Jindal Stainless Renews Trust in Tiger Logistics for International Steel Shipping

28th January 2025, New Delhi – Tiger Logistics (India) Ltd, a BSE-listed pioneer in international logistics, announces the extension of its partnership with Jindal Stainless, a leading exporter of steel in India. This development underscores Tiger Logistics' proficiency in managing the intricate logistics associated with steel, a vital material for the nation's industrial advancement.

Jindal Stainless, renowned for its substantial role in the global steel industry, continues to rely on Tiger Logistics for the reliable transportation of its steel products to international destinations. Under this extended agreement, Tiger Logistics will oversee global logistics for diverse steel products, ensuring uninterrupted shipment from India to over 30 countries. In FY24-25, Tiger Logistics managed more than 3,000 containers for Jindal Stainless.

The renewed agreement highlights Tiger Logistics' capabilities in handling large-scale, intricate, and high-value consignments, particularly in sectors like steel, which demand precision, security, and timely execution. Tiger's global footprint and focus on logistics innovation affirm its status as a key contributor to international supply chains.

Mr. Harpreet Singh Malhotra, CMD of Tiger Logistics (India) Limited, expressed appreciation, stating, "We are privileged to support India's role as a prominent steel exporter. By enabling the efficient transport of steel, we contribute to the success of our clients and the country. This renewed association with Jindal Stainless highlights our proficiency in managing steel logistics. The steel sector is a key component of India's economic progress, and Tiger Logistics' role ensures the reliable delivery of products to international destinations.

This partnership reflects our commitment to India's industrial goals while strengthening our position in global supply chains. At Tiger Logistics, we strive to remain the trusted logistics provider for our clients, and we thank our stakeholders for their confidence, which drives us to achieve new goals and build a successful future together."

About Tiger Logistics (India) Limited (BSE:536264):

Tiger Logistics India Limited is a Bombay Stock Exchange-listed leading international logistics company and solutions provider, covering freight forwarding (air & ocean), defence & project logistics, transportation, and customs clearance. The company also launched its proprietary freight booking and management platform, "FreightJar" in 2023 to bring accessibility to competitive freight rates for SMEs/MSMEs and seamlessness to the freight booking and management journey. With a strong presence across the world, Tiger Logistics boasts over 24 years of experience in the automotive, engineering, yarns, textiles, pharmaceutical, commodities, and FMCG industries, among others.

Founded in the year 2000 in response to a need for a reliable, high-principled player in the Indian logistics scenario and a goal to be a one-stop shop for international logistics, Tiger Logistics works with agents & partners across the board to deliver reliable, efficient, and timely cargo movement around the world. With an asset-light model and one-stop solution for customers for international trades, Tiger Logistics carves tailored solutions for its customers to manage their end-to-end logistics requirements, with cost innovation and personalized service at its core by working as a logistics partner instead of just a vendor.
