TO THE BOARD OF DIRECTORS OF MISHTANN FOODS LIMITED (CIN : L15400GJ1981PLC004170)

1. We have reviewed the accompanying Statement of Standalone Unaudited Financial Results of MISHTANN FOODS LIMITED ("the Company"), for the quarter and nine months ended December 31, 2024 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations").

2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention except the matter described in "Annexure – 1" separately annexed to this report that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Annexure – 1 to the Limited Review Report on review of interim standalone financial results

(Pursuant to the regulation 33 of the SEBI(Listing obligation and disclosure requirement) regulations) 2015 to the board of directors of **MISHTANN FOODS LIMITED (MFL)**.

- 1. The Company has recently received Interim Order cum Show Cause Notice issued by SEBI dated 5th December, 2024 based on the investigation carried out by the SEBI for the period April 1, 2017 to March 31, 2024. The SEBI has highlighted the issues/concerns observed during their investigation which are as under.
 - a) MFL has negligible fixed assets on its books, negative cash flow from its operating activity and a very low inventory as compared to its sizeable sale figures and 84% of the total sales and 91% of the total purchases booked by MFL during the Investigation Period were prima facie found to be fictitious involving circular flow of funds.
 - b) By consolidating its financials with those of its Dubai-based wholly owned subsidiary (whose sales/purchases were also found to be prima facie fictitious for FY24, MFL has artificially shown heavily inflated sales and profits figures during FY24, thereby misrepresenting its financials in order to attract gullible investors.
 - c) The share of trade receivables of MFL out of its total assets has been constantly rising over the years, so much so that as of the end of September 2024 quarter, trade receivables constituted almost all the assets (approx. 97%) of MFL. considering that almost all of the sale/purchase transactions of MFL since FY20 were prima facie found to be fictitious, there is little possibility of these trade receivables ever being realised and it seems quite probable that these trade receivables would have to be written off in due course in compliance with applicable accounting standards. This would further impact the Company's financials and ultimately the shareholders.
 - d) Company has done a right issue amounting to Rs. 4990.00 Lakhs in April 2024 and the proceeds were found to be missutilsed.

As per the managements reply dated 06 December, 2024 "The Company is examining the next steps to be taken in this matter and is analysing the impact, if any, of this Interim Order on Company's financial, operation or any other activities at the moment."

Also management denies all the purported allegations mentioned in the Interim Order cum Show Cause Notice dated 05/12/2024 and has decided to prefer the remedies available in law against the said Show Cause cum Interim Order.

We are unable to determine the financial impact of the show cause notice and the transactions referred to therein on the Company's financial position. Consequently, we are unable to comment on whether the financial position of the Company presents a true and fair view.

- Company has not adopted the accounting software with the feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of account along with the date when such change were made and ensuring that the audit trail can not be disabled and as such cannot be commented upon by us.
- 3. Company has not utilized/spent the CSR amount to be spent as on 31.03.2024 amounting to Rs. 54.71 Lakhs.

How

- 4. The Company has received show cause notice from GST department in earlier years amounting to Rs. 10342.19 Lakhs, the matter required adjudication. Till date no demand notice has been served on the company. Also, the company has filed a writ petition against the show cause notice and company has deposited Rs. 200.00 Lakhs in earlier year under protest.
- 5. As of the financial year 2023-24, the books of accounts reflect an income tax provision of ₹4942.00 Lakhs, which remains unpaid. Additionally, there is a disputed income tax demand of ₹11744.00 Lakhs, as per the Income Tax Department's records, currently pending at the first stage of appeal.
