Auditor's Responsibility for the Audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (I) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Head Office: 601-602, Swagat Complex, P. N Marg, Opp. Hotel Regency, Jamnagar

Branch : 224/225, Silver Point, Pramukh Swami Circle, GIDC, Phase III, Jamnagar

Branch: B-1304, Sun Westbank, Ashram Road, Near Vallabh Sadan, Ahmedabad

(M) +91 9099038121, +91 8000777854 (E) chetanagarwalandco@gmail.com

- iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- iv. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- v. Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Head Office: 601-602, Swagat Complex, P. N Marg, Opp. Hotel Regency, Jamnagar

Branch : 224/225, Silver Point, Pramukh Swami Circle, GIDC, Phase III, Jamnagar

Branch: B-1304, Sun Westbank, Ashram Road, Near Vallabh Sadan, Ahmedabad

(M) +91 9099038121, +91 8000777854 (E) chetanagarwalandco@gmail.com

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial results of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The Statement includes the results for the half year ended March 31, 2024 being the balancing figure between audited figures in respect of the full financial year and the published year to date figures up to the Half year (September 30, 2023) of the current financial year which were subject to limited review by us.

Our conclusion on the statement is not modified in respect of this matter.

Ref: Angel Fibers Limited (Security Id/Code: ANGEL/ 541006)

Dear Sir/Ma'am,

With reference to captioned subject, we would like to clarify that in the independent auditor's report issued by our firm i.e. Chetan Agarwal & Co. to Angel Fibers Limited on 27th May, 2024 we mentioned one opinion for Accounting Standard-15 and on that opinion, company penalized with fine getting query that:

Standalone Results - Qualification / Observations is mentioned in Auditor Report. However, Company has not submitted Statement on Impact of Audit Qualification. for Year Ended - March 2024.

In this regards we would like to clarify that the observation contain in the Audit Report is "The Company has not complied with the provisions of AS 15 – Employee Benefits with respect to creating a provision for leave encashment expense payable to its employees. The Company determines the liability for defined benefit plans on actual payment basis only and consequently, the statement do not include any possible adjustments in this regard." which is just an observation and that does not contain any adverse qualification in the Report as per our opinion. Further company has contract labors and direct labors on daily wage basis. For them it is practically not possible to provide leave encashment because their availability is not fixed. For office staff employees company generally provides liberal atmosphere for Casual Leave, Sick Leave, Privilege Leave, Maternity Leave etc. and do not deduct salary of employees for those essential leaves. However, company didn't implement formal leave encashment policy and hence, we provided our obversion on that.

Moreover, company already implemented policy for leave encashment and assured the auditors to fully comply the policy as well as the regulations of Accounting Standards.

Hence, it is our humble request to kindly consider our justification and duly comply the company.
