) Act, 1974.
 - i) The Air (Prevention and Control Pollution) Act, 1981,
 - j) Industrial Dispute Act, 1947

I have also examined compliance with the applicable clauses of the following:

- (i) The Secretarial Standards issued by the Institute of Company Secretaries of India.
- (ii) The Listing Agreements entered into by the Company with National Stock Exchange of India Limited and BSE Limited

I further report that, during the period under audit and review, as confirmed by the management the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, standards etc. mentioned above.

I further report that, based on the information provided and the representation made by the Company and also on the review of the compliance reports of Company Secretary /Chief Financial Officer taken on record by the Board of Directors of the Company, in my opinion, adequate systems and processes exist in the Company to monitor and ensure compliance with provisions of applicable general laws like Labour laws and Environmental laws etc.

I further report that;

1. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
2. Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent atleast 7 days in advance and for meeting other than those at shorter notice within prescribed limit, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
Minutes of the meetings were duly recorded and signed by the Chairman of the meeting, the decisions of the Board were unanimous and no dissenting views have been recorded.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that,

During the audit period the Company has not made any major changes in the following events/ actions in pursuance of the below law, rules, regulations and guidelines except Foreign Technical Collaborations.

- I. Public/Right/Preferential issue of shares/debentures/sweat equity etc.
- II. Redemption/Buy Back of securities;

- III. Major decision taken by the members in pursuance to Section 180 of the Companies Act, 2013;
- IV. Merger/Amalgamation/Reconstruction etc.;
- V. Foreign Technical Collaborations: The Company has signed the Memorandum of Understanding with Metalor Technologies International SA (Swiss Corporation) for setting up a Joint Venture in India to manufacture and sale of electrical contacts.

FORM NO. MR 3

SECRETARIAL AUDIT REPORT

for financial year ended March 31, 2024

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
SHIVALIK ENGINEERED PRODUCTS PRIVATE LIMITED
H-2, Suneja Chambers, Alaknanda Commercial Complex,
New Delhi-110019

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **SHIVALIK ENGINEERED PRODUCTS PRIVATE LIMITED** (Formerly known as Checon Shivalik Contact Solutions Private Limited) (hereinafter called the Company). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

AUDITOR'S RESPONSIBILITY

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period from April 01, 2023 to March 31, 2024 ("the audit period") complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent and in the manner subject to reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the Financial Year ended on 31st March, 2024 and made available to me, according to the provisions of:

- The Companies Act, 2013 (the Act) and the Rules made thereunder, as applicable;
- The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder (**Not Applicable during the Audit Period**);
- The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder; (**Not Applicable during the Audit Period**);
- Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment and Overseas Direct Investment and External Commercial Borrowing. (**Not Applicable during review period**);
- The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (SEBI Act):-
 - The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; (Not Applicable during the Audit Period)
 - The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015; (applicable to some extent)
 - The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; (Not Applicable during the Audit Period)
 - The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat equity) Regulations, 2021 ; (Not Applicable during the Audit Period)
 - The Securities and Exchange Board of India (Issue and Listing of Non Convertible Securities) Regulations, 2021; (Not Applicable during the Audit Period)
 - The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993; regarding the Companies Act and dealing with client; (Not Applicable during the Audit Period)

- g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; (Not Applicable during the Audit Period); and
 - h. The Securities and Exchange Board of India (Buy back of Securities) Regulations, 2018; (Not Applicable during the Audit Period);
 - i. The SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015; (Applicable to some extent)
- l. As informed to us, there are no laws which have specific applicability to the Company other than general laws applicable to the industry generally, namely;
- a. Factories Act, 1948
 - b. Payment of Wages Act, 1936, and rules made thereunder,
 - c. The Minimum Wages Act, 1948, and rules made thereunder,
 - d. Employees' State Insurance Act, 1948, and rules made thereunder,
 - e. The Employees' Provident Fund and Miscellaneous Provisions Act, 1952, and rules made thereunder,
 - f. The Payment of Bonus Act, 1965, and rules made thereunder,
 - g. Payment of Gratuity Act, 1972, and rules made thereunder,
 - h. The Water (Prevention and Control Pollution) Act, 1974.
 - i. The Air (Prevention and Control Pollution) Act, 1981,
 - j. Industrial Dispute Act, 1947

I have also examined compliance with the applicable clauses of the following:

- a) Secretarial Standards issued by the Institute of Company Secretaries of India.

I further report that, during the period under audit and review, as confirmed by the management the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, etc. mentioned above, wherever applicable.

I further report that, based on the information provided and the representation made by the Company and also on the review of the compliance reports of Officers of the Company taken on record by the Board of Directors of the Company, in my opinion, adequate systems and processes exist in the Company to monitor and ensure compliance with provisions of applicable general laws like Labour laws and Environmental laws etc.

I further report that;

1. The Board of Directors of the Company is duly constituted in accordance with the applicable laws. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act. (During the year there is no change in the composition of the Board)

Corporate Governance Report

Report on Corporate Governance for the year ended March 31, 2024

ANNEXURE-C

Corporate Governance Report

1. COMPANY'S PHILOSOPHY

Corporate Governance is the combination of practices and compliance with laws and regulations leading to effective control and management of the Organization. We consider stakeholders as our partners in our success and remain committed to maximizing stakeholder(s) value. Good Corporate Governance leads to long term Stakeholders value. Corporate Governance rests upon the four pillars of transparency, disclosure, monitoring and fairness. Your Company is committed to the adoption of and adherence to the best Corporate Governance practices at all times and continuously benchmarks itself with the best standards of Corporate Governance, not only in form but also in spirit. The Company places emphasis on business ethics and responsible conduct and to disclosures of operating performance and other key events on timely basis to its shareholders and stakeholders. The Company views its role as trustees of its shareholders, stakeholders and society at large.

The Company has adopted a Code of Conduct for the Board and its employees which contains the fundamental principles and rules concerning ethical business conduct. This Code embodies the belief that acting always with the Company's legitimate interest in mind and being aware of the Company's responsibility towards its stakeholders is an essential element of the Company's long-term excellence. A Report on compliance with the Corporate Governance provisions as prescribed under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time ("Listing Regulations") is given herein below:

2. BOARD OF DIRECTORS

The Company has a balanced mix of Executive, Non-Executive and Independent Directors and is being managed and controlled by a professional Board. As on March 31, 2024, the Board of Director(s) comprised Eight (8) Directors out of which Two (2) are Executive Directors and Six (6) are Non-Executive Directors including Two (2) Women Directors (33%) as on March 31, 2024. The Chairman is Executive Director and Promoter of the Company. 4 out of 8 Board members are Independent Directors which is 50% of the total Board strength. The composition of the Board of Directors conforms with Regulation 17 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015. All Independent Directors meet the criteria and conditions as prescribed under sub section (6) of Section 149 of the Companies Act, 2013 and Regulation 16(1) (b) of SEBI (Listing Obligations & Disclosure Requirements), Regulations 2015. Further, all Independent Directors are persons of eminence and bring wide range of expertise and experience to the Board and in the best interest of various stakeholders.

The composition of the Board represents an optimum combination of knowledge, experience and skills from diverse fields including manufacturing, finance, Engineering, Technology and governance, etc. which are required by the Board to discharge its responsibilities effectively. The Directors take active part in the deliberations at the Board and Committee Meetings by providing valuable guidance and expert advice to the Management on various aspects of business, policy direction, strategy, governance, compliance, etc. and play a critical role on strategic issues and add value in the decision making process of the Board of Directors.

The information stipulated under Part A of Schedule II of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 is being made available to the Board.

[^]Appointed w.e.f. 26th September, 2023. Therefore, entitled to attend only 2 (Two) meetings.

^{^^}Resigned w.e.f. 29th March, 2024.

The Company has received declarations of independence as prescribed under Section 149(6) & (7) of the Companies Act, 2013 ("the Act") and Regulation 16(1) (b) of SEBI Listing Regulations from all Independent Directors. All requisite declarations were placed before the Board. In the opinion of the Board, all Independent Directors fulfil the conditions of Independence specified in the Companies Act, 2013 and SEBI Listing Regulations and are independent of the Management.

Corporate Governance Report

None of the Directors on the Board are members of more than 10 Committees or Chairman of more than 5 Committees across the Companies in which they are Directors. Necessary disclosures regarding Committee positions have been made by the Directors as per Regulation 26(2) of the SEBI Listing Regulations in the beginning of every financial year. Independent Directors are not serving as Independent Directors in more than seven listed companies. Further, the Whole Time Director/Managing Director in the Company do not serve as Independent Director in more than three listed companies. None of the Directors of the Company have any inter-se relationship with any other Director of the Company.

M/s R. Miglani & Co. Practicing Company Secretaries, has issued a certificate as required under the SEBI Listing Regulations, confirming that none of the Directors on the Board of the Company have been debarred or disqualified from being appointed or continuing as Directors of companies by the Securities and Exchange Board of India/ Ministry of Corporate Affairs or any such statutory authority. The certificate is enclosed as “Annexure- II” with this report and forms an integral part of this report.

Resignation/Cessation of Independent Director

Mr. N.J.S. Gill (DIN: 00007425) and Mr. Pradeep Khanna (DIN: 06668919) ceased to be Independent Director of the company with effect from 29th March, 2024. The Board of Directors and the Management of the Company expressed deep appreciation and gratitude to Mr. N.J.S Gill and Mr. Pradeep Khanna for their extensive contribution and stewardship.

b) Number of Board Meetings

During the Financial Year 2023-24, five (05) Board Meetings were held and the gap between two meetings does not exceed 120 days. Board Meetings were held on 17.05.2023, 31.07.2023, 29.08.2023, 06.11.2023 and 07.02.2024.

c) Board Procedure

The Board of Directors oversees the overall functioning of the Company. The Board provides and evaluates the strategic direction of the Company, management policies and their effectiveness and ensures that the long-term interest of the stakeholders are being served. The Chairman and Managing Director is assisted by the Executive Directors/ Senior Managerial Personnel in overseeing the functional matters of the Company.

A detailed Agenda, setting out the business to be transacted at the Meeting(s), supported by detailed Notes and Presentation(s) if any, is sent to each Director at least seven days before the date of the Board Meeting(s) and of the Committee Meeting(s) except where Meeting(s) have been convened at a shorter notice to transact urgent businesses.

In exceptional circumstances, additional or supplementary agenda items are taken up for discussion with the permission of the Chairman. The members of the Board or Committees are free to suggest any item to be included in the agenda, in addition to exercising their right to bring up matters for discussion at the meeting with the permission of the Chairman.

To enable the Board to discharge its responsibilities effectively and take informed decisions, the Chairman and Managing Director apprises the Board at every Meeting of the overall performance of your Company, followed by Presentation(s) by the Chief Financial Officer and other department heads. A detailed Report is also presented at the Board Meeting(s).

Apart from Board Members and the Company Secretary, the Board and Committee Meeting(s) are also attended by the Chief Financial Officer and wherever required by the Heads of various Corporate Functions.

The Board sets annual performance objectives, oversees the actions and results of the management, evaluates its own performance, performance of its Committees and individual Directors on an annual basis and monitors the effectiveness of the Company's governance practices for enhancing the stakeholders' value.

The Board of Directors of your Company closely monitors the performance of the Company and Management, approves the plans, reviews the strategy and strives to achieve organizational growth. Your Board ensures statutory and ethical conduct and places high importance on the internal financial reporting.

Corporate Governance Report

Your Company has well-established framework for the Meetings of the Board and its Committees which seeks to systematize the decision-making process at the Meetings in an informed and efficient manner. Regular inputs and feedback of Board Members are taken and considered while preparing the Agenda and related documents for the Board and Committee Meetings. The Board also has access to the Members of the Management and to the Company related information.

The Company Secretary plays a key role in ensuring that the Board (including Committees thereof) procedures are followed and regularly reviewed. The Company Secretary is primarily responsible to assist and advise the Board in the conduct of affairs of the Company, to ensure compliance with applicable statutory requirements, to provide guidance to Directors, to facilitate convening of Meetings and acts as interface between the Management and Regulatory Authorities for Governance related matters of the Company.

d) Separate Meeting of Independent Directors

The Independent Directors of the Company meet as and when required before the Board Meeting without the presence of Executive Directors or management personnel. These meetings are conducted in an informal and flexible manner to enable the Independent Directors to discuss matters pertaining to the affairs of the Company and put forth their views to the Chairman and Managing Director.

During the year under review, the Independent Directors met on 07.02.2024, inter alia, to discuss:

- Evaluation of the performance of Non- Independent Directors and the Board of Directors as a whole;
- Evaluation of the performance of the Chairman of the Company, considering the views of the Executive and Non-Executive Directors;
- Evaluation of the quality, content, and timelines of flow of information between the Management and the Board that is necessary for the Board to perform its duties effectively and reasonably.

All Independent Directors were present in the meeting

e) Familiarization Programme

In order to encourage active participation from the Independent Directors and also to enable them to understand the business environment of the Company, a Familiarization Programme for the Independent Directors has been adopted and implemented.

Once appointed, the Independent Directors undergo Familiarization Programme of the Company. Necessary information and supportive documents in respect of Bimetal industry, the regulatory environment under which the Company operates and Annual Reports of past financial years are provided to the Independent Directors. The Independent Directors hold one on-one discussions with Key Functional Heads of the Company to understand various functions which are critical to the business performance of the Company. The Independent Directors are also provided with financial results, internal audit findings, and other specific documents as sought for from time to time. The Independent Directors are also made aware of all policies and Code of Conduct adopted by the Board.

Pursuant to Regulation 25(7) of the Listing Regulations, the Company imparted following familiarisation programmes for its Directors: The details of Familiarization Programmes imparted to Independent Directors (IDs) are available on the company's website at www.shivalikbimetals.com

f) Performance Evaluation criteria for IDs

Pursuant to the provisions of the Companies Act, 2013 (“Act”) and SEBI Listing Regulations, the Board has carried out the annual performance evaluation of its own performance, the Directors individually as well as the evaluation of the working of its Board Committees. Further, the Independent Directors at its meeting held on 07th February, 2024 evaluated performance of Chairman, Non-Independent Directors and Board and committees as a whole.

The performance evaluation of all the Directors was carried out by the Nomination and Remuneration Committee. The performance evaluation of the Chairman and the Non-Independent Directors was carried out by the Independent Directors.

**Corporate Governance Report**

The exercise was carried out through a structured evaluation process covering various aspects of the Board's functioning such as adequacy of the composition of the Board and its Committees, leadership attribute of directors through vision and values, strategic thinking and decision making, adequacy of business strategy etc.

The performance evaluation of the Independent Directors was done by the entire Board excluding the Directors being evaluated. The Board of Directors expressed their satisfaction with the evaluation process.

g) Code of Conduct

Pursuant to Regulation 17(5)(a) of SEBI Listing Regulations, the Board of Directors of the Company has adopted and laid down the Code of Conduct for all Directors and Senior Management Personnel of the Company ("Code"). The Code is posted and available at the website of the Company <https://www.shivalikbimetals.com/images/pdf/Code-of-Conduct.pdf>

All Directors and Senior Management personnel have affirmed the compliance with the Code applicable to them during the year ended on March 31, 2024. A declaration by Mr. S.S. Sandhu, Chairman of the Company in terms of Para D of Schedule V of the SEBI Listing Regulations on the affirmation on compliance with the Code for the year ended March 31, 2024, based on the compliance declarations received from the Board and Senior Management, is enclosed as "Annexure- I" with this report and forms an integral part of this report.

h) Core skills / expertise / competencies of Directors

The Company believes that it is the collective effectiveness of the Board that impacts Company performance, and therefore members of the Board themselves should have a balance of skills, experience and diversity of perspectives appropriate to the Company. Given the Company's size, scale and diversified nature of its businesses, the skills, expertise and competencies of the Directors, as identified by the Board, are provided below:

Strategy and Planning	Appreciation of long-term trends, strategic choices and experience in guiding and leading management teams to make decisions in uncertain environments.
Corporate governance	Experience in developing governance practices, serving the best interests of all stakeholders, maintaining board and management accountability, building long-term effective stakeholder engagements and driving corporate ethics and values.
Functional and managerial experience	Knowledge and skills in accounting and finance, business judgment, general management practices and processes, crisis response and management, macro-economic perspectives, human resources, labour laws, international markets, sales and marketing, and risk management.
Industry Knowledge	Experience in Industry Knowledge of Metal/Electrical/ Electronic. Understanding of Government legislation/ legislative process and Customer Relationships. Global Business Understanding of global business dynamics, across various geographical markets, industry verticals and regulatory jurisdictions.

i) Compliance Reports

To the best of my knowledge and belief, the Company is complying with all applicable laws as on date. The Board has reviewed the Compliance Report of all Laws applicable to the Company and the steps taken by the Company to rectify instances of non-compliances.

j) Code of Conduct for Prevention of Insider Trading

As per SEBI (Prohibition of Insider Trading) Regulations, 2015, the Company, inter alia, adopted a Code of Conduct for Regulating, Monitoring and Reporting trading by an Insider (Code). All Designated Persons of the Company and its subsidiaries who could have access to the unpublished price sensitive information of the Company, along with their immediate relatives, are governed by this code. Amongst others, the trading window for dealing in securities of the Company is closed and opened as per the provisions of the said Code.

k) Materially Significant Related Party Transactions

The Company has also formulated a policy on materiality of and dealing with Related Party Transactions (RPT Policy). This RPT Policy is available on the website of the Company and the weblink for the same is <https://www.shivalikbimetals.com/pdf/RPT-Policy-Final.pdf> All the Related Party Transactions are dealt with in accordance with the provisions of the Companies Act, 2013, Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the Company's RPT Policy.

l) Vigil Mechanism & Whistle Blower Policy, and affirmation that no personnel has been denied access to the Audit Committee

The Board of Directors of the Company has adopted a Whistle Blower Policy to establish a vigil mechanism for the Directors, employees, vendor's dealers and all stakeholders of the Company, to report genuine concerns or grievances including instances of leak or suspected leak of unpublished price sensitive information pursuant to SEBI (Prohibition of Insider Trading) Regulations, 2015 and the same is available on Company's website at: <https://www.shivalikbimetals.com/images/pdf/Vigil-Mechanism-&-Whistle-Blower-Policy.pdf>.

No person has been denied access to the Audit Committee.

**Corporate Governance Report****m) Policy for Preservation of Documents**

The listed entity is preserving and maintaining records as prescribed under SEBI Regulations and disposal of records as per Policy of Preservation of Documents and Archival policy prescribed under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Board has formulated a Policy of Preservation of Documents and Archival Policy which prescribed the manner and period of retaining the Company's documents. The policy has been uploaded on the website of the Company at <https://www.shivalikbimetals.com/images/pdf/policy-on-preservation-of-documents-and-archival.PDF>

n) Policy for determination of materiality

In line with requirements under Regulation 30 of the SEBI (Listing Obligations & Disclosure Requirement) Regulations, 2015, the Company has formulated a policy on determination of materiality which is available on the website under the head of investor relation/Shivalik corporate policy tab at <https://www.shivalikbimetals.com/images/pdf/Policy-For-Determination-of-Materiality-of-Information-or-Events.pdf>

The objective of this policy is to have uniform disclosure practices and ensure timely, adequate and accurate disclosure of information on an ongoing basis.

o) Succession Planning

The Nomination and Remuneration Committee believes that sound succession plans for the senior leadership are very important for creating a robust future for the Company. The Committee works along with the Human Resource team of the Company for a proper leadership succession plan.

3. COMMITTEES OF THE BOARD OF DIRECTOR'S

The Board Committees play a crucial role in the governance structure of the Company and have been constituted to deal with specific areas / activities as mandated by applicable regulations; which concern the Company and need a closer review. Majority of the Members constituting the Committees are Independent Directors and each Committee is guided by its Terms of Reference, which provide for the scope, powers & duties and responsibilities. There are five (05) Board constituted Committees as on 31st March, 2024, details of which are as follows:

- i. Audit Committee
- ii. Stakeholders Relationship & Share Transfer Committee

e) Share Transfer System

SEBI, effective April 01, 2019, barred physical transfer of shares of listed companies and mandated transfers only through demat. However, investors are not barred from holding shares in physical form. We request shareholders whose shares are in physical mode to dematerialize their shares. Shareholders holding shares in dematerialized mode have been requested to register their email address, bank account details and mobile number with their depository participants. Those holding shares in physical mode have been requested to furnish PAN, nomination, contact details, bank account details and specimen signature for their corresponding folios. Shareholders may contact to the RTA.

Transmission System:

Requests for Transmission of Shares held in physical form can be lodged with MAS Services Limited "RTA" at the above-mentioned address with all the documents along with duly filled ISR -4. The requests are normally processed within 15 days of receipt of the documents, provided documents are in order. Shares under objection are returned within two weeks from the date of its receipt.

Pursuant to SEBI circular No. SEBI/HO/MIRSD/ MIRSD_RTAMB/P/CIR/2022/8 dated 25.01.2022, SEBI has directed that listed companies shall henceforth issue securities in dematerialized form only while processing the Transmission request as may be received from the securities holder / claimant.

Accordingly, RTA to verify and process the service request and thereafter issue a "Letter of Confirmation" in lieu of physical securities certificate(s), to the securities holder /claimant within 30 days of its receipt of such request after removing objections, if any.

The letter of confirmation shall be valid for a period of 120 days from the date of its issuance, within which the securities holder / claimant shall make a request to the Depository Participants for dematerializing the said securities.

The RTA / Issuer Companies shall issue a reminder after the end of 45 days and 90 days from the date of issuance of Letter of Confirmation, informing the securities holder and /claimant to submit the Demat request as above in case no such request has been received by the RTA till the time.

**Corporate Governance Report****Unclaimed Dividends**

The Ministry of Corporate Affairs ('MCA') has notified the provisions of section 124 of the Companies Act, 2013 ('Act, 2013) and the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules") w.e.f 07.09.2016.

Under Section 124 (5) of the Companies Act, 2013, dividends that are unclaimed / un-paid for a period of seven years, are to be transferred statutorily to the Investor Education and Protection Fund (IEPF) administered by the Central Government. To ensure maximum disbursement of unclaimed dividend, the Company sends reminders to the concerned investors at appropriate intervals.

Reminders are, inter alia, sent to the shareholders for registering their email IDs and for claiming unclaimed dividend. Further, SEBI has announced common and simplified norms for processing investor's service requests by RTA's and norms for furnishing PAN, KYC details and nomination. In compliance with this circular, letters were dispatched to shareholders for updation of KYC.

Period	Status	To be claimed from	How it can be claimed
FY 1998-99 to 2010-11 and FY 2016-17 (Interim)	Transferred to IEPF	IEPF Authority	By filing Form IEPF-5
*FY 2016-17 (Interim) to FY 2023-24	Unclaimed	RTA/Company	By written request to RTA/Company

*Dividend for the FY 2016-17 (Final) is due to be transferred to IEPF in November 2024. The shareholders may claim the same upto October 15th, 2024.

Pursuant to Section 124 (5) of the Companies Act, 2013, the unpaid dividends that are due for transfer to the Investor Education and Protection Fund are as follows:

Financial year	Date of Declaration of Dividend	% of Dividend Declared	Unclaimed Dividend Amount (₹ in INR) as on 31.03.2024	Due for transfer for IEPF
2016-17	27/09/2017	12.5	95,998.50	01/11/2024
2017-18	08/02/2018	15	198,429.60	15/03/2025
2017-18	27/09/2018	15	176,193.60	01/11/2025
2018-19	12/02/2019	15	166,734.00	19/03/2026
2018-19	11/09/2019	15	147,496.80	16/10/2026
2019-20	11/02/2020	15	172,698.30	17/03/2027
2020-21	09/02/2021	15	162,740.80	11/03/2028
2020-21	15/09/2021	15	204,390.50	21/10/2028
2021-22	02/02/2022	25	355,477.00	10/03/2029
2021-22	27/09/2022	25	269,522.00	02/11/2029
2022-23	07/02/2023	25	355,011.00	15/03/2030
2022-23	26/09/2023	35	469,505.10	01/11/2030
2023-24	07/02/2024	35	117,091.70	14/03/2031

Members who have not encashed their dividend warrants pertaining to the aforesaid years may approach the Company or its Registrar, for obtaining payments thereof atleast 20 days before they are due for transfer to the said fund.

q) Investor Education and Protection Fund (IEPF)

Pursuant to the provisions of the Companies Act, 2013 read with the second proviso to Rule 6 of Investor Education and Protection Fund Authority (Accounting, Audit, transfer and refund) Rules, 2016 ("the rules"), all shares in respect of which dividend has not been en-cashed or claimed by the shareholders for seven consecutive years or more should be transferred by the Company to the Demat Account opened by the IEPF Authority within a period of 30 days from which the shares become due to transfer to the IEPF. Accordingly, the equity shares in respect of which dividend has been not been claimed/ un-paid for seven consecutive years or more by shareholders, are being transferred to the designated demat account of the IEPF Authority.

**Corporate Governance Report****Refund/Claim process guidelines to facilitate the Claimants refund by IEPF Authority:**

- 1) Any person, whose shares, unclaimed dividend, sale proceeds of fractional shares, etc. has been transferred to the IEPF, may claim the shares under proviso to sub-section (6) of section 124 or apply for refund under clause (a) of sub-section (3) of section 125 or under proviso to sub-section (3) of section 125, as the case may be, to the Authority by making an application in Form IEPF- 5 available online on website www.iepf.gov.in.
- 2) Fill the required fields of the Form and submit the duly filled web based form On successful uploading of Form on MCA Portal, an acknowledgement will be generated indicating the SRN. Please note the SRN for future tracking of the form.
- 3) Applicant has to send the printout of form IEPF-5 along with the copy of challan and other documents as prescribed in the Form IEPF-5 to the Nodal Officer of the Company at its registered office or RTA i.e. MAS Services Limited in an envelope marked "claim for refund from IEPF Authority" for initiating the verification for claim.
- 4) The Company shall within thirty days of receipt of claim form, send a verification report to the IEPF Authority in the format specified by the Authority along with all documents submitted by the claimant.
- 5) After verification of the entitlement of the claimant- (a) to the amount claimed, the Authority and then the Drawing and Disbursement Officer of the Authority shall present a bill to the Pay and Accounts Office for e- payment as per the guidelines (b) to the shares claimed, the Authority shall issue a refund sanction order with the approval of the Competent Authority and shall either credit the shares which are lying with depository participant in IEPF suspense account name of the company to the demat account of the claimant to the extent of the claimant's entitlement.

According to Section 124 of the Companies Act, 2013 read with provisions of Investors Education & Protection Fund Authority (Accounting, Audit, Transfer & Refund) Rules, 2016 (as amended), all shares in respect of which dividend has not been paid or claimed by the shareholders for seven consecutive years or more, already transferred by the Company in favour of Investor Education and Protection Fund (IEPF). The Company was communicated to all the concerned shareholders individually whose shares were liable to be transferred to IEPF. Upon transfer of such shares, all benefits (like a bonus, etc.), if any, accruing on such shares shall also be credited to such Dormant Account and the voting rights on such shares shall remain frozen till the rightful owner claims the shares.

- r) Shivalik Bimetal Controls Ltd.- Unclaimed Suspense Account ("Unclaimed Suspense Account"). The details of equity shares ("shares") held in an Unclaimed Suspense Account are as follows:

S.No.	Particulars	Details
1.	The aggregate number of shareholders and the outstanding shares lying in the Unclaimed Suspense Account at the beginning of the Financial Year 2023-24	• Aggregate number of shareholders - 96 • Number of outstanding shares-186173
2.	Number of shareholders who approached the issuer for transfer of shares from the Unclaimed Suspense Account during the Financial Year 2023-24	Nil
3.	Number of shareholders to whom shares were transferred from the Unclaimed Suspense Account during the Financial Year 2023-24	Nil
4.	The aggregate number of shareholders and the outstanding shares lying in the Unclaimed Suspense Account at the end of the Financial Year 2023-24	• Aggregate number of shareholders - 96 • Number of outstanding shares-186173

Note: Voting rights on the above-mentioned equity shares would remain frozen till the owner of such equity shares claims the shares.

10. Certificate from Practicing Company Secretary regarding the compliance of conditions of corporate governance

A Certificate from the Practicing Company Secretary certifying the compliance of Corporate Governance requirements by the Company is annexed to the Corporate Governance Report and forms part of the Annual Report as **Annexure III**.

**Corporate Governance Report**Annexure to Report on Corporate Governance for the financial year ended 31st March, 2024**ANNEXURE- I****Declaration of Compliance with the Code of Conduct**

**CERTIFICATION BY MANAGING DIRECTOR AND CHIEF FINANCIAL OFFICER**

We, the undersigned, in our respective capacities as Managing Director and Chief Financial Officer of (the Company), to the best of our knowledge and belief certify that:

- a) We have reviewed the financial statements and the cash flow statement for the year ended 31st March, 2024 and based on our knowledge and belief, we state that:
 - i. these statements do not contain any materially untrue statement or omit any material fact or contain any statement that might be misleading;
 - ii. these statements together present a true and fair view of the Company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
- b) We further state that to the best of our knowledge and belief, there are no transactions entered into by the Company during the year, which are fraudulent, illegal or violative of the Company's code of conduct.
- c) We hereby declare that all the members of the Board of Directors and Management Committee have confirmed compliance with the code of conduct as adopted by the Company.
- d) We are responsible for establishing and maintaining internal controls and for evaluating the effectiveness of the same over the financial reporting of the Company and have disclosed to the Auditors and the Audit Committee, deficiencies in the design or operation of internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify these deficiencies.
- e) We have indicated, based on our most recent evaluation, wherever applicable to the Auditors and Audit Committee:
 - i. Significant changes, if any, in the internal control over financial reporting during the year;
 - ii. Significant changes, if any, in the accounting policies made during the year and that the same has been disclosed in the notes to the financial statements; and
 - iii. Instances of significant fraud of which we have become aware and the involvement therein, if any, of the management or an employee having significant role in the Company's internal control system over financial reporting.

**ANNUAL REPORT ON CORPORATE SOCIAL RESPONSIBILITY (CSR) ACTIVITIES**

[Pursuant to clause (o) of sub-section (3) of section 134 of the Act and Rule 9 of the Companies (Corporate Social Responsibility Policy) Rules, 2014]

- 1) Brief outline on CSR policy of the Company:

Corporate Social Responsibility is a Company's sense of responsibility towards the community and environment in which it operates. As a Corporate Citizen receiving various benefits out of society, it is our co-extensive responsibility to pay back in return to the society in terms of helping needy people by providing food, clothes, etc., keeping the environment clean and safe for the society by adhering to the best industrial practices and adopting best technologies, and so on. It is the Company's intent to make a positive contribution to the society in which the Company operates.

SHIVALIK will focus on CSR initiatives that promote the areas identified in this policy. SHIVALIK implements the chosen programs via two channels:

- a) Directly by SHIVALIK;
- b) Through trust 'ABS Foundation'
- c) CSR primarily focuses on the following programs:
 - i. Promotion of education,
 - ii. Promotion of sports
 - iii. Infrastructural Facilities
 - iv. Rural Development
 - v. Healthcare Services
 - vi. Education and Livelihoods Enhancement

- 2) Composition of the CSR Committee: -

S. No.	Name of Members	Designation	No. of Meetings held during the Year	No. of meetings attended during the Year
1.	Mr. S. S. Sandhu	Chairman	1	1
2.	Mr. N. S. Ghumman	Member	1	1
3.	Lt. Gen. Pradeep Khanna (Retd.)	Member	1	1**
4.	Mrs. Anu Ahluwalia	Member	1	0*

*Appointed as member w.e.f. 07.02.2024

**Resigned as member w.e.f. 07.02.2024

- 3) Provide the web-link where composition of CSR committee, CSR Policy and CSR projects approved by the board are disclosed on the website of the company.

Composition of CSR Committee, CSR Policy and CSR projects approved by the Board is available on the website of the Company and can be accessed through the following weblinks:

- a) Composition of CSR Committee: <https://www.shivalikbimetals.com/about-us.php?pageId=25>

ANNEXURE-F

SECTION A: GENERAL DISCLOSURES**I. Details of the listed entity**

1	Corporate Identity Number (CIN) of the Listed Entity	L27101HP1984PLC005862
2	Name of the Listed Entity	Shivalik Bimetal Controls Ltd.
3	Year of incorporation	1984
4	Registered office address	16-18 New Electronics Complex, Chambaghat Distt. Solan Himachal Pradesh 173213
5	Corporate address	H-2, Suneja Chambers, Alaknanda Commercial Complex, New Delhi – 110019
6	E-mail	investor@shivalikbimetals.com
7	Telephone	+91-1792 – 230578 +91-011-26027174
8	Website	www.shivalikbimetals.com
9	Financial Year for which reporting is being done	2023-24
10	Name of the Stock Exchange(s) where shares are listed	National Stock Exchange of India Limited (NSE) Bombay Stock Exchange (BSE Limited)
11	Paid-up Capital	11,52,08,400/-
12	Name and contact details (telephone, email address) of the person who may be contacted in case of any queries on the BRSR report	Mr. Kanav Anand Landline 011-26027174 Email: investor@shivalikbimetals.com
13	Reporting boundary - Are the disclosures under this report made on a standalone basis (i.e. only for the entity) or on a consolidated basis (i.e. for the entity and all the entities which form a part of its consolidated financial statements, taken together)	Disclosure made in this report is on Standalone basis and pertains only to Shivalik Bimetal Controls Ltd.
14	Name of assurance provider	Not applicable
15	Type of assurance obtained	Not applicable

II. Products/services**16. Details of business activities (accounting for 90% of the turnover):**

S. No.	Description of Main Activity	Description of Business Activity	% of Turnover of the entity
1	Manufacture	Manufacture of Thermostatic Bimetal/ Trimetal Strips/ Parts Manufacturing of EB welded shunt (resistors)	100%

17. Products/Services sold by the entity (accounting for 90% of the entity's Turnover):

S. No.	Product/Service	NIC Code	% of total Turnover contributed
1	Manufacture of Thermostatic Bimetal/ Trimetal Strips/ Parts	24204	54%
2	Manufacturing of EB welded shunt (resistors)	24201	46%

**Business Responsibility & Sustainability Reporting****III. Operations****18. Number of locations where plants and/or operations/offices of the entity are situated:**

Location	Number of plants	Number of offices	Total
National	2	1	3
International	-	-	-

19. Markets served by the entity:**a. Number of locations**

Locations	Number
National (No. of States)	16
International (No. of Countries)	37

b. What is the contribution of exports as a percentage of the total turnover of the entity?

58.72%

c. A brief on types of customers

The Company caters to a diverse range of customers across various industries pre-dominantly serving B2B customers – supplying thermostatic bimetal/ trimetal's strips, components, spring rolled stainless steel, electron beam welded shunt material (strip and finished components) cold bonded strips and parts, snap action disc, CNC formed coils of bimetal/trimetal etc. There are approx. 275+ customers both domestic and overseas. The major customer belongs to switchgears, circuit breakers, automotive, energy meter and various other electrical and electronic devices industries.

PRINCIPLE 1 Businesses should conduct and govern themselves with integrity, and in a manner that is Ethical, Transparent and Accountable.

Essential Indicators

1. Percentage coverage by training and awareness programmes on any of the Principles during the financial year:

Segment	Total number of training and awareness programmes held	Topics / principles covered under the training and its impact	% age of persons in respective category covered by the awareness programmes
Board of Directors	3	1) POSH, 2) Orientation Programme, 3) Training on ESG	100%
Key Managerial Personnel	6	1) ESG Conference, 2) BRSR Training by TUV and 3) RBI--NBFC Scale Based Regulations 4) ESG Introduction 5) Foundation for Business Banking, 6) How to manage your manager	100%
Employees other than BoD and KMPs	16	1) AIAG+VDA+FMEA 2) POSH 3) Mediclaim Awareness 4)VDA 6.5 Process Auditor Training 5) Communication Skills 6) Fire & First Aid 7) Advance Excel 8) Quality/EHS Policy Refresher 9) Security Procedure for Men & Material 10)7 QC Tools 11) Code of Conduct Refresher 12)CQI 9 - Special Process on Heat Treatment 13)Time Management 14) Poka Yoke 15) Automotive Core Tools 16) Prevention of Child Labour, ABAC	75.30%
Workers	6	1) Code of Conduct, 2) Mediclaim /awareness 3) Effective Business (connect to Excel) 4) POSH 5) Quality & Safety Policy refreshers. 6) OHS/ PPE	100%

2. Details of fines / penalties /punishment/ award/ compounding fees/ settlement amount paid in proceedings (by the entity or by directors / KMPs) with regulators/ law enforcement agencies/ judicial institutions, in the financial year, in the following format (Note: The entity shall make disclosures on the basis of materiality as specified in Regulation 30 of SEBI (Listing Obligations and Disclosure Obligations) Regulations, 2015 and as disclosed on the entity's website):

Reply: No such cases during the FY 2023-24.

	NGRBC Principle	Name of the regulatory/ enforcement agencies/ judicial institutions	Monetary	Brief of the Case	Has an appeal been preferred? (Yes/No)
			Amount (In INR)		
Penalty/ Fine	-	-	-	-	-
Settlement	-	-	-	-	-
Compounding fee	-	-	-	-	-

**Business Responsibility & Sustainability Reporting**

	Non-Monetary			
	NGRBC Principle	Name of the regulatory/ enforcement agencies/ judicial institutions	Brief of the Case	Has an appeal been preferred? (Yes/No)
Imprisonment	-	-	-	-
Punishment	-	-	-	-

3. Of the instances disclosed in Question 2 above, details of the Appeal/ Revision preferred in cases where monetary or non-monetary action has been appealed.

Reply: No such cases during the FY 2023-24

Case Details	Name of the regulatory/ enforcement agencies/ judicial institutions
-	-

4. Does the entity have an anti-corruption or anti-bribery policy? If yes, provide details in brief and if available, provide a web-link to the policy.Reply: Yes, the company has an established policy on anti-corruption and anti-bribery. The weblink of our policy: <https://www.shivalikbimetals.com/images/pdf/Anti-Bribery-and-Anti-Corruption-Policy.pdf>**5. Number of Directors/KMPs/employees/workers against whom disciplinary action was taken by any law enforcement agency for the charges of bribery/ corruption:**

	FY 2023-24 (Current Financial Year)	FY 2022-23 (Previous Financial Year)
Directors	NIL	NIL
KMPs	NIL	NIL
Employees	NIL	NIL
Workers	NIL	NIL

6. Details of complaints with regard to conflict of interest:

	FY 2023-24 (Current Financial Year)		FY 2022-23 (Previous Financial Year)	
	Numbers	Remark	Numbers	Remark
Number of Complaints received in relation to issues of Conflict of Interest of the Directors	-	-	-	-
Number of Complaints received in relation to issues of Conflict of Interest of the KMPs	-	-	-	-

7. Provide details of any corrective action taken or underway on issues related to fines / penalties / action taken by regulators/ law enforcement agencies/ judicial institutions, on cases of corruption and conflicts of interest.

Reply: No such cases.

8. Number of days of accounts payables ((Accounts payable *365) / Cost of goods/services procured) in the following format:

	FY 2023-24 (Current Financial Year)	FY 2022-23 (Previous Financial Year)
Number of days of accounts payables	47 days	56 days

**Business Responsibility & Sustainability Reporting****9. Openness of business**

Provide details of concentration of purchases and sales with trading houses, dealers, and related parties along-with loans and advances & investments, with related parties, in the following format:

Parameter	Metrics	FY2023-24 (Current Financial Year)	FY 2022-23 (Previous Financial Year)
Concentration of Purchases	a. Purchase from trading house as % of total purchases	-	-
	b. Number of trading houses where purchase are made from	-	-
	c. Purchases from top 10 trading houses as % of total purchase from trading house	-	-
Concentration of Sales	a. Sales to dealers / distributors as % of total sales	-	-
	b. Number of dealers/ distributors to whom sales are made	-	-
	c. Sales to top 10 dealers / distributors as % of total sales to dealers/distributors	-	-
Share of RPTs in	a. Purchases (Purchases with related parties/ Total Purchases)	10.01%	13.87%
	b. Sales (Sales to related parties /Total Sales)	0.18%	-
	c. Loans & advances (Loan & advances given to related parties /Total loans & advances)	-	-
	d. Investments (Investment in related parties / Total Investments made)	99.69%	99.72%

PRINCIPLE 2: Businesses should provide goods and services in a manner that is sustainable and safe**Essential Indicators****1. Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively.**

	Current Financial Year	Previous Financial Year	Details of improvements in environmental and social impacts
R&D	-	-	-
Capex	-	-	-

Note: Setting up of Effluent Treatment Plant and Waste Management

2. a. Does the entity have procedures in place for sustainable sourcing? (Yes/No)

No, but Supplier manual/Code of Conduct is being signed off for our raw material suppliers/vendors.

b. If yes, what percentage of inputs were sourced sustainably?

Not applicable

**Business Responsibility & Sustainability Reporting****3. Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for**

The Company is in the business of manufacturing alloy based thermostatic bimetal and electronic beam-based shunt resistors. These products /components are being used by electrical and electronics industry as a component to their final product. Hence, there is no scope for reclaiming the product for re-use, recycling or disposal at the end of life. Therefore, this question is not applicable for the product.

4. Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes / No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same.

Extended Producer Responsibility (EPR) is not applicable to the entity's activities. However, as we are importing plastic packaging, and the raw material it includes minimal amount of plastic in packaging. Therefore, the company applied for the registration as Brand Owner as well as importers. The waste collection plan is in line with the EPR guidelines. The final product dispatched has a thin layer of flexible plastic, and some components are supplied in plastic boxes for the safety of the product application.

PRINCIPLE 3 Businesses should respect and promote the well-being of all employees, including those in their value chains**Essential Indicators****1. a. Details of measures for the well-being of employees:**

Category	Total (A)	Health insurance		Accident insurance		Maternity benefits		Paternity Benefits		Day Care facilities	
		Number (B)	% (B / A)	Number (C)	% (C / A)	Number (D)	% (D / A)	Number (E)	% (E / A)	Number (F)	% (F / A)
Permanent employees

10. Health and safety management system:

- a. Whether an occupational health and safety management system has been implemented by the entity? (Yes/ No). If yes, the coverage such system?

Reply: Yes, the Company has been certified for ISO 45001:2018 Standards - Occupational Health and Safety Management System. The Entire Plant and its operations are being covered under the Scope of ISO 45001:2018 Standards.

- b. What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity?

Reply: All the manufacturing facilities are certified with ISO 45001 OHS management system. Accordingly, the facilities adopt the processes of Hazard Identification and Risk Assessment (HIRA) techniques for routine activities and Job Safety Analysis (JSA) for non-routine activities. The Company regularly conducts audits and inspections of its occupational health and safety management systems. The team at the site has individually set an internal review mechanism to check performance and take control measures. The EHS management system gets audited from time to time, and leadership reviews are conducted on a monthly basis.

- c. Whether you have processes for workers to report the work-related hazards and to remove themselves from such risks. (Y/N)

Reply: Yes, the organisation is monitoring and rectifying the work-related hazards through an accident and incident reporting format which is available to the workers. The same is also being used to give feedback as well. Further, to mitigate the risk following practises in place:

- Safety Patrol
- Work place Inspections
- Safety Audits
- On the job "know your machine" trainings at the Shop Floor
- Mock Drills

- d. Do the employees/ worker of the entity have access to non-occupational medical and healthcare services? (Yes/ No)

Reply: Yes, the employees/workers who are not covered under ESIC scheme, provided with medical insurance by the company.

Business Responsibility & Sustainability Reporting

11. Details of safety related incidents, in the following format:

Safety Incident/Number	Category	FY 2023-24	FY 22-23
		Current Financial Year	Previous Financial Year
Lost Time Injury Frequency Rate (LTIFR) (per one million-person hours worked)	Employees	-	-
	Workers	-	-
Total recordable work-related injuries	Employees	-	-
	Workers	14	19
No. of fatalities	Employees	-	-
	Workers	-	-
High consequence work-related injury or ill-health (excluding fatalities)	Employees	-	-
	Workers	-	-

12. Describe the measures taken by the entity to ensure a safe and healthy work place.

The company has taken several measures to prevent accidents and ensure a safe and healthy workplace. Some of the key measures taken includes. Further, the organisation is certified under ISO 45001:

- Plant Safety instructions display boards installed
- Proactive Monitoring such as safety tours, audits, workplace inspections, statutory Inspections, outcomes from risk assessment, survey, hygiene, OHS Objectives and management programs, mock drill etc.
- Incident investigation report- root cause analysis and corrective and preventive actions (CAPA) such as near miss, illness cases, Injuries, reportable & non-reportable accident etc.
- On the job safety trainings

13. Number of Complaints on the following made by employees and workers:

	FY 23-24 (Current Financial Year)			FY 22-23 (Previous Financial Year)		
	Filed during the year	Pending resolution at the end of year	Remarks	Filed during the year	Pending resolution at the end of year	Remarks
	Working Conditions	-	-	-	-	-
Health & Safety	-	-	-	-	-	-

14. Assessments for the year:

% of your plants and offices that were assessed (by entity or statutory authorities or third parties)	
Health and safety practices	100 %
Working Conditions	100 %

15. Provide details of any corrective action taken or underway to address safety-related incidents (if any) and on significant risks / concerns arising from assessments of health & safety practices and working conditions.

Reply: Corrective Action Preventive Action reports (CAPA)

Business Responsibility & Sustainability Reporting

PRINCIPLE 4: Businesses should respect the interests of and be responsive to all its stakeholders

Essential Indicators

1. Describe the processes for identifying key stakeholder groups of the entity.

Reply: The Company believes that an effective stakeholder engagement process is necessary for achieving its sustainability goal of inclusive growth and therefore, it is mandatory to clearly identify and map all concerned internal and external stakeholders. The Company has put in place systems and processes to identify, prioritize and address the needs and concerns of its stakeholders across all plant locations and other areas of its presence.

The Company is developing strong relationships with its stakeholders. The lasting partnerships built with local communities and various other stakeholders have created a win-win situation for the Company and its stakeholders mutually contributing and supporting the growth and development of each other.

2. List stakeholder groups identified as key for your entity and the frequency of engagement with each stakeholder group.

Stakeholder Group	Whether identified as Vulnerable & Marginalized Group (Yes/ No)	Channels of communication (Email, SMS, Newspaper, Pamphlets, Advertisement, Community Meetings, Notice Board, Website), Other	Frequency of engagement (Annually/ Half yearly/ Quarterly / others – please specify)	Purpose and scope of engagement including key topics and concerns raised during such engagement
Shareholder/ Investors	No	Email, Meetings, Newspaper, Company Website, Stock Exchanges, earning calls, Press releases, Investor Meet/Earnings Call, Telecommunication	Regularly through company website and website of stock exchange's and annually via General Meeting and quarterly via Earnings call	Disseminating and sharing of information with the shareholders with a view to update and also to seek their approval etc. as may be required.
Vendors/ Suppliers/ Outsourcing Partners and contractors	No	Emails, Meetings including the web- meeting and one to one meeting	Quarterly and Annually	Review and renewal of contracts
Customers	No	Feedback survey, 1 on 1 interaction	Need based, Periodically	Customer feedback on product and services
Statutory Body/ Government Authorities	No	Public Forum, Industry forum	Need based	Compliance, Industry concerns, Govt expectations
Employees	No	Training, Discussions, Notice Board, Committee Meeting	Daily, weekly, monthly, need based, annually	Industry scenario, challenges/issues, employee well-being, Grievance handling, career development
Local Community	Yes	Meeting with community people, NGOs, etc	Annually and need based (Direct connect through CSR)	CSR Intervention-- Education, Sports, community health
Bankers	No	Email, 1 to 1 interaction	Monthly, need based,	Relationship building

Business Responsibility & Sustainability Reporting

PRINCIPLE 5 Businesses should respect and promote human rights

Essential Indicators

1. Employees and workers who have been provided training on human rights issues and policy(ies) of the entity, in the following format

Category	FY 23-24 Current Financial Year			FY 22-23 Previous Financial Year		
	Total (A)	No. of employees / workers covered (B)	% (B / A)	Total (C)	No. of employees / workers covered (D)	% (D / C)
Employees						
Permanent	160	77	48.13	152	36	23.68%
Other than permanent	18	5	27.78	9	-	-
Total Employees	178	82	46.07	161	36	22.36%
Workers

Female	-	-	-	-	-	-	-	-	-	-

Business Responsibility & Sustainability Reporting

3. Details of remuneration/salary/wages, in the following format:

- a. Median remuneration/Wages

	Male		Female	
	Number	Median remuneration/ salary/ wages of respective category	Number	Median remuneration/ salary/ wages of respective category
Board of Directors (BoD)	2	3,21,70,537	-	-
Key Managerial Personnel	1	1,06,11,949	1	25,05,473
Employees other than BoD and KMP	150	4,57,885	6	4,01,115
Workers	342	2,98,357	12	2,25,140

- b. Gross wages paid to females as % of total wages paid by the entity, in the following format:

	FY 2023-24 Current Financial Year	FY 2022-23 Previous Financial Year
Gross wages paid to females as % of total wages	2.70%	2.60%

4. Do you have a focal point (Individual/ Committee) responsible for addressing human rights impacts or issues caused or contributed to by the business? (Yes/No)

Reply: Yes, we link to our Human Right Policy <https://www.shivalikbimetals.com/images/pdf/Human-Rights-Policy.pdf>

5. Describe the internal mechanisms in place to redress grievances related to human rights issues.

Reply: Human Right Policy in place including the Grievance redressal Mechanism. Through our Whistle Blower Policy, we have established a system for reporting and redressing all human rights violations. Any concerns pertaining to human rights can be reported by all employees, contractors, and suppliers as a result of this. All actual violations are dealt with seriously, and remediation measures can include terminating employees and business contracts, depending on the severity of the violation.

In addition, there is a Policy on the Prevention of Sexual Harassment (POSH) at Shivalik's, and any incidents of this kind can be reported to the Internal Complaints Committee (ICC) for POSH in accordance with the procedure that is outlined in the policy. Each reported allegation is treated confidentially and with seriousness. Open House Discussions, balanced/ Group HR interfaces are coordinated every once in a year.

We link to our whistle blower/vigil mechanism policy: <https://www.shivalikbimetals.com/images/pdf/Whistle-Blower-Policy.pdf>

Business Responsibility & Sustainability Reporting

6. Number of Complaints on the following made by employees and workers:

	FY 2023-24 Current Financial Year			FY 2022-23 Previous Financial Year		
	Filed during the year	Pending resolution at the end of year	Remarks	Filed during the year	Pending resolution at the end of year	Remarks
Sexual Harassment	-	-	-	-	-	-
Discrimination at workplace	-	-	-	-	-	-
Child Labour	-	-	-	-	-	-
Forced Labour/Involuntary Labour	-	-	-	-	-	-
Wages	-	-	-	-	-	-
Other human rights related issues	-	-	-	-	-	-

7. Complaints filed under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, in the following format:

	FY 2023-24 Current Financial Year	FY 2022-23 Previous Financial Year
Total Complaints reported under Sexual Harassment on of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 (POSH)	-	-
Complaints on POSH as a % of female's employees/workers	-	-
Complaints on POSH upheld	-	-

8. Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases.

Reply: Shivalik guarantees, in accordance with the Whistle Blower Policy and Procedure, that employees and business associates are completely protected from retaliation, punishment, intimidation, coercive action, dismissal, or victimization for reporting genuine concerns, even if they are not proven. Punitive action will be taken on anyone who tries to victimize anyone who complains, cooperates with an investigation or complaint, or provides information or data related to it.

9. Do human rights requirements form part of your business agreements and contracts? (Yes/No):

Reply: Yes

10. Assessments for the year:

	% of your plants and offices that were assessed (by entity or statutory authorities or third parties)
Child labour	
Forced/involuntary labour	
Sexual harassment	100% of Plants and offices are assessed during the statutory audit ensuring compliance with all the Statutory laws/Regulatory requirement, Labour laws and rules made thereunder
Discrimination at workplace	
Wages	
Others – please specify	

11. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 10 above.

Reply: Not Applicable

Business Responsibility & Sustainability Reporting

PRINCIPLE 6: Businesses should respect and make efforts to protect and restore the environment

Essential Indicators

1. Details of total energy consumption (in Joules or multiples) and energy intensity, in the following format:

Parameter	FY 23-24 in GJ (Current Financial Year)	FY 22-23 in GJ (Previous Financial Year)
From renewable sources		
Total electricity consumption (A)	26725	22742
Total fuel consumption (B)	-	-
Energy consumption through other sources (C)	-	-
Total energy consumption from renewable sources (A+B+C)	26725	22742
From non- renewable sources		
Total electricity consumption (D)	-	-
Total fuel consumption (E)	2230	2102
Energy consumption through other sources (F)	-	-
Total energy consumption from non- renewable sources (D+E+F)	2230	2102
Total energy consumed (A+B+C+D+E+F)	28955	24845
Energy intensity per rupee of turnover (Total energy consumption/ Revenue from operations)	0.000006443	0.000005912
Energy intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total energy consumed /Revenue from operations adjusted for PPP)	*0.000144329	*0.000131057
Energy Intensity in terms of Physical output		
Energy intensity (optional) – the relevant metric may be selected by the entity		

*The revenue from operations has been adjusted for PPP based on the latest PPP conversion factor published by the IMF- for India. For the years ended March 31, 2024 and March 31, 2023, it is 22.401 and 22.167, respectively.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

**Business Responsibility & Sustainability Reporting**

2. Does the entity have any sites / facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? (Y/N) If yes, disclose whether targets set under the PAT scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any.

Reply: Not Applicable

3. Provide details of the following disclosures related to water, in the following format:

Parameter	FY 23-24 (Current Financial Year)	FY 22-23 (Previous Financial Year)
Water withdrawal by source (in kilolitres)		
(i) Surface water	-	-
(ii) Groundwater	-	-
(iii) Third party water	10179	8603
(iv) Seawater / desalinated water	-	-
(v) Others	-	-
Total volume of water withdrawal (in kilolitres) (i + ii + iii + iv + v)	10179	8603
Total volume of water consumption (in kilolitres)	10179	8603
Water intensity per rupee of turnover (Water consumed / Revenue from Operations)	0.000002265	0.000002047
Water intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total water consumption /Revenue from operations adjusted for PPP)	0.000050738	0.000045381
Water Intensity in terms of Physical output	-	-
Water intensity (optional) – the relevant metric may be selected by the entity	-	-

*The revenue from operations has been adjusted for PPP based on the latest PPP conversion factor published by the IMF- for India. For the years ended March 31, 2024 and March 31, 2023, it is 22.401 and 22.167, respectively.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

**Business Responsibility & Sustainability Reporting**

4. Provide the following details related to water discharged:

Parameter	FY 2023-24 (Current Financial Year)	FY 2022-23 (Previous Financial Year)
Water discharge by destination and level of treatment (in kilolitres)		
(i) To surface water		
- No treatment	-	-
- With treatment – Through STP (used in Irrigation)	1063.50	-
(ii) To Ground Water		
- No treatment	-	-
- With treatment – please specify level of treatment	-	-
(iii) To Seawater		
- No treatment	-	-
- With treatment – please specify level of treatment	-	-
(iv) Sent to third- parties		
- No treatment	-	-
- With treatment – please specify level of treatment	-	-
(v) Others		
- No treatment	-	-
- With treatment – Through STP & ETP	3279.50	-
Total water discharged (in Kilolitres)	4343.00	

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

*During the year the company has treated 8290 KL of water and recycled 5010.50 KL out of which 1063.50 KL used/ discharged for irrigation and remaining re-used in the plant. Out of total withdrawal 1889 KL is in the storage tanks of the company.

5. Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation.

Reply: Yes, as a responsible organisation the Company gives importance to reduce, reuse and recycle water. This is achieved through installation of Effluent Treatment Plant (ETPs) and Sewage Treatment Plants (STPs) in line with the compliance norms in force. These systems enable the Company to reuse and recycle water and utilise it again within the plant premises for process reuse, gardening and toilet flushing etc.

Business Responsibility & Sustainability Reporting

6. Please provide details of air emissions (other than GHG emissions) by the entity, in the following format:

Parameter	Please specify unit	FY 2023-24 (Current Financial Year)	FY 2022-23 (Previous Financial Year)
NOx	g/kW-hr	-	-
Sox	mg/NM	-	-
Particulate matter (PM)	g/kW-hr	-	-
Persistent organic pollutants (POP)	-	-	-
Volatile organic compounds (VOC)	-	-	-
Hazardous air pollutants (HAP)	-	-	-
Others – please specify	-	-	-
Carbon Monoxide	g/kW-hr	-	-
Hydrocarbon	%	-	-

*Note: No direct emission by the company. The only emission in FY 2023-24 is due to reburning of diesel while using Diesel Generator (DG) of 320KVA, 600KVA and 625KVA and in FY 2022-23 was due to reburning of diesel while using Diesel Generator (DG) of 320KVA and 600KVA. The emissions are well below the specified standards under the Environment (Protection) Rules, 1986.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency. Yes, the same has been evaluated/ assessed by Shivalik Solid waste Management Limited (an independent agency) not related with the Company.

7. Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) & its intensity, in the following format:

Parameter	Unit	FY 23-24 (Current Financial Year)	FY 22-23 (Previous Financial Year)
Total Scope 1 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	174.56	189.92
Total Scope 2 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	-	-
Total Scope 1 and Scope 2 emissions per rupee of turnover (Total scope 1 and scope 2 GHG emissions/Revenue from operations)		0.0000003884	0.0000004519
Total Scope 1 and Scope 2 emission intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP)		0.0000008701	0.000010018
(Total Scope 1 and Scope 2 GHG emissions/ Revenue from operations adjusted for PPP)		-	-
Total Scope 1 and Scope 2 emission intensity in terms of Physical output		-	-
Total Scope 1 and Scope 2 emission intensity (optional) the relevant metric may be selected by the entity		-	-

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

Business Responsibility & Sustainability Reporting

8. Does the entity have any project related to reducing Green House Gas emission? If Yes, then provide details.

Reply: No

9. Provide details related to waste management by the entity, in the following format:

Parameter	FY 23-24 (Current Financial Year)	FY 22-23 (Previous Financial Year)
Total Waste generated (in metric tonnes)		
Plastic waste (A)	6.003	11.06
E-waste (B)	0.2933	-
Bio-medical waste I	0.00515	0.00018
Construction and demolition waste (D)	-	-
Battery waste I	0.0904	-
Radioactive waste (F)	-	-
Other Hazardous waste. Please specify, if any. (G)	*2.154	*0.4
Other Non-hazardous waste generated (H). Please specify, if any. (Break-up by composition i.e. by materials relevant to the sector)	724.17	675.90
Total (A+B + C + D + E + F + G + H)	732.72	687.38
Waste intensity per rupee of turnover (Total waste generated / Revenue from operations)	0.0000001630	0.0000001636
Waste intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total waste generated / Revenue from operations adjusted for PPP)	0.000003652	0.000003626
Waste intensity in terms of physical output		
Waste intensity (optional) – the relevant metric may be selected by the entity		
For each category of waste generated, total waste recovered through recycling, re-using or other recovery operations (in metric tonnes)		
Category of waste		
(i) Recycled	571.12	529.77
(ii) Re-used	-	-
(iii) Other recovery operations	-	-
Total	571.12	529.77
For each category of waste generated, total waste disposed by nature of disposal method (in metric tonnes)		
Category of waste		
(i) Incineration	-	-
(ii) Landfilling	-	-
(iii) Other disposal operations (MCD / SSWM/ Authorised scrap dealers)	159.04	146.14
Total	159.04	146.14

*Other Hazardous waste includes Sludge (1.24), Used Oil (0.8) and Oil soaked gloves (0.114).

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

Business Responsibility & Sustainability Reporting

10. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.

Waste is generated both from production processes as well as general operational activity – including maintenance and catering. At, production waste the same is being monitored and reported on a monthly basis with the objective to minimise and reduce as much as possible. Any production waste produced is kept clearly segregated from general waste and is recycled maximum extent possible.

General waste is always segregated between hazardous and non-hazardous materials, and is always disposed of in accordance with local legislation. What materials may be recycled using locally available facilities is appropriately done so. For our business, the concept of hazardous really only applies to using some oil and sludge.

- (a) Plastics (including packaging) – Recycled through Municipal Corporation
- (b) E-waste – Recycled through registered vendors
- (c) Hazardous waste and – Disposed off through Shivalik Solid Waste Management Limited
- (d) Other waste. (ETP Sludge)

11. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, please specify details in the following format: Not Applicable

S. No.	Location of operations/offices	Type of operations	Whether the conditions of environmental approval / clearance are being complied with? (Y/N) If no, the reasons thereof and corrective action taken, if any.
-	-	-	-
-	-	-	-

12. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:

Name and brief details of project	EIA Notification No.	Date	Whether conducted by independent external agency (Yes / No)	Results communicated in public domain (Yes / No)	Relevant Web link
-	-	-	-	-	-
-	-	-	-	-	-

13. Is the entity compliant with the applicable environmental law/ regulations/ guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules thereunder (Y/N). If not, provide details of all such non-compliances, in the following format:

S. No.	Specify the law / regulation / guidelines which was not complied with	Provide details of the non-compliance	Any fines / penalties / action taken by regulatory agencies such as pollution control boards or by courts	Corrective action taken, if any
-	-	-	-	-
-	-	-	-	-

Reply: Yes, Shivalik Bimetal Controls Limited is fully compliant. All Statutory compliances are done as per Air/Water/ Environment act and rules and the same has been reviewed periodically. Further, the company is also having No Objection Certificate from Pollution Control Board.

Business Responsibility & Sustainability Reporting

PRINCIPLE 7 Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent

Essential Indicators

1. a. Number of affiliations with trade and industry chambers/ associations.: 3
- b. List the top 10 trade and industry chambers/ associations (determined based on the total members of such body) the entity is a member of/ affiliated to.

S. No.	Name of the trade and industry chambers/ associations	Reach of trade and industry chambers/ associations (State/National)
1	Indian Electrical and Electronics Manufacturers Association (IEEMA) vide membership number SBC-M-07-1989-0453	National
2	Indo - German Chamber of Commerce	National/International
3	Engineering Export Promotional Council of India vide EPC/D/R-4108/ ENGG. (LS)	National

2. Provide details of corrective action taken or underway on any issues related to anti-competitive conduct by the entity, based on adverse orders from regulatory authorities.

Reply: No such cases

Name of authority	Brief of the case	Corrective action taken
-	-	-
-	-	-

PRINCIPLE 8 Businesses should promote inclusive growth and equitable development

Essential Indicators

1. Details of Social Impact Assessments (SIA) of projects undertaken by the entity based on applicable laws, in the current financial year.

Name and brief details of project	SIA Notification No.	Date of notification	Whether conducted by independent external agency (Yes / No)	Results communicated in public domain (Yes / No)	Results communicated in public domain (Yes / No)
As per applicable laws, SIA is not applicable for any of the projects undertaken by SHIVALIK					

2. Provide information on project(s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by your entity, in the following format:

S. No.	Name of Project for which R&R is ongoing	State	District	No. of Project Affected Families (PAFs)	% of PAFs covered by R&R	Amounts paid to PAFs in the FY (In INR)
Not applicable as SHIVALIK does not have any projects for which on-going Rehabilitation and Resettlement (R&R) is required to be undertaken.						

Business Responsibility & Sustainability Reporting

3. Describe the mechanisms to receive and redress grievances of the community.

Reply: No such mechanism.

4. Percentage of input material (inputs to total inputs by value) sourced from suppliers:

	FY 2023- 2024 Current Financial Year	FY 2022-23 Previous Financial Year
Directly sourced from MSMEs/ small producers	17.57%	18.33%
Sourced directly from within the district and neighbouring districts	-	-

5. Job creation in smaller towns – Disclose wages paid to persons employed (including employees or workers employed on a permanent or non-permanent / on contract basis) in the following locations, as % of total wage cost:

Location	FY 2023-24 Current Financial Year	FY 2022-23 Previous Financial Year
Rural	-	-
Semi-Urban	22.62%	21.46%
Urban	-	-
Metropolitan	77.38%	78.54%

(Place to be categorized as per RBI Classification System – rural/semi-urban/urban/metropolitan)

PRINCIPLE 9 Businesses should engage with and provide value to their consumers in a responsible manner

Essential Indicators

1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback.

Reply: Yes, to resolve the customer complaints, 8D Methodology is being followed. Robust system and procedures in place for handling consumer complaint & feedback are documented in the established quality management system. We have a team which focuses on catering to the various requirements of our customers for a seamless experience.

2. Turnover of products and/ services as a percentage of turnover from all products/service that carry information about:

	As a percentage to total turnover
Environmental and social parameters relevant to the product	All necessary information as per regulatory requirements are disclosed on our products
Safe and responsible usage	
Recycling and/or safe disposal	

Business Responsibility & Sustainability Reporting

3. Number of consumer complaints in respect of the following:

	FY 2023-24 (Current Financial Year)		Remarks	FY 2022-23 (Previous Financial Year)		Remarks
	Received during the year	Pending resolution at end of year		Received during the year	Pending resolution at end of year	
Data Privacy	-	-	-	-	-	-
Advertising	-	-	-	-	-	-
Cyber-security	-	-	-	-	-	-
Delivery of essential services	-	-	-	-	-	-
Restrictive Trade Practices	-	-	-	-	-	-
Unfair Trade Practices	-	-	-	-	-	-
Other	-	-	-	-	-	-

4. Details of instances of product recalls on account of safety issues:

	Number	Reasons for recall
Voluntary recalls	-	-
Forced recalls	-	-

Reply: There were no voluntary or forced recall during the financial year 2024.

5. Does the entity have a framework/ policy on cyber security and risks related to data privacy? (Yes/No) If available, provide a web-link of the policy.

Reply: Yes, the entity has a policy on cyber security and the same is available with the IT department.

6. Provide details of any corrective actions taken or underway on issues relating to advertising, and delivery of essential services; cyber security and data privacy of customers; re-occurrence of instances of product recalls; penalty / action taken by regulatory authorities on safety of products / services.

Reply: No such cases

7. Provide the following information relating to data breaches:

- Number of instances of data breaches along-with impact : Nil
- Percentage of data breaches involving personally identifiable information of customers : Nil
- Impact, if any, of the data breaches : Nil

Independent Auditor's Report

Independent Auditor's Report

To the Members of

Shivalik Bimetal Controls Limited

REPORT ON THE AUDIT OF STANDALONE FINANCIAL STATEMENTS

Opinion

We have audited the accompanying standalone financial statements of **Shivalik Bimetal Controls Limited** ("the Company"), which comprise the Standalone Balance Sheet as at 31st March, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Cash Flows, the Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements, including a summary of material accounting policies and other explanatory information, (hereinafter referred as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2024, and its profit and loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SA"s) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by The Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

The Key Audit Matters	How our audit addressed the key audit matters
<p>1. Government grant-PLI incentive scheme</p> <p>As reported/presented in note -28 of the standalone financial statements, Production Linked Incentives are recognized as income when,</p> <p>(a) there is reasonable assurance that the company will comply with the conditions attached to them and</p> <p>(b) the grant will be received.</p> <p>The management applies its judgement for the recognition of incentive income based on its assessment for likelihood of recoverability in line with fulfilling the eligibility conditions as per approval letter.</p> <p>We identified this as a key audit matter because the estimation on which these amounts are based involves a reasonable degree of assessment by the management.</p>	<p>We have examined eligibility and certainty of the controls relating to the recognition and measurement of incentive income. In this connection, we have:</p> <p>(a) Reviewed Government schemes and policies relating to the production-linked incentives applicable on the company.</p> <p>(b) Examined approval letters for the scheme from the respective government departments and subsequent departmental orders and regulations issued from time to time.</p> <p>(c) Checked the eligibility criteria including investment made by the Company.</p> <p>(d) Performed substantive procedures for the calculation of eligible amounts of incentives and the claims made by the management.</p> <p>(e) Reviewed management assessment for the likelihood of recoverability.</p>

The Key Audit Matters	How our audit addressed the key audit matters
<p>2. Contingent Liabilities- Contingencies & Capital Commitments:</p> <p>The Company makes a determination for recording or alternatively disclosing them as contingencies. We identified this as a key audit matter because the estimation on which these amounts are based involves a reasonable degree of assessment by the management.</p>	<p>We have obtained an understanding of the Company's internal instructions, and procedures in respect of assessment and disclosure of contingent liabilities & capital commitments and adopted the following audit procedures: -</p> <ol style="list-style-type: none"> 1. understood and tested the operating effectiveness of controls as established by the management for obtaining all relevant information; 2. discussing with the management any material developments and latest status; 3. reviewing the adequacy and completeness of disclosures; <p>Based on the above procedures performed, the assessment and disclosures of Contingent liabilities & Capital Commitments are considered to be adequate and reasonable.</p>

Information Other than the Financial Statements and Auditor's Report thereon

The Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility & Sustainability Report, Corporate Governance and Shareholder's Information but does not include the consolidated financial statements, standalone financial statements and our respective auditor's report thereon.

Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Standalone Financial Statements

The Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit / loss (including other comprehensive income), changes in equity and cash flows of

the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for Audit of Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance

Independent Auditor's Report

with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on the complete set of financial statements on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial statements made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial

statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure A**, statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- As required by section 143(3) of the Act, we report that:
 - We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;

Independent Auditor's Report

- The Standalone Balance Sheet, Standalone Statement of Profit and Loss (including other comprehensive income), Standalone Statement of Changes in Equity and Standalone Statement of Cash Flow dealt with by this Report are in agreement with the books of account;
- In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
- On the basis of written representations received from the directors as on 31st March, 2024, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024, from being appointed as a director in terms of section 164 (2) of the Companies Act, 2013.
- With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- In our opinion, the managerial remuneration for the year ended 31st March, 2024 has been paid / provided by the company to its directors in accordance with the provisions of Section 197 read with Schedule V of the Companies Act, 2013; and
- With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - there are no pending litigations as on date of financial statements, against the company as such there is no impact thereof to be considered;
 - the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - (a) The Management has represented that, to the best of its knowledge and belief,

no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- The final dividend paid by the Company during the year, in respect of the same declared for the previous year is in accordance with Section 123 of the Act to the extent it applies to payment of dividend.

The interim dividend declared and paid by the company during the year is in accordance with section 123 of the Act.

Company has proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in

**Independent Auditor's Report**

accordance with Section 123 of the Act to the extent it applies to declaration of dividend.

- vi. The reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is applicable from 1 April 2023.

Based on our examination which included test checks, the Company has used accounting softwares for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the respective software. However, for 1st quarter of Financial year 2023-24 at head office only, the feature of recording audit trail (edit log) facility was not enabled to log any direct data changes for the accounting softwares used for maintaining the books of account for the referred period.

Further, for the periods where audit trail (edit log) facility was enabled and operated throughout the year for the respective accounting software, we did not come across any instance of the audit trail feature being tampered with.

**Annexure - A**

to the Independent Auditor's Report

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Shivalik Bimetal Controls Limited of even date)

To the best of our information and according to the explanation provided to us by the company and books of account and records examined by us in the normal course of audit, we state that:

- (i) a. In respect of the Company's Property, Plant and Equipment, right-of-use assets and Intangible Assets:
 - (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
 - (B) The Company has maintained proper records showing full particulars of intangible assets.
- b. The Company has a program of physical verification of Property, Plant and Equipment which, in our opinion, is reasonable having regard to the size of the Company and the nature of its Property, Plant and Equipment. Pursuant to the program, the Property, Plant and Equipment have been physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- c. The title deeds of all the immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of company.
- d. The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year accordingly reporting requirement under clause 3(i)(d) is not applicable to the company.
- e. No proceedings have been initiated during the year or are pending against the Company as at March 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
 - (ii) a. Physical verification of inventory has been conducted at reasonable intervals by the management and no Material discrepancies were noticed on such verification.

In our Opinion, the coverage and procedure of such verification by the management is appropriate.

- b. The Company has been sanctioned/ renewed working capital limits in excess of ₹ 5 crore, in aggregate, during the year, from bank(s) on the basis of security of current assets and quarterly returns or statements filed by the company with such bank(s) are in agreement with books of account.

- (iii) Based on our audit procedures & according to the information and explanation given to us, the Company has not granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties. The Company has made investments in companies during the year. Accordingly, paragraph 3(iii)(a),(c),(d),(e) and (f) of the Order is not applicable to the Company;

With respect to paragraph 3(iii)(b) of the Order, in our opinion, the investments made during the year are, prima facie, not prejudicial to the Company's interest;

- (iv) The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 to the extent applicable in respect of investments made and guarantees provided.
- (v) The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- (vi) We have broadly reviewed the books of account maintained by the company pursuant to the Rules made by the Central Government for the maintenance of cost records under section 148 of the Act, and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained.

- (vii) In respect of statutory dues:

- (a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise,

Annexure - A

to the Independent Auditor's Report *continued*

- Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2024 for a period of more than six months from the date they became payable.
- (b) There are no statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2024 on account of disputes.
- (viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- (ix) a. The company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- b. The company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- c. The company has utilized the money obtained by way of term loans during the year for the purposes for which they were obtained.
- d. On an overall examination of the financial statements of the company, we report that no funds raised on short-term basis have been used for long-term purposes by the company.
- e. The company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- f. The company has not raised loans during the year on the pledge of securities held in its subsidiaries or joint venture.
- (x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- (xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) There are Nil whistle blower complaints received by the Company during the year (and upto the date of this report).
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable
- (xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv)(a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures
- (xv) In our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) & (c) of the Order is not applicable.
- (b) In our Opinion, there is no Core Investment Company within the group (as defined in the Core Investment Companies (Reserve Bank) Directions 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is also not applicable.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the

Annexure - A

to the Independent Auditor's Report *continued*

- Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) a. There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.
- b. There is Nil amount remaining unspent under section (5) of section 135 of Companies Act, pursuant to any ongoing project, which is required to be transferred to special account in compliance with provision of sub section (6) of section 135 of the said Act.

Annexure - B

to the Independent Auditor's Report

(Referred to paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Shivalik Bimetal Controls Limited of even date)

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE

Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Shivalik Bimetal Controls Limited** ("the Company") as of 31st March, 2024 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of

internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively

Annexure - B

to the Independent Auditor's Report *continued*

as at 31st March, 2024, based on criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Significant Accounting Policies

(Forming part of Standalone Financial Statements for the year ended 31st March, 2024)

1. COMPANY'S OVERVIEW

Shivalik Bimetal Controls Limited ("the Company" or "Shivalik") is a widely held public limited Company incorporated in the year 1984 and has been in commercial production since October 1986. Manufacturing units of "Shivalik" are located at

- 16-18, New Electronic Complex, Chambaghat; and
- Mauja Basal Patti, Kather; in Distt. Solan, Himachal Pradesh, India.

The Company's shares are listed on BSE Ltd. (BSE) & on National Stock Exchange (NSE).

"Shivalik" is engaged in the business of manufacturing & sales of Thermostatic Bimetal / Trimetal strips, components, Spring Rolled Stainless Steels, Electron Beam Welded Shunt Materials (Strip & Finished Components), Cold Bonded Bimetal Strips and Parts, Snap Action Discs, CNC Formed Coils of Bimetals / Trimetals etc. "The Company" is specialized in joining of materials through various methods such as Diffusion Bonding/ Cladding, Electron Beam welding, continuous brazing and Resistance Welding etc., and offers precision manufactured components specific to the application requirements and is a single vendor to many prestigious OEM's and have successfully met the most stringent of demands set by multiple large global organizations. "Shivalik's Products find application primarily in manufacturing of Switchgears, Circuit Breakers, Automotive, Energy Meters and various other Electrical and Electronic devices. The Company's products are exported to over 38 Countries around the world.

The Standalone Financial Statements are approved for issue by the Company's Board of Directors on May 29, 2024

Compliance with Ind AS

The Standalone financial statements of the Company have been prepared in accordance with the Indian Accounting standards ('Ind AS'), notified under Section 133 read with rule 3 of Companies (Indian Accounting Standards) Rules 2015, and Companies (Indian Accounting Standards) Amendment Rules, 2016, and the relevant provisions of the Companies Act, 2013 (Collectively, "Ind ASs")

2. MATERIAL ACCOUNTING POLICIES

The material accounting policies applied by the Company in the preparation of its Standalone financial statements are listed below.

2.1 Basis of Preparation of Standalone Financial Statements

These Standalone financial statements are prepared, under the historical cost convention on the accrual basis

except for certain financial instruments and defined benefit plans, which are measured at fair values or amortised cost at the end of each period.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The company presents assets and liabilities in the balance sheet based on current/ non-current classification as per Company's normal operating cycle.

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current

Current liabilities include the current portion of non-current financial liabilities.

All other liabilities are classified as non-current.

The Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

The Standalone financial statements are presented in Indian rupee (₹) and all values are rounded to the nearest Lakhs and two decimals thereof, except if otherwise stated.

2.2 Use of Estimates

The preparation of Standalone financial statements in conformity with Generally Accepted Accounting Principles (GAAP) including Ind-AS requires the management to make estimates and assumptions that affect the reported balance of assets and liabilities and disclosures of contingent liabilities on the date of Standalone financial statements and the reported amounts of revenues and expenses during the reporting period.

Management believes that the estimates used in the preparation of Standalone financial statements are prudent and reasonable. Accounting estimates could change from period to period. The estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and future periods affected.

Company uses primarily following accounting estimates and judgements in preparation of its Standalone Financial Statements

a) Useful Life of Property Plant and Equipment

The Company reviews the estimated useful life and residual value of Property, Plant and Equipment at the end of each reporting period.

This reassessment may result in change in depreciation expense in future periods.

Significant Accounting Policies

(Forming part of Standalone Financial Statements for the year ended 31st March, 2024)

b) Employee Benefits

The accounting of employee benefit plan in the nature of defined benefits, requires the Company to use key actuarial assumptions. These assumptions have been explained under employee benefits note no. 2.7.

c) Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate.

d) Provisions and Contingent Liabilities

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with Ind AS 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events has required best judgment by management regarding the probability of exposure to potential loss. The timings of recognition and quantification of the liability requires the application of judgment to existing facts and circumstances, which can be subject to change.

e) Revenue

The Company assesses the products /services promised in a contract and identifies distinct performance obligations in the contract. Identification of distinct performance obligation involves judgement to determine the deliverables and the ability of the customer to benefit independently from such deliverables.

Judgement is also required to determine the transaction price for the contract. The transaction price is also adjusted for the effects of the time value of money if the contract includes a significant financing component.

The Company uses judgement to determine an appropriate standalone selling price for a performance obligation. The Company allocates the transaction price to each performance obligation on the basis of the relative standalone selling price of each distinct product or service promised in the contract.

The Company exercises judgement in determining whether the performance obligation is satisfied at a appoint in time.

Regardless recognition of Income relating to service the Company considers indicators such as how customer consumes benefits as services are rendered or who controls the asset as it is being created or existence of enforceable right to payment for performance to date and alternate use of such product or service, transfer of significant risks and rewards to the customer, acceptance of delivery by the customer, etc.

2.3 Revenue Recognition

Revenue from sale of products/goods & services is recognized upon satisfaction of the performance obligation by transferring the control of promised products or provision of services to a customer in an amount that reflects the consideration which a company expects to receive in exchange for those products or services.

'Revenue is recognized net of returns and is measured based on the transaction price, which is the consideration, adjusted for trade discounts, incentives etc agreed as a term of contract. Revenue also excludes taxes collected from customers.

Income from Interest is recognized using Effective Interest rate method. Dividend income from investments is recognized when the shareholder's right to receive payment has been established. Rental Incomes are recognized on periodic basis.

Export Incentive Entitlements are recognized as Income when right to receive credit as per the terms of the scheme is established in respect of eligible exports made and when there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

Insurance claim are accounted for on the basis of claims admitted/expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

All other incomes are accounted on accrual basis.

Significant Accounting Policies

(Forming part of Standalone Financial Statements for the year ended 31st March, 2024)

2.4 Foreign Currency Transactions

The functional and presentation currency of the Company is Indian Rupee (₹) which is the currency of the primary economic environment in which the Company operates.

The transactions in the currencies other than the entity's functional currency (foreign currency's) are accounted for at the exchange rate prevailing on the transaction's date.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency at closing rates of exchange at the reporting date and the resultant difference is charged/ credited in Standalone Statement of Profit & Loss account.

Exchange differences arising on settlement or translation of monetary items are recognized in Standalone Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets.

Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated on reporting date.

2.5 Borrowing Costs

Borrowing Costs that are attributable to the acquisition or construction of qualifying assets are added to the cost of those assets, until such time as the assets are substantially ready for their intended use. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use.

All other Borrowing costs are recognized in the Standalone Statement of Profit and Loss in the period in which they are incurred.

Borrowing costs include interest and exchange difference arising from currency borrowing to the extent they are regarded as an adjustment to the interest cost.

2.6 Government Grant and Assistance

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to income are recognised in the Statement of Profit and Loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income.

Government grants relating to property, plant and equipment are included in non-current liabilities as deferred income and are credited to Statement of Profit

and Loss on a systematic basis over the expected lives of the related assets and presented within other income.

2.7 Employees' Benefits

Defined Contribution Plans:

The Company has contributed to State Governed Provident Fund scheme, Employees State Insurance scheme and Employee Pension Scheme which are defined contribution plans. Contribution paid or payable under the scheme is recognized as expense during the period in which employees have rendered the service entitling them to the contributions.

Defined Benefit Plans:

The employees' gratuity is a defined benefit plan. The present value of the obligation under such plan is determined based on the Actuarial Valuation using the projected unit credit method which recognizes each period of service as giving rise to an additional unit of employee benefit entitlement and measures each unit separately to build up the financial obligation. The Company has an employee gratuity fund managed by Life Insurance Corporation of India (LIC).

The gains or losses are charged to Standalone Statement Profit and Loss Account.

Liability in respect of compensated absence is provided based on Actuarial Valuation using the projected unit credit method.

Compensation to employees, who opt for retirement under the Voluntary Retirement Scheme of the company, is charged to the Standalone Statement of Profit & Loss in the year of exercise of option by the employee.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages, bonus etc. are recognized in the period in which the employee renders the related service. A liability is recognized for the amount expected to be paid when there is a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

2.8 Taxes on Income

Current Tax

Tax on income for the current period is determined on the basis of taxable income and tax credits/ benefits computed in accordance with the provisions of the Income Tax Act 1961.

Advance taxes and provisions for current income taxes are presented in the balance sheet after off-setting advance tax paid and income tax provision arising in

Significant Accounting Policies

(Forming part of Standalone Financial Statements for the year ended 31st March, 2024)

the same tax jurisdiction and where the company has a legally enforceable right and also intends to settle the asset and liability on a net basis.

Deferred Tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the standalone financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to same taxation authority.

Current and deferred tax are recognized in profit or loss, except when they are relating to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.

Deferred tax assets and liabilities are measured at the tax rates that have been enacted or substantively enacted at the balance sheet date.

2.9 Property, Plant and Equipment and Capital Work-In-Progress

The cost of Property, Plant and Equipment comprises its purchase price net of any trade discounts, if any and rebates, import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing cost attributable to the Qualifying Asset in compliance with IND AS 23.

Expenditure incurred after the Property, Plant and Equipment have been put into operation, such as repairs and maintenance, are charged to the Standalone Statement of Profit and Loss in the period in which the costs are incurred. Major shut-down and overhaul expenditure is capitalized as the activities undertaken

improves the economic benefits expected to arise from the asset.

An item of Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of Property, Plant and Equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in Standalone Statement of Profit and Loss.

Property, Plant and Equipment except freehold land held for use in the production, supply or administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses., if any. Freehold lands are stated at cost.

Depreciation commences when the assets are ready for their intended use. Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation is recognized so as to write off the cost of assets (other than freehold land) less their residual values over their useful lives, using straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on estimate of their specific useful lives.

Major overhaul costs are depreciated over the estimated life of the economic benefit derived from the overhaul. The carrying amount of the remaining previous overhaul cost is charged to the Standalone Statement of Profit and Loss if the next overhaul is undertaken earlier than the previously estimated life of the economic benefit.

'Capital work-in-progress represents the cost of Property, Plant and Equipment that are not yet ready for their intended use at the reporting date.

'The Company reviews the residual value, useful lives and depreciation method annually and, if expectations differ from previous estimates, the change is accounted for as a change in accounting estimate on a prospective basis.

'Cost of in-house assembled/fabricated Property, Plant & Equipment comprise those costs that relate directly to the specific assets and other costs that are attributable to the assembly/fabrication thereof.

Depreciation on Property, Plant & Equipment is provided based on useful lives of assets as prescribed in Schedule-II to Companies Act 2013 except in respect of followings assets where estimated useful life is different than these mentioned in Schedule II are as follows: -

i) Plant & Machinery*	15-30 Years
ii) Dies & Tools	2 Years

Significant Accounting Policies

(Forming part of Standalone Financial Statements for the year ended 31st March, 2024)

iii) Assets costing below ₹ 5,000/-	1 Year
iv) Temporary Building Shed	3 Years
v) Machinery Spares	2-10 Years
vi) Leasehold Land	Lease term

* For certain Plant & Machineries where the useful life of assets is different from those prescribed under Part C of Schedule II of Companies Act 2013, an internal assessment & Independent technical evaluation has been carried out by external Chartered Engineer. The management believes that the useful lives as given above, best represents the period over which Company expects to use these assets.

2.10 Intangible Assets

Intangible assets are initially recorded at consideration paid for acquisition of such assets and are subsequently carried at cost less accumulated depreciation or amortization and accumulated impairment loss, if any. Amortization is recognized on a straight-line basis over their estimated useful lives.

Estimated useful life of Intangible Assets as follows:

i) Software	3-6 Years
-------------	-----------

2.11 Inventories

Basis of valuation of Inventories;

- Raw materials, stores and spares: At cost, on "FIFO" basis;
- Work-in-progress: At raw material cost plus related cost of conversion including appropriate overheads;
- Finished goods: At cost or net realisable, whichever is less;
- Saleable Scrap is valued at estimated realizable value.

Raw Material, Work-In-Progress and other supplies are not valued below cost except in cases where material prices have declined and it is estimated that the cost of the finished products will not exceed their net realisable value. The comparison of cost and net realisable value is made on item by item basis.

Cost of raw materials include cost of purchase and other costs incurred in bringing the inventories to their present location and condition.

Cost of finished goods and work in progress include cost of direct materials, labour and appropriate overheads based on the normal operating capacity.

2.12 Impairment of non-financial assets

'The Carrying amounts of assets are reviewed at each Balance Sheet date and if there is any indication to the effect that the recoverable amount of the Asset/ CGU (Cash Generating Unit) is less than its carrying amount, the difference is treated as "Impairment Loss". The

recoverable amount is greater of the asset's net selling price less cost to sell and value in use.

'Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired, the impairment loss is recognized in the Standalone Statement of Profit and Loss account.

2.13 Leases

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract.

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- the contract involves the use of an identified asset
- the Company has substantially all of the economic benefits from use of the asset through the period of the lease and;
- the Company has the right to direct the use of the asset.

Company as Lessee

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities include these options when it is reasonably certain that they will be exercised.

Right-of-Use Assets (ROU)

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable

Significant Accounting Policies

(Forming part of Standalone Financial Statements for the year ended 31st March, 2024)

amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

Lease Liabilities

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or a termination option. Lease liability and ROU assets have been separately presented in the Standalone Financial Statements and lease payments have been classified as financing cash flows.

Company as Lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

For operating leases, rental income is recognized on a straight-line basis over the term of the relevant lease.

Short Term Leases are Leases for Low Value Assets

The Companies apply the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term 12 months and less from the commencement date and do not contain a purchase options).

It also applies the leave of low-value assets recognition exemption to leases that are considered of low values. Leases payments on such leases are recognised as expense on straight line basis over the lease term.

2.14 Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.15 Cash Flow Statements

Standalone Cash flows are reported using the indirect method, whereby Profit before tax is adjusted for the

effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, financing and investing activities of the company are segregated.

2.16 Financial Instruments

A Financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

A. Initial Recognition and Measurement

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognized using trade date accounting.

B. Subsequent Measurement

a) Financial assets carried at amortized cost (AC)

A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at fair value through other comprehensive income (FVTOCI).

A financial asset is measured at FVTOCI, if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL. This includes equity investment in other than Joint Ventures and Associates.

C. Impairment of Financial Assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Significant Accounting Policies

(Forming part of Standalone Financial Statements for the year ended 31st March, 2024)

Expected credit losses are measured through a loss allowance at an amount equal to:

The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or

Lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognized from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rate are reviewed and changes in the forward-looking estimates are analysed.

Financial Liabilities

A. Initial Recognition and Measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognized in the Standalone Statement of Profit and Loss as finance cost.

B. Subsequent Measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derivative Financial Instruments

The Company enters into derivative financial instruments to manage its exposure to foreign exchange rate risks, in the form of foreign exchange forward contracts. Derivatives are initially recognized at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognized in Standalone Statement of Profit and Loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in Standalone Statement of Profit and Loss depends on the nature of the hedge item.

Derecognition of Financial Instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part

of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

The carrying value and fair value of financial instruments by categories as at the year ended are disclosed at Note No. 43.

2.17 Investment in Subsidiary(s) and Joint Ventures

The Company has accounted for its investments in subsidiary(s) and joint ventures at cost less accumulated impairment loss, if any in "accordance with IND AS 27, separate financial statements".

2.18 Research and Development Expenditure

Key focus area of Research and Development (R&D) activities at Shivalik includes;

- Optimising of resource utilisation.
- Quality & productivity improvements and cost optimization through process efficiency improvements.
- Product development, customisation and new applications.

Revenue as well Capital expenditure pertaining to research and development and costs pertaining to manpower directly part of R&D activities is charged to the Standalone Statement of Profit and Loss.

2.19 Earnings Per share

(i) Basic Earnings Per Share.

Basic Earnings per Share is computed by dividing:

- a. net profit or loss for the period attributable to equity shareholders
- b. by the weighted average number of Equity Shares outstanding during the period

(ii) Diluted earnings per share

Diluted earnings per share adjusts the figures used in determination of basic earnings per share to take into account:

- a. the after-income tax effect of interest and other financing costs associated with dilutive potential equity and;
- b. the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2.20 Provision and Contingent Liabilities

Provisions are recognized for liabilities that can be measured only by using substantial degree of estimation, if

- a. the company has a present obligation as a result of past event,

Significant Accounting Policies

(Forming part of Standalone Financial Statements for the year ended 31st March, 2024)

- b. a probable outflow of resources is expected to settle the obligation; and
- c. the amount of the obligation can be reliably estimated.

Contingent liability is disclosed in case of

- i. a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- ii. a present obligation arising from past events, when no reliable estimate is possible; and
- iii. a possible obligation arising from past events where the probability of outflow of resources is not remote.

Provisions and contingent liabilities are reviewed at each Balance Sheet date.

2.21 Segment reporting

The Company's business activity primarily falls within a single segment i.e. Process and Product Engineering. The geographical segments considered are "within India" and "outside India". The analysis of geographical segments is based on geographical location of the customers.

2.22 Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

Figures in () indicates previous year figures

Refer note 20 for hypothecation/charge created.

*In determining the allowances for credit losses of trade receivables, the Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the receivables that are due and rates used in the provision matrix.

(i) Movements in allowance of credit losses of receivables;

(₹ in lakhs)

31.1 Disclosure pursuant to Ind AS 19 "Employee Benefits":

The disclosures required under Ind AS 19 "Employee Benefit" notified under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standard) Rules, 2015 (as amended from time to time) and other relevant provisions of the Act are given below:

(I) Defined Contribution Plan

- Provident Fund
- State defined contribution plans
 - Employees' Pension Scheme 1995

The Provident Fund and State defined contribution plan are operated by the regional provident fund commissioner. Under the scheme, the company is required to contribute a specified percentage of payroll cost to the retirement benefit scheme to fund the benefits. These funds are recognized by the Income tax authorities.

Contribution to Defined Contribution Plan, recognized are charged off for the year are as under:

(₹ in lakhs)

Particulars	2023-24	2022-23
(a) Employer's Contribution to Provident Fund	89.61	78.27
(b) Employer's Contribution to Pension Scheme	71.30	59.36

(II) Defined Benefit Plan

- Gratuity

The employees' Gratuity fund scheme has been managed by Life Insurance Corporation of India and the present value of obligation is determined by Independent Actuary using the Projected Unit Credit (PUC) Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The Actuary has carried out the valuation based on the followings assumptions:

Particulars	2023-24	2022-23
Discounting Rate (per annum)	7.22%	7.38%
Rate of escalation in Salary (per annum)	6.00%	6.00%
Expected Average remaining working lives of employees in no. of years	20.68	20.76
Mortality Table	IALM (2012-14)	IALM (2012-14)

The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under micro, small and medium enterprise development Act, 2006.	Nil	Nil
The amount of interest accrued and remaining unpaid at the end of each accounting year; and the amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the Micro Small and Medium Enterprise Development Act, 2006.	Nil	Nil

The above disclosure has been determined to the extent such parties have been identified on the basis of information available with the Company.

**Notes on Standalone Financial Statements**for the year ended 31st March, 2024 *continued***40. Leases**

The Company's significant operating lease arrangements are in respect of premises (residential, offices, godown etc.). These leasing arrangements, which are cancellable, range upto 11 months (between 11 months to 3 years during previous year) generally and are usually renewable by mutual agreeable terms. The aggregate lease rentals payable are charged as expenses. Rental payments under such leases amounting to ₹ 137.14 lakhs (Previous Year ₹ 135.54 lakhs) have been included under "Rent, Rates and Taxes" expense in note 33.

40.1 Lease Payments:

Future Minimum lease payments and their present values under lease are as follows:

(₹ in lakhs)

Particulars	Minimum Lease Payments		Present Value of Minimum Lease payments		Future Expense	
	Year Ended	Year Ended	Year Ended	Year Ended	Year Ended	Year Ended
	March 2024	March 2023	March 2024	March 2023	March 2024	March 2023
Not later than one year	-	20.42	-	19.41	-	1.01
Later than one year but not later than five years	-	-	-	-	-	-
Later than five years	-	-	-	-	-	-

There is no element of contingent rent or sublease payment.

41. The Company's activities involve predominantly one operating segment i.e. Process and product Engineering, which are considered to be within a single operating segment since these are subject to similar risks and returns. Accordingly, Process and Product Engineering comprise the primary basis of segmental information as set out in these financial statements, which therefore reflect the information required by Ind AS 108- Segment Reporting has been disclosed as below.

**Notes on Standalone Financial Statements**for the year ended 31st March, 2024 *continued***43. Financial Instruments****43.1 Capital Management**

The Company's capital management objectives are;

- to maintain healthy Credit rating, Capital Ratios and Leverage.
- to maximise return to the Shareholders.

Management assesses the Company's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. This takes into account the subordination levels of the Company's various classes of debt. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. The Principal source of funding of the company has been, and is expected to continue to be, cash generated from its operations supplemented by funding from bank borrowings.

Fair Value Measurement

- Carrying amount of Financial assets and financial liabilities recorded at amortized cost approximates their fair value.
- Investment in Equity instrument of other companies is measured at its fair value using Level 3 valuation techniques.

**Notes on Standalone Financial Statements**for the year ended 31st March, 2024 *continued***43.3 Financial Risk Management**

The Company's activities expose it to market risk, liquidity risk, Foreign Currency Risk and credit risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. Risk management policies and systems are reviewed regularly to reflect changes in the market conditions and the Company's activities to provide reliable information to the Management and the Board to evaluate the adequacy of the risk management framework in relation to the risk faced by the company. The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

43.4 Credit risk

Credit risk is the risk that a counterparty will default on its contractual obligations resulting in financial loss to the company. Credit risk encompasses both, direct risk of default and the risk of deterioration of creditworthiness.

a) Credit risk management

The Company assesses and manages credit risk based on internal credit rating system, continuously monitoring defaults of customers and other counterparties, identified either individually or by the company, and incorporates this information into its credit risk controls. The company has a policy of only dealing with credit worthy parties and obtain sufficient collateral where appropriate as a means of mitigating the risk of financial loss from defaults.

Cash and cash equivalents and bank deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks across the country.

Trade receivables

The Company closely monitors the credit-worthiness of the debtors through internal systems that are configured to define credit limits of customers, thereby, limiting the credit risk to pre-calculated amounts. The Company assesses increase in credit risk on an ongoing basis for amounts receivable that become past due.

Other financial assets measured at amortised cost

Other financial assets measured at amortized cost includes loans and advances to employees, security deposits and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within defined limits.

b) Expected credit losses

The Company provides for expected credit losses based on the following:

The company recognizes lifetime expected credit losses on trade receivables using a simplified approach, wherein Company has defined percentage of provision by 'analysing historical trend of default based on the criteria defined above. And such provision percentage determined have been 'considered to recognise life time expected credit losses on trade receivables.

Particulars	As at 31 st March, 2024		As at 31 st March, 2023	
	>3 Years	0-3 Years	>3 Years	0-3 Years
Gross amount of trade receivables where no default (as defined above) has occurred	-	10,054.95	-	8,000.77
Expected loss rate	-	0.02%	-	0.03%
Expected credit loss (loss allowance provision)	-	2.49	-	2.73

(₹ in lakhs)

**Notes on Standalone Financial Statements**for the year ended 31st March, 2024 *continued*

Reconciliation of loss provision – lifetime expected credit losses	
Loss allowance as on 1 st April 2022	3.45
Impairment Loss/(Gain) recognised during the year	-
Amounts written off	0.72
Loss allowance on 31 st March 2023	2.73
Impairment Loss/(Gain) recognised during the year	-
Amounts written off	0.24
Loss allowance on 31 st March 2024	2.49

43.5 Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates. In addition, the Company's liquidity management measures involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these obligations.

Maturities of financial liabilities

The tables below analyses the Company's financial liabilities into relevant maturity based on their contractual maturities for all non-derivative financial liabilities.

The amounts disclosed in the table are the contractual undiscounted cash flows. For balances due within 12 months amounts equal their carrying values as the impact of discounting is not significant.

As at 31 st March 2024	(₹ in lakhs)				Total

Outstanding amount of Letters of Credit, "LCs", established by Bank in favour of Suppliers, as on balance Sheet date, aggregate to ₹ 1,191 lakhs (Previous year ₹ 555.35 lakhs) towards import of materials. As and when materials relating thereto are received, the payment against the same shall be made resulting into maturing of respective LCs.

**Notes on Standalone Financial Statements**for the year ended 31st March, 2024 *continued***43.6 Market Risk**

The company is exposed in the ordinary course of its business to risks related to changes in foreign currency exchange rates, commodity prices and interest rates. The company seeks to minimize the effects of these risks by minutely observing the variation and fluctuation on regular basis. Compliance of exposure volume is reviewed by the management on real time basis and taking corrective measures as and when required.

43.7 Foreign currency risk

The Company is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the US Dollar and Euro. The exchange rate between the Indian rupees and foreign currencies has changed substantially in recent years and may fluctuate substantially in the future. Consequently, the results of the Company's operations are adversely affected as the rupee appreciates/depreciates against the currencies. Foreign exchange risk arises from recognised assets and liabilities denominated in a currency that is not the functional currency of the Company.

(i) Foreign currency risk exposure:

The Company's exposure to foreign currency risk at the end of the reporting period are as follows:-

Particulars	FC	As at 31 st March, 2024		As at 31 st March, 2023	
		FC's	Amount	FC's	Amount

USD sensitivity	(4,152.58)	(2,384.36)
Impact on Equity and Profit and Loss	(207.63)	(119.22)
Euro Sensitivity		
Impact on Equity and Profit and Loss	44.89	118.72

43.8 Interest rate risk**i) Liabilities**

Interest rate risk is the risk that the fair value or future cash flows of a financial Assets/Liabilities because of changes in market interest rates. The company is exposed to interest rate risk because funds are borrowed at both fixed and floating interest rates. Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rate. The borrowings of the company are principally denominated in rupees and US dollars with a mix of fixed and floating rates of interest. The Company has exposure to interest rate risk, arising principally on changes in marginal cost of fund based lending rate (MCLR) and SOFR rates.

ii) Assets

The Company's fixed deposits are carried at amortised cost and are fixed rate deposits. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Interest rate risk exposure

Below is the overall exposure of the Company to interest rate risk:

Particulars	As at	
	31 st March 2024	31 st March 2023
Variable rate borrowing	1,593.85	2,003.73

6)	Trade Receivable turnover ratio (in times)	Revenue	Average Trade Receivable	4.98	6.04	-17.55%
7)	Trade Payable turnover ratio (in times)	Purchases	Average Trade Payable	7.42	5.95	24.71%
8)	Net Capital Turnover Ratio (in times)	Revenue	Working Capital	2.23	2.85	-21.75%
9)	Net Profit ratio (in %) (NPR)	Net profit after taxes	Revenue	18.05%	17.28%	4.46%
10)	Return on capital employed (in %) (ROCE)	Earning before interest and taxes	Capital Employed	32.57%	36.17%	-9.95%

* Improvement in Current Ratio is due to availability of funds in current assets generated from internal accruals accompanied by optimal use of resources.

^ Debt Equity ratio has decreased because of repayment of Long Term loan as funds available from generation of cash profit from Internal accruals and optimal use of resources.

Earnings Available For Debt Service stands for Net profit after taxes + Non-cash operating expenses + Interest + Other adjustments like Profit/(loss) on sale of fixed assets etc.

Independent Auditor's Report

Independent Auditor's Report

To the Members of

Shivalik Bimetal Controls Limited

REPORT ON THE AUDIT OF CONSOLIDATED FINANCIAL STATEMENTS

Opinion

We have audited the accompanying consolidated financial statements of **Shivalik Bimetal Controls Ltd.** ("Parent"), and its Subsidiaries and Joint Venture (Parent Company with its Subsidiaries and Joint Venture together referred to as "Group") which comprise the consolidated Balance sheet as at 31st March, 2024, the consolidated statement of profit and loss (including Other Comprehensive Income), consolidated statement of cash flows, the consolidated statement of changes in equity for the year then ended, and a summary of material accounting policies, notes and other explanatory information. (hereinafter referred to as "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March 2024, and consolidated profit (including other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated annual financial statements in accordance with the Standards on Auditing (SAs) as specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the consolidated annual financial statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated annual financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the consolidated annual financial statements of the current period. These matters were addressed in the context of our audit of the consolidated annual financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

The Key Audit Matters	How our audit addressed the key audit matters
<p>1. Government grant-PLI incentive scheme</p> <p>As reported/presented in note -30 of the consolidated financial statements, Production Linked Incentives are recognized as income when,</p> <p>(a) there is reasonable assurance that the parent company will comply with the conditions attached to them and</p> <p>(b) the grant will be received.</p> <p>The management applies its judgement for the recognition of incentive income based on the management's assessment for likelihood of recoverability in line with fulfilling the eligibility conditions as per approval letter.</p> <p>We identified this as a key audit matter because the estimation on which these amounts are based involves a reasonable degree of assessment by the management.</p>	<p>We as Auditors, have examined eligibility and certainty of the controls relating to the recognition and measurement of incentive income. In this connection, we have:</p> <p>(a) Reviewed Government schemes and policies relating to the production-linked incentives applicable on the parent.</p> <p>(b) Examined approval letters for the scheme from the respective government departments and subsequent departmental orders and regulations issued from time to time.</p> <p>(c) Checked the eligibility criteria including investment made by the parent company.</p> <p>(d) Performed substantive procedures for the calculation of eligible amounts of incentives and the claims made by the management.</p> <p>(e) Reviewed management assessment for the likelihood of recoverability</p>

The Key Audit Matters	How our audit addressed the key audit matters
<p>2. Contingent Liabilities- Contingencies & Capital Commitments:</p> <p>The group makes a determination for recording or alternatively disclosing them as contingencies. We identified this as a key audit matter because the estimation on which these amounts are based involves a reasonable degree of assessment by the management.</p>	<p>We have obtained an understanding of the group's internal instructions, and procedures in respect of assessment and disclosure of Contingent Liabilities & Capital Commitments and adopted the following audit procedures: -</p> <ol style="list-style-type: none"> 1) understood and tested the operating effectiveness of controls as established by the management for obtaining all relevant information; 2) discussing with the management any material developments and latest status; 3) reviewing the adequacy and completeness of disclosures; <p>Based on the above procedures performed, the assessment and disclosures of Contingent Liabilities & Capital Commitments are considered to be adequate and reasonable.</p>

Information Other than the Financial Statements and Auditor's Report Thereon

The Parent Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the consolidated financial statements, standalone financial statements and our respective auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

Management's Responsibility for the Consolidated Annual Financial Statements

The Parent Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated state of affairs, consolidated profit (including other comprehensive income), consolidated changes in equity and consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act

read with the Companies (Indian Accounting Standard) Rules, 2015 as amended. The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of each Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of preparation of consolidated financial Statements by the directors of the parent company.

In preparing the consolidated financial statements, respective Board of Directors of the Companies in the group are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective board of directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The respective Board of Directors of the Companies in the group is also responsible for overseeing the Company's financial reporting process of each company.

Auditor's Responsibilities for the Audit of Consolidated Annual Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud

Independent Auditor's Report

or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the

disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of such entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of the entities included in the consolidated financial statements. We remain solely responsible for our audit opinion. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated annual financial statements.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Parent Company and other entities in the Group regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance respectively, with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Independent Auditor's Report

Other Matters

The consolidated financial statements include the share of Net Profit (and other comprehensive income) of ₹ 330.15 lakhs for the year ended March 31, 2024 as considered in consolidated financial statements in respect of one Joint Venture whose financial statements/ financial information have not been audited by us. These financial statements/ financial information have been audited by other auditors whose report has been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amount and disclosures included in respect of its joint venture, and our report in terms of sub-section (3) of section 143 of the Act, in so far as it relates to the aforesaid joint venture is based solely on the audit reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.)

Report on Other Legal and Regulatory Requirements

- As required by section 143(3) of the Act, based on our report and on the consideration of reports of the other auditors on separate financial statements of such joint venture as were audited by other auditors as noted in the Other Matter paragraph, we report, to the extent applicable, that:
 - we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
 - in our opinion proper books of account as required by law have been kept so far as it appears from our examination of those books; and report of other Auditor's.
 - the consolidated balance sheet, consolidated statement of profit and loss including other comprehensive income, consolidated statement of changes in equity and statement of consolidated cash flow dealt with by this Report are in agreement with the books of account;
 - in our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - on the basis of written representations received from the directors of the Parent, its Subsidiaries as on 31st March, 2024, and taken on record by the Board of Directors of the Parent company and the reports of the statutory auditors of its joint venture

incorporated in India, none of the directors of the Group Companies is disqualified as on 31st March, 2024, from being appointed as a director in terms of section 164 (2) of the Companies Act, 2013.

- With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure A".
- In our opinion, the managerial remuneration for the year ended 31st March, 2024 has been paid / provided by the parent to its directors in accordance with the provisions of Section 197 read with Schedule V of the Companies Act, 2013; and
- With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements of the joint venture as noted in the 'Other Matter' paragraph:
 - The consolidated annual financial statements disclose the impact of pending litigations on its financial position in its Consolidated financial statements-Refer Note 38 to the financial statements;
 - The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- (a) The respective Managements of the companies in the Group have represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

Independent Auditor's Report

- (b) The respective Managements of the companies in the group have represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

3. The final dividend paid by the Parent during the year, in respect of the same declared for the previous year is in accordance with Section 123 of the Act to the extent it applies to payment of dividend.

The interim dividend declared and paid by the Parent during the year is in accordance with section 123 of the Act.

Parent has proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with Section 123 of the Act to the extent it applies to declaration of dividend.

4. The reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is applicable from 1 April 2023.

Based on our examination which included test checks, and on the basis of report of the statutory auditor of joint

venture, the Parent, its subsidiaries and joint venture incorporated in India have used accounting softwares for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective softwares. However, in case of the Parent, the feature of recording audit trail (edit log) facility was not enabled to log any direct data changes for the accounting softwares used for maintaining the books of account at its Delhi office for 1st quarter of Financial year 2023-24.

Further, for the periods where audit trail (edit log) facility was enabled and operated throughout the year for the respective accounting software, we did not come across any instance of the audit trail feature being tampered with.

5. With respect to the matters specified in paragraphs 3(xxi) and 4 of Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by Central Government in terms of Section 143 (11) of the Act, to be included in the Auditor's Report, according to the information and explanations given to us for the Parent, its Subsidiaries and Joint Venture included in the consolidated financials statements of the company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

Annexure - A

to the Independent Auditor's Report on Consolidated financial statements of Shivalik Bimetal Controls Limited

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2024, we have audited the internal financial controls over financial reporting of Shivalik Bimetal Controls Limited (hereinafter referred to as "the Company") and its Subsidiaries, which are Companies incorporated in India, as of that date, wherever applicable.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Respective Board of Directors of the Company and its jointly controlled Companies, which are Companies incorporated in India, to whom reporting under clause (i) of sub section 3 of Section 143 of the Act is respect of adequacy of Internal financial controls over financial reporting is applicable, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their report referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting with reference to these consolidated annual financial statements is a process

designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the Company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, reference to these consolidated annual financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, to the best of our information and according to the explanations given to us, the company and its jointly controlled companies, which are companies incorporated in India, have in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

OTHER MATTERS

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting reference to these consolidated financial statements in so far as it relates to one of the Joint Venture, which are companies incorporated in India, is based on the corresponding report of the auditor of such Company incorporated in India. Our opinion is not qualified in respect of this matter.

Significant Accounting Policies

(Forming part of Consolidated Financial Statements for the year ended 31st March, 2024)

1. GROUP OVERVIEW

The Consolidated financial statements comprise financial statements of Shivalik Bimetal Controls Limited ("SBCL" "the Company" or "the Parent") and its Wholly Owned Subsidiary Companies & Joint venture Company

- Shivalik Engineered Products Private Limited (Wholly Owned Subsidiary),
- Shivalik Bimetal Engineers Private Limited (Wholly Owned Subsidiary),
- Innovative Clad Solutions Private Limited (Joint venture)

(Collectively referred to as " the Group ") for the financial year ended March 31, 2024.

The Company's shares are listed on BSE Ltd. (BSE) & on National Stock Exchange (NSE).

The Group is engaged in the business of manufacturing & sales of Thermostatic Bimetal / Trimetal strips, components, Spring Rolled Stainless Steels, Electron Beam Welded Shunt Materials (Strip & Finished Components), Cold Bonded Bimetal Strips and Parts, Snap Action Discs, CNC Formed Coils of Bimetals / Trimetals, Electrical Contacts, Tools & Dies etc. The Group Products find application primarily in manufacturing of Switchgears, Circuit Breakers, Automotive's, Energy Meters and various other Electrical and Electronic devices.

The Group's Consolidated Financial Statements are approved for issue by the Board of Directors on May 29, 2024.

Compliance with Ind AS

The Consolidated financial statements of the Group have been prepared in accordance with the Indian Accounting standards ('Ind AS'), notified under Section 133 read with rule 3 of Companies (Indian Accounting Standards) Rules 2015, and Companies (Indian Accounting Standards) Amendment Rules, 2016, and the relevant provisions of the Companies Act, 2013 (Collectively, "Ind AS").

2. MATERIAL ACCOUNTING POLICIES

The material accounting policies applied by the Group in the preparation of its Consolidated financial statements are listed below.

2.1 Basis of Preparation of Consolidated Financial Statements

These Consolidated financial statements are prepared, under the historical cost convention on the accrual basis except for certain financial instruments and defined benefit plans, which are measured at fair values or amortised cost at the end of each period.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification as per Company's normal operating cycle.

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current

Current liabilities include the current portion of non-current financial liabilities.

All other liabilities are classified as non-current.

The Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

The Consolidated Financial Statements are presented in Indian rupee (₹) and all values are rounded to the nearest Lakhs and two decimals thereof, except if otherwise stated.

2.2 Principles of Consolidation

The Consolidated financial statements include the financial statements of the holding company, Joint venture and subsidiary(s).

Joint Venture

Investment in Joint Venture has been accounted under the Equity Method as per Ind AS 28- "Investment in Associates and Joint Ventures".

The Group accounts for its share of Post-Acquisition changes in net assets of joint venture, after eliminating unrealized profits and losses resulting from transactions between the group its Joint Ventures.

Subsidiary(s)

The financial statements of subsidiary(s) are included in the consolidated financial statements from the date on which control commences until the date on which control ceases.

The standalone financial statements of the Holding Company and financial statements of the subsidiary(s) are consolidated on a line-by-line basis by adding together the book values of like items of assets, liabilities, incomes and expenses, after eliminating intra-group balances, intra-group transactions and any unrealised incomes and expenses arising from intra-group transactions.

These consolidated financial statements are prepared by applying uniform accounting policies in use at the Group.

The excess of cost to the Group of its investment in subsidiaries, on the acquisition dates over and above

Significant Accounting Policies

(Forming part of Consolidated Financial Statements for the year ended 31st March, 2024)

the Group's share of equity in the subsidiary(s), is recognised as 'Goodwill on Consolidation' being an asset in the consolidated financial statements. The said Goodwill is not amortised, however, it is tested for impairment at each Balance Sheet date and the impairment loss, if any, is provided for.

2.3 Use of Estimates

The preparation of Consolidated financial statements in conformity with Generally Accepted Accounting Principles (GAAP) including Ind-AS requires the management to make estimates and assumptions that affect the reported balance of assets and liabilities and disclosures of contingent liabilities on the date of Consolidated financial statements and the reported amounts of revenues and expenses during the reporting period.

Management believes that the estimates used in the preparation of Consolidated financial statements are prudent and reasonable. Accounting estimates could change from period to period. The estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and future periods affected.

Group uses primarily following accounting estimates and judgements in preparation of its Consolidated Financial Statements

a) Useful Life of Property Plant and Equipment

The group reviews the estimated useful life and residual value of Property, Plant and Equipment at the end of each reporting period.

This reassessment may result in change in depreciation expense in future periods.

b) Employee Benefits

The accounting of employee benefit plan in the nature of defined benefits, requires the group to use assumptions. These assumptions have been explained under employee benefits note no. 2.8.

c) Leases

The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Group uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The group determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the group is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Group is reasonably certain not to exercise that option. In assessing whether the Group is reasonably certain

to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Group to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Group revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate.

d) Provisions and Contingent Liabilities

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with Ind AS 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events has required best judgment by management regarding the probability of exposure to potential loss. The timings of recognition and quantification of the liability requires the application of judgment to existing facts and circumstances, which can be subject to change.

e) Revenue

The Group assesses the products/services promised in a contract and identifies distinct performance obligations in the contract. Identification of distinct performance obligation involves judgement to determine the deliverables and the ability of the customer to benefit independently from such deliverables.

Judgement is also required to determine the transaction price for the contract. The transaction price is also adjusted for the effects of the time value of money if the contract includes a significant financing component.

The Group uses judgement to determine an appropriate Consolidated selling price for a performance obligation. The Group allocates the transaction price to each performance obligation on the basis of the relative Consolidated selling price of each distinct product or service promised in the contract.

The Group exercises judgement in determining whether the performance obligation is satisfied at a appoint in time.

Regardless recognition of Income relating to service the Group considers indicators such as how customer consumes benefits as services are rendered or who controls the asset as it is being created or existence of enforceable right to payment for performance to date and alternate use of such product or service, transfer of significant risks and rewards to the customer, acceptance of delivery by the customer, etc.

Significant Accounting Policies

(Forming part of Consolidated Financial Statements for the year ended 31st March, 2024)

2.4 Revenue Recognition

Revenue from sale of products/goods & services is recognized upon satisfaction of the performance obligation by transferring the control of promised products or provision of services to a customer in an amount that reflects the consideration which a Group expects to receive in exchange for those products or services.

Revenue is recognized net of returns and is measured based on the transaction price, which is the consideration, adjusted for trade discounts, incentives etc agreed as a term of contract. Revenue also excludes taxes collected from customers.

Income from Interest is recognized using Effective Interest rate method. Dividend income from investments is recognized when the shareholder's right to receive payment has been established. Rental Incomes are recognized on periodic basis.

Export Incentive Entitlements are recognized as Income when right to receive credit as per the terms of the scheme is established in respect of eligible exports made and when there is no significant uncertainty regarding the ultimate collection of the relevant export proceeds.

Insurance claim are accounted for on the basis of claims admitted/expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

All other incomes are accounted on accrual basis.

2.5 Foreign Currency Transactions

The functional and presentation currency of the Group is Indian Rupee ("₹") which is the currency of the primary economic environment in which the Group operates.

The transactions in the currencies other than the entity's functional currency (foreign currency's) are accounted for at the exchange rate prevailing on the transaction's date.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency at closing rates of exchange at the reporting date and the resultant difference is charged/ credited in Consolidated Statement of Profit & Loss account.

Exchange differences arising on settlement or translation of monetary items are recognized in Consolidated Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets.

Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated on reporting date.

2.6 Borrowing Costs

Borrowing Costs that are attributable to the acquisition or construction of qualifying assets are added to the cost of those assets, until such time as the assets are substantially ready for their intended use. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use.

All other Borrowing costs are recognized in the Consolidated Statement of Profit and Loss in the period in which they are incurred.

Borrowing costs include interest and exchange difference arising from currency borrowing to the extent they are regarded as an adjustment to the interest cost.

2.7 Government Grant and Assistance

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Group will comply with all attached conditions.

Government grants relating to income are recognised in the Statement of Profit and Loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income.

Government grants relating to property, plant and equipment are included in non-current liabilities as deferred income and are credited to Statement of Profit and Loss on a systematic basis over the expected lives of the related assets and presented within other income.

2.8 Employees' Benefits

Defined Contribution Plans:

The Group has contributed to State Governed Provident Fund scheme, Employees State Insurance scheme and Employee Pension Scheme which are defined contribution plans. Contribution paid or payable under the scheme is recognized as expense during the period in which employees have rendered the service entitling them to the contributions.

Defined Benefit Plans:

The employees' gratuity is a defined benefit plan. The present value of the obligation under such plan is determined based on the Actuarial Valuation using the projected unit credit method which recognizes each period of service as giving rise to an additional unit of employee benefit entitlement and measures each unit separately to build up the financial obligation. The Group has an employee gratuity fund managed by Life Insurance Corporation of India (LIC).

The gains or losses are charged to Consolidated Statement Profit and Loss Account.

Liability in respect of compensated absence is provided based on Actuarial Valuation using the projected unit credit method.

Significant Accounting Policies

(Forming part of Consolidated Financial Statements for the year ended 31st March, 2024)

Compensation to employees, who opt for retirement under the Voluntary Retirement Scheme of the Group, is charged to the Consolidated Statement of Profit & Loss in the year of exercise of option by the employee.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages, bonus etc. are recognized in the period in which the employee renders the related service. A liability is recognized for the amount expected to be paid when there is a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

2.9 Taxes on Income

Current Tax

Tax on income for the current period is determined on the basis of taxable income and tax credits/ benefits computed in accordance with the provisions of the Income Tax Act 1961.

Advance taxes and provisions for current income taxes are presented in the balance sheet after off-setting advance tax paid and income tax provision arising in the same tax jurisdiction and where the Group has a legally enforceable right and also intends to settle the asset and liability on a net basis.

Deferred Tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the consolidated financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to same taxation authority.

Current and deferred tax are recognized in profit or loss, except when they are relating to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

Deferred tax assets and liabilities are measured at the tax rates that have been enacted or substantively enacted at the balance sheet date.

2.10 Property, Plant and Equipment and Capital Work-In-Progress

The cost of Property, Plant and Equipment comprises its purchase price net of any trade discounts, if any and rebates, import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing cost attributable to the Qualifying Asset in compliance with Ind AS 23.

Expenditure incurred after the Property, Plant and Equipment have been put into operation, such as repairs and maintenance, are charged to the Consolidated Statement of Profit and Loss in the period in which the costs are incurred. Major shut-down and overhaul expenditure is capitalized as the activities undertaken improves the economic benefits expected to arise from the asset.

An item of Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of Property, Plant and Equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in Consolidated Statement of Profit and Loss.

Property, Plant and Equipment except freehold land held for use in the production, supply or administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses, if any. Freehold lands are stated at cost.

Depreciation commences when the assets are ready for their intended use. Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation is recognized so as to write off the cost of assets (other than freehold land) less their residual values over their useful lives, using straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

When significant parts of plant and equipment are required to be replaced at intervals, the Group

Significant Accounting Policies

(Forming part of Consolidated Financial Statements for the year ended 31st March, 2024)

depreciates them separately based on estimate of their specific useful lives.

Major overhaul costs are depreciated over the estimated life of the economic benefit derived from the overhaul. The carrying amount of the remaining previous overhaul cost is charged to the Consolidated Statement of Profit and Loss if the next overhaul is undertaken earlier than the previously estimated life of the economic benefit.

Capital work-in-progress represents the cost of Property, Plant and Equipment that are not yet ready for their intended use at the reporting date.

The group reviews the residual value, useful lives and depreciation method annually and, if expectations differ from previous estimates, the change is accounted for as a change in accounting estimate on a prospective basis.

Cost of in-house assembled/fabricated Property, Plant & Equipment comprise those costs that relate directly to the specific assets and other costs that are attributable to the assembly/fabrication thereof.

Depreciation on Property, Plant & Equipment is provided based on useful lives of assets as prescribed in Schedule-II to Companies Act 2013 except in respect of followings assets where estimated useful life is different than these mentioned in Schedule II are as follows: -

i) Plant & Machinery*	15-30 Years
ii) Dies & Tools	2 Years
iii) Assets costing below Rs. 5,000/-	1 Year
iv) Temporary Building Shed	3 Years
v) Machinery Spares	2-10 Years
vi) Leasehold Land	Lease term

* For certain Plant & Machineries where the useful life of assets is different from those prescribed under Part C of Schedule II of Companies Act 2013, an internal assessment & Independent technical evaluation has been carried out by external Chartered Engineer. The management believes that the useful lives as given above, best represents the period over which Group expects to use these assets.

2.11 Intangible Assets

Intangible assets are initially recorded at consideration paid for acquisition of such assets and are subsequently carried at cost less accumulated depreciation or amortization and accumulated impairment loss, if any. Amortization is recognized on a straight-line basis over their estimated useful lives.

Estimated useful life of Intangible Assets as follows:

i) Software	3-6 Years
ii) Other Intangible	5 Years

2.12 Inventories

Basis of valuation of Inventories;

- Raw materials, stores and spares: At cost, on "FIFO" basis;
- Work-in-progress: At raw material cost plus related cost of conversion including appropriate overheads;
- Finished goods: At cost or net realisable, whichever is less;
- Saleable Scrap is valued at estimated realizable value.

Raw Material, Work-In-Progress and other supplies are not valued below cost except in cases where material prices have declined and it is estimated that the cost of the finished products will not exceed their net realisable value. The comparison of cost and net realisable value is made on item by item basis.

Cost of raw materials include cost of purchase and other costs incurred in bringing the inventories to their present location and condition.

Cost of finished goods and work in progress include cost of direct materials, labour and appropriate overheads based on the normal operating capacity.

2.13 Impairment of non-financial assets

'The Carrying amounts of assets are reviewed at each Balance Sheet date and if there is any indication to the effect that the recoverable amount of the Asset/ CGU (Cash Generating Unit) is less than its carrying amount, the difference is treated as "Impairment Loss". The recoverable amount is greater of the asset's net selling price less cost to sell and value in use.

'Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired, the impairment loss is recognized in the Consolidated Statement of Profit and Loss account.

2.14 Leases

The Group lease asset classes primarily consist of leases for land and buildings. The Group assesses whether a contract contains a lease, at inception of a contract.

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether:

- the contract involves the use of an identified asset
- the Group has substantially all of the economic benefits from use of the asset through the period of the lease and;
- the Group has the right to direct the use of the asset.

Significant Accounting Policies

(Forming part of Consolidated Financial Statements for the year ended 31st March, 2024)

Company as Lessee

At the date of commencement of the lease, the group recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low-value leases, the group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

Right-of-Use Assets (ROU)

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

Lease Liabilities

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset if the Group changes its assessment of whether it will exercise an extension or a termination option. Lease liability and ROU assets have been separately presented in the Consolidated Financial Statements and lease payments have been classified as financing cash flows.

Company as Lessor

Leases for which the Group is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a

finance lease. All other leases are classified as operating leases.

For operating leases, rental income is recognized on a straight-line basis over the term of the relevant lease.

Short Term Leases are Leases for Low Value Assets

The Group apply the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term 12 months and less from the commencement date and do not contain a purchase options).

It also applies the leave of low-value assets recognition exemption to leases that are considered of low values. Leases payments on such leases are recognised as expense on straight line basis over the lease term.

2.15 Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.16 Cash Flow Statements

Consolidated Cash flows are reported using the indirect method, whereby Profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, financing and investing activities of the Group are segregated.

2.17 Financial Instruments

A Financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

A. Initial Recognition and Measurement

The Group recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognized using trade date accounting.

B. Subsequent Measurement

a) Financial assets carried at amortized cost (AC)

A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual

Significant Accounting Policies

(Forming part of Consolidated Financial Statements for the year ended 31st March, 2024)

cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets at fair value through other comprehensive income (FVTOCI).

A financial asset is measured at FVTOCI, if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL. This includes equity investment in other than Joint Ventures and Associates.

C. Impairment of Financial Assets

In accordance with Ind AS 109, the Group uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or

Lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables Group applies 'simplified approach' which requires expected lifetime losses to be recognized from initial recognition of the receivables. The Group uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rate are reviewed and changes in the forward-looking estimates are analysed.

Financial Liabilities

A. Initial Recognition and Measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognized in the Consolidated Statement of Profit and Loss as finance cost.

B. Subsequent Measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and

other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derivative Financial Instruments

The Group enters into derivative financial instruments to manage its exposure to foreign exchange rate risks, in the form of foreign exchange forward contracts. Derivatives are initially recognized at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognized in Consolidated Statement of Profit and Loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in Consolidated Statement of Profit and Loss depends on the nature of the hedge item.

Derecognition of Financial Instruments

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Group balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

The carrying value and fair value of financial instruments by categories as at March 31, 2024 are disclosed at Note No. 45.

2.18 Research and Development Expenditure

Key focus area of Research and Development (R&D) activities at Shivalik includes;

- Optimising of resource utilisation.
- Quality & productivity improvements and cost optimization through process efficiency improvements.
- Product development, customisation and new applications.

Revenue as well Capital expenditure pertaining to research and development and costs pertaining to manpower directly part of R&D activities is charged to the Consolidated Statement of Profit and Loss.

2.19 Earnings Per share

- (i) Basic Earnings Per Share.

Basic Earnings per Share is computed by dividing:

- a. net profit or loss for the period attributable to equity shareholders

Significant Accounting Policies

(Forming part of Consolidated Financial Statements for the year ended 31st March, 2024)

Notes on Consolidated Financial Statements

for the year ended 31st March, 2024

- b. by the weighted average number of Equity Shares outstanding during the period
- (ii) Diluted earnings per share
- Diluted earnings per share adjusts the figures used in determination of basic earnings per share to take into account:
- the after-income tax effect of interest and other financing costs associated with dilutive potential equity and;
 - the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2.20 Provision and Contingent Liabilities

Provisions are recognized for liabilities that can be measured only by using substantial degree of estimation, if

- the Group has a present obligation as a result of past event,
- a probable outflow of resources is expected to settle the obligation; and
- the amount of the obligation can be reliably estimated.

Contingent liability is disclosed in case of

- a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- a present obligation arising from past events, when no reliable estimate is possible; and
- a possible obligation arising from past events where the probability of outflow of resources is not remote.

Provisions and contingent liabilities are reviewed at each Balance Sheet date.

2.21 Segment reporting

The Group business activity primarily falls within a single segment i.e. Process and Product Engineering. The geographical segments considered are “within India” and “outside India”. The analysis of geographical segments is based on geographical location of the customers.

2.22 Business Combination

Business combinations (other than business combinations between common control entities) are accounted for using the purchase (acquisition) method. The cost of an acquisition is measured as the fair value of the consideration transferred, equity instruments issued and liabilities incurred or assumed at the date of exchange. The consideration transferred does not include amounts related to the settlement of pre-existing relationships; such amounts are generally recognised in the Consolidated Statement of Profit and Loss and Other Comprehensive Income. The cost of acquisition also includes the fair value of any contingent consideration. Identifiable assets acquired and liabilities & contingent liabilities assumed in a business combination are measured initially at fair value at the date of acquisition. Transaction costs incurred in connection with a business combination are expensed as incurred. The excess of the consideration transferred over the fair value of the net identifiable assets acquired is recorded as goodwill. If those amounts are less than the fair value of the net identifiable assets of the business acquired, the difference is recognised in other comprehensive income and accumulated in equity as capital reserve as a gain on bargain purchase. Business combinations between entities under common control are accounted at historical cost. The difference between the consideration paid/received and the carrying amount of assets and liabilities transferred is recorded in the capital reserve, a component of other equity. Business combinations arising from transfers of interests in entities that are under the common control are accounted for as if the acquisition had occurred at the beginning of the earliest comparative period presented or, if later, at the date that common control was established; for this purpose, comparatives are revised.

2.23 Recent accounting pronouncements

Ministry of Corporate Affairs (“MCA”) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Group.

**In determining the allowances for credit losses of trade receivables, the Group has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the receivables that are due and rates used in the provision matrix.

(i) Movements in allowance of credit losses of receivables;

(₹ in lakhs)

The disclosures required under Ind AS 19 “Employee Benefit” notified under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standard) Rules, 2015 (as amended from time to time) and other relevant provisions of the Act are given below:

(I) Defined Contribution Plan

- (a) Provident Fund
- (b) State defined contribution plans
 - Employees’ Pension Scheme 1995

The Provident Fund and State defined contribution plan are operated by the regional provident fund commissioner. Under the scheme, the Group is required to contribute a specified percentage of payroll cost to the retirement benefit scheme to fund the benefits. These funds are recognized by the Income tax authorities.

Contribution to Defined Contribution Plan, recognized are charged off for the year are as under:

45. FINANCIAL INSTRUMENTS

45.1 Capital Management

The Group's capital management objectives are;

- to maintain healthy Credit rating, Capital Ratios and Leverage.
- to maximise return to the Shareholders.

Management assesses the Group's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. This takes into account the subordination levels of the Group various classes of debt. The Group manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. The Principal source of funding of the company has been, and is expected to continue to be, cash generated from its operations supplemented by funding from bank borrowings.

(₹ in lakhs)

Fair Value Measurement

- Carrying amount of Financial assets and financial liabilities recorded at amortized cost approximates their fair value.
- Investment in Equity instrument of other companies is measured at its fair value using Level 3 valuation techniques.

**Notes on Consolidated Financial Statements**for the year ended 31st March, 2024 *continued***45.3 Financial Risk Management**

The Group's activities expose it to market risk, liquidity risk, Foreign Currency Risk and credit risk. The Group primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. Risk management policies and systems are reviewed regularly to reflect changes in the market conditions and the Company's activities to provide reliable information to the Management and the Board to evaluate the adequacy of the risk management framework in relation to the risk faced by the company. The Parent Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

45.4 Credit risk

Credit risk is the risk that a counterparty will default on its contractual obligations resulting in financial loss to the group. Credit risk encompasses both, direct risk of default and the risk of deterioration of creditworthiness.

a) Credit risk management

The Group assesses and manages credit risk based on internal credit rating system, continuously monitoring defaults of customers and other counterparties, identified either individually or by the company, and incorporates this information into its credit risk controls. The company has a policy of only dealing with credit worthy parties and obtain sufficient collateral where appropriate as a means of mitigating the risk of financial loss from defaults.

Cash and cash equivalents and bank deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks across the country.

Trade receivables

The Group closely monitors the credit-worthiness of the debtors through internal systems that are configured to define credit limits of customers, thereby, limiting the credit risk to pre-calculated amounts. The Company assesses increase in credit risk on an ongoing basis for amounts receivable that become past due.

Other financial assets measured at amortised cost

Other financial assets measured at amortised cost includes loans and advances to employees, security deposits and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within defined limits.

b) Expected credit losses

The Group provides for expected credit losses based on the following:

The company recognizes lifetime expected credit losses on trade receivables using a simplified approach, wherein Company has defined percentage of provision by 'analysing historical trend of default based on the criteria defined above. And such provision percentage determined have been 'considered to recognise life time expected credit losses on trade receivables.

Particulars	As at 31 st March, 2024		As at 31 st March, 2023	
	>3 Years	0-3 Years	>3 Years	0-3 Years
Gross amount of trade receivables where no default (as defined above) has occurred	-	11,377.68	-	9,326.00
Expected loss rate	-	0.03%	-	0.04%
Expected credit loss (loss allowance provision)	-	3.36	-	4.16

**Notes on Consolidated Financial Statements**for the year ended 31st March, 2024 *continued*

Reconciliation of loss provision – lifetime expected credit losses	
Loss allowance as on 1 st April 2022	3.45

Amounts written off	1.01
Loss allowance on 31 st March 2023	4.16
Impairment loss recognised during the year	0.30
Acquired in Business Combination	-
Amounts written off	1.10
Loss allowance on 31 st March 2024	3.36

45.5 Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due.

Management monitors rolling forecasts of the Group's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Group takes into account the liquidity of the market in which the entity operates. In addition, the Group's liquidity management measures involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these obligations."

Maturities of financial liabilities

The tables below analyses the Group's financial liabilities into relevant maturity based on their contractual maturities for all non-derivative financial liabilities.

The amounts disclosed in the table are the contractual undiscounted cash flows. For balances due within 12 months amounts equal their carrying values as the impact of discounting is not significant.

(₹ in lakhs)

Outstanding amount of Letters of Credit, "LCs", established by Bank in favour of Suppliers, as on balance Sheet date, aggregate to ₹1,254.60 lakhs (Previous year ₹ 645.29 lakhs) towards import of materials. As and when materials relating thereto are received, the payment against the same shall be made resulting into maturing of respective LCs.

45.6 Market Risk

The group is exposed in the ordinary course of its business to risks related to changes in foreign currency exchange rates, commodity prices and interest rates. The Group seeks to minimize the effects of these risks by minutely observing the variation and fluctuation on regular basis. Compliance of exposure volume is reviewed by the management on real time basis and taking corrective measures as and when required.

45.7 Foreign currency risk

The Group is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to the US Dollar and Euro. The exchange rate between the Indian rupees and foreign currencies has changed substantially in recent years and may fluctuate substantially in the future. Consequently, the results of the Group operations are adversely affected as the rupee appreciates/depreciates against the currencies. Foreign exchange risk arises from recognised assets and liabilities denominated in a currency that is not the functional currency of the Group.

(i) Foreign currency risk exposure:

The Group's exposure to foreign currency risk at the end of the reporting period are as follows:

45.8 Interest rate risk**i) Liabilities**

Interest rate risk is the risk that the fair value or future cash flows of a financial Assets/Liabilities because of changes in market interest rates. The group is exposed to interest rate risk because funds are borrowed at both fixed and floating interest rates. Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rate. The borrowings of the group are principally denominated in rupees and US dollars with a mix of fixed and floating rates of interest. The Group has exposure to interest rate risk, arising principally on changes in marginal cost of fund based lending rate (MCLR) and SOFR rates.

ii) Assets

The Group's fixed deposits are carried at amortised cost and are fixed rate deposits. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

45.8 Interest rate risk**i) Liabilities**

Interest rate risk is the risk that the fair value or future cash flows of a financial Assets/Liabilities because of changes in market interest rates. 49. Additional Regulatory Information Ratios

S. No.	Particulars	Numerator	Denominator	As at 31 st March, 2024	As at 31 st March, 2023	Variance
1)	Current Ratio (in times)*	Current Assets	Current Liabilities	3.59	2.66	34.96%
2)	Debt- Equity Ratio (in times)^	Total Debt	Shareholder's Equity	0.06	0.12	-50.00%
3)	Debt service coverage ratio (in times) (DSCR)	Earnings Available For Debt Service #	Debt Service	11.02	10.09	9.22%
4)	Return on Equity Ratio (in %)(ROE)	Net Profit After Taxes	Average Shareholder's Equity	27.76%	34.61%	-19.79%
5)	Inventory turnover ratio (in times)	Revenue	Average Closing Inventory	3.92	3.81	2.89%
6)	Trade Receivable turnover ratio (in times)	Revenue	Average Trade Receivable	4.92	6.17	-20.26%
7)	Trade Payable turnover ratio (in times)	Purchases	Average Trade Payable	7.05	6.29	12.08%
8)	Net Capital Turnover Ratio (in times)	Revenue	Working Capital	2.39	2.97	-19.53%
9)	Net Profit ratio (in %) (NPR)	Net profit after taxes	Revenue	16.56%	16.82%	-1.55%
10)	Return on capital employed (in %) (ROCE)	Earning before interest and taxes	Capital Employed	31.99%	36.21%	-11.65%

* Improvement in Current Ratio is due to availability of funds in current assets generated from internal accruals accompanied by optimal use of resources.

^ Debt Equity ratio has decreased because of repayment of Long Term loan as funds available from generation of cash profit from Internal accruals and optimal use of resources.

Earnings Available For Debt Service stands for Net profit after taxes + Non-cash operating expenses + Interest + Other adjustments like Profit/(loss) on sale of fixed assets etc.

Notice to Shareholders

NOTICE is hereby given that the 40th Annual General Meeting ("AGM") of the Members of Shivalik Bimetal Controls Ltd. ("The Company") will be held on Thursday, the 26th day of September, 2024 at Hotel Namastasya, Bye Pass Road, near New Bus Stand, Lawi Khurd, Solan, Himachal Pradesh 173212 at 10.30 AM (IST), to transact the following business:

ORDINARY BUSINESSES:

- To receive, consider and adopt the Audited Financial Statements (both Standalone and Consolidated Financial Statements) of the Company for the financial year ended March 31, 2024 together with Director's Report and the Auditors Report thereon;
- To confirm the payment of Interim Dividend and to declare Final Dividend on equity shares for the financial year ended March 31, 2024;
- To appoint a director in place of Mrs. Harpreet Kaur (DIN: 07012657), who retires by rotation in terms of section 152(6) of the Companies Act, 2013 and, being eligible, offers herself for re-appointment.

SPECIAL BUSINESSES:

4. RATIFICATION OF REMUNERATION OF COST AUDITOR

To consider and, if thought fit, to pass, the following resolution as an Ordinary Resolution:

"RESOLVED THAT pursuant to the provisions of Section 148 and any other applicable provisions, if any, of the Companies Act, 2013 ('the Act') read with the Companies (Audit and Auditors) Rules, 2014 framed thereunder (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force), consent of the members is hereby accorded to ratify the remuneration of ₹ 1,50,000 (Rupees One Lakh Fifty Thousand Only) per annum plus applicable taxes and out of pocket expenses payable to Mr. Ramawatar Sunar, Cost Auditor, (FRN: 100691), re-appointed by the Board of Directors on the recommendation of the Audit Committee, to conduct Audit of cost records of the Company for the FY 2024-25.

RESOLVED FURTHER THAT the consent of the members be and hereby accorded to authorize the Board of Directors of the Company to do all the acts, matters and things and to take all such steps as may be required and necessary to give effect to this resolution."

5. CONTINUATION OF DIRECTORSHIP OF MR. GURMEET SINGH GILL (DIN: 00007393), AS NON-EXECUTIVE NON-INDEPENDENT DIRECTOR OF THE COMPANY

To consider and, if thought fit, to pass, the following resolution as a Special Resolution:

"RESOLVED THAT pursuant to regulation 17(1A) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force), and based on the recommendation of the Nomination and Remuneration Committee and the Board of Directors, approval be and is hereby accorded for continuation of Mr. Gurmeet Singh Gill (DIN: 00007393) as a Non-Executive Non Independent Director of the Company liable to retire by rotation, who would attain the age of 75 years on September 19, 2025.

RESOLVED FURTHER THAT the Board of Directors of the Company (including any Committee thereof) be and is hereby authorized to do all such acts and take all such steps as may be necessary, proper or expedient to give effect to this resolution."

6. RE-APPOINTMENT OF MR. SWARNJIT SINGH (DIN: 07409567) AS AN INDEPENDENT DIRECTOR OF THE COMPANY

To consider and, if thought fit, to pass, the following resolution as a Special Resolution:

"RESOLVED THAT pursuant to provisions of Sections 149, 152 of the Companies Act, 2013, and the Rules made thereunder, read with Schedule IV to the Companies Act, 2013 and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, and such other provisions as may be applicable, including any statutory modification or re-enactment thereof for the time being in force, Mr. Swarnjit Singh (DIN : 07409567), who was appointed as an Independent Director of the Company by the members for a term up to November 10, 2024, who being eligible for re-appointment for a second term and in respect of whom the Company has received a notice in writing under Section 160 of the Companies Act, 2013 from a member proposing his candidature to the office of Director of the Company, be and is hereby re-appointed as an Independent Director of the Company, to hold office with effect from November 11, 2024 up to November 10, 2029, and whose office shall not be liable to retire by rotation.

Notice to Shareholders *continued*

RESOLVED FURTHER THAT the Board or any committee of directors or executives / officers of the Company authorised by them, be and are hereby authorised to do all such acts, deeds, matters and things and execute such documentation as may be necessary to give effect to this Resolution.”

7. APPOINTMENT OF MRS. SUKRITA GOYAL (DIN: 07576423) AS NON-EXECUTIVE INDEPENDENT WOMEN DIRECTOR

To consider and, if thought fit, to pass, the following resolution as Ordinary Resolution:

“**RESOLVED THAT** pursuant to the provisions of Sections 149 and 152, read with Schedule IV and other applicable provisions, if any, of the Companies Act, 2013 (“Act”), the Companies (Appointment and Qualification of Directors) Rules, 2014 (including any statutory modification(s) or amendment(s) or re-enactment(s) thereof, for the time being in force) and Regulation 17 and other applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time (“Listing Regulations”)(including any statutory modification(s) or amendment(s) or re-enactment(s) thereof, for the time being in force) and on recommendation of Nomination & Remuneration Committee, Mrs. Sukrita Goyal (DIN: 07576423), who was appointed by the board of directors as additional director w.e.f August 29, 2024 under the category of Independent Women Director and in respect of whom the Company has received a notice in writing under Section 160(1) of the Act from a member proposing her candidature for the office of Director, consent of the members be and hereby accorded for approval of appointment as an Independent Women Director of the Company, not liable to retire by rotation and to hold office for a term of 5 (five) consecutive years commencing from August 29, 2024.

RESOLVED FURTHER THAT the Board of Directors of the Company (including its Committee thereof) be and is hereby authorised to do all such acts, deeds, matters and things as may be necessary, expedient and desirable for the purpose of giving effect to this resolution.”

8. APPOINTMENT OF MR. KABIR GHUMMAN (DIN: 01294801) WHOLE TIME DIRECTOR DESIGNATED AS EXECUTIVE DIRECTOR

To consider and, if thought fit, to pass, the following resolution as Special Resolution:

“**RESOLVED THAT** pursuant to Section 161 and other applicable provisions of the Companies Act, 2013 and the Rules made thereunder, Mr. Kabir Ghumman (DIN: 01294801) who was appointed as an additional director in the category of Whole Time Director of the Company by the Board of Directors with effect from August 29th, 2024, and who holds office until the date of the Annual General Meeting in terms of Section 161 of the Companies Act, 2013, and in respect of whom the Company has received a notice in writing from a member under Section 160 of the Companies Act, 2013 proposing his candidature for the office of director of the Company, be and is hereby appointed as Whole Time Director – designated as Executive Director of the Company.

RESOLVED FURTHER THAT pursuant to the provisions of Sections 149, 196, 197, and 203 read with Schedule V and any other applicable provisions, if any, of the Companies Act, 2013 and rules made there under (including any statutory modification(s) or re-enactment(s), consent of the members be and is hereby accorded to the appointment of Mr. Kabir Ghumman (DIN: 01294801) as Whole-time Director designated as Executive Director of the Company for a period of 5 years effective from August 29, 2024 up to August 28, 2029 as per the terms and conditions as stated in the explanatory statement.

RESOLVED FURTHER THAT notwithstanding anything hereinabove contained, wherein any financial year during the tenure of his appointment, the Company has incurred loss or its profits are inadequate, the Company shall pay to Mr. Kabir Ghumman, the remuneration by way of salary, perquisites, other allowances and other benefits as aforesaid as minimum remuneration, notwithstanding the fact that the annual remuneration payable to exceeds 5% of the net profits of the company as prescribed under Regulation 17(6)(e) of the Listing Regulations, subject to the maximum/overall managerial remuneration to the Executive Directors of the Company (including any statutory modifications or re-enactments thereof, for the time being in force), or such other limits as may be prescribed by the government from time-to-time as minimum remuneration.

RESOLVED FURTHER THAT the Board of Directors of the Company be and is hereby authorized to vary, alter or modify the different components of the above stated remuneration as may be agreed to by the Board of Directors and Mr. Kabir Ghumman.

RESOLVED FURTHER THAT directors and Key Managerial Personnel of the company be and are hereby authorised to do all such things and deeds to bring the above resolution into effect.”

Notice to Shareholders *continued*

9. APPROVAL OF OVERALL MANAGERIAL REMUNERATION UNDER COMPANIES ACT, 2013 AND SEBI (LISTING OBLIGATIONS & DISCLOSURE REQUIREMENTS) REGULATIONS, 2015.

To consider and, if thought fit, to pass, the following resolution as Special Resolution:

“**RESOLVED THAT** pursuant to the provisions of Regulation 17(6) (e) and other applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Sections 196 , 197, 203 read with Schedule V and other applicable provisions, if any, of the Companies Act, 2013 (“Act”), the Companies (Appointment and Qualification of Directors) Rules, 2014 (including any statutory modification(s) or amendment(s) or re-enactment(s) thereof, for the time being in force) and, as amended from time to time (“Listing Regulations”)(including any statutory modification(s) or amendment(s) or re-enactment(s) thereof, for the time being in force), pursuant to the recommendation of the Nomination and Remuneration Committee and approval of the board of director(s) of the Company consent of the members be and hereby accorded to continue with payment of remuneration as per terms and conditions approved by shareholders in the general meeting by the members, notwithstanding the fact that the annual remuneration payable to Executive Directors exceeds 5% of the net profits of the company as prescribed under Regulation 17(6)(e) of the Listing Regulations, subject to the maximum/overall managerial remuneration to the Executive Directors of the Company.

RESOLVED FURTHER THAT the Board of Directors of the Company (including its Committee thereof) be and is hereby authorised to do all such acts, deeds, matters and things as may be necessary, expedient and desirable for the purpose of giving effect to this resolution.”

Notice to Shareholders *continued*

web-link on the above will also be provided in advertisement being published in Financial Express (English edition) and Jansatta (Hindi edition).

9. Route map – Since this AGM is held physically, Route Map showing the location of and directions to reach the venue of the 40th AGM is attached, pursuant to Secretarial Standard-2 on General Meetings along with Attendance Slip and Proxy Form are annexed to this Notice.

10. In terms of SEBI Circular dated December 09, 2020, the depository shall send SMS/email alerts regarding the details of the upcoming AGM to the demat holders atleast 2 days prior to the date of commencement of e-voting, members are requested to update the mobile no. /email ID with their respective depository participants.

11. SEBI vide Circular Nos. SEBI/HO/OIAE/OIAE_IAD-1/P/CIR/2023/131 dated 31st July, 2023, and SEBI/HO/OIAE/OIAE_IAD-1/P/CIR/2023/135 dated 4th August, 2023, read with Master Circular No. SEBI/HO/OIAE/OIAE_IAD-1/P/CIR/2023/145 dated 31st July, 2023 (updated as on 11th August, 2023), has established a common Online Dispute Resolution Portal ("ODR Portal") for resolution of disputes arising in the Indian Securities Market.

Pursuant to above-mentioned circulars, post exhausting the option to resolve their grievances with the RTA/ Company directly and through existing SCORES platform, the investors can initiate dispute resolution through the ODR Portal (<https://smartodr.in/login>) and the same can also be accessed through the Company's website: <https://www.shivalikbimetals.com/corporate-governance.php>

12. KYC Updation

SEBI, vide its circular dated November 3, 2021 read with circulars dated December 14, 2021, March 16, 2023 and November 17, 2023 and SEBI Master Circular no. SEBI/HO/MIRSD/POD-1/P/CIR/2024/37 dated May 7, 2024 has mandated compulsory furnishing of PAN, nomination (for all eligible folios), contact details, bank account details and specimen signature by holders of physical securities.

Further, the physical Shareholders, whose folio(s) do not have the above KYC details, shall be eligible: (i) to lodge grievance or avail any service request from the RTA and (ii) for any payment including dividend, interest or redemption in respect of such folios, only through electronic mode with effect from April 01, 2024, only after furnishing aforesaid KYC details.

Aforesaid SEBI circular has also mandated compulsory linking of PAN and Aadhaar by all holders of physical securities. In case the same is not so linked, you are requested to do the same immediately. In the event such linkage is not done then your PAN will be deemed to be invalid and consequently your folio will be treated in the same manner as applicable in case of folios for which no PAN has been furnished.

Holders of physical securities are requested to take note of the above KYC updation and furnish their KYC details at the earliest, to the Company's Registrar and Transfer Agent ('RTA'). The relevant forms for updation of KYC are available on the websites of the Company and the RTA.

The details of various forms for updating KYC details for holders of physical shares are as follows:

Form Description

- i. ISR-1 - Request for Registering PAN, KYC Details or Changes / Updation thereof
- ii. ISR-2 - Confirmation of Signature of Securities holder by the Banker
- iii. ISR-3 - Declaration Form for Opting-out of Nomination
- iv. ISR-4 - Request for issue of Duplicate Certificate and other service request
- v. ISR-5 - Request for Transmission of Securities by Nominee or Legal Heir
- vi. SH-13 Registration of Nomination
- vii. SH-14 Cancellation or Variation of Nomination

The aforesaid forms are available at www.shivalikbimetals.com investor-relations/forms and on the website of RTA www.masserv.com.

Notice to Shareholders *continued*

13. TDS on dividend

Pursuant to the amendment introduced by the Finance Act, 2020, with effect from April 1, 2020, dividend declared and paid by the Company is taxable in the hands of its members and the Company is required to deduct tax at source ("TDS") from dividend paid to the members at the applicable rates.

However, no tax shall be deducted on the dividend payable to a Resident Members (Individual), if the total dividend to be received by them during Financial Year 2023-24 does not exceed ₹ 5,000 and also in cases where members provide Form 15G/15H (form can be download from www.masserv.com under download tab) (as may be applicable) subject to conditions specified in the Income Tax Act. However, the Company may at its sole discretion reject the form if it does not fulfill the requirement of law. PAN is mandatory for members providing Form 15G /15H. Where the PAN is either not registered or is invalid, tax shall be deducted at source at a rate which is higher of the prescribed TDS rates or @ 20%.

14. Electronic Credit of Dividend

Members holding equity shares in physical form, who have not updated their mandate for receiving the dividends directly in their bank accounts through Electronic Clearing Service or any other means ("Electronic Bank Mandate"), can register their Electronic Bank Mandate to receive dividends directly into their bank account electronically or any other means, by sending Form ISR-1 duly filled in and signed, the format of which is available on the website of the Company www.shivalikbimetals.com or from the website of its RTA at www.masserv.com, along with following documents latest by 15th September, 2024 to the Company's Registrar & Share Transfer Agent at MAS Services Limited, unit (Shivalik Bimetal Controls Ltd.) T-34, IInd Floor, Okhla Industrial Area Phase-II, New Delhi-110020:

- a) copy of cancelled cheque leaf bearing the name of the first or sole holder;
- b) self attested scanned copy of the PAN Card; and
- c) self attested scanned copy of any document (such as AADHAAR Card, Driving License, Election Identity Card, Passport) in support of the postal address of the Member as registered against their shareholding.

Members holding shares in demat form may please note that their bank details as furnished by the respective Depositories to the Company will be considered for remittance of dividend as per the applicable regulations of the Depositories and the Company will not entertain any direct request from such Members for change / addition / deletion in such bank details. Accordingly, the Members holding shares in demat form are requested to update their Electronic Bank Mandate with their respective DPs. Further, please note that instructions, if any, already given by Members in respect of shares held in physical form, will not be automatically applicable to the dividend paid on shares held in demat form. Members holding shares in dematerialized mode are requested to submit the details to their respective DP only and not to the Company/RTA.

15. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote during the Annual General Meeting.
16. To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the Company of any change in address or demise of any Member as soon as possible. Members are also advised to not leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned DP and holdings should be verified from time to time.
17. Members holding shares in physical form who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. If a Member desires to opt out or cancel the earlier nomination and record a fresh nomination, he/she may submit the same in Form ISR-3 or SH-14 as the case may be. Members may download the said forms from the Company's website under the weblink at <https://www.shivalikbimetals.com/about-us.php?pagelid=39>. Members holding shares in demat mode should file their nomination with their respective Depository Participant(s).
18. In all correspondence with the Company/the RTA, Members are requested to quote their Folio Number and in case their shares are held in the dematerialised form, must quote their DP ID and Client ID numbers.

Notice to Shareholders *continued*

19. As per Regulation 40 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, Securities of Listed Companies can be transferred only in dematerialized form with effect from April 01, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares, members holding shares in physical form are requested to converting their holdings to dematerialized form. Members can contact the Company or Company's Registrar and Share Transfer Agents, MAS Services Limited for assistance in this regard.

In accordance with SEBI (Listing Obligations and Disclosure Requirements) (4th amendment) Regulations, 2018 notified on June 07, 2018 and further notification dated November 30, 2018 request for physical transfer of shares was discontinued w.e.f. April 01, 2019

Further, in compliance with SEBI vide its circular SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022, the following requests received by the Company in physical form will be processed and the shares will be issued in dematerialization form only: -

- i) Issue of duplicate share certificate
- ii) Claim from unclaimed suspense account
- iii) Renewal/Exchange of securities certificate
- iv) Endorsement
- v) Sub-division / splitting of securities certificate
- vi) Consolidation of securities certificates/folios
- vii) Transmission
- viii) Transposition

For this purpose, the securities holder/claimant shall submit a duly filled up Form ISR-4 which is hosted on the website of the company and RTA (MAS Services Ltd), Registrar and Share Transfer Agent (RTA). The aforementioned form shall be furnished in hard copy.

Members holding shares in physical form are requested to dematerialize their holdings at the earliest.

20. Unclaimed/Unpaid Dividends

Pursuant to the provisions of Section 124 and Section 125 of the Act (including any statutory modification(s) or re-enactment(s) thereof for the time being in force), the amount of dividend remaining unclaimed or unpaid for a period of seven years from the date of transfer to the Unpaid Dividend Account is required to be transferred to the Investor Education and Protection Fund ("IEPF"). Further, pursuant to the provisions of Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules") as amended, all shares in respect of which dividend has not been paid or claimed by the members for seven consecutive years or more, are required to be transferred to the IEPF Authority.

In view of above, members are requested to claim their unclaimed/unpaid dividends for FY 2016-17 and onwards before transfer to IEPF Authority by writing to the Company/RTA. The final Dividend for FY 2016-17 is due for transfer to IEPF on November 01, 2024 and those shareholders whose dividend for FY 2016-17 is unclaimed are requested to send necessary documents to Company/RTA before October 15, 2024, for claiming said dividend.

Members whose unclaimed dividends/shares are/will be transferred to the IEPF Authority can claim the same by making an online application to the IEPF Authority in the prescribed Form No. IEPF-5 by following the refund procedure as detailed on the website of IEPF Authority <http://www.iepf.gov.in/IEPF/refund.html>.

Pursuant to the provisions of IEPF Rules, the Company has uploaded the details of unpaid and unclaimed dividend lying with the Company as on March 31, 2024 on the website of the Company at www.shivalikbimetals.com and also on the website of the MCA at www.iepf.gov.in.

Notice to Shareholders *continued*

21. Members seeking any information with regard to the accounts or any matter to be placed at the AGM are requested to write to the Company on or before September 23, 2024 through email on investor@shivalikbimetals.com. The same will be replied by the Company suitably.
22. Voting through electronic means:
 - a) In terms of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 and Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Master Circular dated July 11, 2023 in relation to e-voting facility provided by listed entities, the resolutions for consideration at this AGM will be transacted through remote e-voting (i.e. facility to cast vote prior to the AGM), for which purpose the Board of Directors of the Company ('the Board') have engaged the services of National Securities Depository Limited ('NSDL').
 - b) The facility for voting through ballot paper shall be made available at the AGM and the members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through ballot paper.
 - c) The members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.
 - d) The remote e-voting period commences on Monday, September 23, 2024 (9:00 am) and ends on Wednesday, the September 25, 2024 (5:00 pm). During this period, members of the Company holding shares either in physical form or in dematerialized form, as on the cut-off date of September 19, 2024, may cast their vote by remote e-voting. The remote e-voting module shall be disabled by NSDL for voting thereafter. Once the vote on a resolution is cast by the member, the member shall not be allowed to change it subsequently.

Instructions for remote e-voting

B) Login Method for e-Voting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

How to Log-in to NSDL e-Voting website?

- Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
- Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section.
- A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.
Alternatively, if you are registered for NSDL e-services i.e. IDEAS, you can log-in at --- with your existing IDEAS login. Once you log-in to NSDL e-services after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below:

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****

- c) For Members holding shares in Physical Form. EVEN Number followed by Folio Number registered with the company

For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

- Password details for shareholders other than Individual shareholders are given below:
 - If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
 - If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
 - How to retrieve your 'initial password'?
 - If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - If your email ID is not registered, please follow steps mentioned below in process for those shareholders whose email ids are not registered.
- If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - Click on "Forgot User Details/Password?" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - Physical User Reset Password? (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
- After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
- Now, you will have to click on "Login" button.
- After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically on NSDL e-Voting system.

How to cast your vote electronically on NSDL e-Voting system?

- After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle and General Meeting is in active status.
- Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period.
- Now you are ready for e-Voting as the Voting page opens.
- Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
- Upon confirmation, the message "Vote cast successfully" will be displayed.
- You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
- Once you confirm your vote on the resolution, you will not be allowed to modify your vote

Notice to Shareholders *continued*

Process for those shareholders whose email ids are not registered with the depositories for procuring user id and password and registration of e-mail ids for e-voting for the resolutions set out in this notice:

1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self-attested scanned copy of PAN card), AADHAR (self-attested scanned copy of Aadhar Card) by email to investor@shivalikbimetals.com.

Notice to Shareholders *continued*

EXPLANATORY STATEMENT IN RESPECT OF THE SPECIAL BUSINESS PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 4

In accordance with the provisions of Section 148 of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditor has to be ratified and confirmed by the shareholders of the Company. The Board on the recommendation of the Audit Committee has approved the re-appointment and remuneration of Mr. Ramawatar Sunar, Cost and Management Accountant, (FRN: 100691) as Cost Auditor to conduct the audit of the cost records of the Company for FY 2024-25.

Accordingly, consent of the members is sought for passing an Ordinary Resolution as set out at Item No. 4 of the Notice for ratification of the remuneration payable to the Cost Auditor for the FY 2024-25.

None of the Directors /Key Managerial Personnel of the Company /their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No. 4 of the Notice.

Item No. 5

Mr. Gurmeet Singh Gill, Non-Executive Non-Independent Director, was appointed on the Board of the Company on 28th September, 1998 in terms of Companies Act, 1956 (re-enacted as Companies Act, 2013) and his association with the Company is more than 2 decades.

The Securities and Exchange Board of India (SEBI) has amended the SEBI (Listing Obligations and Disclosure Requirements), Regulations 2015 vide circular dated May 9, 2018, which requires continuance of any Non-Executive Director who has attained the age of 75 years after seeking the prior approval of shareholders by way of a Special Resolution.

Mr. Gurmeet Singh Gill shall attain the age of 75 years on September 19, 2025, hence approval by way of Special Resolution is placed before the shareholders in order to comply with the aforesaid circular. Apart from being a Director on the Board, Mr. Gurmeet Singh Gill is also member of Nomination and Remuneration Committee and has been effectively performing his duties and providing valuable guidance to the Company in key strategic matters from time to time.

The Board is of the opinion that Mr. Gurmeet Singh Gill's rich and diverse experience is a valuable asset to the Company which adds value and enriched point of view during Board discussions and decision making. He is also a person of integrity who possesses required expertise and his association as Non-Executive Non Independent Director will be beneficial to the Company.

None of the Directors, Key Managerial Personnel of the Company and their relatives is related to Mr. Gurmeet Singh Gill, is in any way concerned or interested financially or otherwise, in the said resolution.

The Board recommends the special resolution as set out at Item No.5 of the Notice for approval by the shareholders.

Item No. 6

Mr. Swarnjit Singh (DIN: 07409567) was appointed as a Non-Executive Independent Director of the Company by the members at the 37th Annual General Meeting of the Company held on September 15, 2021 for a period of four consecutive years commencing from November 11, 2020. In terms of the provisions of Section 149, 150, 152 read with Schedule IV of the Companies Act, 2013 and Regulation 16(1) (b) and 17 of SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015 an Independent Director shall hold office for a term upto five consecutive years on the Board of a Company but shall be eligible for re-appointment for another term of five years, by passing of a special resolution by shareholders.

Based on the recommendation of Nomination and Remuneration Committee Mr. Swarnjit Singh (DIN: 07409567) being eligible for re-appointment as an Independent Director not retire by rotation, is proposed to be re-appointed as an Independent Director, for second term of five consecutive years from November 11, 2024 to November 10, 2029 (both days inclusive).

In this regard, Company has received declaration from him stating that he meets the criteria of Independence as prescribed under sub-section (6) of Section 149 of the Companies Act, 2013 and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. He has also given his consent to continue to act as an Independent Director of the Company, if so appointed by the members. He is not disqualified from being re-appointed as an Independent Director in terms of Section 164 of the Act. He is not debarred from holding the office of director by virtue of any SEBI order or any other such authority.

The details required as per the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard on General Meetings, issued by the Institute of Company Secretaries of India have been provided in the "Annexure - A" to the Notice.

Notice to Shareholders *continued*

In the opinion of the Board, Mr. Swarnjit Singh fulfills the conditions for re-appointment as an Independent Director as specified in the Companies Act, 2013 and rules made thereunder read with SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Board considers that his continued association would be of immense benefit to the Company and it is desirable to continue to avail services of Mr. Swarnjit Singh as a non-executive Independent Director. The Board recommends this special resolution for the approval of members.

All the documents referred to are open for inspection at the Company's Registered Office on all working days, except Saturdays, between 10.00 A.M. to 1.00 P.M. till September 26, 2024 and will also be available for inspection at the Meeting.

Except Mr. Swarnjit Singh, the appointee, none of the Directors, Key Managerial Personnel of the Company or their relatives are in any way, concerned or interested, financially or otherwise, in the proposed resolution.

Item No. 7

Pursuant to Regulation 17 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 and Section 149, 150, 152 and any other applicable provisions of the Companies Act, 2013 (hereinafter referred to as the "Act") and the Rules made thereunder (including any statutory modification(s) or re-enactment thereof for the time being in force) read with Schedule IV to the Companies Act, 2013 and on the recommendation of the Nomination and Remuneration Committee, the Board of Directors has appointed Mrs. Sukrita Goyal as an additional Director under the category of Independent Women Director w.e.f. August 29, 2024, subject to approval of shareholders w.r.t appointment on the Board of Directors at the next general meeting or within a time period of three months from the date of appointment, whichever is earlier.

Mrs. Sukrita Goyal is a graduate in Bachelors of Engineering (E&C) from Global Institute of Technology, Jaipur and Master's Degree (MBA) in HR & Marketing from FORE School of Management, Delhi. She has overall experience of 14+ years in driving the business growth and customer satisfaction in automobile sector. She is skilled in strategic planning, policy making and team management. Mrs. Goyal is well versed in the managerial functions of the business such as resource management and allocation. She has also working experience as Software Engineer with Accenture, Mumbai.

The Company has received relevant declaration under Section 164, 184 and 149 of the Companies Act, 2013 from Mrs. Sukrita Goyal (DIN: 07576423). Further, in terms of provisions of section 149(6) read with Companies (Appointment and Qualification of Directors), Rules, 2014 and Regulation 16(1)(b), 25 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, Mrs. Sukrita Goyal meets the specified criteria mentioned in the provisions to become the Independent Women Director. Accordingly, it was considered to appoint Mrs. Sukrita Goyal as an Independent Director to hold office for a period of five (5) consecutive years w.e.f August 29, 2024 up to August 28, 2029. The Board also considered that the Company will be benefited by her appointment, as her contribution is likely to be immense for valuable experience, knowledge and counsel.

The details of Mrs. Sukrita Goyal as required under Regulation 36 (3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and provisions of Secretarial Standard 2 on General Meetings are disclosed under Annexure A to this Statement including the brief resume, nature of her expertise in specific functional areas and names of Companies in which she holds directorships and memberships/chairmanships of Board Committees, shareholding and relationships between Directors inter-se.

The Board recommends this resolution for the approval of members.

All the documents referred to are open for inspection at the Company's Registered Office on all working days, except Saturdays and Sunday between 10.00 A.M. to 1.00 P.M. till September 26, 2024 and will also be available for inspection at the Meeting.

Except Mrs. Sukrita Goyal, the appointee, none of the Directors/Key Managerial Personnel of the Company /their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No. 7 of the Notice.

Item No. 8

On the recommendation of the Nomination and Remuneration Committee and pursuant to Section 196, 197, 203, 161 of the Companies Act, 2013, and other applicable provisions, the Board of Director(s) at its meeting held on August 29, 2024, appointed Mr. Kabir Ghumman (DIN: 01294801) as an additional director of the Company to hold the office up to date of ensuing AGM on the remuneration as set forth in the resolution under the category of Executive and Whole-Time Director effective August 29, 2024, subject to approval of shareholders in the annual general meeting.

Mr. Kabir Ghumman is the son of Mr. N S Ghumman, Managing Director and associated with the company since last one decade. Mr. Kabir is a qualified Engineer holds Bachelors-Mechanical Engineering. He is responsible for the supervision of all technical and process engineering aspects of the Company at the manufacturing unit. With his exposure and experience in the designing and optimization of use of machinery has developed good understanding of manufacturing processing.

Notice to Shareholders *continued*

His scope of work covers his full involvement in the mechanical engineering aspects of the company at plant. Mr. Kabir Ghumman associated with the Company from last 15 years and meanwhile gave his best for its immense growth. The Board of Directors are of the view that his knowledge, experience, guidance would be useful for the growth of the Company.

Mr. Kabir Ghumman holds 300 equity shares in the Company.

The resolution seeks approval of the members in terms of Sections 196 and 197 read with schedule V, 203 and other applicable provisions of the Companies Act, 2013 and the Rules made thereunder (including any statutory modifications or re-enactment(s) thereof, for the time being in force) for the appointment of Mr. Kabir Ghumman as Whole-time Director effective August 29, 2024 till August 28, 2029.

Brief resume of Mr. Kabir Ghumman, nature of his expertise in specific functional areas and names of Companies in which he holds directorships and memberships/chairmanships of Board Committees, shareholding and relationships between Directors inter-se are provided in Annexure to this Notice.

Remuneration and Benefits:

(Amount In INR)

Gross Pay	1,25,00,000
HRA	62,50,000
Perquisite & Allowances	12,50,000
Total	2,00,00,000

The remuneration is to be paid within the approved limits and in accordance with the Company Policy, as amended from time to time.

The appointment and remuneration payable to Mr. Kabir Ghumman is required to be approved by the Shareholders in the General Meeting and accordingly resolution as set out at Item No. 8 is being placed before the Members for approval.

The details of Mr. Kabir Ghumman as required under Regulation 36 (3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and provisions of Secretarial Standard 2 on General Meetings are disclosed under Annexure A to this Statement.

All the documents referred to are open for inspection at the Company's Registered Office on all working days, except Saturdays and Sunday between 10.00 A.M. to 1.00 P.M. till September 26, 2024 and will also be available for inspection at the Meeting.

No director, Key managerial personnel or their relatives, except Mr. N S Ghumman, Mrs. Tejinder jeet Kaur Ghumman and Mr. Sumer Ghumman (Managing Director of Shivalik Engineered Products Private Ltd) to whom the resolution relates, is interested in or concerned with the resolution. The Board recommends the resolution set forth in Item no. 8 for the approval of the Members.

Item No. 9

Pursuant to the provisions of Sections 196, 197, 203 read with Schedule V and other applicable provisions, if any, of the Companies Act, 2013 ("Act"), the Companies (Appointment and Qualification of Directors) Rules, 2014 (including any statutory modification(s) or amendment(s) or re-enactment(s) thereof, for the time being in force), the company may pay managerial remunerations to the persons appointed under the said category within the limits specified in the 197 read with Schedule V. The company in general meeting may, authorize the payment of remuneration exceeding eleven per cent. of the net profits of the company, subject to the provisions of Schedule V:

Further, in terms of the provisions of Regulation 17(6)(e) of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015. The fees or compensation payable to executive directors who are promoters or members of the promoter group, shall be subject to the approval of the shareholders by special resolution in general meeting, if there is more than one such director, the aggregate annual remuneration to such directors exceeds 5 per cent of the net profits of the entity.

On recommendation of Nomination & Remuneration Committee, the board of directors with the consent of members already appointed Mr. N.S Ghumman, Managing Director and Mr. S.S Sandhu, Chairman & Whole Time Director as executive director(s) of the company in the past years. Presently, the managerial remuneration payable to both of the executive directors were duly approved by the members in the general meeting.

On and after appointment of Mr. Kabir Ghumman as Whole Time Director, the Board of the view that there may be increase in overall managerial remuneration of 5% of the net profits of the company. Considering the same and in view of the recommendation of the Nomination & Remuneration committee, the board approved the payment of the overall managerial remuneration notwithstanding the same exceeding the limits prescribed under Regulation 17(6)(e) which is well within the overall ceiling of 11% prescribed under the Sec 197 read with Schedule V of the Companies Act, 2013.

Notice to Shareholders *continued*

The terms of appointment including the remuneration payable to Mr. Kabir Ghumman also separately placed for approval under Item No 8.
