Independent Auditor’s Review Report on the Unaudited Standalone Financial Results for the quarter and nine months ending 31st December, 2024 of McNally Bharat Engineering Company Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**Review Report,
The Board of Directors of,
McNally Bharat Engineering Company Limited**

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of **MCNALLY BHARAT ENGINEERING COMPANY LIMITED** (“the Company”) for the quarter and nine months ended 31st December, 2024 (“the Statement”), being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (“Listing Regulations”) read with SEBI Circular No. CIR/CFD/CMD1/80/2019 dated 19th July, 2019 (“the Circular”).
2. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, is prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 (Ind AS 34) “Interim Financial Reporting” prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, “*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*”, issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. Basis for Adverse Conclusion

a) Current Assets, Current Liabilities and Capital Work – in – Progress

- i. We draw attention to **Note 11** to the statement regarding Trade Receivables, Advance to Suppliers, Trade Payables, Other Financial Assets, and Advance from Customers being subject to confirmation and reconciliation from respective parties and consequential reconciliation, outcomes of pending arbitration/settlements of claims and adjustments arising therefrom, if any. Recoverability/ Adjustments/ Impacts with respect to these are currently not ascertainable and as such cannot be commented upon by us.
- ii. Further, Claims Recoverable (BG Encashed) amounting to Rs. 36,183.70 Lakhs, including Rs. 11,677.57 Lakhs under arbitration whose fair value is Rs. 19,149.57 Lakhs are doubtful. Recoverability/ Adjustments/ Impacts with respect to these are currently not ascertainable and as such cannot be commented upon by us.
- iii. There is no movement in Capital Work-in-Progress amounting to Rs.462.62 Lakhs, since 31st March, 2016. In the absence of any audit evidence, we are unable to ascertain the impact/adjustments required and comment on the same.

b) Non-adjustment of the Carrying Value of the Loan

In earlier years, the Company had given unsecured loans to Vedica Sanjeevani Projects Private Limited (“VSPL”). VSPL vide their letter dated 15th February, 2022 informed the Company that it was unable to service the debt and requested the Company for a moratorium on the repayment of the loan, including interest for two years i.e., Financial Year 2021-22 and Financial Year 2022-23. Subsequently, the Company had stopped recognizing interest income on the same. In absence of any further communication between the Company and VSPL, we are unable to comment on the realizability of the loan, its interest, and consequential adjustments to be made in the books.

This constitutes a material departure from the requirements of Indian Accounting Standard – 109 “Financial Instrument”.

c) Recognition of Deferred Tax Assets

Note 10 to the Statement that the Company had recognized deferred tax assets of Rs. 51,706.60 lakhs up to 31st March, 2018 which is being carried forward in books by the Company expecting adequate future taxable profits after infusion of fresh funds in the Company by the successful resolution applicant against which the deferred tax assets could be adjusted. The Company has been continually incurring losses and its net worth has been fully eroded. We are unable to obtain sufficient appropriate

evidence with respect to the management's assertions and are therefore, unable to comment on the carrying value of the aforesaid net deferred tax assets on 31st December, 2024.

This constitutes a material departure from the requirements of Indian Accounting Standard 12 "Income Taxes".

5. Based on our review conducted and procedures performed as stated in Paragraph 3, we report that because of the significance of the matters stated in Paragraph 4, and their consequential impact on the unaudited standalone financial results for the period ending 31st December 2024, which are expected to be material, we have come to the conclusion that the Statement read with notes thereon have not been prepared fairly in all material respect in accordance with aforesaid Indian Accounting Standards and other recognized accounting practices and policies generally accepted in India.

6. **Emphasis of Matters**

We draw attention to the following matters in the notes to the Statement:

a) Extension of the Effective Date for Implementing the Resolution Plan

Note 1 to 5 to the Statement informs that the Hon'ble National Company Law Tribunal (NCLT), Kolkata Bench admitted the Corporate Insolvency Resolution Process (CIRP) against the Company and appointed Mr. Ravi Sethia (IBBI/IPA-001/IP-P01305/2018-2019/12052) as the Resolution Professional (RP). The RP received Resolution Plans from 4 applicants. Out of the 4, the Resolution Plan of one of the applicants received approval from the Committee of Creditors by the requisite majority and thereafter the RP submitted the application before the Hon'ble NCLT on 3rd August 2023 for its final approval.

On the 19th December 2023, Hon'ble NCLT pronounced its order in favor of one of the successful Resolution Applicants i.e. BTL EPC Limited. Pursuant to the approval of the Plan by the Hon'ble NCLT, the Implementation and Monitoring Committee ("IMC") was duly constituted on 19th December 2023 as per the terms of the plan to oversee the implementation of the approved Resolution Plan. However, the Resolution Plan submitted by BTL EPC Limited has not been implemented till the effective date mentioned in the order.

Subsequently, the Committee of Creditors of the company filed an application with the Hon'ble NCLT to seek appropriate directions and recourse with respect to the approved resolution plan and CIRP of the Company. The Hon'ble NCLT heard the matter and, on 3rd December 2024 pronounced an order extending the effective date for implementing the Resolution Plan from 17th February 2024 to 6th January 2025.

b) Material Uncertainty Related to Going Concern

Note 4 to the Statement states that the Company has incurred a net loss of Rs. 71,711.77 lakhs (before comprehensive income) during the nine months ended 31st December, 2024, and is unable to meet its financial commitments/covenants to lenders and various other stakeholders. The effective date for implementing the Resolution Plan has been extended from 17th February 2024 to 6th January 2025 and the ability of the Company to continue as a going concern is dependent on the successful implementation of the resolution plan as approved by the Hon'ble National Company Law Tribunal.

c) Non-Assessment of Pending Litigations

Note 6 to the Statement states that the Company has been receiving regulatory Enquiries/ Notices/ Summons/ Show-Cause/ Demand/ Orders from various Government authorities such as Goods and Services Tax and Income Tax. In view of the Company's admission under CIRP all existing civil and legal proceedings will be kept in abeyance as moratorium is in force under section 14 of the Insolvency and Bankruptcy Code, 2016.

On 19th December 2023, Hon'ble NCLT pronounced its order in favor of BTL EPC Limited, lifting the moratorium effective from the date of the order. However, the management believes that the notices and orders pertain to the moratorium period and, therefore, will be reassessed after the conclusion of the CIRP. Thus, no impact has been considered in the Statement as of now.

d) Recognition of Interest Expense

As referred in **Note 9** of the Statement, during the period, the Company has recognized the interest expense for the nine months ending 31st December, 2024 on Bank Borrowings, Inter Corporate Deposits and claim of EIG (Mauritius) Limited under the head 'Finance Costs' amounting to Rs. 62,858.16 Lakhs as estimated by the management.

Our conclusion has not been modified with respect to these matters.

Independent Auditor’s Review Report on the Unaudited Consolidated Financial Results for the quarter and nine months ending 31st December, 2024 of McNally Bharat Engineering Company Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**Review Report,
The Board of Directors of,
McNally Bharat Engineering Company Limited**

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of **MCNALLY BHARAT ENGINEERING COMPANY LIMITED** (“the Holding Company”) and its subsidiaries (the Holding Company and its subsidiaries together referred to as “the Group”) for the quarter and nine months ended 31st December, 2024 (“the Statement”), being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (“Listing Regulations”) read with SEBI Circular No. CIR/CFD/CMD1/80/2019 dated 19th July, 2019 (“the Circular”).
2. This Statement, which is the responsibility of the group’s management and approved by the Holding Company’s Board of Directors, is prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 (Ind AS 34) “Interim Financial Reporting” prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity”, issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Master Circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. Basis for Adverse Conclusion

a) Current Assets, Current Liabilities and Capital Work – in – Progress

- i. We draw attention to **Note 11** to the statement regarding Trade Receivables, Advance to Suppliers, Trade Payables, Other Financial Assets and Advance from Customer being subject to confirmation and reconciliation from respective parties and consequential reconciliation, outcomes of pending arbitration/settlements of claims and adjustments arising therefrom, if any. Recoverability/ Adjustments/ Impacts with respect to these are currently not ascertainable and as such cannot be commented upon by us.
- ii. Further, Claims Recoverable (BG Encashed) amounting to Rs. 36,183.70 Lakhs, including Rs. 11,677.57 Lakhs under arbitration whose fair value is Rs. 19,149.57 Lakhs are doubtful. Recoverability/ Adjustments/ Impacts with respect to these are currently not ascertainable and as such cannot be commented upon by us.
- iii. There is no material movement in Capital Work-in-Progress amounting to Rs.462.62 Lakhs, since 31st March, 2016. In absence of any audit evidence, we are unable to ascertain the impact/adjustments required and comment on the same.

b) Non-adjustment of the Carrying Value of the Loan

In earlier years, the Holding Company had given an unsecured loan to Vedica Sanjeevani Projects Private Limited (“VSPL”). VSPL vide their letter dated 15th February, 2022 informed the Holding Company that it was unable to service the debt and requested the Holding Company for a moratorium on the repayment of the loan, including interest for two years i.e., Financial Year 2021-22 and Financial Year 2022-23. Subsequently, the Holding Company had stopped recognizing interest income on the same. In the absence of any further communication between the Holding Company and VSPL, we are unable to comment on the realizability of the loan and its interest and consequential adjustment to be made in the books.

This constitutes a material departure from the requirements of Indian Accounting Standard – 109 “Financial Instrument”.

c) Recognition of Deferred Tax Assets

Note 10 to the Statement that the Holding Company had recognized deferred tax assets of Rs. 51,706.60 lakhs up to 31st March, 2018 which is being carried forward in books by the Holding Company expecting adequate future taxable profits after the infusion of fresh funds in the Holding Company by the successful resolution applicant against which the deferred tax assets could be adjusted. The Holding Company has been continually incurring losses and its net worth has been fully eroded. We are

unable to obtain sufficient appropriate evidence with respect to the management's assertions and are therefore, unable to comment on the carrying value of the aforesaid net deferred tax assets on 31st December, 2024.

This constitutes a material departure from the requirements of Indian Accounting Standard 12 "Income Taxes"

5. Based on our review conducted and procedures performed as stated in Paragraph 3, we report that because of the significance of the matters stated in Paragraph 4, and their consequential impact on the unaudited consolidated financial results for the period ending 31st December 2024, which are expected to be material, we have come to the conclusion that the Statement read with notes thereon have not been prepared fairly in all material respect in accordance with aforesaid Indian Accounting Standards and other recognized accounting practices and policies generally accepted in India.

6. **Emphasis of Matters**

We draw attention to the following matters in the notes to the Statement:

a) Extension of the Effective Date for Implementing the Resolution Plan

Note 1 to 5 to the Statement informs that the Hon'ble National Company Law Tribunal (NCLT), Kolkata Bench admitted the Corporate Insolvency Resolution Process (CIRP) against the Holding Company and appointed Mr. Ravi Sethia (IBBI/IPA-001/IP-P01305/2018-2019/12052) as the Resolution Professional (RP). The RP received Resolution Plans from 4 applicants. Out of the 4, the Resolution Plan of one of the applicants received approval from the Committee of Creditors by the requisite majority and thereafter the RP submitted the application before the Hon'ble NCLT on 3rd August 2023 for its final approval.

On the 19th December 2023, Hon'ble NCLT pronounced its order in favor of one of the successful Resolution Applicants i.e. BTL EPC Limited. Pursuant to the approval of the Plan by the Hon'ble NCLT, the Implementation and Monitoring Committee ("IMC") was duly constituted on 19th December 2023 as per the terms of the plan to oversee the implementation of the approved Resolution Plan. However, the Resolution Plan submitted by BTL EPC Limited has not been implemented till the effective date mentioned in the order.

Subsequently, the Committee of Creditors of the Holding company filed an application with the Hon'ble NCLT to seek appropriate directions and recourse with respect to the approved resolution plan and CIRP of the Holding company. The Hon'ble NCLT heard the matter and, on 3rd December 2024 pronounced an order extending the effective date for implementing the Resolution Plan from 17th February 2024 to 6th January 2025.

b) Material Uncertainty Related to Going Concern

Note 4 to the Statement states that the group has incurred a net loss of Rs. 71,713.24 lakhs (before comprehensive income) during the nine months ended 31st December, 2024, and

is unable to meet its financial commitments/covenants to lenders and various other stakeholders. The effective date for implementing the Resolution Plan has been extended from 17th February 2024 to 6th January 2025. The ability of the group to continue as a going concern is dependent on the successful implementation of the resolution plan as approved by the Hon'ble National Company Law Tribunal.

c) Non-Assessment of Pending Litigations

Note 6 to the Statement states that the Holding Company has been receiving regulatory Enquiries/ Notices/ Summons/ Show-Cause/ Demand/ Orders from various Government authorities such as Goods and Services Tax and Income Tax. In view of the Holding Company's admission under CIRP all existing civil and legal proceedings will be kept in abeyance as moratorium is in force under section 14 of the Insolvency and Bankruptcy Code, 2016.

On 19th December 2023, Hon'ble NCLT pronounced its order in favor of BTL EPC Limited, lifting the moratorium effective from the date of the order. However, the management believes that the notices and orders pertain to the moratorium period and, therefore, will be reassessed after the conclusion of the CIRP. Thus, no impact has been considered in the Statement as of now.

d) Recognition of Interest Expense

As referred to in **Note 9** of the Statement, during the period, the Holding Company has recognized the interest expense for the nine months ending 31st December, 2024 on Bank Borrowings, Inter Corporate Deposits and claim of EIG (Mauritius) Limited under the head 'Finance Costs' amounting to Rs. 62,858.16 Lakhs as estimated by the management.

e) Others

The Statement includes the results of the following subsidiaries;

Wholly Owned Subsidiary Companies of the Holding Company

- McNally Bharat Equipments Limited
- MBE Mineral Technologies Pte Limited
- MBE Minerals Zambia Limited

The Statement does not include the results of the following Joint Ventures;

Joint Ventures of the Holding Company

- EMC MBE Contracting Company LLC
- McNally – Trolex
- McNally – AML
- McNally – Trolex – Kilburn

Our conclusion has not been modified in respect of these matters.

7. Other Matters

The Statement includes the unaudited financial information of one Indian subsidiary and two overseas subsidiaries which reflects the Group's share of total profit/(loss) of Rs. (1.48) Lakhs and total income Nil for the nine months ended 31st December, 2024. The unaudited financial information has been furnished to us by the management and our opinion on the Statement so far as it relates to the amounts and disclosures included in respect of these entities is based solely on such unaudited interim financial information. In our opinion and according to the information and explanations given to us this interim financial information is not material to the Group.

Our conclusion is not modified in respect of above matter.
