Commenting on the results, Mr. C. S. Nopany, Executive Chairman, Sutlej Textiles and Industries Limited said:

“The recent developments of heightened geo-political tensions in West Asia, disturbing conditions in neighbouring Bangladesh, increased ocean freights, supply chain disruptions and recession fears in USA have exacerbated the already challenging business environment faced by textile industries in general and spinning industry in particular. While the Indian domestic story remains largely intact, we witnessed a lower than expected spur in demand ahead of the festive season.

At Sutlej, while we remain cautious, we are confident of weathering all the challenges backed by our strong foundation, an agile organization, a strong balance sheet and customer-centric focus.”
